CHAPTER 1

BASIC PAY

1.0 GENERAL

1.1 Purpose

This chapter prescribes the criteria for determining creditable service for military members; provides examples for computing valid creditable service; states periods of service that are not creditable for pay purposes; cites conditions for the payment of military pay entitlements; explains the computation of leave and conditions for leave accrual; and provides for situations where enlistments are not valid. Tables 1-1 through 1-15, outlining various conditions in which military pay is payable for all grades of military personnel, are at the end of this chapter. See Chapter 26 for entitlement to Basic Allowance for Housing (BAH), and Chapter 25, [Table 25-1](#) or the [Basic Allowance for Subsistence \(BAS\)](#) table for payments.

1.2 Authoritative Guidance

The pay policies and requirements established by DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.). Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 CREDITABLE SERVICE

2.1 Service Which is Creditable

2.1.1. General

2.1.1.1. The several military pay and personnel systems use a variety of dates to determine various entitlements. Among them is the date that denotes how much service a member has for the purpose of determining longevity pay rates. The Army refers to this as the “pay entry basic date,” the Navy and Marine Corps refer to this as the “pay entry base date,” while the Air Force calls it the “pay date.” This chapter will refer to this data element as the “basic pay date,” which is defined as reflecting all service that is creditable towards longevity.

2.1.1.2. The member’s servicing personnel office is responsible for providing, when necessary, a statement of service that can include the basic pay date, total active federal military service date, total commissioned federal military service date, and a variety of other dates, depending on the nature of the individual member’s service. This Regulation details only the computation of the basic pay date, since Military Service personnel regulations control the computation of all other dates.

2.1.2. Computation of Creditable Service. For most members who enter and serve on active duty without a break in service, the basic pay date is the date the member enters active or inactive service. If, however, there is a break in service, the time between periods of service usually is not included. Also, there are statutory periods when service in a particular component may not be counted. Conversely, there are periods for which some members are given constructive service, even though they were not actually serving on active or inactive duty. Use subparagraphs 2.1.3 through 2.1.5 to compute the basic pay date when there has been a break in service of any kind or if there is a need to include constructive service.

2.1.3. Creditable Service Periods. Include active or inactive service in any of the following components without restriction:

2.1.3.1. Regular service in the Army, Air Force, Navy, Coast Guard, and Marine Corps;

2.1.3.2. Army, Naval, Marine Corps, Air Force, and Coast Guard Reserve;

2.1.3.3. Army of the United States (service without specification of a component);

2.1.3.4. Army National Guard;

2.1.3.5. Army National Guard of the United States;

2.1.3.6. National Guard;

2.1.3.7. National Guard of the United States;

2.1.3.8. Air Force of the United States (service without specification of a component);

2.1.3.9. Air National Guard;

2.1.3.10. Air National Guard of the United States;

2.1.3.11. Nurse Corps and Nurse Corps Reserve of the Public Health Service; or

2.1.3.12. Public Health Service and Reserve Corps of the Public Health Service.

2.1.4. Other Creditable Service (with restrictions noted in this subparagraph and in subparagraph 2.2.1). Include the following periods of service:

2.1.4.1. Officer, deck officer, or junior engineer service in the National Oceanic and Atmospheric Administration, including similar periods of service in the former Corps of the Environmental Science Services Administration and the U.S. Coast and Geodetic Survey;

2.1.4.2. Service on a Military Service retired list, temporary disability retired list, or honorary retired list of any Uniformed Service or service as a member of the Fleet Reserve or Fleet Marine Corps Reserve;

2.1.4.3. Any period of service during which a member is entitled to retired, retirement, or retainer pay from any Uniformed Service;

2.1.4.4. Service as a cadet or midshipman at a military academy is always creditable service for an enlisted member who is not commissioned. For a prior service member, he/she reverts back to his/her enlisted status to complete their enlistment contract. See Table 1-1 to determine whether such service is creditable for commissioned and warrant officers;

2.1.4.5. Credit the time when an enlisted member is retained after the expiration of term of service of an Armed Force for medical care or hospitalization for disease or injury incident to service. Do not credit such periods of service if the underlying medical condition requiring medical care or hospitalization was due to the member's misconduct;

2.1.4.6. Service otherwise creditable that is performed before a member reaches the statutory age for enlistment, unless the enlistment contract was voided or invalidated for fraud;

2.1.4.7. Active service performed as a temporary member of the U.S. Coast Guard Reserve;

2.1.4.8. Service terminated by desertion or dishonorable discharge unless the enlistment was fraudulent and was voided for that reason;

2.1.4.9. Periods of service when a member is detailed to and receiving pay and allowances from any other agency of the United States, even though accrual of military pay and allowances is suspended;

2.1.4.10. Service as a member of the Army, Navy, or Air Force Reserve Officers' Training Corps (ROTC), provided the member has concurrent Selected Reserve (drilling status) for duty performed on or after August 1, 1979. Also, see subparagraph 2.1.4.14;

2.1.4.11. Service as an officer, Army field clerk, flight officer, aviation midshipman, or enlisted member of a uniformed service;

2.1.4.12. Service as an enlisted member in a Reserve Component, including Ready Reserve service (inactive and active) under the Delayed Entry (Enlistment) Program (DEP), before beginning active duty or an initial period of Active Duty Training (ADT), provided the Reserve enlistment was entered into before January 1, 1985. As of January 1, 1985, the following restrictions went into effect as and when stated:

2.1.4.12.1. For enlistments in a Reserve Component under [Title 10, U.S.C. section 12103](#)(b) or (d), including enlistments under a DEP, that were entered into

between January 1, 1985, and November 28, 1989, the period served in the Reserve Component before beginning active duty or an initial period of ADT is not creditable; or

2.1.4.12.2. For enlistments entered into on or after November 29, 1989:

2.1.4.12.2.1. A period of enlisted service in a Reserve Component under 10 U.S.C. § 12103(b) or (d), including inactive service under a DEP, is creditable service only if the member performs Inactive Duty Training (IDT) before beginning active duty or an initial period of ADT; or

2.1.4.12.2.2. Service performed as an enlisted member in a Reserve Component under [10 U.S.C. § 513](#), other than a period of active duty, is not creditable service; or

2.1.4.13. Any period of service which was creditable under any federal statute in effect on January 10, 1962.

2.1.3.14. Prior provisions of law excluded the Simultaneous Membership Program from creditable service for commissioned officers effective October 13, 1964. Public Law 104-201, section 507, September 23, 1996, amended these provisions to provide service credit retroactive to August 1, 1979. These amendments resulted in no increase in pay, retired pay, or retainer pay before the date of enactment, September 23, 1996. Service in the program for enlisted members who retain that status remains creditable under all provisions.

2.1.5. Constructive Service

2.1.5.1. Some medical and dental officers are entitled to extra credit for longevity purposes to reflect the time spent in medical or dental school. Medical and dental officers must meet one or more of the following criteria to be entitled to the constructive credit:

2.1.5.1.1. On or before September 15, 1981, if the officer already had the constructive service credit, then the credit is not lost if there is a break in service either before or after that date. This criteria is applicable to Public Health Service officers.

2.1.5.1.2. On or before September 14, 1981, if the individual was enrolled in either the Armed Forces Health Professions Scholarship Program (AFHPSP) or in the Doctor of Medicine (DOM) program at the Uniformed Services University of Health Sciences (USUHS), completed that program, and was appointed as a medical or dental officer.

2.1.5.1.3. On or before September 14, 1981, if the individual was participating in a program that credited years of service and led to an appointment as an officer in the Army, Navy, Air Force, or Marine Corps.

2.1.5.2. Medical and dental officers, who meet the criteria in subparagraph 2.1.5.1, are entitled to 4 years of constructive service credit. Also, those medical officers who have completed a medical internship or its equivalent, or who entered military status while serving such an internship, are entitled to a fifth year of constructive service credit.

2.1.5.3. Where a member is entitled to service credit for a period covered by the constructive credit, reduce the constructive service credit by an amount equal to the actual service credit.

Example 1: An individual completed dental school on June 11, 1977, and accepted a commission as a dental officer on August 3, 1977. The member was credited with 4 years of constructive service and a basic pay date of August 3, 1973.

Example 2: An individual completed a medical internship on June 30, 1979, and accepted a commission as a medical officer on August 11, 1979. The member was credited with 5 years of constructive service and a basic pay date of August 11, 1974.

Example 3: An individual entered medical school in 1970 and accepted a commission on January 12, 1972. He graduated from medical school on June 10, 1974 and completed a civilian residency during the period from July 1, 1974 through June 30, 1975. Compute basic pay date as follows:

First, compute dual status period, which is the period of time between the date of commission and date of graduation:

	<u>YR</u>	<u>MO</u>	<u>DAY</u>
Graduated:	74	06	10
Commission Date:	<u>72</u>	<u>01</u>	<u>12</u>
Dual Status Period:	02	04	28+1 (inclusive day)

Then, compute constructive service credit, which is the 4 years constructive credit less the time already credited as commissioned service:

Maximum Constructive Service Credit:	03	11	30 (4 years)
Less Dual Status Time:	<u>02</u>	<u>04</u>	<u>29</u>
Constructive Credit:	01	07	01

The member's basic pay date was 1 year, 7 months, and 1 day before his commission date of January 12, 1972 or June 11, 1970.

Example 4: The scenario is the same as in the previous subparagraph, except the member accepted a commission on July 12, 1974 after starting the internship. The member was entitled to 5 years of constructive service credit instead of 4 years:

	<u>YR</u>	<u>MO</u>	<u>DAY</u>
Date Finished Internship:	75	06	30
Commission Date:	<u>74</u>	<u>07</u>	<u>12</u>
Dual Status Period:	00	11	18+1 (inclusive day)

Maximum Constructive Service Credit:	04	11	30 (5 years)
Less Dual Status Time:	<u>00</u>	<u>11</u>	<u>19</u>
Constructive Credit:	04	00	11

The member's basic pay date was 4 years, no months, and 11 days before his commission date, or July 1, 1970.

Example 5: An officer commissioned on November 19, 1962, entered dental school on September 9, 1970, and graduated on May 28, 1974. To compute constructive service credit:

First, compute dual status.

	<u>YR</u>	<u>MO</u>	<u>DAY</u>
Graduated:	74	05	28
Started School:	<u>70</u>	<u>09</u>	<u>09</u>
Dual Service:	03	08	19+1 (inclusive day)

Then, deduct the dual service from the 4-year constructive credit period to arrive at net constructive service credit:

	<u>YR</u>	<u>MO</u>	<u>DAY</u>
Maximum Constructive Service Credit:	03	11	30 (4 years)
Less Dual Service:	<u>03</u>	<u>08</u>	<u>20</u>
Constructive Credit:	00	03	10

Change the member's basic pay date to 3 months and 10 days before the previous one (November 19, 1962) to August 10, 1962.

2.2 Service Not Creditable

2.2.1. General. Do not use any service that is not listed as creditable service to compute a basic pay date. The following list includes a few types of service that are not creditable:

2.2.1.1. The time served in an enlistment that is terminated, voided, or invalidated as fraudulent;

2.2.1.2. The time served as a commissioned officer in the Philippine Army;

2.2.1.3. The period of time a member was on the Emergency Officers' Retired List;

2.2.1.4. The time an individual was a member of a state, home, or territorial guard;

2.2.1.5. The time an individual was a member of the inactive National Guard. This does not apply to an individual who was a member of the National Guard Reserve and the National Guard of the United States. Time during which the individual had dual status, enlisted or commissioned, in the inactive National Guard and the National Guard of the United States is creditable;

2.2.1.6. The time, subsequent to September 14, 1981, a member serves while enrolled in the AFHPSP and Financial Assistance Program (FAP), or while a DOM student at the USUHS. Use any service creditable on the date of the officer's entry into DOM USUHS to compute the officer's basic pay for longevity purposes while a USUHS student, not to exceed the maximum rate of O-1 pay (Table 1-7) or O-1E pay (Table 1-8), as applicable; or the rate of pay of the member's former pay grade, if greater, as outlined in subparagraph 3.3.1. For the most current pay rates, see the [Military Basic Pay](#) tables on DFAS.MIL.

2.2.1.7. The time served in a Reserve Component before beginning active duty or an initial period of ADT for enlistment in a Reserve Component under 10 U.S.C. § 12103(b) or (d) that was entered into between January 1, 1985, and November 28, 1989;

2.2.1.8. For enlistments entered into on or after November 29, 1989:

2.2.1.8.1. A period of enlisted service in a Reserve Component under 10 U.S.C. § 12103(b) or (d), including inactive service under a DEP, if the member does not perform IDT before beginning active duty or an initial period of ADT; or

2.2.1.8.2. Service performed as an enlisted member in a Reserve Component under 10 U.S.C. § 513, other than a period of active duty; or

2.2.1.9. For an officer, the time served while attending a military service academy including the U.S. Merchant Marine Academy.

NOTE: The midshipmen attending the U.S. Merchant Marine Academy sign contracts to join the enlisted Navy Reserve on the day they enter the Academy. Students who attend one of the six state Merchant Marine college programs and who receive a Naval ROTC scholarship are treated the same as any Naval ROTC cadet or midshipmen. Students who attend one of the 6 state Merchant Marine college programs and who join the Navy after graduation from one of the programs are treated as any other member who joins the Navy.

2.2.2. Effect of Lost Time Absence From Duty on Creditable Service

2.2.2.1. Prior to February 11, 1996, a commissioned or warrant officer was entitled to credit for every day in a commissioned or warrant status, without regard to an absence of any kind, whether authorized or unauthorized, and including confinement prior to and during trial. In addition, absence during which a member was serving on active duty as an enlisted member was creditable if the enlisted member also held a commission as a Reserve officer. After February 10, 1996, a commissioned or warrant officer may not count the following periods of absence for any purpose other than that of computing length of service for basic pay:

2.2.2.1.1. Desertion;

2.2.2.1.2. Absence from organization, station, or duty for more than 1 day without proper authority, as determined by proper authority;

2.2.2.1.3. Confinement by military or civilian authorities for more than 1 day in connection with a trial, whether before, during or after the trial; or

2.2.2.1.4. The officer's inability for more than 1 day, as determined by competent authority, to perform assigned duties because of the officer's intemperate use of drugs or alcoholic liquor, or because of disease or injury resulting from the officer's misconduct.

2.2.2.2. See Table 1-2 to determine the creditability for absence while in an enlisted status.

2.3 Active Enlisted and/or Warrant Officer Service for Members in Basic Pay Grades O-1E, O-2E, or O-3E

2.3.1. Service Counted

2.3.1.1. General. Commissioned officers with over 4 years of prior active service as an enlisted member, warrant officer, or combined service in both grades are entitled to count such service for purposes of computing basic pay for longevity purposes. Such prior service includes all active service, in either the Regular or Reserve Component or both (i.e., ADT in enlisted or warrant officer status, annual Reserve training duty, and full-time National Guard duty). Service on active duty or ADT and IDT for at least 4 years and 1 day satisfy the over 4 years of service requirement under this section.

2.3.1.2. Creditable Prior Enlisted Service. Commissioned officers in pay grades O-1, O-2, or O-3 who are credited with over 4 years (i.e., at least 4 years and 1 day) of prior active service as an enlisted member are entitled to the special rate of basic pay for pay grade O-1E, O-2E, or O-3E.

2.3.1.3. Creditable Prior Warrant Officer Service. Commissioned officers in pay grades O-1, O-2, or O-3 who are credited with over 4 years (i.e., at least 4 years and 1 day) of prior active service as a warrant officer are entitled to the special rate of basic pay for pay grade O-1E, O-2E, or O-3E.

2.3.1.4. Creditable Combined Prior Service. Effective October 1, 1993, commissioned officers in pay grades O-1, O-2, or O-3 who are credited with over 4 years (i.e., at least 4 years and 1 day) of combined prior active service as an enlisted member and warrant officer are entitled to the special rate of basic pay for pay grade O-1E, O-2E, or O-3E.

2.3.1.5. Creditable Service for Certain Reserve Commissioned Officers. Effective January 1, 2002, commissioned officers in pay grades O-1, O-2, and O-3 who are paid from funds appropriated for Reserve personnel and credited with 1,460 points for retirement computed under

[10 U.S.C. § 12732](#)(a)(2) service as a warrant officer and/or enlisted member, which requires a minimum of 50 points annually, are entitled to the special rate of basic pay for pay grade O-1E, O-2E, or O-3E.

2.3.1.6. Creditable Service for Certain Commissioned Officers. Effective November 24, 2003, the restriction that members must be paid from reserve appropriated funds to qualify for the special rate of basic pay for pay grades O-1E, O-2E, and O-3E based upon creditable service points is eliminated. Therefore, effective that date, commissioned officers in pay grades O-1 through O-3 with more than 1,460 points computed under 10 U.S.C. § 12732(a)(2) for service as a warrant officer and/or an enlisted member, which requires a minimum of 50 points annually, are entitled to the special rate of pay.

2.3.1.7. Leap Year. Reserve Component members who perform duty during a leap year earn a point for the extra day of duty in the month of February under 10 U.S.C. § 12732(a)(2). A leap year represents 1 year of service for basic pay purposes. Thus, the extra point does not qualify the member for having earned the equivalent of over 4 years of active service, and the member would not be eligible for the O-1E, O-2E, or O-3E rate of basic pay. The member would have to serve more than 4 years of active service to qualify for the special rate of basic pay.

2.3.1.8. Creditable Service While Graduate Students at USUHS. The Secretary of Defense shall establish such selection procedures, service obligations, and other requirements as the Secretary considers appropriate for graduate students (other than DOM students) in a postdoctoral, postgraduate, or technological institute established pursuant to [10 U.S.C. § 2113](#)(e). The subparagraph 2.2.1.8, does not apply to graduate students.

2.3.2. Service Not Counted. In computing active service, do not count:

2.3.2.1. Active service in a dual status (temporary officer/permanent enlisted) in the Navy or Marine Corps;

2.3.2.2. Service as a National Guard technician; or

2.3.2.3. Except for periods of active duty service performed while a USUHS DOM student, time served as a DOM student at USUHS. See subparagraph 2.2.1.8 and applicable notes to Tables 1-7, 1-8 and the Basic Pay tables on DFAS.MIL.

2.4 Computation of Creditable Service

2.4.1. Computing a Basic Pay Date

2.4.1.1. All basic pay date computations start from the date of the member's most recent entry on duty without a break in service. Use the following dates:

2.4.1.1.1. For enlisted members, the date of enlistment, but see subparagraph 2.1.4.12, for service under a DEP;

2.4.1.1.2. For officers, the date of acceptance of a commission. The date of acceptance for officers graduating from a Military Service academy is the date of graduation; or

2.4.1.1.3. For officers entitled to count service as an acting assistant surgeon, intern, or hospital steward in the Public Health Service or the Public Health Marine Hospital Service, the date of acceptance of the appointment. Do not count service performed before that date.

2.4.1.2. After determining initial basic pay date, compute creditable service for all service prior to that date. Use the following to compute basic pay date. If the member had any periods of service during which there was lost time, do not use those periods here. Instead, compute according to subparagraph 2.4.1.3.

2.4.1.2.1. List beginning dates of service for each separate period of service, without changing any of them, and add them together.

2.4.1.2.2. List all ending dates. If the day is the 31st day of the month, change it to 30. If the day is February 28 in a non-leap year, change it to February 30 for computation purposes. If the day is February 29, change it to February 30 for computation purposes. Do not change February 28 of a leap year to February 30. Add all ending dates together.

2.4.1.2.3. Subtract the beginning day result from the ending day result.

2.4.1.2.4. For each non-continuous period of service, add 1 day to account for inclusive days. Explanation: Any period of service is at least one day. If, for example, the member had one day of service on January 17, 2016, the computation would look like this:

Example:	<u>YR</u>	<u>MO</u>	<u>DAY</u>
Ending Day:	16	01	17
Less Beginning Day:	<u>16</u>	<u>01</u>	<u>17</u>
	00	00	00

It is necessary to add 1 day for inclusive days to avoid this erroneous answer.

2.4.1.2.5. Convert to full years, months, and days. The result is years of service creditable for pay purposes.

Example: Member served as follows:

	From:	To:
Active Duty Army (Enlisted)	Jan 1, 93	Feb 29, 96
Army National Guard (Commissioned)	Jun 1, 96	May 26, 03
Air National Guard (Commissioned)	Aug 1, 05	Mar 31, 10
U.S. Air Force (Commissioned)	Apr 1, 10	Jun 4, 17

Beginning dates:			Ending Dates:		
<u>YR</u>	<u>MO</u>	<u>DAY</u>	<u>YR</u>	<u>MO</u>	<u>DAY</u>
1993	01	01	1996	02	30
1996	06	01	2003	05	26
<u>2005</u>	<u>08</u>	<u>01</u>	<u>2017</u>	<u>06</u>	<u>04</u>
5994	15	03	6016	13	60

Convert February 29, 1996 to February 30, 1996, since 1996 was a leap year.

Convert March 31, 2010 to March 30, 2010 since the 31st day of a month does not count as an ending date, though it would count as a beginning date. The period from August 1, 2005 through June 4, 2017 is continuous, so it is all included in the third line of the computation.

Subtract total of beginning dates from the total of ending dates:

<u>YR</u>	<u>MO</u>	<u>DAY</u>	
6016	13	60	(total of ending dates)
6015	25	60	(borrowed 12 months from year column)
<u>5994</u>	<u>15</u>	<u>03</u>	
21	10	57	

Add 1 day for each of the 3 periods used in the computation. The result is 21 years, 10 months, and 60 days, which converts to exactly 22 years of creditable service.

2.4.1.3. Regarding computations involving lost time, if a member has lost time, compute the creditable service for the period served separately. Add the results to any creditable service computed separately under subparagraph 2.4.1.2.

2.4.1.3.1. When there is a period of lost time that has not been made good, compute the lost time on a 30-day month basis; but, if the lost time begins on the 31st day of a month, include that day as a lost day. Compute as follows:

Determine the years, months, and days of lost time and deduct that amount from the total service during the period.

Example: A member enlisted for 4 years on July 18, 2012, but was absent without leave (AWOL) from February 10, 2015 through March 16, 2015. The member received a hardship discharge on August 10, 2015 without making up the lost time. The member reenlisted February 20, 2017. Compute creditable service and basic pay date as follows:

First compute the lost time.

	<u>YR</u>	<u>MO</u>	<u>DAY</u>
Ended AWOL:	15	03	16
Began AWOL:	<u>15</u>	<u>02</u>	<u>10</u>
Lost Time:	00	01	06+1 (inclusive day)

Then compute first period of service.

Discharged:	15	08	10
Entered Active Duty:	<u>-12</u>	<u>07</u>	<u>18</u>
Subtotal:	03	00	22+1 (inclusive day)
Deduct Lost Time:	<u>-00</u>	<u>01</u>	<u>07</u>
Creditable Service:	02	11	16

Subtract 2 years, 11 months, and 16 days from reenlistment date of February 20, 2017 to arrive at a new basic pay date of March 4, 2014.

2.4.1.3.2. A member who makes good the lost time does so on a day-to-day basis. When the member makes good lost time and completes the enlistment or contract period, compute the period of lost time on both a 30-day month basis and a day-to-day basis and use the result that is most advantageous to the member. To illustrate, if a member is AWOL on March 30 through April 1, it would be 3 days on the day-to-day basis but only 2 days on a 30-day month basis. Compute creditable service as follows (and separately from periods of service which do not have lost time):

2.4.1.3.2.1. First step: Compute total lost time on both a 30-day basis and a day-to-day basis. Convert the day-to-day basis computation to years, months and days, and compare it to the computation on the 30-day basis. Discard the one, which shows a higher total of days lost.

2.4.1.3.2.2. Second step: Compute the gross amount of service during the period by subtracting the entry date from the discharge date and adding 1 day for inclusive day.

2.4.1.3.2.3. Third step: Subtract the lost time from the result of the second step. If the result is at least as long as the enlistment contract, use that amount. If the result is less than the enlistment contract, increase it to equal the enlistment contract.

2.4.1.3.2.4. Fourth step: Add this creditable service to any other periods and use the total to figure the member's basic pay date.

Example 1: Assume the member in the example in subparagraph 2.4.1.3 had not received a hardship discharge; instead, he or she had completed the enlistment contract, including making good the lost time. He made up the 35 days of lost time computed on a day-to-day basis. The days served to make good the lost time were July 18-31, 2016 (14 days) and August 1-21, 2016 (21 days).

When the member reenlists on February 20, 2017, compute creditable service as follows:

<u>YR</u>	<u>MO</u>	<u>DAY</u>	
16	08	21	(ending date of the last period of service)
-12	07	18	(beginning date of the last period of service)
04	01	03	+1(inclusive day)

The result is 4 years, 1 month and 4 days before deducting lost time. Note that the lost time computed on a 30-day month basis was 37 days, but was only 35 days when computed on a day-to-day basis. Subtract the 35 days lost time from the period of service computed.

<u>YR</u>	<u>MO</u>	<u>DAY</u>	
04	01	04	
-00	01	05	
03	11	29	(total service)

The result is less than the enlistment contract of 4 years, but since the member completed the enlistment contract, he or she is entitled to credit for the entire 4 years. Set basic pay date at February 20, 2013, when the member reenlists on February 20, 2017.

Example 2: A member enlisted on July 18, 2012, for 4 years. She was AWOL from July 28, 2015 through September 3, 2015, which is 38 days on a day-to-day basis (July 28-31, 4 days; August 1-31, 31 days; and September 1-3, 3 days). She is discharged on August 24, 2016, after making good the 38 days of bad time by serving July 18-31 (14 days) and August 1-24 (24 days).

Step 1. When she reenlists on February 20, 2017, compute prior service as follows:

<u>YR</u>	<u>MO</u>	<u>DAY</u>	
16	08	24	(ending date of the last period of service)
-12	07	18	(beginning date of the last period of service)
04	01	06+1	(inclusive day)

The result is 4 years, 1 month and 7 days before deducting lost time.

Step 2. Lost time on a day-to-day basis was 38 days. Compute lost time on a 30-day month basis as:

July 28-31, 2015	03 days
August 1-30, 2015	30 days
September 1-3, 2015	<u>03 days</u>
Total	36 days

Step 3. Following the rule set out in step 2, deduct the lost time in the manner most beneficial to the member.

<u>YR</u>	<u>MO</u>	<u>DAY</u>	
04	01	07	(service before deducting lost time)
-00	01	06	(lost time)
04	00	01	

Step 4. Set the basic pay date at February 19, 2013, when the member reenlists on February 20, 2017.

2.4.1.4. Regarding adjusting the basic pay date when a member has lost time, lost time does not change an officer's basic pay date (See paragraph 2.2.2). When an enlisted person returns to duty after a period of lost time, add the number of days lost time to the member's basic pay date to reflect the lost time."

Example: An enlisted member with no prior service enlisted on July 18, 2015. He was AWOL from February 10, 2017 through March 16, 2017. When member returns to duty status, change his basic pay date as follows:

Compute lost time:

February 10-30	21 days
March 1-16	<u>16</u> days
	37 days lost time

<u>YR</u>	<u>MO</u>	<u>DAY</u>	
15	07	18	(original basic pay date)
+00	01	07	
15	08	25	

The new basic pay date is August 25, 2015.

2.4.2. Procedure When Basic Pay Date Falls on February 29. When basic pay date falls on February 29, entitlement to longevity increases begins on March 1 in non-leap years and on February 29 in leap years.

3.0 COMPUTATION OF PAY

*3.1 Basic Pay Entitlements

3.1.1. When Entitled to Basic Pay. The pay of Military Service members is prescribed by law. Current basic pay rates are contained in Tables 1-7, 1-8, 1-9, 1-10, and on the Basic Pay tables on DFAS.MIL. Members are entitled to receive pay according to their pay grades and years of service if they are:

3.1.1.1. On active duty in a pay status; and

3.1.1.2. Not prohibited by law from receiving such pay.

3.1.2. Employment of Members in Another Capacity

3.1.2.1. Employment Under the Government

3.1.2.1.1. Unless otherwise provided by law (such as during the period a member is on terminal leave pending retirement, separation, or release from active duty under honorable conditions), a member may not be employed in another capacity by the government and receive pay, other than the pay and allowances that accrue by reason of the military status. A member may be employed, however, on a voluntary basis during off-duty hours in connection with non-appropriated fund activities.

3.1.2.1.2. Under agreements such as that between the DoD and the Agency for International Development (AID) of the Department of State, military members may be detailed to agencies such as AID for certain types of service for specified periods. As provided in pertinent agreements, members that are detailed are entitled to the pay and allowances of employees of the agency (AID Foreign Service personnel, in the case of that agency) holding comparable positions. Such members are paid by the agency in which service is performed, not by the Military Service involved.

3.1.2.2. Acceptance or Holding Civil Office

3.1.2.2.1. An officer of an Armed Force on active duty may not be employed on civil functions if the civil duties separate the member from the parent organization or interfere with the performance of military duties. This applies to employment on civil works or internal improvements, by an incorporated company, or as acting paymaster or disbursing agent of the Bureau of Indian Affairs.

3.1.2.2.2. Unless otherwise provided by law, an officer of a Regular Component of the Army, Navy, Air Force, or Marine Corps may not hold a civil office by election or appointment under the United States, a territory, possession, or state. Acceptance of such position terminates the officer's appointment and any further entitlement to receive pay and allowances whether or not the officer continues to fulfill the duties as an officer subsequent to accepting the office.

3.1.2.3. Medical Officers. Medical officers on active duty who receive any compensation or stipend payments for services they perform as interns or resident physicians in private or public institutions (state, county, municipal, or privately owned hospitals) receive such payments for the benefit of the United States. Collect these payments from medical officers for deposit to the U.S. Treasury.

3.1.3. Formal Acceptance of Appointment by Officers

3.1.3.1. Pay and allowances generally accrue from the date of acceptance of appointment as an officer. The normal method of acceptance is taking the oath of office. Commencement of travel in compliance with an order is considered acceptance for pay purposes, but payment will not be made until formal signing of the oath of office. See Table 1-3 for specifics and for graduates of the academies.

3.1.3.2. An officer need not take the oath of office upon promotion if the service has been continuous since the last oath.

Note: See Table 1-4 for other situations regarding effective dates for promotions or restoration of grade.

3.1.4. Restriction Against Dual Payments

3.1.4.1. Except as prescribed in subparagraph 3.1.4.3, a Reserve member who is entitled to [disability compensation or a pension from the Department of Veterans Affairs \(VA\) because of earlier military service, and who performs military duty for which the member is entitled to compensation](#), may elect to receive either of the following for the period of military duty:

3.1.4.2.1. [Payments for the VA disability compensation or pension; or](#)

3.1.4.2.2. [If the member specifically waives those payments, the pay and allowances authorized by law for the duty the member is performing.](#)

3.1.4.2. Except as prescribed in subparagraph 3.1.4.3, a Reserve member who is entitled to [retired or retainer pay because of earlier military service, and who performs military duty for which the member is entitled to compensation](#), may elect to receive either of the following for the period of military duty:

3.1.4.2.1. [Payments of the pay and allowance authorized by law for the duty the member is performing; or](#)

3.1.4.2.2. [If the member specifically waives those payments, the retired or retainer pay to which the member is entitled.](#)

3.1.4.3. A Reserve member who is called to active duty for [a period of more than 30 days in time of war or national emergency generally ceases to be entitled to payments based on earlier military service until the period of active duty ends and is entitled to the pay and allowances authorized by law for the duty the member is performing. However, where the payments based on earlier military service exceed the payments for the active duty, the member may receive the former payments instead.](#)

3.1.5. Posthumous Promotions. Members may be promoted posthumously. The amount of bonus, gratuity, pay, or allowances is not changed by these promotions. This payment restriction does not apply to promotions of members while in a missing status where a

determination by the Secretary of the Military Department concerned is subsequently made that the member died before the date of the promotion.

3.1.6. Corrections of Military Record. Members who are separated from active service but later retroactively restored to active duty by administrative record correction action become entitled to retroactive military pay and allowances for the period of restoration subject to the following: The purpose of such a record correction is to restore the member to the same position **the member** would have had if he **or she** had not been separated from military service, **without awarding an unearned windfall**. When settling such an account, the earnings received from civilian employment during the **period of restoration to active duty** must be deducted from the net balance of military pay and allowances otherwise due. Any amount of civilian earnings in excess of the net balance of retroactive military pay and allowances otherwise due will not be collected so as not to place the member in debt. **Additionally, amounts paid to a member for military retired pay, separation pay, severance pay, and/or VA pension or compensation during what is now a period of active duty under a record correction must be taken into account when determining the amount of retroactive military pay and allowances due, if they have not otherwise been recouped or accounted for. To the extent authorized by law and regulation, amounts found due must be reduced by the amount of any existing indebtedness to the government arising from military service.**

3.2 Computing Monthly Pay

3.2.1. Monthly Pay

3.2.1.1. Service of 30 Days or More. Compute monthly compensation as if each month had 30 days. When service begins on an intermediate day of the month, pay for the actual number of days served during that calendar month, but only through the 30th day of that month. If active military service begins on the 31st day of any month, compensation does not accrue for that day. Any person who enters active service during February and serves until the end of the month is entitled to pay for 1 month (30 days), less the prorated amount for the number of days expired before entry on duty. If the service ends before the last day of February, pay the member only for the actual number of days served.

3.2.1.2. Service of Less Than 30 Days. Members of the Uniformed Services entitled to receive compensation for continuous periods of less than 1 month are entitled to pay and allowances for each day of the period at the rate of 1/30 of the monthly amount of such pay and allowances. Include the 31st day of a calendar month in the computation. Members who are obligated to serve on active duty for 30 days or more, but who were released before performing such active duty for at least 30 days, are entitled to receive pay and allowances on a day-to-day basis.

3.2.2. Absence Without Pay

3.2.2.1. Deduct 1/30 of 1 month's pay for each day's absence in a non-pay status.

3.2.2.2. No pay is lost for unauthorized absence on the 31st day of a month, except when it is the first day of absence or when the member is paid for the day under subparagraph 3.2.1.2.

3.2.2.3. Absence in a non-pay status on the 28th of February in a non-leap year results in loss of pay for 3 days. If the member is absent only on the 28th day of February in a leap year, deduct the pay for 1 day for the 28th. If the absence occurs on the 29th of February, deduct pay for 2 days. When payment is made under subparagraph 3.2.1.2, on the basis of each day served, deduct only for the actual period of unauthorized absence.

3.2.3. Annual Salary. Annual salary is divided into 12 equal installments. One installment represents the pay for each calendar month. The daily rate is 1/30 of the monthly rate. The instructions in subparagraph 3.2.2, for monthly pay also apply to annual salary.

3.2.4. Basic Pay Rates. Tables 1-7 through 1-10 contain monthly rates of basic pay, and are listed on the Basic Pay tables on DFAS.MIL.

3.3 Saved Pay and Allowances

3.3.1. Enlisted. An enlisted member who accepts an appointment as an officer will, following appointment, be paid the greater of:

3.3.1.1. The pay and allowances to which such member would be entitled if the member had remained in the last enlisted grade held before appointment as an officer and continued to receive increases in pay and allowances authorized for that grade; or

3.3.1.2. The pay and allowances to which the member thereafter becomes entitled as an officer.

3.3.2. Warrant Officers. A warrant officer who accepts an appointment as a commissioned officer will, following appointment, be paid the greater of:

3.3.2.1. The pay and allowances to which the member thereafter becomes entitled as a commissioned officer;

3.3.2.2. The pay and allowances to which such member would be entitled if the member had remained in the last warrant officer grade held before appointment as a commissioned officer and continued to receive increases in pay and allowances authorized for that grade; or

3.3.2.3. In the case of an officer who was formerly an enlisted member, the pay and allowances to which entitled, under subparagraph 3.3.1.1, before appointment as an officer.

3.3.3. Prior Service Medical Students. Members selected to participate as DOM students at the USUHS or in the AFHPSP and FAP who have prior active service, including members who have had a break in service, in a pay grade with years of service greater than the rate of second lieutenant or ensign, will be authorized saved pay for the basic pay rate of the former grade. The

former basic pay rate will be increased on January 1 of each year by the average percentage increase authorized for that year. The member will continue to receive the former pay rate until the date, occurring before or after graduation or participation in the program, that the member's actual grade and years of service basic pay rate exceeds the former grade rate. This saved pay provision applies only to basic pay. The member's other pay entitlements will be paid at the member's actual grade and years of service.

3.3.4. Restrictions

3.3.4.1. Except for prior service DOM students discussed in subparagraph 3.3.3, a member entitled to saved pay is not authorized the pay for one grade and an allowance for another grade.

3.3.4.2. The saved pay amount may be reduced when the member loses entitlement to specific items. However, these specific items will be included in saved pay if the member again qualifies for such items. (See subparagraph 3.3.4.7.)

3.3.4.3. In the case of the Navy or Marine Corps, a member in a temporary appointment is not entitled to saved pay because of a permanent promotion.

3.3.4.4. BAH may be continued as an item of saved pay and will be paid whenever it is not forfeited because the member is assigned to government quarters.

3.3.4.5. For enlisted members, BAS is the alternative for subsistence in kind. Since officers are not authorized subsistence in kind, a member eligible for saved pay is entitled to the appropriate BAS rate (including the "when permitted to mess separately rate" even when subsistence in kind otherwise would be provided or made available) under the conditions prevailing for enlisted members at their permanent station. Credit BAS at the "when permitted to mess separately rate" at all times, except when the member would otherwise be entitled to a different rate. (See Chapter 25, paragraph 2.2.)

3.3.4.6. For appointments accepted before January 6, 2006, special duty assignment pay, incentive pay for hazardous duty, special pay for diving duty, special pay for sea duty, and hardship duty pay may be retained as an item of saved pay only for as long as the member continues to perform the duty and would be eligible to receive payment had the member remained in the former status.

3.3.4.7. For appointments accepted on or after January 6, 2006, in determining the amount of pay and allowances of a grade formerly held by an officer who was an enlisted member and accepted an appointment as an officer, the following special and incentive pays may be considered only so long as the officer continues to perform the duty that creates the entitlement to, or eligibility for, that pay and would otherwise be eligible to receive that pay in the former grade:

3.3.4.7.1. Incentive pay for hazardous duty;

3.3.4.7.2. Submarine duty pay;

3.3.4.7.3. Special pay for diving duty;

3.3.4.7.4. Hardship duty pay;

3.3.4.7.5. Career sea pay;

3.3.4.7.6. Special pay for service as a member of a Weapons of Mass Destruction Civil Support Team;

3.3.4.7.7. Assignment incentive pay;

3.3.4.7.8. Special pay for duty subject to hostile fire or imminent danger;

3.3.4.7.9. Special pay or bonus for an extension of duty at a designated overseas location;

3.3.4.7.10. Foreign language proficiency bonus; and

3.3.4.7.11. Critical skill retention bonus.

3.3.4.8. The enlisted cash clothing allowances prescribed in Chapter 29 may not be included in the saved pay computation if the officer is entitled to the initial uniform allowance prescribed in Chapter 30, section 2.0.

3.3.4.9. Family Separation for Housing (FSH) may be continued as an item of saved pay under the same conditions as BAH (see subparagraph 3.3.4.4). If the member was entitled to FSH due to an enforced separation from the member's family at the time of appointment, the allowance may be included in the computation of saved pay until the entitlement ends. FSH may be reinstated for future periods if the member again qualifies for FSH due to an enforced separation from the family. Similarly, other items of overseas station allowance and/or special or incentive pay may be reinstated if a member again qualifies for them.

3.3.4.10. Effective January 6, 2006, the following special and incentive pays are dependent on a member being in an enlisted status and may not be considered in determining the amount of pay and allowances of a grade formerly held by an officer:

3.3.4.10.1. Special duty assignment pay;

3.3.4.10.2. Reenlistment bonus;

3.3.4.10.3. Enlistment bonus; and

3.3.4.10.4. Critical skill incentive pay (see Chapter 22, section 5.0).

3.3.5. Breaks in Service. A break in service (e.g., released from active duty, discharged) does not disqualify an officer for the saved pay and allowances entitlements of this section.

3.4 Increased Basic Pay During a Period of Service Essential to the Public Interest

3.4.1. Entitlement to Increased Basic Pay. This section applies only to enlisted members of the Regular Navy or Marine Corps, or Naval or Marine Corps Reserve, whose enlistments expire while serving on a naval vessel in foreign waters.

3.4.1.1. Retention in Service. Such members may be retained on active duty until the naval vessel returns to the Continental United States (CONUS) if the period of retention is determined “service essential to the public interests.” The senior officer present afloat makes this determination.

3.4.1.2. Pay and Allowances. During the period of retention, except in time of war, members are entitled to regular pay and allowances, plus a 25-percent increase in the basic pay, to which they were entitled on the day before the period of retention began.

3.4.2. Members Not Eligible for Increase

3.4.2.1. Enlisted members are not entitled to the increased basic pay if retained on active duty after the expiration of enlistment:

3.3.2.1.1. At shore stations;

3.3.2.1.2. On ships on duty in waters in or around possessions and territories of the United States;

3.3.2.1.3. On ships on duty in ports or waters within the sovereign jurisdiction of the United States;

3.3.2.1.4. Due to lack of transportation; or

3.3.2.1.5. Merely because it is desirable to continue their services or some benefit may be derived there from.

3.4.2.2. A member of the Naval Reserve or Marine Corps Reserve is not entitled to the 25-percent increase while retained beyond the period of obligated service as distinguished from normal date of expiration of enlistment.

3.4.3. Restrictions in Use. Do not use the 25-percent increase in computing:

3.4.3.1. Cash settlement for unused leave on discharge;

3.4.3.2. Physical disability or temporary disability retired pay;

3.4.3.3. Disability severance pay; or

3.4.3.4. Reenlistment bonus.

3.4.4. Termination of Increase in Basic Pay. The 25-percent increase in basic pay continues through date of:

3.4.4.1. Discharge, if the member is discharged within 30 days after arrival in CONUS; or

3.4.4.2. Transfer to a hospital for treatment. (See Table 1-5, rule 19 for the date of termination of normal pay and allowances.)

3.5 Allowable Travel Time for Reserve Members Called to or Released From Active Duty

3.5.1. Pay and Allowances Entitlement for Allowable Travel Time

3.5.1.1. Reserve members called to active duty are entitled to active duty pay and allowances for the time allowed for necessary travel from:

3.5.1.1.1. Home to a first duty station; or

3.5.1.1.2. Last duty station to home (except when released from active duty for retirement or dismissal, when discharged, or upon resignation).

3.5.1.2. Pay and allowances for allowable travel time is an earned entitlement. The payment for the return home may be made upon the member's release from such duty without regard to actual performance of the travel. If the member dies after payment but before payment would otherwise be due, no part of the payment will be recovered by the United States.

3.5.2. Terms and Special Conditions

3.5.2.1. Allowable travel time is considered active duty for all purposes normally ascribed to active duty. The computation of allowable travel time, whether actual or constructive will:

3.5.2.1.1. For periods of active duty of 30 days or less, be based upon the rules contained in Table 1-6; or

3.5.2.1.2. For periods of active duty of more than 30 days, be based upon the rules and provisions in Chapter 57.

3.5.2.2. A member of a Reserve Component is entitled to active duty pay and allowances for allowable travel time, if any, when:

3.5.2.2.1. Ordered to perform ADT;

3.5.2.2.2. Performing authorized IDT immediately before or after ADT at or near the same site; or

3.5.2.2.3. Receiving orders that direct performance of necessary travel to and from the ADT site immediately before and after combined ADT/IDT. The travel date will be specified in the active duty orders. Full retirement point credit is earned for the period of IDT performed.

4.0 ABSENCE FROM DUTY, EFFECT ON PAY, AND ALLOWANCES

4.1 Authorized Leave

4.1.1. Authority. All Military Service members on active duty for 30 consecutive days or more are entitled to accrue leave under applicable Military Service leave regulations. While on authorized leave, they are entitled to full pay and allowances except as otherwise provided in Table 1-11.

4.1.2. Applicable Service Leave Regulations. Applicable Military Service leave regulations are:

4.1.2.1. Army. [Army Regulation 600-8-10](#);

4.1.2.2. Navy. [Military Personnel Manual 1050-010](#);

4.1.2.3. Air Force. [Department of the Air Force Instruction 36-3003](#); and

4.1.2.4. Marine Corps. [Marine Corps Order 1050.3J](#).

4.1.3. Pay and Allowances During Leave

4.1.3.1. Entitlement. See Table 1-11.

4.1.3.2. Full Pay and Allowances Defined. This term means (includes) the following:

4.1.3.2.1. Basic pay;

4.1.3.2.2. Special pays;

4.1.3.2.3. Incentive pay for hazardous duty;

4.1.3.2.4. BAS (enlisted leave rations);

4.1.3.2.5. BAH;

4.1.3.2.6. Personal money allowances;

4.1.3.2.7. Clothing maintenance allowances;

4.1.3.2.8. Family separation allowances; and

4.1.3.2.9. Station allowances (CONUS Cost of Living Allowance (See Chapter 67); and Overseas Cost of Living Allowance and Temporary Lodging Allowance (See Chapter 68).

4.1.4. Advance Leave Carryover or Change to Excess Leave (Effective November 14, 1986)

4.1.4.1. When Carryover Allowed. Members may elect to carry all or part of an advance leave balance over to a new term of service when discharged for the purpose of:

4.1.4.1.1. Reenlisting within 24 hours of discharge or extending an enlistment; or

4.1.4.1.2. Accepting an appointment as a warrant or commissioned officer of the Armed Forces. Carryover will not exceed the number of days or fraction of days the member will accrue in the new enlistment or term of service or 30 days, whichever is less.

Example 1: A member's current term of service ends April 30, 2015. The member reenlists for 6 years on March 1, 2015 and has a 5.0-day advance leave balance. The 5.0-day advance leave balance can be carried into the new term of service.

Example 2: A member's current term of service ends September 30, 2015. On May 1, 2015, the member agrees to serve a 12-month extension and has a 12.5-day advance leave balance that will be offset by leave accrual through September 30, 2015. Between May 1, 2015, and September 30, 2015, the member was charged for 30 days of leave. When the extension became operative (October 1, 2015), the member could elect to carry the 30.0-day advance leave balance into the new term of service (12-month extension).

4.1.4.2. Excess Leave. Advance leave becomes excess leave and requires collection of pay and allowances under the following conditions:

4.1.4.2.1. Discharge for the purpose of reenlisting, extending an enlistment, or accepting a warrant or commission, and advance leave exceeds 30 days;

4.1.4.2.2. Advance leave balance exceeds that which will accrue in the new enlistment or term of service (for example, enlistment or extension(s)), including when an agreement to extend is cancelled by the Military Service. If an agreement to extend is cancelled by the member for the purpose of immediate reenlistment, collect the advance under subparagraph 4.4.1.2.1, if applicable;

4.1.4.2.3. Relief from active duty;

4.1.4.2.4. Appointment as a cadet or midshipman at a Service academy;

4.1.4.2.5. Death; or

4.1.4.2.6. Return from a period of leave that was in excess of the number of days of leave and fractions thereof that the member will accrue before the normal expiration of current enlistment or term of active service. The term of an extension(s) will be considered when determining the normal expiration of current enlistment or term of active service. Extension(s) will be considered from the date the member agrees to the extension(s). Excess leave properly charged before the date a member extends a term of service (reenlistment, appointment or agrees to extend voluntarily or is involuntarily extended) will not be affected and under no circumstances will pay and allowances previously collected be refunded. (See subparagraph 4.1.5 when it is known at the time leave is granted that the member will be in excess leave status.)

Example 3: A member's current term of service ended on March 31, 2016. The member reenlisted for 6 years on January 1, 2015 and had a 35.5-day advance leave balance. The member carried 30.0 days of advance leave into the new term of service. The remaining 5.5-day advance leave balance changes to excess leave and requires immediate collection of pay and allowances. Subparagraph 4.1.5 applies.

Example 4: Same as example 2, except that the member took 34 days of leave between May 1, 2015 and September 30, 2015. Since a maximum of 30.0 days of advance leave could be carried into the new term of service (12-month extension), immediate collection of pay and allowances for the remaining 4.0 days was required when the leave was used. Subparagraph 4.1.5 applies.

4.1.4.3. Amount to be Collected. Compute collection under subparagraph 4.1.4.2 on the basis of pay and allowances received by the member during the period of leave involved.

4.1.5. Pay and Allowances During Excess Leave. Members on excess leave are not entitled to pay and allowances. Apply as follows:

4.1.5.1. When the complete period of leave is granted as excess leave, pay and allowance accrual will be stopped beginning with the first day of leave.

4.1.5.2. When a portion of the leave is granted as advance leave and a portion granted as excess leave, pay and allowance accrual will be stopped beginning with the first day of excess leave. Members in an excess leave status are considered to have a rate of pay.

4.1.6. Leave Pending Review of Certain Court-Martial Convictions. Under regulations prescribed by the Secretary of the Military Department concerned, members sentenced to unsuspended dismissal or unsuspended dishonorable or bad-conduct discharge by court-martial may be required to take leave pending review of their conviction as provided by the Uniform Code of Military Justice ([UCMJ Article 76a](#)),

4.1.6.1. Such leave will be charged against any accrued leave to the member's credit on the day before the day such leave begins unless the member elects to be paid for accrued leave under Chapter 35, subparagraph 2.1.2.

4.1.6.1.1. If the member does not elect to be paid for accrued leave or does not have sufficient accrued leave to cover the total period of leave required to be taken, the leave not covered by accrued leave will be charged as excess leave.

4.1.6.1.2. If the member elects to be paid for accrued leave, the entire period of leave will be charged as excess leave and pay and allowances will not accrue for such period except under the provisions of subparagraph 4.1.6.2.

4.1.6.2. A member required to take leave under Article 76a, UCMJ, whose sentence by court-martial to dismissal or dishonorable or bad-conduct discharge is set aside or disapproved on appellate review, will accrue pay and allowances for the period of leave charged as excess leave (except for any day of accrued leave for which the member has been paid under subparagraph 4.1.6.1.2.), unless a rehearing or new trial is ordered and dismissal or dishonorable or bad-conduct discharge results from the rehearing or new trial and such dismissal or discharge is later executed.

4.1.6.2.1. Computation of Payment. The amount of gross pay and allowances accrued under this subparagraph will be reduced by the total gross income from wages, salaries, tips, other personal service income, unemployment compensation, and public assistance benefits from any government agency during the period the member is deemed to have accrued gross pay and allowances. The total gross income, however, cannot reduce the amount of gross pay and allowances to the extent that the member becomes indebted to the government.

4.1.6.2.1.1. Approved Sentence Does Not Include Reduction. Pay and allowances under this section will be paid in the pay grade held by the member on the day before the day on which the court-martial sentence was approved by the convening authority.

4.1.6.2.1.2. Approved Sentence Includes Reductions. If the pay grade of the member was reduced to a lower grade as a result of the court-martial sentence and the reduction has not been set aside, disapproved, or otherwise vacated, pay and allowances accrued under this paragraph will be paid at the lower pay grade.

4.1.6.2.2. Time of Payment

4.1.6.2.2.1. Payment will be made within 60 days from the date of the order setting aside or disapproving the sentence by court-martial to a dismissal or a dishonorable or bad-conduct discharge if no rehearing or new trial has been ordered.

4.1.6.2.2.2. Payment will be made within 180 days from the date of the order setting aside or disapproving the sentence by court-martial to a dismissal or a dishonorable or bad-conduct discharge if a rehearing or new trial has been ordered, but charges have not been referred to a rehearing or new trial within 120 days from the date of that order.

4.1.6.2.2.3. If a rehearing or new trial has been ordered, and a dismissal or a dishonorable or bad-conduct discharge is not included in the result of the rehearing

or new trial, payment will be made within 60 days of the date of the announcement of the result of such rehearing or new trial.

4.1.6.2.2.4. If a rehearing or new trial has been ordered, and a dismissal for a dishonorable or bad-conduct discharge is included as the result of such rehearing or new trial, but such dismissal or discharge is not later executed, payment will be made within 60-days of the date of the order which set aside, disapproved, or otherwise vacated such dismissal or discharge.

4.1.6.2.2.5. If a member who is entitled to be paid under this section fails to provide sufficient information in a timely manner regarding his/her income when such information is requested under subparagraph 4.1.6.3, the periods of time prescribed in this paragraph will be extended until 30 days after the date on which the member provides the requested information.

4.1.6.3. In all cases where payment must be made under subparagraph 4.1.6.2, the member solely is responsible for providing the information as to all sources and amounts of income received by the member during periods of required appellate leave. Pay will be computed only on the basis of a written record.

4.1.6.3.1. For periods where the member was employed, information as to all sources and amounts of income should include, at a minimum, copies of all pertinent:

4.1.6.3.1.1. Federal income tax returns;

4.1.6.3.1.2. Employer statements of income earned from wages, salaries, tips; and

4.1.6.3.1.3. Documentation of other personal service income.

4.1.6.3.2. For periods where the member has been unemployed, the member must submit an affidavit or written evidence of lack of employment and, at a minimum, copies of all pertinent:

4.1.6.3.2.1. Documentation to verify the duration of unemployment compensation;

4.1.6.3.2.2. Public assistance benefits received from any government agency;

4.1.6.3.2.3. Federal income tax returns; and

4.1.6.3.2.4. Any other documentation required by the Service concerned.

NOTE: The burden of proving the existence of a valid claim against the United States is on the member asserting the claim. A member must prove by clear and convincing evidence on the written record that the U.S. DoD is liable under the law for the amount claimed.

4.2 Unauthorized Absence and Other Lost Time

4.2.1. Effect on Pay and Allowances. The types of unauthorized absences and other lost time and their effect on pay and allowances are shown in Table 1-12. (Compute forfeitures of pay and allowances as instructed in subparagraph 3.2.2.)

4.2.2. Unauthorized Absence and Desertion

4.2.2.1. Determination by Court-Martial. A member found guilty of unauthorized absence by a court-martial forfeits pay and allowances for the period of absence. An acquittal (or disapproval by the reviewing authority, in case of conviction) affects only the disciplinary aspects of the absence. It does not prevent an administrative determination that the member was AWOL.

4.2.2.2. Administrative Determination of Unauthorized Absence. When a member is in an unauthorized absence status, an administrative determination must be made as to whether the absence was unavoidable. Table 1-13 contains rules for determining whether the absence was unavoidable. If it is not excused as unavoidable, the member (including one mentally incompetent) forfeits pay and allowances for the period of absence. This applies even though a court-martial finds the member not guilty of a charge of unauthorized absence, or when a finding of guilty has been disapproved by the reviewing authority.

4.2.2.3. Discharge for Desertion. A discharge for desertion is conclusive evidence of desertion for the purpose of forfeiture of pay, even in the absence of trial by court-martial.

4.2.2.4. Dropped From Rolls. A commissioned officer of the Army or Air Force who is dropped from the rolls by the President for absence without authority for 3 months forfeits all pay due or to become due. Pay and allowances due at the time the officer is dropped from the rolls, however, will be used to satisfy debts due the United States and its instrumentalities.

4.2.2.5. Disposition of Forfeitures as a Result of Desertion. When an enlisted member, warrant officer, or limited duty officer forfeits pay as a result of desertion, deposit the gross amount of such forfeited pay to the Armed Forces Retirement Home Trust Fund. Do not, however, deposit this pay beyond the expiration of term of enlistment for enlisted members.

4.2.3. Computing Periods of Unauthorized Absence. Unauthorized absence of 24 consecutive hours or less does not affect pay or allowances. This applies even though the absence involves parts of 2 days. When the period of unauthorized absence exceeds 24 consecutive hours, use Table 1-14 to determine the first and last day of the period of absence.

4.2.4. Absence in the Hands of Civil Authorities

4.2.4.1. General. Pay the member all pay and allowances earned through the day before the first day of unauthorized absence. If the member is delivered to civil authorities by military authorities, he or she is entitled to all pay and allowances earned through the day prior to the date of such delivery. For entitlement to pay and allowances during confinement, see Table 1-12, rules 4, 5, and 6.

4.2.4.2. Finding of Insanity. An administrative determination under the rules contained in Table 1-13 must be made as to whether the absence was unavoidable when a member is found not guilty by reason of insanity by a civil court and transferred to a mental institution for an indefinite period of time. Table 1-12 contains rules for determining the effect of absences on pay and allowances.

4.2.4.3. Work Release Program. In some states and local jurisdictions, a person convicted and sentenced to a term of civil confinement may be released from the confinement facility to the cognizance of an employer during the normal workday. Work release, job rehabilitation, or employment retention programs of this type generally are conducted for the purpose of providing prisoners a means to continue support of their dependents and to demonstrate that they are capable of self-rehabilitation. When members are paroled to military authorities under a “work release” or similar program, they are entitled to pay and allowances for each day of full duty performed commensurate with their grade and military specialty.

4.2.5. Absence Due to Disease

4.2.5.1. When Pay Is Forfeited. See Table 1-12, rule 3.

4.2.5.2. When Pay Is Not Forfeited. Pay is not forfeited for absence from duty caused by:

4.2.5.2.1. An injury;

4.2.5.2.2. A disease, except under Table 1-12, rule 3;

4.2.5.2.3. Simple drunkenness, if not coupled with chronic alcoholism or intemperate use of habit-forming drugs; or

4.2.5.2.4. Venereal disease, whether or not due to misconduct.

4.2.5.3. Personal Expense Money. A member whose pay is forfeited under Table 1-12, rule 3 for more than 1 month is entitled to \$5 for personal expenses for each full month that he or she forfeits pay. This payment will be made even though the member is indebted to the United States. The term “full month” is the period from a date in 1 month through the preceding date in the following month. For example, July 3 through August 2 is 1 month.

4.2.6. Military Confinement. Pay and allowances accrue to a member in military confinement except when:

4.2.6.1. Confined by military authorities, for civil authorities. See Table 1-12, rules 6 and 8;

4.2.6.2. Pay and allowances are forfeited by court-martial sentence. See Chapter 48 and Table 1-12, rule 10; and

4.2.6.3. The term of enlistment expires. See subparagraph 4.2.7.

4.2.7. Term of Enlistment Expires

4.2.7.1. General. Pay and allowances accrue to a member upon return to a full-duty status. Full duty is attained when a member, not in confinement, is assigned useful and productive duties (as opposed to duties prescribed by regulations for confinement facilities) on a full-time basis which are not inconsistent with the grade, length of service, and military occupational specialty (MOS). While placement in the same MOS is not essential, the decision to place a member in that MOS or to assign the member available duties consistent with the grade and service rests with the appropriate military commander.

4.2.7.2. Absentee Returned to Military Control. An absentee who surrenders or is apprehended after a term of enlistment has expired is not entitled to pay and allowances until restored to a full-duty status for the purpose of making good the lost time. While held in retention, a member may be assigned duties as prescribed by regulations governing detained prisoners without being returned to full-duty status.

4.2.7.3. Enlistment Expires Before Trial. An enlisted member retained in the Military Service for the purpose of trial by court-martial is not entitled to pay for any period after the expiration of the enlistment unless acquitted or the charges are dismissed, or the member is retained in or restored to a full-duty status.

4.2.7.4. Confined Awaiting Trial by Court-Martial. If a member is confined awaiting court-martial trial when the enlistment expires, pay and allowances end on the date the enlistment expires. If the member is acquitted when tried, pay and allowances accrue until discharge.

4.2.7.5. Confined Serving Court-Martial Sentence. If a member is confined serving a court-martial sentence when the enlistment expires, pay and allowances end on the date the enlistment expires unless the sentence is completely overturned or set aside as specified in Chapter 48. Pay and allowances will not accrue again until the date the member is restored to a full-duty status.

4.2.7.6. Confined While in a Status of Being Held in the Service to Make Up Lost Time. If confined while in a status of being held in the Military Service to make up lost time, an enlisted member continues in a pay status, except to the extent that pay may be forfeited by court-martial, the same as during the regular enlistment period. This pay status terminates if the member is in confinement on the date the normal term of service as extended to make up lost time would have expired, even if restored to duty at a later date.

4.2.7.7. Confinement Deferred or Prisoner Restored to Duty. A prisoner in a non-pay status is entitled to pay and allowances when service of sentence to confinement is deferred or the member is restored to a full-duty status. The date restored to duty is the date the member reported present for duty.

4.2.7.8. Absentee Confined Upon Return to Military Control. An enlisted member whose term of enlistment has expired while in a status of absence without leave or desertion is not entitled to pay and allowances upon return to military control while confined awaiting trial and disposition of the case if the conviction becomes final and the member has not been returned to a full-duty status. A member, however, who is returned to military control and restored to full duty for the purpose of making good the lost time before being confined to await trial, continues in a pay status except to the extent that pay may be forfeited by court-martial, the same as during the regular enlistment period. This pay status terminates if the member is in confinement on the date the normal term of service is extended to make up lost time would have expired, even if he or she is restored to duty at a later date.

4.2.7.9. Confined Under Sentence of Death. The pay and allowances of a member, serving in confinement under sentence of death and pending completion of the appellate review of the record of trial, do not accrue after the expiration of the enlistment.

4.2.7.10. Appellate Review of Court-Martial Sentence. A confined member who is pending appellate review of his or her court-martial sentence is not entitled to pay and allowances after the expiration of term of enlistment, unless the conviction is completely overturned or set aside.

4.2.8. Reserve Officer Absent From Duty. A Reserve officer whose term of active service expires while confined as a result of court-martial action continues to be entitled to pay and allowances, except when forfeited under an approved sentence of a court-martial or a period of service is terminated by proper orders.

5.0 PAYMENT IN CASES OF VOID, VOIDABLE, OR REJECTED ENLISTMENTS OR INDUCTIONS

5.1 Voidability of Contract

A fraudulent contract of enlistment or induction is not void but is voidable at the option of the government. When the government becomes aware of the fraud, it may void the contract or waive the objection and allow the contract to stand. (See Table 1-15.)

5.2 Fraudulent Enlistments – Pay and Allowances

Members under investigation or determined to be serving in fraudulent enlistments are due pay and allowances for periods shown in Table 1-15.

5.3 Travel Payments

See [Joint Travel Regulation](#), Chapter 5, Paragraph 051007.

5.4 Disbursing Officer Entitled to Credit

A disbursing officer is entitled to credit for proper payments to a member who fraudulently enlisted if payments were made without the knowledge of the fraud and before the government rescinded the contract.

5.5 Failure to Discover Physical Condition of Enlistee or Inductee

Failure to discover that the physical condition of an enlistee or inductee was such as would warrant rejection for military service does not deprive member of right to pay and allowances or of the status of being entitled to basic pay. (See Table 1-15.)

6.0 FINANCIAL INSTITUTION CHARGES

6.1 Reimbursement

Reimbursement of financial institution charges may be authorized. Authorized reimbursements are limited to overdraft charges or minimum balance or average balance charges levied by the financial institution because of an administrative or mechanical error on the part of the government that causes pay to be deposited late, or in an incorrect manner or amount.

6.2 Non Reimbursement

Charges by financial institutions resulting from erroneous information provided by the member or the financial institution to a military pay office are not the liability of the government and will not be reimbursed.

6.3 Definitions

6.3.1. Financial Institutions. For the purpose of this section a financial institution is defined as a bank, savings and loan association, or similar institution or a credit union chartered by the United States or a state.

6.3.2. Pay. For the purpose of this section pay is defined as basic pay, allowances, bonuses, special and incentive pays.

7.0 MILITARY PAYDAYS

7.1 Payday

The payday is the first calendar day of the month after the month in which the entitlement was earned. This does not preclude one payment in midmonth for any element of compensation.

7.2 Exception

Except for payrolls otherwise payable on October 1, if the payday falls on a Saturday, Sunday, or federal legal holiday, payment is authorized on the preceding workday, but not more than 3 days before the scheduled payday. This exception applies to foreign holidays recognized abroad by U.S. Forces. It also applies to payments made to members upon separation from the Military Service through retirement or discharge when the last day of active duty falls on a Saturday, Sunday, or federal legal holiday.

7.3 Determination

For payrolls otherwise payable on October 1, the DoD Comptroller will determine if the payroll may be dated in September.

Table 1-2. Absence from Duty in Enlisted Status (Continued)

NOTES:

1. Prior to February 11, 1996, absence during which a member was serving on active duty as an enlisted member and was also a Reserve officer is creditable. After February 10, 1996, a commissioned or warrant officer may not count the periods of absence for any purpose other than for computing length of service for basic pay. Also, see subparagraph 2.2.2.
2. If the member is released without trial or acquitted, or if conviction is set aside on legal grounds (as distinguished from clemency), the period of absence is creditable. If the member is released upon agreement to make restitution or is later convicted by court-martial on the same facts, the period of absence is not creditable.
3. Period spent in confinement is creditable when the member is acquitted or the sentence is set aside or disapproved.
4. The period of absence is not creditable only if the confinement was under general court-martial sentence and/or while waiting (and during) trial which resulted in a sentence by a general court-martial to confinement and total loss of pay and allowances.

Table 1-3. When Active Duty Pay Begins (Continued)

NOTES:

1. Original appointments include officers appointed from warrant officer, enlisted member, or civilian status.
2. Pay accrues from date of graduation, even though appointment is issued and accepted at later date.
3. See paragraph 3.5 and Table 1-6 for allowable travel time to include in computation. Pay and allowances do not accrue if the member begins travel or reports earlier than the travel time necessary to comply with the active duty orders.
4. If member passes the physical examination, pay and allowances accrue for travel time to first duty station when later ordered to active duty for more than 30 days.
5. If the member fails the physical examination, pay and allowances accrue for period required for the examination and travel time to and from the examination.
6. If the member is ordered to active duty solely to take a physical examination, not incident to being ordered to active duty, active duty pay and allowances do not accrue.
7. Pay status does not begin if the Army National Guard or Air National Guard member is unable to respond to the call to active duty because of illness or other reason.

Table 1-4. Increases in Pay on Promotion or Restoration of Grade (Continued)

NOTES:

1. If the officer's assignment is terminated because of:
 - a. Assignment to another position also designated a special assignment: the officer will continue to draw the pay rate of the terminated assignment through the day before assuming the new position.
 - b. Hospitalization: the officer will continue to draw the pay rate of the terminated assignment for the full period of hospitalization, but for not more than 180 days.
 - c. Retirement: the officer will continue to draw the pay rate of the terminated position through the day before retirement, but for not more than 90 days.
2. A retroactive amendment of active duty orders is authority to serve in the higher grade from date of the amendment only. Increased pay and allowances are authorized from that date. Such orders do not create entitlement to increased pay and allowances for the retroactive period.
3. A retroactive promotion date is to be used only for consideration of seniority and time in grade for future promotions. Such orders do not create entitlement to increased pay and allowances for the period between the eligibility date for promotion and the effective date of the promotion order or letter. The effective date of promotion for purposes of entitlement to increased pay and allowances must not be earlier than the date the officer is assigned to a position requiring a grade equal to or higher than the grade to which promoted.
4. An appointment, promotion, or advancement to a higher grade with an effective date beyond the expiration date of the current enlistment and which is contingent upon the member's extension of enlistment or reenlistment, entitles the member to increased pay and allowances from the effective date of extension or reenlistment, whichever is later. Payment for the higher rank or rating is not authorized for a period prior to date of current enlistment.
5. This restriction does not prevent payment to enlisted members for retroactive promotions or advancements that are made pursuant to [10 U.S.C. § 1552\(a\)\(2\)](#) (retroactive promotion or advancement without decision of the Board for Correction of Military Records), effective October 23, 1992.

Table 1-5. Termination or Reduction of Active Duty Pay and Allowances (Continued)

NOTES:

1. Discharge orders do not of themselves relieve the government of its obligation to an officer. The officer must have received actual or constructive notice by the effective date, unless the officer willfully avoids notice of separation. If kept in Military Service without fault, in ignorance of an order of dismissal, the officer is entitled to all salaries and benefits of the office. If held in Military Service under orders after the date shown in separation orders, the officer is entitled to pay if there is nothing in the records showing non-entitlement.
2. A member who reverts from a temporary officer appointment to a permanent enlisted or warrant officer grade is entitled, if otherwise proper, to the active duty pay and allowances of the temporary officer grade through and including the date of reversion.
3. Includes discharge for underage enlistment. Does not include discharge for fraudulent contract of enlistment. (See section 5.0.)
4. A member whose enlistment is extended involuntarily by law comes under rule 15, not rules 16-21.
5. If medical care or hospitalization was due to member's misconduct, pay and allowances terminate on date of expiration of term of Military Service.
6. See subparagraph 3.4.4 for date of termination of the 25 percent increase in basic pay.
7. An erroneous promotion is later voided by revoking promotion orders (certificates of appointment or other documents used by the Military Service concerned to administratively effect promotions) from the original effective date. Payment of the pay and allowances of the higher grade through the date prior to the date of discovery is contingent, in each case, upon an administrative determination of the commander, that service performed while serving in the higher grade may be regarded as service performed in a "de facto" status, that is, the member was promoted by competent authority and performed duties of the higher grade. (See procedural regulations of the Military Service concerned.)

Table 1-6. Allowable Travel Time – Travel Between Places Within the United States

R U L E	If order to active duty is for	and travel by (note 1)	then travel time allowed is	using (notes 3 and 4).
1	30 days or less	all transportation is reasonably available	computed on the basis of air transportation (not more than 1 day for travel between places within the CONUS) (note 2)	actual commercial air schedules, and including the actual or estimated time to travel to and from air terminal(s) (but not more than 2 hours for each trip).
2	30 days or less	air transportation is not reasonably available for entire travel	computed as if actually performed by public surface transportation	actual schedules of fastest available mode.

NOTES:

1. When the air terminal is within 50 miles of the active duty station and direct or connecting flights are obtainable within 50 miles of the place from which ordered to active duty.
2. Additional time may be allowed when there is an actual delay in air travel. The delay must have been due to reasons beyond the control of the member, such as mechanical failure, adverse weather conditions, excess passenger load, cancelled flights, illness of other passengers, or other circumstances.
3. Travel is not expected to start or end between midnight and 0600.
4. Travel days will not exceed the computed travel time. In the computation of travel time, use existing commercial schedules to determine the latest departure time that would permit arrival at the duty station on the reporting date and hour. On release from active duty, use earliest schedule after release, which would permit arrival home by fastest available means, without regard to actual performance of travel. A member of a Reserve Component is entitled to active duty pay and allowances for allowable travel time per subparagraph 3.5.2 when member:
 - a. is ordered to perform ADT;
 - b. performs authorized IDT immediately before or after ADT at or near the same site; and
 - c. receives orders, which direct performance of necessary travel to and from the ADT site immediately before and after combined ADT/IDT. The travel date will be specified in the active duty orders. Full retirement point credit is earned for the period of IDT performed.

*Table 1-7A. Monthly Rates of Basic Pay – Commissioned Officers, Academy Cadets and Midshipmen and ROTC Members - Effective January 1, 2022 (Continued)

NOTES:

1. Basic pay rate for Academy Cadets/Midshipmen and ROTC members/applicants is **\$1,217.10**.
2. The amount of the maximum combat zone tax exclusion in effect for a qualifying month equals the sum of the basic pay for the senior enlisted member payable (Table 1-10 note 3) and the maximum amount of hostile fire or imminent danger pay (**\$225**) actually payable to the officer for the qualifying month.
3. For rank titles, see Volume 7A Comparable Grades.
4. Basic pay is limited to the rate of basic pay for level II of the Executive Schedule in effect during calendar year 2022, which is **\$16,974.90** per month for officers at pay grades O-7 through O-10. This includes officers serving as:
 - a. Chairman or Vice Chairman of the Joint Chiefs of Staff;
 - b. Chief of Staff of the Army;
 - c. Chief of Naval Operations;
 - d. Chief of Staff of the Air Force;
 - e. Commandant of the Marine Corps;

 - g. Commandant of the Coast Guard;
 - h. Chief of the National Guard Bureau; or
 - i. Commander of a unified or specified combatant command (as defined in [10 U.S.C. § 161\(c\)](#)).
5. Basic pay for pay grades O-6 and below is limited to the rate of basic pay for Level V of the Executive Schedule during calendar year 2022, which is **\$13,775.10**.
6. O-1, O-2, and O-3 rates do not apply to commissioned officers who have been credited with over 4 years (i.e., at least 4 years and 1 day) of active duty service as an enlisted member or as a warrant officer or as both an enlisted member and a warrant officer.
7. These rates or, when applicable, the O-1E rates in Table 1-8 apply during periods of active service while as a DOM student of the USUHS. Also see subparagraph 2.2.1.6.

CHAPTER 2

REPAYMENT OF UNEARNED PORTION OF BONUSES AND OTHER BENEFITS

1.0 GENERAL

1.1 Purpose

This chapter establishes policy pertaining to the repayment of unearned portions of bonuses and other benefits. A member, who enters into a written agreement with specified service conditions for receipt of a bonus, special or incentive pay, educational benefits, stipend, or similar payment (hereinafter referred to as “pay or benefit”) is entitled to the full amount of the pay or benefit if the member fulfills the required conditions. Failure to fulfill the conditions specified in the written agreement **will** result in termination of the agreement and the member **will** be required to repay the unearned portion of the pay or benefit. Such repayment will be pursued unless the member’s failure to fulfill the specified conditions is due to circumstances determined reasonably beyond the member’s control. Conditions under which repayment will not be sought are set forth in section 3.0.

1.2 Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), Title 37. Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 POLICY

2.1 Payment Disposition

The Secretary of the Military Department concerned may establish, by regulation, procedures for determining the amount of the repayment required. Service regulations will apply the rules in Table 2-1 for disposition of unearned portions of the pay or benefit.

2.2 Use of Separation Designator Codes (SPD) in Effecting the Repayment of Unearned Portion of Bonuses and Other Benefits

SPD codes are used to track and analyze the reasons that Service members separate from military service and to assist in the review, development, and monitoring of separation policies and programs. Additionally, SPD codes are used to ensure standardized pay actions are consistent with separation policies. While automated processes are critical, it is also important to recognize and allow Secretaries of the Military Departments to exercise their delegated authority to change pay actions on a case-by-case basis. Therefore, when the Secretary of a Military Department concerned wishes to exercise delegated authority to change a pay action for the designated SPD code assigned to the member’s Department of Defense (DD) Form 214, the Secretary concerned

submits the requested exception to policy (ETP) to the Director of Military Compensation in the Office of the Assistant Secretary of Defense (OASD) for Manpower and Reserve Affairs (M&RA) for approval. The approved ETP is submitted to the Defense Finance and Accounting Service (DFAS) for processing. It is important for the Military Departments to treat Service members similarly at separation, so this authority to change the designated pay action should be used sparingly.

2.3 Definition

The term “service,” as used in this chapter, refers to an obligation willingly undertaken by a member of the uniformed services in exchange for a pay or benefit offered by the Secretary of Defense or the Secretary of the Military Department concerned to do one or more of the following:

2.3.1. Remain on active duty;

2.3.2. Remain in an active status in a Reserve Component;

2.3.3. Perform duty in a specified skill, with or without a specified qualification or credential;

2.3.4. Perform duty at a specified location; or

2.3.5. Perform duty for a specified period of time.

2.4 Bankruptcy

An obligation to repay a pay or benefit to the United States is, for all purposes, a debt owed to the United States. A discharge in bankruptcy does not discharge a person from such debt if the discharge order is entered less than 5 years after:

2.4.1. The date of the termination of the agreement or contract on which the debt is based; or

2.4.2. The date of the termination of service on which the debt is based, in the absence of such agreement or contract.

3.0 REPAYMENT AND NON-REPAYMENT CONDITIONS

3.1 Conditions Under Which Repayment Will Be Sought

3.1.1. When the conditions of a written agreement are not fulfilled and repayment is determined appropriate, the member will be required to repay the United States the unearned portion of a pay or benefit. In cases other than death of a member, the Secretary of the Military Department concerned will advise DFAS of the disposition of any unearned portion of a pay or benefit.

3.1.2. Repayment will be sought, and any unpaid balances may not be paid to members who incur a disability because of their misconduct.

3.2 Delegation of Authority

The Secretary of the Military Department concerned may, through regulation, delegate the authority to make repayment determinations consistent with the criteria set forth in section 3.0, but not below the O-6 or equivalent level. If delegated, then the Military Departments will specify the level and the scope of the authorized delegation in implementing regulations.

3.3 Conditions Under Which Repayment Will Not Be Sought

As a general rule, repayment action may not be pursued in situations in which the member's inability to fulfill specified service conditions related to a pay or benefit is due to circumstances determined reasonably beyond the member's control. Payment of any unpaid portion of pay or benefit will be subject to the rules in Table 2-1, which in appropriate circumstances provide discretion to the Secretary of the Military Department concerned to pay unearned portions based on case-by-case determinations.

3.3.1. Repayment will not be sought, and any remaining unpaid portion of a pay or benefit due to a member under a written agreement that existed at the time of the member's death, which was not the result of the member's misconduct, is payable as a lump sum in the settlement of the decedent's final military pay entitlements.

3.3.2. Repayment will not be sought, and any remaining unpaid portion of a pay or benefit due to a member under a written agreement will be paid at the time of separation or retirement for a disability incurred in the line of duty in a combat zone designated by the President of the United States or the Secretary of Defense, or in a combat-related operation designated by the Secretary of Defense, and/or for a combat-related disability. In such case, any remaining unpaid portion of a pay or benefit due to a member will be paid to the member upon separation from service.

3.3.3. Subject to the enlistment authorities, and the relevant regulations of the Secretary of the Military Department concerned, a member who was paid a bonus or special pay for a period of enlistment in a Military Department, who is discharged for immediate reenlistment or appointment in a Military Department for which no bonus or special pay is paid, may be considered to have completed the full term of service specified in the former enlistment contract, provided the term of the latter reenlistment or appointment includes the remaining period of service from the former enlistment. The member's enlistment bonus or special pay entitlements will be addressed prior to discharge from a Military Department.

3.3.4. Repayment will not be sought, and the Secretary of the Military Department concerned will not pay any remaining unpaid portion of a pay or benefit under the following circumstances, unless otherwise authorized by the Secretary of the Military Department concerned under subparagraph 3.4.2.;

3.3.4.1. The member's employment in another military specialty or assignment rotation is directed;

3.3.4.2. The member's military specialty or assignment is phased out or eliminated;

3.3.4.3. The member's military specialty or assignment is otherwise affected by force structure or other mission essential requirements; or

3.3.4.4. The member is separated from service under a hardship separation or sole survivor discharge.

3.3.5. Pursuant to [Title 10, U.S.C. section 1171](#), enlisted members who are discharged within 12 months before the expiration of an enlistment, reenlistment, or extension of enlistment are considered to have completed the terms of the enlistment, reenlistment, or extension of enlistment for which the bonus was paid. Thus, recoupment is not required for the unearned portion of the pay or benefit arising from the early discharge. The Military Departments are responsible for determining whether a member's early discharge is made pursuant to 10 U.S.C. § 1171 and advising DFAS of the determination.

3.4 Conditions Under Review by the Secretary of the Military Department

3.4.1. In instances involving a member's separation for medical reasons, which were not the result of the member's misconduct, the Secretary of the Military Department concerned has the discretion to determine whether to require repayment of the unearned portion of pay or benefit, or to pay an unpaid balance of a pay or benefit.

3.4.2. Under circumstances not specifically mentioned in this chapter, the Secretary of the Military Department concerned has the discretion to, at some point in the process, render a case-by-case determination that the member's repayment of, or the Military Department's full payment of an unpaid portion of, a pay or benefit is appropriate based on the following:

3.4.2.1. Contrary to a personnel policy or management objective;

3.4.2.2. Against equity and good conscience; or

3.4.2.3. Contrary to the best interest of the United States.

CHAPTER 3**SPECIAL PAY – OFFICERS ONLY****1.0 GENERAL****1.1 Purpose**

The Secretaries of the Military Departments may pay a bonus or special pay to persons or officers, as appropriate, to support accession and retention efforts for a designated military specialty, career field, unit, grade, or to meet some other condition or conditions of service imposed by the Secretary of the Military Department concerned. This chapter establishes policy pertaining to the payments of bonuses or special pay in support of accession and retention efforts.

1.2 Authoritative Guidance

The pay policies and requirements established by DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.). Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 GENERAL BONUS AUTHORITY FOR OFFICERS**2.1 Authority**

[Title 37, U.S.C., section 332 \(37 U.S.C. § 332\)](#) and the DoD Instruction (DoDI) 1304.34, General Bonus Authority for Officers, dated July 11, 2016, provides the general bonus authority for bonuses referenced in sections 3.0, 4.0, 5.0, and 6.0. The Secretaries concerned may pay these bonuses to a person, member, or officer in the Military Services who:

2.1.1. Accepts a commission or appointment as an officer in a Military Service;

2.1.2. Affiliates as an officer with a Reserve Component (RC) of a Military Service;

2.1.3. Agrees to remain on active duty (AD) or in an active status for a specified period as an officer in a Military Service;

2.1.4. Transfers between the Regular Component and the Ready Reserve of the same Military Service, or vice versa; or

2.1.5. Transfers from a Regular Component or the Ready Reserve of a Military Service to a Regular Component or the Ready Reserve of another Military Service, subject to the approval of the Secretary with jurisdiction over the Military Service to which the member is transferring.

2.2 Eligibility

In accordance with paragraph 2.1, the Secretary concerned may only pay a bonus to a person or officer who:

2.2.1. Signs a written agreement with the Secretary concerned to serve for a specified period in a designated career field, skill, unit, or grade, or meets some other condition or conditions of service imposed by the Secretary;

2.2.2. Successfully completes training and becomes qualified in a designated skill or career field, if completion of such training and technical qualification forms the basis for which the bonus is paid;

2.2.3. Qualifies pursuant to any additional criteria prescribed by the Secretary concerned;

2.2.4. Meets any additional eligibility criteria outlined in sections 3.0, 4.0, 5.0, and 6.0;

2.2.5. Is not in receipt of an accession, retention, reserve affiliation, or transfer bonus, in accordance with [37 U.S.C. Chapter 5, Subchapter I](#), for the same activity, skill, or period of service;

2.2.6. Will not exceed the mandatory retirement or high-year tenure date during the specified period of obligated service for which the bonus is paid; and

2.2.7. Is not serving a service obligation, except as noted in paragraph 2.8.

2.3 Additional Guidelines

2.3.1. An officer is not eligible for a bonus, under DoDI 1304.34, if previously discharged or released from AD or military service in an active status based on a determination of misconduct, substandard duty performance, or moral or professional dereliction.

2.3.2. In accordance with [37 U.S.C. § 371](#), an officer may not receive a bonus or incentive pay under 37 U.S.C. Chapter 5, Subchapter I and [37 U.S.C. Chapter 5, Subchapter II](#), for the same activity, skill, or period of military service.

2.3.3. An officer may receive only one bonus pursuant to paragraph 2.1 for the duration of the service obligation period, unless explicitly exempt in statute or DoDI 1304.34.

2.3.4. An officer may not receive more than \$300,000 (or \$150,000, in the case of a non-Active Guard Reserve officer in the RC) in combined bonus payments authorized under DoDI 1304.34 during the course of the officer's career. The Military Service may not exceed these payment caps unless specifically authorized by the Assistant Secretary of Defense for Manpower and Reserve Affairs (ASD (M&RA)).

2.3.5. An officer receiving pre-commissioning compensation in accordance with [10 U.S.C. § 2106](#), and [10 U.S.C. § 2107](#) and [10 U.S.C. § 2107a](#), or financial assistance through a loan repayment program under [10 U.S.C. § 16201](#), [10 U.S.C. § 16301](#), [10 U.S.C. § 16302](#), or [10 U.S.C. § 16303](#), is not eligible for a bonus pursuant to DoDI 1304.34 until the military service obligation (MSO) is completed.

2.3.6. An officer receiving a bonus in accordance with [37 U.S.C. § 333](#) and [37 U.S.C. § 334](#), is not eligible for a bonus pursuant to DoDI 1304.34 for the same skill and period of service.

2.3.7. An officer receiving a bonus in accordance with [37 U.S.C. § 335](#), is not eligible for a bonus pursuant to DoDI 1304.34 for the same period of obligated service.

2.3.8. Existing bonus contracts under 37 U.S.C. Chapter 5, Subchapter I, will remain in effect through the preexisting termination dates.

2.4 Payment Method

2.4.1. The Secretary concerned will establish the method of payment for the bonus (i.e., lump sum or periodic installments).

2.4.2. The Secretary concerned may make payment based on training milestones, proportional length of service, or lump sum. However, the Secretary will not pay an officer any portion of a skill bonus before awarding of the military skill specialty, if completion of such training and technical qualification forms the basis for which the bonus is paid.

2.4.3. Officers will receive their initial bonus payments based on the terms and conditions of their bonus agreements.

2.5 Amount

The bonus amount paid by the Secretary concerned will be fixed on acceptance of the agreement by the Secretary, and may only be paid prospectively. The bonus paid may not exceed the following amounts, unless otherwise approved by the ASD (M&RA):

2.5.1. \$60,000 for a minimum 4-year service obligation for an officer or person who accepts a commission or appointment as an officer in a Military Service, as described in subparagraph 2.1.1;

2.5.2. \$10,000 for a minimum 3-year service obligation for an officer, as described in subparagraph 2.1.2;

2.5.3. \$25,000 for each year of obligated service as an officer in a Regular Component for retention, as described in subparagraph 2.1.3;

2.5.4. \$12,000 for each year of obligated service as an officer in an RC for retention, as described in subparagraph 2.1.3; or

2.5.5. \$10,000 for a transfer, as described in subparagraphs 2.1.4 and 2.1.5.

2.6 Specific Rule for Designated Military Skills or Career Fields

The following are specific procedures, requirements, and conditions related to an accession, affiliation, retention, or transfer bonus paid to an officer for a period of obligated service in a designated military skill or career field:

2.6.1. The period of obligated service will include normal skill progression, as defined by the Secretary concerned (e.g., attending courses in professional military education) and any other advanced training or education related to a designated military skill.

2.6.2. The Secretary concerned may pay a conversion bonus to an officer who agrees to convert to a designated military skill in which there is a shortage of trained and qualified officers. The bonus may be payable in a lump sum upon approval and completion of the conversion training by the Secretary concerned.

2.6.2.1. The officer must agree to serve for not less than 3 years on AD or in an active status in the Selective Reserve (SELRES) in that military skill or career field.

2.6.2.2. The officer must serve in the pay grade of O-3 or below with no more than 8 years of commissioned military service at the time the officer enters into the conversion contract, as computed in accordance with [37 U.S.C. § 205](#).

2.6.2.3. The officer must have completed all service obligations previously incurred for receipt of an accession or retention bonus, in accordance with 37 U.S.C. § 332, or critical skills retention bonus, in accordance with [37 U.S.C. § 355](#), at the time the officer begins training for conversion to the new skill.

2.6.2.4. The bonus amount may not exceed the retention bonus amounts listed in paragraph 5.4.

2.6.3. Officers receiving skill-based bonuses are expected to serve in an assignment for which the skill is required. For service obligations of at least 36 months, the Secretary concerned may curtail the assignment requirements to a period of 2 years based on the needs of the Military Service. The Secretary concerned will establish assignment criteria and procedures that limit the circumstances in which such a period of obligated military service may be curtailed and will specify such other appropriate conditions of military service, consistent with 37 U.S.C. § 332(b)(2) and paragraph 2.2. Additionally, the Secretary will:

2.6.3.1. Ensure that military personnel centers identify, monitor, and review such obligated military service curtailments;

2.6.3.2. Approve any curtailment of the assignment criteria that involves more than one consecutive assignment in a military skill other than that which was designated for purposes of the bonus. This responsibility may be delegated no lower than the grade of major general or rear admiral (upper half); and

2.6.3.3. Ensure that any request for curtailment is:

2.6.3.3.1. Clearly justified based on the needs of the Military Department concerned; and

2.6.3.3.2. Not granted on a routine basis.

2.7 Repayment

A person or officer who receives a bonus in accordance with 37 U.S.C. § 332, and fails to complete the period of obligated service or other conditions of service specified in the written agreement for which the bonus is paid, must repay any unearned portion of the bonus in accordance with the provisions of [37 U.S.C. § 373](#) and Chapter 2.

2.8 Service Obligations

2.8.1. An officer who has a service obligation is not eligible for a bonus under DoDI 1304.34, except when the officer:

2.8.1.1. Serves his or her initial service obligation incurred at time of commissioning or appointment in accordance with DoDI 1304.25, “Fulfilling the Military Service Obligation (MSO);”

2.8.1.2. Incurs a service obligation due to a permanent change in duty station or promotion;

2.8.1.3. Incurs a service obligation for attending and completing professional military education or government-funded education courses (this exception does not apply to undergraduate education); or

2.8.1.4. Incurs a service obligation as a result of transferring Post 9-11 GI Bill benefits.

2.8.2. For the situations described in subparagraphs 2.8.1.1 through 2.8.1.3, the service obligations may run concurrently for bonuses offered under DoDI 1304.34. For subparagraph 2.8.1.4, the Secretary concerned will determine if the service obligation is concurrent or consecutive.

2.8.3. Excluding the situations described in subparagraph 2.8.1:

2.8.3.1. The Military Department may offer a bonus under DoDI 1304.34 up to 1 year from completion of an officer's service obligation.

2.8.3.2. The bonus may not be paid until completion of the previous service obligation.

2.8.3.3. The service obligation for a new bonus will begin on the date of the agreement or completion of a previous service obligation, whichever date is later.

2.9 Non-Availability

2.9.1. Officers of the SELRES who incur a period of authorized absence approved by the Secretary concerned, or are transferred to the Standby Reserve in accordance with DoD Directive 1200.7, will have their bonuses suspended during this period and will not be entitled to bonus payments. The Secretary concerned will determine this period of time on a case-by-case basis.

2.9.2. The Secretary concerned may reinstate RC officers in the bonus program who are subsequently reassigned in the SELRES to a skill for which they had previously contracted, if they extend their MSO so they are able to serve the full original bonus agreement period.

2.9.3. Officers' entitlement to subsequent payments will resume on the adjusted anniversary date of satisfactory and creditable SELRES service, as appropriate. The Secretary concerned will adjust the anniversary date for periods of authorized absence. Failure to meet reinstatement criteria in a capacity that was previously agreed on will result in termination of the bonus and in repayment, as appropriate.

3.0 ACCESSION BONUS

3.1 General

An accession bonus offers a monetary incentive for a person (including a Service member) to accept a commission or appointment as an officer and serve for a specified period on AD or in an active status in a Military Service.

3.1.1. An accession bonus is authorized when an individual executes a written agreement and agrees to serve for a minimum 4-year period in:

3.1.1.1. A designated military skill or career field;

3.1.1.2. A unit;

3.1.1.3. A grade; or

3.1.1.4. Some other role that meets a condition or conditions imposed by the Secretary concerned.

3.1.2. The procedures described in sections 2.0 and 3.0, as well as any additional conditions and requirements prescribed by the Secretary concerned, govern the award and administration of an accession bonus.

3.2 Additional Accession Bonus Eligibility Requirements

In addition to meeting the minimum eligibility requirements listed in paragraph 2.2, an eligible person must:

3.2.1. Meet the qualification standards listed in DoDI 1304.26 for a commission or appointment;

3.2.2. Be an initial recipient of a commission or appointment in a Regular Component or RC;

3.2.3. Have completed all previous service obligations incurred as a result of receiving a bonus or special pay while serving as an enlisted Service member or Reserve Officer Training Course cadet or midshipmen;

3.2.4. Not have received:

3.2.4.1. Pre-commissioning compensation under 10 U.S.C. §§ 2106, 2107, and 2107a;

3.2.4.2. Financial assistance through a loan repayment program in accordance with 10 U.S.C. §§ 16201, 16301, 16302, or 16303; or

3.2.4.3. An accession bonus in accordance with [37 U.S.C. § 324](#) and [37 U.S.C. § 330](#); and

3.2.5. Accept a service obligation on AD or in the SELRES for at least 4 years.

3.3 Restrictions

3.3.1. An officer may receive only one officer accession bonus during a career. An officer accessed from the enlisted ranks is eligible for an accession bonus as an officer or warrant officer.

3.3.2. An officer reappointed in a Military Service after resignation or termination of a commission or appointment from an earlier period of military service is not eligible for an accession bonus.

3.3.3. An officer may not receive an accession bonus and a transfer bonus for the same period of military service.

3.3.4. An officer may not receive an accession bonus and an affiliation bonus for the same period of military service.

3.4 Amount

The amount of an accession bonus under DoDI 1304.34 may not exceed \$60,000 for a minimum 4-year period of obligated service, nor may it exceed an annual amount of \$15,000.

3.5 Payment Method

The method of payment will be consistent with paragraph 2.5.

3.6 Non-Availability

In the event an RC officer becomes unavailable, the provisions in paragraph 2.9 will apply.

3.7 Duration of Authority

An officer accession bonus may not be paid to any person after the date on the [Duration of Authority](#) table. No payments will be made after the termination date unless the entitlement commenced prior to that date.

4.0 RC AFFILIATION BONUS

4.1 General

The RC affiliation bonus offers a monetary incentive for an officer to affiliate with the SELRES of a Military Service.

4.1.1. The bonus is authorized when an officer affiliates with the SELRES of a Military Service and agrees to serve for a specified period of not less than 3 years of obligated service in a military skill designated critical by the Secretary concerned or not less than 3 years of obligated service in a specific SELRES unit or officer pay grade to meet manpower shortages in the specific SELRES unit or officer pay grade. Additionally, the Secretary concerned may, with the officer's consent, convert the officer to a designated career field or military skill in which there is a shortage of trained and qualified personnel.

4.1.2. The procedures described in sections 2.0 and 4.0, as well as any additional conditions and requirements prescribed by the Secretary concerned, govern the award and administration of an RC affiliation bonus.

4.2 Additional RC Affiliation Bonus Eligibility Requirements

In addition to meeting the minimum eligibility requirements in paragraph 2.2, an eligible officer must execute an agreement to serve as an officer in the SELRES for a service obligation of at least 3 years and have fewer than 15 years of qualifying military service towards a regular or non-regular retirement, in accordance with DoDI 1215.07. The officer must also:

4.2.1. Be serving in the Ready Reserve or Standby Reserve of a Military Service; or

4.2.2. Be serving or have served in the Regular Component for a period of more than 30 days and have been released under honorable conditions.

4.3 Additional Guidelines

4.3.1. Individuals may receive more than one affiliation bonus in a career, though not for the same military skill, grade, or unit.

4.3.2. An officer may receive an affiliation bonus and transfer bonus as long as the officer serves the service obligations for each bonus consecutively. See section 6.0 for additional information on transfer bonuses.

4.3.3. Officers signing up for an affiliation bonus and a transfer bonus at the same time will incur an additional 12-month service obligation rather than an additional 24-month service obligation, as otherwise prescribed. The minimum service obligation for an officer receiving both bonuses is 4 years.

4.4 Amount

The maximum affiliation bonus may not exceed \$10,000 for a minimum 3-year service obligation.

4.5 Payment Method

4.5.1. The method of payment will be consistent with paragraph 2.5.

4.5.2. An affiliation bonus begins to accrue on the date the eligible officer is assigned to a unit or position in the SELRES.

4.6 Non-Availability

In the event an RC officer becomes unavailable, the provisions in paragraph 2.9 will apply.

4.7 Duration of Authority

An officer affiliation bonus may not be paid to any person after the date on the Duration of Authority table. No payments will be made after the termination date unless the entitlement commenced prior to that date.

5.0 RETENTION BONUS

5.1 General

A retention bonus under DoDI 1304.34 provides a monetary incentive that may be offered by the Military Department to retain adequate numbers of qualified officers.

5.1.1. Specifically, the bonus may be used by the Military Department to obtain the voluntary extension of an officer's service in exchange for an agreement to serve for a specified period in a designated military skill, career field, unit, or grade or to meet some other condition or conditions imposed by the Military Department concerned.

5.1.2. The procedures described in sections 2.0 and 5.0, as well as additional conditions and requirements prescribed by the Secretary concerned, govern the award and administration of the retention bonus.

5.1.3. In order to meet the designated military skill or career field criteria, the Secretary concerned may, with the officer's consent, convert the officer to a designated career field or military skill in which there is a shortage of trained and qualified personnel.

5.1.4. Officers appointed into a Military Service after a period of disenrollment, discharge, or separation who meet the eligibility requirements in paragraphs 2.2 and 5.2 may be eligible for a retention bonus.

5.2 Additional Retention Bonus Eligibility Requirements

In addition to the eligibility requirements in paragraph 2.2, an eligible officer must:

5.2.1. Have completed a minimum of 4 years of active commission service or qualifying service for an RC officer, in accordance with DoDI 1215.07; and

5.2.2. Agree to remain on AD or in an active status for a period of at least 2 years.

5.3 Restrictions

5.3.1. An officer is not eligible for a retention bonus if, at the start of the period of additional obligated service, the officer:

5.3.1.1. Has between 16 and 19 years of active commissioned service or qualifying service, in accordance with DoDI 1215.07 for an RC officer; or

5.3.1.2. Is retirement eligible with more than 22 years of active commissioned service or qualifying service in accordance with DoDI 1215.07.

5.3.2. The service obligation for a retention bonus may not extend an officer's service beyond 25 years of active commissioned service or qualifying service, in accordance with DoDI 1215.07 for an RC officer.

5.3.3. Officers who have transferred their Post-9/11 GI Bill or Montgomery GI Bill-SELRES education benefits to a dependent or spouse in accordance with DoDI 1341.13, are eligible for a retention bonus as specified in DoDI 1304.34. The Secretary concerned will determine if the service obligation for both the retention bonus and GI Bill transfer is served concurrently or consecutively.

5.4 Amount

The Secretary of the Military Department may prorate bonus amounts for retention requests greater than 2 years. The additional service time will be calculated on a monthly basis at a rate equal to 1/12th the annual amount. The maximum retention bonus may not exceed:

5.4.1. \$25,000 for each year of obligated service in a Regular Component; or

5.4.2. \$12,000 for each year of obligated service in an RC.

5.5 Payment Method

The method of payment will be consistent with paragraph 2.5.

5.6 Non-Availability

In the event an RC officer becomes unavailable, the provisions of paragraph 2.9 will apply.

5.7 Duration of Authority

An officer retention bonus may not be paid to any person after the date on the Duration of Authority table. No payments will be made after the termination date unless the entitlement commenced prior to that date.

6.0 TRANSFER BONUSES

6.1 Intra-Service Transfer

The Intra-Service transfer bonus provides a monetary incentive for an officer to transfer from the Regular Component of a Military Service to the Ready Reserve (and vice versa, however mobilization does not constitute an intra-service transfer) of the same Service to meet manning requirements. The Secretaries concerned may pay a bonus to an officer who agrees to transfer from the Regular Component to the Ready Reserve (and vice versa) and agrees to serve for a specified period in a designated military skill, career field, unit, or grade, or to meet other conditions imposed by the Secretary concerned.

6.1.1. The procedures described in section 2.0 and paragraph 6.1, as well as any additional conditions and requirements prescribed by the Secretary of the Military Department concerned, govern the award and administration of the transfer bonus.

6.1.2. All transfers among Military Service components will be conducted in accordance with DoDI 1300.04.

6.1.3. To be eligible for an intra-service transfer bonus, an officer must meet the following additional eligibility requirements:

6.1.3.1. The officer has fulfilled all service obligations satisfactorily within the officer's current Regular Component or RC;

6.1.3.2. The officer meets the qualification criteria for the transfer bonus of the Regular Component or RC of the Military Service to which the officer is transferring;

6.1.3.3. The officer must agree to remain in the component of the Military Service for which the transfer bonus is offered for a minimum of 2 years; and

6.1.3.4. The officer must have fewer than 15 years of active time.

6.1.4. Affiliation and Transfer Bonus

6.1.4.1. The Secretaries concerned may offer an intra-service transfer bonus in conjunction with an affiliation bonus.

6.1.4.2. Officers receiving both bonuses incur an additional 12-month service obligation for a minimum service obligation of 4 years.

6.1.4.3. Table 3-1 lists the intra-service transfers for which the Military Departments may offer a bonus.

6.2 Inter-Service Transfer

The Inter-Service transfer bonus provides a monetary incentive for an officer to transfer to another Military Service to meet manning requirements of that Military Service. The Secretaries concerned may pay a bonus to an officer who agrees to transfer to and serve in another Military Service for a specified period in a designated military skill, career field, unit, or grade or to meet some other condition(s) imposed by the Secretary of the gaining Military Department.

6.2.4.4. Agree to sign a written agreement to remain in the Military Service for which the transfer bonus is offered for a minimum 3-year period; and

6.2.4.5. Have fewer than 15 years of active service time.

6.2.5. Affiliation and Transfer Bonus

6.2.5.1. The Secretary concerned may offer an inter-service transfer bonus in conjunction with an affiliation bonus.

6.2.5.2. Officers receiving both bonuses incur an additional 12-month service obligation for a minimum MSO of 4 years.

6.2.5.3. Table 3-2 lists the inter-service transfers for which a bonus may be offered.

6.3 Restrictions

An officer receiving separation pay in accordance with [10 U.S.C., Chapter 59](#), is not eligible for a transfer bonus.

CHAPTER 5

HEALTH PROFESSIONS OFFICER (HPO) SPECIAL AND INCENTIVE PAY

1.0 GENERAL

1.1 Purpose

The purpose of this chapter is to establish policy pertaining to Health Professions Special and Incentive (HPS&I) Pay.

1.2 Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with, the DoD Instruction (DoDI) 6000.13. Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 PROVISIONS

Each HPS&I pay is in addition to any other pay or allowance to which an HPO is eligible except as specified in sections 3.0 through 8.0.

2.1 Legacy Special Pays

2.1.1. HPOs who entered into a written agreement for receipt of a special pay (Multiyear Special Pay, Incentive Special Pay, or Additional Special Pay) on or before January 27, 2018 will, if otherwise qualified, continue to receive payments until completion of the written agreement. Effective January 28, 2018, all new agreements for special pays will be administered in accordance with paragraph 2.2. The criteria for legacy pays can be found in the archived Chapters 5, 6, 7, and 21.

2.1.2. Subject to acceptance by the Secretary concerned, an HPO who entered into a written agreement in accordance with the legacy special pay authorities may request termination of that agreement to enter into a new agreement with an equal or longer obligation at the annual rate in effect at the time of execution of the new agreement. The new obligated period will not retroactively cover any portion or period that was executed under the old agreement.

2.2 Consolidated Special Pays (CSP)

HPOs may be paid special pay at the rate for the specialty for which they are fully qualified. The specialty or subspecialty must be the same for all pays received. The HPO may only receive Incentive Pay (IP) and a Retention Bonus (RB) for one specialty, even if the HPO holds qualifications in two or more specialties. The IP and RB must be effective on the same date. The eligibility for each HPS&I pay is described in sections 3.0 through 8.0.

2.3 Restrictions

2.3.1. The amount of HPS&I pay is not included in computing the amount of any increase in pay or in computing retired, separation, severance, or readjustment pays.

2.3.2. An HPO may not receive special pays pursuant to paragraphs 2.1 and 2.2 simultaneously. Once an HPO receives a special pay pursuant to paragraph 2.2, the HPO cannot revert back to special pays in paragraph 2.1.

2.3.3. An officer receiving a health profession bonus is not eligible to receive a payment pursuant to [Title 37, United States Code \(U.S.C.\), section 332](#) for the same period of obligated service.

2.3.4. An officer receiving health professions IP is not eligible to receive a payment pursuant to [37 U.S.C. § 353](#) for the same skill and period of service.

2.3.5. An officer receiving BCP is not eligible to receive a payment pursuant to 37 U.S.C. § 353(b) for the same skill and period of service covered by the certification.

2.4 Eligibility

To be eligible to participate in the CSP, an HPO must:

2.4.1. Not have reached the mandatory retirement or removal date due to age or years of service and complete any additional service obligation incurred before the individual's mandatory retirement or removal date, unless granted a waiver;

2.4.2. Have a current, valid, and unrestricted license or approved waiver;

2.4.3. Maintain all licensing, credentialing, and specialty qualifications;

2.4.5.2. The method of payment of the bonus or pay;

2.4.5.3. The period of obligated service for the bonus or pay;

2.4.5.4. Whether the service will be performed on Active Duty (AD) or in active status in a Reserve Component (RC);

2.4.5.5. The type or conditions of the service; and

2.4.5.6. The circumstances that may result in termination of the agreement and repayment of any unearned portion of the bonus or pay if the officer fails to fulfill the conditions of the bonus or pay, to include an unfulfilled service obligation or eligibility requirement.

IP agreements must be for at least 1 year and cannot be prorated. If, during the IP agreement, the HPO becomes eligible for a higher IP, the HPO may terminate and renegotiate at that higher rate, obligating for at least a year from the date of renegotiation.

6.1.2. IP When Participating in an RB Agreement. An HPO who enters into an RB contract may also be eligible for IP for the same specialty at the amount in the HPS&I pay plan. An HPO who elects this option will continue IP eligibility, at the rate in effect at the time the RB agreement is effective, for each active year of the RB contract. Any renegotiation of either the RB or IP will require signing a new RB contract at the annual rate in effect at the time of signature, with an obligation that ends after the obligation of the original agreement.

The new obligation period will not retroactively cover any portion or period that was executed in accordance with the prior contract.

9.0 TERMINATION

9.1 Reasons

The Secretary concerned may terminate, at any time, an HPO special pay agreement. The Secretary concerned will establish regulations that specify the conditions and procedures for termination, and they will be included in the written service agreement for the specific special pay. Reasons for termination may include, but are not necessarily limited to:

9.1.1. Loss of privileges;

9.1.2. Court-martial conviction;

9.1.3. Failure to maintain a current, valid, and unrestricted license or approved waiver; or

9.1.4. Reasons that are in the best interest of the Military Department.

9.2 Proration

If an agreement for one or more special pays is terminated, the HPO will be paid on a pro-rata basis for the portion served until the official date of termination.

9.3 Repayment

An HPO who fails to maintain the eligibility requirements for a special pay, does not complete the obligation period for the pay, or whose pay is terminated by the Secretary concerned, as described in paragraph 8.1, will be subject to the repayment provisions of [37 U.S.C. § 373](#) and Chapter 2. These repayment authorities will be stipulated in the written service agreement.

9.4 Reinstatement

If an HPO's special pay is terminated due to failure to maintain a valid license, the member can become eligible for special pays again. Once the HPO's license is reinstated and eligibility is re-established, the HPO may negotiate new contractual special pay agreements. Regardless of whether the HPO receives special pays, the HPO will be held responsible for the original contracted special pay service obligation until completed or until involuntary separation from military service occurs.

9.5 Duration of Authority

An HPS&I may not be paid to any person for an AB, CSWSAB, BCP, IP, or RB after the date on the [Duration of Authority](#) table. No payments will be made after the termination date unless the person's entitlement to the HPS&I commenced prior to that date.

CHAPTER 8

SPECIAL PAY - SPECIAL DUTY ASSIGNMENT PAY

1.0 GENERAL (0801)

1.1 Purpose (080101)

Special Duty Assignment Pay (SDAP) is awarded to Service members for the performance of duty in an assignment, location, or unit designated, where the assigned duties are determined to be extremely demanding, involving an unusual degree of responsibility or difficulty, or requiring special qualifications.

1.2 Authoritative Guidance (080102)

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), Title 37. Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 SDAP (0802)

2.1 Eligibility (080201)

The Secretaries of the Military Departments concerned will establish eligibility criteria based on Service-specific needs and will consider paygrade, level of responsibility, and the operational nature of the assignment.

2.1.1. Army. See the Department of the Army Memorandum, Corrected 3-Special Duty Assignment Pay Biennial Review and Recertification, dated November 14, 2018.

2.1.2. Navy. See Chief of Naval Operations Instructions ([OPNAVINST 1160.6C](#)).

2.1.3. Air Force and Space Force. See Air Force Instruction ([AFI 36-3012](#)).

2.1.4. Marine Corps. See Marine Corps Order ([MCO 7220.12R](#)).

2.2 Additional Guidelines (080202)

2.2.1. The Secretary of the Military Department may pay a special duty pay to a member of the Active or Reserve Component of the Uniformed Service who is entitled to basic pay under [37 U.S.C. § 204](#), or compensation under [37 U.S.C. § 206](#).

2.2.2. The Secretary concerned may pay SDAP to a Service member who performs duties in an assignment, location, or unit designated, and under the conditions of service specified by the Secretary concerned.

2.2.3. SDAP will be in addition to any other pay or allowances a Service member may be receiving, except where otherwise stated.

2.2.4. Awarding new agreements for assignment and special duty pays under 37 U.S.C., Chapter 5, Subchapter I, was discontinued after October 1, 2017. Existing agreements under 37 U.S.C., Chapter 5, Subchapter I, will remain in effect and payments may continue through the agreed-upon date.

2.3 Restrictions (080203)

2.3.1. A member of a Reserve Component entitled to pay under 37 U.S.C. § 206 and authorized for special duty pay may be paid an amount of SDAP that is proportionate to the compensation received by the member for inactive duty training. The member may be awarded an amount at 1/30th of the prescribed monthly rate of the special duty pay for the performance of each authorized period of inactive duty training with pay.

2.3.2. The Secretary of the Military Department concerned may increase, decrease, or abolish SDAP for any skill or assignment at any time and will establish restrictions and limitations to the pay through Service regulations.

2.3.3. Assignment and special duty pays are not to be continuous in nature and should be for a specified period. However, back-to-back assignment and special duty pays are authorized as long as the Service member continues to meet Service regulations and perform duties in assignments designated for the pay.

2.3.4. A member may receive multiple assignment and special duty pays. However, a Service member may not receive multiple pays for the same purpose and period of service.

2.4 Amount (080204)

2.4.1. Assignment and special duty pays may be paid in monthly, installment, or lump sum amounts, but may not exceed the amount listed in subparagraph 2.4.2. The combination of assignment and special duty pays may not exceed an average monthly amount of \$3,500, unless otherwise authorized by the Assistant Secretary of Defense for Manpower and Reserve Affairs.

2.4.2. The Secretaries of the Military Departments concerned will establish monthly rates, but the maximum amount of SDAP per month will not exceed \$750.

2.5 Repayment (080205)

A member who receives SDAP in accordance with [37 U.S.C. § 352](#), and fails to fulfill the eligibility requirements for receipt of such pay, will be subject to the repayment provisions of [37 U.S.C. § 373](#).

3.0 ENTITLEMENT (0803)

3.1 Service Designations (080301)

3.2.1. Discretionary for Monthly Payments. The Secretary of the Military Department concerned may require a Service member to enter into a written agreement with the Secretary in order to qualify for the payment of assignment pay or special duty pay on a monthly basis. If used, the written agreement will specify the period for which the assignment pay or special duty pay will be paid and the monthly rate.

3.2.2. Non-discretionary for Installment or Lump Sum Payments. The Secretary of the Military Department concerned will require a Service member to enter into a written agreement with the Secretary in order to qualify for installment or lump sum payments of assignment pay or special duty pay. The written agreement will specify the period for which the Service member will receive assignment pay or special duty pay, the amount of each periodic installment or lump sum, and the repayment policy under paragraph 2.5.

4.0 CONDITIONS OF ENTITLEMENT (0804)

4.1 Effect of SDAP on Other Computations (080401)

SDAP is not used in the computation for an enlistment bonus, severance pay, separation pay, or cash settlement of accrued leave.

CHAPTER 9**ACTIVE DUTY ENLISTED MEMBERS ENLISTMENT, REENLISTMENT AND
RETENTION BONUSES**

1.0 GENERAL

1.1 Purpose

This chapter establishes DoD policy guidance pertaining to active duty enlistment, reenlistment, and retention bonuses.

1.2 Authoritative Guidance

The pay policies and requirements established by DoD in this chapter are derived primarily from, and prepared in accordance with Title 37, United States Code (U.S.C.), section 331 ([37 U.S.C. § 331](#)). Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 ENLISTMENT BONUS

2.1 Eligibility

An enlistment bonus is authorized for individuals who enlist in a Military Service for a specific period and, if applicable, for service in a military skill that is experiencing critical personnel shortages as designated by the Secretary of the Military Department concerned. The individual must meet the qualifications listed in subparagraphs 2.1.1 through 2.1.8:

2.1.1. Possess a high school diploma, a completion or attendance certificate in lieu of a high school diploma, or a General Educational Development program certificate;

2.1.2. The individual must be an initial enlistee, who enlists in a Regular Component of the Military Service. An initial enlistee is a person who has either never served or has served, and was released from such service before completing the basic training requirements of the Service of which the person was a member and the service was characterized as either honorable or uncharacterized.

2.1.3. Enlist for at least 2 years or extend an initial period of obligated service to a total of at least 2 years in a Regular Component of a Military Service and serve for a specified period of obligated service in at least one of the following categories:

2.1.3.1. A designated military skill,

2.1.3.2. Career field,

2.1.3.3. Unit,

2.1.3.4. Grade, or

2.1.3.5. Other condition or conditions imposed by the Under Secretary of Defense (Personnel and Readiness) (USD (P&R)) or the Secretary of the Military Department concerned;

2.1.4. Execute a written agreement with the Secretary of the Military Department concerned that specifies the:

2.1.4.1. Amount of the bonus;

2.1.4.2. Method of bonus payment - lump sum amount or periodic installments;

2.1.4.3. Period of obligated service; and

2.1.4.4. Designated military skill or specialty, career field, unit, grade, or such other condition or conditions of service imposed by the Secretary of the Military Department concerned;

2.1.5. Not have previously received an enlistment bonus, a retention bonus, an affiliation bonus, or a transfer bonus for the same period of service;

2.1.6. Not have previously received and not be eligible to receive a [Selective Retention Bonus \(SRB\)](#) under section 3.0 or a [Critical Skill Retention Bonus \(CSRB\)](#) under section 4.0;

2.1.7. Successfully complete training and become technically qualified in a designated skill if completion of such training and technical qualification forms the basis under which the bonus is paid; and

2.1.8. Meet any additional military service specific eligibility criteria and quality standards established by the Secretary of the Military Department concerned.

*2.2 Amount

The Secretary of the Military Department concerned will determine the amount of the enlistment bonus awarded for a designated military skill. The bonus payment for a designated military skill or cumulative amount of enlistment bonuses to any individual is not to exceed [\\$75,000 for a minimum 2-year service obligation](#).

2.3 Computation

The Secretaries of the Military Departments are required to establish rules of computation for enlistment bonuses.

2.4 Method of Payment

2.4.1. The bonus may be paid either in periodic installments or a single lump sum. The timing of the initial payment is at the discretion of the Secretary of the Military Department concerned, except that it must not be paid before the member completes basic recruit training. For individuals enlisted for specialties requiring formal training, the Service concerned may withhold the initial payment until the individual completes the training and qualifies in the military skill, so the bonus serves as an incentive to complete the training needed to qualify in the skill.

2.4.2. If paid in installments, after the initial payment, the remainder of the bonus must be paid in equal periodic installments.

2.5 Repayment

2.5.1. A member, who does not complete the term of enlistment, or extension of enlistment, or who is not technically qualified in the skill for which the bonus was paid, will be subject to the repayment provisions of Chapter 2.

2.5.2. A member, who is discharged 12 months or less before the expiration of enlistment or extension of enlistment [in accordance with 10 U.S.C. § 1171](#) may be considered to have completed the terms of enlistment or extension of enlistment for which the bonus was paid. [For all other early discharges](#), the Military Departments will determine and advise when repayment is not required.

2.6 Duration of Authority

An enlistment bonus may not be paid to any person after the date on the [Duration of Authority](#) table. No payments will be made after the termination date unless the entitlement commenced prior to that date.

*3.0 SRB

3.1 Eligibility

The Secretary of the Military Department concerned may designate a unit, grade, or impose such other condition or conditions of service with respect to the SRB, as determined necessary to mitigate a significant current or projected personnel shortage or changing force structure requirements. An SRB based on unit, grade, or such other condition or conditions of service are subject to USD (P&R) approval. The member must:

3.1.1. Serve in a pay grade E-3 or higher;

3.1.2. Reenlist for a period of at least 3 years or voluntarily extend an enlistment for a period of at least 1 year on active duty;

3.1.3. Execute a written agreement with the Secretary of the Military Department concerned that specifies the:

3.1.3.1. Amount of the bonus;

3.1.3.2. Method of bonus payment - lump sum amount or periodic installments;

3.1.3.3. Period of obligated service; and

3.1.3.4. Designated military skill, career field, unit, or grade, or such other condition or conditions of service imposed by the Secretary of the Military Department concerned;

3.1.4. Agree to serve for a specified period in at least one of the following reenlistment or extension categories:

3.1.4.1. A designated military skill,

3.1.4.2. Career field,

3.1.4.3. Unit,

3.1.4.4. Grade, or

3.1.4.5. Other condition or conditions imposed by the Secretary of the Military Department concerned;

3.1.5. Meet skill qualification prior to payment of the SRB for a member transferring into a designated military skill;

3.1.6. Qualify under any additional eligibility criteria prescribed by the Secretary of the Military Department concerned;

3.1.7. Not be in receipt of an enlistment bonus, a retention bonus, an affiliation bonus, or a transfer bonus for the same period of service; and

3.1.8. In addition to the eligibility requirements in subparagraphs 3.1.1 through 3.1.7 an enlisted service member serving under an indefinite reenlistment must:

3.1.8.1. Be in the pay grade of E-5 or above;

3.1.8.2. Have 10 or more years of military service; and

3.1.8.3. Sign an agreement to remain on active duty for a period of at least 3 years.

3.2 Limitations

3.2.1. A re-entry or reenlistment must occur no later than 3 months (or within a lesser period if so prescribed by the Secretary of the Military Department concerned) after the date of discharge or release from active duty.

3.2.2. Veterans with more than a 3-month but less than a 4-year break in active duty may qualify for a broken service, or a prior service re-entry, SRB program in accordance with regulations prescribed by the Secretary of the Military Department concerned.

3.2.3. Re-enlistees reentering active duty with a break in active duty greater than 24 hours, only the original DoD (DD) Form 214, Certificate of Release or Discharge from Active Duty, (copy 1 or copy 4) or a reproduction of the DD 214, with a certified true-copy stamp and appropriate Federal Government authenticating seal imprinted thereon, is acceptable documentation and identification. The 24-hour period begins on the day following the date of discharge or separation.

3.2.4. Members with prior enlisted service and subsequent service as an officer, who were discharged or released from active duty and who, within 3 months after discharge or release from active duty as an officer, reenlist in the same Regular Component of a Military Service in which they previously served as an enlisted member may be eligible for an SRB. The individual must meet all other requirements established in paragraphs 3.1 and 3.2.

3.2.5. Service members may be eligible for an SRB if they extend their existing service obligation for a minimum of 12 months.

3.2.6. Members who reenlist or voluntarily extend an enlistment to obtain sufficient obligated service to participate in a program leading to commissioned or warrant officer status are not eligible for an SRB.

3.2.7. A member is not eligible for an SRB if the member was discharged or released from active duty or service in an active status based upon a determination of misconduct, substandard duty performance, or moral or professional dereliction.

3.2.8. An SRB may be paid to an enlisted member up to 28 years of active duty or service. The Deputy Assistant Secretary of Defense for Military Personnel Policy may waive this restriction based upon a request and justification submitted by the Secretary of the Military Department concerned.

3.2.9. Generally, a member may not use any preexisting period of obligated service to satisfy an obligated service requirement under an SRB agreement, unless such service is determined by the Secretary of the Military Department concerned to be consistent with the requirements of [37 U.S.C. § 371](#); and

3.2.9.1. Such preexisting period of obligated service is necessary for the member to qualify for continuous submarine duty incentive pay and is service for which no bonus was previously authorized or payable; or

3.2.9.2. Such preexisting period of obligated service includes no more than a 2-year period of an unserved voluntary extension of enlistment for which no bonus was previously authorized or payable, and the member agrees to an additional 2-year period of obligated service in connection with the SRB.

3.3 Amount

The SRB may not exceed **\$30,000** for each year of obligated service in a Regular Component. The maximum amount for an SRB is **\$180,000**.

3.3.1. The Secretary of the Military Department concerned must determine the amount of the SRB based on a business case model that targets the retention of adequate levels of enlisted personnel in a reenlistment or extension category.

3.3.2. Members may receive more than one SRB for a career, but the total combined SRB payments over a career must not exceed **\$360,000**.

3.3.3. SRB amounts may be prorated for extension requests greater than one year and reenlistments greater than 3 years. The additional service time will be calculated on a monthly basis at a rate equal to 1/12th the annual amount.

3.4 Computation

The Secretaries of the Military Departments are required to establish and publish the rules for computing the SRB.

3.5 Method of Payment

The bonus may be paid either in periodic installments or a single lump sum. If the Secretary of the Military Department concerned elects to pay SRBs in installments:

3.5.1. The installment amount will be at the discretion of the Secretary of the Military Department concerned, and may be paid at the time of reenlistment, or at the beginning of the member's service commitment for the voluntary extension of enlistment. All payments must be made before the member completes a total of **28** years of service.

3.5.2. An initial installment to a member who reenlists after a break in active duty service greater than 24 hours is to be made no earlier than 30 days after arrival at the first permanent duty station following reenlistment.

3.5.3. Where there is lost time, the subsequent installment payments will be delayed by the number of days of lost time.

3.5.4. Discharge for the purpose of immediate reenlistment does not affect a member's entitlement to subsequent SRB installment payments.

3.6 Additional Obligated Service

Additional obligated service is defined as any active service commitment beyond an existing contractual service agreement. Existing contractual service agreements include enlistments, extensions of enlistment, and reenlistments.

3.7 Changes and Termination of Awards

3.7.1. The Military Departments will notify USD (P&R) of any changes to a Military Department's SRB guidance under the enlisted bonus program. The Secretary of the Military Department concerned will issue an announcement that fully describes the change along with an effective date. The amount of the SRB offered after the date of such change may not exceed that authorized under 37 U.S.C. § 331(c).

3.7.2. Members agreeing to retrain and reenlist for a different specialty may be paid a bonus in the amount offered at the time of the agreement or upon completion of the training, whichever is greater. If after completion of the training a bonus is no longer offered for the skill, the bonus amount at the time of the agreement will be awarded to the Service member.

3.8 Repayment

3.8.1. A member, who does not complete the term of reenlistment, or extension of reenlistment, or who is not technically qualified in the skill for which the bonus was paid, will be subject to the repayment provisions of Chapter 2.

3.8.2. A member, who is discharged 12 months or less before the expiration of enlistment or extension of enlistment in accordance with 10 U.S.C. § 1171 may be considered to have completed the terms of enlistment or extension of enlistment for which the bonus was paid. For all other early discharges, the Military Departments will determine and advise when repayment is not required.

3.9 Duration of Authority

An SRB may not be paid to any person after the date on the Duration of Authority table. No payments will be made after the termination date unless the entitlement commenced prior to that date.

4.0 CSRB

4.1 Eligibility

An enlisted member of the Armed Forces, who is serving on active duty in a Regular Component and is qualified in a critical military skill designated by the Secretary of Defense, may

be paid a retention bonus as provided in this section, if the member is not serving on an indefinite enlistment and reenlists or voluntarily extends the enlistment for at least 1 year.

4.2 Limitations

4.2.1. A retention bonus may not be given under paragraph 4.1 to a member of the Armed Forces who has completed more than 25 years of active duty or who will complete the 25th year before the end of the period of active duty or active status for which the bonus is offered. This limitation does not apply with respect to a member who is qualified in a skill related to special operations forces.

4.2.2. The USD (P&R) or the Principal Deputy, USD (PDUSD) (P&R) may waive the 25-year service limitation on eligibility with respect to a member who, during a period of active duty or service in an active status in a Reserve Component for which the bonus is being offered, is assigned duties in a skill designated as critical.

4.2.3. CSRB payments may not be made before the start of the active duty service period for which the CSRB is being awarded, unless specifically authorized by the PDUSD (P&R).

4.3 Amount

4.3.1. A member may enter into an agreement, reenlist, or voluntarily extend enlistment more than once in order to receive a bonus under this section. However, a member may not receive a total of more than \$200,000 in payments under this section.

4.3.2. A CSRB amount may not exceed \$30,000, **annually** unless PDUSD (P&R) has granted an exception.

NOTE: The combined total of CSRB and **Selective Reenlistment Bonus**, in accordance with, DoD Directive (DoDD) 1304.21, during an individual's career, shall not exceed \$200,000, unless the PDUSD (P&R) authorizes it for the skill concerned as an exception to policy.

4.4 Method of Payment

A bonus under this section may be paid in a single lump sum or periodic installments.

4.5 Repayment

4.5.1. A member, who does not complete the term of retention bonus or who is not technically qualified in the skill for which the bonus was paid, will be subject to the repayment provisions of Chapter 2.

4.5.2. A member, who is discharged 12 months or less before the expiration of enlistment or extension of enlistment **in accordance with** 10 U.S.C. § 1171 may be considered to have completed the terms of enlistment or extension of enlistment for which the bonus was paid. **For**

all other early discharges, the Military Departments will determine and advise when repayment is not required.

4.6 Duration of Authority

CHAPTER 10

SPECIAL PAY - DUTY SUBJECT TO HOSTILE FIRE OR IMMINENT DANGER

1.0 GENERAL

1.1 Purpose

This chapter establishes DoD policy for payment of Hostile Fire Pay (HFP) and Imminent Danger Pay (IDP) and lists the areas where members are authorized to receive these entitlements.

1.2 Authoritative Guidance

The HFP and IDP policies and requirements established by DoD in this chapter are derived primarily from, and prepared in accordance with Title 37, United States Code, section 351 ([37 U.S.C. § 351](#)). Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 ENTITLEMENT PROVISIONS

*2.1 Policy

A member may be paid special pay for duty subject to hostile fire or imminent danger for any month when the member, while entitled to basic pay for active duty or compensation for inactive duty, also meets the qualifying criteria of this chapter. A member is not authorized to receive concurrent payments for hostile fire and imminent danger duty.

2.1.1. **HFP.** This entitlement is paid at the rate of \$225 per month when, as certified by the appropriate commander, a member **is subjected to hostile fire, explosion of a hostile mines, or other hostile action (a hostile fire event) and who:**

2.1.1.1. **Performs duty in a hostile fire area;**

2.1.1.2. **Is exposed to a hostile fire event;**

2.1.1.3. **Is on duty during a month in an area in which a hostile event occurred that placed the member in grave danger of physical injury; or**

2.1.1.4. **Is killed, injured, or wounded by a hostile fire event.**

2.1.2. **IDP.** This entitlement is paid on a daily prorated basis, not to exceed \$225 per month, when a member is on official duty in a designated IDP area. IDP may be paid to a service member who is subject to the threat of physical harm or imminent danger on the basis of civil insurrection, civil war, terrorism, or wartime conditions in a designated foreign area. See [Table 10-1](#), or for the most current listings [Imminent Danger Pay](#) table on DFAS.MIL.

2.2 Payment

IDP is payable on a prorated daily basis not to exceed a monthly rate of \$225. It is payable in addition to all other pays or allowances, except when receiving HFP, as stated in paragraph 2.1. The proration does not apply to the 31st of a month for Active and Reserve component members who are on active duty for 30 days or more. HFP will not be prorated. Members will receive the maximum monthly rate of special pay for the month in which the hostile fire or hostile fire mine explosion event occurred. Payment will be made for the full month, if a member is exposed to hostile fire or a hostile mine explosion on the 31st day of a month, and the member has not already received credit for the full monthly allowance. The following examples for payment on the 31st are provided:

Example 1: A member on active duty for more than 30 days in an IDP area for the period March 31 through April 29 will receive IDP only for the period April 1 through 29.

Example 2: A member on active duty for more than 30 days in an IDP area for the period March 31 through April 29, and **who** is exposed to hostile fire or a hostile mine explosion on March 31, will be entitled to HFP for the entire month of March and IDP for the period April 1 through 29.

Example 3: A member on active duty for less than 30 days in an IDP area for the period March 29 through April 20 will be entitled to IDP for the period March 29 through 31 and April 1 through 20 for a total of 23 days.

Example 4: A member on active duty for less than 30 days in an IDP area for the period March 29 through April 20, and **who** is exposed to hostile fire or a hostile mine explosion on March 31, will be entitled to the full monthly amount of HFP of \$225 for the month of March, and daily IDP for the period April 1 through 20.

3.0 DETERMINATIONS OF FACT

*3.1 Eligibility - HFP

The appropriate commander will certify that the member has met the requirements for entitlement to HFP for a given month. **A death certificate or injury report may be substituted in place of the certification, if the document establishes the cause of the death or injury was due to hostile fire or an explosion of a hostile fire event.**

3.1.1. Certification of entitlement will be made at the lowest level of command that includes all the vessels, aircraft, or units subjected to the hostile fire or explosion of hostile mine incident. For example, in the case of a single vessel subjected to hostile fire or explosion of hostile mines, the vessel's commanding officer should certify payment eligibility for all members on board. If two or more vessels are involved, then the commanding officer of the unit that includes all of the vessels should certify eligibility.

3.1.2. Certification will include the name and appropriate payroll identification number of each member entitled to the HFP, a short description of the incident, and when and where it occurred. The certification should be forwarded directly to the servicing financial support office, via the geographic Combatant Commander exercising operational control over the Service member(s) at the time of the hostile fire event.

*3.2 Eligibility – IDP

3.2.1. When the airspace is specifically included in an IDP area designation, members who perform official duty while flying over the area are eligible for IDP, even if they do not land in the area. When airspace is not specifically designated, members who perform duty over the area are not entitled to IDP unless they land in the area.

3.2.2. A member who performs duty on a vessel performing operational duty while in an area designated for IDP is eligible for IDP payments.

3.2.3. A member is not considered to be on official duty in a designated IDP area, and therefore, is not eligible for IDP pay, if the member is in the area:

3.2.3.1. While on leave from a duty station outside the IDP area, even if the outside location is another IDP area;

3.2.3.2. While merely transiting (as distinguished from performing official duty) by any means (including vessel, aircraft, and land conveyance) **through** the IDP area as a consequence of traveling between two points, both outside the IDP area; or

3.2.3.3. Solely for personal convenience.

3.3 Administration

Any determinations of fact made by commanders in the certification of hostile fire are conclusive. Such determinations are not subject to review by any officer or agency of the government, unless there has been fraud or gross negligence. Such determinations, however, may be changed on the basis of new evidence or for other good cause.

4.0 SPECIAL SITUATIONS

4.1 Member Captured or Missing

A member entitled to HFP and/or IDP immediately before entering a status of missing, missing-in-action, interned in a foreign country or captured by a hostile force will continue to be credited with HFP and/or IDP for each month while in such a status. See Chapter 34 for additional information.

*4.2 Hospitalization

A member entitled to HFP and/or IDP who in the line of duty incurs a wound, injury or illness while serving in a combat operation or a combat zone; while serving in a hostile fire area; or while exposed to a hostile fire event (regardless of location), and who is hospitalized for the treatment of such a wound, injury, or illness, may continue to receive HFP and/or IDP. Members may be paid HFP and/or IDP for up to 12 months from the date of hospitalization under the Pay and Allowance Continuation (PAC) Program. See Chapter 13 for PAC entitlement eligibility.

4.3 Absences

The following examples are provided for absences from the IDP area:

4.3.1. A member who takes leave in the IDP designated area that the member is assigned for duty remains entitled to the payment of IDP.

4.3.2. A member who takes leave in an IDP area that the member is not assigned for duty is not eligible for the payment of IDP. See subparagraph 3.1.6.1.

4.3.3. A member who takes leave in an area not designated as an IDP area is not eligible for the payment of IDP for the period of the absence.

4.3.4. A member assigned for duty in an IDP area who performs temporary duty in an area not designated as an IDP area is not eligible for the payment of IDP for the period of absence.

*5.0 Duration of Authority

HFP or IDP may not be paid to any person after the date on the through date in Table 10-1. No payments will be made after the termination date unless the person's entitlement to the HFP or IDP commenced prior to that date.

NOTES:

1. The designation of a land area encompasses all internal waters, unless otherwise noted. For HFP and/or IDP purposes, the term “internal waters” is defined as waters landward of the baseline, drawn in accordance with international law.
2. The designation of a water area (such as the Persian Gulf) includes the territorial seas of those waters, but not the internal waters of the coastal lands. For example, all waters of the Persian Gulf seaward of the baseline of the coastal states, drawn in accordance with international law, would be included in the Persian Gulf designation.
3. Unless otherwise specifically indicated, airspace is NOT part of the included area. When airspace is specifically included, it will normally be that space directly vertically above the approved land or sea area.
4. This [table](#) reflects all designated areas, which were active within the last six years.
5. Limited to Service members performing duties within the Joint Task Force Guantanamo Bay Detention Facilities.
6. Land area within a 20-km radius from the center of Athens (38° 01' N, 23° 44' E).
7. Water area of the Mediterranean Sea extending from the North African Coast northward into Mediterranean Sea, bounded on the east at: 26° 00' E longitude; extending north to: 34° 35' N latitude; and extending west to: the East Coast of Tunisia.
8. Water area of the Somalia Basin with coordinates:
 - 11°10'N-51°15'E;
 - 06°00'N-48°30'E;
 - 05°00'N-50°30'E;
 - 11°30'N-53°34'E;

 - 03°00'S-43°00'E;
 - 01°00'S-41°00'E; and

9. Excluding Izmir and the Turkish Straits (i.e., the Dardanelles; the Sea of Marmara; and the Bosphorus Straits).
10. Airspace: south of 37°45'N; and east of 43°00'E.

3.5.1. Service members temporarily unable to perform diving duty due to a physical or medical condition, not the result of the member's own misconduct, may continue to receive MDSIP for up to 6 months. After 6 months, MDSIP will be terminated and may not be reinstated until the condition resulting in the physical or medical restriction is corrected and the member is again certified for diving duty by a competent Medical Officer.

CHAPTER 13

ILLNESS OR INJURY PAYMENT PROGRAMS

1.0 GENERAL

1.1 Purpose

This chapter describes the payment programs authorized for military personnel, who, while serving in the line of duty, are either injured, wounded, or became ill, or who have a permanent catastrophic injury or illness and require a caregiver.

1.2 Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), Title 37. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 PAY AND ALLOWANCE CONTINUATION (PAC) PROGRAM

2.1 General

Effective May 15, 2008, the Secretary of Defense authorized the PAC Program for Service members of the Regular or Reserve Components (RC) pursuant to [37 U.S.C. § 372](#).

2.2 Eligibility

2.2.1. Service members must have been wounded, ill, or injured in a combat zone, a hostile fire area, or while exposed to a hostile fire event, and hospitalized, as defined in subparagraph 2.3.2 for treatment of such wound, injury, or illness.

2.2.2. Service members who are assigned to a medical or patient unit based on orders that confirm the assignment and who are determined as not fully fit to perform full military duties are eligible.

2.3 Entitlement

2.3.1. Service members of the Regular or RC who incur a wound, injury, or illness in the line of duty while serving in a combat operation or a combat zone, while serving in a hostile fire area, or while exposed to a hostile fire event (regardless of location), and are hospitalized for treatment of the wound, injury, or illness, will continue to receive the pay and allowances the member was receiving at the time of hospitalization. These pay and allowances include special and incentive pays, bonuses, and the daily incidental expense portion of the temporary duty allowance authorized for members deployed in a combat operation or combat zone.

2.3.2. Circumstances Involving Hospitalization:

2.3.2.1. The member, at the time of evacuation, will be considered “first hospitalized for treatment” for the purposes of determining PAC eligibility.

2.3.2.2. After first hospitalization for treatment, a Service member may remain eligible for PAC during follow-on outpatient treatment and/or rehabilitation until triggering one of the three terminating reasons listed in paragraph 2.5.

2.3.2.3. The member may be authorized PAC beginning on the first day of the month following the date they were first hospitalized, and it may continue for up to 12 subsequent consecutive months.

2.3.3. For purposes of Hardship Duty Pay – Location (HDP-L), Service members serving on a temporary deployment, or attached duty of more than 30 days in a designated hardship duty location, and who are wounded, injured, or become ill within the first 30 days of serving in the designated area, will be considered eligible for HDP-L at the time the wound, injury or illness is incurred.

2.4 Commencement of Payment

Continuation of pay and allowances under the PAC Program begins on May 15, 2008, or the date of the member’s eligibility, whichever occurs later. Begin PAC payment on the first month after hospitalization.

Example: If a member was medically evacuated from Iraq to Germany in July, August is the “first month” of PAC.

2.5 Termination of Entitlement

The pay and allowances for Service members that meet the PAC Program eligibility requirements will continue until the end of the first month beginning after the earliest of the following dates:

2.5.1. The date on which the Service member is returned for assignment to other than a medical or patient unit for duty (Note: The return to assignment is based on a determination that the member is fully fit to perform full military duties.);

2.5.2. The date on which the Service member is discharged, separated, or retired (including temporary disability retirement) from the Uniformed Services; or

2.5.3. One year after the date on which the Service member is first hospitalized for the treatment of the wound, injury, or illness. The Principal Deputy Under Secretary of Defense (USD) for Personnel and Readiness (P&R) may extend the termination date in 6-month increments under extraordinary circumstances.

3.0 SPECIAL COMPENSATION FOR ASSISTANCE WITH ACTIVITIES OF DAILY LIVING (SCAADL)

3.1 General

The provisions of the SCAADL Program apply only to those Service members with qualifying injuries or illnesses incurred on or after August 31, 2011. The Secretary concerned may pay special compensation to eligible Service members of the Active or RC who have incurred or aggravated a permanent catastrophic illness or injury in the line of duty, and require a caregiver who provides non-medical care, support, and assistance to the member. The DoD Instruction [\(DoDI\) 1341.12](#), “Special Compensation for Assistance with Activities of Daily Living Program,” dated October 31, 2019, contains detailed instructions and procedures for initiating the SCAADL entitlement.

3.2 Eligibility

3.2.1. In order to receive the SCAADL compensation, the Service member must:

3.2.1.1. Have a determination made, by a licensed DoD physician or a Veterans Affairs (VA)-licensed physician, that the member has a permanent catastrophic injury and needs assistance from another person to perform the personal functions required by everyday living;

3.2.1.2. Have a determination made, by a DoD or a VA-licensed physician, that the member requires hospitalization, nursing home care, or other residential institutional care in the absence of such assistance;

3.2.1.3. Be an outpatient and have identified a designated primary caregiver. The designated primary caregiver:

3.2.1.3.1. May be a Service member assigned to a RC and not serving on active duty. If the Service member designates a member of a RC as their primary caregiver, an alternate caregiver must also be designated. Members of the Active Component and RC assigned to active duty will not serve as designated primary caregivers;

3.2.1.3.2. Must not be receiving the VA Program of Comprehensive Assistance Caregivers stipend, or VA Aid and Attendance compensation, in accordance with subparagraphs 3.3.2.2 and 3.3.2.3;

3.2.1.3.3. May still be eligible to receive the respite benefit if they are qualified in accordance with TRICARE Operations Manual [\(TOM\) 6010.56-M](#); and

3.2.1.3.4. Must be at least 18 years of age. The exception to this requirement is if the Service member’s spouse is under 18 years of age, he or she may be the primary or alternate caregiver;

3.2.1.4. Be an outpatient and not receiving federally funded in-home services (other than respite care), including TRICARE, to assist with activities of daily living (ADL) or provide supervision to avoid harm to self or others.

3.2.2. Service member receiving other home health services in accordance with TOM 6010.56-M remain eligible to receive SCAADL compensation, except as described in paragraph 3.3.

3.3 Restrictions

3.3.1. SCAADL is not paid to a Service member:

3.3.1.1. If any other federal agency is providing outpatient or in-home services to assist the member with ADL or provide supervision to avoid the Service member from harming themselves or others;

3.3.1.2. If the Service member receives special monthly compensation from the VA in accordance with [38 U.S.C. § 1114\(r\)\(2\)](#);

3.3.1.3. If the Service member's primary caregiver receives a monthly caregiver stipend from the VA's Comprehensive Assistance for Family Caregivers Program;

3.3.1.4. If the Service member qualifies for and accepts in-home assistance with ADL, supervisory, or protection needs paid with supplemental health care program funds and provided by a TRICARE-authorized home health agency;

3.3.1.5. If the Service member enters hospice care. In accordance with TRICARE [Reimbursement Manual 6010.61-M](#), TRICARE will cover hospice care for those members. However, Service members in hospice care for the management of medication still qualify for the SCAADL Program; or

3.3.1.6. On the last day of the month during which a 90-day period ends after the Service member begins separation or retirement, even though the member has not begun to receive compensation pursuant to 38 U.S.C. § 1114(r)(2) before the end of such period.

3.3.2. Service member will be removed from the SCAADL Program:

3.3.2.1. If the Service member is returned to duty through rehabilitation, or is found fit by a Service physical evaluation board, or otherwise returned to duty status as unfit, but retained on active duty. The Service member will be removed from the SCAADL program in accordance with the Military Department's regulations. Termination effective date will be the last day of the month the Service member is no longer eligible under this provision; or

3.3.2.2. Pursuant to [37 U.S.C. § 373](#), Service members no longer satisfying SCAADL eligibility requirements will repay any SCAADL allowances received after the member is returned to duty or removed from the SCAADL program, except when:

3.3.2.2.1. The Secretary of the Military Departments concerned determines that the imposition of the repayment with regard to a Service member would be contrary to a personnel policy or management objective, would be against equity and good conscience, or would be contrary to the best interest of the United States;

3.3.2.2.2. The Service member dies or is retired or separated with a combat-related disability; or

3.3.2.2.3. The Service member receives sole survivorship discharge.

3.3.3. Service members or their designated representatives may appeal disapproval to receive SCAADL in accordance with respective Military Service appeal guidelines.

3.3.4. Qualifying payments to Service members, who receive SCAADL, in accordance with paragraph 130203, will terminate as detailed in subparagraph 3.5.3.

3.3.5. Service members must complete a re-evaluation and recertification every 180-calendar days of eligibility for the SCAADL benefit.

3.3.6. Service members in receipt of SCAADL will recertify compensation upon a change in clinical status or geographical location.

3.3.7. All Service members hospitalized for 16 cumulative days or more of a month will be required to recertify upon release from the hospital.

3.4 Monthly Compensation

An online [SCAADL Calculator](#) is available to compute the approximate monthly SCAADL compensation. The military services will use the DoD [\(DD\) Form 2948](#), "Application for Special Compensation for Assistance with Activities of Daily Living (SCAADL) Eligibility," to document the Service member's eligibility for SCAADL. The following guidelines apply:

3.4.1. Monthly compensation is computed based on the Bureau of Labor Statistics (BLS) wage rate for a home health aide, using the 75th percentile of the hourly wage rate in the Service member's geographic area of residence. The BLS wage rates are updated annually and published effective January of each year. The amount of monthly compensation is calculated using the zip code of the geographic location where the Service member currently resides and the Service member's dependence level.

3.4.2. A three-tier system recognizing the variation in complexity of care required by the Service member and provided by the caregiver determines the monthly compensation. The member's Primary Care Manager (PCM) will assess the Service member's dependency level and assign a point value corresponding to the number of hours of care the member requires each week.

3.4.2.1. High Tier. It is presumed that a Service member who scores 21 or higher will require at least 40 hours per week of caregiver assistance.

3.4.2.2. Medium Tier. It is presumed that a Service member who scores 13-20 will require at least 25 hours per week of caregiver assistance.

3.4.2.3. Low Tier. It is presumed that a Service member who scores 1-12 will require at least 10 hours per week of caregiver assistance.

3.4.3. Service members or their designated representatives may appeal a PCM's determination of dependency level to their Service headquarters. The dependency level may also change if the Service member's condition changes and a reevaluation of the member's level of dependency is conducted.

3.5 Payment Period

The following guidelines apply to the period that the SCAADL entitlement may be paid:

3.5.1. Service members become eligible for the SCAADL entitlement on the date a licensed DoD or VA physician certifies that the member meets the eligibility criteria. If the certification is not on the first of the month, and the entitlement is continuous for more than 1 month, the first month will be prorated based on a 30-day month computation. The 31st day of the first month will be excluded.

3.5.2. Service members entitled to SCAADL for a continuous period of less than 1 month will receive payment for the actual number of days at the rate of 1/30th of the monthly amount. The 31st day of a calendar month may not be excluded from this computation.

3.5.3. SCAADL entitlement stops on:

3.5.3.1. The last day of the month in which a 90-day period ends after the date the Service member separates or retires. (For example, March 15 (separation date) plus 90 days equals June 13 (last day of entitlement is June 30));

3.5.3.2. The last day of the month during which a Service member dies (See Note);

3.5.3.3. The last day of the month a physician determines that a Service member no longer meets the eligibility requirements for SCAADL; or

3.5.3.4. The last day of the month preceding the month during which the Service member begins receiving aid and attendance from the VA under 38 U.S.C. § 1114(r)(2), or the Service member's primary caregiver begins receiving a monthly caregiver stipend from the VA under [38 U.S.C. § 1720G](#).

Note: This last SCAADL payment should be paid to the beneficiary in the unpaid pay and allowances described in Chapter 36, section 3.0.

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), including Titles 10 and 37. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 SPECIAL PAY OR BONUS

2.1 Eligibility

Members of the Armed Forces may be entitled to a special pay or bonus if they:

2.1.1. Are entitled to basic pay;

2.1.2. Have a specialty that is designated by the Secretary of the Military Department concerned for the purposes of this entitlement;

2.1.3. Have completed a tour of duty (as defined in accordance with regulations prescribed by the Secretary concerned) at a location outside the Continental United States (CONUS) that is designated by the Secretary of the Military Department concerned for the purposes of this entitlement; and

2.1.4. Have completed that tour of duty and then execute an agreement to extend that tour for a period of not less than 1 year.

2.2 Amount

When the Secretary of the Military Department concerned accepts the member's agreement to extend the tour of duty, the member becomes entitled, subject to the restrictions identified in paragraph 2.5, to receive one of the following benefits:

2.2.1. Special pay in monthly installments in an amount prescribed by the Secretary, but not to exceed \$80 per month; or

2.2.2. An annual bonus in an amount prescribed by the Secretary, but not to exceed \$2,000 per year. The Secretary may pay a bonus in either a lump sum or monthly installments.

2.3 Selection

Not later than the date the Secretary of the Military Department concerned accepts the agreement described in subparagraph 2.1.4 providing for the extension of a member's tour of duty, the Secretary of the Military Department concerned will notify the member regarding whether the member will receive special pay or bonus. The payment rate for the special pay or bonus will be fixed at the time of the agreement and may not be changed during the period of the extended tour of duty.

2.4 Repayment

A member who, having entered into a written agreement to extend a tour of duty described in subparagraph 2.1.4, and who receives a bonus payment but does not complete the obligated service in accordance with the agreement will be subject to the repayment provisions of Chapter 2.

2.5 Restriction

A member, who elects to receive one of the benefits specified in section 3.0 as part of the extension of a tour of duty, is not entitled to the special pay or bonus authorized in this section for the period of extension of duty for which the benefit is provided.

3.0 SPECIAL REST AND RECUPERATIVE (SR&R) ABSENCE

3.1 Eligibility

A member who meets the eligibility requirements defined in paragraph 2.1 may in lieu of receiving the special pay or bonus, elect to receive one of the entitlements described in paragraph 3.2.

3.2 Entitlement

A member may elect, in lieu of a special pay or bonus, either:

3.2.1. A period of SR&R absence for not more than 30 days; or

3.2.2. A period of SR&R absence for not more than 15 days for members whose qualifying tour of duty is 12 months or less, and round-trip transportation at Government expense from the location of the extended tour of duty to the nearest port in the 48 contiguous States and return, or to an alternative destination and return at a cost not to exceed the cost of round-trip transportation from the location of the extended tour of duty to such nearest port; or

3.2.3. A period of SR&R absence for not more than 20 days for members whose qualifying tour of duty is longer than 12 months, and round-trip transportation at Government expense from the location of the extended tour of duty to the nearest port in the 48 contiguous States and return, or to an alternative destination and return at a cost not to exceed the cost of round-trip transportation from the location of the extended tour of duty to such nearest port.

NOTE: The provisions of SR&R are not effective unless the Secretary concerned determines that the application will not adversely affect combat or unit readiness.

3.3 Travel Time

Travel time from the CONUS port, or alternate destination, to the SR&R absence point, and return is included in the 15-day or 20-day SR&R absence. This period will begin the day after the member arrives at the aerial port of debarkation and continue until the day before the member returns to the designated port. The non-chargeable leave period will continue until the day before the date of return to the designated port. Travel time to or from the CONUS port, or alternate destination, and overseas location is non-chargeable and not included in the 15-day or 20-day SR&R.

3.4 Limitations

CHAPTER 15

SPECIAL PAY – ASSIGNMENT INCENTIVE PAY (AIP)

1.0 GENERAL (1501)

1.1 Purpose (150101)

This chapter prescribes guidance applicable to the payment of AIP.

1.2 Authoritative Guidance (150102)

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), including Titles 10 and 37. Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 DoD AIP CRITERIA (1502)

2.1 Entitlement (150201)

The DoD may give AIP to eligible Active/Regular and Reserve Component (RC) Service members in accordance with [37 U.S.C. § 352](#), the DoD Instruction (DoDI) 1340.26, “Assignment and Special Duty Pays,” and regulations published by the Secretary of the Military Department concerned. The ability of the Secretary of the Military Department concerned to enter into a new agreement with a Service member for AIP is subject to the extension of such authority under 37 U.S.C. § 352.

2.2 Eligibility (150202)

The Secretary of the Military Department concerned may pay AIP to a member of an Active/Regular or RC who is entitled to basic pay under [37 U.S.C. § 204](#), or compensation under [37 U.S.C. § 206](#). The Secretaries of Military Departments will establish eligibility criteria based on Service-specific needs. Personnel shortages and the ability of a unit to meet mission requirements should be given primary consideration.

2.3 Written Agreement (150203)

2.3.1. Discretionary for Monthly Payments. The Secretary concerned may require a Service member to enter into a written agreement with the Secretary in order to qualify for the AIP payment on a monthly basis. If used, the agreement will specify the period for which the AIP will be paid and the monthly rate of the AIP.

2.3.2. Non-discretionary for Installment or Lump Sum Payments. The Secretary concerned will require a Service member to enter into a written agreement with the Secretary in order to qualify for installment or lump sum payments of AIP. The written agreement will specify the period for which the Service member will receive AIP, the amount of each periodic installment or lump sum, and the repayment policy cited in [37 U.S.C. § 373](#).

2.4 Payment (150204)

AIP, paid under this section, is in addition to any other pay or allowance to which the Service member is entitled, except where otherwise stated in DoDI 1340.26 and 37 U.S.C.

2.5 Limitations and Restrictions (150205)

The following limitations and restrictions, which affect the entitlement to AIP, apply to all programs listed in this chapter.

2.5.1. The Secretary of the Military Department concerned may increase, decrease, or abolish AIP for any assignment, location, or unit at any time and will establish restrictions and limitations to the pay through Military Service regulations. Payment of AIP in combination with other special duty pays may not exceed an average monthly amount of \$3,500 unless authorized by the Assistant Secretary of Defense (ASD) for Manpower and Reserve Affairs (M&RA).

2.5.2. AIP agreements, awarded under [37 U.S.C., Chapter 5, Subchapter 1](#), are discontinued as of October 1, 2017. Agreements awarded under 37 U.S.C., Chapter 5, Subchapter 1 prior to October 1, 2017, will remain in effect and payments may continue through the agreed-upon date.

2.5.3. A member is not entitled to AIP during a period of terminal leave which ends upon discharge or release of the member from Active Duty (AD).

2.5.4. Service members are not authorized to receive more than one AIP simultaneously for the same period of service. If a Service member is eligible for more than one AIP, the higher dollar value AIP will be paid.

2.5.5. RC members are not authorized AIP for assignments at their permanent duty station.

2.5.6. The Secretary of the Military Department concerned will establish payment levels to be either monthly payments, installments, or a lump sum amount not to exceed a maximum monthly average of \$1,500.

2.6 Special Provisions (150206)

The service of a member in a designated assignment will be considered continuous in any period of temporary absence during which the member is performing temporary duty pursuant to orders or on authorized leave other than transition leave.

8.3.2.7.1. One day of administrative absence per month in excess of 12 months during the qualifying period;

8.3.2.7.2. Two days of administrative absence per month in excess of 18 months during the qualifying period; or

8.3.2.7.3. Four days of administrative absence per month in excess of 24 months during the qualifying period.

8.3.2.8. The Secretary concerned may develop supplementary tables, including other non-monetary recognition programs, delivering comparable or greater benefits to members meeting the frequency thresholds at subparagraph 8.3.1.

8.3.2.9. RC members must be on AD during the days they take their earned PDMRA days.

8.3.3. Payment.

8.3.3.1. Under current law, RC members who are also federal, state, or local government civilian employees are not permitted to receive their civilian pay on the same days they are serving on AD. Affected members may elect to receive AIP at \$200 for each day of absence that otherwise would have been authorized, not to exceed \$1,500 monthly, in lieu of being awarded administrative absence days.

8.3.3.2. There is no option to cash in administrative absence days already earned. The AIP election must be made by the affected RC member prior to the days being earned.

8.4 Qualifying Deployments and Mobilizations on or After October 1, 2011 (150804)

The following is program guidance for qualifying deployments and mobilizations on or after October 1, 2011, including that portion of an ongoing deployment or mobilization that occurs on or after October 1, 2011.

8.4.1. Deployment and Mobilization Frequency Requirements and/or Thresholds.

8.4.1.1. AC members, who on the first day of their current deployment, had deployed in excess of 12 months out of the previous 36 months, and who meet the other eligibility criteria contained in this section, qualify for PDMRA days.

8.4.1.2. RC members, who on the first day of their current qualifying mobilization, had been mobilized pursuant to 10 U.S.C. §§ 12301(a), 12302, or 12304 in excess of 12 months out of the previous 72 months, and who meet the other eligibility criteria contained in this section, qualify for PDMRA days. The 12-month qualifying period may include service pursuant to section 10 U.S.C. § 12301(d) when designated by the Secretary concerned.

8.4.1.3. The Secretary concerned may utilize the deployment-to-dwell ratio of 1:2 for AC members or mobilization-to-dwell ratio of 1:5 for RC members as the qualifying threshold for providing PDMRA benefits, as opposed to the requirements contained in subparagraphs 8.3.1 and 8.3.2.

8.4.2. Two Days PDMRA Accrual Conditions.

8.4.2.1. AC Service members accrue 2 administrative absence days per month when the deployment threshold established in subparagraph 8.4.1 is exceeded, and the AC member is:

8.4.2.1.1. Deployed to Iraq or Afghanistan; or

8.4.2.1.2. Deployed to a CZTE area when the area has been designated as a 2-day per month PDMRA accrual location by the Secretary concerned.

8.4.2.2. RC Service members accrue 2 administrative absence days per month when the mobilization threshold established in subparagraph 8.4.1 is exceeded, and the RC member is serving:

8.4.2.2.1. In Iraq or Afghanistan pursuant to 10 U.S.C. §§ 12301(a), 12302, or 12304;

8.4.2.2.2. In Iraq or Afghanistan pursuant to 10 U.S.C. § 12301(d) when designated by the Secretary concerned; or

8.4.2.2.3. In a CZTE area under the authority of 10 U.S.C. §§ 12301(a), 12301(d), 12302, or 12304 when the CZTE area has been designated as a 2-day per month PDMRA accrual location by the Secretary concerned.

8.4.3. One Day PDMRA Accrual Conditions.

8.4.3.1. AC members accrue 1 administrative absence day per month when the deployment threshold established in subparagraph 8.4.1 is exceeded for deployments to a qualifying CZTE area when the CZTE area has been designated as a 1-day per month PDMRA accrual location by the Secretary concerned.

8.4.3.2. RC members accrue 1 administrative absence day per month when the mobilization threshold established in subparagraph 8.4.1 is exceeded, and the RC member is serving:

8.4.3.2.1. Outside of the United States pursuant to 10 U.S.C. §§ 12301(a), 12302, or 12304;

8.4.3.2.2. Outside of the United States pursuant to 10 U.S.C. § 12301(d) when designated by the Secretary concerned; or

8.4.3.2.3. In a CZTE area pursuant to 10 U.S.C. § 12301(d) when the CZTE area has been designated as a 1-day per month PDMRA accrual location by the Secretary concerned.

8.4.4. PDMRA Accrual Conditions

8.4.4.1. Service members, at a minimum, must meet PDMRA eligibility criteria contained in paragraphs 8.3 and 8.4 for 30 consecutive days in order to begin accruing PDMRA days.

8.4.4.1.1. PDMRA accrual for AC members includes the day that the member arrives at the deployed location through the day that the member redeploys.

8.4.4.1.2. PDMRA accrual for RC members includes the day that the member is ordered to duty pursuant to 10 U.S.C. §§ 12301(a), 12302, or 12304 through the date that the member's service is terminated under that same authority.

8.4.4.2. When designated as qualifying for PDMRA by the Secretary concerned pursuant to subparagraphs 8.4.2.2.2, 8.4.2.2.3, 8.4.3.2.1, or 8.4.3.2.2 include the day that the member enters service pursuant to 10 U.S.C. § 12301(d) through the date that the member's service is terminated under that same authority.

8.4.5. Extensions of Mobilization Orders to Utilize Accrued PDMRA Days. The Secretary concerned may extend the mobilization orders of RC Service members, within statutory limitations, to allow these members to utilize PDMRA days accrued during the mobilization. RC members do not accrue PDMRA days during the time that mobilization orders are extended for the purpose of utilizing PDMRA days.

8.4.6. Election of Payment for PDMRA Days

8.4.6.1. Under current law, RC members who are also federal, state, or local government civilian employees are not permitted to receive their civilian pay while on AD utilizing accrued PDMRA days.

8.4.6.2. To resolve this pay restriction, the Secretary concerned may offer such RC members a special PDMRA payment, which permits such members to elect to receive AIP in lieu of being awarded PDMRA administrative absence days.

8.4.6.3. If this option is offered, the AIP election must be made by the RC Service member prior to earning PDMRA days. The AIP would be valued at a rate of \$200 for each day of administrative absence that otherwise would have been authorized under the PDMRA program, not to exceed the \$1,500 monthly maximum limit of AIP. This option may not be used to cash in administrative absence days already earned.

8.4.7. Crediting PDMRA Time. The Secretary concerned will establish policy on crediting PDMRA time when court-martial or other adverse administrative actions have been initiated.

8.4.8. RC Use of Administrative Absence Days. RC members must be serving pursuant to 10 U.S.C. §§ 12301(a), 12301(d), 12302, or 12304 in order to utilize the administrative absence days accrued under the PDMRA program.

8.5 Public Law 112-120, Dated May 25, 2012 (150805)

8.5.1. Public Law 112-120 clarified the entitlement to PDMRA days for RC members. The law allows for the Secretary of Defense to determine that provisions of entitlement outlined in DoDI 1327.06 will not apply to RC members whose qualified mobilization commenced before October 1, 2011 and continued on and after that date until the date the mobilization terminated.

8.5.2. The USD (P&R) issued implementation guidance for Public Law 112-120 on July 11, 2012. The guidance stipulated that:

8.5.2.1. Each Secretary concerned will publish implementing guidance and establish an application process to allow qualifying current and former RC members to apply for benefits authorized by Public Law 112-120.

8.5.2.2. Benefits are only authorized for RC members who deployed OCONUS and whose qualified mobilization commenced before October 1, 2011.

8.5.2.3. Each Secretary concerned will provide qualifying applicants with a PDMRA day, or a payment of \$200 for each PDMRA day that the individual would have qualified for had the October 1, 2011 guidance changes not applied to the individual.

8.5.2.4. Each Service's application for benefits will require qualifying RC members to elect to receive either a PDMRA day or payment of \$200 for each qualifying PDMRA day. The application will caution members who are no longer mobilized in a status where they can use the PDMRA days and elect PDMRA days in lieu of payment that:

8.5.2.4.1. The PDMRA days will be banked and cannot be used until the next qualifying period of service; and

8.5.2.4.2. Banked PDMRA days will be lost if the member is separated from the military prior to using the PDMRA days. Banked PDMRA days cannot be subsequently sold.

8.5.2.5. Qualifying former RC members will only receive \$200 per day for each PDMRA day.

8.5.2.5. Former RC members who were discharged or released from the Armed Forces under other than honorable conditions are not eligible for benefits.

8.5.2.7. Each Secretary concerned may elect to pay qualifying individuals a lump sum payment or installments.

8.5.2.8. The authority to provided benefits under Public Law 112-120 expires on October 1, 2014. This expiration does not affect PDMRA days earned prior to but used or paid for after October 1, 2014. The member must have elected the payment option before October 1, 2014.

8.6 Public Law 112-239, Dated January 2, 2013 (150806)

8.6.1. Public Law 112-239 allows for the payment of \$200 per day to individuals who were eligible to participate as a member of the Armed Forces in the PDMRA program, but who did not participate in 1 or more days in the program due to Government error. Those individuals must apply for payment of PDMRA days with an application for the correction of their military records pursuant to [10 U.S.C. § 1552](#), or other process as prescribed by the Secretary concerned.

8.6.2. A claim for a deceased individual, who would have been authorized to apply for the payment of \$200 in subparagraph 8.6.1, may be submitted by the deceased individual's legal representative. Payment for a deceased member will be made pursuant to 10 U.S.C. § 1552 (c)(2), or other process as determined by the Secretary concerned.

CHAPTER 17

SPECIAL PAY – HARDSHIP DUTY

1.0 GENERAL

1.1 Purpose

This chapter prescribes the policy for payment of Hardship Duty Pay (HDP) and lists the areas where members are authorized to receive these entitlements.

1.2 Authoritative Guidance

The pay policies and requirements established by DoD in this chapter are derived primarily from, and prepared in accordance with Title 37, United States Code, section 352 ([37 U.S.C. § 352](#)). Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 HDP

2.1 HDP – Location (HDP – L)

2.1.1. Purpose. HDP – L is designed to recognize service at locations where living conditions are substantially below those normally found within the continental United States and to provide equity across DoD for Service members assigned to these locations. Locations are contained in [Table 17-1](#), and are listed on the [Hardship Duty Pay - Locations](#) table on DFAS.MIL.

2.1.2. Eligibility. All Service members permanently assigned or serving in a temporary additional duty/temporary duty (TAD/TDY), deployed, or attached status for over 30 consecutive days in a designated area, will receive HDP – L. Service members on permanent reassignment to the area are eligible for HDP – L from the day of arrival at the new station. The conditions for HDP – L are set forth in [Table 17-2](#). The Assistant Secretary of Defense – Manpower and Reserve Affairs (ASD (M&RA)) will promulgate any additional eligibility criteria by issuing a policy decision memorandum.

2.1.3. Locations and Amounts. The ASD (M&RA) will promulgate locations and specific amounts for HDP – L at the rates shown in [Table 17-1](#).

2.1.4. Restrictions. Service members performing duty temporarily in a designated area are not eligible for HDP – L during the first 30 days of consecutive duty in the area. On the 31st day, HDP – L is payable to the member retroactive to the date the member reported for duty at the location. The ASD (M&RA) will promulgate any additional restrictions for HDP – L.

2.1.5. Termination. HDP – L entitlement ends on:

2.1.5.1. The day the member departs the station as a result of Permanent Change of Station (PCS) reassignment; or

2.1.5.2. The last day of the effective period as stated in [Table 17-1](#); or

2.1.5.3. The day specified in [Table 17-1](#) for specific situations.

2.2 HDP – Mission (HDP – M)

2.2.1. Purpose. HDP – M is designed to recognize permanent or temporary assignment of Service members when conditions are deemed particularly arduous or require Service members to perform duties outside of normal military operations.

2.2.2. Eligibility. Eligibility criteria will be established by the ASD (M&RA) for Service members permanently or temporarily assigned to a designated mission. A member assigned to, on TAD/TDY with, or otherwise under the operational control of the Defense Prisoner of War/Missing Personnel Office, the Joint Task Force-Full Accounting, or the Central Identification Lab-Hawaii, may qualify for HDP – M based on performance of a hardship mission. Eligible members are entitled to receive HDP – M for each month in which they perform investigative or remains recovery duty in a remote, isolated area (including, but not limited to, areas in Laos, Cambodia, Vietnam, North Korea, [Albania](#), [Bulgaria](#), [Bosnia-Herzegovina](#), [Croatia](#), [Egypt](#), [Italy](#), [Romania](#), [Serbia](#), [Slovenia](#), and [Yugoslavia](#)) in the recovery of U.S. Service member remains.

2.2.3. Maximum Amount. HDP – M is payable to all members at the rate of \$150 per month. HDP – M is payable at the full monthly rate, without prorating or reduction, for each month, during any part of which, the member performs a specified mission.

2.3 HDP – Tempo (HDP – T)

2.3.1. Purpose. HDP – T is designed to recognize extended or excessive amounts of time outside of a Service member’s permanent duty station (PDS).

2.3.2. Eligibility. Secretaries of the Military Departments concerned will establish eligibility criteria based on Service-specific needs but will consider retention, quality of life, family separation, and other factors that contribute to a Service member’s dissatisfaction when spending extended or excessive amounts of time away from the Service member’s PDS.

2.3.3. Amount. Secretaries of the Military Departments concerned will establish monthly rates, but the maximum amount of HDP – T per month will not exceed \$500. The [Secretary](#) of the Navy:

2.3.3.1. [Has delegated authority to the Navy and Marine Corps](#) to pay HDP – T at the monthly rate of \$495 to Sailors and Marines deployed beyond the 220th [consecutive](#) day of an operational deployment. Sailors and Marines will receive prorated HDP – T based on the number of days in the month that they are eligible, subject to the provisions of Chapter 1, paragraph [3.2](#);

2.3.3.2. First delegated the authority to make payments for HDP – T effective September 17, 2014. Members who were on a qualifying operational deployment/mobilization on September 17, 2014 were permitted to count the consecutive number of days of deployment/mobilization prior to September 17, 2014 for the purpose of being eligible for the payment of HDP – T; and

2.3.3.3. Has authorized payments for HDP – T until October 1, 2023, unless the delegation is rescinded before that date.

2.3.4. Restrictions. The Secretary of the Military Departments concerned will prorate the monthly amount of HDP – T for a member who does not satisfy the eligibility requirements for an entire month.

NOTE: For periods of absence, consult with Service regulations to determine eligibility.

2.4 HDP – Restriction of Movement (HDP – ROM)

2.4.1. Purpose. HDP – ROM is designed for Service members ordered by their command to restriction of movement for self-monitoring due to exposure or suspected exposure to COVID-19.

2.4.2. Eligibility. Effective March 13, 2020, Service members ordered by their command:

2.4.2.1. To restriction of movement for self-monitoring due to exposure or suspected exposure to COVID-19; or

2.4.2.2. To restriction of movement for self-monitoring due to travel to, from or through a Center for Disease Control and Prevention Level 3 Travel Health Notice country;

2.4.2.3. That are directed to do so at a facility that is neither provided by the U.S. Government nor is their personal residence at the member's PDS; and

2.4.2.4. Are required to pay for the cost of their lodging without full or partial reimbursement.

2.4.3 Amount. HDP – ROM will be paid at the rate of \$100 per day not to exceed \$1,500 per month.

3.0 RESTRICTIONS ON PAYMENT

3.1 General Restrictions

When a member is in receipt of Hostile Fire Pay (HFP) or Imminent Danger Pay (IDP), then the maximum amount of HDP – L is \$100. The total entitlement of HDP – L plus HFP or IDP in any 1 month may not exceed \$325.

3.2 Concurrent Payments

The combination of HDP – M, HDP – L, and HDP – T entitlements and other assignment and special duty pays may not exceed an average monthly amount of \$3,500 unless otherwise authorized by ASD (M&RA).

NOTE: As of the March 13, 2020, memorandum from ASD (M&RA), HDP – ROM may be paid in addition to all other HDPs and assignment and special duty pays such that the total combined HDP and assignment and special duty pays may not exceed the average monthly amount of \$5,000 as prescribed in 37 USC § 352(b)(2).

NOTES:

1. If already in a location when it is designated a hardship duty area, the day of designation starts pay for those on permanent duty. Absences from an HDP-L area of less than 24 hours do not break continuity. A member, on operational flight duty, TAD/TDY, or hospitalized in an area on the date it becomes designated for HDP – L, may count the number of consecutive days already served in that area immediately preceding the date of designation. Additionally, the member may count the number of consecutive days served in a different designated area or areas, if the member served in such area(s) immediately preceding arrival in the newly designated area. In any case, entitlement to payment for HDP – L cannot accrue for any area prior to the date it is designated.
2. Rule 3 applies when a medical evacuee has been reassigned on PCS from the designated area for medical treatment.
3. Any enroute TAD/TDY, travel time, or leave will accrue HDP-L at the PDS/prevaling area rate. HDP terminates if more than 30 days pass before a member (other than a member with accompanied status at an HDP – L PDS) reports for duty in another designated area.
4. If time from more than one designated area is combined to meet the 30 day qualifying criteria, pay the rate for the area at which the greatest time was earned during the first 30 days. After the first 30 days pay the applicable rate for the area in which duty is served, prorated if necessary.
5. Non-judicial punishment does not result in loss of HDP.

CHAPTER 18

SPECIAL PAY – CAREER SEA PAY (CSP)

1.0 GENERAL

1.1 Purpose

This chapter establishes policy pertaining to CSP and CSP-Premium (CSP-P).

1.2 Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), including Title 37. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 PROVISIONS

2.1 Entitlement

A member who is entitled to basic pay is entitled to CSP and CSP-P while serving on sea duty under regulations prescribed by the Office of the Secretary of Defense, Secretary of the Military Department concerned, and the provisions of this chapter.

2.2 Definitions

2.2.1. CSP. CSP is special pay for recognition of the greater than normal rigors of assignment to sea duty.

2.2.2. CSP-P. CSP-P is special pay that is in addition to CSP and is paid for unusually long periods of continuous sea duty. A member entitled to CSP who has served 36 consecutive months of sea duty is also entitled to CSP-P for the 37th consecutive month and each subsequent consecutive month of sea duty served.

2.2.3. Sea Duty. Sea duty, for the purpose of entitlement to CSP and CSP-P, is duty performed by a member under orders:

2.2.3.1. While permanently assigned for duty to a ship, ship-based staff, or ship-based aviation unit and serving on a ship with a primary mission that is accomplished underway (includes ships designated as destroyers or submarine tenders). Periods when the member is on temporary duty (TDY), on leave, hospitalized, or otherwise temporarily absent under orders, not to exceed the first 30 consecutive days of each occurrence, are also counted;

2.2.3.2. While temporarily assigned for duty to a ship, ship-based staff, or ship-based aviation unit and serving on a ship with a primary mission that is accomplished underway (includes ships designated as destroyers or submarine tenders);

2.2.3.3. While permanently or temporarily assigned for duty to a ship or ship-based staff and serving on a ship with a primary mission that is accomplished in port, but only during that period while the ship is away from its homeport. A ship is considered to be away from its homeport whenever it is at sea or is in a port that is more than 50 miles from its homeport; or

2.2.3.4. While serving as a member of the off-crew of a two-crewed vessel.

2.2.4. Cumulative Sea Duty (CSD). CSD is the total time a member has been assigned to qualifying sea duty during their service career, regardless of pay grade. Additionally, it will include all time during which a member is assigned to a ship or ship-based staff and actually served on a ship with a primary mission that is accomplished in port, regardless of whether the ship is at sea or away from homeport.

2.2.5. Ship. Ship, for the purpose of entitlement to CSP and CSP-P, means a self-propelled vessel in an active status, in commission, or in-service.

3.0 CONDITIONS OF ENTITLEMENT

3.1 General Conditions

The general conditions of entitlement to CSP are listed in Table 18-1. Additionally, entitlement to and the rate of CSP is dependent upon the branch of service, pay grade, and total CSD applicable to the member. All members in pay grades E-1 through O-6 are eligible for payment of CSP, except commissioned officers of the Army and Air Force with 3 or less years of CSD and enlisted members of the Air Force in pay grades below E-4.

3.2 CSP-P Conditions

The conditions of entitlement to CSP-P require the member to first be entitled to CSP. The CSP-P is in addition to CSP; however, for certain pay grades, it has been included in the CSP rate tables and is not payable as a separate item. When payable as a separate item, CSP-P accrues from the first day following the completion of the 36th month of consecutive sea duty and will be prorated if beginning on other than the first day of a calendar month.

Example: A member beginning a period of sea duty on January 15, 2011 would accrue CSP-P beginning January 15, 2014. The CSP-P is payable for the 37th and each subsequent consecutive month of sea duty regardless of the member's pay grade when the sea duty began, provided the member is concurrently entitled to CSP.

3.2.1. The following members of the Navy and Marine Corps may become entitled to CSP-P as a separate item of pay:

3.2.1.1. All officers in pay grades O-1 through O-6;

3.2.1.2. All warrant officers;

3.2.1.3. All enlisted members in pay grades E-1 through E-4; and

3.2.1.4. All enlisted members in pay grades E-5 through E-9 with not over 8 years of CSD.

3.2.2. The following members of the Army may become entitled to CSP-P as a separate item of pay:

3.2.2.1. All officers in pay grades O-1 through O-6; and

3.2.2.2. All enlisted members in pay grades E-1 through E-3.

3.2.3. The following members of the Air Force may become entitled to CSP-P as a separate item of pay:

3.2.3.1. All officers in pay grades O-1 through O-6;

3.2.3.2. All enlisted members in pay grade E-4; and

3.2.3.3. All enlisted members in pay grades E-5 through E-9 with not over 5 years of CSD.

3.2.4. Members not addressed in subparagraphs 3.2.1, 3.2.2, and 3.2.3, have CSP-P already included in their applicable CSP rate table or are otherwise not eligible to receive a separate CSP-P payment.

4.0 RATES PAYABLE

4.1 CSP

The Secretary concerned will prescribe the monthly rates for special pay applicable to members of each Military Service under the Secretary's jurisdiction. The monthly rate may not exceed \$750.

4.1.1. The monthly rates of CSP for members of the Army are in Table 18-2.

4.1.2. The monthly rates of CSP and CSP-P (for E-5 through E-9 with over 8 years of CSD) for members of the Navy and Marine Corps are listed in Table 18-3.

4.1.3. The monthly rates of CSP for members of the Air Force are listed in Table 18-4.

4.2 CSP-P

The Secretary concerned will prescribe the monthly rate for CSP-P applicable to members of each Military Service under the Secretary's jurisdiction. The monthly rate may not exceed \$350.

5.0 RESTRICTIONS

5.1 En route and Transport Restrictions

Do not credit time for sea duty and do not pay CSP or CSP-P to members en route to or from ships outside the Continental United States or onboard a ship for transportation, regardless of the length of the period. This restriction applies to the periods prior to a member reporting for permanent duty and after being permanently detached from duty onboard a ship.

5.2 Midshipmen and Cadet Members

Do not credit time for sea duty and do not pay CSP or CSP-P to midshipmen, aviation cadets, or academy cadets.

5.3 Navy and Marine Corps Members

Do not pay CSP-P to Navy and Marine Corps members entitled to CSP in Table 18-3 for duty if in pay grades E-5 through E-9 with over 8 years of CSD.

5.4 Army Members

Do not pay CSP-P to Army members entitled to CSP in Table 18-2 for duty:

5.4.1. Between October 1, 2002 and June 30, 2003 if in pay grades E-5 through E-9; or

5.4.2. On or after July 1, 2003 if in pay grades E-4 through E-9 or W-1 through W-5.

5.5 Air Force Members

Do not pay CSP-P to Air Force members entitled to CSP in Table 18-4 for duty if in pay grades E-5 through E-9 with over 5 years of CSD.

Table 18-1. CSP – Conditions of Entitlement (Continued)

NOTES:

1. “Temporarily based ashore” refers to a ship-based aviation unit or ship-based staff that has landed ashore with intent to return to a ship.
2. Entitlement terminates when the ship returns to the homeport.
3. Further TAD/TDY ashore from ship will not interrupt CSP entitlement for the first 30 days member is in such status, provided member is otherwise entitled and returns to the ship.
4. Where sentence is changed to restriction to ship and member performs duty, CSP is resumed. Nonjudicial punishment does not result in loss of CSP.
5. Entitlement accrues only when the ship is away from the homeport.
6. Chief of Naval Operations Instruction (OPNAVINST) 4700.8L series defines ship status assignments for U.S. Naval ships.

CHAPTER 19

FOREIGN LANGUAGE PROFICIENCY BONUS

1.0 GENERAL

1.1 Purpose

This chapter establishes policy pertaining to Foreign Language Proficiency Bonus (FLPB) for members of an Active Component (AC) or Reserve Component (RC) of the Military Services (less the Coast Guard).

1.2 Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), including Title 37. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 ENTITLEMENT

*2.1 General Provisions

2.1.1. The Secretary of the Military Department concerned will pay FLPB to a member of an AC or RC, that has been certified as proficient in one or more foreign languages, or dialects identified on the DoD Strategic Language List (SLL) in the Immediate and Emerging Payment category (see the [FLPB Installment Rates table](#), Payment Category A).

2.1.2. The Secretary may pay FLPB to a member of an AC or RC of the Uniformed Services who has been certified as proficient in one or more foreign languages or dialects:

2.1.2.1. Identified on the DoD or Service Secretary SLL in the Enduring category (Service Secretaries may choose to pay or not pay FLPB, see the FLPB Installment Rates table, Payment Category B); or

2.1.2.2. Not identified on the DoD SLL, but designated by the Secretary concerned as a foreign language or dialect for which proficient personnel are required to accomplish DoD Component specific missions (see the FLPB Installment Rates table, Payment Category B).

2.1.3. The Secretary may not vary the criteria or rates for the proficiency bonus paid to officers and enlisted members.

Note: FLPB Installment Rates are set pursuant to DoD Instruction [\(DoDI\) 1340.27](#). On August 17, 2022, the Office of the Under Secretary of Defense for Personnel and Readiness established a new FLPB payment table (identified as “Table 1” in DoDI 1340.27). Table 1 has not

been fully implemented. This chapter will be updated and republished to conform to this instruction following the full implementation of Table 1 in DoDI 1340.27 by the Military Departments.

2.2 AC Eligibility

2.2.1. The Secretary concerned may pay FLPB to a member of an AC of the Uniformed Services who meets at least one of the following conditions:

2.2.1.1. Is qualified in a military career specialty requiring proficiency in a foreign language or dialect and is certified proficient in that foreign language or dialect;

2.2.1.2. Has received training, in accordance with regulations prescribed by the Secretary, designed to develop proficiency in a foreign language or dialect;

2.2.1.3. Is assigned to military duties requiring a proficiency in a foreign language or dialect for which the DoD or the Secretary concerned has identified a need; or

2.2.1.4. Is certified proficient in a foreign language or dialect in accordance with paragraph 2.4 for which the DoD or the Secretary has identified a critical need.

2.2.2. The member must execute a written agreement with the Secretary concerned that specifies the:

2.2.2.1. Amount of FLPB awarded;

2.2.2.2. Period for which the FLPB will be paid;

2.2.2.3. Initial certification or recertification necessary for the FLPB payment; and

2.2.2.4. Repayment provision of the unearned portion of any remaining FLPB if the member does not satisfy the eligibility and certification requirements for the length of the written agreement.

2.2.3. The member must achieve a minimum of Interagency Language Roundtable (ILR) skill level 2/2 (ILR skill level 1/1 if authorized by the Secretary concerned) or higher in any two modalities on a DoD or Service Secretary SLL, Service-approved foreign language or dialect in order to receive FLPB, except as outlined in paragraphs 2.6 and 2.7.

2.3 RC Eligibility

2.3.1. In order to receive FLPB in a similar fashion as a member of the AC, a member of the RC must:

2.3.1.1. Meet the eligibility certification requirements outlined in paragraphs 2.2, 2.4, 2.6, and 2.7; and

2.3.1.2. Fulfill the minimum annual service requirements for retirement eligibility, as defined in [10 U.S.C. § 12732](#) unless waived by the Secretary of the Military Department concerned.

2.3.2. An RC member must earn a minimum of 50 retirement points, regardless of the RC source, in each full anniversary year to have that year count as creditable towards verification of the total years of qualifying service for non-regular retired pay and payment of FLPB.

2.3.2.1. A partial qualifying year is any period of less than 12 full months during which the RC member earns a prorated share of 50 retirement points and an identical prorated share (or smaller percentage of full FLPB annual payment) of FLPB.

2.3.2.2. An RC member who performs a partial qualifying year of less than 12 full months and earns less than 50 retirement points in a year will have their FLPB prorated at a value of 2 percent for each retirement point less than 50 points.

2.3.3. The total of FLPB paid to an RC member in good standing, and who has not been adjudicated as an unsatisfactory performer in the previous 12 months, must equal the annual FLPB paid to an AC member with the same certified language proficiency.

2.3.4. For RC members, the requirement to attain 50 points during a separation year is waived for FLPB calculation if the member separates before 12 months in the anniversary year. The RC member will be paid the standard FLPB monthly allotment for months in good standing, with the last month prorated if separation occurs before the last day of the month. RC members in a separation year, which are no longer in good standing, will have their FLPB terminated in the month in which they are determined to be no longer “in good standing.” The exception to the 50-point standard in a separation year is an RC member who serves the entire anniversary year. The individual must earn 50 points to collect the last month of FLPB prior to separation.

2.4 Certification

2.4.1. A member must be eligible and certified by the Secretary concerned as being proficient in a foreign language or dialect for which the bonus is offered.

2.4.2. The certification of a member’s foreign language or dialect proficiency will expire at the end of the 1-year period beginning on the first day of the first month after the certification date. A member must test annually in each foreign language or dialect in order to continue receiving FLPB, unless recertified under the conditions stipulated in paragraphs 2.6 and 2.7. The Secretary concerned may retest a member no earlier than 6 months from the last administration of a test in that foreign language or dialect unless the member has completed a significant language education or training event (at least 150 hours of immersion training or 6 consecutive weeks of 5 hour-a-day classroom training) in that foreign language or dialect.

2.4.3. A member must be certified as proficient in any combination of two of the three modalities (reading (R), listening (L), and speaking (S)) to receive FLPB, except as referred to in the FLPB Installment Rates table, Note 2.

*2.5 Amount and Method of Payment

2.5.1. The bonus rate of FLPB may not exceed \$12,000 per 1-year certification period. The Secretary of the Military Department concerned may pay a bonus in monthly installments or a lump sum during the certification period.

2.5.2. The monthly rate will not exceed \$500 per month for a single foreign language or dialect, or \$1,000 per month for two or more foreign languages or dialects. The total annual FLPB amount may not exceed \$12,000 for each 1-year period of certification.

2.5.3. To receive the maximum monthly bonus installment allowed in any payment category (A or B), a member must acquire 3/3/3 proficiency in all three modalities or achieve an ILR skill level 4/4 or above in any two modalities (see the FLPB Installment Rates table).

2.5.4. The Secretary concerned:

2.5.4.1. May authorize FLPB at either Payment A or B rates (see the FLPB Installment Rates table) for DoD-approved languages not on the SLL and where there is a need to ensure a sufficient number of proficient personnel to accomplish DoD Component specific missions;

2.5.4.2. May, in the case of foreign languages considered prevalent in the Service, limit the payment of FLPB to those Service members whose duties require proficiency in such languages or as determined by the Secretary of the Military Department concerned;

2.5.4.3. May authorize the payment of FLPB to Service members whose duties require an ILR skill below level 2 in the L, R, or S modalities; or

2.5.4.4. May authorize Military Departments, on an interim basis, the discretion to assign scores in two modalities for results on the Oral Proficiency Interview (OPI). A score may be assigned for the listening modality equal to the score for the speaking modality, up to and including ILR skill level 4.

Note: Hospitalized members may be entitled to FLPB under the Pay and Allowance Continuation (PAC) Program. See Chapter 13 for PAC entitlement eligibility.

2.6 Waiver of Recertification of Proficiency

2.6.1. The Secretary concerned may waive the certification requirement and pay FLPB to a member who:

2.6.1.1. Is assigned to duty in connection with a contingency operation;

2.6.1.2. Is unable to schedule or complete the test for certification because of that assignment; and

2.6.1.3. Except for the lack of such certification, satisfies the eligibility requirements cited in paragraphs 2.2 or 2.3.

2.6.2. The Secretary may treat the date the member was assigned to duty in connection with a contingency operation as equivalent to a certification date.

2.6.3. When a member whose certification will expire during a contingency operation assignment or within 6 months following return to the continental United States or to an overseas permanent duty station, the Secretary concerned will authorize the Service member those 6 months after returning as a mandatory grace period to recertify for FLPB.

2.6.4. If a member fails to obtain the required certification by the end of the 6-month period, then the Secretary may require the Service member to repay all or a portion of the FLPB received in accordance with paragraph 3.3.

2.6.5. The Secretary may waive the annual certification in subparagraph 2.4.2 and the duration of certification requirements in paragraphs 2.6 and 2.7, if the Service FLPB regulation addresses the specific circumstances under which the Service Secretary may waive either or both of these certification requirements.

2.7 Exceptions to Recertification

The Secretary concerned may elect to recertify a member's foreign language or dialect proficiency using their last recorded DoD Language Proficiency Test (DLPT) scores when:

2.7.1. A member is assigned to duty outside the continental United States (excluding Alaska and Hawaii) at a location where web-delivered testing facilities are not available or accessible. In such cases, the member may complete the recertification requirements provided in paragraph 2.4, no later than 6 months after the date released from the duty assignment. The Secretary is responsible for determining which locations qualify for this recertification and the duration (not to exceed 6 months) of the Service recertification grace period;

2.7.2. A member's certification expires while attending a significant language education or training event (at least 150 hours of immersion training or 6 consecutive weeks of 5-hour-a-day classroom training) or other significant events as defined by the Secretaries of the Military Departments, Defense Agencies, and DoD Field Activities heads. The next 1-year certification period will begin when they retest after they complete the significant language education or training event. The member's FLPB will continue while in training up until completion of the course retest event. Further FLPB entitlement will be based on the results from that event; or

2.7.3. A member who initially certifies or recertifies proficient through the DLPT system, at or above ILR skill levels 3/3 or 3/3/3 in a foreign language or dialect, must take an approved test within the DLPT system no less frequently than every 2 years for recertification, in which case recertification in the off year may be accomplished using a method selected by the Secretary of the Military Department.

3.0 CONDITIONS OF ENTITLEMENT

3.1 Requirements

A member must qualify under any additional eligibility requirements prescribed by the Secretaries concerned, and is subject to Service specific certification requirements and amount of payment restrictions as outlined in:

3.1.1. DoD: DoDI 1340.27, Military Foreign Language Skill Proficiency Bonuses and [DoDI 5160.71](#), DoD Language Testing Program;

3.1.2. Army: [Army Regulation 11-6](#);

3.1.3. Navy: [Chief of Naval Operations Instruction 7220.7H](#);

3.1.4. Air Force and U.S. Space Force: [Department of Air Force Manual 36-2664](#), Attachment 10, and [Air Force Instruction 36-4005](#); or

3.1.5. Marine Corps: [Marine Corps Order 7220.52F](#).

NOTE: Pay authorizing officials must access the current DoD SLL and the Component's unique foreign language bonus pay authorizations, additional eligibility rules, and certification requirements in order to ensure the correct FLPB payment is authorized.

3.2 Tax

FLPB is an item of pay subject to federal withholding tax. It is not subject to the Federal Insurance Contributions Act tax.

3.3 Repayment

A member, who receives FLPB but does not satisfy eligibility and certification requirements specified in section 2.0, may be subject to repayment in accordance with Chapter 2.

3.4 Relationship to Other Pay and Allowances

A member may not be paid more than one Skill Incentive Pay or Proficiency Bonus in any month for the same period of service and skill. A member may be paid skill incentive pay or the proficiency bonus, in addition to any other pay and allowances to which the member is entitled, except that a member may not be paid skill incentive pay or a proficiency bonus and hazardous duty pay, in accordance with Chapter 24, for the same period of service in the same career field or skill.

*3.5 Duration of Authority

Unless authorized by Congress, no FLPB agreement may be entered into after the date on the *Duration of Authority* table.

CHAPTER 20

AVIATION BONUS (AvB)

1.0 GENERAL

1.1 Purpose

The Secretaries of the Military Departments may offer an Aviation Bonus (AvB) to increase their respective Department's ability to attract and retain officers in a military aviation career. An AvB paid to an eligible officer is in addition to any other pay and allowance to which the officer is entitled, except that an officer may not receive a payment for the same skill and period of service.

1.2 Authoritative Guidance

The AvB policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with Title 37, United States Code, section 334 ([37 U.S.C. § 334](#)). Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 DURATION OF AUTHORITY

An AvB may not be paid to any officer after the date on the [Duration of Authority](#) table. No payments will be made after the termination date unless the entitlement to the AvB commenced prior to that date.

3.0 ELIGIBILITY REQUIREMENTS

3.1 General

The Military Departments may offer an AvB on a selective basis when there is a shortage or a projected shortage of Regular or Reserve Component (RC) officers qualified in critical aviation specialties. AvBs will be limited to those periods in an officer's aviation career in which AvBs can be expected to affect retention trends for the Military Service concerned.

3.2 Qualifications

To qualify for an AvB, an officer, on active duty (AD) or in an active status, must:

3.2.1. Be eligible for Aviation Incentive Pay at the time of incurring the initial AvB contractual obligation;

3.2.2. Be in a pay grade of O-5 or below at the time of incurring the initial AvB contractual obligation;

3.2.3. Serve in an aviation specialty or skill designated as critical by the Secretary of the Military Department concerned;

3.2.4. Have completed or is within one year of completing any service obligation incurred for undergraduate aviator training. In accordance with [10 U.S.C. § 653](#), the minimum service obligation of any Service member who successfully completes training in the Armed Forces as a pilot is 8 years if the member is trained to fly fixed-wing jet aircraft, or 6 years if the member is trained to fly any other type of aircraft;

3.2.5. Execute a written agreement to remain on AD in the Regular Component or to serve in an active status in the selected reserve for at least one year; and

3.2.6. Meet such other additional criteria as the Secretary of the Military Department concerned may prescribe.

4.0 PAYMENT METHODS AND AMOUNTS

4.1 Payment Method

The Secretary of the Military Department concerned may pay an AvB to Regular or RC officers of a Uniformed Service who meet the qualification criteria in paragraph 3.2 in a lump sum or in periodic installments, as determined by the Secretary concerned.

4.2 Amounts

The AvB amount, covered by the written agreement, described in paragraph 5.1, between the Regular or RC officer and the Secretary of the Military Department concerned, for each 12-month period of obligated service specified in 37 U.S.C. § 334(c)(1)(B), will not exceed the following, unless otherwise updated by the Assistant Secretary of Defense (ASD) (Manpower and Reserve Affairs (M&RA)):

4.2.1. \$35,000 per year for Regular Component officers or RC Active Guard and Reserve officers performing qualified flying duty;

4.2.2. \$35,000 per year for Regular Component officers or RC Active Guard and Reserve officers performing qualified flying duty related to Unmanned Aerial System (UAS) operators; or

4.2.3. \$18,000 per year for all other RC officers performing qualified duty, to include UAS operators.

Note: The ASD (M&RA) may update the AvB amounts, in accordance with the DoD Instruction (DoDI) 7730.67, October 20, 2016, paragraph 2.1.b.

4.3 Relationship to Other Pay and Allowances

Aviation pays and bonuses paid in accordance with DoDI 7730.67 will be in addition to any other pay or allowances to which the member is entitled, except as specified in the limitations and restrictions in DoDI 7730.67, paragraph 3.1.b.

5.0 TERMS AND CONDITIONS

5.1 Written Agreements

5.1.1. To receive an AvB, an officer must execute a written agreement with the Secretary of the Military Department concerned that specifies the amount of the AvB, the method of payment (lump sum or periodic installments), the period of obligated service (at least 1 year), and the type or conditions of service. No agreement may be executed that would take an officer beyond 25 Years of Aviation Service.

5.1.2. The Secretary of the Military Department concerned will not exceed the AvB amount covered by the written agreement for any 12-month period of obligated service specified in paragraph 4.2 or 37 U.S.C. § 334(c).

5.1.3. Bonus agreements awarded under [37 U.S.C. § 301b](#), that were approved before October 1, 2017, will remain in effect, and payments may continue through the agreed-upon date in the written agreement.

5.2 Acceptance

Upon acceptance of the written AvB agreement by the Secretary of the Military Department concerned, the period of obligated service and the total amount of AvB the Department will pay pursuant to the agreement will be fixed, unless otherwise renegotiated for a higher bonus amount in return for additional obligated service.

5.3 Death of a Member

If a member dies before receiving the full amount of the bonus due (including contracted future year anniversary payments) and death is not caused by the member's misconduct, the remaining unpaid bonus balance is payable as a lump sum for inclusion in the settlement of the deceased member's final military pay account. If death is determined to be the result of the member's own misconduct, termination of future payments and proration or repayment of the bonus, as applicable, must be made in accordance with procedures established by the Military Department concerned.

6.0 REPAYMENT

An officer, who fails to fulfill the service conditions specified in the written agreement for the retention bonus, will be subject to the repayment provisions of [37 U.S.C. § 373](#) and Chapter 2.

CHAPTER 22

AVIATION INCENTIVE PAYS

1.0 GENERAL

1.1 Purpose

The purpose of this chapter is to describe the policies for Hazardous Duty Incentive Pay (HDIP), Aviation Incentive Pay (AvIP), and Critical Skill Incentive Pay (CSIP).

Note: Aviation Career Incentive Pay (ACIP) and Career Enlisted Flyers Incentive Pay in accordance with Title 37, United States Code, sections 301a, 301b, and 320 ([37 U.S.C. § 301a](#), [37 U.S.C. § 301b](#), and [37 U.S.C. § 320](#)) were discontinued after October 1, 2017.

1.2 Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with [37 U.S.C. § 334\(a\)](#) and [37 U.S.C. § 351\(a\)\(2\)](#). Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 HDIP FOR FLYING DUTY

The Secretary concerned may pay HDIP to Service members required by competent orders to participate in frequent and regular aerial flights as an aircrew member or to non-aircrew members who otherwise meet the requirements for flying duty.

2.1 Eligibility

To be eligible for flying duty HDIP, a Service member must be required by competent orders to participate frequently and regularly in sustained, powered, controlled aerial flights, and generally must complete 4 hours (or 2 hours for reserve component (RC) Service members) of aerial flights each month. Hours that are flown in excess of this requirement may be credited against this requirement for up to 5 subsequent, consecutive months. Additionally, a Service member who has a shortage of flying hours after crediting these excess hours may, under certain conditions established by the Military Departments, enter a 3-month grace period wherein hours flown in future months may be retroactively applied to earlier monthly requirements.

2.2 Limitations and Restrictions

2.2.1. Officers, including aviation cadets entitled to AvIP under section 3.0, are not entitled to payments under this section for the same period of service.

2.2.2. Enlisted members receiving CSIP under section 5.0 are not entitled to payments under this section for the same period of service.

2.2.3. Service members may not receive incentive payments pursuant to [37 U.S.C. §§ 301](#), and 351, for the same period of service.

2.2.4. An officer receiving an incentive pay pursuant to 37 U.S.C. §§ 301a or 334, may not receive HDIP pursuant to 37 U.S.C. § 351(a)(2) for the same skill and period of service.

2.2.5. After January 27, 2018, the Military Departments may not pay HDIP under [37 U.S.C. Chapter 5, Subchapter I](#).

2.2.6. Service members receiving a skill incentive pay pursuant to [37 U.S.C. § 353\(a\)](#), may not receive HDIP pursuant to 37 U.S.C. § 351(a)(2), for the same period of service in the same career field or skill for which the payment is paid.

2.2.7. Service members must be on competent orders to serve in the area or to perform the hazardous duty to qualify for an incentive.

2.2.8. To be eligible for select HDIP payments, a Service member must be in training, have successfully completed the qualifying training and technical qualification, or meet qualification requirements for the performance of the hazardous duty.

2.2.9. Although a Service member may perform more than three hazardous duties in a month, a Service member may not receive simultaneous payments for more than three HDIP duties in a month.

2.3 Definitions

2.3.1. Aerial Flights. Aerial flights are flights in military aircraft or spacecraft, and also flights in nonmilitary aircraft when Service members are required by competent orders to fly in such aircraft. A flight begins when the aircraft or spacecraft takes off from rest at any point of support located on the surface of the earth and terminates when it next comes to a complete stop at a point of support located on the surface of the earth.

2.3.2. Aviation Accident. Aviation accident is an accident in which a Service member, who is required to participate frequently or regularly in aerial flights, is injured or otherwise incapacitated as the result. The injury or incapacitation, as certified by the appropriate medical authority of the Uniformed Service concerned, may result from:

2.3.2.1. Jumping from, being thrown from, or being struck by an aircraft or spacecraft, or any part or auxiliary thereof; or

2.3.2.2. Participation in any duly authorized aerial flight or other aircraft or spacecraft operations. This term also means an incapacity incurred as the result, as certified by appropriate medical authority, of performance of flying duty, even though such incapacity is not the result of an actual aviation accident.

2.4 Flight Requirements

2.4.1. Minimum Flying Time Each Month

2.4.1.1. During 1 calendar month, 4 hours of aerial flight are required. If a Service member does not fly 4 hours in any month, any hours flown during the last 5 preceding months (which have not already been used to qualify for flight pay) may be applied to meet this 4-hour requirement.

2.4.1.2. During 2 consecutive calendar months when the requirements of subparagraph 2.4.1.1., have not been met, 8 hours of aerial flight are required.

2.4.1.3. During 3 consecutive calendar months when the requirements of subparagraph 2.4.1.2., have not been met, 12 hours of aerial flight are required.

2.4.2. Fractions of a Calendar Month. For fractions of a calendar month, calculate the percentage that the period in question is of the calendar month. The flying time required is that same percentage of the aerial flight time required for a full calendar month (see Table 22-1).

2.4.3. Fractions of 2 Consecutive Calendar Months. For fractions of 2 consecutive calendar months, consider the whole period in question. Calculate the percentage that the period in question is of the calendar month. The flying time required is that same percentage of the aerial flight time required for a full calendar month (see Table 22-1).

2.4.4. Application of Hours Flown. To the extent of hours available, hours flown in any month apply as follows:

2.4.4.1. First, to meet flight requirements for that month;

2.4.4.2. Next, if the Service member has entered a grace period for meeting flight requirements, to the prior month or months, as applicable; and

2.4.4.3. Next, in order, to the first, second, third, fourth, and fifth succeeding months, but only to the extent that the Service member fails, during each month, to fly the required 4 hours. (Hours available to meet requirements of later months are referred to as “excess” flight time.) See examples in Tables 22-2 and 22-3.

2.4.5. Military Operations or Unavailability of Aircraft. When under authority conferred by the Secretary of the Military Department concerned, the commanding officer certifies that a Service member is unable to meet normal flight requirements due to military operations (combat or otherwise), or the non-availability of aircraft in order to complete those requirements. The Service member may, however, comply with the minimum flight requirements by performing 24 hours of aerial flight over a period of 6 consecutive calendar months. The commanding officer will certify that only those conditions specified in this subparagraph prevented completion of normal flight requirements. The 24-hour flight requirement may be met at any time during the 6-calendar-month period and in any combination of flights.

2.4.5.1. If the Service member is in a 3-calendar-month grace period when military operations or aircraft non-availability prevents fulfillment of flight requirements, the 6-calendar-month period for meeting the 24-hour flight requirement under this subparagraph begins on the first day of the grace period.

2.4.5.2. If the Service member is not in a 3-calendar-month grace period, the first month in which military operations or aircraft non-availability prevents fulfillment of flight requirements is the beginning of the 6-calendar-month period for meeting the 24-hour flight requirement under this subparagraph.

2.4.5.3. During the 6-calendar-month period, HDIP for flying may be paid for any single month, or for multiple months, when minimum requirements have been met.

2.4.5.4. At the end of the 6-calendar-month period, HDIP for flying may be paid for missed months in the period to the extent that the remaining hours flown are applicable. Excess hours are applied prospectively under subparagraph 2.4.4 if the Service member continues to fly under the same orders.

NOTE: For RC officers not on active duty for a period of more than 30 consecutive days, the requirement is half of the requirements contained in paragraph 2.4.

2.5 Determination of a 3-Calendar-Month Period

2.5.1. When 3-Month Period Starts and Ends. The 3-calendar-month period in which flight requirements must be met begins with the first month in which flight requirements are not met. If the Service member flies enough time in the second month to cover the first and second months, the period ends with the second month. If not, the period extends through the third month.

2.5.2. Deficiencies for a Fraction of a Month. If a Service member fails to qualify for a fraction of a month (because flying status or active duty began on an intermediate day of the month), the 3-month period ends on the last day of the second full month following the fractional month.

2.5.3. When Next 3-Month Period Starts

2.5.3.1. A new 3-month period starts with the first month in which flight requirements are not met following a month in which flight requirements were met.

2.5.3.2. For a new 3-month period to begin immediately after a prior 3-month period, flight requirements must have been met for the entire prior 3-month period, not merely for the last month.

2.5.3.3. If the requirements for the entire prior 3-month period were not met, a new period does not begin until flight requirements are met for at least 1 month after the prior 3-month period.

2.5.3.4. After a month when flight requirements are met, any month in which flight requirements are not met begins a new 3-month period. A new period may not start with the second or third month in which flight requirements are not met; nor may a new period start with the fourth month in which flight requirements are not met. There must be at least 1 month in which requirements are met before a new 3-month period begins. See Tables 22-2 and 22-3 for application of the rules listed in paragraph 2.5.

2.6 Entitlement to Pay When No Flights are Performed in the First Month of a 3-Month Period

Assume, for the purposes of this paragraph, that the Service member had no excess flight time from prior months.

2.6.1. Second Month. If a Service member performs no aerial flights during the first month of a 3-month period and, in the second month, performs at least 4 hours but less than 8 hours, he or she is entitled to pay only for the second month. For example: In January, no aerial flights are performed; in February, 5 hours of aerial flight are performed. Flight pay is payable only for February.

2.6.2. Third Month. If a Service member performs no aerial flights during the first 2 months of a 3-month period, he or she must perform 12 hours of aerial flight in the third month to be entitled to incentive pay for all 3 consecutive months. For example: If flight requirements are met for January and a Service member performs no flights during the months of February and March, he or she must perform at least 12 hours in April to be entitled to receive the incentive pay for the period February 1 to April 30. If the Service member performs 4 or more hours, but less than 12 hours in April, he or she is entitled to incentive pay only for April.

2.6.3. First and Third Months. If a Service member does not perform aerial flights during the first month and in the second month performs only sufficient flights to qualify for the second month, he or she must perform enough hours of flight during the third month to total 12 hours in order to qualify for the incentive pay for the first and third months of the 3-month period.

Example: In January, no aerial flights are performed; in February, 5 hours of aerial flight are performed. The deficiency in January must be made up in March. If at least 7 hours are accomplished in March, flight pay for January and March is payable. If only 6 hours are flown in March, flight pay is payable only for March (the payment for February previously having been made) and incentive pay for January is lost.

2.7 Injury or Incapacity Resulting From Performance of Hazardous Duty

Service members qualified for HDIP, who are temporarily unable to perform a hazardous duty due to an injury or illness that is not the result of the Service member's own misconduct, may continue to receive HDIP for up to 6 months.

2.7.1. On a case-by-case basis, the Secretary concerned, or designee, may authorize an extension of HDIP payments for up to an additional 6-months, based on the recommendation of the appropriate medical authority. Under no circumstance will HDIP payments continue beyond 12 months from the date of injury or illness.

2.7.2. HDIP will be terminated for Service members permanently disqualified or otherwise determined to be no longer eligible to perform hazardous duty by a competent medical authority.

2.7.3. Service members reassigned to a new duty assignment or specialty not eligible for HDIP will have their HDIP payments terminated on the date of reassignment or reclassification.

2.7.4. If the injury or illness occurred while serving in a combat zone, hostile fire area, or imminent danger area, the Service member may continue to receive HDIP during the Service member's hospitalization and rehabilitation. See Chapter 13.

2.8 Right to Flight Pay Under Certain Conditions

See Table 22-4.

2.9 Determinations Affecting Entitlement to Flight Pay

2.9.1. Flight Pay From Date of Reporting for Duty. A Service member is entitled to flight pay on and after the date that he or she reports for and enters on duty under competent orders, subject to meeting flight requirements. A Service member in a non-duty status (such as on leave or sick) at the time that flying status orders are issued is not entitled to flight pay for any period before he or she reports for and enters on duty under such orders.

2.9.2. Excess Flight Time. When authorized under paragraph 2.5, flight time in excess of the time required or insufficient to qualify for a particular month may be applied to a later month in which minimum requirements are not met, provided that the orders under which flying time was logged remain in effect.

2.9.3. Change of Designation, Non-Crewmember to Crewmember or Vice Versa. A Service member whose status changes from non-crewmember to crewmember (or vice versa) within a month or other qualifying period may not combine time flown in both categories for pay purposes. The Service member is entitled to flight pay, as a non-crewmember for the period of time Service member held that status, if he or she met the pro rata requirements as a non-crewmember. The Service member is entitled to flight pay as a crewmember, for the period of time he or she held that status, if he or she met the pro rata requirements as a crewmember.

2.9.4. Change From One Crewmember Status to Another Crewmember Status. Flights as one type of crewmember may be combined with flights as another type of crewmember if the Service member remains on continuous active duty and continuous flying status. Total requirements may be met in either crewmember status or a portion may be met in each status.

Example: An aviation cadet is given a rating as a navigator and issued new flying status orders immediately following termination of Service member's former orders.

2.9.5. Missing or Missing-in-Action

2.9.5.1. A Service member assigned to flying duty who is declared missing by competent authority is entitled to HDIP during the entire period of absence, and is entitled to HDIP for hospitalization and rehabilitation after termination of missing status for an additional period, not to exceed one year.

2.9.5.2. Upon return from a missing status and completion of any required period of hospitalization and rehabilitation (not to exceed 1 year), entitlement to HDIP for flying duty will be contingent on a determination of continued eligibility under paragraph 2.1 and the applicable flight requirement provisions of paragraph 2.4.

2.9.5.3. A new 3-month grace period does not start when the missing status and hospitalization ends. The new 3-month grace period starts with the first month of deficiency, after entering a missing status.

2.9.5.4. If the missing status and hospitalization goes beyond the 6-month grace period, the Service member must meet flight requirements for at least 1 month to become entitled to flight pay again.

2.9.5.5. If the Service member does not meet flight requirements upon the completion of an authorized missing and hospitalization period, he or she is entitled to pro rata HDIP for flying duty through the date of such authorized period.

2.9.6. Death

2.9.6.1. Death Due to Aviation Accident. If death occurs on the date of an aviation accident, flight pay accrues to include the date of death. If, however, death occurs after the 3-month period has expired, flight pay is not authorized for any day after the expiration of that period. Flight pay for the month or period before the month in which the accident occurred is not authorized unless flight requirements were met for that period.

2.9.6.2. Death Due to Other Causes. If death occurs from causes other than an aviation accident, flight pay is payable to and including the date of death if the Service member has met pro rata flight requirements for the month of death and was on flying status.

2.10 Suspensions From Flying Status, Effect on Flight Pay

2.10.1. Flight Pay for a Period of Suspension. Except under subparagraphs 2.10.2 and 2.10.3, Service members are not entitled to flight pay for any period while suspended from flying status. Service members are considered suspended on the effective date of suspension. Service members are considered to be in a flying status on the day that the suspension is removed or

terminated. Payment for a period of suspension cannot be made in any case until the suspension has been removed or terminated.

2.10.2. Suspension for Other Than Physical Incapacity for Service Members Required to Perform Minimum Flight Requirements. Service members are entitled to flight pay for a period of suspension from flying status, provided the suspension is removed or terminated and they meet flight requirements as prescribed in paragraph 2.4. If the Service member has excess flights performed before suspension, the grace period specified in paragraph 2.4 begins on the first month of the period of suspension not covered by excess flights.

Example: A Service member was suspended from flying status on February 1. He had 16 hours excess flying time as of January 31. Flight pay is stopped on January 31. The suspension subsequently is removed (or terminated) on June 30. He flew 12 hours in the month of July. After removal of the suspension, pay flight pay for February 1 through May 31 on the basis of the 16 excess hours accumulated in the 5 months before February 1. The grace period, authorized as stated in paragraph 2.4, started on June 1. The hours that were flown in July qualify the Service member for flight pay for June and July.

2.10.3. Suspension for Physical Incapacity of Service Members Subject to Minimum Flight Requirements. A Service member is entitled to flight pay during a period of grounding due to physical incapacity if he or she meets the flight requirements stated in paragraph 2.4. The Service member also is entitled to flight pay during a period of suspension, if the suspension is removed or terminated and flight requirements are actually met. There are no flight requirements during the first 3 months of a period of incapacity incurred as the result of performance of an assigned hazardous duty. See paragraph 2.7.

2.10.4. Suspension Removed or Terminated. If a suspension is removed or terminated after the Service member can no longer qualify for flight pay under subparagraphs 2.10.2 and 2.10.3, there is loss of pay for any period that is not covered by paragraph 2.4. Flight pay accrues after the suspension is removed or terminated for Service members required to meet minimum flight requirements from the date of reporting for flying duty after the suspension is removed or terminated, if flight requirements are met.

2.11 Payment of Flight Pay and Incentive Pay for Other Hazardous Duty

A Service member who qualifies for flight pay and incentive pay for one or more other types of hazardous duty may receive the flight pay and incentive pay only for two other hazardous duties for the same period. Dual HDIP is limited to those Service members required by orders to perform specific multiple hazardous duties necessary for successful accomplishment of the mission of the unit to which assigned.

2.11.1. Conditions of Entitlement. The hazardous duties for which dual incentive pay is payable must be an integral part of the Service member's assigned mission. Accomplishment of the assigned mission must require the Service member to perform specific multiple hazardous

duties. A Service member must meet minimum requirements for each of the hazardous duties, except for injury or illness.

2.11.2. Types of Duties That Qualify Service Member for Dual Payment of HDIP. See Chapter 24, subparagraph 2.4.1.

2.11.2.1. Air Force pararescue team Service members placed on orders to perform duties as both crewmembers and parachutists.

2.11.2.2. Other combinations of hazardous duties for which dual payments of incentive pay are authorized by the Military Services concerned.

2.11.3. Injury or Incapacity as a Result of Performance of Hazardous Duty or Dual Hazardous Duties. If a Service member who is required to perform more than one hazardous duty becomes injured or otherwise incapacitated as a result of any of the duties, he or she is entitled to dual incentive pay during the incapacity, but for no longer than 6 months. If not entitled to dual incentive pay at the time of the incapacity, the Service member is entitled to the type of incentive pay that he or she was receiving at the time of the incapacity. The beginning date of the 6-month period will be determined separately for each type of incentive pay. See paragraph 2.7 to determine the 6-month period separately for each incentive pay.

2.12 Authority to Issue Orders

Authority to issue orders requiring the performance of flying duty, granting waivers of performance requirements, or extending time periods during which requirements may be met is delegated by the Secretary of the Military Department concerned to specific commanders within each Military Service. Such delegations are contained in the personnel administrative regulations of the respective Military Services.

2.13 Monthly Rates

For the most current rates, see the [HDIP for Flying](#) table on dfas.mil.

2.13.1. HDIP for aircrew members may not exceed \$250 per month.

2.13.2. HDIP for non-aircrew members is \$150 per month

2.13.3. Service members who otherwise meet the eligibility criteria, but who do not participate in a full calendar month of flying duty, will receive a prorated HDIP payment as follows:

2.13.3.1. Prorating the monthly HDIP is required for Service members who fail to satisfy the eligibility requirements for the pay for the entire month. The amount of HDIP authorized for qualifying service during a day or portion of a day will be the amount equal to 1/30th of the monthly amount of HDIP payable to a Service member.

2.13.3.2. Service members are first entitled to HDIP on the date they report for, and begin performing, an eligible duty in compliance with competent orders. HDIP ends on the effective date published in orders for termination of such duty or the date the Service member is detached from and is no longer required to perform the hazardous duty, whichever occurs first.

2.13.3.2.1. When a Service member begins hazardous duty on a date other than the first day of a month, or terminates that duty prior to the last day of a month and otherwise meets the requirements of the pay for the month, the Service member is entitled to a prorated portion of HDIP for the month.

2.13.3.2.2. The prorated monthly amount is calculated using the daily rate to reflect the duration of the Service member's actual qualifying service during the month.

2.14 Repayment

An officer or enlisted member who fails to fulfill the eligibility requirements of this issuance or other conditions of service specified by the Secretary of the Military Department concerned will be subject to repayment consistent with [37 U.S.C. § 373](#), and Chapter 2.

2.15 Duration of Authority

HDIP may not be paid to any person after the date on the [Duration of Authority](#) table. No payments will be made after the termination date unless the person's entitlement commenced prior to that date.

3.0 AvIP FOR AVIATORS IN OPERATIONAL FLYING DUTY (OFD) OR PROFICIENCY FLYING DUTY (PFD) POSITIONS

3.1 General

The Secretaries of the Military Departments may offer AvIP(s) under 37 U.S.C. § 334(a) to increase their respective Department's ability to retain officers in a military aviation career and support the recruiting and retention of individuals with military aeronautical ratings or designations.

3.2 Eligibility

The Secretary concerned may pay AvIP to aviation officers performing in OFD or PFD positions. AvIP may only be paid to an officer who:

3.2.1. Is entitled to basic pay pursuant to [37 U.S.C. § 204](#) or to compensation under [37 U.S.C. § 206](#);

3.2.2. Maintains, or is in training to receive, an aeronautical rating or designation that qualifies the officer for OFD or PFD;

3.2.3. Engages in, or is in training to receive, frequent and regular performance of OFD or PFD;

3.2.4. Engages in or remains in aviation service for a specified period of time;

3.2.5. Achieves the minimum flight requirements of 4 hours during 1 calendar month or 24 hours during 6 consecutive months (the minimum flight hour requirement for RC officers not on active duty for a period of more than 30 consecutive days is 2 hours during 1 calendar month or 12 hours during 6 consecutive months). A certified flight simulator may be used to meet this requirement. The Secretary concerned may waive the minimum flight requirements:

3.2.5.1. For officers (except flight surgeons or medical officers) who meet the AvIP eligibility requirements in paragraph 3.2 while assigned to OFD or PFD positions; or

3.2.5.2. In extreme circumstances (e.g., military operations (combat or otherwise) or non-availability of aircraft), when the Secretary concerned may authorize a commanding officer to certify that an officer is unable to meet minimum flight requirements; and

3.2.6. Meets all applicable eligibility requirements and such other criteria, as the Secretary concerned determines appropriate.

3.3 Limitations and Restrictions

3.3.1. A Service member may not receive an incentive pay pursuant to 37 U.S.C. Chapter 5, Subchapter I and [37 U.S.C., Chapter 5, Subchapter II](#) for the same activity, skill, or period of service.

3.3.2. Officers receiving incentive payments pursuant to 37 U.S.C. §§ 301(a)(1), 301(a)(2), 301(a)(13) or 301a, are ineligible for AvIP.

3.3.3. Officers receiving AvIP pursuant to 37 U.S.C. § 334(a), may not receive HDIP pursuant to 37 U.S.C. § 351(a)(2), or skill incentive pay or proficiency bonuses pursuant to 37 U.S.C. § 353, for the same skill and period of service.

3.3.4. Service members temporarily medically incapacitated will be considered qualified for aviation service unless such incapacitation continues for more than 12 months. After 365 days of incapacitation, a Service member will be disqualified from aviation service and will not be requalified until the condition resulting in incapacitation is corrected or is subject to a waiver under regulations prescribed by the Secretary of the Military Department concerned. A competent medical authority must certify the Service member as medically qualified for operational flying duty (OFD) or proficiency flying duty (PFD). This guidance is only for the purposes of AvIPs and bonuses and does not otherwise restrict a Service's authority to place an aviator in an applicable flight status.

3.3.5. Service members permanently disqualified for aviation service or otherwise determined no longer eligible for aviation service, in accordance with this issuance and such

additional regulations prescribed by the Secretary of the Military Department concerned, are ineligible for AvIP or CSIP.

3.3.6. Service members are not authorized AvIP or CSIP payments for any periods of unauthorized absence.

3.4 Payments and Amounts

3.4.1. The National Defense Authorization Act for Fiscal Year 2017 authorized an increase to the maximum amount of monthly AvIP in 37 U.S.C. § 334 not to exceed the rate of \$1,000 per month to officers while serving in an OFD or PFD assignment. Unless otherwise updated by the Assistant Secretary of Defense (ASD) in accordance with DoD Instruction (DoDI) 7730.67, paragraph 2.1.b, officers performing qualifying duty or performing qualifying duty relating to unmanned aerial systems (UAS) may receive up to \$1,000.

3.4.2. The monthly Army Officer AvIP Rates are listed on Table 22-5. For the most current rates, see the [Monthly Army Officer Aviation Incentive Pay Rates](#) table on dfas.mil.

3.4.3. The monthly Navy Officer AvIP Rates are listed on Table 22-6. For the most current rates, see the [Monthly Navy Officer Aviation Incentive Pay Rates](#) table on dfas.mil.

3.4.4. The monthly Navy AvIP Rates for Officers in Administrative Milestone Billets are listed on Table 22-7. For the most current rates, see the Monthly Navy Aviation Incentive Pay Rates for [Officers in Administrative Milestone Billets](#) table on dfas.mil.

3.4.5. Under the provisions in subparagraphs 3.4.1, the Department of the Air Force (DAF) authorized an increase to the Air Force AvIP rates. The Air Force monthly AvIP rates are calculated based upon years of aviation service (YAS) established by the Aviation Service Date and are reflected in Table 22-8. For the most current rates, see the [Monthly Air Force Aviation Incentive Pay Rates](#) table on dfas.mil.

3.4.6. The monthly Marine Corps Officer AvIP Rates are listed on Table 22-9. For the most current rates, see the [Monthly Marine Corps Officer Aviation Incentive Pay Rates](#) table on dfas.mil.

3.4.7. The following are exceptions to the amounts in subparagraph 3.4.2 through 3.4.6:

3.4.7.1. Warrant Officers with over 22 YAS may continue to receive AvIP at the over 10 YAS rate until retirement.

3.4.7.2. Officers performing OFD or PFD while piloting UASs with over 14 YAS may receive AvIP up to \$1,000 per month up to 22 YAS.

3.4.8. AvIP for officers in aviation training will begin on the later of these two dates and will be prorated based on the number of days remaining in the month:

3.4.8.1. The date when the officer first reports to the aviation activity in which he or she will receive flight training in a specific aircraft leading to an aeronautical rating, and is placed on aeronautical orders; or

3.4.8.2. The date of commission.

3.4.9. AvIP payments for all other aviators will begin the day an officer signs in to an OFD or PFD assignment. The initial payment amount will be prorated based on the number of days remaining in the month.

3.4.10. At the discretion of the Secretary of the Military Department concerned, RC officers entitled to compensation under 37 U.S.C. § 206 are eligible for AvIP. The amount authorized will be equal to 1/30th of the monthly AvIP authorized by the Military Department concerned for each period of inactive duty training.

3.5 Repayment

An officer or enlisted member who fails to fulfill the eligibility requirements of this issuance or other conditions of service specified by the Secretary of the Military Department concerned, will be subject to repayment consistent with 37 U.S.C. § 373, and Chapter 2.

3.6 Duration of Authority

AvIP may not be paid to any person after the date on the Duration of Authority table. No payments will be made after the termination date unless the person's entitlement commenced prior to that date.

4.0 AVIP FOR AVIATORS NOT IN OFD OR PFD POSITIONS

4.1 General

The Secretaries concerned may pay AvIP to an officer who is otherwise qualified but who is not currently engaged in the performance of OFD or PFD, who meets each of the following three conditions:

4.1.1. The officer meets the eligibility criteria listed in subparagraphs 4.2.1 through 4.2.4;

4.1.2. The officer is assigned to a position listed in paragraph 4.4; and

4.1.3. The AvIP payment is in the best interest of the Military Service.

4.2 Eligibility

The Secretary concerned may pay AvIP to officers with an aeronautical rating (except flight surgeons or medical officers) with fewer than 25 YAS who are in non-OFD or PFD assignments and meet one of the following criteria:

4.2.1. Are eligible for AvIP continuously through 12 YAS;

4.2.2. Have performed at least 96 creditable months of OFD or PFD upon completion of 12 YAS. These officers are eligible for up to 18 YAS as long as they are assigned to a non-OFD or non-PFD assignment;

4.2.3. Have performed at least 120 creditable months of OFD or PFD upon completion of 18 YAS. These officers are eligible for AvIP for up to 22 YAS as long as they are assigned to a non-OFD or non-PFD assignment; or

4.2.4. Have performed at least 144 creditable months of OFD or PFD upon completion of 18 YAS. These officers are eligible for AvIP for up to 25 YAS as long as they are assigned to a non-OFD or non-PFD assignment. Aviation warrant officers may continue to receive AvIP beyond 25 YAS as long as they are assigned to an assignment in paragraph 4.4.

4.3 Limitations and Restrictions

See paragraph 3.3.

4.4 Non-OFD or Non-PFD Assignments

Qualified aviation officers (except flight surgeons or other medical officers) who meet the eligibility criteria in paragraph 4.2 may receive AvIP when assigned to any of the following non-OFD or non-PFD assignments:

4.4.1. A Joint assignment or position on the Joint Duty Assignment List;

4.4.2. Attending resident professional military education or a fully-funded graduate education program authorized by the Secretary of the Military Department concerned;

4.4.3. Aviation-specific positions that must be filled by officers with an aeronautical rating; or

4.4.4. Career-enhancing assignments outside of aviation or based on the needs of the Military Services for a period not to exceed 48 consecutive months.

4.5 Transition Period

Upon publication of Service regulation, officers in receipt of continuous ACIP pursuant to 37 U.S.C. § 301a may receive AvIP for the remaining period of aviation service as specified in 37 U.S.C. § 301a(a)(4)(5), or 48 months, whichever is less. After this time, an aviator must be assigned to a position in accordance with section 3.0 or subparagraphs 4.4.1 through 4.4.3.

4.6 Payments and Amounts

4.6.1. The Secretaries concerned may pay monthly AvIP to aviators who meet the YAS criteria in paragraph 4.2 and are serving in positions listed in paragraph 4.4.

4.6.2. At the discretion of the Secretary of the Military Department concerned, RC officers entitled to compensation under 37 U.S.C. § 206 are eligible for AvIP. The amount authorized will be equal to 1/30th of the monthly AvIP authorized by the Military Department concerned for each period of inactive duty training.

4.7 Repayment

See paragraph 3.5.

4.8 Duration of Authority

See paragraph 3.6.

5.0 CRITICAL SKILL INCENTIVE PAY (CSIP)

5.1 General

The Secretary concerned may designate a career field or skill as critical for the purposes of offering a skill incentive pay. The following specialties are designated as critical and are eligible for CSIP:

5.1.1. Qualified career enlisted members who meet the eligibility requirements in paragraph 5.2; or

5.1.2. Enlisted UAS operators who meet the eligibility requirements in paragraph 5.2.

5.2 Eligibility

CSIP is payable on a monthly basis in accordance with 37 U.S.C. § 353 to a Regular or RC enlisted member who:

5.2.1. Is entitled to basic pay pursuant to 37 U.S.C. § 204 or to compensation under 37 U.S.C. § 206;

5.2.2. Serves in a military career enlisted aviation occupational specialty or rating designated as critical by the Secretary of the Military Department concerned;

5.2.3. Qualifies for aviation service under regulations prescribed by the Secretary of the Military Department concerned; and

5.2.4. Meets other criteria the Secretary concerned deems appropriate.

5.3 Limitations and Restrictions

In addition to the limitations and restrictions prescribed in this paragraph, see paragraph 3.3.

5.3.1. Enlisted members receiving incentive payments pursuant to 37 U.S.C. §§ 301(a)(1), 301(a)(2), 301(a)(13) or 320, are ineligible for CSIP.

5.3.2. Enlisted members receiving CSIP pursuant to 37 U.S.C. § 353(a), may not also receive HDIP pursuant to 37 U.S.C. § 351(a)(2), for the same period of service in the same career field or skill.

5.3.3. Enlisted members may receive only one skill incentive payment in any given month for the same skill and period of service, pursuant to 37 U.S.C § 353(a).

5.3.4. Enlisted members may not receive CSIPs and proficiency bonuses, in accordance with 37 U.S.C. § 353, for the same skills and periods of service.

5.3.5. Officers are not authorized CSIP.

5.4 Terms and Conditions of CSIP Written Agreements

The Secretary concerned may require a Service member to enter into a written agreement in order to qualify for a CSIP payment. The agreement must specify the period for which the Service member will receive CSIP and the monthly rate of pay.

5.5 Payments and Amounts

5.5.1. The Secretaries of the Military Departments concerned may pay monthly CSIP to eligible Service members who meet the CSIP requirements in an amount not to exceed \$600 per month. See Table 22-10. For the most current rates, see the Monthly Critical Skill Incentive Pay Rates for [Air Force Enlisted Flyers](#) table on dfas.mil.

5.5.2. If a Service member does not satisfy the eligibility requirements specified in paragraph 5.2 for an entire month, the Secretary concerned may prorate the payment amount to reflect the duration of the Service member's actual qualifying service during the month.

5.5.3. RC Service members entitled to compensation under 37 U.S.C. § 206 are eligible for CSIP at the discretion of the Secretary concerned. The amount will be equal to 1/30th of the monthly CSIP authorized by the Military Department concerned for each period of inactive duty training.

5.6 Repayment

See paragraph 3.5.

5.7 Duration of Authority

CSIP may not be paid to any person after the date on the Duration of Authority table. No payments will be made after the termination date unless the person's entitlement commenced prior to that date.

CHAPTER 23

SUBMARINE DUTY PAY

1.0 GENERAL

1.1 Purpose

The purpose of this chapter is to provide policy pertaining to Submarine Duty Pay for members of the Navy, as authorized by law. A member of the Navy who is entitled to basic pay, may be paid submarine duty incentive pay for the frequent and regular performance of operational submarine duty required by orders (including on a submarine of a foreign nation).

1.2 Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), including Title 37. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 INCENTIVE PAY FOR OPERATIONAL SUBMARINE DUTY

2.1 Purpose

Incentive pay for operational submarine duty is designed to recognize the arduous nature of submarine duty assignments. The Secretaries of the Military Departments concerned may establish an operational submarine duty incentive pay program to encourage volunteerism for submarine duty assignments.

2.2 Eligibility

The Secretaries of the Military Departments concerned will establish eligibility criteria based on Service-specific needs for submarine duty assignments.

*2.3 Amount

The Secretaries of the Military Departments concerned will establish monthly rates, based on level of responsibility and time of submarine service. The maximum amount of operational submarine duty incentive pay per month will not exceed \$1,000. [The monthly rates of submarine duty pay for commissioned officers, warrant officers, and enlisted members are contained in Tables 23-1, 23-2, and 23-3. For the most current rates see the Submarine Duty Pay Rates table on DFAS.MIL.](#)

2.4 Definition of Terms for “Operational Submarine Duty”

2.4.1. “Operational submarine duty” means duty performed:

2.4.1.1. While assigned under competent orders to a submarine;

2.4.1.2. While serving as an operator or crew member of an operational submersible (including an undersea exploration or research vehicle);

2.4.1.3. While undergoing initial submarine training prior to assignment to a nuclear-powered submarine;

2.4.1.4. While undergoing rehabilitation training after assignment to a nuclear-powered submarine;

2.4.1.5. In the case of members qualified for the submarine service, while assigned as a member of a submarine operational command staff whose duties require serving on a submarine during underway operations:

2.4.1.5.1. During 1 calendar-month: 48 hours, except that hours served underway in excess of 48 hours as a member of a submarine operational command staff during any of the immediately preceding 5 calendar-months and not already used to qualify for incentive pay, may be applied to satisfy the 48-hour underway time requirements for the current month;

2.4.1.5.2. During any 2 consecutive calendar-months when requirements of subparagraph 2.4.1.5.1 have not been met: 96 hours; or

2.4.1.5.3. During any 3 consecutive calendar-months when requirements of subparagraph 2.4.1.5.2 have not been met: 144 hours;

2.4.1.6. While receiving training and instructions for assignment to a submarine of advanced design; or

2.4.1.7. While receiving instructions to prepare a submariner for a position of increased responsibility on a submarine.

2.4.2. The term “submarine service” means the service performed by a member under regulations prescribed by the Secretary of the Navy. The years of submarine service are computed beginning with the effective date of the initial order to perform submarine service.

2.5 Submarine Duty Pay Start and Stop Dates

See Table 23-4.

2.6 Submarine Operational Command Staff Members

2.6.1. General rules for meeting underway time requirements, including determination of a 2- or 3-month grace period, are substantially the same as those for flying pay. (See Chapter 22.)

2.6.2. For the fractional part of a calendar month, or fractional parts of 2 consecutive calendar months (duty begins in 1 month and ends in the following month), the underway time required, based on the requirement of 48 hours for a calendar month, will be determined from Table 23-5.

2.7 Temporary Additional Duty or Authorized Leave

A member, who is entitled to submarine duty pay, retains entitlement during periods of temporary additional duty or authorized leave. However, a submarine operational command staff member is required to fulfill the underway time requirements to retain entitlement during such periods if not otherwise entitled to continuous monthly submarine duty pay in accordance with section 3.0.

2.8 Missing Status - Member's Entitlement

A member receiving submarine duty pay when declared missing by a competent authority is entitled to submarine duty pay during the period of absence and for the period, not to exceed 1 year, required for hospitalization and rehabilitation after termination of missing status. The member's entitlement to submarine duty pay, upon termination of the period of eligibility, will be contingent on a determination of continued eligibility.

2.9 Restriction

2.9.1. An officer who fails selection for assignment as an executive officer or commanding officer of a submarine, or who declines to serve in either such position, may not be paid submarine duty pay except for periods during which such officer is serving on a submarine during underway operations.

2.9.2. A Service member cannot receive both continuous submarine duty pay (CONSUBPAY) and operational submarine duty incentive pay at the same time for the same period of service. When CONSUBPAY eligibility is not met, personnel may be eligible for operational submarine duty incentive pay for any period attached under orders to operational submarine duty, whether temporarily or permanently assigned.

3.0 CONTINUOUS SUBMARINE DUTY SKILL INCENTIVE PAY FOR SUBMARINE SERVICE MEMBERS

3.1 Purpose

The Navy may offer CONSUBPAY to active duty Service members who volunteer to serve in, and remain serving in, the submarine service on a career basis in a submarine duty designation or designator.

3.2 Eligibility

A member of the submarine service (as defined in subparagraph 2.4.2) may be eligible for CONSUBPAY if they meet the following requirements:

3.2.1. Hold a submarine duty designation or designator, or are in training to receive a submarine duty designation or designator;

3.2.2. Have a valid submarine service entry date and have obtained the prescribed amount of total operational submarine service (TOSS) at the completion of 12 and/or 18 years of submarine service. Prior to 12 years of service, there is no minimum TOSS requirement for CONSUBPAY;

3.2.3. Enlisted members serving ashore must maintain a sufficient period of obligated service as specified in the Office of Chief of Naval Operations Instruction (OPNAVINST) 7220.15 (including any extension of enlistment) to be able to be reassigned to submarine duty. Officers must remain qualified for follow-on submarine service while serving ashore;

3.2.4. Maintain physical qualifications for submarine service;

3.2.5. Have less than 26 years of service; and

3.2.6. Meet other applicable requirements outlined by the Secretary of the Navy.

3.3 Additional Eligibility Requirements

3.3.1. To remain eligible for CONSUBPAY through 26 years of service (excluding, in the case of an officer, any period of service as an enlisted member) a member must accumulate at least 6 years of TOSS in the first 12 years of submarine service, and at least 10 years of TOSS in the first 18 years of submarine service. However, if a member accumulates at least 8 but less than 10 years of TOSS after 18 years of submarine service, the member remains eligible for CONSUBPAY through 22 years of service (excluding, in the case of an officer, any period of service as an enlisted member).

3.3.2. If, upon completion of either 12 or 18 years of submarine service, it is determined that a member has failed to perform the minimum prescribed operational submarine duty requirements during the prescribed periods of time, the eligibility for continuous monthly submarine duty pay ceases. If continuous monthly submarine duty pay ceases upon completion of 12 years of submarine service, a member may be eligible to re-qualify for the pay if after the completion of 18 years of submarine service, the minimum operational submarine duty requirements have been met. At which time, the pay may resume for the period of time prescribed in this section. However, if entitlement to continuous monthly submarine duty pay ceases in the case of any member at the completion of either 12 or 18 years of submarine service or 26 years of service (as computed under Chapter 1, section 2.0), such member will only be eligible for operational submarine duty pay in the amount specified in section 2.0 for the performance of submarine duties while assigned to a submarine during underway operations.

NOTE: In the case of an officer, any period as an enlisted member, before initial appointment as an officer, is excluded.

3.4 Rates

The monthly rates of submarine duty pay are the same as indicated in Tables 23-1 through 23-3.

3.5 Missing Status - Member's Entitlement

The provisions of paragraph 2.8 are applicable to submarine duty pay entitlement under this section.

3.6 Restriction

3.6.1. Pursuant to [37 U.S.C. § 353\(h\)](#), a Service member may not be paid more than one pay under the section in any month for the same period of service and skill.

3.6.2. Service members temporarily unable to perform submarine duty due to a physical or medical condition, not the result of the member's own misconduct, may continue to receive CONSUBPAY for a period of up to 6 months. After 6 months, CONSUBPAY will be terminated and may not be reinstated until the condition resulting in the physical or medical restriction is corrected and the member is again certified for submarine duty by a competent Undersea Medical Officer.

3.6.3. Service members permanently disqualified or otherwise determined to be no longer eligible to perform submarine duty, are ineligible for CONSUBPAY.

3.6.4. In accordance with the Memorandum for Assistant Secretary of the Navy (ASN) for Manpower and Reserve Affairs (M&RA), dated January 26, 2018 a Service member, who receives CONSUBPAY and fails to satisfy the eligibility requirements for receipt of the pay, will be subject to having the pay terminated. Repayment of any unearned portion or overpayment will be in accordance with the provisions of [37 U.S.C. § 373](#), Chapter 2, and Volume 16, Chapter 3.

2. When an off-ship crew member, in a training and rehabilitation status, performs travel in connection with a change of home port of the member's submarine by means other than the submarine, member's entitlement to submarine pay continues during period in transit.
3. This rule also applies to officers, who previously qualified in submarines as enlisted members, while attending the following:
 - a. Submarine Officers' Basic Course or Submarine Officers' Indoctrination Course, for the specific purpose of preparing for a position in a nuclear-powered submarine; or
 - b. A course of instruction listed in the OPNAVINST 7220.15, December 28, 2005, specifically preparing them for positions of increased responsibility in nuclear-powered submarines.

CHAPTER 24

INCENTIVE PAY - HAZARDOUS DUTY OTHER THAN AERIAL FLIGHTS

1.0 GENERAL (2401)

1.1 Purpose (240101)

The Secretaries of the Military Departments may offer hazardous duty incentive pay (HDIP) payments to Service members who under competent orders are required to perform duties designated as hazardous, based upon the inherent dangers of the duty and the risks of physical injury. This chapter establishes the policy pertaining to the monetary incentive to Service members who perform these duties.

1.2 Authoritative Guidance (240102)

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), Title 37. Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 ENTITLEMENT (2402)

2.1 Eligibility (240201)

In order to receive HDIP, a Regular or Reserve Component Service member must:

2.1.1. Be entitled to basic pay under [37 U.S.C. § 204](#) or [37 U.S.C. § 206](#);

2.1.2. Be serving under competent orders to perform the hazardous duty; and

2.1.3. Be in training, or have completed qualifying training and meet eligibility criteria for the performance of the hazardous duty.

2.2 Member of the Reserve Components (RC) (240202)

2.2.1. A member of the RC on extended active duty (EAD), who is ordered to perform any of the hazardous duties listed in sections 3.0 through 13.0, is entitled to pay based on the terms of this chapter.

2.2.2. A member of the RC on active duty training (ADT), who is ordered to perform any of the hazardous duties listed in sections 3.0 through 13.0 is entitled to pay based on Chapter 57, paragraphs [570302](#) and [570401](#) and Table 24-1, rules 9 through 13.

2.3 Payment Method and Amounts (240203)

2.3.1. Rates. A member who qualifies for HDIP under this chapter is entitled to the rate prescribed for the type of duty performed. The most current rates are in the [HDIP Rates](#) table on DFAS.MIL.

2.3.2. Proration. In the case of a member of the Regular Component, HDIP commences on the date the member reports for, and begins performing an eligible duty in compliance with competent orders. Entitlement ceases on the effective date published in orders for termination of such duty or the date the member is detached from and no longer required to perform the hazardous duty, whichever occurs first. When a member commences hazardous duty on a date other than the first day of a month, or terminates that duty on a date other than the 30th of a month (28th or 29th of February, as appropriate) and otherwise meets the requirements of this chapter for the month, he or she is entitled to a prorated portion of rate of pay for the month. In the case of an RC member, see subparagraph 2.2.2.

2.4 Multiple Payments of HDIP (240204)

Service members performing multiple hazardous duties may receive a maximum of three HDIP payments per month. Multiple HDIP is limited to those members required by orders to perform specific multiple hazardous duties necessary for successful accomplishment of the mission of the unit to which assigned. Members must meet minimum requirements for each hazardous duty, unless excepted as provided in paragraph 2.6.

2.4.1. Aviation Incentive Pay (AvIP) and HDIP. Officers entitled to AvIP and enlisted members entitled to Critical Skill Incentive Pay (CSIP), may receive not more than two types of HDIP under the provisions of this chapter provided the conditions for entitlement have been independently met. Officers and enlisted members entitled to HDIP for flying duty (in lieu of AvIP or CSIP), may receive not more than two other HDIPs under the provisions of this chapter provided the conditions for entitlement have been independently met.

2.4.2. Restriction With Regard to Parachute Duty. Only one type of parachute duty payment (regular or military free fall) is authorized for a qualifying period. When a member qualifies for both types of parachute duty, the higher rate of pay is authorized. Unless otherwise restricted by Military Service regulations (for example, restrictions on manning classification), a member who qualifies for a military free fall rate for a month in which the member earlier qualified for the regular rate of parachute pay will be entitled to the difference between the monthly rate of \$150 and \$225.

2.5 Injury or Incapacity Resulting From Performance of Hazardous Duty (240205)

Service members qualified for HDIP who are temporarily unable to perform a hazardous duty due to an injury or illness that is not the result of the Service member's own misconduct may continue to receive HDIP for up to 6 months. Appropriate medical authority determines the cause of the incapacity and the dates thereof.

2.5.1. Case-by-Case Exception. On a case by case basis, the Secretary concerned, or designee, may authorize an extension of HDIP payments for up to an additional 6-months, based on the recommendation of the appropriate medical authority. Under no circumstance may HDIP payments continue beyond 12 months from the date of injury or illness.

2.5.2. Termination of HDIP. HDIP will be terminated for Service members permanently disqualified or otherwise determined to be no longer eligible to perform hazardous duty by a competent medical authority.

2.5.3. Reassignment or Reclassification. Service members reassigned to a new duty assignment or specialty not eligible for HDIP will have their HDIP payments terminated on the date of reassignment or reclassification.

2.5.4. Combat Zone. If the injury or illness occurred while serving in a combat zone, hostile fire area, or imminent danger area, the Service member may continue to receive HDIP during his or her hospitalization and rehabilitation in accordance with [37 U.S.C. § 372](#). See Chapter 13, section [1302](#) for additional details.

2.6 Authority to Issue Orders (240206)

Authority of the Military Departments to issue orders requiring performance of hazardous duty is delegated by the Secretaries to specific commanders within each Military Service. These delegations are contained in personnel administrative regulations of the respective Military Services.

2.7 Missing Status - Member's Entitlement (240207)

A member, receiving an HDIP listed in sections 3.0 through 14.0, when declared by competent authority to be missing (as defined in the Definitions Chapter), is entitled to HDIP during the period of absence and for any period, not to exceed 1 year, required for hospitalization and rehabilitation after termination of the missing status. The member's entitlement to HDIP, upon termination of any required period of hospitalization and rehabilitation or the 1-year period after date of return from missing status, whichever is earlier, will be contingent on a determination of continued eligibility under section 2.0 and the applicable requirements.

*2.8 Duration of Authority (240208)

Unless authorized by Congress, no HDIP payment may be paid after the termination date on the [Duration of Authority](#) table.

3.0 PARACHUTE DUTY (2403)

3.1 Entitlement (240301)

3.1.1. General. Qualified members are those who have received a designation as a parachutist, including those undergoing training for such designation; who is required by competent orders to engage in parachute jumping from an aircraft in aerial flight, and who meet the minimum performance requirements.

3.1.2. Performance Requirements. To qualify for parachute duty pay for a 3-month period the Service member is required to jump at least once during the 3-month period. If a Service member is not able to perform at least one jump in a 3-month period due to reasons beyond the Service member's control, the Service member may jump twice during a 6-month period, including two jumps within the same month, to maintain pay eligibility for 2 consecutive 3-month periods. The following exceptions are waivers to the 3-month jump rule:

3.1.2.1. Non-availability of jump equipment or aircraft, attendance at military education or training of less than 179 days, or inclement weather. Commanding officers, in the pay grade of O-5 or above, may waive the jump requirement for one jump during a 12-month period. Service members must maintain their proficiency through refresher training in lieu of jumping in order to retain eligibility for parachute duty pay during the waived period;

3.1.2.2. The appropriate commander, grade O-7 or above, may waive the minimum jump requirement when a Service member is unable to perform a jump due to combat operations or being operationally deployed. Upon returning from deployment, the Service member must complete airborne refresher training and jump within 3 months; or

3.1.2.3. Service members must maintain their eligibility for parachute pay through the actual performance of a parachute jump unless the minimum jump requirement is waived. If the Service member does not have a waiver and fails to meet the minimum jump requirement, the parachute duty pay will be discontinued and any overpayment or unearned portion of pay will be subject to repayment in accordance with [37 U.S.C. § 373](#) and [37 U.S.C. § 1007](#).

3.1.3. Military Free Fall

3.1.3.1. Service members who qualify for military free fall duty, must perform duty involving parachute jumping, as an essential part of their military duties, in military free fall operations where parachute deployment by the jumper occurs without the use of a static line.

3.1.3.2. Qualifying members are those who have received a designation as a military free fall parachutist, including those undergoing training for such designation; who are

required by competent orders to engage in parachute jumping from an aircraft in aerial flight; and who meet the requirements of paragraph 3.1. Performance requirements must be satisfied by military free fall jumps.

3.2 Parachute Jumps-Leave, Permanent Change of Station (PCS), Temporary Duty Travel (TDY)/Temporary Additional Duty (TAD), or ADT (240302)

Qualifying jumps for entitlement to parachute pay will be performed during a period of duty requiring parachute jumping as established by competent orders. Parachute jumps performed under the following circumstances do not qualify a member for entitlement to parachute pay:

3.2.1. Parachute jumps performed by any member while on leave or during PCS or TDY/TAD not requiring parachute jumping as an essential part of the duty; and

3.2.2. Parachute jumps performed by a member of an RC while on ADT that does not require parachute jumping as an essential part of the duty.

3.3 Rates (240303)

The HDIP rates for parachute duty are:

3.3.1. HDIP for static line parachute jumping is \$150 per month (see the HDIP Rates table for the most current rate).

3.3.2. HDIP for a military freefall parachutist is \$225 per month (see the HDIP Rates table for the most current rate).

3.3.3. HDIP for parachute duty may be paid, provided prescribed requirements are met, only from the date of reporting for duty or training. Service members who arrive after the first day of the month or depart prior to the end of the month and are not on competent orders for a full calendar month will receive a prorated HDIP payment for these months.

4.0 FLIGHT DECK DUTY (2404)

4.1 Entitlement (240401)

4.1.1. Conditions of Entitlement. A member is entitled to flight deck HDIP (FDHDIP) when the member:

4.1.1.1. Serves on the crew of an eligible air capable ship or an aviation unit operating from such a ship, fixed-wing-aircraft carrier or an aviation unit operating from that type of carrier;

4.1.1.2. Is ordered by competent authority to duty in a billet which requires frequent and regular participation in flight operations; and

4.1.1.3. Participates, within a calendar month, in 4 days of flight operations or their equivalent on the flight deck of eligible air capable ships.

4.1.2. Quotas and Billets. The number of members entitled to FDHDIP is subject to the monthly quotas applicable to the eligible air capable ships and type or combination of air units operating from such ships, as promulgated in the Chief of Naval Operations (OPNAV) Instruction 7220.4 series.

4.1.3. Members on TDY or TAD. Members on TDY or TAD in the crew of an aircraft carrier or other eligible air capable ship or an aviation unit operating from such a ship may be ordered to flight deck hazardous duty (FDHD) billets. When so ordered, they are eligible for HDIP for the actual period specified in the orders provided they meet the minimal participation requirements for an entire month (4 days of flight operations or their equivalent) within each calendar month.

4.1.4. Multiple Payments. Members receiving HDIP for any other type of hazardous duty are not entitled to FDHDIP for the same period.

4.2 Specialized Terms (240402)

4.2.1. Eligible Air Capable Ship. A ship having a flight deck that has been certified to launch or land aircraft under Chief of Naval Operations ship or helicopter facility certification program.

4.2.2. Flight Operations. The period of time during which launch and recovery of aircraft are in progress on the flight deck of an eligible air capable ship. It includes the turn-up and movement of aircraft preparatory to launch and the movement and shutdown of aircraft immediately following recovery.

4.2.3. Day of Flight Operations. One day of flight operations will consist of a calendar day during which any combination of aircraft takeoffs and/or landings takes place, as specified for each ship by class in OPNAV Instruction 7220.4 series. Four days of such flight operations, or the equivalent thereof, will constitute the basic calendar month qualification criteria.

4.2.4. Equivalent of 4 Days of Flight Operations. Any single day or combination of days during a calendar month in which the number of aircraft takeoffs and/or landings equals the monthly total requirement for that class ship in OPNAV Instruction 7220.4 series will constitute the equivalent of 4 days of flight operations.

4.2.5. FDHD Billet. A billet that requires frequent and regular participation in flight operations on the flight deck of an eligible (certified) ship as promulgated in the OPNAV Instruction 7220.4 series.

4.2.6. Participation. Service members must be present, during flight operations, at an assigned station on the flight deck of an aircraft carrier or a ship other than an aircraft carrier from which aircraft are launched and recovered during flight operations.

4.3 Rates (240403)

FDHDIP is paid to eligible members at a rate of \$150 per month (see the HDIP Rates table for the most current rate). Service members who meet entitlement criteria, but who do not participate in a full calendar month of flight operations will receive a prorated FDHDIP payment. The prorated amount will be determined by multiplying 1/30th of the monthly FDHDIP rate by the number of days the member actually performed in an FDHD billet aboard ship for the partial month.

4.4 Commencement and Termination of FDHDIP (240404)

Eligibility for entitlement to FDHDIP begins on the date a member is ordered to duty in an FDHD billet. Entitlement eligibility ends on the date the orders to such billet are revoked, or when a member is permanently detached from the aircraft carrier, other eligible air capable ship, or aviation unit, whichever occurs first. Orders may be terminated for other reasons but not for the sole purpose of providing FDHDIP for additional members.

4.5 Right to Pay Under Certain Conditions (240405)

See Table 24-1.

5.2 Rates (240502)

HDIP for demolition duty is \$150 per month (see the HDIP Rates table for the most current rate). HDIP is payable for any full calendar month, provided the prescribed requirements are met at least one time during the calendar month, or is prorated under subparagraph 2.3.2 for any portion of a calendar month during which a member under competent orders performs demolition duty.

5.3 Performance Requirements (240503)

A member, who is assigned to demolition duty by competent orders and performs such duty during the month involved, is eligible for HDIP for that duty provided live explosives are used. Service members failing to meet the monthly minimum requirement for demolition duty HDIP will have their pay discontinued and any overpayment or unearned portion of the pay will be subject to repayment. Local commanders are responsible for ensuring that the finance officer is informed when a member fails to perform the monthly demolition duty required for entitlement to the HDIP.

CHAPTER 25

SUBSISTENCE ALLOWANCES

1.0 GENERAL

1.1 Purpose

Each member of a uniformed service entitled to basic pay is entitled to Subsistence Allowances subject to the conditions set forth in this chapter.

1.2 Authoritative Guidance

The policies and requirements established by DoD for subsistence allowances in this chapter are derived primarily from and prepared in accordance with Title 37, United States Code, section 402 ([37 U.S.C. § 402](#)). Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 BASIC ALLOWANCE FOR SUBSISTENCE (BAS)

2.1 Eligibility

Upon completion of initial basic military training, unless otherwise restricted as described in paragraph 2.3, a member becomes entitled to one of the following monthly BAS rates based upon their rank and circumstances.

2.1.1. Officer BAS. A single rate of BAS applies to all officers.

2.1.2. BAS for Enlisted Members. Enlisted members are entitled to one of the following BAS rates.

2.1.2.1. Enlisted BAS. Enlisted BAS is the monthly standard rate that is payable to enlisted members unless they qualify for, and proper authority approves, BAS II.

2.1.2.2. Enlisted BAS II. Enlisted BAS II is the monthly rate that may be payable to members on duty at a permanent station and assigned to single (unaccompanied) Government quarters, which do not have adequate food storage or preparation facilities, and where a Government mess is not available, and the Government cannot otherwise make meals available. The BAS II rate is twice the rate of standard enlisted BAS. BAS II may be paid to enlisted members of the Navy assigned to vessels in a pre-commissioning status or who otherwise meet criteria set forth in the Military Personnel Manual (MILPERMAN) 7220-182. The Air Force has authorized payment of BAS II to members at specific locations.

2.1.3. Continuity of Enlisted BAS Entitlement

2.1.3.1. Enlisted members continue their existing BAS entitlement without interruption upon discharge or retirement, if reenlistment or recall to active duty is completed at the same station within 24 hours.

2.1.3.2. Enlisted members continue their existing BAS entitlement without interruption during weekends, holidays, administrative absence, pass, or liberty (not including leave).

*2.2 Payment

2.2.1. The rates for BAS are listed in Table 25-1, for the most current rates, see [BAS table on DFAS.MIL](#).

2.2.2. Enlisted BAS in Specific Situations. The following policy will be used in determining whether BAS or BAS II applies in specific situations:

2.2.2.1. Enlisted BAS rates will be applied uniformly for all enlisted members under similar conditions permanently assigned to the same installation, station, base, or ship. The installation commander/commanding officer will ensure the uniform application of BAS rates for members under similar conditions, whether from a single Service or more than one Service. If there is conflict between Service directives that prevents uniform application of BAS, the commander/commanding officer will report the differences, through appropriate channels, to the Secretaries of the Military Departments concerned, who will confer to ensure uniform determinations on the authorized BAS rate.

2.2.2.2. Enlisted members on authorized leave (including proceed time, authorized delays en route between duty stations chargeable as leave, and convalescent leave) are entitled to the standard enlisted BAS rate, regardless of the BAS rate authorized at their Permanent Duty Station (PDS).

2.2.2.3. Enlisted members performing Permanent Change of Station (PCS) travel (including Temporary Additional Duty or Temporary Duty (TAD/TDY)) en route under orders away from their designated post of duty are entitled to the standard enlisted BAS rate, regardless of the BAS type authorized at their previous or subsequent PDS.

2.2.2.4. Enlisted members receiving BAS II at their PDS who are hospitalized or performing regular or permissive TAD/TDY (including field duty, sea duty, Essential Unit Messing (EUM), or members traveling together with limited or no per diem travel) under orders away from their PDS will revert to standard enlisted BAS for the period of hospitalization or absence from the PDS.

2.2.2.5. Enlisted members will be entitled to the standard enlisted BAS rate for any day they are under orders for leave or PCS travel. This includes the day of commencement and day of termination of the status under those orders.

2.2.2.6. Enlisted members who change BAS status at the direction or by permission of a commander, under blanket authority, or at the member's request will have the entitlement change take effect at the beginning of the day specified in writing by the commander.

2.2.3. Advance Payments. Specific circumstances for advance payment of BAS are contained in Chapter 32, paragraph 2.5.

2.2.4. Effect on Overseas Station Allowances. BAS is paid in conjunction with the overseas Cost-Of-Living Allowances (COLA) authorized by the Joint Travel Regulations.

2.3 Restrictions

2.3.1. Military members are not entitled to BAS of any type under the following conditions:

2.3.1.1. When undergoing Basic Military Training, including initial officer training (Officer Candidate School, Officer Training School), except when the member has continuous prior enlisted service (active or reserve). Members will be subsisted-in-kind while attending initial basic military training;

2.3.1.2. When in an excess leave status;

2.3.1.3. When in an absent-without-leave status, in excess of 24 hours, unless the absence is excused as unavoidable;

2.3.1.4. When on an approved educational leave of absence not exceeding 2 years;

2.3.1.5. When a member with no dependents is training for, attending, or participating in Pan American games, Olympic games, or other specifically authorized international amateur sport competitions and the sponsoring agency subsists them during that period; or

2.3.1.6. When a court-martial sentence imposes forfeiture of pay and allowances.

2.3.2. Enlisted members are not authorized BAS II when a government mess is temporarily closed for less than 14 days

2.4 Government Provided Meals

2.4.1. A military member being paid BAS must pay for all meals or rations provided by or on behalf of the Government, except as provided in subparagraph 2.4.1. This is a personal obligation of the individual. Meals or rations may be paid with cash tendered to the Government mess by the member or, under certain circumstances, the amount owed may be collected/deducted from the member's travel per diem (a member under orders for EUM has no entitlement to subsistence travel per diem), or from the member's pay account. When payment is made from a

pay account, the payment is not considered a deduction from or reduction of the entitled BAS; rather it is a collection for a debt owed to the Government (see Table 25-2).

2.4.2. A member is not required to pay for meals provided while the member undergoes medical recuperation or therapy, or is otherwise in the status of continuous care, including outpatient care, at a military treatment facility for an injury, illness or disease incurred while the member was on active duty:

2.4.2.1. In support of Operation Enduring Freedom, Operation Iraqi Freedom, Operation New Dawn, Operation Freedom's Sentinel; or

2.4.2.2. In any other operation designated by the Secretary of Defense as a combat operation or in an area designated by the Secretary as a combat zone.

2.4.3. Mandatory pay account collection may be imposed for enlisted members in certain situations. These are circumstances where it is not feasible to control dining access or collect cash due to operational constraints or where efficiency of operation requires collection for all meals. When a commander/commanding officer requires mandatory pay account collection, the collection will be made for all meals available, whether the meals are actually eaten or not. Mandatory collections are made day-for-actual-day, not on a 30-day month basis. Unless the member is receiving a per diem for subsistence, the collection will be at the discount meal rate.

2.4.3.1. Mandatory pay account collection may be required in the following situations:

2.4.3.1.1. Field duty;

2.4.3.1.2. Sea duty;

2.4.3.1.3. Members traveling together with limited or no per diem travel;

2.4.3.1.4. Accession Pipeline Military Training;

2.4.3.1.5. EUM; or

2.4.3.1.6. Essential Station Messing (ESM).

2.4.3.2. Mandatory pay account collection for meals does not apply to the following:

2.4.3.2.1. Members on official leave, in a PCS status (including travel time and proceed time), in a military treatment facility, or on TAD/TDY other than TAD/TDY to another situation requiring mandatory pay account collection for meals. In these instances, pay account collections will be suspended or adjusted with a credit and the Government mess will be responsible for collecting from the member for any meals served.

2.4.3.2.2. Members who have missed meals, as certified by the commanding officer/commander or their designee. Collections will be suspended or adjusted with a credit.

2.4.3.3. Pay account collections will be at 25-percent of the discount meal rate for the first and last day of assignment in situations requiring mandatory collection. A member transitioning directly between two mandatory meal collection situations will be treated as though the collection period were continuous and will not receive the 25-percent reduced charge for the transition. The 25-percent reduced meal charge does not apply for leave periods. Full collections will be made on the duty days before and after the leave period.

2.4.4. In circumstances other than those requiring mandatory pay account collection, members receiving BAS will pay for meals provided by or on behalf of the Government by using cash or by collection/reduction of subsistence per diem from their travel claims. Members on Joint Task Force operations under per diem travel orders usually will have the subsistence portion of their per diem withheld or deducted from their travel reimbursement as payment for meals provided in theater. Members deployed on regular TAD/TDY travel who receive deductible meals (meals at “no cost”) will have the subsistence portion of their per diem reduced as payment for meals provided by or on behalf of the Government.

2.4.5. The standard meal rate applies unless there is a specific exception allowing application of the discount meal rate. Members actually paid subsistence per diem for meals must pay the standard meal rate unless the per diem is withheld or disallowed as payment for the meals.

2.4.6. Members being subsisted by or on behalf of the Government, where no other collection means exists or where normal collections were not made, may have a collection for meals made through their pay account at the appropriate rate upon proper documentation for a debt owed to the Government.

2.4.7. Collections from individual pay accounts for meals and rations provided by the Government or on behalf of the Government will be credited to the appropriation specified by each Military Service.

2.5 Specialized Terms

2.5.1. ESM. Messing declared by the installation, base, or station commander responsible for single Government quarters that is essential to operate the Government mess efficiently and economically, or that is necessary for the health and safety of enlisted personnel permanently assigned to single quarters. Those categories of enlisted members included in ESM will be charged for all meals made available whether eaten or not, except for approved missed meals.

2.5.2. EUM. Group messing that is declared by an appropriate authority to be necessary for operational readiness, military operations, or effective training where members are required to eat Government–furnished meals. Members will be in a travel status and are entitled to travel reimbursement for incidental expenses, but not for subsistence. Designation for EUM will apply only to organizational units and to operational elements and detachments, not to individual Service

members. All members on duty under circumstances where EUM has been declared will be charged for all meals made available whether eaten or not, except for approved missed meals.

2.5.3. Sea Duty. Service performed in a self-propelled vessel with berthing and messing facilities that is in an active status, in commission, or in service. This term applies to members who are either permanent party or aboard for TAD/TDY. All members on sea duty, not a member of an authorized private mess, will be charged for all meals made available whether eaten or not, subject to approved missed meals.

2.5.4. Subsisted on Behalf of the Government. A condition in which meals or rations are furnished without charge by a Government contractor or a foreign government, or through a fellowship, grant, or intern program while a member is receiving basic pay, either under the terms of a contract or agreement or on a complimentary basis. Unless a member is entitled to be subsisted-in-kind, subsistence provided on behalf of the Government must be charged to the member.

2.5.5. Subsisted-in-Kind. Meals or rations furnished at no charge to members not entitled to BAS from a Government Mess or who are subsisted at no charge on behalf of the Government.

3.0 FAMILY SUBSISTENCE SUPPLEMENTAL ALLOWANCE (FSSA)

3.1 General Provisions

The FSSA program was established to supplement a member's BAS to a level sufficient to remove the member's household from or eliminate the need for benefits under the U.S. Department of Agriculture (USDA) Supplemental Nutrition Assistance Program (SNAP), formerly known as the food stamp program. FSSA is payable at a monthly rate as determined by the Military Service concerned under the guidance provided by the Secretary of Defense and may not exceed \$1,100 per month. FSSA is a nontaxable allowance payable in addition to, all other pays and allowances.

3.2 Eligibility

FSSA is payable to any officer or enlisted member of the Armed Forces who meets all of the following criteria:

3.2.1. Is serving on active duty and receiving BAS;

3.2.2. Has a household income, including military income of the member, and any other household income that would make the member eligible for assistance under the USDA SNAP program for the member's household size;

3.2.3. Has at least one person in the member's household who is a military dependent;

3.2.4. Has made an application for and been certified at a specific payment level by the appropriate office; and

3.2.5. After September 30, 2016, is serving outside the United States, the Commonwealth of Puerto Rico, the U.S. Virgin Islands, or Guam.

3.3 Entitlement

FSSA is a monthly entitlement payable in whole dollar amounts not to exceed \$1,100. It is not payable to any member, otherwise entitled, during periods in a non-pay status.

3.3.1. FSSA is payable in an amount that would bring the member's household income to 130 percent of the Federal poverty line as established by the USDA.

3.3.2. For periods of less than a full month of entitlement, the FSSA is payable at 1/30 of the monthly amount for each eligible day served.

3.3.3. If an eligible member is receiving SNAP benefits, the amount of the FSSA entitlement will be equal to the calculated FSSA or the SNAP allotment, whichever is higher, not to exceed \$1,100 per month.

3.4 Military Income

3.4.1. For the FSSA Program, the following sources of revenue will be counted as military income:

3.4.1.1. Basic Pay;

3.4.1.2. BAS;

3.4.1.3. Basic Allowance for Housing or cash equivalent for those who are living in Government-provided housing;

3.4.1.4. Overseas Housing Allowance (OHA). When a Service member lives in Government quarters while stationed overseas, the amount of the housing allowance to count as income for that member is the OHA ceiling for the local area;

3.4.1.5. All bonuses. The monthly amount of military income attributable to a bonus will be the amount of the bonus, prorated over the period of time to which bonus is applicable; and

3.4.1.6. All special and incentive pays except those excluded in subparagraph 3.4.2.

3.4.2. The following sources of revenue will not be counted as military income:

3.4.2.1. Hostile Fire Pay;

3.4.2.2. Imminent Danger Pay;

- 3.4.2.3. Continental United States COLA;
- 3.4.2.4. Overseas COLA;
- 3.4.2.5. Family Separation Allowance;
- 3.4.2.6. Clothing Allowances; and
- 3.4.2.7. All travel and transportation related allowances and entitlements.

3.5 Application and Certification

Members must apply for the FSSA Program with the appropriate organizational element as designated by their respective Service. The appropriate Service organization will make all decisions regarding eligibility and the amount of entitlement and will provide final certification for payment to include the entitlement start date.

3.6 Recertification and Termination

3.6.1. When any of the following events occur, in order to avoid termination of FSSA, a member receiving FSSA must report the event to the Service certifying organization within 30 days for recertification of FSSA eligibility:

3.6.1.1. Member's monthly household income increases by \$100 or more;

3.6.1.2. Member's household size decreases;

3.6.1.3. Member is promoted. The certification ends the day prior to the effective date of promotion;

3.6.1.4. Member executes a PCS move. The certification ends the day prior to the date the member officially reports for duty at the new duty station; and

3.6.1.5. Members are required to re-certify annually effective February 1 of each year.

3.6.2. Recertification must be completed in 30 days or less, before or after one of the events listed in subparagraph 3.6.1, to maintain continuous qualification for the FSSA Program.

3.6.3. The effective date of recertification will be the day following the last day of the previous certification period.

3.6.4. If during recertification it is determined that the member's gross household income increased by an amount greater than \$100 more than 30 days prior to reapplication, the difference between the amount of the current entitlement and the amount being recertified (if less) will be

recouped. The recoupment amount is calculated on a pro rata basis for each day, following the date the increased income exceeded \$100 through the effective date of the recertification.

3.6.5. When a member's eligibility is not timely recertified, eligibility for FSSA will be lost, and the date for termination of the entitlement will be the date of the event requiring recertification. An untimely recertification will be treated as an initial application.

1. BAS II is the monthly rate that may be payable to enlisted members on duty at a permanent station and assigned to single (unaccompanied) Government quarters, which do not have adequate food storage or preparation facilities, and where a Government mess is not available, and the Government cannot otherwise make meals available. The BAS II rate is twice the rate of standard enlisted BAS and must be authorized by the Secretary of the Military Department concerned.
2. The BAS rate effective January 1, 2019 is the same as the BAS rate for January 1, 2018.
3. The BAS rate effective January 1, 2017 is the same as the BAS rate for January 1, 2016.

NOTES:

1. Collections from an enlisted member's pay account will be made when the member has not otherwise paid for meals provided by or on behalf of the Government (i.e., by cash, a personal check or charge, or by deduction/reduction of per diem). Collections from pay will be deducted from the member's pay account and credited to the appropriation specified by the Military Service concerned.
2. For the prior year rates, see: Office of Secretary of Defense (Comptroller) website.
3. The discount meal rate applies to meals and rations provided by or on behalf of the U.S. Government to a member not paid per diem or other travel reimbursement for subsistence who is performing duty in a U.S. Government vessel, a U.S. Government aircraft, on maneuvers, war games, field exercises, or similar operations, or to members traveling together with limited or no per diem travel status under EUM or assigned ESM. The discount meal rate also applies to meals and rations provided to a member assigned to Joint Task Force operations (for other than training) at temporary U.S. installations, or through a temporary dining facility.
4. The standard meal rate applies to meals and rations provided to any member not authorized the discount meal rate. This includes any member being paid per diem for subsistence, except those on Joint Task Force operations as described in note 3. Generally, when the standard meal rate is applicable, it will be collected in cash from the member by the dining facility.

CHAPTER 26

HOUSING ALLOWANCES

1.0 GENERAL (2601)

1.1 Purpose (260101)

This chapter establishes policy pertaining to housing allowances. Housing allowances include Basic Allowance for Housing (BAH), Overseas Housing Allowance (OHA), and Family Separation Housing (FSH) Allowance. Entitlement eligibility is subject to the conditions set forth in this chapter.

1.2 Authoritative Guidance (260102)

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), including Titles 10 and 37. Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 INTRODUCTION (2602)

A Service member on Active Duty (AD) entitled to basic pay is authorized a housing allowance based on his or her grade, rank, location, and whether he or she has any dependents. A housing allowance generally is not authorized for a Service member who is assigned to appropriate and adequate Government quarters (see Section 8.0 for Government quarters). If member is on excess leave, housing allowances do not accrue during the excess-leave period. If a Service member is absent without leave which is not excused as unavoidable, housing allowances are not authorized. See Table 26-1 for a listing of the different type of housing allowances authorized.

2.1 Definitions for Housing Allowances (260201)

2.1.1. Sharer. A sharer includes a Service member authorized an OHA or FSH-OHA (FSH-O) based location allowance or any of the following individuals who reside with a Service member:

2.1.1.1. A civilian employee, including any dependents, authorized a Living Quarters Allowance (LQA). Department of State Standardized Regulations (DSSR), Section 130 ([DSSR § 130](#)) or cost of living allowance (COLA) in a non-foreign location Outside Continental United States (OCONUS) (see [OCONUS COLA](#)).

2.1.1.2. Any other person, excluding a Service member's dependent, who contributes money toward the payment of rent, mortgage, or utilities.

2.1.2. Owner-Owned Multiple Occupancy Dwelling. The dwelling is a duplex, triplex, or other type of multiple occupancy dwelling that is designed for separate private-sector housing units for more than one household. The units within the dwelling ordinarily have separate addresses or entrances. For OHA or FSH-O purposes, it would include a dwelling where the Service member and any dependents occupy a single separate unit within the dwelling and the other units are rented out.

2.1.3. Vicinity. The vicinity is the entire country, U.S. territory or possession, or state when in Alaska or Hawaii where the Service member's permanent duty station (PDS) is located. When a Service member resides with a dependent and commutes to the PDS, the dependent is considered to be residing at or in the vicinity of the PDS even if in an adjacent country or state. However, if the Service member has to maintain separate households and maintaining separate households is authorized or approved through the Secretarial Process, a dependent is not residing in the PDS vicinity for FSH purposes. A commander may submit a request for determination through the appropriate channels to the applicable office listed in Table 26-2.

2.1.4. Government Quarters

2.1.4.1. Government quarters include:

2.1.4.1.1. U.S. Government owned or leased sleeping accommodations or family-type housing;

2.1.4.1.2. Lodging or other quarters obtained by U.S. Government contract;

2.1.4.1.3. Dormitories or similar facilities operated by a cost-plus-a-fixed-fee contract;

2.1.4.1.4. Sleeping or housing facilities furnished by a foreign government on the Government's behalf; or

2.1.4.1.5. Quarters in a state-owned National Guard camp.

2.1.4.2. For BAH purposes, the term does not include privatized housing or transient facilities, such as temporary lodging facilities, guesthouses, hostess houses, or hotel-type accommodations built or operated by non-appropriated fund activities. Government quarters converted to privatized housing are no longer Government quarters.

2.1.5. Rental Charge. A rental charge is a fee for occupancy and does not include service charges for linens, cleaning, maintenance, or similar costs.

2.1.6. Primary Residence for Reserve Component (RC) Member. For an RC member ordered to AD, the primary residence is the dwelling (e.g., house, townhouse, apartment, condominium, mobile home, houseboat, vessel) where the RC member resides before being ordered to AD.

2.2 Housing-Allowance Rates and Applicable Dates (260202)

2.2.1. Rates. The housing-allowance rates are each determined as specified in Table 26-3.

2.2.2. Housing Allowance Start and Stop Dates. The authorizing document for OHA is the DoD [DD Form 2367](#), OHA Report. Table 26-4 specifies the date to start BAH or OHA for a Service member with a dependent. Table 26-5 specifies the date to stop housing allowances based on changes in the status of a sole dependent. Table 26-6 specifies the date to stop BAH or OHA for reasons other than a change in the status of a dependent. Situations not covered in these tables are contained elsewhere in this chapter.

2.2.2.1. Start. Unless specifically authorized elsewhere in this Chapter, PDS housing allowance eligibility starts on a Service member's reporting day to a new PDS. OHA starts on the day a Service member obtains private-sector housing. If the Service member is authorized a monetary allowance in lieu of transportation ([MALT](#)) plus per diem (MALT Plus) on the reporting day, OHA eligibility starts on the day after the Service member's reporting day. When a home port change is involved, ordinarily a housing allowance based on the rate for the new home port starts on the effective date of the home port change.

2.2.2.2. Stop. Unless an extension is authorized or approved under paragraph 10.2, or the PCS move is a close proximity move as specified in paragraphs 10.1 and 10.2, the OHA and the FSH-BAH (FSH-B) based location or FSH-O allowances stop on any of the following:

2.2.2.2.1. The day the Service member's OHA, FSH-O, or FSH-B lease ends;

2.2.2.2.2. The day before the Service member departs due to a PCS order;

2.2.2.2.3. The day before the effective date a Service member's assigned ship or unit changes its home port from OCONUS. However, a Service member without a dependent is authorized a housing allowance based on the old home port until the day the Service member moves back aboard the ship under all of the following conditions:

2.2.2.2.3.1. The Service member is undergoing a home port change;

2.2.2.2.3.2. The ship does not depart from the old home port before or on the home port change effective date; and

2.2.2.2.3.3. Quarters on board the ship are not available (for example, because the ship is dry-docked);

2.2.2.2.3.4. Upon assignment to Government quarters.

3.0 DETERMINING DEPENDENCY (2603)

3.1 Dependent (260301)

3.1.1. Eligibility

3.1.1.1. A Service member's lawful spouse and legitimate, unmarried, minor children are always dependents for housing allowance purposes, except as specified in this section;

3.1.1.2. An unmarried minor child of an invalid marriage, or a marriage annulled as void or voidable, is a dependent for housing allowance purposes; or

3.1.1.3. An incapacitated child over age 21, a ward of the court, or an unmarried child over age 21 and under age 23 who is attending college full time requires an "in-fact dependency," as specified in Service regulations. The child is a secondary dependent and must be dependent upon the Service member for over one-half of the child's support. The child's income, not counting the Service member's contributions, must be less than one-half of the child's living expenses and the Service member's contribution must be more than one-half of the child's monthly living expenses.

3.1.2. No Authority on Dependent's Behalf. A Service member is not authorized a housing allowance for any of the following:

3.1.2.1. A minor child entitled to basic pay as a Uniformed Service member on AD. This includes a minor child attending a military Service academy where the United States furnishes quarters;

3.1.2.2. A spouse on AD in a Uniformed Service entitled to basic pay and allowances. See Section 4.0 for housing allowances when two Service members married to each other are both entitled to basic pay and allowances;

3.1.2.3. A dependent for whom the Service member is no longer required to provide support;

3.1.2.4. A dependent for whom the Service member has not provided required proof of adequate support, when necessary as specified in paragraph 3.3;

3.1.2.5. A dependent whom the Service member fails to support (see paragraph 3.3);

3.1.2.6. A dependent whose whereabouts are unknown and whose absence and whereabouts remain unexplained;

3.1.2.7. A former spouse to whom the Service member is paying alimony;

3.1.2.8. A dependent who occupies Government quarters as a permanent residence without payment of a rental charge. See paragraph 3.7 for an exception when the child is living with the Service member's former or estranged spouse;

3.1.2.9. A child for whom the Service member pays child support and the following conditions exist:

3.1.2.9.1. The child is in another active-duty Service member's custody, including a former spouse, as specified in this section; and

3.1.2.9.2. The Service member with custody of the child is assigned to Government or Government-leased family quarters, or receives a with-dependent housing allowance on behalf of the child. This does not include privatized housing;

3.1.2.10. A child after adoption by a third party and the final adoption order or decree has been entered. When the Service member supports the child pending a final decree, authority for a housing allowance continues after an interlocutory decree of adoption has been entered if the decree does not change the legal relationship between the child and the Service member.

3.1.3. Spouse in Foreign Military. A Service member is authorized a housing allowance for a spouse in the military service of a government other than the United States. The Service member is authorized a housing allowance even if the foreign government furnishes a residence or pays a monetary allowance in lieu of a residence for the spouse.

3.2 Determinations and Fraudulent Claims (260302)

Dependency must be determined before a housing allowance is authorized. After initial approval, the Services must maintain adequate levels of internal audit to assure the legality, propriety, and correctness of all housing allowance payments. See individual Service regulations for procedures.

3.2.1. Determinations. In determining relationship or dependency for housing allowance eligibility, the appropriate officials must apply the rules in this section. The Service Secretary or designee makes all determinations of relationships or dependency for a primary dependent. The designee may re-delegate. Otherwise, the Army disbursing officer or designee, the U. S. Air Force (USAF) Financial Services Office (FSO) or designee, and offices specified in this section for the Navy and the U.S. Marine Corps (USMC) make determinations. The Defense Finance and Accounting Service (DFAS) determines relationships and dependency for secondary dependents and individuals whose status as a primary dependent is questionable for the Army, USAF, or Navy. The Commandant of the Marine Corps – Marine and Family Programs Division, Defense Enrollment Eligibility Reporting System (DEERS)/Dependency Determination Section (MFP-1) determines relationships and dependency for secondary dependents and individuals whose status as a primary dependent is questionable for the USMC. Determinations for relationships or dependency for non-DoD Services is per Service regulations.

3.2.1.1. Dependent Status Certification. Upon arrival at a new PDS, each Service member authorized a housing allowance for a dependent must recertify the status of the dependent to the Secretary concerned to support a housing allowance on the dependent's behalf. If a Service member fails to provide the certification, the housing allowance on the dependent's behalf stops at the end of the month in which the certification is due. A housing allowance at the appropriate partial or without-dependent rate is paid unless the Service member is not authorized that allowance for some other reason. A housing allowance at the with-dependent rate is authorized effective the date the Service member provides proper certification. The higher rate is not retroactive unless the Service member's commander certifies that the failure to recertify promptly was for reasons beyond the Service member's control.

3.2.1.2. Dependency Re-determinations. Annual re-determination of dependency is required for a Service member who claims a housing allowance for any of the following dependents:

3.2.1.2.1. A parent, parent in-law, stepparent, parent by adoption, or a person who serves in loco parentis;

3.2.1.2.2. A student 21 and 22 years of age;

3.2.1.2.3. An incapacitated child over age 21;

3.2.1.2.4. A ward of a court; or

3.2.1.2.5. Any dependent of an RC member. The RC member must recertify the dependent's status at least every 3rd year from the previous certification or when a dependent's status changes.

3.2.2. Determining Dependency Relationship for Service Member's Child.

3.2.2.1. Army. Submit requests for determinations in accordance with this paragraph and Table 26-7.

3.2.2.2. Navy. The Disbursing Officer makes the determination for any person who can qualify as a dependent of a Service member in the Navy. Submit all doubtful cases through channels to the [Defense Office of Hearings and Appeals \(DOHA\)](#). Table 26-8 specifies the rules for determining the dependency relationship for a Service member in the Navy for the purposes of a housing allowance when the dependent claimed is an unmarried child.

3.2.2.3. USAF. If the dependent claimed is an unmarried child over age 21 and is incapable of self-support, then the USAF FSO or designee makes the determination. In this case, the dependent must actually be dependent on Service member for a substantial portion of support. Submit requests for determinations in accordance with Table 26-9.

3.2.2.4. USMC. For any determination, concerning a combination of a spouse and an unmarried legitimate child, and the dependent child is under age 21, the commanding officer of a battalion, squadron or separate detached command makes the decision. Table 26-10 specifies the rules for determining the dependency relationship for a Service member in the USMC for the purposes of a housing allowance when the dependent claimed is an unmarried child.

3.2.3. Fraudulent Claims. Any Service member who submits a claim for a housing allowance that contains a false statement is subject to court-martial or criminal prosecution. Fraudulent acceptance of benefits may cause a civilian recipient to be subject to criminal prosecution. The law provides for severe penalties of imprisonment and a fine. For military personnel, it may include a punitive separation, total forfeitures, and confinement.

3.2.4. Marriage Status Determination. Any case in which the validity of a Service member's marriage is questionable is a case of a doubtful relationship. This paragraph outlines different types of relationships where validity is doubtful for housing allowance purposes. Submit requests for determination on validity of a marriage in doubtful cases or for validation of payments as specified in Table 26-11.

3.2.4.1. Remarriage Within Prohibited Period Following Divorce. Under the laws of some states, a marriage is not dissolved until a specified period has elapsed after a divorce decree is granted, and remarriage is prohibited within the specified period. In all states that grant an interlocutory decree before granting a final divorce decree, remarriage may not occur before the final decree is granted.

3.2.4.2. Marriage by Proxy. Proxy marriages are valid if performed in a jurisdiction that recognizes common law marriages and has no statute or judicial determination prohibiting proxy marriages.

3.2.4.3. Marriage by Telephone. A marriage by telephone is recognized only if a statute or court decision authorizes or recognizes telephone marriages in the jurisdiction where the marriage was performed.

3.2.4.4. Common Law Marriages. Under laws of certain states, persons who do not obtain a license to marry or go through certain other formalities may enter into a common law marriage. Common law marriages entered into in those states are valid if they are contracted in accordance with state law.

3.2.4.5. Foreign Nation Divorce. A foreign nation divorce may or may not be recognized as valid in the United States depending on several factors. These factors include place of residence of the parties involved, whether they appeared in person to obtain the divorce, and applicable state laws. Any claim involving the remarriage of a Service member following a foreign nation divorce and any claim by, or on behalf of, the spouse from whom the Service member has obtained a foreign nation divorce are cases of doubtful relationship. A claim based on a Service member's marriage to a person who has obtained a foreign nation divorce is also a doubtful case.

3.2.4.6. Void Marriage. If a Service member's marriage is void, for example, due to a preexisting marriage of the spouse, the Service member has no lawful spouse and is not authorized a housing allowance at the with-dependent rate due to the purported marriage. When marriage invalidity is discovered, no further housing allowance payments at the with-dependent rate may be made. See Table 26-5 to determine when to stop housing allowance payments. The Service member may retain payments already received if they are validated under Chapter 12, for DoD Services or Service written material for non DoD Services. When validity of a marriage is questionable, submit the case to the office specified in Table 26-11 for a determination on the validity of the marriage and, if necessary, validation of payments already made.

3.2.4.7. Annulled Marriage. If a Service member's marriage is annulled by a court decree, no further housing allowance payments may be made. The Service member may retain payments received before the effective date of the decree. Retention of payment in some annulment cases based on legal factors must be validated under Chapter 12, for DoD Services or Service written material for non-DoD Services. Submit all annulment cases to the office specified in Table 26-11 for review and, if necessary, validation of payments made.

3.2.5. Spousal Dependency Determination. Table 26-12 specifies who determines a dependency relationship for the purposes of a housing allowance when the dependent claimed is a spouse. Unless otherwise specified, the rules for the Navy and the USMC apply regardless of a Service member's rank.

3.3 Providing Support for Dependent (260303)

3.3.1. Proof of Support. Proof of support of a lawful spouse or unmarried, minor, legitimate child of a Service member is generally not required. However, when an appropriate office receives evidence or a complaint from a dependent of nonsupport or inadequate support, proof of adequate support is required as specified in this paragraph.

3.3.2. Non-support. A Service member who fails to support a dependent on whose behalf a housing allowance is received is not authorized a housing allowance on that dependent's behalf. A Service member does not avoid the legal responsibility to comply with a court order for support by forfeiting a housing allowance. Housing allowances must be recouped for nonsupport or inadequate support periods. Subsequently paying support arrears does not authorize a Service member a housing allowance for the dependent unless one of the following caused the nonsupport or inadequate support:

3.3.2.1. The Service's mission requirements; or

3.3.2.2. Outside agencies' actions determined by Service regulations to be beyond the Service member's control.

3.3.3. Unstated Support Amount or Release From Support Responsibility. A legal separation agreement, court decree, judgment, or order that is silent on dependent support, does not state the dependent support amount, or absolves the Service member of dependent support responsibility does not affect a Service member's housing allowance. This is true regardless of

the jurisdiction in which the decree, agreement, or order was issued or of the dependent's domicile. The Service member is authorized a housing allowance on behalf of a dependent if the Service member contributes to the dependent's support in an amount that is not less than the applicable BAH-Differential (BAH-Diff) rate.

3.3.4. Legal Separation Agreement or Court Order Stating Support Amount. When there is a court order or legal separation agreement stating the support amount, a Service member must contribute to the dependent's support the amount specified to receive BAH-Diff. In no case may the support payments be less than the applicable BAH-Diff rate.

3.3.5. Joint Legal Custody. When a Service member is divorced from a person who is not a Service member, they share joint legal custody of a child, and the former spouse is awarded primary physical custody, then the Service member is a non-custodial parent for housing allowance purposes.

3.3.5.1. When the Service member's court-ordered child support is less than the applicable BAH-Diff rate and the Service member is not residing in, or assigned to, Government quarters, the Service member is only authorized a housing allowance at the without-dependent rate.

3.3.5.2. When a Service member not assigned to Government quarters pays additional support to the former spouse who has primary custody of the child so that the total child support provided is equal to or more than the BAH-Diff rate, he or she is authorized a housing allowance at the with-dependent rate.

3.3.6. Temporary Custody. When a Service member has temporary custody of a child and they reside in a private-sector residence, the cost of maintaining the residence is not a factor in determining authority for the with-dependent housing allowance rate and may not be used instead of, or in addition to, child support to qualify for increased allowances. The dependent child must reside with the Service member on a non-temporary basis, which is a period of 91 or more consecutive days, for the Service member to qualify for the with-dependent housing allowance rate for the temporary period. The cost of maintaining a home may not be added to the amount of child support to qualify for the increased allowances.

3.3.7. Adequate Support. When a court order or legal separation agreement does not establish support requirements, a Service member must provide a support amount that is at least equal to the BAH-Diff rate applicable to the Service member's grade. The support amount required to retain or receive a housing allowance for a dependent is not necessarily adequate to meet Service policies. The Service concerned may have additional requirements for support in the absence of a legal separation agreement or court order.

3.3.8. Increase in Support Required by Increase in BAH-Diff Rates. Whenever BAH-Diff rates increase, the minimum amount of dependent support required for housing allowance purposes increases to the new rate. A Service member receiving a housing allowance on behalf of a dependent must increase the amount of support within 60 days of the increase to continue receiving the housing allowance.

3.3.9. Settlement Agreement.

3.3.9.1. Property settlements made under a court order or written agreement are not considered support for housing allowance purposes.

3.3.9.2. Payments made under a settlement in place of support are considered support only for the period specified in the written agreement or court order.

3.3.9.3. A lump-sum settlement in place of support made under written agreement or court order is support for the period the lump sum would reasonably cover the dependent's support.

3.3.10. Interlocutory Decree of Divorce. If an interlocutory decree of divorce does not provide for support to the former spouse, the Service member is not authorized a housing allowance for the former spouse after the date of the decree unless the Service member provides proof of support.

3.4 Dependent Parent (260304)

3.4.1. Determination. A parent's dependency is determined based on an affidavit submitted by the parent and any other evidence required under applicable regulations. A legal guardian may complete the form for a mentally incompetent parent. Table 26-13 specifies who determines a dependency relationship for the purposes of a housing allowance when the dependent claimed is a parent, including a person acting in loco parentis. If there is a question on whether the parent is or is not a dependent, then the authority in Table 26-13 submits a request through the appropriate chain of command to the authority in Table 26-11 or a dependency determination. When necessary, a request may be submitted through the appropriate chain of command to the DOHA for a decision.

3.4.2. Dependency Requirement. A Service member is authorized a housing allowance on behalf of a parent who depends on the Service member for more than one-half of the parent's support. The parent's income, not counting the Service member's contribution, must be less than one-half of the parent's monthly living expenses and the Service member's contribution must be more than one-half of the parent's monthly living expenses. A parent's residence in a charitable institution, public or private, does not prohibit the Service member from receiving a housing allowance for the parent when the following conditions are met as well as any other Service requirements:

3.4.2.1. Family Unit Rule. In determining a parent's dependency, consider the total income and expenses of the family unit that includes the parent. Ordinarily, the Service member's contribution to the expenses of the family unit must exceed one-half of its total expenses before any one person in the family unit can be considered dependent on the Service member. When application of the family unit rule results in manifest injustice, consider any other available evidence of dependency, and determination made according to principles of equity and good conscience.

3.4.2.2. Income. Unliquidated capital assets are not income, and parents are not required to deplete their capital assets to establish dependency on a Service member for housing allowance purposes. However, the following are considered income when determining whether a parent is dependent on the Service member:

3.4.2.2.1. Proceeds derived from the liquidation of capital assets;

3.4.2.2.2. Amounts placed in reserve for depreciation of property held for income ordinarily are available for a parent's current living expenses;

3.4.2.2.3. Contributions made to a parent by a charitable organization;

3.4.2.2.4. Payments made to the parent from the Social Security Administration, unemployment compensation, and financial assistance from governmental agencies;

3.4.2.2.5. Pensions received by the parent; or

3.4.2.2.6. Uninvested capital. If a parent has capital that is not invested, compute the income return at 5.25% a year.

3.4.3. Change in Dependent Status. If the parent becomes a dependent due to changed circumstances, and the Service member contributes over one-half of the parents' support, a housing allowance is authorized from the date the contribution began. A Service member is authorized a housing allowance for any active-duty period when the parent is a dependent, whether the dependency occurred before or after the Service member entered service.

3.4.4. Stepparent. A stepparent or stepchild relationship ends upon divorce from the biological parent, but not necessarily upon the biological parent's death. A housing allowance for a stepparent may be established after the biological parent's death.

3.5 Adopted Child, Stepchild, or Child Born Out of Wedlock (260305)

An adopted child, a stepchild, and a child born out of wedlock are all considered primary dependents. As a result, a dependency determination is not required for these dependents.

3.5.1. Proof of Parentage. A Service member who claims a housing allowance for an adopted child, stepchild, or a child born out of wedlock must provide proof of parentage as follows:

3.5.1.1. For an adopted child, document showing the Service member is the child's legal parent;

3.5.1.2. For a stepchild, a marriage license showing the Service member is married to the child's legal parent and documentation showing that the Service member's spouse is the child's parent; or

3.5.1.3. For a child born out of wedlock, a birth certificate with the Service member's name cited is required. If the Service member's name is not stated on the birth certificate or on a court order, obtain a signed affidavit of parentage (signed and sworn by a notary) from the Service member. If the child is not in the custody of the Service member parent, the case is treated as specified in the rules for BAH-Diff.

3.5.2. Support Requirements. A Service member may claim a dependent child, adopted child, stepchild, or out of wedlock child, for housing allowance purposes. The Service member is authorized a housing allowance if the Service member contributes to the dependent's support and that support is at least equal to the applicable BAH-Diff. This includes a Service member authorized BAH-Diff and a Service member assigned to single-type Government quarters when the child is in the physical custody of another person.

3.6. Child Living With Service Member's Former Spouse (260306)

3.6.1. Former Spouse Married to Another Service Member

3.6.1.1. Child in Government Quarters. When a Service member's child resides in Government quarters not assigned to the divorced Service member parent, that Service member is not authorized a housing allowance for the child.

3.6.1.2. Child Not in Government Quarters. A housing allowance may not be paid for a child to both the stepparent and the natural parent at the same time. The natural parent has priority to a housing allowance for that child if providing adequate support.

3.6.2. Service Member Marries Someone Other Than a Service Member. The Service member is not authorized a housing allowance for the child living with the former spouse. Subparagraph 10.2.1.2 does not apply in the case of a Service member who is required to support a child in the custody of a former spouse when the Service member remarries and is assigned to or occupies family Government quarters.

3.6.3. Service Member Marries Another Service Member

3.6.3.1. The Service member is not authorized a housing allowance for the child living with the former spouse when the Service member remarries another Service member and is assigned to or occupies Government family type quarters. Subparagraph 10.2.1.2 does not apply in the case of a Service member who is required to support a child in the custody of a former spouse when the Service member remarries another Service member and is assigned to or occupies family Government quarters.

3.6.3.2. A Service member is authorized a housing allowance for a child for whom the Service member is paying child support ([59 Comp. Gen. 681 \(1980\)](#)) if all of the following conditions are met:

3.6.3.2.1. The Service member is required to support a child in the custody of a former spouse;

3.6.3.2.2. He or she is married to another Service member with children born of this marriage;

3.6.3.2.3. The Service member lived in family-type Government quarters with the Service member spouse and children;

3.6.3.2.4. The Service member is assigned a permanent change of station (PCS) to a different PDS outside commuting distance;

3.6.3.2.5. The Service member's current spouse—who is also a Service member—and children remain in Government quarters; and

3.6.3.2.6. The Government quarters' assignment is in or transferred to the remaining Service member's name.

Note: This is based on the rule that a Service member's housing allowances is determined independently of the uniformed spouse when the Service members are separated by orders and do not reside in the same household.

3.7 Child Living With Service Member's Former or Estranged Spouse (260307)

3.7.1. Former or Estranged Spouse is Service Member Assigned Family Government Quarters. When the Service member with custody of the child is assigned to, or occupies, adequate family-type Government quarters with the child while receiving child support, the Service member paying child support is not authorized a housing allowance for the child.

3.7.2. Former or Estranged Spouse in Family Government Quarters Visits Service Member. When a child who normally resides in family Government quarters with a Service member's former or estranged spouse who is the custodial parent visits the Service member in a private-sector residence for 91 or more days, the visit is considered non-temporary. The Service member is then authorized a housing allowance for the child from the first day of the visit. If the visit is 90 or fewer days, a housing allowance for the child is not payable for any part of the visit.

3.8 Dependent Confined in Penal or Correctional Institution (260308)

3.8.1. Housing Allowance Payable. Confinement of a Service member's spouse or unmarried minor child in a penal or correctional institution does not affect the Service member's authority for a housing allowance on the dependent's behalf, unless any of the following conditions apply:

- 3.8.1.1. The Service member refuses to support the dependent;
- 3.8.1.2. The Service member has been relieved from supporting the dependent;
- 3.8.1.3. The period of confinement may extend beyond 5 years; or
- 3.8.1.4. The case is otherwise doubtful.

3.8.2. Doubtful Cases. Submit doubtful cases or cases involving a sentence extending beyond 5 years to the addresses specified in Table 26-11. Do not pay a housing allowance on behalf of the dependent pending a decision.

4.0 SERVICE MEMBER MARRIED TO ANOTHER SERVICE MEMBER (2604)

4.0.1. Dependent on AD in a Uniformed Service. In accordance with [37 U.S.C. § 421](#), a dependent who is on AD in a Uniformed Service and is entitled to basic pay cannot be considered a dependent for housing allowance purposes.

4.0.2. One Service Member Enters a Non-Pay Status. When one Service member enters a non-pay status, the other Service member may claim the Service member not entitled to pay and allowances as a dependent and be authorized to draw BAH or OHA at the with-dependent rate for the duration of the non-pay status, if otherwise authorized, unless a dependent is confined in a penal or correctional institution (see paragraph 3.8). A Service member may claim as a dependent a Service member on inactive duty for training (Reserve drills).

4.0.3. Service Member Serving on Sea Duty. See paragraph 10.1 for two Service members married to each other when one or both are serving on sea duty.

4.0.4. BAH or OHA at the With-Dependent Rate. When two Service members have a dependent, the Service members must choose which one will receive BAH or OHA at the with-dependent rate. If they cannot agree, then the senior Service member receives the with-dependent rate. The Service members may subsequently elect to transfer BAH authorization from one Service member to the other for any reason. Changes are effective as of the election date and may not be applied retroactively.

4.0.5. Child From a Prior Marriage or the Service Member's Child Born Out of Wedlock. When the dependent is a child from a prior marriage or the Service member's child born out of wedlock, the two Service members may elect for the Service member with a dependent to receive BAH or OHA at the without-dependent rate when not occupying single-type Government quarters and the other Service member to receive BAH or OHA for stepchildren as specified in paragraph 3.5. A Service member in a TDY status would maintain the BAH in effect at the PDS while in single-type Government quarters at the TDY location.

4.0.6. Other Housing Allowances. Other housing allowance paragraphs in this chapter (e.g., FSH, Service member on unaccompanied tour, BAH rate protection) also apply to a Service member married to another Service member.

4.1 Both Service Members Married to Each Other Entitled to Basic Pay (260401)

4.1.1. Family-Type Quarters. When Service members married to each other jointly occupy family-type quarters, neither Service member is authorized BAH or OHA, even if no dependent resides in the quarters, unless a dependent is prevented by a military order from occupying quarters.

4.1.2. Separate Households. When both Service members maintain separate households at or in the vicinity of their PDS or PDSs, each is individually authorized BAH or OHA. Only one Service member may receive BAH or OHA at the with-dependent rate. When both Service members no longer share a common residence due to military orders, their authorization for increased allowances or assignment to Government quarters should be determined separately without regard to the general rule that all dependents of Service members are in the same class for the purpose of determining housing allowance authorizations. Each member is required to have physical custody of a dependent if both members are claiming a housing allowance authorization at the with-dependent rate. See paragraphs 3.3 and 4.3 for BAH or OHA for divorced or legally separated Services members.

4.1.3. Same or Adjacent Military Installations. Both Service members are considered to be stationed at the same or adjacent bases, or shore installations, when they are not prevented by distance from living together or they actually commute on a regular basis regardless of distance.

4.1.3.1. Each Service member is usually authorized BAH or OHA at the appropriate rate when family-type quarters are not assigned, notwithstanding the availability of adequate single quarters for either or both Service members.

4.1.3.2. When both Service members are authorized BAH or OHA at the same or adjacent military installation and are then separated geographically by orders, the Service member remaining at the old PDS ordinarily is authorized BAH or OHA continuation regardless of the availability of adequate single quarters.

4.1.4. Without-Dependent. When both Service members have no dependents and both are prevented by distance from living together, each is treated as a Service member without a dependent for BAH or OHA.

4.2 Other Dependents (260402)

4.2.1. Dependent Parent. When one of the two married Service members is receiving a housing allowance at the with-dependent rate, the class of dependents includes either Service member's parent. Only one Service member is authorized a housing allowance at the with-dependent rate or BAH-Diff for the one class of dependents when the Service members are assigned to the same or adjacent bases.

4.2.2. Dependent Parent or Child From Previous Relationship. When one or both Service members are authorized housing allowances for a child from a previous relationship or on behalf of a dependent parent, and the Service members marry and are stationed in the same area, all

children and dependent parents of either Service member are the same class of dependents. Therefore, only one housing allowance at the with-dependent rate (including BAH-Diff) is payable. Any child born of their marriage, or adopted by them, is within the same class of dependents for housing allowances purposes.

4.2.2.1. If one Service member elects to stop receiving a housing allowance at the with-dependent rate, then the other Service member may claim the children for housing allowance purposes. A relationship determination is required, but ordinarily a dependency determination is not. In all instances of a Service member having a spouse on AD, full details must be given showing the spouse's full name, Social Security number, duty station, and branch of Service.

4.2.2.2. This does not apply to two Service members living together but not married. Two unmarried Service members living together are each authorized a housing allowance based on each Service member's dependents.

4.3 Dependent Custody Effects on Housing Allowances (260403)

4.3.1. Divorce or Legal Separation. The following rules apply when a divorce or separation occurred, or a decree or agreement was amended and the divorced or separated parents are both Service members. These rules apply in addition to those in paragraph 3.3 and only when neither Service member is assigned to family-type Government quarters, unless otherwise specified:

4.3.1.1. Unless both Service members agree to the contrary, the custodial parent is authorized a housing allowance for the child, regardless of the child-support amount received by that Service member. In addition to the court order, a separate notarized agreement between the Service members must be provided for the non-custodial Service member to receive a housing allowance for the child;

4.3.1.2. When each Service member has legal and physical custody of one or more of the children of the marriage, each Service member is authorized a housing allowance for the children in their individual physical custody, regardless of child-support payments from one Service member to the other;

4.3.1.3. When a child of the marriage is in a third party's custody, only one Service member is authorized a housing allowance for the child, even if both Service members are paying sufficient child support to qualify for the housing allowance. The senior Service member is authorized a housing allowance for the child when the two Service members do not agree on which person claims the authorization. If the Service members are of equal rank, date of rank determines which one receives a housing allowance for the child;

4.3.1.4. In joint legal custody cases, when physical custody changes from one parent to another, each parent is authorized a housing allowance for the child during those periods the child is actually in that parent's physical custody;

4.3.1.5. When a non-custodial Service member pays child support to the custodial parent who also has another dependent who makes the Service member eligible for a housing allowance, there is a presumption that the custodial parent's authorization is based on the dependent other than the child of the marriage. The housing allowance authorization for the custodial and non-custodial parents is determined individually; or

4.3.1.6. When the dependent is no longer in one class, the housing allowance authorization for the custodial and non-custodial parents is determined individually. For example, if the non-custodial parent pays child support to a non-active duty parent for a child from a previous marriage or non-marriage relationship, the non-custodial parent may qualify for a housing allowance based solely on the basis of the Service member's child support for the child (see paragraph 3.1).

4.3.2. Voluntary Support Payments. Voluntary support payments must not be considered to determine housing allowance authorization unless there is a mutual agreement between the Service-member parents that the custodial Service member parent accepts the support payments.

5.0 BASIC ALLOWANCE FOR HOUSING (BAH) (2605)

5.1 BAH Rate Protection (260501)

The monthly BAH amount paid to a Service member must not be reduced due to changes in housing costs in the Military Housing Area (MHA), changes in the national monthly housing cost, or a Service member's promotion. The BAH rate for an RC member is also protected, provided the RC member does not have a break in active service of 1 or more calendar days. This includes transitions in service status from Active Guard Reserve (AGR) duty to other AD and back to AGR duty, or beginning a new AD order or order extension without a break in active service. If the Service member is demoted or loses authority for BAH, then the Service member's BAH rate protection at the current amount stops when the eligibility to BAH for a given MHA or County Cost Group ends. The current BAH rate at the current duty location becomes the Service member's new protected BAH rate.

5.2 BAH Advance (260502)

5.2.1. Authority. Each Service must set regulations for advance BAH payment administration to include the preparation and disposition of vouchers and supporting papers. When allowed by Service regulations, a Service member's commanding officer, his or her designee, or another designated official may authorize an advance BAH payment to pay advance rent, security deposits, or initial expenses due to occupying other than Government housing. An advance may also be authorized at any time during a Service member's tour at the location concerned or when a Service member has relocated due to a PCS order. The Secretary concerned or the Secretary's designee may authorize an advance BAH payment in circumstances and conditions other than those specified in this paragraph. Service regulations must set repayment procedures for advances made under special circumstances.

5.2.2. Timing. Ordinarily, the advance should not be disbursed more than 3 working days before the date payment under the lease or rental agreement must be made. In extenuating circumstances, the officials listed in this chapter may authorize disbursement more than 3 working days before the date payment must be made. The BAH advance may be paid before or after the expenses occur. A Service member must request the advance payment within 30 days after incurring the expense.

5.2.3. Requirements. Housing expenses must be documented. Required documentation includes copies of the lease, utility company statement, and any other pertinent documentation necessary to support the housing expenses.

5.2.4. Amount. The advance amount is determined by the Service member's current BAH rate, his or her ability to repay the advance, other advances of pay that may have been made, and any recurring pay deductions. The BAH advance is limited to a total of 3 months BAH that the Service member is expected to accrue. Expenses identified by a Service member used to purchase any real estate or living accommodations must not serve as a basis for authorizing or determining the amount of the advance.

5.2.5. Repayment. Repayment of the advance should be at a rate of at least one-twelfth of the amount advanced in equal monthly installments for the next 12 months. Collection action should begin on the 1st day of the month after the advance payment has been made.

5.2.5.1. When justified by the Service member and authorized by the Service member's commanding officer, his or her designee, or another Service-designated official, start of collection action may be postponed for up to 3 months after the advance is made. Repayment may be spread over a period of more than 12 months, but must be limited to 24 months or the Service member's scheduled tour at the location concerned, whichever is shorter.

5.2.5.2. Action must be taken immediately to recoup in a lump sum any BAH advance that the landlord has returned to the Service member upon receipt of information that the Service member has vacated the housing for which the advance was made. If the Service member chooses, he or she may repay in monthly installments any balance of an advance not returned by the landlord. The balance must be repaid during the months remaining on the existing loan repayment schedule.

5.3 Partial Housing Allowance (BAH-Partial) (260503)

5.3.1. Conditions. Table 26-14 specifies the conditions for BAH-Partial.

5.3.2. Navy Barracks Privatization Test. Under the authority in [10 U.S.C. § 2881a](#), the Navy is conducting a limited test of barracks privatization. The privatized barracks are defined as Government quarters for the purposes of the test. For a Service member occupying privatized barracks, a special BAH-Partial rate equal to a percentage of the PDS locality BAH at the without-dependent rate for the Service member's grade is established. Table 26-15 specifies the applicable locations and percentages.

5.4 BAH Differential (BAH-Diff) (260504)

A Service member assigned to single-type Government quarters or a single-type housing facility under a Uniformed Service jurisdiction is not usually authorized more than BAH Partial. However, if the Service member is authorized BAH solely due to paying child support and the Service member is paying an amount equal to or greater than BAH-Diff, then he or she is authorized BAH-Diff. A Service member is not authorized BAH-Diff if the child support payment is less than the Service member's applicable pay grade BAH-Diff amount. See paragraphs 3.6, 3.7, and 4.3 if child is in the custody of another AD member.

5.5 Temporary BAH Increase (260505)

The Secretary of Defense may prescribe a temporary increase in BAH rates in an area the President declared as a major disaster area or at an installation that experienced a sudden increase in the number of assigned Service members. Payment of the higher BAH is only effective for an MHA or specified ZIP Codes within a county cost group. Unless extended by the authority of the Congress, no agreement may be entered into after the termination date on the [Duration of Authority](#) table.

5.5.1. Eligibility. A temporary increase in BAH rates results in two different BAH rates for Service members assigned to the same ZIP Code. To receive the higher of the two BAH rates, a Service member must certify to the Secretary concerned that he or she incurred higher housing costs in an approved area due to a major disaster or sudden increase of military personnel assigned to an installation. The certification must be in a form acceptable to the approval authority. The Service member's certification must document rent, or mortgage expense in the case of a homeowner, and utility expenses.

5.5.2. Approval. The approval authority is at a level specified through the Secretarial Process. If the total housing expense—rent or mortgage plus utility expenses—from the Service member's certification is less than the existing BAH rate, no increase is authorized. If the total housing expense from the Service member's certification is higher than the BAH rate during that time, then the Service member is authorized the increased rate effective the approval date of the MHA for an increased rate or the date the Service member started incurring the increased expenses, whichever is later.

5.5.3. Locations. Locations approved for temporary BAH rate increase as listed in Table 26- 16. See the [Temporary BAH Rate Increase Approved Location](#) table on the Defense Travel Management Office (DTMO) website for the most current locations.

5.5.4. Effect of Changes. Table 26-17 specifies how changes during the temporary rate increase period affect the BAH paid.

5.5.5. Termination. The increased allowance is paid through the day before the effective date of the next standard BAH rate change for the area. The new standard BAH rate applies on the effective date. There is no rate protection for temporarily increased rates.

6.0 OVERSEAS HOUSING ALLOWANCE (OHA) (2606)

*6.1 OHA Overview (260601)

OHA is designed to cover actual rental costs for 80% of the assigned Service members. A Service member is reimbursed actual rental costs, limited to the maximum OHA rate for each locality and grade. OHA is not intended and must not be used for the personal enrichment of a Service member by including costs incurred for procuring or adapting a residence to accommodate renters or for vacation purposes. Disciplinary action may apply when housing allowances are used for other than the purpose intended.

6.1.1. OHA Types. There are two housing-allowance types paid under OHA—an upfront, lump sum Move in Housing Allowance (MIHA) for those who qualify and a monthly OHA, which includes a utility and recurring maintenance allowance.

6.1.2. Requirements. A Service member authorized to live in private-sector leased or owned housing is authorized OHA provided a DD 2367 is completed and approved. Payment of OHA requires a lease agreement or a verifiable purchase price. The senior officer of the Uniformed Services in the country concerned, or the individuals or offices designated for that purpose by the senior officer has approval authority.

6.1.2.1. The reported housing must be the actual residence that the Service member occupies and from which the Service member commutes to and from work daily. If a Service member is assigned on an unaccompanied tour or has a Secretarial waiver and authorized OHA for a dependent who lives separately, the reported housing must be the actual residence that the Service member's dependent occupies.

6.1.2.2. When a Service member is required to pay monthly rent at a specified fixed-exchange rate (dollar equivalency contract) for the lease duration because it is required by law or local custom, the Service member's commanding officer, or designee, must enter the following statement in DD 2367 (Part C Remarks: "Dollar equivalency contract required. No other housing option available to the Service member." The Service member must enter the monthly rent equivalent in U.S. dollars into DD 2367 block 5b.

6.1.3. Monthly OHA Allowance. An OHA paid monthly includes the rental allowance and the utility and recurring maintenance allowance as specified in paragraphs 6.2 and 6.3.

6.1.4. MIHA. The MIHA/Miscellaneous is an upfront, lump sum payment based on the average move-in costs for a Service member. The four payment types of MIHA are specified in Table 26-23.

6.1.5. Allowance Payable. OHA rates are based on a Service member's PDS except as otherwise indicated in this chapter. OHA is not payable on the arrival day when MALT Plus is paid. Unless a special determination jointly issued by the Secretary concerned and the Office of the Under Secretary of Defense, Personnel and Readiness (OUSD (P&R)) authorizes a different rate due to special circumstances, the amount of OHA payable is as specified in this chapter.

6.1.6. OHA Unique Expenses. In some locations outside the United States, a Service member or dependent incurs excessive housing expenses for items that a Service member based in the United States does not normally incur. Since the expenses are not incurred by every Service member outside the United States, they cannot be a part of the ordinary OHA calculation. For these expenses, payment is a lump sum, dollar-for-dollar, reimbursement for a specifically authorized expense at designated authorized locations.

6.1.6.1. Authorization. All requests to authorize an OHA Unique Expense must be submitted from a major command to OUSD (P&R) through the applicable Service representative listed in the Uniformed Services Contact Information. OUSD (P&R) specifically authorizes or approves the expense for reimbursement according to the DoD Overseas Station and Housing Allowances Process Guide. OUSD (P&R) does not accept requests from individual Service members to authorize an OHA Unique Expense.

6.1.6.2. Reimbursement. The Secretary concerned may reimburse an OHA Unique Expense if Table 26-18 authorizes the location and expense. At their discretion, Services may alternatively use the Secretarial Process to reimburse an authorized expense or expenses. Once an OHA Unique Expense has been authorized for a location, no further examination may be made to compare the spendable income of the claimant to the amount of the expense claimed. Any claim based on a valid receipt for an authorized OHA Unique Expense may be reimbursed in a lump sum, dollar-for-dollar, through Service payment procedures. The Service concerned is not required to recover any amount refunded to a Service member by any foreign government agency that may be involved.

6.1.6.3. Authorized Locations and Expenses. Table 26-18 specifies the authorized locations and expenses for an OHA Unique Expense reimbursement.

6.1.7. OHA Responsibilities. Commanders OCONUS, or their designees, must periodically provide data required for authorizing, changing, and terminating OHA for each locality OCONUS within their jurisdictions as specified by the OUSD (P&R). For the responsibilities of the Overseas Command or Commander, Senior Officer, and Country Allowance Coordinator, see the DoD Overseas Station and Housing Allowance Process Guide.

6.2 OHA Determining Monthly Rent (260602)

Monthly rent is the amount paid each month by a Service member for possession and use of private-sector housing, to include a mobile home or boat.

6.2.1. Determine Rent. The rent stated in the lease, or as otherwise agreed to by the landlord and the tenant in a written document, must be used in computing the OHA. The cost of parking at the duty location is not included in rent. The following rules apply for determining rent:

6.2.1.1. A recurring condominium or homeowner association fee paid by the Service member is prorated to a monthly charge and incorporated into the Service member's rent;

6.2.1.2. A sharer's monthly rent is determined by dividing the total monthly rent by the number of sharers occupying the dwelling;

6.2.1.3. In an arrangement by which a Service member pays rent in advance and the landlord agrees to reimburse the Service member all or substantially all of the rental money at the end of the lease agreement, the amount of rent used in computing a Service member's OHA is zero;

6.2.1.4. If a Service member or dependent jointly occupy a dwelling with relatives or friends who own the dwelling, the rent amount is zero, even if there is a lease or written document. This restriction does not apply when the Service member or dependent leases lodging from a relative or friend with a bona fide, standard written lease, when the relative or friend concerned does not jointly occupy the leased dwelling and the relative or friend regularly rents the lodging involved. There is no authority to pay MIHA or the utility and recurring maintenance allowance when living with relatives or friends;

6.2.1.5. The cost of a separate lease for parking at or in the vicinity of the private-sector housing is added to the housing lease amount in determining his or her total rent; or

6.2.1.6. See subparagraph 6.2.3 for a dwelling owned by a Service member.

6.2.2. Sharers. A sharer is authorized up to the maximum rental allowance set for a Service member without a dependent unless accompanied by one or more dependents (see Table 26-19). A sharer accompanied by a dependent is authorized up to the maximum rental allowance set for a Service member with-dependents.

6.2.2.1. Compute the authorized OHA for each sharer by adding the sharer's prorated share of the rent paid or the maximum rental established for the sharer's grade and locality, whichever is less, and the prorated monthly utility and recurring maintenance allowance.

6.2.2.2. A Service member authorized MIHA/Miscellaneous (see paragraph 6.5) receives a full rather than prorated allowance. Only one sharer may claim reimbursement for any individual rent, security, or infectious-disease related expense.

6.2.2.3. A renter living in a completely separate unit of an owner-occupied multiplex dwelling owned by another Service member is not a "sharer," and OHA is determined as if the renter occupied an unattached unit.

6.2.3. Private-Sector Housing Owned

6.2.3.1. Divide the actual purchase price—not an appraised value—of the private-sector housing by 120 to derive the monthly calculated "rent" for a private-sector dwelling owned by a Service member. Settlement costs, fees for title search, other legal and related costs are not included in determining the actual purchase price.

6.2.3.2. The amount of any personal installment-type loans and real estate equity loans obtained for renovating or repairing the current dwelling place are added to the actual purchase price before determining the rent.

6.2.3.2.1. For this purpose, renovating means restoring to a previous condition, as by remodeling, and repairing means restoring to a sound condition after damage or injury, including fixing, setting right, renewing, or refreshing.

6.2.3.2.2. A loan used to furnish or decorate the home—including such things as the addition of a hot tub or pool to a home purchased without such an amenity—or a loan for personal reasons, including a credit card or line of credit loan must not be used.

6.2.3.2.3. To determine the monthly OHA rental equivalency when adding a loan described in this paragraph, add the loan amount to the original verifiable purchase price, divide the new total by 120, and the new “rental equivalency” starts from the loan start date.

6.2.3.2.4. The Service concerned must adjudicate loans. The Service member’s command should submit the request with all documentation through the appropriate channel specified in Table 26-2.

6.2.3.3. If a Service member or the Service member’s dependent inherits a dwelling or residence or otherwise receives it without purchasing it, the dwelling or residence purchase price is \$0. In this case, the Service member is authorized to receive the utility and recurring maintenance allowance. If a Service member obtains a mortgage on the inherited dwelling or residence specifically for home improvements or takes out a loan to pay inheritance taxes on the residence or dwelling, the mortgage or loan cost may be used as an OHA housing cost.

6.2.3.4. If the dwelling is a multiplex unit owned by a Service member, the allowance claimed is based on the percentage of the multiplex unit’s square footage occupied by the Service member and dependent. The allowance equals the purchase price multiplied by that percentage and divided by 120. Renters of other units within the multiplex unit are not sharers.

6.2.3.5. If the Service member-owned dwelling place is a mobile home or boat, the monthly lot rental or berthing fee paid is added to this amount.

6.2.4. Maximum Rental Allowance. Use the OHA Calculator ([OHA Calculator](#)) to obtain the maximum amount of monthly rent considered. Maximum [OHA rental allowances](#) for each locality are based on reported actual rental cost data for Service member with-dependents residing in private-sector housing. If utilities are included in the rent, see paragraph 6.3. See the [OHA computation steps](#) for calculation examples.

6.2.5. Rent Changes. Re-compute OHA if and when the rent changes.

6.3 OHA Utility or Recurring Maintenance Allowance (260603)

6.3.1. Monthly Allowance. When rent does not include utilities or the Service member is a homeowner, the Service member is authorized the utility and recurring maintenance allowance. The utility and recurring maintenance allowance for each OHA locality is based on the with-dependent reported expenses for Service members who pay all or a majority of their utilities. It covers the utility costs for 80% of the Service members assigned to an area. It is paid to sharers on a prorated amount of the net allowance. It is paid to a Service member without a dependent, who is not a sharer, at 75% of the with-dependent rate.

6.3.2. Rent Includes All or Some Utilities. If any or all of the OHA utility component is included in the rent, then the amount is withheld from the utility and recurring maintenance allowance and then added to the Rental Allowance component before comparison with the Service member's actual rent.

6.3.2.1. A Service member is not authorized the utility and recurring maintenance allowance when rent includes all utilities. However, when computing the OHA, the appropriate utility and recurring maintenance allowance is added to the Service member's rental allowance.

6.3.2.2. When rent includes some utilities, the utility and recurring maintenance allowance is paid on a percentage basis. The locality climate code and the utility point score determine the percentage of the utility and recurring maintenance allowance that the Service member is authorized. However, when computing OHA, the amount for which the Service member is not authorized is added to the appropriate rental allowance ceiling.

6.3.2.2.1. Locality climate codes are specified on each [OHA locality table](#). The three climate codes are:

6.3.2.2.1.1. Code 1 (Cold). Long-term mean temperature of 45 °F or colder;

6.3.2.2.1.2. Code 2 (Moderate). Neither Code 1 nor Code 3; and

6.3.2.2.1.3. Code 3 (Hot). Long-term mean temperature of 69 °F or warmer, except when the long-term mean for 1 or more months of the year drops to 45 °F or colder. In such instances, a climate code of 2 is assigned.

6.3.2.2.2. Table 26-20 specifies the correct climate code to credit the Service member with appropriate points for each utility or service that is not included in the rent. Add the numbers to get the Service member's total utility point score.

6.3.2.2.3. Table 26-21 specifies the correct percentage of the utility and recurring maintenance allowance to be paid after determining the total utility point score.

6.4 OHA Computation Steps (260604)

Follow steps one through four in Table 26-22 to determine a Service member's OHA.

6.5 Move-in Housing Allowance (MIHA) (260605)

6.5.1. General. MIHA exists to defray the move-in costs associated with occupying private-sector housing covered under the OHA program, whether leased or owned. MIHA is not payable to a Service member occupying Government or Government-leased housing. MIHA does not cover move-out costs. In most cases, a Service member authorized OHA is authorized MIHA. See MIHA for how to complete [DD Form 2556](#), MIHA Claim. That form must accompany MIHA/Rent, MIHA/Security, or MIHA/Infectious Disease-related expenses. Various [OHA Surveys](#) are sent to Service members in private-sector leased housing to document utility and move-in expenses.

6.5.2. Rules and Information

6.5.2.1. To be authorized a MIHA, a Service member must be eligible for OHA.

6.5.2.2. An eligible Service member is authorized MIHA for one dwelling during a tour at a PDS unless a Government-funded local move occurs and the Service member occupies another dwelling covered by OHA.

6.5.2.3. There is no MIHA authorized under any of the following circumstances:

6.5.2.3.1. A local move would otherwise initiate a second or subsequent MIHA payment request unless that move is Government funded;

6.5.2.3.2. A Service member complies with a PCS order but remains in the same dwelling, including an RC member called or ordered to AD who is authorized OHA based on the primary residence at the time called or ordered to AD; or

6.5.2.3.3. A Service member moves from Government quarters to private-sector housing for separation or retirement (see [Joint Travel Regulations \(JTR\) Chapter 5, Section 0519](#)).

6.5.2.3.4. The four MIHA payment types are described in Table 26-23. See the [DoD MIHA Process Guide](#) for qualifying areas and additional rules.

6.5.2.3.5. Sharer Eligibility. Each Service member classified as a sharer and authorized MIHA is authorized the full MIHA/Miscellaneous allowance. Only one sharer may claim the individual expense for MIHA/Rent, MIHA/Security, and MIHA/Infectious Disease. Acceptable claims for MIHA/Rent, MIHA/Security, or MIHA/Infectious Disease must include DD 2556 proper documentation, and detailed receipts for all expenditures.

6.5.3. MIHA/Miscellaneous Expenses. The purchase price of an item included in Table 26-24 is generally authorized for the MIHA/Miscellaneous component of the OHA unless an item is purchased with the intent to ship it from the present PDS. An item intended to be shipped is not reportable. These expenses are associated with items necessary to make housing habitable. Table 26-24 lists the vast majority of reportable expenses, and lists certain expense items that are not reportable. These lists are not exhaustive, but contain the vast majority of items commonly contained in each group.

6.6 OHA Advance Payment (260606)

For detailed information regarding areas with rental advance protection under OHA, see [Rental Advances](#). Rental payments should be made on a month-to-month basis whenever possible to avoid the need for rental advances.

6.6.1. Authority

6.6.1.1. Advance Rent of Fewer than 4 Months, Security Deposits, or Initial Expenses. The Senior Officer in-country, or his or her designee, may authorize an advance OHA payment to pay advance rent, security deposits, or MIHA-related expenses due to occupying private-sector housing. The advance may be made at any time during the Service member's tour. It also may be authorized when a Service member has located housing due to a PCS order. Personal preference is not grounds for authorizing advance rent payment. Advance OHA is not authorized for lease arrangements in which the Service member lives rent free after making a one-time payment to the landlord with the anticipation that the rental amount is to be completely or substantially refunded at lease termination.

6.6.1.2. Advance Rent of 4 or More Months

6.6.1.2.1. Rental advances of at least 4 months, but no more than 12 months, may be made only for the locations authorized by OUSD (P&R). Once OUSD (P&R) authorizes and lists a location for Rental advances, the Senior Officer in-country, or his or her designee, may authorize individual requests. Requests for approval are considered if the requirement for the advance rent exists for any of the following reasons:

6.6.1.2.1.1. Law;

6.6.1.2.1.2. Local custom for everyone, including local nationals; or

6.6.1.2.1.3. Economic or market conditions preclude availability of secure housing, as confirmed by the U.S. Embassy;

6.6.1.2.2. Request to add locations must be submitted through the Country Senior Officer or Command as instructed in the DoD Overseas Station and Housing Allowance Process Guide.

6.6.2. Amount. The amount to be advanced must be determined based on housing expenses, including advance rent and a security deposit, and the authorized OHA. Housing expenses must be documented. Expenses identified by a Service member for purchase of real estate or living accommodations must not be considered. The Service member's ability to repay the advance must be considered in determining the advance amount. While the amount to be advanced should not exceed the estimated OHA total for 1 year, a larger amount may be authorized if needed to cover anticipated housing expenses. In no case may the advance payment exceed either of the following, whichever is less.

6.6.2.1. Anticipated housing expenses.

6.6.2.2. OHA anticipated to accrue for the Service member's tour at that PDS.

6.6.3. Repayment

6.6.3.1. Repayment Within 12 Months. Monthly repayment installments should be at a rate of one-twelfth of the amount advanced over 12 months. Collection action should begin on the 1st day of the month after payment of the advance.

6.6.3.2. Postpone Collection Start. When justified by the Service member and authorized by an official designated by the Service concerned, the collection start may be postponed for up to 3 months after the advance. Repayment may be spread over a period of more than 1 year, but must be limited to the Service member's tour at the PDS.

6.6.3.3. Advance Rent Repayment Postponement Until the Service Member Vacates Housing. An official designated by the Service concerned may postpone repayment of advance rent until the Service member vacates the housing for which the advance rent was paid if earlier repayment would create an excessive economic burden.

6.6.3.4. Security Deposit Repayment Postponement Until the Service Member Vacates Housing. An official designated by the Service concerned may postpone repayment of the entire amount of a security deposit of \$500 or more until the Service member vacates the housing for which the security deposit was paid if earlier repayment would create an excessive economic burden.

6.6.3.5. Recouping Lump Sum Returned by Landlord. Action to recoup in a lump sum of any OHA advance that has been returned to the Service member by the landlord must be taken immediately upon receipt of information that the Service member has vacated the housing for which the advance was made. Any balance of an advance not returned by the landlord may be repaid in monthly installments, if desired by the Service member, over the balance of the months remaining on the Service member's existing loan repayment schedule.

6.6.3.6. Currency Fluctuation Effects. The Service concerned absorbs any loss due to currency fluctuations when liquidating advance security deposits. The Service member must pay to the Service any gains due to currency fluctuations. These currency protection procedures for security deposits apply without regard to the provisions for protection of rent advances in subparagraph 6.6.4.

6.6.3.7. Pay System Reporting of Monthly Rent. In countries in which rate protection for advance rent has not been implemented the monthly rent entered in the respective pay system should be entered in U.S. dollars when a Service member has taken an advance for rent.

6.6.4. Advance Rent Currency Rate Protection. Rate protection may be provided for certain countries that have undergone a significant currency fluctuation. Countries previously authorized OHA Rental Advance Protection continue to have rent protected locality codes in the OHA Calculator until all previously protected Service members either permanently change stations or change quarters. Currency rate protection for additional advances is calculated using the exchange rate in effect at the time the new advance is paid. In countries in which rate protection for advance rent has been implemented, monthly rents for an advance rent are processed in dollars. See Service regulations for currency fluctuation loss or gain procedures. Rate protection is accomplished by comparing the OHA rate with the exchange rate in effect at the time the Service member received the advance with the greater of either of the following:

6.6.4.1. The rental allowance in effect at the time of the advance; or

6.6.4.2. Any higher rental allowance implemented during the repayment period of the advance.

6.7 Service Member Occupying a Government Trailer or Rental Guarantee Housing and OHA (260607)

Unless otherwise specified in this chapter, no housing allowance is payable to a Service member occupying housing constructed under the Rental Guarantee Housing Program as authorized in Section 302 of the Act of July 14, 1952, (66 Stat. 622) or Government trailers purchased under Section 408 of the Act of September 1, 1954, (68 Stat. 1126), or any other statute.

6.8 OHA and Living Quarters Allowance (LQA) (DSSR § 130) Paid Concurrently (260608)

A Service member is entitled to OHA at the with-dependent rate even if the Service member's dependent spouse receives a LQA. Direct questions pertaining to LQA to the spouse's Civilian Personnel Office (CPO) or Civilian Personnel Advisory Center (CPAC). Volume 7A has no authority to determine or control eligibility or entitlement of LQA for a civilian employee. See DSSR § 130, and the DoD Instruction ([DoDI 1400.25](#), Vol. 1250, Civilian Employee Overseas Allowances and Differentials).

6.9 Observer to a UN Peacekeeping Organization (260609)

A Service member permanently assigned as an observer to a UN peacekeeping organization who receives a UN mission subsistence allowance, known as mission per diem, is also authorized a housing allowance under this Chapter. The housing allowance amount, when added to the UN mission subsistence allowance, cannot exceed the housing allowance of a Service member permanently assigned to other than a UN Peacekeeping Organization in the same area. This paragraph does not authorize a reduction in the UN mission subsistence allowance.

7.0 FAMILY SEPARATION HOUSING (FSH) ALLOWANCE (2607)

7.1 FSH Overview (260701)

FSH is payable to a Service member with a dependent for added housing expenses resulting from separation from the dependent. The separation must be caused by a Service member's assignment on military or uniform orders to either a PDS OCONUS on an unaccompanied or dependent-restricted tour or a PDS to which concurrent dependent travel has been denied or deferred (see paragraph 10.6). For CONUS non-current travel application areas, refer to [DoDI 1315.18](#), Enclosure 5, Paragraph 2.

*7.2 Administration of FSH Allowance (260702)

7.2.1. Eligibility. For FSH to be payable, all of the following conditions must be met:

7.2.1.1. Dependent transportation to the PDS is not authorized at Government expense under [the JTR, Chapter 5, Section 0504](#);

7.2.1.2. Dependent does not reside in the PDS vicinity; and

7.2.1.3. Government quarters are not available for assignment to the Service member.

7.2.2. Allowances

7.2.2.1. There are two types of FSH: FSH-B and FSH-O.

7.2.2.1.1. FSH-B is payable for an assignment at a PDS in Alaska or Hawaii or to a PDS in the CONUS to which concurrent travel has been denied. FSH-B is payable in a monthly amount equal to the BAH without-dependent rate applicable to the Service member's grade and PDS. Payment starts upon submission of proof that Government quarters are not available and that the Service member has obtained private-sector housing.

7.2.2.1.2. FSH-O is payable for an assignment at a PDS outside the United States. FSH-O is payable in a monthly amount up to, and under the same conditions as, the without-dependent OHA rate applicable to the Service member's grade and PDS. OHA rules for determining monthly rent, utility and recurring maintenance allowance, MIHA, and advances apply to FSH-O.

7.2.2.2. A Service member may not be paid FSH-B or FSH-O in any of the following situations:

7.2.2.2.1. The Service member's only dependent is entitled to AD basic pay;

7.2.2.2.2. The Service member has no dependents other than a dependent for whom he or she is paying child support, but the Service member does not have primary physical custody and control of that child. This situation is fundamentally different from a Service member who has a spouse or children. A Service member with a spouse or any children is authorized transportation of any dependents, but the nature of the tour or the PDS location prevents dependent transportation to the PDS. A Service member who has a dependent solely due to child support is not eligible for transportation of that dependent under [the JTR, Chapter 5, paragraph 050405](#), because the Service member does not have physical custody and control. The ineligibility for transportation, as opposed to a tour or location denial, prevents payment of FSH;

7.2.2.2.3. The Service member is assigned to a PDS where concurrent dependent travel is authorized and has not been deferred by the Government per paragraph 10.6;

7.2.2.2.4. The Service member elects not to occupy available assigned Government quarters and resides in a private-sector residence for personal convenience; or

7.2.2.2.5. FSH-O or FSH-B is not authorized if all of the Service member's dependents reside in the PDS vicinity. If some, but not all, of the dependents voluntarily reside near the PDS, FSH-O or FSH-B continues.

7.2.2.3. FSH-O or FSH-B continues uninterrupted while a Service member's dependent visits at or near the Service member's PDS, but not to exceed 90 continuous days. Circumstances must clearly show that the dependent is not changing residence and that the visit is temporary and not intended to exceed 90 days.

7.2.2.3.1. If, for unforeseen reasons, such as due to illness or other emergency, a bona fide social visit lasts 91 or more days, FSH-O or FSH-B stops at the end of the 90-day period. FSH-O or FSH-B is authorized again on the day that the dependent departs from the PDS.

7.2.2.3.2. If one or more, but not all, dependents visit for longer than 90 days and the Service member is authorized a with-dependent housing allowance on behalf of the dependents who are not visiting or do not reside in the vicinity of the Service member's PDS, then he or she is authorized FSH-O or FSH-B.

8.0 GOVERNMENT QUARTERS (2608)

Assignment to Government quarters affects a Service member's eligibility for BAH. A housing allowance, other than BAH-Partial or BAH-Diff, is not authorized for a Service member who is assigned to Government quarters appropriate to the Service member's grade, rank, or rating and adequate for the Service member and dependents, if any.

8.1 Responsibility for Assignment or Termination (260801)

8.1.1. Assignment or Termination of Government Quarters. The commander responsible for the Government quarters has the authority to assign and terminate the assignment. The commander also determines when quarters are adequate and suitable for assignment based on appropriate directives. Government quarters or housing facilities under the Uniformed Services' control are considered assigned, suitable, and adequate whenever occupied by a Service member at the PDS without payment of rental charges. This includes any of the following conditions:

8.1.1.1. When an organization or institution furnishes quarters to a Service member without charge on behalf of the United States;

8.1.1.2. When a foreign government furnishes quarters to a Service member without charge for the Service member's official use; or

8.1.1.3. When the quarters, furnished to a Service member without charge, are jointly assigned to one or more Service members without a dependent.

8.1.2. Voluntarily Vacating Assigned Quarters. A Service member is still considered assigned to Government quarters when he or she voluntarily vacates assigned quarters without the installation commander's approval. A Service member in pay grade E-7 and above, without a dependent, may elect not to occupy assigned quarters unless denied permission by the Secretary Concerned.

8.1.3. Family Type Quarters

8.1.3.1. A Service member married to another Service member are both considered assigned to Government quarters when all of the following apply:

8.1.3.1.1. Both are stationed at the same or adjacent installations;

8.1.3.1.2. Both are able to reside in Government family quarters; and

8.1.3.1.3. Government family quarters are assigned to one of the Service members.

8.1.3.2. However, if there is a separation agreement, pending divorce, or marital discord that requires one Service member to obtain alternative private-sector housing, to be authorized a housing allowance the Service member not occupying family quarters must obtain a statement from the installation housing officer that Government housing is not assigned.

8.1.4. Quarters Assignment Date for Housing Allowance. A housing allowance continues to accrue through the day before a Service member is assigned Government quarters or begins to occupy Government quarters at the PDS.

8.1.5. Quarters Termination Date for Housing Allowance. Housing allowance accrues from the date the assignment to Government quarters ends or the date that quarters are vacated.

8.2 Government Quarters Assigned or Occupied (260802)

8.2.1. Government Quarters Adequacy. The Commander responsible for the Government quarters determines their adequacy and appropriateness for assignment.

8.2.2. Quarters Not Designated as Family-Type Quarters. A Service member who is not assigned to and does not occupy Government quarters is authorized a housing allowance for a dependent even if the dependent occupies Government quarters not designated as family-type quarters. Examples of such quarters include:

8.2.2.1. Dormitory quarters occupied by a Service member's child at a school for dependents of military personnel;

8.2.2.2. A hospital room occupied by a dependent under [10 U.S.C. § 1077](#), Dependents Medical Care Act. However, a Service member is not authorized a housing allowance when the dependent is hospitalized under the Dependent's Medical Care Act and the Service member is assigned to and occupies Government quarters while the dependent is hospitalized even though private quarters are retained; or

8.2.2.3. Off-base housing or private-sector housing occupied by the Service member's civilian spouse due to employment overseas with the DoD Education Activity ([DoDEA](#)) as a schoolteacher. The Service member must be separated from the spouse by official orders.

8.2.3. Quarters Furnished on Behalf of the United States. A Service member is not authorized a housing allowance for a dependent if the Service member and dependent is furnished adequate family-type quarters without rental charge. Examples of such family-type quarters include:

8.2.3.1. Quarters furnished to a Service member in an official capacity by a foreign government;

8.2.3.2. Quarters furnished by a state, county, municipal, or privately owned hospital to an officer serving on AD as an intern or resident physician; or

8.2.3.3. Quarters furnished by a college, university, or a research facility as part of a fellowship, scholarship, or grant.

8.2.4. Quarters Occupied by Dependent. A Service member furnished single-type quarters is not authorized a housing allowance for any of the following:

8.2.4.1. A spouse who is a sole dependent and is furnished quarters in kind as a civilian employee at a Government hospital;

8.2.4.2. A spouse who is a sole dependent and is furnished Government quarters while serving with the American Red Cross overseas;

8.2.4.3. A sole dependent who is a student nurse in training at a Government hospital. However, a housing allowance is payable on behalf of a dependent who is a student nurse in training at a civilian hospital;

8.2.4.4. A civilian spouse who is a sole dependent and is furnished Government quarters while assigned overseas with DoDEA as a schoolteacher;

8.2.4.5. A dependent who occupies Government housing facilities and evacuated to a safe haven. See subparagraph 8.2.6 for an exception when the Service member must continue to pay for private-sector housing; or

8.2.4.6. Any dependent, if one or more of the Service member's dependents occupy the quarters with the Service member on a permanent basis for more than 90 days, unless another dependent is officially prevented from residing with the Service member.

8.2.5. Rental Quarters (Other Than Inadequate Quarters). A Service member and a dependent who occupy the following facilities on a rental basis are authorized a housing allowance. The facilities are:

8.2.5.1. Any housing facilities, including trailers, under the Government's jurisdiction other than Government quarters constructed or designated for occupancy without charge. The Service member may sublease such quarters with or without charge to a temporary sublessee and neither the sublessor nor a Service member sublessee loses the right to a housing allowance;

8.2.5.2. A hotel on the grounds of a Service Academy. A Service member is authorized BAH while renting quarters in a hotel on the grounds of a Service Academy; or

8.2.5.3. Quarters furnished to a Service member for service in a capacity other than that of a Service member.

8.2.6. Quarters at Safe Haven Temporarily Occupied by Dependents

8.2.6.1. A Service member is authorized a housing allowance for a dependent when both of the following occur:

8.2.6.1.1. The Service member's dependent occupies Government provided housing at a safe haven area after emergency evacuation from private-sector housing at the PDS; and

8.2.6.1.2. Due to conditions beyond the Service member's control, the Service member is required to continue rent payment for the private-sector housing to keep the furnishings and belongings in the private-sector housing and to have housing available upon the dependent's return.

8.2.6.2. This authority continues until a dependent is authorized to return to the Service member's PDS or the dependent arrives at a designated place as specified in the JTR, Chapter 6.

8.2.7. Lease on Private-Sector Rental or Leased Housing. When a Service member makes a local move from private-sector rented or leased housing to Government housing, a housing allowance is not payable for the remainder of the lease on the private-sector housing even though the Service member is required to honor the lease.

8.2.8. Limitation on Quarters Occupied by Service Member

8.2.8.1. When adequate quarters are not furnished for a Service member's dependent, the Service member is not authorized BAH or OHA if the Service member occupies Government quarters that exceed the minimum standards for his or her grade "without-dependent." This applies either at the PDS or TDY location unless the quarters are the only quarters available and either of the following conditions apply:

8.2.8.1.1. The quarters are not suitable for joint occupancy; or

8.2.8.1.2. If suitable for joint occupancy, the quarters are jointly occupied with another Service member permanently assigned to the PDS.

8.2.8.2. This limitation does not apply to a Service member on medical hold or holdover personnel receiving outpatient medical treatment who have been designated as requiring a live-in non-medical attendant. The Service determines the housing standards for such personnel based on medical condition, treatment, non-medical attendant, and other relevant factors.

8.2.9. Additional Room Assigned to Chaplain. Assignment of an additional room to a chaplain for spiritual purposes does not affect the Service member's authority for BAH or OHA. The chaplain must use the room for official duties and not as living quarters.

8.3 Government Quarters Designated as Inadequate (260803)

8.3.1. Housing Allowance Authority. Service member with-dependents may be assigned Government quarters designated as inadequate on a rental basis without loss of BAH. This does not apply to bachelor officer quarters, visiting officer quarters, guesthouses, and similar type facilities, or to assigned Government quarters undergoing ordinary repairs. An order stating that quarters were inadequate while repairs were being made cannot serve to authorize BAH during the period involved.

8.3.2. Effect of Subleasing Inadequate Government Quarters. The Service member may share the Government quarters with others or permit occupancy by others while on leave. The Service member may also sublet the Government quarters on a rental basis without loss of BAH, regardless of the amount of rent.

8.3.3. Rental Charge for Inadequate Government Quarters. The authority controlling the inadequate Government quarters establishes the procedures for collecting rent from the Service member at the Government quarters' fair rental value. The rental charge for the Government quarters must be its fair rental value, limited to 75% of the Service member's with-dependent BAH rate (see [10 U.S.C. § 2830](#)). The rental charge is independent of the amount and type of BAH paid to the Service member.

8.3.4. Effective Date of BAH and Rental Charge. BAH and rental charge begin on the date of the Service member's assignment to such Government quarters or on the date the determination of inadequacy is effective, whichever is later.

8.3.5. Computation of BAH and Rental Charge. BAH and the rental charge are computed on a 30-day month basis and prorated at one thirtieth of the monthly rate for each day inadequate Government quarters are assigned. BAH is not paid for, nor is rent charged, for the 31st day of a month. When inadequate Government quarters are assigned on February 28, pay 3 days' BAH and charge 3 days' rent. Rent is not charged for the day the assignment ends; however, BAH accrues for the termination day.

8.3.6. Inadequate Government Quarters Re-Designated Adequate. Rental charges and BAH end on the date rehabilitated inadequate Government quarters are re-designated as adequate Government quarters. If the Service member's assignment to inadequate Government quarters continued during the rehabilitation period, the adequacy re-designation is effective the 1st day of the month following the month in which the rehabilitation was completed.

8.3.7. Two Service Members Married to Each Other—Each Authorized BAH. When two Service members married to each other jointly occupy inadequate family quarters on a rental basis, see section 4.0 to determine their respective BAH rates. The rental charge for the Government quarters must be the assigned inadequate family-type Government quarters' fair rental value, but must never exceed 75% of the with-dependent BAH rate that would be payable to a Service member of the same grade and rank as the Service member under whose eligibility the Government quarters are assigned. The BAH paid to the respective Service members does not affect the rent amount charged, even if a Service member is receiving BAH at the with-dependent rate.

BAH is collected as specified in Service procedures. For inter-Service marriages, the rental charge is collected as specified in the procedures of the Service furnishing the Government quarters.

9.0 PRIVATIZED HOUSING (2609)

“Privatized housing” is defined as housing units on or near a military facility in the United States or its territories and possessions that are acquired by or constructed by private persons under the authority of [10 U.S.C. §§ 2871-2885](#). The Service Secretary determines which privatized housing is suitable for use as military family housing. Each Service member occupying privatized housing is authorized a housing allowance in the same manner as a Service member not assigned to Government quarters. See subparagraph 5.3.2 for the Navy Barracks Privatization Test.

10.0 ASSIGNMENT SITUATIONS (2610)

10.1 Service Member Without-Dependent (261001)

A Service member without a dependent entitled to basic pay is authorized BAH or OHA in the situations specified in Table 26-26 and as otherwise specified in this paragraph. Ordinarily BAH or OHA is based on the service member’s PDS and paid when adequate Government quarters are not provided at the PDS.

10.1.1. Service Member Away From PDS. A Service member away from the assigned PDS may occupy Government quarters designated for a Service member without-dependent at the TDY location without affecting the Service member’s authority to receive BAH or OHA or to be assigned quarters at the Service member’s PDS. Under such circumstances, a Service member may not occupy Government quarters that exceed the minimum standards specified for a Service member of that grade “without-dependent,” unless they are the only quarters available and are available for joint occupancy with other Service members. This limitation does not apply to a Service member who is on medical hold or is receiving outpatient medical treatment and has been designated as requiring a live-in non-medical attendant. The Service determines the housing standards for these personnel based on medical condition, treatment, non-medical attendant, and other relevant factors.

10.1.2. Government Quarters. A Service member is not authorized BAH or OHA if assigned or occupies Government Quarters suitable and adequate for the member’s grade at the PDS. Government Quarters occupied without payment of rental charges are deemed assigned as appropriate and adequate quarters. When not assigned to Government quarters at the PDS, BAH or OHA accrues while in a duty or authorized leave status not due to PCS. BAH or OHA continues if temporary Government quarters are occupied.

10.1.3. Service Member TDY. A Service member on TDY (including permissive travel) when no PCS is involved, is authorized to continue to receive BAH or OHA if authorized prior to the TDY. For a Service member below grade E-7 on a TDY without a PCS involved authority for BAH or OHA does not exist during the TDY if quarters are assigned or furnished at the PDS, even if the quarters are vacated at the beginning of the TDY. BAH or OHA does not accrue if assigned quarters at the PDS.

10.1.4. PCS Between PDSs in Proximity. Ordinarily a housing allowance is paid based on the Service member's PDS or the home port for a Service member assigned to a ship or afloat unit.

10.1.4.1. The Service may instead pay a housing allowance based on the old PDS rate in a situation involving a low or no-cost move. The determination of whether to base the housing allowance on the old PDS because it is inequitable to base it on the new PDS, is made by the Secretary concerned or through the Secretarial Process.

10.1.4.2. When a Service member is ordered on a PCS between PDSs located in proximity to each other, housing allowances continue when the Service member continues to commute from the residence occupied while at the old PDS. The housing allowance continues from the time between the Service member's detachment from the old PDS and reporting to the new PDS, unless otherwise prohibited in this Chapter.

10.1.4.3. If a Service member is reassigned under the conditions of a low-cost or no-cost PCS and is not authorized a household goods (HHG) move, the housing allowance is based on the old PDS under the following conditions:

10.1.4.3.1. The Service member requested the old PDS housing allowance;
and

10.1.4.3.2. The Service-selected decision process determines that it would be inequitable to base the Service member's allowances on the housing cost in the Service member's new PDS area.

10.1.5. Service Member in Grade E-7 or Above Not on Sea Duty. A Service member without a dependent in grade E-7 or above may elect at any time not to occupy Government quarters at the PDS and is authorized BAH or OHA unless the Secretary concerned or designee has determined that the Service member's exercise of this option would adversely affect a training mission, military discipline, or readiness.

10.1.6. Service Member in Grade E-6 Not on Sea Duty. A Service member without a dependent in grade E-6 assigned to inadequate Government quarters or to a housing facility under the jurisdiction of a Uniformed Service that does not meet DoD adequacy standards, may elect to not occupy such quarters and receive BAH or OHA instead. The Secretary concerned, or the designee, may deny BAH or OHA on determining that the Service member's exercise of this option would adversely affect a training mission, military discipline, or readiness.

10.1.7. Service Member on Sea Duty. A Service member assigned on permanent duty to a ship ordinarily has Government Quarters available aboard that ship. The Secretary Concerned may determine that a ship or class of ships is inadequate for berthing a member in home port, in which case the ship or class of ships is not available as Government Quarters for housing allowance purposes. When quarters aboard a ship, deemed adequate for berthing, become temporarily unavailable due to maintenance or damage, Government Quarters are no longer available onboard the ship. The Service concerned provides guidance on payment of housing allowances or alternate berthing procedure for ships that become temporarily unavailable for berthing.

10.1.7.1. A Service member without a dependent in grade E-6 or above assigned to permanent sea duty aboard a ship may elect not to occupy assigned shipboard Government quarters and receive BAH or OHA. A Service member in pay grade E-6 or above is authorized to receive BAH or OHA after reporting to a deployed ship or afloat unit.

10.1.7.2. A Service member without a dependent in grade E-5 assigned to permanent sea duty aboard a ship cannot elect not to occupy assigned shipboard Government quarters and receive BAH or OHA. Under Service regulations, the Secretary concerned may authorize BAH or OHA to a Service member without a dependent who is serving in grade E-5 and is assigned to sea duty. When preparing regulations under this paragraph, the Secretary concerned must consider Government quarters availability for a Service member serving in grade E-5.

10.1.7.3. A Service member without a dependent in grade E-4 assigned to permanent sea duty aboard a ship cannot elect not to occupy assigned shipboard Government quarters and receive BAH or OHA. Under Service regulations, the Secretary concerned may authorize BAH or OHA to a Service member without a dependent who is serving in grade E-4 and is assigned to sea duty. When preparing regulations under this paragraph, the Secretary concerned must consider Government quarters availability for a Service member serving in grade E-4.

10.1.7.4. A Service member married to another Service member who is in a pay grade below E-6 is authorized BAH or OHA if assigned to permanent sea duty.

10.2 Service Member With-dependent (261002)

10.2.1. Authorized BAH or OHA. Except for a Service member paying child support and assigned to Government quarters, a Service member with a dependent, who is entitled to basic pay is authorized BAH or OHA at the with-dependent rate when any of the following conditions are met:

10.2.1.1. Adequate Government quarters are not furnished for the Service member and dependent without a rental charge payment;

10.2.1.2. Adequate Government quarters are not furnished for the Service member's dependent, or not all of the Service member's dependents are authorized to occupy Government quarters assigned to the Service member. This does not apply when the child is living with the former spouse and the Service member has remarried;

10.2.1.3. A dependent is not en route or does not accompany the Service member to the PDS, or the PDS vicinity, which prevents assignment of family quarters. This situation does not prevent the Service member from receiving BAH or OHA for a dependent;

10.2.1.4. A single or divorced Service member who maintains legal and physical custody of a child before receipt of a PCS authorization or order to an unaccompanied tour may continue to be paid BAH at the with-dependent rate for the last PDS, or designated place, as specified in this paragraph. The divorce decree must state the specific period during which the Service member has legal and physical custody. BAH at the with-dependent rate is authorized only for the period the Service member would have the custody of the child if not serving on the unaccompanied tour. For military necessity, the Service member must place the child in the physical custody of a relative or caregiver designated by the Service member, to be authorized BAH or OHA at the with-dependent rate; or

10.2.1.5. A Service member, classified as with-dependent for housing purposes solely because the Service member is paying child support, is not authorized a housing allowance other than BAH-Diff if he or she is assigned to Government quarters or both of the following apply:

10.2.1.5.1. The Service member is assigned to sea duty in a grade above E-3; and

10.2.1.5.2. The Service member is authorized to and does not occupy the assigned, unaccompanied Government quarters by choice.

10.2.2. Location Rate. Ordinarily a housing allowance is based on the Service member's PDS, or the home port for a Service member assigned to a ship or afloat unit. However, the Service may determine that a Service member's assignment to a PDS, or the circumstances of that assignment, requires a dependent to reside separately. Authorization or approval of a housing allowance based on the dependent's location or old PDS is through the Service Secretary or through the Secretarial Process.

10.2.2.1. Low or No-Cost Moves. A Service member may pay BAH or OHA based on the old PDS rate in situations involving low or no-cost moves and for situations in which the Service member and dependent are residing separately. The determination of whether it is inequitable to pay BAH or OHA based on the new PDS is through the Secretarial process. When a Service member is ordered on a PCS between PDSs located in proximity to each other and continues to commute from the residence occupied while at the old PDS, BAH or OHA continues from the time between the Service member's detachment from the old PDS and reporting to the new PDS, unless otherwise prohibited in this Chapter. A Service member ordered on PCS with TDY, or leave en route is authorized BAH or OHA based on the old PDS during that period. If a Service member is reassigned under the conditions of a low-cost or no-cost PCS and is not authorized an HHG move, BAH or OHA may be based on the rate for the old PDS if both the following conditions are met:

10.2.2.1.1. It was requested by the Service member; and

10.2.2.1.2. The decision of whether it would be inequitable or not to base the allowance on the housing cost in the new PDS area to which the Service member is reassigned, is determined through the Secretarial Process.

10.2.2.2. Unaccompanied or Dependent-Restricted Assignment OCONUS

10.2.2.2.1. BAH or OHA is based on the old PDS in a situation in which the Service member is making a PCS to a dependent-restricted or unaccompanied assignment OCONUS and the dependent remains at the Service member's old PDS.

10.2.2.2.2. If the dependent of a Service member assigned to an unaccompanied tour moves to a designated place, the Service member is authorized BAH or OHA based on the dependent's location. Payment based on the old PDS is not authorized.

10.2.2.3. Location Rate Changes. Location rate changes may be routinely authorized or approved when a Service member is:

10.2.2.3.1. Assigned to a PDS in an area at which sufficient housing quantities do not exist;

10.2.2.3.2. In receipt of a PCS order to a unit with a promulgated change of home port and dependents relocate to the announced home port (or authorized designated place in the United States) before the effective date of the home port change;

10.2.2.3.3. Assigned to "unusually arduous sea duty" and a dependent resides at or relocates to a designated place in the United States;

10.2.2.3.4. Assigned to or is in receipt of a PCS authorization or order to a ship entering overhaul involving a home port change and his or her dependent is not relocated due to the home port change;

10.2.2.3.5. Disadvantaged due to reassignment for reasons of improving mission capability and readiness of the unit, in receipt of a PCS authorization or order between PDSs located in the same proximity, and disallowed HHG movement. A determination must be issued through the Secretarial Process that implementing this policy in the interest of correcting an inequity incurred due to movement of the Service member for purposes of improving mission capability and unit readiness;

10.2.2.3.6. Assigned to an intermittent TDY or a TDY pending further orders; or

10.2.2.3.7. Assigned to a Professional Military Education or training course that is scheduled for a duration of 1 year or less.

10.2.2.4. Multiple Dependent Locations. In instances when dependents are in multiple locations, the Service member must designate the dependent's primary residence. The housing allowance rate is based on this primary residence.

10.2.2.5. Ship or Home Port

10.2.2.5.1. A Service member assigned to duty aboard a ship or other afloat unit is authorized a with-dependent allowance when supported by a statement of the Service member's commanding officer, or an officer designated by the commanding officer. The statement must specify that the dependent has established a residence at or in the home port vicinity. The applicable with-dependent allowance is payable even though the Service member is quartered in kind aboard a ship with his or her afloat unit. The rate payable is the rate applicable to the ship's or afloat units' home port.

10.2.2.5.2. The housing allowance must change to the new home port rate on the effective date of the home port change if the Service member is currently assigned or is in receipt of a PCS order to a ship or another afloat unit with an announced home port change and their dependent is authorized travel to the new home port.

10.2.2.6. Other Circumstances. The Secretary concerned may determine that other circumstances may require a dependent to reside separately from the Service member and authorize or approve a housing allowance payment based on either the dependent's location or the old PDS. If the Secretary concerned determined that an additional reason for a BAH or OHA waiver was acceptable, the Secretarial Process may then be used to authorize or approve individual cases based on that determination.

10.2.3. During Leave, Travel Status, Separation, and Other Situations. Table 26-27 and paragraph 10.10 specify BAH or OHA accrual for a Service member entitled to basic pay with a dependent. In Table 26-27, the phrase "due to a PCS" refers to whether or not the Service member is en route to a new PDS under a PCS authorization or order.

10.3 Service Member with Acquired Dependent (261003)

When a Service member acquires a dependent, for example, through marriage, birth, or adoption, a with-dependent housing allowance is authorized as of the date the dependent is acquired.

10.3.1. PDS in the CONUS. When the Service member is assigned to a PDS in the CONUS, the housing allowance is authorized based on the PDS. He or she may request through the Secretarial Process a housing allowance based on the dependent's residence location. Table 26-28 specifies the changes in BAH or OHA when a Service member acquires a dependent while assigned in the CONUS.

10.3.2. PDS OCONUS. When a Service member is assigned at a PDS OCONUS and the dependent does not reside at or near the PDS OCONUS, the housing allowance is based on the dependent's location. If the dependent does reside at or near the PDS OCONUS, the housing allowance is based on the PDS OCONUS.

10.3.3. FSH Eligibility. Table 26-30 specifies FSH authorization for a Service member assigned to a PDS OCONUS. FSH eligibility is effective the date the dependent is acquired.

10.4 Service Member With-Dependent Serves Unaccompanied or Dependent-Restricted Tour OCONUS or "Unusually Arduous Sea Duty" Outside the United States (261004)

A Service member with a dependent who serves an unaccompanied or dependent-restricted tour OCONUS or "unusually arduous sea duty" outside the United States is authorized a with-dependent housing allowance based on the dependent's location. The housing allowance may be based on the old PDS if the dependent remained in the residence shared with the Service member before the PCS, did not relocate, and is not in Government quarters. The housing allowance for the dependent's location may be authorized or approved to be effective on the date of the lease.

10.4.1. FSH Authorization. If the Service member is serving an unaccompanied or dependent-restricted tour and single-type Government quarters are not available for assignment at the PDS OCONUS, and the dependent does not reside at or near the PDS, then FSH-O or FSH-B is also authorized. A Service member assigned to "unusually arduous sea duty" is not authorized FSH since Government quarters are available for assignment.

10.4.2. Dependent Visit. Table 26-31 specifies changes made to allowances when a dependent visits a Service member serving an unaccompanied or dependent-restricted tour. If the Service member is in a BAH area, in Alaska or Hawaii, then the allowance specified in Table 26 - 30 is either BAH or FSH-B, as applicable. If the Service member is outside the United States, then the allowance is either OHA or FSH-O, as applicable. If all of a Service member's dependents arrive at his or her PDS OCONUS and stay beyond 90 days, the Service member is not authorized OHA simply because the dependent is present. To be paid OHA the Service member must provide the required documentation (a completed and approved DD 2367) for private-sector leased or owned housing.

10.4.3. Initial Tour of Duty. When a Service member serves an unaccompanied or dependent-restricted tour at the first PDS (i.e., the initial PDS when coming on AD) payment of a with-dependent housing allowance is based on one of the designated locations specified in the JTR, Chapter 5, paragraph 050814 if the dependent has been authorized or approved to reside at one of those locations.

10.4.4. Transfer Between Unaccompanied or Dependent-Restricted Tours. A Service member transferred between unaccompanied or dependent-restricted tours, whose dependent does not move, continues to be authorized a with-dependent rate based on the dependent's location. A Service member is authorized a with-dependent rate based on the dependent's new location if the Service member is transferred between unaccompanied or dependent-restricted tours and the dependent moves from either:

10.4.4.1. The Service member's old PDS (the PDS before the Service member was assigned on the first unaccompanied or dependent-restricted tour) to a designated place; or

10.4.4.2. A designated place to another designated place if the move is authorized or approved.

10.4.5. Dependent Relocates to Other OHA Location. If a dependent relocates from a designated place at personal expense to any other OHA location that is not in the vicinity of the Service member's PDS, start OHA based on the new location effective the date private-sector housing is obtained once the required documentation is provided. If the dependent departed from an OHA area, stop the with-dependent allowance based on the designated place effective the day before the dependent departed that location. If the dependent departed from a BAH area, stop the with-dependent allowance the day before the dependent arrives at the new location.

10.4.6. Dependent Relocates to Other BAH Location. If the dependent relocates at personal expense from a designated place in a BAH area to a different location in a BAH area that is not at or near the Service member's PDS, continue BAH based on the previously authorized location (either the old PDS or dependent location before the move). If the dependent relocates from a designated place in an OHA area to a location in a BAH area, start BAH based on the new location on the dependent's arrival date and stop the OHA the day before dependent's departure.

10.4.7. Situation-Based Rate for Housing Allowance. Table 26-32 specifies situation-based rate information. A housing allowance must not be paid if a Service member is assigned adequate family-type Government quarters at the PDS. Do not start the housing allowance until the Service member terminates the family-type Government quarters assignment.

10.4.7.1. If a Service member is assigned to an unaccompanied or dependent-restricted tour at a PDS OCONUS and he or she is required to perform a TDY anywhere in the world, due to a transfer to another unaccompanied or dependent-restricted tour, and the dependent continues to reside at the same location then continue to pay the housing allowance based on the dependent's permanent residence.

10.4.7.2. If a Service member is assigned to an unaccompanied or dependent-restricted tour at a PDS OCONUS and the Service member is required to perform a TDY due to a transfer to the United States, and the dependent continues to reside at the same location then continue to pay a housing allowance based on the dependent's permanent residence location through the day before the Service member's reporting day to the new PDS. Start BAH or OHA based on the new PDS, the day the Service member reports at that PDS.

10.4.7.3. If a Service member is assigned to "unusually arduous sea duty" in the United States and the dependent is not residing with the Service member at the unit's home port then pay BAH based on the unit's home port. The Service member may request a waiver through the Secretarial process for BAH or OHA to be based on the old PDS if the dependent remained in the residence shared with the Service member before the PCS, or based on the dependent's current location.

*10.5 Reserve Component (RC) Member (261005)

A DoD retired Service member ordered to AD is authorized the same housing allowances as an RC member. A lease agreement or verifiable purchase price is required before OHA payment.

10.5.1. Order Duration. An RC member called or ordered to AD for 30 or fewer days is authorized the RC rate (BAH-RC), except for contingency operations or for an AGR member. A Service member called or ordered to AD for 31 or more days, except a Service member without a dependent during initial entry training, is authorized BAH or OHA. An RC member initially on a tour of 30 or fewer days who receives an order modification, assignment extension, or additional consecutive orders with a prospective, new active-duty period of 31 or more days receives BAH or OHA on the modification date. BAH-RC stops the day before the amendment or modification and BAH or OHA based on the primary residence starts on the modification date. This rate is payable as of the date of the amendment, modification or new issuance and continues for the tour duration except as otherwise specified in this chapter. If there is a break in service, periods of AD previously served may not be added together to meet the requirement for BAH or OHA that AD exceeds 30 days under the authority of 37 U.S.C. § 403(g)(6)(C)(iii). See Table 26-48 for examples. See paragraph 10.10 for the rate payable to a Service member in a travel status while in the accession pipeline travel.

10.5.1.1. Called or Ordered to AD for 30 or Fewer Days. If the RC member is called or ordered to AD for 30 or fewer days and the duty is not in support of a contingency operation, then start BAH-RC on the first day of AD. If the duty is in support of a contingency operation, then start BAH or OHA based on the primary residence at the time called or ordered to AD beginning on the first day of AD.

10.5.1.2. Called or Ordered to AD for Other than Training or Active Duty for Training (ADT) for 31 or More Days. An RC member called or ordered to ADT for a period lasting between 31 and 139 days, receives BAH or OHA based on the primary residence at the time called or ordered to ADT beginning on the first day of AD. An RC member called or ordered to AD for other than training for a period lasting between 31 and 180 days, except if he or she is without a dependent during initial entry training, is authorized BAH or OHA based on the primary residence beginning on the first day of AD. This rate continues for the tour duration except as otherwise specified in this chapter.

10.5.1.3. Called or Ordered to ADT for 140 or More Days or Other than Training for 181 or More Days and Authorized HHG Transportation. Except when supporting a contingency operation, the initial rate ends on the day before the RC member reports at the duty location specified in the active-duty order. Whether or not the duty is in support of a contingency operation, BAH or OHA based on the primary residence starts at the time called or ordered to AD for training, beginning on the first day of AD and continues through the day before arrival at the PDS. BAH or OHA based on the PDS location begins on the day the RC member reports at that location. An RC member called or ordered to ADT for 140 or more days at one location or other than training for 181 or more days is authorized BAH or OHA in the same manner as a Service

member already on AD. OHA or BAH is not authorized for an RC member assigned adequate Government quarters to his or her grade and dependency status at the PDS.

10.5.1.4. Called or Ordered to ADT for 140 or More Days But Not Authorized HHG Transportation. If the RC member is not authorized HHG transportation (e.g., duty is not performed for 140 or more days at one location), he or she receives BAH or OHA based on the primary residence at the time called or ordered to AD, except as specified for an RC member OCONUS without a dependent. An RC member without a dependent authorized PCS allowances but not HHG transportation to a location OCONUS and Government quarters are not available, receives BAH or OHA based on the primary residence, unless the rate at the PDS is authorized or approved through the Secretarial Process.

10.5.1.5. Called or Ordered to AD Other Than Training for 181 or More Days But Not Authorized HHG Transportation. An RC member called or ordered to AD for other than training for 181 or more days who is not authorized HHG transportation for a PCS receives BAH or OHA based on the primary residence, except as specified for an RC member OCONUS without a dependent in subparagraph 10.5.1.6. The member must be residing at any of the following locations at the time called or ordered to AD:

10.5.1.5.1. At a location outside the local commuting distance of the RC member's primary residence and the duty is not for more than 180 consecutive days at one location;

10.5.1.5.2. At a location other than the RC member's primary residence but authorized TDY allowances as specified in the JTR, Chapter 3;

10.5.1.5.3. At a location to which the RC member commutes from his or her primary residence; or

10.5.1.5.4. At a location OCONUS for a prospective period of less than 12 months.

10.5.1.6. RC Member Without-Dependent OCONUS. An RC member without a dependent—or who has no dependents other than for whom he or she is paying child support—and who is not authorized FSH as specified in section 7.0 receives BAH or OHA based on the primary residence. If **all** the following conditions apply:

10.5.1.6.1. The RC member is authorized PCS allowances to a location OCONUS;

10.5.1.6.2. The RC member is not authorized PCS HHG transportation because the prospective period is less than 12 months. HHG transportation under a TDY order, as specified in the JTR, Chapter 2, does not affect this housing allowance authority; and

10.5.1.6.3. Government quarters are not available at the PDS.

Then the Service may determine that it is inequitable to pay a housing allowance based on the primary residence. A housing allowance based on the PDS may be authorized or approved through the Secretarial Process. If Government quarters are available for assignment to the RC member at the PDS, he or she receives only BAH or OHA based on the primary residence.

10.5.1.7. Called or Ordered to AD for Contingency. An RC member called or ordered to AD in support of a contingency operation is authorized BAH or OHA based on the primary residence beginning on the first day of AD. This rate is authorized even for duty of 30 or fewer days. This rate continues for the duration of the tour unless the RC member is authorized PCS HHG transportation, in which case the rate for the PDS would apply on the day the RC member reports to the PDS.

10.5.1.8. Injured or Physically Disabled While on AD or on Inactive-Duty Training

10.5.1.8.1. An RC member injured or physically disabled due to an injury, illness, or disease incurred or aggravated in the line of duty during any of the following is authorized BAH or OHA:

10.5.1.8.1.1. Performing AD;

10.5.1.8.1.2. While on inactive-duty training, other than work or study in connection with a correspondence course of an armed force, or attendance in an inactive status at an education institution under the sponsorship of an armed force or the USPHS; or

10.5.1.8.1.3. While authorized incapacitation pay, which may include BAH or OHA under [DoDI 1241.01](#) (RC Line of Duty Determination for Medical and Dental Treatments and Incapacitation Pay Entitlements).

10.5.1.8.2. BAH or OHA is based on the primary residence and is paid beginning on the date the RC member becomes entitled to incapacitation pay. BAH or OHA for an eligible RC member may not be paid for more than 6 months except when, in the interest of fairness and equity, the Secretary concerned or the Secretary's designee extends incapacitation pay. For offsets, see [37 U.S.C. § 204\(g\) and \(h\)](#), and DoDI 1241.01 (RC Line of Duty Determination for Medical and Dental Treatments and Incapacitation Pay Entitlements).

10.5.1.9. Order Modification or Amendment. When an RC member receives an order modification or amendment extending his or her assignment, the prospective new active-duty period determines the authority for housing allowances. If the prospective period is 140 or more days for training or 181 or more days and HHG are authorized for the PCS, the BAH-RC or BAH or OHA based on the primary residence stops the day before the modification or amendment and BAH or OHA based on the PDS begins on the modification date.

10.5.2. Contingency Operation. An RC member called or ordered to AD in support of a contingency operation is authorized BAH or OHA for the duration of the tour. If the RC member receives a PCS order authorizing HHG transportation, BAH or OHA is based on the new PDS.

However, if the Service member is called or ordered to AD and a PCS order is not issued, BAH or OHA is based and paid on the primary residence location at the time called or ordered to AD except for an AGR member.

10.5.3. AGR Member. An AGR member's BAH or OHA is based on the PDS, even when the Service member is mobilized for AD other than for AGR duty, provided the Service member does not have a break in service. The rate based on the PDS applies for the duration of the tour. If the AGR member receives a PCS order authorizing HHG transportation, BAH or OHA is based on the new PDS. However, if the Service member is called or ordered to AD without a break in service and a PCS order authorizing HHG transportation is not issued, BAH or OHA is based and paid on the PDS location at the time called or ordered to AD. A break in service occurs when 1 or more calendar days between active-duty service periods do not qualify as active-duty service. If an AGR member has a break in service when called to AD for other than AGR duty, then the Service member is paid a housing allowance as for any other RC member (for example, the primary-residence rate).

10.5.4. RC Member Married to Service Member. Unless an RC member is assigned to a contingency operation or is an AGR member when he or she is called to AD for 30 or fewer days, the RC member is authorized the RC rate (BAH-RC) without-dependent rate if he or she is not assigned to Government quarters and is married to another Service member on AD without a dependent. For such an RC member on AD for 31 or more days, each Service member is authorized BAH or OHA at the without-dependent rate. If a Service member in this situation has a dependent, BAH or OHA is paid as for an active-duty member.

10.6 Government Defers Dependent Travel (Non-Concurrent Travel) (261006)

10.6.1. When the Government defers dependent travel at Government expense to a Service member's new PDS, a with-dependent housing allowance continues to be paid at the old PDS rate, or at the rate for the dependent's location if the dependent relocated there at Government expense. In a case in which the Secretarial Process previously authorized a housing allowance based on the dependent's location, that rate continues.

10.6.2. If otherwise eligible, FSH-O or FSH-B for the Service member's location starts when the Service member obtains private-sector housing.

10.6.3. The payment of the with-dependent allowance and FSH-O or FSH-B continues for 60 days after dependent travel is authorized. If the 60-day time period expires, a dependent has not arrived at the Service member's PDS, and an extension to the 60-day period has not been granted through the Secretarial Process, a housing allowance is not authorized for the dependent's location. However, the Service member is authorized a with-dependent allowance based on the PDS location.

10.6.4. Table 26-34 specifies changes to a housing allowance when the Government defers a dependent's travel to a duty station OCONUS.

10.6.5. Tables 26-35 and 26-36 specify changes, based on location and expected travel delay, when the Government defers dependent travel to a duty station in the CONUS when the area has been declared a concurrent dependent travel application area (see JTR, Chapter 5, paragraph 051205).

10.7 Dependent Travels Before or After Service Member (261007)

When a PCS order has been issued, the Service member's family may perform PCS travel at a different time than the Service member.

10.7.1. Housing Allowance Based on Dependent's Location or Old PDS. Unless otherwise authorized or approved, a Service member's housing allowance is based on the PDS. If authorized or approved through the Secretarial Process, a Service member may be authorized a housing allowance based on the location at which a dependent maintains a permanent residence or the old PDS. Situations that are routinely authorized or approved at a lower level than the Service Secretary are listed in subparagraph 10.2.2. An example of advance travel is the member's family travels ahead to get settled before school starts. An example of delayed travel is the family remains at the old PDS until the school year ends.

10.7.2. Secretarial Determinations. The Secretary concerned may determine that other circumstances may require a dependent to reside separately from the Service member and authorize or approve a housing allowance payment based on either the dependent's location or the old PDS. If the Secretary concerned determined that an additional reason for a BAH or OHA waiver was acceptable, the Secretarial Process may then be used to authorize or approve individual cases based on that determination.

10.7.3. Rates Applicable

10.7.3.1. If a dependent relocates, the rate applicable to the dependent's new residence location is effective on the date the dependent arrives.

10.7.3.2. If the dependent does not relocate, the with-dependent allowance is based on the higher of the rates for the dependent's location or the Service member's old PDS and continues until the dependent departs the authorized or approved location.

10.7.3.3. A Service member is generally authorized BAH-Transit while on leave and travel between PDSs. However, in situations in which the Secretary concerned has authorized or approved an advance or delayed travel situation, the authorized or approved allowance at the with-dependent rate applies. In delayed travel situations, when the dependent departs the authorized or approved location, the allowance changes to the new PDS if the Service member has already arrived there or to the BAH-Transit if the Service member is still in transit.

10.7.4. Advance Travel. In all cases of advance travel, if the Service member is assigned Government quarters at the old PDS and a housing allowance has not been approved by the Secretarial process for the dependent's location, do not start either BAH or OHA.

10.7.4.1. Table 26-37 specifies changes to housing allowances when the old PDS and new PDS are in the BAH area.

10.7.4.2. Table 26-38 specifies changes to housing allowances when the old PDS is in the BAH area and the new PDS is outside the OHA area.

10.7.4.3. Table 26-39 specifies changes to housing allowances when the old PDS is outside the OHA area and the new PDS is in the BAH area.

10.7.4.4. Table 26-40 specifies changes to housing allowances when both the old and new PDS are outside the OHA area.

10.7.5. Delayed Travel

10.7.5.1. Table 26-41 specifies changes to housing allowances when the old PDS and new PDS are in the BAH area.

10.7.5.2. Table 26-42 specifies changes to housing allowances when the old PDS is in the BAH area and the new PDS is outside the OHA area.

10.7.5.3. Table 26-43 specifies changes to housing allowances when the old PDS is outside the OHA area and the new PDS is in the BAH area.

10.7.5.4. Table 26-44 specifies changes to housing allowances when the old PDS and new PDS are outside the OHA area.

10.8 Early Return of Dependent (ERD) (261008)

10.8.1. Early Return at Government Expense

10.8.1.1. When all of a Service member's dependents return from a PDS OCONUS at Government expense not due to a PCS, regardless of the reason for the return, the Service member is authorized a housing allowance at the with-dependent rate based on the dependent's permanent residence location effective on the arrival day or the date the ERD order was issued, whichever is later. If the dependent's location is in an OHA area, start OHA on the date private-sector housing is acquired.

10.8.1.2. OHA, or BAH in Alaska or Hawaii, at the with-dependent rate for the Service member's PDS OCONUS stops on the day before the day the rate for the dependent's permanent residence starts. If the Service member resides in private-sector housing after the dependent's departure and single-type Government quarters are not available, FSH-O or FSH-B for the Service member's PDS location is authorized effective on the day the rate for the dependent's permanent residence location begins. If Government quarters are assigned or made available to the Service member following a dependent's departure, no housing allowance is payable for the Service member's PDS.

10.8.1.3. Whether or not a Service member is assigned family Government quarters:

10.8.1.3.1. If the dependent's location is in a BAH area, start with-dependent BAH based on dependent residence location as of the dependent's arrival date or the date the ERD order was issued, whichever is later.

10.8.1.3.2. If the dependent's location is in an OHA area, start OHA on the date private-sector housing is acquired for the dependent (based on the paperwork) or the date the ERD order was issued, whichever is later.

10.8.1.4. When a Service member assigned to Government family-type quarters terminates the quarters assignment and single-type Government quarters are not available, start FSH effective on the termination date, the date private-sector housing for the Service member is acquired (based on the paperwork for OHA), or the date the ERD order was issued, whichever is later.

10.8.1.5. If a Service member is not assigned to Government family-type quarters then stop the with-dependent rate based on the PDS on the day before the allowance rate based on the dependent's location starts. If single-type Government quarters are not available, start FSH-O or FSH-B the day the allowance based on the dependent's location starts.

10.8.2. Early Return at Personal Expense. When all of a Service member's dependents returned early from a PDS OCONUS at personal expense, the Service member is not authorized a second housing allowance and the housing allowance at the with-dependent rate based on the Service member's PDS continues without change, unless there is an OHA-related paperwork change. If the Service member vacates family-type Government quarters that were occupied by the dependent before the dependent's departure, the Service member is authorized an allowance at the with-dependent rate for the Service member's PDS. If a Service member assigned family Government quarters at the PDS OCONUS terminates a Government quarter assignment while:

10.8.2.1. In a BAH area, start with-dependent BAH based on the PDS as of the termination date; or

10.8.2.2. In an OHA area, start with-dependent OHA based on the PDS as of the date (based on the paperwork) private-sector housing is acquired or the termination date, whichever is later.

10.9 Evacuation of a Service Member's PDS (261009)

10.9.1. Service Member With a Dependent

10.9.1.1. PDS OCONUS-Command-Sponsored Dependent (see Chapter 67)

10.9.1.1.1. A Service member, whose command-sponsored dependent is evacuated and who was authorized a with-dependent housing allowance on the evacuation date,

continues to be paid that allowance while the Service member's PDS remains unchanged and the Service member continues to maintain private-sector housing, as long as the command-sponsored dependent is receiving evacuation allowances.

10.9.1.1.2. If a dependent, command sponsored for OCONUS COLA, is authorized to return to the PDS after being evacuated, no housing allowance actions are required, whether or not the Service member is assigned quarters at the PDS.

10.9.1.1.3. If a dependent's return to the PDS is not authorized or approved, then the dependent must select a designated place and will continue to receive evacuation allowances as specified in the JTR, Chapter 6. A Service member is authorized a with-dependent allowance based on the location of the designated place beginning the day after the evacuation allowance ends, whether or not the Service member is assigned Government quarters at the PDS.

10.9.1.1.3.1. If the Service member is not assigned Government quarters at the PDS, OHA or BAH based on the PDS OCONUS stops on the day before the allowance based on the designated place starts.

10.9.1.1.3.2. If Government quarters are not available for the Service member at a PDS OCONUS, start FSH-O or FSH-B based on the PDS on the same day as the with-dependent allowance based on the designated place starts.

10.9.1.2. PDS OCONUS-Non-Command Sponsored Dependent

10.9.1.2.1. If the evacuation occurs 89 or fewer days after a dependent arrived at the Service member's PDS OCONUS and the Service member is still being paid a with-dependent allowance based on the dependent's permanent residence or designated place as well as FSH-O or FSH-B based on the PDS OCONUS rate, then no changes in housing allowances are required. Whether the Service member is assigned Government quarters at the PDS is not a factor.

10.9.1.2.2. If the evacuation occurs 90 or more days after a dependent arrived at the Service member's PDS OCONUS and the Service member is now being paid a with-dependent allowance based on the PDS, reinstate OHA or BAH based on the dependent's prior permanent residence or designated place on the dependent's departure day from the PDS. Stop the with-dependent OHA or BAH allowance based on the PDS the day before the dependent departs. If after the dependent departs and Government quarters are not available for the Service member, then start FSH based on the PDS on the day the dependent departs the PDS.

10.9.1.3. PDS in the CONUS

10.9.1.3.1. A Service member who was authorized a with-dependent BAH on the date the dependent was evacuated continues to be paid BAH as long as the dependent is receiving evacuation allowances when both of the following conditions apply:

10.9.1.3.1.1. The Service member's PDS remains unchanged; and

10.9.1.3.1.2. The Service member continues to maintain private-sector housing.

10.9.1.3.2. If a dependent is authorized to return to the PDS after being evacuated, no housing allowance actions are required. Whether the Service member is assigned Government quarters at the PDS is not a factor.

10.9.1.3.3. If the return of a dependent to the PDS is not authorized or approved, the dependent is directed to select a designated place and continue to receive evacuation allowances as provided in the JTR, Chapter 6 until he or she establishes a permanent residence. A Service member is authorized a with-dependent allowance based on the designated place beginning the day after evacuation allowances end. BAH based on the PDS stops the day before evacuation allowances end.

10.9.2. Service Member Without-Dependent. A Service member without a dependent, who was authorized OHA or BAH at the PDS on the date an evacuation is ordered or authorized, and who continues to maintain a private-sector residence, continues to be authorized the allowance even though the Service member temporarily may be required to occupy Government quarters or be sent on a TDY. When the commanding officer believes the Service member will not be permitted to return to the private-sector housing in the foreseeable future, the commander must encourage the Service member to end the private-sector housing at the earliest practical date and end OHA or BAH concurrent with the private-sector housing termination.

10.10 Service Member in Transit (261010)

BAH-Transit is a temporary housing allowance paid while a Service member is in a travel or leave status between PDSs, provided the Service member is not assigned Government quarters while at the old or new PDS. If the Service member performs a TDY en route at the new PDS, BAH or OHA for the new PDS begins the day of arrival in a TDY status at the new PDS. If the Service member performs a TDY en route at a location near, but outside the limits of, the new PDS or to the home port of a ship, afloat staff, or afloat unit, per diem stops as specified in the JTR, Chapter 5. BAH or OHA for the new PDS begins the day per diem stops.

10.10.1. Old PDS in the United States. A Service member's old PDS is the PDS for BAH purposes from the day the Service member departs the old PDS through the day before the Service member reports to the new PDS in compliance with a PCS order. If the Service member had been residing in Government quarters at the old PDS, the Service member is authorized BAH as of the Government quarters termination date.

10.10.2. Old PDS Outside the United States. When a Service member's old PDS is outside the United States, and the Service member is not assigned Government quarters, the Service member is authorized OHA through the day before departing the PDS outside the United States. The day the Service member departs, OHA is no longer authorized and the Service member is authorized BAH-Transit if the Service member is not receiving a with-dependent housing allowance for a dependent residing separately. If the Service member is being paid BAH at the with-dependent rate for a dependent residing separately, that BAH rate continues until the Service

member arrives at the new PDS. If the Service member is being paid OHA at the with-dependent rate for a dependent residing separately, that OHA rate continues provided the dependent remains at the location outside the United States. If the dependent also performs PCS travel, BAH-Transit applies.

10.10.3. New Accession. A Service member in the accession pipeline includes a Service member who is undergoing initial entry training, including an RC member, a student—includes Reserve Officer Training Corps (ROTC) and Officer Candidate School—without prior military Service, or a Service academy graduate upon graduation, until arrival at the first PDS. The Service member remains in the accession pipeline until the Service member arrives at a PDS, including a training location of 20 or more weeks. An RC member remains in the accession pipeline until he or she completes entry-level training or arrives at a PDS, whichever occurs first.

10.10.3.1. Service Member Without-Dependent. A Service member in the accession pipeline without a dependent is authorized BAH-Transit when in a travel, leave en route, or proceed time status while transferring from the initial entry training location, between training locations, and to the first PDS. For BAH authorization only (not locality rate), the training sites are defined as a PDS except for an RC member without a dependent. A Service member without a dependent is not authorized BAH (except BAH-Partial) while at the training locations since Government quarters are assigned at the PDS. An RC member without a dependent attending accession training is authorized BAH or OHA based on the primary residence location at the time called or ordered to AD if the Service member maintains a residence and continues to be responsible for rent, or owns the residence.

10.10.3.2. Service Academy or ROTC Graduate Without-Dependent. A Service academy or ROTC graduate without a dependent is authorized a housing allowance at the without-dependent rate for the graduation or commissioning location through the day before departure en route to the training location, if he or she:

10.10.3.2.1. Remains on AD at the graduation or commissioning location following graduation and commissioning before proceeding to another duty station; and

10.10.3.2.2. Is not assigned Government quarters.

10.10.3.3. Service Member With a Dependent. The BAH rate for a new accession with a dependent is based on the dependent's location if the location is in the United States. If dependent is located outside the United States, BAH is based on the training site location. If an officer who was previously authorized a housing allowance at the without-dependent rate for the graduation or commissioning location specified in subparagraph 10.10.3.2 acquires a dependent, the officer's housing allowance at the with-dependent rate becomes based on the dependent's location effective the date the dependent is acquired.

10.10.4. Retirement or Separation

10.10.4.1. From a PDS in the United States. A Service member's old PDS is the PDS for BAH purposes from the day the Service member departs the old PDS through the separation or retirement date. If the Service member had been residing in Government quarters at the old PDS, the Service member is authorized BAH beginning the date Government quarters are terminated provided the Service member is still on AD.

10.10.4.2. From a PDS Outside the United States

10.10.4.2.1. Establishes Residence Outside the United States. A Service member at a PDS outside the United States, who is processing for retirement or separation or on leave after processing, and who intends to establish a residence in an OHA-based area after retirement or separation, is eligible for OHA. To be paid OHA under any of the circumstances listed, the Service member must provide a lease and a completed and approved DD 2367.

10.10.4.2.1.1. If the Service member continues to occupy private-sector leased or owned housing at or in the PDS vicinity, OHA continues until the date of separation or retirement.

10.10.4.2.1.2. If the Service member occupies private-sector leased or owned housing after vacating Government quarters or moves to different private-sector housing in the same country, OHA starts on the date the Service member obtains private-sector housing and stops on the date of separation or retirement.

10.10.4.2.1.3. If a Service member at a PDS outside the United States moves to a different country that is an OHA area to establish a residence after separation or retirement, the Service member is eligible for a housing allowance based on the residence location. OHA starts on the day the Service member obtains private-sector housing and stops on the date of separation or retirement. However, if the Service member is being paid OHA at the with-dependent for dependents residing separately, that OHA rate continues provided the dependents remain at the location OCONUS.

10.10.4.2.2. Returns to a U.S. Processing Station. If not assigned Government quarters, a Service member separating or retiring at a PDS outside the United States, who returns to the United States for retirement or separation processing, is authorized OHA through the day before departing the PDS outside the United States. The day the Service member departs that PDS, OHA is no longer authorized. The Service member is authorized the BAH rate for the retirement or separation processing location if he or she is not receiving a with-dependent housing allowance for a dependent residing separately. If the Service member is being paid a with-dependent BAH rate for a dependent residing separately, that BAH rate continues until the Service member separates or retires. NOAA's Marine and Aviation Operations and Commissioned Personnel Centers are the processing stations for NOAA.

10.10.4.2.3. Returns to the United States After Completing Separation or Retirement Processing Overseas. If not assigned Government quarters, a Service member retiring or separating at a PDS outside the United States, who returns to the United States after completing retirement or separation processing at the overseas PDS, and who does not have a processing location within the United States, is authorized OHA through the day before departing the PDS outside the United States. The day the Service member departs that PDS, OHA is no longer authorized. The Service member is authorized the BAH rate for the leave address provided as part of the final processing if he or she is not receiving a housing allowance at the with-dependent rate for a dependent residing separately. If the Service member is being paid a BAH at the with-dependent rate for a dependent residing separately, that BAH rate continues until the Service member separates or retires.

10.10.5. Decision Process for a Service Member in Transit

10.10.5.1. In all cases for a Service member in transit the following decisions must be made:

10.10.5.1.1. If a Service member is assigned Government quarters adequate for the Service member and the dependent, if applicable, the Service member is not authorized BAH or OHA. Start BAH or OHA effective the date of the quarters termination, as applicable;

10.10.5.1.2. If the Service member has a Secretarial waiver to pay BAH based on the previous PDS, or BAH based on the dependent's location, then continue that rate until the Service member arrives at the new PDS; or

10.10.5.1.3. If a Secretarial waiver is for an OHA location, continue the OHA rate if the dependent remains at the OHA location.

10.10.5.2. A payment of OHA requires a lease agreement or a verifiable purchase price.

10.10.5.3. A Service member who is participating in the Educational Leave Program Relating to Continuing Public and Community Services, and the Service member is authorized BAH or OHA, start BAH or OHA based on the designated unit of assignment during scheduled school breaks or leave periods.

10.10.5.4. If a Service member receives an appropriate authorization or order associated with a prolonged hospitalization determination and is transferred from any PDS to a hospital in the United States for observation or treatment, pay BAH based on the hospital location if the Service member is authorized BAH.

10.10.5.5. Table 26-45 specifies housing allowances for a Service member in transit on a PCS. Table 26-46 specifies housing allowances for a Service member who is a new accession. Table 26-47 specifies housing allowances for a Service member awaiting final discharge or in processing for separation or retirement.

10.11 Service Member in a Missing Status (261011)

10.11.1. Service Member Without-Dependent. A Service member without a dependent carried in a missing status is authorized without-dependent BAH. Pay BAH at the without-dependent rate based on the PDS for a Service member whose PDS is in the United States. If the Service member had a Secretarial waiver to receive BAH based on the former PDS due to a low-cost or no-cost PCS, then that BAH rate continues. Pay BAH at the without-dependent rate based on the home of record (HOR) location for a Service member whose PDS is outside the United States. If the Service member's HOR and PDS are outside the United States, then pay the without-dependent BAH-Transit rate. See Chapter 34 (Pay Entitlement of Members Missing, Missing in Action, Interned, and Payments to Dependents).

10.11.2. Service Member With-Dependent. A Service member with a dependent continues to receive the housing allowance authorized upon entering the missing status. If the dependent relocates, pay the housing allowance at the with-dependent rate based on the dependent's location.

10.12 Service Member in Confinement (261012)

Pretrial confinement, restraint other than confinement, or an adjudged sentence of restriction alone does not affect a Service member's BAH authority.

10.12.1. Transferred to a Confinement Facility. When a Service member who is serving a court-martial sentence to confinement is transferred to a confinement facility, then the BAH or OHA rate is based on the dependent's location if the Service member is authorized a housing allowance, other than BAH partial, while confined. A Service member is not authorized a housing allowance unless authorized basic pay. All rules concerning whether a Service member in civil or foreign confinement, including pre-trial, is authorized basic pay are covered in Chapter 1 (Creditable Service). This rule does not address a Service member's authority for a housing allowance when civil or foreign authorities confine the Service member.

10.12.2. In Confinement

10.12.2.1. BAH or OHA does not accrue while the Service member is confined pursuant to a court-martial and the sentence is effective or approved or when the Service member was not receiving BAH or OHA on the day before confinement and Government quarters assignment was not terminated before or during confinement. Service procedures must specify how and by whom Government quarters termination must be certified. Confinement imposed pursuant to a court-martial sentence begins the date the sentence is adjudged ([10 U.S.C. § 857\(a\), \(b\)](#)).

10.12.2.1.1. If a Service member is in confinement in a guardhouse, brig, or correctional barracks pursuant to a court-martial—not including pretrial confinement, restraint other than confinement, or an adjudged sentence of restriction alone—then the Service member's BAH or OHA accrues if the sentence is set aside or disapproved. The Service member must be otherwise authorized to receive BAH or OHA.

10.12.2.1.2. A Service member without-dependents who is confined in a guardhouse, brig, or correctional barracks, was assigned to single-type, Government quarters before confinement, and remains assigned to such quarters during confinement is authorized BAH-Partial unless forfeiture of allowances was directed. If he or she is restrained in a status of arrest in assigned single-type Government quarters, and therefore not authorized BAH or OHA, then the Service member is authorized BAH-Partial unless forfeiture of allowances was directed.

10.12.2.2. For FSH, a Service member in military confinement or otherwise restricted by military authority continues FSH for 60 or fewer days without certificate from the Service member. The FSH may continue for more than 60 days, but payment must be supported by the Service member's certification that he or she maintained private-sector housing at the PDS.

10.13 Housing Allowance Following Service Member's Death (261013)

BAH or OHA continuation or payment to the surviving dependent of a Service member who dies on AD is authorized for 365 days. It is paid to the dependent when, on the date of the Service member's death, the dependent either does not occupy Government quarters, is occupying Government quarters on a rental basis, or vacates Government quarters within 365 days of the Service member's death.

10.13.1. Not Payable. The housing allowance is not payable to a dependent who killed the Service member, unless there is evidence that clearly absolves the dependent of any felonious intent. It also is not payable to a surviving dependent of an RC member if that RC member dies while on inactive duty.

10.13.2. Payment Priority. Payments to a surviving dependent are made first to the current spouse. If there is no current spouse, the housing allowance is divided equally among the dependents on whose behalf the deceased Service member was receiving a with-dependent housing allowance.

10.13.3. Payment Amount and Method. The housing allowance is paid in the same amount and in the same manner as the deceased Service member would have been paid. The housing allowance may be paid quarterly as an advance payment, but must be reconciled. Housing allowance payments to the dependent are not subject to collection of any debts owed by the deceased Service member to the United States.

10.13.4. Surviving Service Member Spouse. (37 U.S.C. § 403(1)). The allowance in this paragraph may be paid to a deceased Service member's spouse even if the spouse is also a Service member entitled to basic pay. The allowance is paid to the surviving Service member spouse in addition to any other pay and allowances to which the surviving Service member spouse is authorized as a Service member. The following payment rules apply:

10.13.4.1. Dual housing-allowance payments are authorized for a surviving Service member spouse.

10.13.4.2. When any dependents other than a surviving Service member spouse are involved, the housing allowances are paid in the same manner that was provided for before the Service member's death. If the surviving Service member spouse was drawing the without-dependent housing allowance on the Service member's date of death, that rate would continue for 365 days. On day 366, the surviving Service member spouse's housing allowance could change to the with-dependent rate.

10.13.4.3. If the family vacates Government quarters, the surviving Service member spouse is paid the housing allowance that would have been paid to the deceased Service member, as well as the housing allowance to which the surviving Service member spouse is authorized. In this case, the surviving Service member spouse may determine on whose behalf the with-dependent and the without-dependent housing allowances are paid.

10.13.4.4. If the deceased Service member was receiving a with-dependent housing allowance solely for a dependent who may not be claimed by the surviving Service member spouse, the surviving Service member spouse is only authorized housing allowance continuation at the without-dependent rate. The remainder—the difference between the with-dependent and without-dependent rates—is divided equally among the dependents on whose behalf the deceased Service member was receiving the with-dependent rate.

10.13.5. Rate Defining Location

10.13.5.1. If a Service member with a dependent dies on AD while assigned to a PDS in the United States, then the housing allowance for the dependent is based on the deceased Service member's PDS, regardless of the location where the dependent chooses to reside unless the dependent is in receipt of a Secretarial waiver.

10.13.5.2. If a Service member with a dependent dies on AD while assigned to a PDS outside the United States, then the housing allowance for the dependent is based on the location where the dependent resides, or chooses to reside, in the United States. If the dependent stays overseas, the housing allowance is based on the OHA rate—and the documented cost—for the location where the dependent resides. It then changes to BAH based on the United States location where the dependent later decides to reside on the date that any dependent arrives there or the date that all dependents have departed the PDS location, whichever is later. Authority exists for 365 days after the Service member's death.

10.13.5.3. If a Service member with a dependent dies on AD and a dependent resides in Government quarters, then the housing allowance for the dependent is based on the dependent's location the day that the Government housing facilities were vacated. That rate continues for 365 days, less the number of days the Government housing facilities were occupied following the date of the Service member's death. If the Government housing was outside the United States, pay the housing allowance based on the location where the dependent chooses to reside.

10.14 Housing Flexibility for Certain Armed Forces Members With-Dependents, Permanent Change of Station (PCS) Within the United States (37 USC § 403a). Effective for PCS departures on or after October 1, 2018. (261014)

10.14.1. General. An eligible Armed Forces member with-dependents may be permitted certain housing flexibility while under a PCS order within the United States during a covered relocation period ([DoDI 1315.18, Enclosure 3, paragraph 10](#)).

10.14.2. Eligibility. An Armed Forces member with-dependents with PCS orders within the United States that may be authorized housing flexibility under this paragraph is an Armed Forces member who has one of the following:

10.14.2.1. A spouse who is gainfully employed or enrolled in a degree, certificate or license granting program at the beginning of the covered relocation period;

10.14.2.2. One or more dependents attending an elementary or secondary school at the beginning of the covered relocation period;

10.14.2.3. One or more dependents enrolled in the Exceptional Family Member Program; or

10.14.2.4. An immediate family member with a chronic or long-term illness at the beginning of the covered relocation period for whom the member is caring.

10.14.3. Covered Relocation Period. The covered relocation period begins 180 days before the date of the PCS, which is the date the Armed Forces member leaves the current PDS and ends 180 days after the date of the PCS. The Secretary concerned may lengthen or shorten the covered relocation period through the Secretarial process based on the needs of the Armed Forces. See the [Housing Flexibility Decision Support Tools](#).

10.14.4. Expiration. If the Armed Forces member's eligibility expires for any reason during the covered relocation period, that period is terminated and housing is paid at the PDS where the Armed Forces member is assigned at that time. If the Armed Forces member departs the old PDS, and the persons that are the basis of the eligibility do not arrive at the new PDS within the covered relocation period, housing allowances are paid at new PDS location rate beginning the day after the relocation period ends.

10.14.5. Authority. The dependents of an Armed Forces member may perform PCS travel at a different time than the Armed Forces member once the PCS order has been issued. Unless otherwise authorized or approved, the Armed Forces member's housing allowance is based on the PDS. However, an eligible Armed Forces member may request a housing allowance based on the dependents location. If authorized or approved through the Secretarial Process for dependents who relocate in advance or after the Armed Forces member, a housing allowance under this paragraph may be based on one of the following:

10.14.5.1. The new PDS;

10.14.5.2. The location the dependents reside when the Armed Forces member departs for the new PDS (only for the time the dependents reside in that area); or

10.14.5.2. The area of the Armed Forces member's former PDS, but only if different than the area the dependent resides.

Table 26-1. Types of Housing Allowances

R U L E	Allowance	Description
1	BAH	Paid for housing in the United States. The BAH rate is based on median housing costs and is paid independently of a Service member's actual housing costs.
2	BAH Differential (BAH-Diff)	Paid to a Service member assigned to single-type Government quarters and who qualifies for a BAH solely due to paying sufficient child support.
3	Partial Housing Allowance (BAH- Partial)	Paid to offset the raise that was reallocated from basic pay to housing between 1980 and 1981. It is paid when a Service member without a dependent is assigned to single-type quarters, or is on either field or sea duty, and not authorized to receive a BAH or an OHA. BAH-Partial is not authorized during proceed time, leave en route, and travel time on a permanent change of station (PCS) move unless the member is assigned to single type Government quarters and not authorized BAH or OHA. The rate is fixed from those years and does not change.
4	Transit Housing Allowance (BAH- Transit)	Paid while a Service member is in travel or leave status between PDS, provided the Service member is not assigned Government quarters. The BAH-Transit rate is paid during proceed time and authorized delays en route, including a temporary duty (TDY) en route.
5	BAH for Reserve Component (RC) Member (BAH-RC)	Paid when authorized for an RC member called or ordered to AD for 30 or fewer days, except when called to AD for a contingency. When an RC member is called to AD for a contingency, even for tours of 30 or fewer days, he or she is authorized the BAH or OHA rate. The Secretary of Defense establishes BAH-RC rates.
6	OHA	Paid monthly to help offset housing expenses for a Service member or dependent authorized to live in private-sector leased or owned housing at an assigned overseas location outside the United States. OHA is based on cost reimbursement. The amount of OHA paid considers factors, such as whether the housing is shared, the appropriate utilities (see Section 6.0), and whether the Service member owns or rents the housing. OHA cannot be paid if there is no rent or purchase expense for housing.
7	FSH	Paid to a Service member with a dependent for added housing expenses resulting from one of the following: <ul style="list-style-type: none"> a. Separation from the dependent when a Service member is assigned to a PDS OCONUS. b. An assignment in the Continental United States (CONUS) when dependent travel is delayed or restricted.

Table 26-3. Housing Allowances Rate Determinations

R U L E	Type	Applicable Rate Determination
1	BAH	<p>a. OUSD (P&R) determines adequate housing costs in a MHA for all Service members authorized BAH. OUSD (P&R) bases the determination for housing allowances upon the cost of adequate rental housing for civilians with comparable income levels in the same area.</p> <p>b. An adjustment in the BAH rates due to an OUSD (P&R) redetermination of housing costs in an MHA takes effect with the pay raise each year.</p> <p>c. An MHA is defined geographically by ZIP Code within the United States. Major military population areas are further identified by a combination of a two-digit code for the state and a three-digit numerical designation within the state. For small military population areas, ZIP Codes are aggregated into areas of similar housing cost and designated as county cost groups.</p>
2	BAH-Diff	The BAH-Diff is a fixed rate and is the difference between the with-dependent Basic Allowance for Quarters (BAQ) rate and the without-dependent BAQ rate as of December 31, 1997 based on the Service member's grade and increased each year by the average pay raise percentage.
3	BAH-Partial	The BAH-Partial rate is the difference in basic pay between the 1980 and 1981 reallocated pay raises and what those basic pay rates would have been without the raise reallocation. The rate is statutory and does not change.
4	BAH-Transit	The BAH-Transit rate varies depending on the old PDS location and the housing allowance type received, unless a location-specific rate is payable. The default BAH-Transit rate is a fixed rate, which is the amount of BAQ on December 31, 1997, incremented by the average housing allowance increase each year.
5	BAH-RC	The BAH-RC rate for a period of AD for a non-contingency operation of 30 or fewer days is a fixed rate, which is the BAQ amount on December 31, 1997, incremented by the average housing allowance increase each year.
6	OHA	<p>a. OUSD (P&R) determines adequate housing costs in a locality for all Service members authorized OHA by location.</p> <p>b. OHA rate ceilings are calculated based on data provided by commanders OCONUS and actual rent data derived from pay systems.</p> <p>c. The PDS geographic location governs the OHA rate payable unless otherwise specified. See OHA for how geographic locations are determined.</p>
7	FSH	<p>a. FSH-B is payable in a monthly amount equal to the without-dependent BAH rate for the same location applicable to the Service member's grade and PDS.</p> <p>b. FSH-O is payable in a monthly amount up to the without-dependent OHA rate for the same location applicable to the Service member's grade and PDS, and is computed under the same rules and conditions as OHA.</p>

Table 26-4. Date to Start BAH or OHA for a Service Member With a Dependent

R U L E	If a Service member	then BAH or OHA at the with-dependent rate begins on the date
1	enlists, or is called to extended AD and is not assigned Government quarters for his or herself and any dependents on that date,	of enlistment or entry on AD.
2	is appointed to commissioned or warrant officer status and is not assigned Government quarters on that date,	AD pay begins.
3	occupies Government quarters with a dependent and the quarters assignment ends,	the quarters assignment ends, unless a dependent continues to occupy the quarters. If definite quarters assignment was not required, then BAH or OHA begins the date that quarters are vacated.
4	occupies Government quarters with a dependent and the Service member and dependent depart the PDS pursuant to a PCS order,	the PCS departure date, unless a dependent continues to occupy the quarters. If definite quarters assignment was not required, then BAH or OHA begins the date that quarters are vacated.
5	continues to occupy Government quarters with a dependent after the quarters are declared inadequate,	the quarters are designated inadequate.
6	acquires a dependent, including a dependent acquired while on authorized leave, and is not assigned Government quarters on that date,	the dependent is acquired.*
7	acquires a dependent while in an unauthorized absence status and is not assigned Government quarters for his or herself and dependents on that date,	the Service member returns to a pay status after apprehension or surrender. If a change occurs to the status of a dependent on whose behalf BAH or OHA existed on the date an unauthorized absence commenced, a Service member must reestablish the right to BAH or OHA.
8	claims a dependent parent,	determined or approved by authority specified in subparagraph 3.2.2, as applicable.
9	claims an individual who has not yet been determined to be a dependent,	determined or approved by authority specified in subparagraph 3.2.2, as applicable.

*This applies to the sole dependent of a Service member. It applies to any dependent on whose behalf a Service member is authorized increased BAH or OHA. BAH or OHA starts with date of the Service member's marriage even if the marriage occurs on same day as a divorce. When the biological parents of an illegitimate child marry, the child becomes a legitimate dependent for BAH or OHA purposes. Refer also to Table 26-28 and Table 26-29 for rules on when BAH and OHA start and stop when a Service member acquires a dependent

Table 26-5. Date to Stop Housing Allowances Based on Change in Dependent's Status

R U L E	If the sole dependent...	then stop the with-dependent housing allowance at midnight of the day...

2	is a spouse in a voidable, but not void marriage, which is dissolved by final annulment decree,	before the date of the decree. No BAH or OHA payment may be made on or after date of the decree, regardless of credits accrued and not paid. BAH or OHA paid before the date of decree may be retained. This also applies when an affinitive relationship between a Service member and stepchild ceases due to annulment of a marriage.
3	is a spouse in an invalid or void marriage,	before discovery of marriage invalidity. No housing allowance payment may be made on or after the date of discovery, regardless of credits accrued and not paid. Retention of BAH or OHA paid before that time depends on validation specified under Chapter 12.
4	becomes of age, except a child who is incapable of self-support due to mental or physical incapacity,	before the child's 21st birthday or the 23rd birthday if a full-time student. See paragraph 3.1 regarding dependents over age 21.
5	marries, regardless of age, or mental or physical incapacity,	of the dependent's marriage. This applies even when a dependent's marriage is to a Service member who is also authorized BAH or OHA on the dependent's behalf for that date.
6	is adopted by a third party by interlocutory order or decree that changed the legal relationship,	before date of adoption.*
7	is adopted by a third party and a final order or decree has been entered,	before the date of adoption.
8	enters military service,	before the day of entry into military service.
9	stops being dependent on the Service member,	before the date that dependency ceases.
10	dies,	of death.

*For determination as to whether the order or decree caused a changed legal relationship, an Army or Air Force case must be sent to DFAS-IN, a Navy case to DFAS-CL, and a USMC case to Commandant of the Marine Corps. A case involving a USPHS member must be sent to the Director, Division of Commissioned Corps Personnel and Readiness, to the attention of "DEERS Determination."

4	is discharged or released from AD,	of discharge or release.
5	retires,	before the retirement effective date.
6	dies,	of death.

*When a dependent is prevented from occupying the assigned quarters due to an order from an appropriate authority, BAH or OHA continues until transportation is arranged for Household Goods (HHG) and is available for the dependent (if prompt application is made) plus the normal travel time for a dependent to reach the Service member's station using a direct route.

Table 26-22. OHA Computation Procedure

R U L E	Directions (See DD 2367) and utility and recurring maintenance allowance
1	Determine the Service member's monthly rent as specified in the paragraph 6.2.
2	Using the appropriate locality table, find the rental allowance for the Service member's specific locality code and grade. For a Service member without-dependent, multiply the with-dependent rate by 90 percent. If rent includes: <ul style="list-style-type: none"> a. all utilities (block 7b checked on DD 2367), add the full utility and recurring maintenance allowance to the maximum rental allowance. b. some but not all utilities (block 7c checked on DD 2367), add the amount computed in Step 3 to the maximum rental allowance.
3	Locate the utility and recurring maintenance allowance from the locality table. Use the rules specified in paragraph 6.3 to determine the utility amount allowed based on the amount of utilities included in the rent, if any. Rent includes: <ul style="list-style-type: none"> a. all utilities (block 7b checked on DD 2367). The Service member receives no separate utility and recurring maintenance allowance; however, this allowance is added to the rental allowance determined in Step 2. b. no utilities (block 7a checked on DD 2367). A Service member with a dependent who is not a sharer receives the full utility and recurring maintenance allowance. A Service member without-dependent who is not a sharer receives 75% of the with-dependent utility and recurring maintenance allowance. A sharer, with or without a dependent, receives a prorated share of the utility and recurring maintenance allowance. c. some utilities (block 7c checked on DD 2367). Determine the "Climate Code" from the applicable OHA locality table. Use the "Climate Code" and "Utility Point Score" tables to determine the percentage of utility and recurring maintenance allowance payment. The amount the Service member does not receive is added to the maximum rental allowance determined in Step 2.
4	Compare the monthly rent computed in Step 1 with the rental allowance determined in steps 2 and 3. If the rent in Step 1 is: <ul style="list-style-type: none"> a. less than the rental allowance in steps 2 and 3, then rent in Step 1 is used to compute OHA. b. greater than the rental allowance calculated in steps 2 and 3, then the rental allowance calculated in steps 2 and 3 is used to compute OHA.
See OHA computation examples	

Table 26-23. Types of MIHA Payments

R U L E	Payment Type	Description
1	MIHA/ Miscellaneous	The MIHA/Miscellaneous amount indicated on the OHA locality tables is based on expenses a Service member typically incurs associated when moving into privately leased or owned dwellings. MIHA specifies reportable and non-reportable MIHA/Miscellaneous expenses. The OHA Calculator specifies the amount payable. Only one payment is authorized at a PDS unless otherwise specified in this paragraph.
2	MIHA/Rent	Homeowners are ineligible. MIHA/Rent covers all reasonable rent-related expenses. These are fixed, one-time, nonrefundable charges levied on behalf of the landlord or a foreign government that the Service member must pay before or upon occupying a dwelling. All unreasonable expenditures, as determined by the AO, must be disallowed. The following are not included in MIHA/Rent: <ul style="list-style-type: none"> a. Expenses deferred until lease termination, such as a real estate agent fee, a redecoration fee if paid up-front, or a one-time lease tax. b. Advance rental payments, refundable deposits, or recurring costs.
3	MIHA/ Security	MIHA/Security covers reasonable security related expenses for a Service member assigned to an area where dwellings require modification to minimize terrorist or criminal threat. See MIHA for MIHA-Security locations .
4	MIHA/ Infectious Disease	Effective December 7, 2016, MIHA/Infectious Disease covers reasonable upgrades to the physical dwelling to prevent the spread of infectious disease, such as window or door screens, when the dwelling requires modification to minimize exposure to medical threats related to mosquito-transmitted diseases. See MIHA for MIHA Infectious Disease locations.

CHAPTER 27

FAMILY SEPARATION ALLOWANCE (FSA)

1.0 GENERAL

1.1 Purpose

The chapter provides policy for FSA. FSA provides compensation for added expenses incurred because of an enforced family separation under one of the conditions in subparagraphs 2.3.1.1 through 2.3.1.3. FSA is payable to qualified members serving inside or outside the United States. It is not authorized when a member performs duty at any station under permissive orders (except when subparagraph 4.1.3 applies).

1.2 Authoritative Guidance

The pay policies and requirements established by the Department of Defense (DoD) in this chapter are derived primarily from, and prepared in accordance with Title 37, United States Code, section 427 ([37 U.S.C. § 427](#)). Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 ENTITLEMENT PROVISIONS

*2.1 Types Authorized

FSA is payable to members with dependents [and a member married to another member of the uniformed services regardless of any other dependency status](#). FSA is payable in addition to any other allowance or per diem, to which a member may be entitled. The member, however, may not receive more than one payment of FSA for the same period, even though qualified for FSA-Restricted (FSA-R), FSA-Ship (FSA-S), and FSA-Temporary (FSA-T). [Members must complete a DoD \(DD\) Form 1561 \(Statement to Substantiate Payment of Family Separation Allowance\) to substantiate entitlement to FSA.](#)

2.2 Definitions

2.2.1. Dependents. The term “dependents” has the same meaning as defined in the Volume 7A, Definitions and is further defined in subparagraphs 2.2.1.1 through 2.2.1.4:

2.2.1.1. Child. A dependent child(ren) is an unmarried child(ren) of the member who is in the legal custody of the member. Legal custody includes a circumstance in which the member has been awarded joint physical, and legal custody of a dependent child(ren) as a result of a court ordered custody agreement or finalized divorce decree, which provides that the child(ren) physically reside with the member on an equal basis (no less than 14 days during a month) as compared to the time the child(ren) reside(s) with the former spouse, and the member’s actual physical custody of the child(ren) is precluded due to an enforced family separation

described under paragraph 2.3. Such a custody arrangement must be stipulated in the signed court order or divorce decree, subject to the verification by the Secretary of the Military Department concerned. See subparagraph 3.1.3.

2.2.1.2. Parents. The term “Parents” is defined in the Volume 7A, Definitions.

2.2.1.3. Spouse. An individual who is legally married to the Service member.

* 2.2.1.4. Ward. The term “Ward” is defined in the Volume 7A, Definitions.

2.2.2. Duty Station. The term “duty station” is defined in the Volume 7A, Definitions.

2.2.3. Permanent Duty Station (PDS). The term “PDS” is defined in the Volume 7A, Definitions.

2.2.4. Household. The term “household” means the same as “home” or “family.” It applies to a collection of persons living under one roof, having one head or manager who controls and supervises the affairs of the family. For FSA purposes, this applies only to secondary dependents.

2.3 FSA

2.3.1. When Payable. FSA is payable to a member serving in any grade as a member with dependents. The member must meet all general requirements and one of the following conditions:

2.3.1.1. FSA - R

2.3.1.1.1. The member’s dependents, including dependents acquired after the effective date of Permanent Change of Station (PCS) orders (see Table 27-1 (FSA Commencement Dates), rules 8 and 9), do not live in the vicinity of the member’s homeport/PDS, and their transportation to or near the PDS is not authorized at government expense (see paragraph 4.1).

2.3.1.1.2. Transportation of dependents is authorized at government expense, but member elects an unaccompanied tour of duty because a dependent cannot accompany the member to, or at that homeport/PDS due to certified medical reasons, regardless of the date on which the member first made the election to serve an unaccompanied tour.

* 2.3.1.2. FSA - S. The member is on duty aboard a ship:

2.3.1.2.1. and the ship is away from the homeport continuously for more than 30 days: or

* 2.3.1.2.2. under orders to remain on board a ship while at homeport and whose duty on board the ship is for a continuous period of more than 30 days. When a member is under orders to remain on board a ship while at homeport, the days on the ship while at homeport

will count towards the more than 30 continuous days, except when a member is required to stay on board for disciplinary reasons.

NOTE: The dependents are not required to reside in the vicinity of the homeport.

* 2.3.1.3. FSA - T. The member is on Temporary Duty (TDY) or Temporary Assigned Duty (TAD) away from the PDS (PDS pertains to active component) or the home of residence (HOR) (HOR pertains to reserve component) continuously for more than 30 days, and the member's dependents do not reside at or near the TDY or TAD station. This includes members who are required to perform a period of the TDY or TAD before reporting to their initial station of assignment. Members on an unaccompanied tour are entitled to FSA-T for TDY or TAD periods of over 30 continuous days if the member's dependents do not reside at or near the TDY or TAD station and they do not reside near the PDS as defined in paragraph 3.3.

NOTE: If a member's TDY/TAD location is within a reasonable commuting distance from the member's PDS (PDS pertains to active component) or the HOR (HOR pertains to reserve component) or if the member actually commutes daily, regardless of distance, the member is not entitled to FSA-T. A distance of 50 miles, one way, is normally considered to be within a reasonable commuting distance of a PDS or HOR. "Within a reasonable commuting distance" also may include distances of less than 50 miles and the time required to travel, under unusual conditions, does not exceed 1-1/2 hours.

2.3.2. Amount Payable

Effective October 1, 2002, FSA is payable in a monthly amount of \$250.

2.3.3. Conditions:

2.3.3.1. For specific commencement dates, see Table 27-1;

2.3.3.2. For overseas eligibility, see Table 27-2;

2.3.3.3. For specific dates to stop FSA, see Table 27-3; and

2.3.3.4. For specific conditions of entitlement, see Table 27-4.

2.3.4. Member Married to Member

2.3.4.1. FSA is payable to a member married to another member regardless of whether the member has any non-active duty dependents, when all other general conditions are met, and provided members were residing together immediately before being separated by reason of execution of military orders.

2.3.4.1.1. Except as provided in subparagraph 2.3.4.2, not more than one monthly FSA may be paid with respect to a married military couple for any month. Each member may be entitled to FSA within the same month, but both cannot simultaneously be entitled.

Payment will be made to a member whose orders resulted in the separation. If both members receive orders requiring departure on the same day, then payment will go to the senior member.

2.3.4.1.2. If a member meets the requirements for credit of FSA, but entitlement is precluded by an existing entitlement status of the spouse, then the second member may, if still qualified, immediately become entitled to FSA upon termination of the spouse's status. The couple may qualify for sequential entitlements to FSA, provided military orders keep them continuously separated.

2.3.4.1.3. In order to qualify for a subsequent entitlement to FSA, a married member couple, no longer separated by reason of military orders, must reestablish a joint household and reside together.

2.3.4.2. FSA is payable to both married members when they reside together with their dependents immediately before being separated from dependents, by competent orders to assignments prescribed in subparagraphs 2.3.1.1 through 2.3.1.3. Each member's entitlement is determined individually based on assignment and separation from dependents. The dual allowance will continue until one of the members is no longer assigned to one of those duty assignments. The other member will continue to receive the allowance until no longer assigned to one of those duty assignments. This is true even when both members are assigned to the same duty location away from their dependents.

2.3.4.3. In the case of a member married to another member, and the couple has a child, one member may claim the child for entitlement to Basic Allowance for Housing and the other member, when otherwise entitled, may claim the child for entitlement to FSA. The FSA entitlement may alternate between members based on the same dependent. However, FSA may not be paid simultaneously to both members on behalf of the same dependent, except as provided in subparagraph 2.3.4.2. See subparagraph 4.1.4.

3.0 DEPENDENTS SEPARATION REQUIREMENTS

3.1 Dependents

A member is not considered "a member with dependents" for FSA entitlement when:

3.1.1. The sole dependent is placed in an institution for a known period of over 1-year or for an indefinite period, which may be expected to exceed 1-year;

3.1.2. The sole dependent is a spouse legally separated or child(ren) in the legal custody of another person. An exception occurs when the member has joint physical and legal custody of the child(ren) and the child(ren) otherwise would reside with the member at least 14 days each month, for the current assignment. In such assignment, the member will be considered as a "member with dependents" for FSA entitlement;

3.1.3. The member has been awarded joint legal and physical custody of the child(ren) as a result of a court ordered custody agreement or finalized divorce decree, which provides that the child(ren) physically reside with the member less than 14 days during the month;

3.1.4. The member's dependent parent does not reside in the home, which the member controls, supervises, and maintains for mutual use when circumstances permit; or

3.1.5. A dependent is entitled to active duty basic pay. This does not negate an entitlement to FSA to a couple comprised of a member married to another member with no other dependents. Such a couple is entitled to FSA.

3.2 Temporary Social Visits by Dependents

3.2.1. FSA-R. Credit continues to accrue while the member's dependents visit at or near the member's PDS, but for no longer than 3 continuous months. Facts clearly must show that the dependents merely are visiting (not changing residence) and that the visit is temporary and not intended to exceed 3 months. If, for unforeseen reasons (due to illness or other emergency), a bona fide social visit extends beyond 3 months, then stop credit for FSA at the end of the 3-month period. If the visit initially is intended to exceed 3 months, then stop FSA credit the day before the dependents arrive at the member's PDS. Credit is again authorized on and after the day that the dependents depart from the PDS. A member is entitled to FSA-R, even though one or more (but not all) dependents visit for longer than 3 months if the member is entitled on behalf of the dependents who are not visiting the member.

3.2.2. FSA-S. Credit continues to accrue to the member whose dependents are visiting at or near the duty station (or any port) continuously for 30 days or less. Facts must show that the dependents merely are visiting. If the visit exceeds 30 days, then entitlement to FSA-S ends on the day preceding the date of dependent arrival, unless the visit is extended because of illness or other emergency. Under such circumstances, payment of FSA-S is limited to 30 days. Entitlement to FSA-S exists if one or more (but not all) of the dependents visit for longer than 30 days if the member otherwise is entitled to FSA-S on behalf of the dependents who are not visiting the member.

3.2.3. FSA-T. Credit continues to accrue to a member whose dependents visit at or near the TDY or TAD continuously for 30 days or less. Facts must show that the dependents are merely visiting. If the visit exceeds 30 days, then the member is not entitled to FSA-T for any part of the period, unless the visit is extended because of illness or other emergency. Under such circumstances, payment of the allowance is limited to 30 days. Entitlement to FSA-T resumes on the day that the dependents depart the TDY or TAD, if the member's TDY or TAD extends for more than 30 days from that date. Entitlement to FSA-T exists if one or more (but not all) of the dependents visit for longer than 30 days if the member otherwise is entitled on behalf of the dependents who are not visiting the member.

3.3 Dependents Reside Near Duty Station

* 3.3.1. FSA does not accrue to a member if all of the dependents reside at or near the duty station. If some (but not all) of the dependents voluntarily reside near the duty station, then FSA may accrue on behalf of those dependents who do not reside at or near the duty station. Consider dependents as residing near a duty station if the member actually commutes daily, regardless of distance. Also, consider dependents as residing near a duty station if they live within a reasonable commuting distance of that station, whether or not the member commutes daily. A distance of 50-miles, one way, is normally considered to be within a reasonable commuting distance of a **PDS or Home of Residence (HOR pertains to reserve component)**, but the 50-mile rule is not inflexible.

3.3.2. Unusual conditions may permit a determination that dependents do not live within a reasonable commuting distance, even though the distance involved is less than 50 miles one way. In a situation where the distance is less than 50 miles, but the time required to commute one way by commonly used route and method of transportation would exceed one and a half hours, the dependents will be considered as not residing near the member's duty station, unless the member actually commutes daily.

3.3.3. If dependents are authorized concurrent travel with the member to the duty station and are subsequently authorized to reside at a point over 50 miles from the member's duty station for personal reasons, rather than as a result of military restriction on dependents' travel, then FSA entitlement does not accrue.

3.3.4. In questionable cases, commanders may submit requests for determination through channels to the appropriate office listed:

- 3.3.4.1. Army: Deputy Chief of Staff, G-1
ATTN: DAPE-PRC
300 Army Pentagon
Washington, DC 20310

4.0 CONDITIONS OF ENTITLEMENT

4.1 Entitlement Incident to Permanent Change of Station (PCS) Reassignments

4.1.1. Continental United States (CONUS) Assignments. Conditions of FSA entitlement incident to regular CONUS PCS reassignments and permissive PCS reassignments are detailed in subparagraphs 4.1.1.1 through 4.1.1.3.

4.1.1.1. Entitlement to FSA upon regular PCS is authorized only when movement of a member's dependents to the new PDS is not authorized at government expense.

4.1.1.2. A member who is otherwise entitled to transportation of dependents at government expense, but whose dependent cannot accompany the member to or at that homeport/PDS due to certified medical reasons, is entitled to FSA under this subparagraph.

4.1.1.3. A member who otherwise is authorized movement of dependents at government expense to PDS is not so authorized when he or she is voluntarily reassigned on PCS under permissive orders. Separation from dependents under these circumstances is not an enforced separation due to government requirements. The member, therefore, is not entitled to FSA under this subparagraph.

4.1.2. Waiver Provision. See subparagraph 4.1.4 for circumstances in which waivers may be granted.

4.1.3. Overseas Assignments. Dependents are permitted in some areas overseas and not permitted in others (dependent-restricted areas). A member selected for PCS overseas to an area where his or her dependents are permitted must elect to serve either an unaccompanied or an accompanied tour.

4.1.3.1. Except as waived by the Secretary of the Military Department concerned, a member electing to serve an unaccompanied tour, in lieu of an accompanied tour at a PDS where his or her dependents are permitted, is not entitled to FSA-R for such a tour. A member who is in receipt of accompanied tour orders, and subsequently requests to serve an unaccompanied tour, to include a dependents-restricted tour, in lieu of an accompanied tour at a PDS where his or her dependents are permitted, is not entitled to FSA-R for such a tour. Secretarial waiver of this policy may be granted in situations where it would be inequitable to deny FSA-R to a member because of the unusual family or operational circumstances.

4.1.3.2. See applicable procedures for tour elections and secretarial waiver in the appropriate individual Military Service regulation.

4.1.3.3. Refer to Table 27-2 (FSA-R, Overseas Assignment) for FSA entitlement for otherwise eligible members assigned PCS overseas.

4.1.3.4. A member who voluntarily is reassigned PCS (overseas) under permissive orders from the station where he or she already is entitled to FSA-R remains entitled if reassigned

to an area overseas where dependents are not permitted (dependent-restricted tour) or under circumstances authorized by secretarial waiver.

4.1.4. Unusual Family or Operational Circumstances Defined. Unusual family or operational circumstances are defined as those in which the Secretary of the Military Department concerned determines that it is in the best interest of the government to permit payment of FSA to members who, through no fault of their own, must relocate in an unaccompanied status under certain circumstances.

4.1.4.1. The Military Services may waive provisions of subparagraphs 4.1.1.1, 4.1.1.2, and 4.1.1.3 when it is in the best interest of the government to permit payment to members who, through no fault of their own, must relocate in an unaccompanied status for reasons of equity in the unusual family or operational circumstances. Waiver under these circumstances is effective upon the date granted. This approval authority is hereby granted to:

4.1.4.1.1. Service Secretaries or their designated representatives at the headquarters level which governs compensation policy; or

4.1.4.1.2. Combatant commands and Service major commands.

4.1.4.2. Waiver authority should be used prudently.

4.1.4.3. Waiver under these circumstances is effective upon the date granted:

4.1.4.3.1. When ordered to a new overseas duty station where terrorist activity would make it inappropriate for dependents to accompany the member; or

4.1.4.3.2. When ships in overhaul make temporary homeport changes.

4.1.4.4. Provided the requirements of subparagraph 2.3.1 are met, other than the requirement that the member's dependents reside at the homeport or PDS, a waiver issued by the Secretary of the Military Department concerned will apply to the entire period of the deployment, an interim period, and redeployment.

4.1.5. Delays Caused by the Government (Table 27-2, Note 4). The following are examples of delays in transportation of dependents due to government reasons:

Example 1: On July 1, a member's advance application for concurrent travel of dependents to the overseas station was disapproved by the CONUS commander due to lack of available government-owned transportation facilities. The commander's disapproval contained a statement that the anticipated delay for movement of dependents is more than 60 days. The member departed the old station on July 6 and arrived at the overseas station on July 7 where government quarters were not available. Dependents joined the member on September 26 having performed travel under orders dated September 10. The member was entitled to FSA for the period July 6 through September 25.

Example 2: The member applied for a dependency determination for his or her dependent mother on June 3 and was transferred overseas on September 14. After arrival overseas, the member received approval of the dependency application for his or her dependent mother retroactive to May 1. The mother was not authorized concurrent travel to the member's PDS because the determination of dependency had not been made on the effective date of those orders. Delay in processing the dependency application was caused by the government. Before the transfer overseas, the member had maintained quarters to be shared with his or her mother. An enforced separation resulted upon transfer overseas. Credit for FSA accrues from the date the member departed from the PDS or the first day of authorized travel time, whichever is later, through the day before the date that his or her dependent mother arrived at the overseas station.

4.1.6. Changes in Tour Elections. See Table 27-2, rules 12 and 13.

* 4.1.7. Dependents Evacuated. A member is entitled to FSA if separated from dependents as a result of either an authorized evacuation or an ordered evacuation, provided that the requirements for FSA are otherwise met. Payment does not begin until the 31st day of an ordered evacuation. FSA is not payable when evacuation is due to member or dependent misconduct.

NOTE: Once the authorized evacuation is approved, FSA is paid retroactively to when dependents are evacuated.

4.1.8. Dependents' Travel Prohibited Under Immigration Laws. No entitlement to FSA-R accrues if a dependent is authorized transportation at government expense but is not eligible under immigration laws for entry into the United States before a member reports to the new PDS. (Entitlement to FSA-T or FSA-S is not affected by this subparagraph.)

4.2 Unit Ordered on Exercise for More Than 30 Days

Otherwise qualified members of a unit are entitled to FSA-T when the unit is ordered on an exercise for more than 30 days.

4.3 FSA During a Missing Status

FSA-T continues to accrue to a qualified member while in a missing status unless there is a change in the status of the dependents, which would terminate entitlement. See Table 27-3 (Date to Stop FSA). A member may qualify for FSA-T while in a missing status if a continuous period of more than 30 days is completed after entry into the missing status. See paragraph 4.4.

Example: A member departed the PDS on TDY or TAD August 9, was downed by hostile fire while flying over enemy territory on September 2, remained in a missing status until November 4, and returned to PDS on November 10. The member qualified for FSA-T on September 8. If otherwise qualified, then entitlement exists for FSA-T for the period August 9 to November 9.

4.4 Computation of Single or Multiple Periods of More Than 30 Days

4.4.1. FSA-T for Single Periods. Credit for FSA-T may not be applied until the member has been on TDY or TAD away from his PDS continuously for more than 30 days. Compute this period as follows:

4.4.1.1. Count actual number of days in the month, including the day the member departs the PDS on TDY or TAD and the day of return to the PDS. Include the 31st day of the month in this computation, even though payment is made on a 30-day month basis, as prescribed in Chapter 1, section 2.0.

4.4.1.2. Include days of authorized travel time to and from the TDY or TAD station. When there is no delay en route chargeable as leave, count the day of departure from the PDS and the day of return to the PDS. When delay en route chargeable as leave is authorized, count the constructive day of departure and the constructive day of return. Compute these days as follows:

4.4.1.2.1. Constructive day of departure from the PDS either is the actual date of detachment plus days of authorized leave, proceed time, and permissive travel days used or the first day of authorized travel, whichever is later.

4.4.1.2.2. Constructive day of return to the PDS is the actual date of return minus number of days leave authorized and used, minus the number of permissive travel days actually used.

Example 1: The member permanently stationed at site A is ordered TDY or TAD to site B for training of approximately 30 days. Training is to begin June 1. The member is authorized travel by privately owned conveyance (POC) as more advantageous to the government, and 5 days of leave en route. The member departs from site A on May 25 and uses 5 days of leave en route to site B. The member completes the training on June 27, departs from site B on June 28, and returns to duty at site A on June 30. Constructive day of departure is May 30. The period of absence is 32 days (May 30 - June 30). If a member qualifies under paragraph 2.3, then entitlement exists to FSA-T for 30 days (i.e., there is no entitlement for May 31 and June 30).

Example 2: Circumstances are the same as in Example 1, except that the member uses 5 days of leave after completion of training. The member departs from site A on May 30, completes training on June 27, departs from site B on June 28, and returns to duty at site A on July 5. The constructive day of return is June 30. The period of absence is 32 days, computed as in Example 1. If the member otherwise qualifies, then entitlement exists to FSA-T for 30 days.

4.4.1.3. When TDY or TAD is authorized in conjunction with PCS, include days of authorized travel time to the TDY or TAD station and from the TDY or TAD station to the new duty station. When there is no delay en route or proceed time involved, count the day of departure

from the old duty station and the day of arrival at the new duty station. When delay en route and proceed time are authorized and used, the day of departure from the old station and the day of arrival at the new station will be constructed in the manner indicated in subparagraphs 4.4.1.2.1 and 4.4.1.2.2. Proceed time authorized and used will be included with the delay when making the computation. Consecutive assignments to TDY or TAD in conjunction with PCS may be combined in determining the 30-day period.

4.4.1.4. Under specific circumstances, when travel in connection with TDY or TAD is performed by POC for the convenience of the traveler, payment based on actual travel expenses may be more economical to the government than payment based on constructive travel time over a usually traveled route. In that case, the Joint Travel Regulations (JTR) authorizes travel payment based on the actual mode of transportation. In computing the more than 30 days required for entitlement to FSA-T under these circumstances, ensure that the computation is based on the mode of transportation, which governed payment of a particular member's travel allowance. Computation for FSA-T entitlement under this subparagraph is not necessarily based on constructive travel time.

4.4.1.5. If a member's TDY or TAD status is interrupted, then do not combine days before the interruption with those after the interruption to compute a continuous period of more than 30 days. Periods of leave, hospitalization, military confinement in a pay status, or short visits to the PDS do not interrupt the period unless the member is relieved from the attachment to the TDY or TAD station. A member who returns to the PDS to assume a duty status (such as participation in official flights) does interrupt a period of TDY or TAD. If leave en route is authorized after detachment from the TDY or TAD station, then add constructive travel time from the TDY or TAD station to the PDS to the period of TDY or TAD in determining the 30-day period.

4.4.2. FSA-T for Multiple Periods of Deployment. Provided the conditions of subparagraph 2.3.1.3 are met, the periods of FSA-T eligibility for multiple periods of TDY or TAD deployment, including the periods between such deployments, are calculated as follows:

4.4.2.1. Count. Although payment is made on a 30-day month basis, count the actual number of days in each applicable month, to include the 31st day of the month, as one of the actual days.

4.4.2.2. Computation. Calculate the FSA-T period of the initial TDY or TAD deployment to determine the initial deployment period as described in subparagraph 4.4.1.

4.4.2.3. Interim and Redeployment Period

4.4.2.3.1. The interim period begins on the day after the initial deployment through the day prior to redeployment. The interim period must be 30 days or less.

4.4.2.3.2. The redeployment period begins the day that the member departs the PDS and ends upon return to the PDS. The redeployment period must be more than 30 days and will be added to the interim period.

Example 1: The member permanently stationed at site A is ordered to perform TDY or TAD at site B for 45 days, with departure from PDS on January 2 and return to PDS on February 15. The member departs from PDS on March 18 for redeployment of 35 days. Since the member qualified for FSA-T for the initial deployment, he or she is eligible for continued FSA-T for the total 65 days of interim/redeployment period (actual interim period of 30 days and redeployment of 35 days).

Example 2: The member permanently stationed at site A is ordered to perform TDY or TAD at site B for 60 days, with departure from PDS on March 1 and return to PDS on April 29. The member departs from PDS on May 31 for redeployment of 40 days. Although the member qualified for the initial 60-day period deployment, he or she is ineligible for the interim period. The actual interim period is 31 days (April 30 - May 30). The member would be entitled to FSA-T for the actual redeployment period (40 days).

Example 3: The member permanently stationed at site A is ordered to perform TDY or TAD at site B for 31 days, with departure from PDS on June 1 and returns to the PDS on July 1. The member departs from PDS on July 2 for redeployment of 41 days. Since the member qualified for FSA-T for the initial deployment of 31 days, he or she is eligible for the continued FSA-T for the interim/redeployment period (actual interim period is 0 days, actual redeployment period is 41 days).

* 4.4.3. FSA-S for Single Periods. Credit for FSA-S may not be applied until the member has been on duty onboard a ship away from the homeport of the ship for a continuous period of more than 30 days. [However, if a member is under orders to remain on board a ship while at homeport, the days on the ship while at homeport will count towards the more than 30 continuous days, except when a member is required to stay on board for disciplinary reasons.](#) Periods of leave, TAD, hospitalization, military confinement in a pay status, or short visits by the member (not the ship) to the homeport of the ship do not interrupt the qualifying period unless the member is detached (PCS) from the ship. Consecutive assignments to duty onboard two or more ships away from the homeport may be combined to meet this requirement. See Example 5. In computing the continuous period of more than 30 days, count the actual number of calendar days (including the 31st day of the month) that the member was on duty onboard a ship while it was away from its homeport. Include in this computation the day of departure onboard a ship from its homeport (or the day the member joins or rejoins a ship away from its homeport, if applicable) and the day of return onboard a ship to its homeport. The following examples show how to compute the more-than-30-day period and the related amount of FSA-S payable.

Example 1: A member onboard a ship that departs its homeport on June 15 and returns on July 15 is entitled to FSA-S in the amount of \$250 (actual period of 16 days in June and 15 days in July = 31 days; 16 days in June and 14 days in July = 30 days for payment).

Example 2: A member onboard a ship that departs its homeport on October 5 and returns on November 4 is entitled to FSA-S in the amount of \$241.83 (actual

period of 27 days in October and 4 days in November = 31 days; 26 days in October and 3 days in November = 29 days for payment).

Example 3: A member onboard a ship that departs from its homeport on February 25 (non-leap year) and returns on March 26 is not entitled to FSA-S since the absence is not more than 30 days (actual period of 4 days in February and 26 days in March).

Example 4: A member who reports onboard a ship on May 25 while it is away from the homeport and returns with the ship to the homeport on June 30 is entitled to FSA-S in the amount of \$291.67 (actual period of 7 days in May and 30 days in June = 37 days; 6 days in May and 29 days in June = 35 days for payment).

Example 5: A member onboard a ship A that departed from its homeport on August 2 was transferred (PCS) to ship B on August 18 (detached and attached the same day) while ship B was away from its homeport. The member remains aboard ship B until it returns to the homeport on September 6. The member is entitled to FSA-S in the amount of \$283.33 (actual period of 30 days in August and 6 days in September = 36 days; 29 days in August and 5 days in September = 34 days for payment).

Example 6: A member onboard a ship departs its homeport on June 15 and returns to homeport on June 19 and the member is under orders to remain on board the ship for 14 days while at homeport beginning June 19. The ship departs homeport on July 3 and returns on July 15. Member is entitled to FSA-S in the amount of \$250 (actual period of 16 days in June and 15 days in July = 31 days; 16 days in June and 14 days in July = 30 days for payment).

4.4.4. FSA-S for Multiple Periods of Deployment. Provided the conditions of subparagraph 2.3.1.2 are met, the periods of FSA-S eligibility for multiple periods of TDY or TAD deployment aboard a ship, including the period between such deployments, are calculated as follows:

4.4.4.1. Count. Although payment is made on a 30-day month basis, count the actual number of days in each applicable month by including the 31st day of the month as one of the actual days.

4.4.4.2. Computation. Calculate the FSA-S period of the initial deployment aboard a ship as described in subparagraph 4.4.3.

4.4.4.3. Interim and Redeployment Period

4.4.4.3.1. The interim period begins on the day after the initial deployment through the day prior to redeployment. The interim period must be 30 days or less.

4.4.4.3.2. The redeployment period begins on the day that the member departs the ship's homeport and ends upon returning to the homeport. The redeployment period must be more than 30 days and will be added to the interim period.

Example 1: A member is onboard a ship that departed from the homeport on January 2 and returned to the homeport on February 15. The same member is onboard a ship that departed from the homeport on March 18 for a redeployment of 35 days. Since the member qualified for FSA-S for the initial deployment, the member is eligible for continued FSA-S for the total 65 days of interim/redeployment period (actual interim period of 30 days and redeployment of 35 days).

Example 2: A member is onboard a ship that departed from the homeport on March 1 and returned to the homeport on April 29. The member also was onboard a ship that departed the homeport on May 31 for a redeployment of 40 days. Although the member qualified for the initial 60-day deployment, the member is ineligible for the interim period. Consequently, the actual interim period is 31 days (April 30 through May 30). The member would be entitled to FSA-S for the actual redeployment (40 days).

Example 3: A member is onboard a ship that departed from the homeport on June 1 and returned to the homeport on July 1. The same member was onboard a ship that departed the homeport July 2 for a redeployment of 41 days. Since the member qualified for FSA-S for the initial deployment of 31 days, the member is eligible for the continued FSA-S for the interim/redeployment period (actual interim period is 0 days, actual redeployment period is 41 days).

4.4.5. Restrictions. The following restrictions apply to subparagraphs 4.4.1 and 4.4.2:

4.4.5.1. There are separate 30-day requirements to qualify for FSA-T or FSA-S, and periods of TDY or TAD and duty aboard ship while away from homeport may not be combined for the purpose of FSA entitlement.

4.4.5.2. Periods of hospitalization or TDY or TAD for more than 30 days by the member at a place residing with his or her dependents may not be included when calculating whether the 30-day requirement was met.

4.5 Ship Moves from Homeport

4.5.1. When a ship moves from its homeport to another port within 50 miles of the homeport (or one and a half hours travel time as prescribed in paragraph 3.3), those members attached to the ship, whose dependents do not reside at or near such homeport under the criteria of paragraph 3.3, do not become entitled to FSA-S.

Example 1: A member, upon reassignment to a ship, moves the family to a location outside the current 50-mile (or one and a half hours travel time) limit from

the homeport of the ship. When the movement of the ship is less than 50 miles (or one and a half hours travel time) from the homeport, FSA-S is not payable to those members. If, however, the ship moves more than 50 miles (or one and a half hours travel time) from the homeport, then FSA-S is payable if members otherwise are entitled.

Example 2: A member, upon reassignment to a ship, moves the family to a location outside the current 50-mile (or one and a half hours) limit of the ship's homeport of the ship. Subsequently, the ship moves from the homeport and, on the 29th day, docks at a port inside the 50-mile (or one and a half hours travel time) limit of the homeport for 5 days. The ship then returns to the homeport. The docking of the ship within the 50-mile limit would, for purposes of this example, have the same consequence as if the ship had returned to its homeport since (a) the member's dependents do not reside at or near the homeport, and (b) the ship did not move to a location more than 50 miles (or one and a half hours travel time) from the port. Therefore, entitlement to FSA-S does not accrue.

Example 3: A member, upon reassignment to a ship, moves the family to a location outside the current 50-mile (or one and a half hours) limit of the homeport of the ship, but actually commutes. The movement of the ship from the homeport results in the member being unable to commute. In this example, the member's dependents would be considered as being in the area of the homeport. Since, after movement of the ship to a new location, the member is unable to commute, the member would meet the requirement for FSA-S, provided the dependents resided more than 50 miles (or one and a half hours travel time) from the new location.

Example 4: A member, upon reassignment to a ship, moves the family to a location within the 50-mile (or one and a half hours travel time) limit, the movement of the ship resulting in the residence being located outside the 50-mile (or one and a half hours travel time) limit for some of the members, but not all. Those members whose dependents reside more than 50 miles (or one and a half hours travel time) from the ship's new location and who do not commute, would fulfill the vicinity requirement for entitlement to FSA-S. Those members whose dependents reside within 50 miles (or one and a half hours travel time) of the ship's new location of the ship would not become entitled to FSA-S by virtue of the ship's movement.

*4.5.2. Members are entitled to FSA-S when performing duty onboard a ship if the ship is away from the homeport for more than 30 continuous days. If, however, the ship arrives and remains at a port other than the homeport for a period of more than 30 days at a location where the member's dependents reside, then payment of the FSA-S is precluded if the member resides with the dependents. A member is entitled to FSA-S for redeployment if the member returned to the homeport after the original deployment for a period of 30 days or less and redeployed for a period of more than 30 continuous days.

4.6 Specific Conditions of Entitlement to FSA

See Tables 27-1, 27-2, 27-3, and 27-4.

Table 27-1. FSA - Commencement Dates (Continued)

R U L E	When an eligible member	and the member	then FSA credit
13	a. acquires dependent after the effective date of the PCS orders (note 3), but before member's date of departure on subsequent reassignment PCS, and b. dependent does not live at or near the member's PDS (where member is not entitled to FSA-R)	remains away from homeport aboard ship for more than 30 days after the date the dependent is acquired	starts on the date that the member acquires a dependent (FSA-S) (note 1).
14	has newly acquired dependent who joins member at duty station at member's expense	confirms whether dependent is making change of residence or temporary social visit	is based on paragraph 3.2 or subparagraph 3.3.3.
15	has newly acquired dependent who joins member at duty station at member's expense	relocates dependent away from duty station at member's expense	starts FSA-R on the date of a dependent's departure from the duty station (note 6).
16	has dependent depart overseas duty station at government expense because of evacuation (other than medical), under determination of the Secretary concerned as being in national interest, or for other emergency reasons not personal or caused by dependent's misconduct		starts on the 31st day of a dependent's departure from the duty station.
17	reports onboard a ship after a change of homeport has been declared	does not reside with dependents at or near the current homeport of the ship	starts on the date the member reports onboard a ship (note 7).

NOTES:

1. Do not pay FSA-T or FSA-S until the member has been on TDY or TAD or on duty aboard ship away from homeport continuously for more than 30 days (or, if applicable, for more than 30 days after the date that a dependent is acquired). In computing the amount payable, the 31st day of any month should be excluded from the computation and February should be treated as if it actually had 30 days. (See paragraph 4.4.)
2. If the ship returns to homeport and a member is under orders to remain on board a ship while at homeport the days on the ship while at homeport will count towards the more than 30 continuous days, except when a member is required to stay on board for disciplinary reasons.
3. Does not apply if the ship is in a port (other than its homeport) located within commuting distance of the residence of the member's dependents continuously for more than 30 days. Also, see paragraph 4.5.
4. The effective date of PCS orders is the date a member is required to begin travel from the old PDS or the last TDY or TAD, in order to arrive at the new PDS on the date authorized by the mode of transportation authorized. (JTR, Appendix A, Effective Date of PCS Order)

Table 27-1. FSA - Commencement Dates (Continued)

5. A member who acquired an initial dependent after the date of departure from old station en route PCS to CONUS from overseas or en route PCS within CONUS, but no later than the effective date of the PCS order, is entitled to travel for dependent at government expense based on JTR, Chapter 5. Therefore, the member is not entitled to FSA-R. (In this case, no tour election provision exists to overcome the travel provision.)
6. If already started under paragraph 3.2, the entitlement continues upon departure of dependents from the duty station.
7. FSA-R does not accrue if the member was onboard a ship when the change in homeport was declared, except under paragraph 4.1.

Table 27-2. FSA-R - Overseas Assignment

R U L E	If an eligible member is	and	and	then the member('s)
1	selected for PCS overseas	the accompanied tour is not authorized		is entitled to FSA-R for the entire unaccompanied tour (notes 1 and 2).
2	selected for PCS overseas	elects the unaccompanied tour instead of the authorized accompanied tour		is not entitled to FSA-R for the length of such tour, including tour extensions (note 3).
3	selected for PCS overseas	elects the accompanied tour	concurrent travel is authorized and dependents travel with member	is not entitled to FSA-R.
4	selected for PCS overseas	is assigned to an automatic concurrent travel area or an advance application area	application for concurrent travel has been approved by the area commander	is entitled to FSA-R if dependents do not travel with the member for government reasons (notes 4 and 5).
5	selected for PCS overseas	in status covered by rule 4	dependents arrive at member's overseas station	FSA-R stops the day before date dependents arrive.
6	selected for PCS overseas to an advance application area	application for concurrent travel is disapproved by area commander		is entitled to FSA-R until dependents arrive at overseas station. (This rule is qualified by rules 7 and 8.)
7	selected for PCS overseas to an advance application area		member fails to comply with area regulations for entry of the dependents	FSA-R is stopped when timely action is not taken under applicable regulations (note 6).
8	selected for PCS overseas to an advance application area		there is a delay of more than 60 days in dependent's arrival (60-day period begins on date of orders)	entitlement to FSA-R continues through the day before dependents arrive at overseas station, not to exceed 60 days from date transportation of dependents is authorized, unless additional delay is caused by the government (note 5).

Table 27-2. FSA-R - Overseas Assignment (Continued)

R U L E	If an eligible member is	and	and	then the member('s)
9	assigned overseas	one or more of the dependents live at or near the overseas station	member qualifies for FSA-R for the dependents who are not authorized to travel to the overseas station	is entitled to FSA-R.
10	assigned overseas	after arrival at overseas station, an accompanied tour is authorized (previously unavailable) and member elects the accompanied tour		entitlement to FSA-R continues through the day before dependents arrive at overseas station, not to exceed 60 days from date transportation of dependents is authorized, unless additional delay is caused by the government (note 5).
11	assigned overseas	after arrival at overseas station, an accompanied tour is authorized (previously unavailable) and member does not elect the accompanied tour		entitlements to FSA-R continues based on original assignment under rule 1.
12	assigned overseas	has previously elected the accompanied tour, but concurrent travel is not performed	the member reelects the unaccompanied tour before dependents depart CONUS	is not entitled to FSA-R on and after the date reelection is approved (note 3).
13	assigned overseas	has failed to make a tour election before arrival at new duty station	makes unaccompanied tour election after arrival at the overseas station	is not entitled to FSA-R for the entire unaccompanied tour (note 3).

Table 27-2. FSA-R - Overseas Assignment (Continued)

R U L E	If an eligible member is	and	and	then the member('s)
14	assigned overseas	has failed to make a tour election before arrival at new duty station	elects accompanied tour after arrival at the overseas station	is entitled to FSA-R for the period starting with the date the tour is approved through the day before dependents arrive at overseas station, not to exceed 60 days from date transportation of dependents is authorized, unless additional delay is caused by the government (note 5).

NOTES:

1. In all cases, entitlement exists only if dependents do not live at or near the duty station. (See paragraph 3.3.) In areas where dependents are not permitted, member does not have to apply for transportation of dependents or to elect type of tour.
2. These tours include dependent restricted tours and situations where the member is not authorized to serve an accompanied-with-dependents tour in those locations where such tours are authorized.
3. The Secretary of the Military Department concerned may waive the provision in this rule to authorize FSA-R in cases where unusual family or operational circumstances exist for the member. See subparagraph 4.1.4 for conditions subject to waiver and individual Military Service regulations for procedures for requesting a waiver from the Secretary of the Military Department concerned.
4. Where dependents' travel delay is not due to government reasons, but member is required to perform TDY or TAD en route, family separation for period of TDY or TAD is considered to be due to military requirements and member is entitled to FSA-R under Table 27-4, rule 11.
5. Delays due to government reasons include:
 - a. lack of transportation facilities,
 - b. disapproval by CONUS commanders,
 - c. disapproval for reasons of health (i.e., pregnancy of wife), and
 - d. insufficient service retainability or time remaining in the overseas tour.
6. FSA-R continues if member acted timely to apply for transportation of the dependents and the application was disapproved because of the lack of service retainability or time remaining in the overseas tour.

*Table 27-3. Date to Stop FSA

R U L E	If a member	then FSA credit continues through the
1	has dependents who arrive at the duty station with intent to establish a residence	day before dependents arrive (note 1).
2	on next reassignment, arrives at a station where member does not qualify for FSA	day before the date on which the member arrives at new station (note 2).
3	returns from TDY or TAD of more than 30 days	day before date of the member's return from TDY or TAD (notes 3 and 4).
4	is in a non-pay status for any period	day before the date entering such status, except as provided in Chapter 1, paragraph 4.2.
5	has a sole dependent in an institution, and if the stay in the institution continues	day before 1-year from the date that the member's sole dependent entered an institution (note 5).
6	is onboard a ship away from its homeport	day before ship returns to homeport or date of detachment from ship, whichever is earlier (note 6).
7	reports onboard a ship after a change of homeport has been declared	effective date of the change of homeport.
8	has only secondary dependents who reside with relatives or friends	day before the date the dependents move to home of relatives or friends.
9	completes period of TDY or TAD of more than 30 days in conjunction with PCS	day before the date the member arrives at the new station (note 3).
10	has dependent(s) who return to the PDS after departing in conjunction with authorized or ordered evacuation	day before the date dependent(s) return.

NOTES:

1. See paragraph 3.2 for temporary social visits.
2. If a delay en route and/or proceed time is authorized and used, then use a constructive date of arrival. Constructive date will be computed by deducting the number of days' leave and/or proceed time authorized and used from the actual date of arrival.
3. If delay en route and/or proceed time is authorized, then use the constructive date. (See subparagraph 4.4.1).
4. See Table 27-4, rule 20 and subparagraph 4.4.2.3 for interim and redeployment periods.
5. Applies when stay in the institution is initially not expected to exceed 1-year.

Table 27-3. Date to Stop FSA (continued)

6. FSA-S continues if the member is detached and attached the same day to another ship away from its homeport. However, if a member is under orders to remain on board a ship while at homeport, the days on the ship while at homeport will count towards the more than 30 continuous days, except when a member is required to stay on board for disciplinary reasons.

CHAPTER 29

CLOTHING MONETARY ALLOWANCES

1.0 GENERAL

1.1 Purpose

The Secretary of Defense (SecDef) may, on an annual basis by law and under Presidential Executive Order, prescribe the quantity and kind of clothing to be furnished to an enlisted member of the Military Services and may prescribe the amount of cash allowance to be paid if the clothing is not furnished. It is DoD policy that the quantities and kinds of items of individual clothing to be furnished will be prescribed by the Service Secretary or the Commandant of the Marine Corps, under the parameters set by the Deputy Under Secretary of Defense – Military Personnel Policy (DUSD MPP).

1.2 Authoritative Guidance

The clothing monetary allowances policies and requirements established by DoD in this chapter are derived primarily from, and prepared in accordance with Title 37, United States Code, section 418 ([37 U.S.C. § 418](#)). Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 ALLOWANCES

2.1 Initial Clothing Allowance

Enlisted members receive the initial clothing allowance upon initial enlistment or upon other special qualification for entitlement to a prescribed outfitting of uniforms. The initial issue may be an in-kind issue or a combination of in-kind issue and cash payment.

2.2 Cash Clothing Replacement Allowance

Enlisted members receive the cash clothing replacement allowance, upon the anniversary month, each successive year following the provision of an initial clothing allowance. Cash clothing replacement allowances are for replacement of required uniform items based on a normal wear rate.

2.3 Extra Clothing Allowances

Extra clothing allowances are additional to initial and replacement allowances and do not reduce, replace or otherwise affect them. Extra clothing allowances provide for unusual circumstances when:

- 2.3.1. An enlisted member may require additional uniform items; or

2.3.2. An officer (with a permanent duty station outside the United States) or enlisted member may require civilian clothes to perform their assigned duties.

3.0 INITIAL CLOTHING ALLOWANCES

3.1 Standard Initial Clothing Allowance – General Provisions

The standard initial clothing allowance is an in-kind issue, although a cash payment may be made for items not furnished in-kind. Each Service, as approved by the DUSD MPP, may prescribe cash payments for items specifically designated to be purchased by the member, rather than to be furnished in-kind. Additionally, if any of the items of clothing normally prescribed to be furnished in-kind are not available for issuance, then the initial allowance may be completed by paying the member the cash value of the balance remaining. The standard initial clothing allowance rates, including prescribed cash payments for personal purchase of specified items, are in Table 29-1. For the most current rates, see the [Standard Initial Clothing Allowances](#) table on DFAS.MIL.

3.1.1. The total monetary value of items furnished in-kind, plus any cash payments, may not exceed the amounts for the total value of the applicable standard initial clothing allowance as established in Table 29-1. For the most current rates, see the Standard Initial Clothing Allowances table on DFAS.MIL.

3.1.2. If a Service member dies, is discharged, or is released from active duty within 6 months of entitlement to an initial allowance, then the value of the initial allowance must be reduced to the items of clothing already supplied or amount credited up to that date.

3.1.3. Army and Marine Corps members, entitled to a standard initial clothing allowance, are furnished the allowance on an item or issue in-kind basis without establishing a monetary credit. Payment of the amount prescribed in the initial allowance as a cash allowance may be made immediately. Shortages of items being furnished on an in-kind basis must be recorded and issued when available to the Service member.

3.1.4. Navy and Air Force members, entitled to a standard initial clothing allowance, are credited with the amount of the allowance against which the authorized clothing is furnished. A member will receive the amount prescribed in the initial allowance as a cash payment for personal purchase of specified items. At the conclusion of the basic training period or within a period the Service considers appropriate, if any of the prescribed items of clothing to be furnished in-kind against the established credit are not available for issuance, then the initial allowance may be completed by paying the member the remaining balance in cash.

3.2 Standard Initial Clothing Allowance – Entitlement Criteria

Enlisted personnel (except those entitled to a special initial clothing allowance) must be furnished a standard initial clothing allowance under one or more of the following circumstances:

3.2.1. Upon first enlistment in the Service, or reenlistment in the same branch of the regular Military Service, if 3 months has expired from the date of last discharge or release from active duty and the member is not reporting from a Reserve component that requires the member to maintain uniform clothing;

3.2.2. Upon enlistment or reenlistment in a Service, other than the one from which last discharged;

3.2.3. Upon reporting for or upon recall to active duty for more than 6 months, after 3 months have expired from the date of last discharge or release from active duty with the clothing required for service in a Reserve Component. In these cases, the initial allowance must be reduced to a partial standard initial clothing allowance under regulations of the appropriate Service, to account for clothing required to be in the person's possession upon call or recall to active duty;

3.2.4. Upon being restored to duty, after being sentenced to confinement and punitive discharge, to the extent needed to fill the individual's clothing requirement;

3.2.5. Upon reenlisting within 3 months of last discharge or release from active duty, when the Service member did not receive the complete initial allowance or was required to turn in issued clothing. The amount allowed, will be the difference between the current initial clothing allowance and the current value of issued clothing that remained in the member's possession upon the date of last discharge or release from active duty, further reduced by any prior cash clothing payments toward the initial clothing allowance. Replacement allowances, issues, or payments are not considered the last authorization of the initial allowance;

3.2.6. Upon recall to active duty after 3 months from the date of the last release from active duty, or retired enlisted personnel (including Service members of the Fleet Reserve and the Fleet Marine Corps Reserve) recalled to active duty after 3 months from the date of the last release from active duty or retirement. Only one such allowance will be authorized during any period of four consecutive years;

3.2.7. Upon reversion to service on active duty for commissioned officers, or warrant officers, under temporary appointments who enlisted or reenlisted, or who reverted to service on active duty in an enlisted (other than Chief Petty Officer) status, except for purposes of retirement. Only one such allowance is authorized in any period of 4 consecutive years; or

3.2.8. Upon reversion to enlistment in or reenlistment in the regular Navy, Naval officer candidates, and Naval Reserve Chief Petty Officers, who revert to or are enlisted or reenlisted in the regular Navy in pay grade E-6 or below, except for purposes of retirement, provided they previously have not received a standard initial clothing allowance during their current period of continuous active duty.

3.3 Special Initial Clothing Allowance – General Provisions

Enlisted members assigned to a tour of duty, or who attain a status, requiring the wear of uniform clothing (other than special dress uniforms), may be authorized a special initial clothing allowance. Special initial clothing allowance is authorized only once during any period of continuous active duty. The special initial clothing allowance rates are in Table 29-2 and Table 29-3. For the most current rates, see the Special Initial Clothing Allowances – [Navy](#) and [Air Force](#) tables on DFAS.MIL.

3.3.1. The special initial clothing allowance is provided in lieu of the standard initial clothing allowance when it is the first initial allowance qualified for and issued. The special initial clothing allowance supersedes and replaces the standard initial clothing allowance and is considered the last authorization of an initial clothing allowance for a member who previously received a standard initial clothing allowance and subsequently qualifies for and is provided a special initial clothing allowance. The special initial clothing allowance may be issued in-kind, paid as a monetary payment, or provided as a combination, as established by the Service concerned.

3.3.2. Examples of uses for special initial clothing allowance are when members in an enlisted status enter an officer training program, are advanced to Chief Petty Officer in the Navy, or are assigned to a military band with uniform styles different than those for others in their pay grade.

3.4 Special Initial Clothing Allowance – Eligibility Criteria

The Navy and Air Force will furnish enlisted members with a special initial clothing allowance under one or more of the following circumstances:

3.4.1. Upon selection and acceptance for specified officer-training programs;

3.4.2. In pay grade E-6 or below, upon assignment to either the U.S. Naval Academy Band, U.S. Navy Band, Washington, DC, or selection for appointment as a Limited Duty Officer or Warrant Officer 1 in the Navy;

3.4.3. Upon first advancement to or first enlistment as a Chief Petty Officer in the Navy, while serving on active duty, unless special initial clothing allowance was previously paid. Effective October 1, 2009, Chief Petty Officers of the Naval Reserve assigned to Selected Reserve and Voluntary Training Units are entitled to a full special initial clothing allowance upon first advancement to Chief Petty Officer;

3.4.4. For Chief Petty Officers in the Naval Reserve who were advanced before October 1, 2009, upon first reporting for active duty for a period of 6 months or greater as a Chief Petty Officer of the Naval Reserve, provided no special initial clothing allowance has been previously paid either on active or inactive duty. If a special initial clothing allowance has been previously paid on inactive duty, then the Chief Petty Officer is entitled to a partial special initial clothing

allowance in accordance with the Note at Table 29-2. See the Special Initial Clothing Allowances – Navy table on DFAS.MIL; or

3.4.5. Upon active duty reenlistment or receipt of orders to active duty as a Chief Petty Officer in the Navy, provided all of the following requirements are met:

3.4.5.1. Over 3 months has expired from the date of last discharge, release from active duty or retirement;

3.4.5.2. The enlistment or reenlistment period is for a period of more than 6 months;

3.4.5.3. Appointment to temporary officer status is not coincident with the enlistment or reenlistment; and

3.4.5.4. The member has not received a special initial clothing allowance within the last 4 years while on inactive duty.

3.5 Partial Initial Clothing Allowances

Enlisted members will be paid a reduced or partial initial clothing allowance when payment of a full standard initial clothing allowance or full special initial clothing allowance is not warranted, due to an enlisted member reporting for or being recalled to active duty for more than 6 months, after 3 months have expired from the date of last discharge or release from active duty with the clothing required for service in a Reserve component.

4.0 CASH CLOTHING REPLACEMENT ALLOWANCES

4.1 General

Enlisted members receive cash clothing replacement allowances for uniform items for the replacement of military unique items required for wear. Enlisted members engaged in officer training programs or who are attending academy preparatory schools are not eligible for cash clothing replacement allowances. See Table 29-4 for specific entitlement rules. See Table 29-5 for the cash clothing replacement allowance rates. For the most current rates, see the [Cash Clothing Replacement Allowances](#) table on DFAS.MIL.

4.2 Basic Cash Clothing Replacement Allowance

Basic cash clothing replacement allowance is a preliminary replacement allowance for uniform items. It is used during the first 3 years of active service subsequent to receipt of a standard initial clothing allowance or a reduced or partial standard initial clothing allowance.

4.2.1. Basic cash clothing replacement allowance accrues to each enlisted member, beginning the first day of the month following the date of completion of 6 months of active duty without regard to time lost. At the end of the member's anniversary month completing 1-year of

uninterrupted active military service, the first payment is equal to one-half the applicable fiscal year rate then in effect.

4.2.2. When authorized under regulations of the Service concerned, enlisted members of a Reserve Component who received a reduced or partial standard initial clothing allowance may be authorized to accrue the basic cash clothing replacement allowance, beginning with the first day of the month following the date of call or recall to active duty in a pay status.

4.2.3. The basic cash clothing replacement allowance continues for the first 3 years of continuous active duty. It is payable for the second and third years at the end of the member's anniversary month, using the applicable rate then in effect.

4.3 Standard Cash Clothing Replacement Allowance

Standard cash clothing replacement allowance provides for replacement of uniform items after completion of 3 years of active service subsequent to receipt of a standard initial clothing allowance or a reduced or partial standard initial clothing allowance. It is the preliminary replacement allowance during the first 3 years of active service, subsequent to receipt of a reduced or partial or special initial clothing allowance.

4.3.1. When used as the follow-on to the basic cash clothing replacement allowance, the standard cash clothing replacement allowance accrues beginning with the first day of the month following the date the member completes 36 months active duty, without regard to time lost. It continues during the remaining period of continuous active duty and is payable annually at the end of the Service member's anniversary month, using the applicable rate then in effect.

4.3.2. When used as the preliminary replacement allowance for the special initial clothing allowance, the standard cash clothing replacement allowance accrues, beginning with the first day of the month following the date the special initial clothing allowance or a reduced or partial special initial clothing allowance was authorized without regard to time lost. It is payable annually, for the first 3 years of continuous active duty, at the end of the Service member's anniversary month, using the applicable rate then in effect.

4.4 Special Cash Clothing Replacement Allowance

Special cash clothing replacement allowance provides for replacement of uniform items, after completion of 3 years of active service, subsequent to receipt of a special initial clothing allowance. It accrues beginning with the first day of the month following the date the member completes 36 months active duty, subsequent to receiving a special initial clothing allowance or a reduced or partial special initial clothing allowance, without regard to time lost, and continues during the remaining period of continuous active duty. It is payable annually at the end of the Service member's anniversary month, using the applicable fiscal year rate then in effect. During the period for which the special cash clothing replacement allowance is payable, the Service member is not entitled to any other cash clothing replacement allowance.

5.0 EXTRA CLOTHING ALLOWANCES

5.1 General

Members may receive extra clothing allowances, in addition to any other entitled clothing allowance. Entitlement to or payment of an extra clothing allowance does not replace or reduce any other clothing allowance.

5.2 Supplementary Clothing Allowances

In addition to any other clothing allowance authorized, an enlisted member may become entitled to a supplementary clothing allowance. Supplementary clothing allowances may be authorized only for an enlisted member, assigned to duty in a special organization or detail, where the nature of the duty necessitates that he or she have, as a military requirement, additional quantities or special items of individual uniform clothing normally not required for most enlisted members in the same Service. Except for maternity uniforms, supplementary clothing allowances may not exceed 30 percent of the current value of the standard initial clothing allowance.

5.2.1. Entitlement

5.2.1.1. A supplementary clothing allowance may be issued in-kind, as a cash payment, or as a combination of issued in-kind and a cash payment. Generally, supplementary clothing allowances are cash payments to Navy and Air Force members, while Army and Marine Corps members receive in-kind issues.

5.2.1.2. A member scheduled to serve in a qualifying assignment for at least 6 additional months, may receive a subsequent supplementary clothing allowance, on the anniversary of the initial supplementary clothing allowance. A Service member who has received a supplementary clothing allowance may not be authorized a subsequent supplementary allowance for the same items upon reassignment to duty if less than 12 months have elapsed since the last payment. Under circumstances deemed appropriate, the Service Secretary or the Commandant of the Marine Corps may waive this restriction.

5.2.1.3. As an exception to subparagraph 5.2.1.2., an otherwise qualified member may not receive the supplementary clothing allowance for maternity uniforms more often than once every 3 years.

5.2.2. Rates Payable

5.2.2.1. The Army provides supplementary clothing allowances as in-kind issues as described in [Army Regulation 700-84](#).

5.2.2.2. See Table 29-6 for the Navy supplementary clothing allowance rates. For the most current rates, see the [Supplementary Clothing Allowances – Navy](#) table on DFAS.MIL.

5.2.2.3. See Table 29-7 for the Air Force supplementary clothing allowance rates. For the most current rates, see the [Supplementary Clothing Allowances – Air Force](#) table on DFAS.MIL

5.2.2.4. The Marine Corps provides supplementary clothing allowances as a combination of in-kind issues and cash payments. See Table 29-8 for the Marine Corps supplementary clothing allowance cash payments. For the most current rates, see the [Marine Corps Supplementary Clothing Allowances](#) table on DFAS.MIL.

5.3 Civilian Clothing Allowances for Officers and Enlisted Personnel

In addition to any other clothing allowance authorized, Service members (officer or enlisted) directed by competent authority to dress in civilian clothing more than half the time when performing official duty, as a military requirement, may be authorized a civilian clothing allowance. In accordance with [37 U.S.C. § 419](#), an officer is authorized a civilian clothing allowance only if his or her permanent duty station is outside the United States. During any period in which an enlisted member is on an assignment requiring the wear of civilian clothing, the applicable replacement allowance for uniform items continues to accrue. The Service Secretary or the Commandant of the Marine Corps may prescribe reduced civilian clothing allowances, as appropriate for their respective Service, for personnel serving under conditions where the full authorized civilian clothing allowances in Table 29-9 are not required. For the most current rates, see the [Civilian Clothing Allowances for Officer and Enlisted](#) table on DFAS.MIL.

5.3.1. Permanent Duty Civilian Clothing Allowances. The permanent duty civilian clothing allowance has two parts: the initial civilian clothing allowance; and the replacement civilian clothing allowance. The initial civilian clothing allowance is payable upon assignment to qualifying permanent duty when authorized by the Service concerned. When entitled, the replacement civilian clothing allowance is payable annually at the end of the service member's anniversary month using the applicable rate then in effect. The rates payable for the permanent duty civilian clothing allowances are in Table 29-9. For the most current rates, see the Civilian Clothing Allowances for Officer and Enlisted table on DFAS.MIL.

5.3.1.1. Initial Civilian Clothing Allowance. An initial civilian clothing allowance is paid only once in any 3-year period. It is not paid if the member has been out of a qualifying assignment for less than 12 months. If the member receives a follow-on permanent assignment requiring the wear of civilian clothing within 3 years of receiving an initial civilian clothing allowance, or within 12 months of occupying a qualifying assignment, then he or she will receive the replacement civilian clothing allowance at the end of the original anniversary month.

5.3.1.2. Replacement Civilian Clothing Allowance. At the end of the anniversary month of the member commencing the qualifying assignment, a replacement civilian clothing allowance is payable if it is projected that he or she will serve at least 6 additional months in a qualifying assignment. The member becomes entitled, upon authorization of the Service concerned. A replacement civilian clothing allowance is not payable if it is projected the member will remain in the assignment less than 6 months beyond the anniversary month. A replacement

civilian clothing allowance is payable, if the member actually serves 6 or more months in the assignment past the anniversary month.

5.3.1.3. Lump-Sum Payments. A member who will continue to meet the eligibility criteria for a civilian clothing allowance, on a career basis, may receive the initial civilian clothing allowance, and up to two replacement civilian clothing allowance payments, in an up-front lump-sum payment. The member may receive payment at the time of eligibility and only once in their career. During the member's first or second anniversaries after a lump-sum initial payment, if it is determined the member actually will not be remaining in a qualifying position for at least the next 6 months, the annual unearned portion for the year(s) not served will be recouped from the member. At the end of the anniversary months for the third and subsequent years of eligibility, the member will receive their replacement civilian clothing allowance payment.

5.3.1.4. Prior Civilian Clothing Payments. A member, authorized to receive permanent duty civilian clothing allowance, will have that allowance reduced by the prevailing value of any temporary duty civilian clothing allowance received within the preceding 12 months.

5.3.2. Temporary Duty Civilian Clothing Allowances. Generally, the temporary duty civilian clothing allowance is used when the permanent duty civilian clothing allowance is not applicable. The total amount of all temporary duty civilian clothing allowances payable in any 36-month period will not exceed the maximum allowed for temporary duty of at least 30 days. The amounts authorized by the Service concerned will be within the rates established in Table 29-9. For the most current rates, see the Civilian Clothing Allowances for Officer and Enlisted table on DFAS.MIL. The temporary duty civilian clothing allowance has two maximum rates based on the number of days the member is on temporary duty.

5.3.2.1. 15 Days. When competent authority determines the member will be on temporary duty at least 15 consecutive or accumulative days within a 30-day period, the maximum amount payable is found in Table 29-9. For the most current rates, see the Civilian Clothing Allowances for Officer and Enlisted table on DFAS.MIL. The 15-day threshold requirement does not apply to Explosive Ordnance Disposal and Explosive Detector Dog Personnel on U.S. Secret Service Support Duty, Defense Courier Service couriers, or Defense Threat Reduction Agency military personnel. These personnel may receive the maximum payment for temporary duty of at least 30 days, upon their initial temporary duty assignment, regardless of the length of their temporary duty.

5.3.2.2. 30 Days. When competent authority determines that a member will be on temporary duty at least 30 consecutive or accumulative days within a 36-month period, the maximum amount payable will be found in Table 29-9, less any amount paid within the past 36-month period. For the most current rates, see the Civilian Clothing Allowances for Officer and Enlisted table on DFAS.MIL.

5.3.3. Additional Temporary Duty Payments. In exceptional circumstances, the appropriate official, or the designated official, may make an exception to the maximum allowance permitted in a 36-month period and may authorize an additional payment of a 15-day or 30-day allowance or some lesser amount. The Assistant Secretaries of the Army, Navy and Air Force for

Manpower and Reserve Affairs (M&RA), or the Deputy Chief of Staff for M&RA in the Marine Corps, may approve the additional allowance. They cannot delegate their authority.

6.0 MISCELLANEOUS CLOTHING PROVISIONS

6.1 Reserve Component Allowances

Reserve Component personnel on active duty for periods of less than 6 months, or while on inactive duty, are generally furnished the required individual clothing items as in-kind issues. Reserve Component personnel may receive the standard initial clothing allowance cash portion for items designated to be personally procured and not issued in-kind. Members of Reserve Components on active duty for periods of less than 6 months or on inactive duty are not entitled to any civilian clothing allowances. Further guidance for payment of clothing allowances for Reserve members is set forth in Chapters 57 and 58.

6.2 Lost or Damaged Clothing

The Service concerned will compensate an enlisted member for clothing items destroyed, damaged, lost, abandoned, captured, or otherwise rendered unusable, by an incident to military training or service, not caused by any fault or negligence of the member.

6.3 Clothing Price Adjustments

Enlisted members of the Navy and Air Force, entitled to an initial or partial initial clothing monetary allowance upon entering the Service, may require an adjustment to their pay records. A member's pay record is adjusted to reflect the difference between the old and the new fiscal year prices for items not issued, if the entitlement date is on or before September 30, for all clothing items not issued prior to October 1.

6.4 Settlement of Cash Clothing Allowances

A member will receive the cash clothing replacement allowance on the last day of their anniversary month. A member will receive a prorated cash clothing replacement allowance when discharged before the end of their anniversary month. The authorizing official approves payment for supplementary clothing allowances. See Table 29-10 for settlement of other cash clothing allowances.

CHAPTER 30**OFFICERS' UNIFORM AND EQUIPMENT ALLOWANCE****1.0 GENERAL****1.1 Purpose**

In accordance with guidance contained in this chapter, officers of the Armed Forces of the United States may be entitled to an initial uniform allowance and/or an additional active duty uniform allowance as reimbursement for the purchase of required uniforms and equipment.

1.2 Authoritative Guidance

The pay policies and requirements established by DoD in this chapter are derived primarily from, and prepared in accordance with Title 37, United States Code, sections 415, 416, and 417 (37 U.S.C. §§ 415, 416, and 417). Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 INITIAL UNIFORM ALLOWANCE**2.1 General**

Officers of the Armed Forces of the United States are entitled to an initial uniform allowance as provided in this section.

2.2 When Payable

2.2.1. Except as provided in subparagraph 2.2.2, the initial uniform allowance is payable only once to an officer upon:

2.2.1.1. First reporting for active duty (other than for training) for a period of more than 90 days. A member entering active duty as an officer in a Regular Component or upon Reserve Officer Training Corps (ROTC) graduation is considered to have entered into active duty for more than 90 days;

2.2.1.2. Completing at least 14 days of active duty or active duty for training as a member of a Reserve Component;

2.2.1.3. Completing 14 periods of inactive duty training as a member of the Ready Reserve. Each period of inactive duty training must be of at least 2 hours duration; or

2.2.1.4. Reporting for the first period of active duty required of a member of the Armed Forces Health Professions Scholarship Program.

2.2.2. In the case where a Reserve officer transfers to another Reserve Component that requires a different uniform, that Reserve officer may receive another initial uniform allowance.

2.3 Amount Payable

All officer personnel, commissioned or appointed in the Regular or Reserve Components of the Army, Navy, Air Force, and Marine Corps, are authorized \$400 as reimbursement for the purchase of uniforms and equipment, regardless the source of commission or previous enlisted status.

2.4 Restrictions

2.4.1. If a member has received an initial uniform allowance in any amount as an officer, under conditions other than those listed in subparagraph 2.2.1, then the member cannot again be entitled to the initial uniform allowance.

2.4.2. Regular officers may not receive this allowance when transferring to another Military Service.

2.4.3. Only periods of duty that require wearing of the uniform are counted for entitlement to the initial uniform allowance.

2.4.4. An officer must be determined physically qualified for active duty before entitlement to an initial uniform allowance accrues.

3.0 ADDITIONAL ACTIVE DUTY UNIFORM ALLOWANCE

3.1 General

Officers of Reserve Components, officers of the Army or Air Force of the United States without specification of component, and ROTC graduates appointed in the Regular Components are entitled to an additional active duty uniform allowance as provided in this section.

3.2 When Payable

3.2.1. The additional active duty uniform allowance is payable for each instance of entry or reentry into active duty, or active duty for training (including authorized travel time) for more than 90 days. The period served may be under orders specifying active duty for more than 90 days, or under two or more orders requiring a continuous period of more than 90 days active duty.

3.2.2. An officer commissioned in a Regular Component, upon ROTC graduation, accrues entitlement to the allowance on commencement of duty as a Regular officer. The officer is considered to have entered on active duty for more than 90 days.

3.3 Amount Payable

The additional active duty uniform allowance is payable, to qualified officers in the amount of \$200, as reimbursement for the purchase of required uniforms and equipment.

3.4 Restrictions

3.4.1. The additional active duty uniform allowance is not payable if the officer has received an initial uniform allowance of more than \$400 during the current tour of active duty, or within 2 years prior to entering the current tour.

3.4.2. The additional active duty uniform allowance is not payable when the tour of duty for which payment is being considered began within 2 years after the end of a previous period of active duty, or active duty for training, of more than 90 days. This applies whether or not a uniform allowance was paid for the previous tour of duty. It applies only if the prior service was performed as a Reserve officer, as an officer of the Army or Air Force of the United States without specification of component, or as a Regular officer commissioned upon ROTC.

3.4.3. An officer of a Reserve Component or of the Army or Air Force of the United States, without specification of component, is not due this allowance solely because of appointment in or transfer to the Army, Air Force, or another Reserve Component.

3.4.4. A Reserve officer ordered to an indefinite tour of active duty, or active duty for training, is not entitled to this allowance until the member completes more than 90 days of that tour.

3.4.5. Only periods of duty requiring the wearing of the uniform are counted for entitlement to the allowance prescribed in this paragraph.

3.4.6. To be entitled under this paragraph, an officer must be determined physically qualified for active duty.

3.5 Computation of 2-Year Period

Compute the 2-year period during which no active duty or active duty for training was performed as follows:

3.5.1. When an officer is ordered to active duty, or active duty for training, for a period of more than 90 days, the 2-year period begins on the day following the day of release from active duty or active duty for training.

Example 1: A Reserve officer was ordered to active duty for training under orders specifying a 92-day tour of duty to begin March 1, 2016, and to end May 31, 2016. The officer actually was released from active duty for training May 31, 2016. The 2-year period began on June 1, 2016. Entitlement to the next additional active duty uniform allowance accrues if the officer is called to active duty, or active duty for training, for a period of more than 90 days on or after June 1, 2018.

Example 2: If the officer in Example 1 served 35 days of a tour of active duty under orders specifying duty of more than 90 days, and was released from active duty for training April 4, 2016, then the 2-year period started April 5, 2016. Entitlement to the next additional active duty uniform allowance accrues if the officer is called to active duty, or active duty for training for a period of more than 90 days, on or after April 5, 2018. Refund of allowance or any portion thereof is not required since entitlement was based on reporting for active duty for a period of more than 90 days.

3.5.2. When an officer is ordered to active duty for training for an indefinite period, and serves more than 90 days, the 2-year period begins on the day following the day of release from active duty.

Example 1: A Reserve officer was ordered to active duty for training for an indefinite period to begin March 1, 2016. The officer was released from active duty July 1, 2016. On the 91st day of duty (May 30, 2016), the officer was entitled to the allowance as of the first day of duty (March 1, 2016) if other conditions of entitlement were met. The 2-year period starts July 2, 2016. Entitlement to the next additional active duty uniform allowance accrues if the officer is called to active duty, or active duty for training, for a period of more than 90 days on or after July 2, 2018.

Example 2: If the Reserve officer in Example 1 (subparagraph 3.5.2) was released from active duty on April 4, 2016 after serving only 35 days, then he or she would not be entitled to the additional active duty uniform allowance for that period of active duty for training.

3.5.3. When an officer is separated from a Regular Component and is later appointed as an officer in a Reserve Component and ordered to active duty, or active duty for training, for more than 90 days, the 2-year period restriction in subparagraph 3.4.2 does not apply. Exception: Regular officers appointed upon completion of ROTC training after October 12, 1994, are subject to the 2-year restriction.

Example: An officer was separated from a Regular Component on June 30, 2016, and was appointed an officer in a Reserve Component on July 1, 2016. The member reported for active duty for more than 90 days on May 1, 2018. The member was entitled to the additional active duty uniform allowance when reporting on the present tour of active duty, since the previous tour was as a Regular officer.

4.0 DETERMINATIONS

4.1 First Time Reporting for Active Duty and Allowances

4.3 Reserve Officers' Uniform Allowance Entitlements

A Reserve officer who receives, or has previously received, an initial uniform allowance, under the conditions listed in subparagraph 2.2.1, and again qualifies for the initial uniform allowance and/or the additional active duty uniform allowance by meeting the basic requirements, is eligible to receive the initial and/or the additional allowance upon transfer to, or appointment in, another Reserve Component or the Army or Air Force of the United States, without specification of component, if the wearing of a different uniform is required.

ADVANCE, LOCAL, PARTIAL, AND EMERGENCY PARTIAL PAY

1.0 GENERAL

1.1 Purpose

This chapter establishes policy pertaining to advance, local, partial, and emergency partial pay for members of the active and reserve components.

1.2 Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), including Title 37. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 ADVANCE PAYMENTS

2.1 Advance Pay for Permanent Change of Station (PCS)

2.1.1. Commander's Responsibility. The member's commander has a responsibility to ensure that the advance of pay is used only to help with the financial burden of a PCS.

2.1.1.1. This financial burden can be complicated when a member files for bankruptcy. Commanders should be aware that if a member has filed for bankruptcy and then makes a request for an advance pay, some bankruptcy court jurisdictions hold that a creditor does not have the authority to recoup any post-petition debt, including advance pay, without permission from the bankruptcy court. This is true in cases when a member has filed a Chapter 13 bankruptcy.

2.1.1.2. In such instances, the government may not be able to collect any amount of the advance pay unless the Defense Finance and Accounting Service (DFAS) receives approval from the court or after the bankruptcy is discharged or terminated. Additionally, in situations when DFAS has withheld funds for repayment of the advanced pay, DFAS may have to return the funds to the member. Accordingly, commanders should approach such advance pay requests fully aware that the government may not be able to collect the advance pay from the member, even though the advanced pay may have been issued after the member filed for bankruptcy.

2.1.2. Entitlement. The eligibility and amounts payable are contained in Table 32-1.

2.1.3. Repayment. Advances are repaid per Table 32-2.

2.1.4. Effect on Allotments. Do not pay an advance of pay in an amount that will require the stoppage of allotments for insurance or support of dependents. No allotment may be started

after the advance is made if that allotment would prevent repayment of the advance of pay within the allowed period. If the separation of a member from the Service is imminent, then stop all allotments necessary to collect the advance.

2.2 Advance of Pay and Allowances

An advance of pay is to ease hardships imposed by the lack of regular payments when a member is mobilized, ordered to duty at a distant station, or deployed aboard ship for more than 30 days.

2.4.2. Repayment. Collect the advance in full from the member's next available payday.

2.5 Advance of Basic Allowance for Subsistence (BAS)

2.5.1. Entitlement. An enlisted member may be paid an advance of BAS not to exceed 3 months if the member is entitled to BAS and the Commanding Officer (CO) authorizes the payment following a determination that it is necessary. Individual Military Service regulations may limit BAS advances to less than 3 months.

2.5.2. Repayment. This advance is repaid based on Table 32-2, rule 12.

2.6 Advance Pay Upon Evacuation of Members or Dependents

The purpose of this advance is to give funds to evacuated members or dependents to cover costs of travel, food, and other needs.

2.6.2. Repayment. The advances are repaid per Table 32-2, rule 13.

2.7 Advance of Allotment(s) to Dependents

The purpose of this advance payment is to allow a member to be paid the amount of an allotment(s) to dependent(s) if the member is assigned or scheduled for assignment to sea duty or other duty with a unit or command deployed or to be deployed outside the United States and the allotment(s) is made by the member not more than 60 days before the scheduled date of the assignment of the member to this duty.

2.9 Advance of Housing Allowances

An advance of Basic Allowances for Housing and overseas housing allowance may be authorized under the terms and conditions in Chapter 26.

2.10 Advance Pay for Senior Reserve Officer Training Corps (SROTC) Cadets and Midshipmen Ordered to Field Training or Practice Cruises

2.10.1. Entitlement. An advance of pay, not to exceed the entitlement for 1 month, or the amount the SROTC member will accrue for the training, whichever is less, may be paid to an SROTC member who is ordered to perform field training or a practice cruise.

2.10.2. Repayment. Collect the advance in full from the member's field training or practice cruise entitlement.

2.11 Military Paydays

2.11.1. Payday is the first calendar day of the month after the month in which the entitlement was earned.

2.11.2. Except for payrolls otherwise payable on October 1, if the payday falls on a Saturday, Sunday, or federal legal holiday, payment is authorized on the preceding workday, but not more than 3 days before the scheduled payday. This exception applies to foreign holidays

recognized abroad by U.S. Forces. It also applies to payments made to members upon separation from the Military Service through retirement or discharge when the last day of active duty falls on a Saturday, Sunday, or federal legal holiday.

2.11.3. For payrolls otherwise payable on October 1, the DoD Comptroller will determine if the payroll may be dated in September.

3.0 LOCAL, PARTIAL, AND EMERGENCY PARTIAL PAYMENTS

3.1 Local and Partial Payments

Local and partial payments are authorized only for overseas areas where on-base military banking facilities are not readily available. Exceptions may be granted for members assigned to classified or contingency operations where the exigencies of their assignments may require local cash or partial payments. In this circumstance, the member's commander may authorize immediate cash payments up to the amount of accrued entitlement to date, when deemed appropriate to the mission (see Table 32-3).

3.2 Emergency Partial Payment

3.2.1. For members residing or assigned within the United States (including Alaska and Hawaii), this is a payment deemed time sensitive and required within 24 hours due to an unforeseen set of circumstances or the resulting state that calls for immediate action (see Table 32-3). Payment will be made in an expeditious manner, e.g., Direct Deposit or check payment. The supporting DFAS site may be able to affect overnight Electronic Funds Transfer (EFT) payment if circumstances warrant.

3.2.2. The member's commander, in coordination with the supporting finance office, may authorize emergency payments, up to the amount of accrued entitlement to date in the following circumstances:

3.2.2.1. Emergency pay and allowances earned to date as reflected on the member's pay account, when no pay was received on a regular payday or when there is a major medical emergency or death in the member's immediate family and payment is needed within 24 hours;

3.2.2.2. Emergency travel advance, when a traveler does not have a government travel charge card;

3.2.2.3. Discharge gratuity (as required by Chapter 35, Table 35-6), when payment is needed within 24 hours;

3.2.2.4. Payment of military death gratuity benefit to a beneficiary, when payment is needed within 24 hours;

3.2.2.5. Payment to military member of advance pay and allowances and/or evacuation allowance, when dependents must be evacuated as a result of a natural disaster or life threatening situations; or

2. Upon the member's request, repayment may be made in lump-sum or increased monthly amounts.
3. The repayment period will be scheduled to repay the advance before the member's expected date of separation. Repayment should be scheduled for completion before the start of a subsequent PCS move.
4. When executing PCS orders of less than 12 months, Reserve Component recipients of advance pay must accept a repayment schedule that provides for repayment by termination date of orders.
5. The member must provide written justification clearly showing that a 12-month repayment schedule would create severe financial hardship. The request must be approved in writing by the member's commander (including enlisted commandant of the NCO academy).
6. When request is disapproved, collection will be at the rate specified in rule 1.
7. When the repayment period is extended after the repayment schedule of less than 24 months is operating, repayment will be prorated per Military Service regulations, not to exceed the 24 months from the initial collection month.

Table 32-2. Repayment of Advances (Continued)

NOTES (Continued):

8. If the member immediately reenlists, then repayment of the advance pay may be continued into the new enlistment. To extend repayment of an advance into retired pay, projected SERB retirees must submit a written request to extend repayment into retired pay that clearly demonstrates the circumstances of their hardship. The requests will be submitted via the member's chain of command to the Secretary of the Military Department concerned, or designee for a decision. If the request is approved, this approval document will be forwarded by the Service, as a part of the member packet, to DFAS Retired and Annuitant Pay to ensure the collection of the Advance pay.
9. Uncollected advances are treated as accounts receivable in the accounts of the disbursing officer. Such amounts remain a debt owed the United States by the member.
10. If a member is entitled to separation payment under 10 U.S.C. §§ 1174, 1174a, 1175, or 1175a and has a separation payment pending equal to or greater than the outstanding advance pay balance at separation, then the member may request that the repayment rate not be accelerated and the existing rate continue. That portion of the advance not collected prior to separation will be deducted from the separation payment.
11. The repayment period will, in all cases, be scheduled to repay the advance before the member's expected date of separation.
12. The estate of a deceased member will not be required to repay any portion of the advanced pay paid to the member that is not repaid before the death of the member.
13. The Secretary of the Military Service concerned is authorized to waive recovery of an advance of not more than basic pay for 1 month when such recovery would be against equity and good conscience or against the public interest.
14. The Secretary of the Military Service concerned is authorized to extend repayment period up to a 24 month schedule.

PAYMENTS ON BEHALF OF MENTALLY INCOMPETENT MEMBERS

1.0 GENERAL

This chapter establishes policy for members entitled to active duty pay and allowances while serving on active duty even though mentally incapable of managing their own affairs. This includes miscellaneous payments authorized on separation from the Military Service. See Chapter 35, section 7.0.

1.2. Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with Title 37, United States Code (U.S.C.). The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 PAYMENT

The appointment of a guardian, trustee, or other legal representative is a prerequisite to payment. For the designation of trustee and payment offices, see Table 33-1.

3.0 MEMBER MENTALLY INCOMPETENT BEFORE ENTRY ON ACTIVE DUTY

When it is shown that a member was judicially declared mentally incompetent before induction or enlistment, the member is not entitled to pay and allowances. See Chapter 1, paragraph 5.5, and Table 1-15, rule 8.

4.0 FINALITY OF PAYMENTS TO TRUSTEE

Any payments on behalf of a mentally incompetent member to a designated trustee(s) are a complete discharge of the obligation of the United States as to amounts paid.

5.0 RESTRICTION AGAINST ACCEPTANCE OF FEES

A person serving in a legal, medical, fiduciary, or other capacity may not demand or accept a fee, commission, or other charge (except bonding fee) for any service performed in administration of a mentally incompetent member account.

CHAPTER 34**PAY ENTITLEMENT OF MEMBERS MISSING, MISSING IN ACTION (MIA),
INTERNEED, AND PAYMENTS TO DEPENDENTS****1.0 GENERAL****1.1 Purpose**

This chapter establishes policy regarding pay entitlements of service members missing, MIA, interned, and payments to dependents. A member in a missing status is entitled to the pay and allowances to which the member was entitled when the missing status began, or to which the member later becomes entitled. The fact that the member did not receive payment before entering a missing status does not affect the right to a certain pay or allowance.

1.2 Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with, the United States Code (U.S.C.), including Titles 10, 26, and 37. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 DEPENDENT

See Volume 7A, Definitions for the general definition of a dependent. For the purposes of this chapter, the term dependent also means a person designated as a dependent in the “missing” member’s official records, or a person determined to be a dependent of the “missing member” by the Secretary of the Military Service concerned.

3.0 MISSING PERSONS’ PAY ACCOUNTS UNDER THE MISSING PERSONS ACT

The Secretary of the Military Service concerned makes official determinations on missing status or death. The Director of the Defense Finance and Accounting Service (DFAS) makes determinations necessary for the administration of missing persons’ accounts under the Missing Persons Act. These include determinations of facts of dependency, starting, stopping, or changing allotments of pay, waiving recovery of erroneous payment or overpayment, and settling accounts.

4.0 ENTITLEMENT TO PAY AND ALLOWANCES WHILE IN A MISSING STATUS**4.1 General**

See Table 34-1 for a list of all pay and allowances.

4.2 Basic Allowance for Housing (BAH) and Basic Allowance for Subsistence (BAS)

Members without dependents are entitled to BAH at the without-dependent rate. Enlisted members are entitled to BAS. Payments of these allowances are authorized from the beginning of the missing status, even though there was no housing or subsistence allowance entitlement before the missing status began.

5.0 ALLOTMENTS FOR MEMBERS IN MISSING STATUS

Allotments in effect before a member enters a missing status may be continued. As directed by the Director of DFAS, allotments may be initiated, suspended, resumed, increased, decreased, or discontinued where circumstances so warrant in the interests of the missing member, the dependents, or the government.

6.0 TAX WITHHOLDING FOR MEMBERS IN MISSING STATUS

See Chapter 44 for tax withholding for members in missing status.

7.0 REVIEW OF CASE AFTER 12 MONTHS AND FINDING OF DEATH

7.1 Review of Case After 12 Months

When a 12-month period (starting from the date of the member's absence) is about to end and the member has not been reported officially as dead, imprisoned or interned, the case is fully reviewed. After this review and when the 12-month period has ended, or following any later review warranted by information received, or other circumstances, the Secretary of the Military Service concerned:

7.1.1. Directs continuance of the member's missing status, if the member reasonably may be presumed to be living; or

7.1.2. Makes a finding of death.

7.2 Continuance of Member's Missing Status

When a member continues in a missing status under subparagraph 7.1.1, credit pay and allowances to his or her account. Allotments are continued, discontinued, increased, or initiated as provided in Chapters 40 through 43. When the Secretary of the Military Service concerned officially reports that a missing member is alive and in the hands of a hostile force, or is interned in a foreign country, allotment payments are authorized. These payments on the member's behalf continue through the date on which the Secretary of the Military Department concerned receives evidence that the member is dead. When a member returns to Military Service control, the member resumes control of allotments.

7.3 Finding of Death

A finding of death includes the date upon which death is presumed to have occurred for the purposes of stopping pay and allowances, settlement of accounts, and payment of death gratuities. This date is the day following the day the member has been absent 12 months, unless the missing status continues beyond that day. In this case, the date of death is the date determined by the Secretary of the Military Department concerned.

7.4 Change in Date of Death

Payment of an account made following a report, determination, or finding of death may not be recovered, and the case may not be reopened, because of a later report or determination fixing an earlier date of death. If a later date of death is established, then the account is reopened and settled on the basis of the later date.

8.0 PAYMENT OF DEATH GRATUITY

See Chapter 36 for payments when a member in a missing status is reported dead, or for whom a finding of death is made.

9.0 ACCRUED LEAVE

9.1 Accumulation

Members, while in a missing status, can accumulate leave without regard to any leave accrual limitations stated in Chapter 35. However, a member whose death is determined under section 7.0 may, in addition to leave accrued before entering a missing status, accrue not more than 150 days of leave during the period of a missing status, unless the actual date of death is found to have occurred on a date when the member had accrued leave in excess of 150 days. Leave accumulated while in a missing status may not be taken, but shall be paid.

9.2 Settlement

Leave accumulated while in a missing status will be accounted for separately and settled according to subparagraphs 9.2.1 and 9.2.2.

9.2.1. Return From Missing Status. Members will be paid for all leave accumulated while in a missing status as soon as possible after return from a missing status. Items to be included in the accrued leave payment are provided in Chapter 35, paragraphs 2.2 and 2.3. Computation will be based on the rates to which the member was entitled on the date that his or her name was removed from the missing status.

9.2.2. Death in a Missing Status. Notwithstanding the death of a member while in a missing status, leave will continue to accrue to his or her account through the date that the Secretary of the Military Department concerned (or designee) receives evidence that the member is dead or

through the date of death as prescribed or determined under section 7.0. Although leave will accrue for the entire missing status period, the actual accrued leave settlement will vary according to circumstances.

9.2.2.1. Death Prior to Fifth Year MIA Status. Payment for unused leave accrued to the member's credit while in a missing status is for 150 days, providing that he or she was continued in a missing status for 5 or more years. Payment for 150 days is made even though it later is found that member's actual death occurred within the first 5 years after entry into missing status or upon entry into such status. Settlement for accrued leave is based on the amount of leave accrued to the member's credit before entering the missing status and the 150 days of leave described in paragraph 9.1. Items to be included in the accrued leave payment are identified in Chapter 35, paragraphs 2.2 and 2.3. Computation is based on the rates to which the member was entitled on the date of death.

9.2.2.2. Death Subsequent to Fifth Year MIA Status. When it is found that the member's actual death occurred subsequent to the fifth year after entry into a missing status, payment for unused leave accrued to his or her credit while in a missing status is for the total accrued until death. Settlement for accrued leave is based on the amount of leave accrued to the member's credit before entering the missing status plus the accrual until death described herein. Items to be included in the accrued leave payment are identified in Chapter 35, paragraphs 2.2 and 2.3. Computation is based on the rates to which the member was entitled on the date of death.

9.2.2.3. Death, MIA Status Less Than 5 Years. Payment for unused leave accrued to a member's credit while in a missing status, when he or she was continued in a missing status for less than 5 years, is for the total accrued through the date that the Secretary of the Military Department concerned makes a finding of death. Settlement for accrued leave is based on the amount of leave accrued to the member's credit before entering the missing status plus the accrual until finding of death described herein. Items to be included in the accrued leave payment are identified in Chapter 35, paragraphs 2.2 and 2.3. Computation is based on the rates to which the member was entitled on the date of death.

9.2.2.4. Special Conditions of Entitlement. Settlement of accrued leave for a deceased member who was promoted while in a missing status is based on the amount of leave accrued to his or her credit before entering the missing status and the amount of leave accumulated in a missing status as provided in the applicable provisions of subparagraphs 9.2.2.1, 9.2.2.2, or 9.2.2.3. Computation is based on the grade to which promoted and rate of pay in effect on the date of the presumed finding or the date of the determination of death. This will apply even though the Secretary of the Military Department concerned later determines that the member died before the date of promotion. See Table 34-1, rule 6.

NOTES:

1. Members without dependents are entitled to BAH at the without-dependent rate. Enlisted members are entitled to BAS. See paragraph 4.2.
2. A member may qualify for FSA-Temporary while in a missing status if the continuous period of more than 30 days is completed after entering the missing status. (See Chapter 27, paragraphs 4.3 and 4.4.)
3. Travel per diem and clothing monetary allowances do not accrue during a missing status, even though member was entitled to them when missing status began.
4. See Chapter 44 to determine possible Combat Zone Tax Exclusion implications.
5. When facts or events warrant, the Secretary of the Military Department concerned may change or modify a prior determination.
6. This applies even though the Secretary of the Military Department concerned is later made aware that the member died before the date of promotion.
7. For example, if the sole dependent of a missing member dies, credit for BAH at the with-dependent rate ceases, and any allotment in force in the dependent's favor is stopped and deductions cease.

CHAPTER 35

SEPARATION PAYMENTS

1.0 GENERAL

1.1 Purpose

This chapter prescribes the policy for entitlements that members may receive when separating from military service.

1.2 Authoritative Guidance

The pay policies and requirements established by DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.). Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 ACCRUED LEAVE PAY

2.1 General Entitlement

2.1.1. A member who is discharged or separated under honorable conditions is entitled to payment of unused accrued leave unless the member continues on active duty under conditions that require accrued leave to be carried forward, or in the case of a Reserve Component member, the member elects to have the leave carried forward to the member's next period of active service. An enlisted member who voluntarily extends their enlistment for the first time is also entitled to payment for unused accrued leave.

2.1.1.1. Conditions for Payment of Unused Accrued Leave. See Tables 35-1 through 35-4 for specific rules governing whether a member may be paid for unused accrued leave.

2.1.1.2. Career Leave Payment Limitation of 60 days

* 2.1.1.2.1. **Generally** a Service member is entitled to receive payment for no more than 60 days of accrued leave during a military career. See subparagraph 2.1.1.4 for exceptions.

2.1.1.2.2. A Service member eligible for an unused accrued leave settlement is authorized an election with regard to payment or carryover of the leave. The member may elect to receive payment for a portion of the unused leave, not to exceed a career total of 60 days, and to have the remaining accrued leave carried forward to a new or extended enlistment. The total of paid and carried forward leave may exceed 60 days.

2.1.1.3. One-Time Leave Payment. An enlisted member of the Armed Forces who would lose accumulated leave in excess of the 120 days in subparagraph 2.2.2.2 may elect to be paid for such leave up to 30 days. This election can only be taken once during a career. This leave payment does apply against the 60 days of leave paid during a career as stated in subparagraph 2.1.1.2. This one-time payment exception applies to members who:

2.1.1.3.1. Serve on active duty for a continuous period of at least 120 days in an area in which the member is entitled to hostile fire pay/imminent danger pay;

2.1.1.3.2. Are assigned to a deployable ship or mobile unit, or to other duty designated by the Secretary of the Military Department concerned as qualifying;

2.1.1.3.3. Are performing duty designated by the Secretary of Defense (SecDef) as qualifying duty; or

2.1.1.3.4. Serve on active duty in a duty assignment in support of a contingency operation.

2.1.1.4. Exceptions to the 60-Day Career Leave Payment Limitation

2.1.1.4.1. Contingency Operations. The 60-day leave payment limitation does not apply with respect to leave accrued by a member of a Reserve Component or retired Reserve; a retired member of the Regular Army, Regular Navy, Regular Air Force, or Regular Marine Corps; or a member of the Fleet Reserve or Fleet Marine Corps Reserve during any period while the member also is:

2.1.1.4.1.1. Serving on active duty in support of a contingency operation on or after December 5, 1991; or

2.1.1.4.1.2. Serving on active duty in connection with the Persian Gulf conflict (other than for training) under authority of Title 10, United States Code, sections 688, 12301, 12302, 12304, 12306, or 12307 ([10 U.S.C. § 688](#), [10 U.S.C. § 12301](#), [10 U.S.C. § 12302](#), [10 U.S.C. § 12304](#), [10 U.S.C. § 12306](#), or [10 U.S.C. § 12307](#)), on or after August 2, 1990.

2.1.1.4.2. Active Duty of 31 to 365 Days. The 60-day leave payment limitation does not apply to leave accrued by a member of a Reserve Component while serving on active duty, full-time National Guard duty, or active duty for training during a period of more than 30 days, but not in excess of 365 days, beginning on or after October 1, 2001.

2.1.1.4.3. Death on Active Duty. The 60-day leave payment limitation does not apply to leave accrued by a member who dies while on active duty (or a member or former member who dies after retirement or discharge, but before receiving payment of accrued leave). Payment of accrued leave for a deceased member is based upon the unused accrued leave that he or she carried forward into the leave year in which deceased, plus the unused leave that accrued during that leave year, beginning on or after February 10, 1996.

2.1.1.4.4. Career Leave Payment Total. Unused leave accrued specifically under the conditions of subparagraphs 2.1.1.4.1 through 2.1.1.4.3 is in addition to the member's career leave payment limitation of 60 days. Such unused leave may be carried forward into a new contract period of active duty and later be eligible for payment in addition to other leave to which the 60-day career ceiling applies. See paragraph 2.2 for rules that apply to accounting for accrued and used leave, and subparagraph 2.3.2 for calculating the payment amount and the possible application of the Combat Zone (CZ) Tax Exclusion (CZTE).

Example: On January 1, 2018, a National Guard member on active duty, under Title 32, is mobilized for 3 years with his unit under 10 U.S.C. § 12301. Although previously paid for career leave of 48 days, the member elected to carry forward all 32 days of accrued unused leave from the pre-mobilization period.

On April 6, 2018, he was discharged and immediately ordered to active duty for another period of 3 years. The member used leave from April 2 through April 5, 2018 (4 days). He has 36 days accrued unused leave at discharge (32 days from his balance brought forward, plus 8 days accrued under the mobilization, minus the 4 days of leave used). He may elect to be paid for a maximum of 16 days of leave at discharge, which includes the 12 days up to the 60-day limitation, plus 4 days of excepted leave (earned 8 days excepted leave less the 4 days used).

The remaining balance of 20 days (or more, if he takes payment for less than the full 16 days of leave) may be carried forward into the new active duty period. If a payment is made for 12 days or less, then 4 days of the carryover are an exception to the 60-day payment limitation and may be paid in the future if they remain unused.

2.1.2. Under regulations prescribed by the Secretary of the Military Department concerned, a member sentenced to unsuspended dismissal or unsuspended dishonorable or bad-conduct discharge by court-martial may be required to take leave pending review of the conviction (for example, appellate leave) as provided by [10 U.S.C. § 876a](#). Such member may elect to be paid in a lump sum for the leave accrued to his or her credit as of the day before the day the leave begins. Otherwise, each day of appellate leave will be charged as a day of leave and the member paid accordingly until all of the member's accrued leave is used. Payment will be based on the rate of basic pay to which the member was entitled on the day before the day leave is to begin.

2.1.3. A member who is discharged under other than honorable conditions forfeits all accrued leave at the time of discharge and is not entitled to payment for accrued leave, regardless of the length of time the separated member has served.

2.1.4. Except as provided in subparagraph 2.1.5, a member who receives an entry-level discharge before completing 6 months of active duty will be considered as having received an honorable discharge with payment of accrued leave being authorized.

2.1.5. A member, who is discharged before completing 6 months of active duty because of failure to serve satisfactorily, forfeits all accrued leave at the time of discharge. Such forfeiture also applies to any member with prior military service who had a break in service of 90 or more consecutive days. The following constitute reasons for failure to serve satisfactorily.

2.1.5.1. Enlisted reasons include:

2.1.5.1.1. Defective enlistment and induction (minority and fraudulent entry only);

2.1.5.1.2. Entry-level performance and conduct;

2.1.5.1.3. Unsatisfactory performance;

2.1.5.1.4. Drug and/or alcohol abuse rehabilitation failure;

2.1.5.1.5. Misconduct, moral, and/or professional dereliction;

2.1.5.1.6. Separation in lieu of trial by court-martial; or

2.1.5.1.7. Security (unless the member receives an honorable discharge).

2.1.5.2. Officer reasons include:

2.1.5.2.1. Separation for cause (e.g., officers separated for substandard performance of duty);

2.1.5.2.2. Dropped from the rolls;

2.1.5.2.3. Misconduct, moral, and/or professional dereliction;

2.1.5.2.4. Separation in lieu of trial by court-martial; or

2.1.5.2.5. Security (unless the member receives an honorable discharge).

2.2 Leave Accounting

2.2.1. Accrued leave must be carefully accounted for and accurately identified as to the time and circumstances under which it was earned. The number of days accrued and value of unused leave that is to be sold depends upon the timeframe and circumstances under which it was earned.

2.2.1.1. Leave earned is valued using only basic pay.

2.2.1.2. Leave accrued in a CZ or Qualified Hazardous Duty Area (QHDA), or while hospitalized as a result of action in such a zone or area, is generally known as CZTE leave. See Chapter 44, paragraph 2.3 for full descriptions of the circumstances under which such leave accrues. CZTE leave for enlisted members is exempt from federal and state income tax withholding. CZTE leave for officers is exempt from federal and state income tax withholding up to a specified limit. See subparagraph 2.3.2 for a discussion of tax exclusion limits. All leave earned during a month in which a member serves for any period of time in a CZ or QHDA area is CZTE leave. A single day of qualifying service in such circumstance qualifies all leave accrued in that month as CZTE leave.

2.2.1.3. A member of a Reserve Component who accumulates leave during a period of active service may carry over any accumulated leave to the member's next period of active service without regard to separation or release from active service if the separation or release is under honorable conditions. This accumulated leave is subject to fiscal year carry forward limitations (75 days during the period October 1, 2008 to September 30, 2015, and 60 days otherwise).

2.2.2. Leave accrues to a Service member serving on active duty for 30 days or more. It accrues at the rate of 2½ days for each month of active service, excluding periods of absence from duty without leave, periods of confinement resulting from a court-martial, and periods of leave required to be taken pending review of a court-martial conviction. For partial months, it accrues at the rate of ½ day for any period of 6 days or less.

2.2.2.1. A member may not carry forward a leave balance of more than 60 days into a new fiscal year, except during the period October 1, 2008 through September 30, 2015, when 75 days may be carried forward or when entitled to Special Leave Accrual (SLA). Members with 75 days of leave under this provision will need to use 45 days of leave during the period from October 1, 2014 to September 30, 2015; otherwise, leave in excess of 60 days on September 30, 2015 will be lost.

2.2.2.2. A member who serves on active duty while entitled to hostile fire/imminent danger pay for a continuous period of at least 120 days may carry forward up to 120 days of SLA into the new fiscal year. Under this exemption, unused leave may be carried forward until the end of the third fiscal year following the fiscal year in which the service in the qualifying hostile fire/imminent danger area is terminated. If the 120 days of SLA were earned during the period October 1, 2008 through September 30, 2015, then unused leave may be carried forward until the end of the fourth fiscal year following the fiscal year in which the service in the qualifying hostile fire/imminent danger area is terminated.

2.2.2.3. A member not qualifying for SLA for service in a hostile fire/imminent danger area may qualify and carry forward up to 120 days of unused leave when assigned to a designated deployable ship, mobile unit, or other similar prescribed duty. On or after August 29, 2005, a member may also qualify and carry forward up to 120 days of unused leave if he or she is performing qualifying duties as designated by the Secretary of the Military Department concerned.

2.2.2.3.1. The duty assignment must be under conditions where operational mission requirements prohibit normal leave utilization as determined by the military service concerned or designated commander. Under this exemption, unused SLA leave may be carried forward until the end of the third fiscal year following the fiscal year in which the qualifying service is terminated.

2.2.2.3.2. If the 120 days of leave were accumulated during the period October 1, 2008 through September 30, 2015, then unused leave may be carried forward until the end of the fourth fiscal year following the fiscal year in which the service in the qualifying assignment or other similar prescribed duty is terminated.

2.2.2.4. The maximum amount of SLA leave that may be carried forward is the leave balance at the end of the fiscal year following the end of the SLA period not to exceed 120 days. The maximum amount will be reduced to a new level whenever the leave balance drops below the previously set level. If at any time, the leave balance drops to or goes below 60 days, or 75 days during the period October 1, 2008 to September 30, 2014, then there is no longer any SLA protected leave. If the leave balance is over 60 days, but is below 75 days between October 1, 2014, and September 30, 2015, then the SLA is protected. Subject to this rule, if on October 1, 2015, a member had between 60 and 75 leave days and those leave days were entitled to SLA protection, the member will retain their SLA protected leave in accordance with [10 U.S.C. § 701](#).

2.2.2.4.1. Therefore, the actual maximum leave that can be carried forward into succeeding fiscal years is the lowest leave balance achieved following the completion of the SLA duty or the usual 60 days, or 75 days during the period October 1, 2008 to September 30, 2015, whichever is greater. If the SLA qualifying period crosses a fiscal year, then the entire leave balance (not to exceed 120 days) will be carried forward and the leave accrued from the beginning of the new fiscal year through the end of the SLA qualifying period will be added to establish the maximum.

2.2.2.4.2. Any portion of a leave balance in excess of 60 days that could have been taken before the end of the fiscal year had the member not been assigned to SLA qualifying duty will not be included in the carryover amount.

Example 1: On August 31, 2011, a member had a leave balance of 80 days. On September 15, 2011, he was assigned to duty qualifying for SLA as described in subparagraph 2.2.2.1. Had the member not been assigned to SLA duty, he could have possibly taken 15 days leave from September 16 through September 30. If the member had taken leave during this period, then there would still have been a loss of 7.5 days (82.5 days accrued through September 30, less the 15 days potentially taken and the normal 60-day carryover restriction) at the end of the fiscal year. Therefore, since only the portion that potentially could have been taken is protected, the member may carry forward 75 days and will lose 7.5 days of leave.

Example 2: The member in example 1 continued on SLA duty until September 15, 2012. No leave was permitted during this period, and the member's accrued leave totaled 105 days at the end of September. If the leave balance does not drop at any time below 105 days, then it may be carried forward for 3 fiscal years, until September 30, 2015.

If the member took 30 days of leave from April 1 through April 30, 2013, then this would result in a leave balance of 92.5 days (105 days accrued through September, plus 17.5 days accrued from October through April, less the 30 days of leave taken) and a new maximum amount of leave that may be carried forward. If no further SLA is earned and the leave balance is not further reduced to a new lower level, then the maximum leave the member may carry forward into succeeding fiscal years (until September 30, 2015) is 92.5 days.

Example 3: On September 30, 2014, a member had a leave balance of 74 days. On October 1, 2014, the member's leave balance is still 74 days. This is because, on October 1, 2014, the authorized leave carry-over amount for all leave was 75 days. On the same date, October 1, 2014, the member was assigned to duty qualifying for SLA as described in subparagraph 2.2.2.1. He remains on duty there for the entire fiscal year, earning 30 days of leave. On September 30, 2015, he has 104 days of leave. Since he has 104 days at the end of the fiscal year and is entitled to SLA protection, then on October 1, 2015, he still has 104 days.

2.2.2.5. Active duty members who serve in duty assignments in support of a contingency operation are authorized to accumulate annual leave in excess of 60 days, or 75 days for the period October 1, 2008 through September 30, 2015, as shown on the end of month September Leave and Earnings Statement. These members are authorized to retain up to 120 days until the end of the second fiscal year after the fiscal year in which such service on active duty is terminated.

2.2.3. Leave will be accounted for by crediting it sequentially in the chronological order in which it is accrued. Generally, when used, leave will be charged with the most recently accrued leave charged first. This method is known as Last In, First Out. As an exception, CZTE leave will be charged first, regardless of when it was earned.

Example: On August 31, 2014, a member had accrued 75.5 days of unused leave, of which 7.5 days was accrued unused CZTE leave. The CZTE leave had been earned for two separate periods, 5 days for active service from January 2 through February 6, 2012 in a CZ and 2.5 days for active service from August 7 through August 30, 2014 in a QHDA. The member took leave from September 5 through September 24, 2014, a period of 20 days. The leave taken is first applied to the 7.5 days of CZTE leave. This leaves 12.5 days to be applied to the non-CZTE leave earned, reducing that balance to 55.5 days as of September 24, 2014.

2.2.4. Effective March 11, 2020 through September 30, 2020, and pursuant to 37 U.S.C. § 701(f)(1)(A) and (B)(iii), Service members performing active service, are authorized to accumulate annual leave in excess of 60 days not to exceed 120 days as shown on the end of month September 2020 Leave and Earnings Statement. Such members are authorized to retain such unused leave until the end of fiscal year 2023 (September 30, 2023).

2.2.4.1. This authorization does not apply to Service members who would otherwise be authorized to accumulate leave in excess of 60 days as of October 1, 2020 under 10 U.S.C. § 701(f)(1)(A), (B)(i), and (ii) or 701(f)(2) prior to March 11, 2020.

2.2.4.2. Leave will be accounted for by crediting it sequentially in the chronological order in which it is accrued. Generally, when used, leave will be charged with the most recently accrued leave charged first. This method is known as Last In, First Out.

2.3 Leave Payments and Taxability

2.3.1. Payments for accrued leave are normally subject to taxation and income tax withholding.

2.3.2. Payments for CZTE leave for Service members is tax-exempt from federal taxation and not subject to federal or state income tax withholding up to the monthly limit specified by the Internal Revenue Service (IRS). That limit is different for enlisted members and officers. The limit is fully described in Chapter 44, subparagraph 2.2.1 and summarized as follows:

2.3.2.1. Enlisted members (E-1 and above) and warrant officers (W-1 through W-5) have no limitation or ceiling on the value of payments exempt from federal or state taxes and federal tax withholding for any month in which they qualify for an exemption.

2.3.2.2. Officers (O-1 and above) are subject to a limit on the value of federal tax-exempt payments and exemption from federal and state tax withholding for each month in which they qualify for an exemption. The exemption amount for officers is set at the value of the highest rate of enlisted basic pay plus the value of any hostile fire or imminent danger pay the officer may have been entitled to in that qualifying month. The applicable rate of enlisted basic pay would be that listed in Chapter 1, Table 1-10, Note 3 for the corresponding qualifying month. To determine whether the limitation will apply to a payment for accrued unused leave, the leave must be allocated to the months in which earned and for which the officer qualified for CZTE status.

2.3.2.2.1. The value of the leave for each individual month must be added to any payments the officer has received for that tax-exempt month and the total compared to the monthly limitation amount.

2.3.2.2.2. Tax exemption may only be given for the value of the portion of the CZTE leave that does not exceed the limitation available. Any payments for CZTE leave value that exceed the limitation available will be treated as taxable income.

Example: A Reserve Component O-6 with over 12 years of service began active duty on March 25, 2018, and reported temporary additional duty to a designated CZ on March 26, 2018. He departed the zone on May 2, 2018, and was separated from active duty and paid for unused accrued leave on May 4, 2018. The officer was entitled to monthly basic pay of \$8,073.90 and to imminent danger pay of \$225. The monthly basic pay for the most senior enlisted member in each military service is \$8,361.00 per month during that period. The officer has been paid for his active duty service and is awaiting payment for his earned leave. He had previously sold back 58 days of leave at the end of other active duty periods.

The officer earned .5 days of leave in March and in May and 2.5 days for April. The total of 3.5 days leave when added to the 58 days previously sold would exceed the maximum of 60 days that may be sold in a career. This leave, however, is exempt from payment limitation since the Reserve officer was on active duty for a period of more than 30 but less than 365 days. Payment of the .5 days of leave for both March and May is fully exempt from income tax and income tax withholding since the prior tax-free payments for his basic pay and hostile fire/imminent danger pay in those 2 months was well below the tax exemption limitation value of \$8,586.00 (senior enlisted basic pay of \$8,361.00 and hostile fire/imminent danger pay of \$225).

However, only a portion of the 2.5 days of unused accrued leave attributable to April is exempt from income tax and income tax withholding. The officer has already received tax-exempt treatment of his April salary and imminent danger pay using all but \$287.10 of his available exemption (exemption equals \$8,586.00 and the amount used was the officer's base pay of \$8,073.90 plus the hostile fire/imminent danger pay of \$225, equal to \$8,298.90). The 2.5 days of leave is valued at \$672.83, leaving \$385.73 of the leave payment subject to tax and tax withholding.

2.4 Leave Payments and Debts

Payments for accrued leave may be used to satisfy debts to the U.S. Government without restriction.

2.5 Leave Payment to Beneficiaries

Payments for accrued leave owed at death will be paid to the eligible beneficiary or beneficiaries under the provisions of Chapter 36, section 3.0.

2.5.1. If a member dies while on active duty of 30 days or more, then the accrued leave is payable along with all other unpaid pay and allowances to the eligible beneficiary.

2.5.2. If a member or former member dies after retirement or discharge, but before receiving any or all compensation for accrued leave, then the balance is payable to the eligible beneficiary and claims for payment must be submitted to the appropriate following address:

***2.6 Inter Service Transfers**

Every member has the option to elect to carryover some or all of their leave during an inter service transfer, regardless of enlisted, warrant officer, or commissioned officer status prior to or after the transfer.

2.6.1. An enlisted member transferring to another enlisted position may be paid for unused leave, subject to the career leave payment limitation.

2.6.2. An enlisted member transferring to an officer position may not be paid for unused leave.

2.6.3. A commissioned or warrant officer transferring to an officer position may not be paid for unused leave.

2.6.4. A commissioned or warrant officer transferring to an enlisted position may not be paid for unused leave.

3.0 SEPARATION PAY (NON-DISABILITY)**3.1 Entitlement**

3.1.1. Full Separation Pay. Full payment of non-disability separation pay is authorized to Service members of the Regular and Reserve Components who have been involuntarily separated from active duty and have met each of the following four conditions:

3.1.1.1. The member has met one of the following criteria for active military service:

3.1.1.1.1. The member is on active duty or full-time National Guard duty and has completed at least 6 years, but less than 20 years, of active service. Reserve members not on the active duty list when separated must have 6 years of continuous active duty or full-time National Guard duty immediately preceding separation. A period of active duty is considered continuous if any break in active service does not exceed 30 days; or

3.1.1.1.2. A member who is a Regular officer and is separated under [10 U.S.C. Chapter 36](#) (except under [10 U.S.C. § 630\(1\)\(A\)](#), [10 U.S.C. § 643](#), [10 U.S.C. § 580](#), or [10 U.S.C. § 8373](#)) must have completed at least 6 years, but less than 20 years, of active service;

3.1.1.2. The member's separation must be characterized as "honorable" and none of the conditions apply that are listed in paragraph 3.2;

3.1.1.3. The member is being separated involuntarily, through either the denial of reenlistment or the denial of continuation on active duty or full-time National Guard duty, under one of the following four specific conditions:

3.1.1.3.1. The member must be fully qualified for retention but denied reenlistment or continuation. This includes a Service member who is eligible for promotion as established by the Secretary of the Military Department concerned, but is denied reenlistment or continuation on active duty under established promotion or high year of tenure policies;

3.1.1.3.2. The member must be fully qualified for retention but involuntarily separated under a Reduction in Force by authority designated by the Secretary of the Military Department concerned;

3.1.1.3.3. The member, if a Regular officer, commissioned or warrant, must be separated under 10 U.S.C. § 580, [10 U.S.C. § 1165](#), 10 U.S.C. § 8373, or Chapter 36 (except section 630(1)(A)); if a Reserve commissioned officer other than a commissioned warrant officer, must be separated or transferred to the retired Reserve under [10 U.S.C. § 573](#) or [10 U.S.C. § 861](#); or if a Reserve commissioned officer on the active duty list or a Reserve warrant officer must be separated for similar reasons under military service policies; or

3.1.1.3.4. The member must be denied reenlistment or continuation on active duty or full-time National Guard duty under subparagraphs 3.1.1.3.1 through 3.1.1.3.3, and have accepted an earlier separation from active duty; and

3.1.1.4. The member must have entered into a written agreement with the military service concerned to serve in the Ready Reserve in a Reserve Component of the Armed Forces for a minimum period of 3 years following the separation from active duty.

3.1.1.4.1. A member who enters into this written agreement and is qualified for service in the Ready Reserve will, upon separation from active duty, be enlisted or appointed, as appropriate, as a Reserve member by the military service concerned. If the person has a service obligation under [10 U.S.C. § 651](#) or any other law that is not completed at the time of separation from active duty, then the 3-year obligation begins on the day after the day the member completes the prior obligation.

3.1.1.4.2. A member who enters into this written agreement and is not qualified for enlistment or appointment in the Ready Reserve need not be enlisted or appointed by the military service concerned to be considered to have met this condition of eligibility for separation pay.

3.1.2. Sole Survivorship Discharge

3.1.2.1. A sole survivorship discharge is the separation of a member from the Armed Forces at the member's request when the member is the only surviving child in a family in which:

3.1.2.1.1. The father, mother, or one or more siblings served in the Armed Forces, and was killed; died as a result of wounds, accident, or disease; is in a captured or missing in action status; or is permanently 100 percent disabled or hospitalized on a continuing basis (and is not gainfully employed because of the disability or hospitalization); and

3.1.2.1.2. The death, status, or disability did not result from the intentional misconduct or willful neglect of the parent or sibling and was not incurred during a period of unauthorized absence.

3.1.2.2. A member who receives a sole survivorship discharge will be entitled to full separation pay, even though the member completed less than 6 years of active service immediately before that discharge.

3.1.2.3. The amount of the full separation pay to be paid will be based on the years of active service actually completed by the member before the member's discharge.

3.1.2.4. These sole survivorship discharge provisions will apply to any sole survivorship discharge granted after September 11, 2001.

3.1.2.5. Effective October 28, 2009, members who receive a sole survivorship discharge will not be required to repay any unearned bonus, incentive pay, or similar benefit previously paid to the member.

3.1.2.6. Effective October 28, 2009, the Secretary of the Military Department concerned may grant an exception to the requirement to terminate the payment of any unpaid amounts of a bonus, incentive pay, or similar benefit if he determines that termination of the

payment of the unpaid amounts would be contrary to a personnel policy or management objective, would be against equity and good conscience, or would be contrary to the best interests of the United States.

* 3.1.3. Half Separation Pay. Half Separation Pay of non-disability separation pay is authorized to members of the Regular and Reserve Components who are involuntarily separated from active duty and have met each of the following [five](#) conditions:

3.1.3.1. The member [meets](#) the criteria for active service specified in subparagraph 3.1.1.1;

3.1.3.2. The member's separation must be characterized as "honorable" or "general ([under honorable conditions](#))," and none of the conditions apply that are listed in paragraph 3.2;

3.1.3.3. The member must be separated involuntarily by the military service concerned through either the denial of reenlistment or the denial of continuation on active duty or [the member is separated instead of board action as provided in DoD Instruction \(DoDI\) 1332.30](#), under one of the following specific conditions:

3.1.3.3.1. [The member is not fully qualified for retention and is denied reenlistment or continuation by military service concerned, as provided for in DoDI 1332.14 or DoDI 1332.30](#) under any of the following conditions:

3.1.3.3.1.1. [Weight control failure;](#)

3.1.3.3.1.2. [Parent or custody of minor child;](#)

3.1.3.3.1.3. [Military personnel security program;](#)

3.1.3.3.1.4. [Disability that existed before service;](#)

3.1.3.3.1.5. [Mental or physical conditions and circumstances not constituting a disability;](#)

3.1.3.3.1.6. [Alcohol or drug abuse rehabilitation failure; or](#)

3.1.3.3.1.7. [Failure to meet minimum retention standards;](#)

3.1.3.3.2. Separated under a military service specific program established as a half separation pay level by the Secretary of the Military Department concerned [in accordance with 10 U.S.C. § 1174](#); or

3.1.3.3.3. Denied reenlistment or continuation on active duty [by the military service concerned](#) under subparagraphs 3.1.3.3.1 and 3.1.3.3.2, and accept an earlier separation from active duty; and

3.1.3.4. The member must have entered into a written agreement with the military service concerned to serve in the Ready Reserve [of a Reserve Component](#) for a minimum period of 3 years following separation from active duty.

3.1.3.4.1. A member who enters into this written agreement and is qualified for the Ready Reserve will, upon separation from active duty, be enlisted or appointed, as appropriate, as a Reserve member by the military service concerned. If the person has a service obligation under 10 U.S.C. § 651 or any other [provision of law](#) that is not completed at the time of separation from active duty, then the 3-year obligation begins on the day after the day the member completes the prior obligation.

3.1.3.4.2. A member who enters into this written agreement and is not qualified for enlistment or appointment in the Ready Reserve need not be enlisted or appointed by the military service concerned to be considered to have met this condition of eligibility for separation pay.

NOTE: In extraordinary instances, the Secretary of the Military Department concerned may award full separation pay to a member otherwise eligible for half separation pay when the specific reasons for the separation and the overall quality of the member's service have been such that denial of full separation pay would be clearly unjust.

*3.2 Limitations of Eligibility

Service members separated under the following circumstances are not eligible for separation pay:

3.2.1. [The following examples will be considered to be a separation at the member's own request:](#)

3.2.1.1. [A member who declines training that the service offers to qualify for a new skill or rating as a precondition to reenlistment or continuation on active duty;](#)

3.2.1.2. [A member who requests separation as provided for in DoDI 1332.14 or under regulations established by the Secretary of the Military Department concerned;](#)

3.2.1.3. [An officer is separated for twice failing to promote and either \(or both\) of those failures to promote was the result of the officer submitting a request in writing not to be selected for promotion or who otherwise directly caused the non-selection through written communication to the selection board in accordance with 10 U.S.C. § 614\(b\); or](#)

3.2.1.4. [An officer who is separated for twice failing to promote when he or she was offered and declined continuation on active duty for a period that is equal to or more than the amount of service required to qualify the officer for retirement.](#)

3.2.2. The member is separated from active duty during an initial term of enlistment or an initial period of obligated service. The initial term of enlistment or initial period of obligated service is the active service obligation that the member incurred upon initial enlistment or upon enrollment in a commissioning program. This limitation also applies to a member who desires to reenlist or continue at the conclusion of the initial term of enlistment or an initial period of obligation and is denied by the military service concerned;

3.2.3. The member is released from active duty for training or from full-time National Guard duty for training;

3.2.4. The member is immediately eligible at separation for retired or retainer pay based upon his or her military service;

3.2.5. The member is a warrant officer whose appointment is terminated and who then elects to enlist;

3.2.6. The member is separated as a result of the execution of a court-martial sentence;

3.2.7. The member is being dropped from the rolls of the military service concerned;

3.2.8. The member is being separated under other than honorable conditions;

3.2.9. The member is an enlisted member who is separated for unsatisfactory performance or misconduct, as set forth in DoDI 1332.14, except when half separation pay is authorized in subparagraph 3.1.3;

3.2.10. The member is an officer who is separated for substandard performance or acts of misconduct or moral or professional dereliction, except when half separation pay is authorized in subparagraph 3.1.3;

3.2.11. The member is separated under a military service-specific program established as a no-payment level by the Secretary of the Military Department concerned;

3.2.12. A determination is made by the Secretary of the Military Department concerned in an extraordinary case that the conditions under which the member is separated do not warrant a separation payment. This authority is not to be delegated. It is intended that only sparing use will be made of this discretionary authority to deny payment;

3.2.13. A Regular officer having twice failed for selection for promotion to the next higher grade is not entitled to separation pay if that officer, after such second failure of selection for promotion, is selected for and declines continuation on active duty for a period that is equal to or more than the amount of service required to qualify the officer for retirement; or

3.2.14. A Reserve officer who, is not selected for promotion to the next higher grade for the second time and is to be discharged or released from active duty, and after such failure of promotion, is selected for and declines continuation on active duty:

3.2.14.1. If the period of time for which the officer was selected for continuation on active duty is less than the amount of service that would be required to qualify the officer for retirement, then the officer's discharge or release from active duty will be considered involuntary; or

3.2.14.2. If the period of time for which the officer was selected for continuation on active duty is equal to or more than the amount of service that would be required to qualify the officer for retirement, then the officer's discharge or release from active duty will not be considered involuntary.

3.3 Computation of Active Service

Compute active service time as follows:

3.3.1. Qualifying years, except as noted in subparagraph 3.1.1.1, do not have to be continuous; however, the last phase of the qualifying term must end immediately before the separation from active duty occurs;

3.3.2. Fractions of years will be computed by counting each full month of active service, in addition to the number of full years of active service, as 1/12 of a year. Disregard any remaining fractional part of a month;

3.3.3. Periods for which a Service member previously has received separation pay, severance pay, or readjustment pay may be counted for eligibility purposes (to ensure the member meets the minimum required years of active duty), but may not be used in the multiplier to determine the amount of separation pay for a subsequent separation;

3.3.4. Count periods of active military service in a Regular or Reserve Component. Include periods of active duty for training;

3.3.5. Do not include periods of absence without leave, confinement time awaiting trial that results in a conviction, confinement time while serving a court-martial sentence, and time lost while not on duty. Count time in service to make up for lost time; and

3.3.6. Do not include service as a cadet or midshipman while in a military service academy or a Reserve Officer Training Program.

*3.4 Computation of Separation Pay

3.4.1. Full separation pay is 10 percent of the product of the number of years of active service and 12 times the monthly basic pay to which the Service member was entitled at the time of discharge or release from active duty. Table 35-5 also contains information related to computation of full separation pay.

Example, the formula for an E5 Service member who qualifies for separation pay and is separated after 8 years of active service may look like: $0.1((12 \times \$3,497.70 \text{ monthly base pay})(8)) = \$33,577.92$ full separation pay.

3.4.2. Half separation pay is one-half of the amount computed in subparagraph 3.4.1.

3.5 Recoupment of Separation Pay From Retired Pay, Retainer Pay, or Department of Veterans Affairs (VA) Disability Compensation

Service members who receive separation pay under any provisions of law based on service in the Armed Forces, and, subsequently, either qualify for retired or retainer pay under 10 U.S.C. (Armed Forces) or 14 U.S.C. (Coast Guard), or become eligible for disability compensation administered by the VA, are subject to the recoupment of the gross taxable separation pay they received. Recoupment from retired pay, retainer pay, or VA disability compensation will be completed as follows:

3.5.1. If the Service member receives either retired or retainer pay, then recoupment will be accomplished through monthly deductions from each payment of retired or retainer pay payable to the retired member until the total amount of the deductions equals the gross taxable amount of separation pay received by the member. See Volume 7B, Chapter 4 for guidance on the calculation of the recoupment.

3.5.2. If the Service member receives VA disability compensation, then recoupment will be accomplished through a deduction from the VA disability compensation payable to the retired member in an amount that is equal to the gross taxable amount of separation pay made after September 30, 1996. The amount to be deducted from the VA disability compensation will be equal to the gross taxable amount of such separation pay, less the amount of federal income tax withheld from such pay at the flat withholding rate for supplemental payments prescribed under Publication 15, Department of the Treasury, IRS. This reduction, however, will not apply to disability compensation for which the entitlement to that disability compensation is based on a later period of active duty than the period of active duty for which the separation pay was received. See Volume 7B, Chapter 4 for guidance on the calculation of the recoupment.

4.0 READJUSTMENT AND SEVERANCE PAY (OTHER THAN DISABILITY) PROVISIONS

4.1 Readjustment Pay

Readjustment Pay is a lump-sum payment to members of a Reserve Component of any Military Service, members of the Army or Air Force without component, and Regular Army commissioned officers below the grade of O-4 who were on active duty (other than for training) on September 14, 1981, and were involuntarily released after completing at least 5 years of continuous active duty and who did not qualify for retirement. Separation Pay superseded Readjustment Pay.

4.2 Repay Readjustment or Severance Pay

Members, who received readjustment or severance pay before September 15, 1981, and who, on or after September 15, 1981, became entitled to retired or retainer pay under 10 U.S.C. (Armed Forces) or 14 U.S.C. (Coast Guard), are required to repay the readjustment or severance pay, in accordance with the laws in effect on September 14, 1981.

4.3 Refund Upon Retirement

A Reserve member who received a readjustment payment on separation after June 28, 1962, and before September 15, 1981, and who later qualifies for retired or retainer pay under 10 U.S.C. (Armed Forces) or 14 U.S.C. (Coast Guard), (upon completing 20 years of active service), must refund 75 percent of the gross readjustment pay, without interest, by immediate deduction from retired or retainer pay. This is not required if readjustment pay had been waived or refunded under paragraph 4.4.

4.4 Waiver or Refund Before Retirement

A member may waive entitlement to readjustment pay. Also, the full amount of readjustment pay may be refunded before retirement. Under either condition, the member will receive retired or retainer pay immediately upon retirement or transfer to the Fleet Reserve or Fleet Marine Corps Reserve.

4.5 VA Disability Compensation

When a member who receives readjustment pay before September 15, 1981, becomes entitled to VA disability compensation, the VA deducts 75 percent of the readjustment payment from future VA compensation. The VA does not make a deduction when VA disability compensation is based on a later period of service. A member who elected, on or before June 27, 1962, to receive readjustment pay in lieu of VA disability compensation may have been awarded disability compensation effective on and after June 28, 1962. The VA reduces the disability compensation by 75 percent of the readjustment payment, unless readjustment pay was waived or refunded.

5.0 DISABILITY SEVERANCE PAY

5.1 Entitlement

A member separated from the military service for physical disability is entitled to severance pay, if qualified, as prescribed in personnel regulations of the military service concerned. When a member is entitled to disability severance pay, separation orders specify this entitlement. Academy cadets and midshipmen may be entitled to severance pay if it is determined that they have a qualifying disability, and they have separated as a result of that disability.

5.2 Disability Incurred During Non-pay Status

A member who incurs a disability while in a total pay forfeiture status as defined in Chapter 48, section 5.0 is not entitled to disability severance pay. This is true even though the Secretary of the Military Department concerned remits the unexecuted portion of the sentence, including all uncollected forfeitures.

5.3 Computation

5.3.1. Formula. To compute disability severance pay, multiply the sum of the highest applicable basic pay amount (described in paragraph 5.3.3) for 2 months by the number of combined years (but not over 19) of active service and inactive duty points. Do not include as basic pay the 25-percent increase prescribed under certain conditions for a Navy or Marine Corps member retained on active duty after enlistment expires.

5.3.2. Years of Service. The member's separation orders will specify the total combined years of active service and inactive duty points to be counted in computing severance pay. Round this total to the nearest whole year, with 6 months or more rounded up. The maximum number of years of service for computing the disability severance pay will be 19 years. The minimum number of years for computation purposes will be:

5.3.2.1. Six years in the case of a member separated from the Armed Forces for a disability incurred in the line of duty in a CZ (as designated by the SecDef) or incurred during the performance of duty in combat-related operations (as designated by the SecDef); or

5.3.2.2. Three years in the case of any other member.

5.3.3. Grade at Which Disability Severance Pay is Computed. Compute severance pay based on the basic pay of the following highest grade or rank described:

5.3.3.1. The grade or rank in which the member is serving on the date placed on the Temporary Disability Retired List (TDRL) or, if not applicable at separation;

5.3.3.2. A higher temporary or permanent grade or rank than that subparagraph 5.3.3.1 in which member served satisfactorily as determined by the Secretary of the Military Department concerned; or

5.3.3.3. For those selected for promotion to a permanent regular or reserve grade, if the disability for which the member was separated found during a physical examination, then the grade or rank to which the member would have been promoted if there was no disability. For those who would have been promoted to a temporary grade or rank had it not been for the discovery of the disability, then that temporary grade or rank if eligibility for promotion was required to be based on cumulative years of service or years in grade.

Example: An E-6 has 11 years, 4 months, and 9 days of active service and 76 inactive duty training periods (points) on the date of separation for physical disability. Compute the entitlement as follows:

11 years, 4 months, 9 days = 11.3583 years

76 points / 360 = .2111 years

Total Service = 11.5694 years

Since it is a decimal greater than or equal to .5, round the total upward to 12 years.

12 years times 2 months of basic pay of an E-6 over 10 equals the amount of disability severance pay.

NOTE: For purposes of this calculation, the number of points [credited for activities other than active service or funeral honors](#), may not exceed 60 points for any anniversary year that closed before September 23, 1996; 75 points for anniversary years that closed on or after September 23, 1996; 90 points for anniversary years that close on or after October 30, 2000; and 130 points for anniversary years that close on or after October 30, 2007.

5.4 Taxability and Withholding

5.4.1. General. Disability severance pay is normally taxable income. However, it is not subject to tax withholding or reporting if at least one of the following two conditions exists:

5.4.1.1. The entitlement resulted from combat-related injury or illness, as determined by the Secretary of the Military Department concerned, which happens as a result of any of the following activities:

5.4.1.1.1. As a direct result of armed conflict;

5.4.1.1.2. While performing extra-hazardous service, even if the service does not directly involve combat;

5.4.1.1.3. Under conditions simulating war, including maneuvers or training; or

5.4.1.1.4. By an instrumentality of war, such as weapons; or

5.4.1.2. The member is entitled to disability compensation as determined by the VA or has received a proposed disability rating from the VA at the time of separation through the Integrated Disability Evaluation System.

5.4.2. Withholding Taxes. Income taxes are withheld from all payments of disability severance pay unless the member qualifies for an exemption under subparagraph 5.4.1.

5.4.3. Entitlement to VA Disability Compensation After Payment of Disability Severance Pay

5.4.3.1. A member's disability severance pay may still qualify for an exemption from taxation under subparagraph 5.4.1.2 after disability severance pay has been paid if the VA determines that the member is entitled to VA disability compensation.

5.4.3.2. Depending upon when a member receives notification of disability compensation, refund of the income taxes withheld may be requested from DFAS or the IRS.

5.4.4. Receipt of Official Notification of VA Disability Compensation in the Same Tax Year of the Disability Severance Pay Payment

5.4.4.1. A member may request refund of taxes withheld from the gross taxable amount of their disability severance pay payment from DFAS if notification of disability compensation from the VA is received in the same tax year in which the member received disability severance pay. See subparagraph 2.5.2 for the addresses of the DFAS sites.

5.4.4.2. A refund request must include documentation evidencing the VA's award of disability compensation and must be received and processed by DFAS on or before December 31st of the year in which the disability severance pay payment was paid. If a refund is processed before December 31st, but after the Military Payroll Systems end of year cut off (typically around December 20th), a corrected IRS Form W2c may be issued by DFAS.

Example: Member received disability severance pay on January 2, 2018. On December 1, 2018, the VA issues an award letter to member authorizing disability compensation. Member may submit a request for refund to DFAS for processing before December 31, 2018.

5.4.5. VA Disability Compensation Awarded in a Tax Year Subsequent to the Year of the Disability Severance Pay Payment

5.4.5.1. A member must obtain a refund for income taxes withheld from their disability severance pay payment from the IRS in accordance with their procedures when the date of the VA's award of disability compensation is in a tax year subsequent to the year in which the member received disability severance pay.

5.4.5.2. DFAS will not issue a corrected W-2 to a member as a result of a VA determination in a year subsequent to the year in which the disability severance payment was paid. The member may claim a reduction in the year of payment's taxable income from the IRS in accordance with their procedures.

Example: Member received disability severance pay on January 2, 2018. On June 1, 2019, the VA issues an award letter to member authorizing disability compensation. Member may request a refund only from the IRS.

5.5 Availability to Liquidate Debts

Disability severance pay may be used to liquidate debts to the U.S. Government.

5.6 Recoupment From VA Compensation

The VA deducts disability severance compensation from any VA compensation for the same disability to which the member or member's dependents become entitled. There are two exceptions:

5.6.1. No deduction will be made in the case of disability severance pay received by a member for a disability incurred in the line of duty in a CZ or incurred during performance of duty in combat-related operations (as designated by the SecDef); or

5.6.2. No deduction will be made from any death compensation to which a member's dependents become entitled after the member's death.

5.7 Other Benefits and Claims

A member who is paid disability severance pay is not entitled to any payment from the military service for, or arising out of, service performed by the member before separation. This does not prohibit payment if an amount is due the member on the date of separation or if a claim is allowed under law.

6.0 CONTRACT CANCELLATION PAY AND ALLOWANCES

6.1 Entitlement

Reserve members released from active duty (other than for training) without their consent before the end of their active duty agreement made under [10 U.S.C. § 12311](#)(a) are entitled to a special payment under [10 U.S.C. § 12312](#). This payment is in addition to any pay and allowances to which the member is otherwise entitled.

6.2 Computation

To compute the amount payable, multiply the number of years and fraction of years of the unexpired period of service under the contract, by the sum of basic pay, special pay, and allowances for 1 month to which the member is entitled on the day of release. Count a fraction of a month that is 15 days or more as a whole month and disregard a fraction of a month that is less than 15 days. Separation orders show the number of years and months of unexpired service for which contract cancellation pay and allowances are payable.

6.3 Restrictions

A member is not entitled to the special payment authorized by this section if:

6.3.1. Dismissed or discharged under the sentence of a court-martial;

6.3.2. Released because of an unexplained absence without leave of at least 3 months;

6.3.3. Released because of conviction and sentence to confinement in a federal or state penitentiary or correctional institution which sentence has become final;

6.3.4. Released because of a physical disability resulting from intentional misconduct or willful neglect;

6.3.5. Eligible for retired pay, separation pay, or severance pay under another provision of law (this restriction does not apply to readjustment pay);

6.3.6. Placed on a [TDRL](#); or

6.3.7. Released to accept an appointment, or to be enlisted, in a Regular Component of an Armed Force.

6.4 Withholding Tax

Contract cancellation pay is subject to withholding tax.

6.5 Availability to Liquidate Debts

Contract cancellation pay may be used to liquidate debts to the U.S. Government.

7.0 MISCELLANEOUS SEPARATION PAYMENTS

7.1 Discharge Gratuity

See Table 35-6.

7.2 Travel Allowance on Separation

See [Joint Travel Regulations \(JTR\)](#), Chapter 5 and Volume 9.

8.0 VOLUNTARY SEPARATION PAY (VSP)

8.1 Entitlement

A member who separates voluntarily may, under conditions prescribed by the Secretary of the Military Department concerned, be paid VSP. The authority to separate a member in conjunction with VSP applies through December 31, 2025.

8.2 Eligibility

The Secretary of the Military Department concerned, may offer a member the opportunity to apply for VSP if the member:

8.2.1. Has served on active duty or full-time National Guard for more than 6 years but less than 20 years;

8.2.2. Has served at least 5 years of continuous active duty or full-time National Guard duty immediately preceding the date of separation from active duty;

8.2.3. [Has not been approved for payment of a voluntary separation incentive under 10 U.S.C. § 1175;](#)

8.2.4. Meets such other requirements as the Secretary of the Military Department concerned, may prescribe, which may include requirements relating to years of service; skill; rating; military specialty; competitive category, grade or rank; remaining period of obligated service; or any combination of these factors; and

8.2.5. Requests separation from active duty or full-time National Guard duty.

8.3 Initial Term of Obligated Service

Effective January 1, 2009, the member is required to complete the initial term of obligated service in addition to meeting requirements in paragraph 8.2 prior to separation. Prior to January 1, 2009, a member's obligation to complete an initial term of obligated service before separation will be subject to the discretion of the Secretary of the Military Departments concerned. For the purpose of this section, "initial term of obligated service" means the initial period of required active-duty service incurred upon commissioning or enlistment, together with any additional period of required active-duty service incurred during the initial period of required active-duty service.

*8.4 Ineligible for VSP

The Secretary of the Military Department concerned, will not offer a member the opportunity to apply for VSP if a member:

8.4.1. Does not meet any of the eligibility requirements of paragraph 8.2;

8.4.2. Is discharged with disability severance pay under section 5.0 ([10 U.S.C. § 1212](#));

8.4.3. Is transferred to the TDRL under [10 U.S.C. § 1202](#) or [10 U.S.C. § 1205](#);

8.4.4. Is being evaluated for disability retirement under [10 U.S.C. Chapter 61](#);

8.4.5. Has previously been discharged with VSP;

8.4.6. Is subject to pending disciplinary action or is subject to administrative separation or mandatory discharge under any other provision of law or regulation;

8.4.7. Is approved for retirement under temporary early retirement authority; or

8.4.8 Has not completed the 4 year service obligation incurred from requesting transfer of the Post 9/11 GI Bill benefits.

8.5 Application for VSP

A member may request and subsequently enter into a written agreement with the Secretary of the Military Department concerned to separate from active duty or full-time National Guard duty. [The Secretary concerned may require the member to](#) accept an appointment or enlistment in, or transfer to, the Ready Reserve of a Reserve Component for a period of not less than 3 years, as a condition of receipt of VSP and benefits.

8.6 Approval for VSP

The Secretary of the Military Department concerned will determine each year the number of Service members to be separated, and provided separation pay and benefits during the fiscal year beginning in such year. Eligible members will not be automatically entitled to receive VSP based solely upon request. The Secretary of the Military Department concerned will review all applications for voluntary separation and approve only those that meet the needs of the Military Departments. A member whose request is approved will be separated from active duty.

8.7 Computation of VSP

8.7.1. The Secretary of the Military Department concerned will specify the amount of VSP to be paid to an individual, but the amount may not be greater than four times the full amount of separation pay that a member of the same pay grade and years of service would receive for an involuntary separation under 10 U.S.C. § 1174.

8.7.2. Compute years of active service according to the formula in subparagraphs 3.3.2, 3.3.4, 3.3.5, and 3.3.6. Do not count any period of prior military service for which the member has received separation pay under any provision of law relating to members of the Armed Forces. When computing partial years of service, round the fractional parts of a year to the nearest 1/10 of 1 percent or 3 decimal points.

Example: If the officer has 10 years and 7 months of service, then the multiplier would be 10.583.

*8.8 Payment

VSP may be paid in a [single lump sum](#). [In the case of a member who has completed at least 15 years but fewer than 20 years of active service at the time of separation under this program, VSP may be paid, at the election of the Secretary of the Military Department concerned, in:](#)

8.8.1. A single lump sum;

8.8.2. Installments over a period not to exceed 10 years; or

8.8.3. A combination of lump sum and such installments.

8.9 Repayment of VSP When a Member Qualifies for and Receives Retired Pay

8.9.1. A member who is paid VSP and later qualifies to receive retired pay will have deducted from each payment of such retired pay a monthly installment as specified by the Secretary of the Military Department concerned. The total amount of retired pay deductions will equal the gross VSP amount paid to the member. More information can be found in Volume 7B, Chapter 4, section 9.0.

8.9.2. The requirement to repay VSP following retirement from the Armed Forces does not apply to a member who is eligible to retire at the time the member applied for and was accepted for VSP benefits.

8.9.3. The Secretary of the Military Department concerned, may waive the requirement to repay VSP if it is determined that recovery would be against equity and good conscience or would be contrary to the best interests of the United States.

8.10 VA Disability Compensation

A member who received the VSP and subsequently qualifies for disability compensation from the VA is subject to recoupment of the gross amount of VSP paid, less federal income taxes withheld from such pay. The VA administers the recoupment program for affected members. If the disability for which the member receives VA compensation was incurred or aggravated during a period of later active duty, then no recoupment of VSP is required, regardless of when it was paid. In individual cases, the Secretary of the Military Department concerned, may waive the requirement to repay the VSP if it is determined that recovery would be against equity and good conscience and would be contrary to the best interests of the United States. A blanket waiver for multiple members within a service signed by a Secretary of the Military Department concerned is not authorized.

8.11 Members Returned to Active Duty

8.11.1. Except for the provisions in subparagraphs 8.11.2, 8.11.3, and 8.11.4, members who return to active duty in a Regular or Reserve Component for 180 days or more will have deducted from each payment of basic pay a monthly installment amount specified by the Secretary of the Military Department concerned. The total amount of basic pay deduction will equal the gross amount of VSP paid to the member.

CHAPTER 36**PAYMENTS ON BEHALF OF DECEASED MEMBERS****1.0 GENERAL****1.1 Purpose**

The purpose of this chapter is to provide policy pertaining to the processing of payments on behalf of deceased military members.

1.2 Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), including Titles 10, 24, 29, 31, 34 and 37. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 DEATH GRATUITY**2.1 Members for Whom Payable**

Death gratuity will be paid, regardless of whether death occurred in the line of duty or as the result of a member's misconduct, to eligible beneficiaries of the following (except a temporary member of the Coast Guard Reserve):

2.1.1. A member who dies while on active duty or while traveling to or from such duty;

2.1.2. A former member who dies during the 120-day period beginning on the day following date of discharge or release, under honorable conditions, from active duty (including retirement for either disability or length of service). In this case, the Secretary of Veterans Affairs must determine that death resulted from disease or injury incurred or aggravated while the member was on active duty or while in authorized travel status to or from such duty;

2.1.3. Any person who dies either while traveling to, from, or while at a place for final acceptance or for entry upon active duty (other than for training) in the Military Service; who has been ordered or directed to go to that place, and who has been:

2.1.3.1. Provisionally accepted for that duty; or

2.1.3.2. Selected, under the Military Selective Service Act, for duty in that Military Service;

2.1.4. A member whose death is determined by administrative finding under the Missing Persons Act;

2.1.5. A National Guard or Reserve member who:

2.1.5.1. Dies while on inactive duty training (other than work or study in connection with a correspondence course of an armed force or attendance, in an inactive status, at an educational institution under the sponsorship of an armed force or the Public Health Service); or

2.1.5.2. When authorized or required by an authority designated by the Secretary, assumed an obligation to perform active duty for training, or inactive duty training (other than work or study in connection with a correspondence course of an armed force or attendance, in an inactive status, at an educational institution under the sponsorship of an armed force or the Public Health Service), and who dies while traveling directly to or from that active duty for training or inactive duty training or while staying at the National Guard or Reserve member's residence, when so authorized by proper authority, during the period of such inactive duty training or between successive days of inactive duty training; or

* 2.1.6. Any member of a Reserve Officers' Training Corps (ROTC) who dies while performing annual training duty under orders for a period of more than 13 days or while performing authorized travel to or from that annual training duty; or any applicant for membership in an ROTC who dies while attending field training or a practice cruise, or while performing authorized travel to or from the place where the training or cruise is conducted; or, [effective May 1, 2017](#), a graduate of a ROTC who has received a commission but has yet to receive a first duty assignment.

2.2 Definitions

2.2.1. Active Duty. Active duty is full-time duty in the active service of a Uniformed Service, including active duty training (full-time training duty, annual training duty, or attendance, while in the active service, at a school designated as a Military Service school by law or by the Secretary concerned). (The exception to this definition is noted in subparagraphs 2.1.2 and 2.1.3.)

2.2.2. Member. A member of the Military Service is a person appointed, enlisted, or inducted into a branch of the Military Services, including Reserve Components and cadets or midshipmen of the Military Service Academies.

2.2.3. Reserve Components. The Reserve Components consist of the U.S. Army National Guard, Army Reserve, Navy Reserve, Marine Corps Reserve, U.S. Air National Guard, and the Air Force Reserve.

2.3 Beneficiaries

2.3.1. Designation. A member may designate one or more persons, to receive a portion of the amount payable under paragraph 2.6. If a member provides conflicting information regarding designation of beneficiaries and their proportionate shares of the death gratuity in blocks 11 and 14 of the [DoD \(DD\) Form 93](#), Record of Emergency Data, then payment will be made only to the extent that there are unambiguous designations.

Example: If a member completes block 11 by designating his mother to receive 100 percent of the death gratuity, and completes block 14 by designating his mother and his sister to each receive 50 percent of the death gratuity, there are conflicting designations. In this situation, 50 percent of the death gratuity would be payable to the mother and the remaining 50 percent would be paid in accordance with subparagraph 2.3.2. The amount payable to the designee must be specified in 10 percent increments. The balance of the amount of the death gratuity, if any, will be paid in accordance with subparagraph 2.3.2. Effective January 28, 2008, if a member has a spouse, but designates a person other than the spouse to receive a portion of the amount payable, then the Secretary concerned will provide notice of the member's designation to the spouse.

2.3.1.1. Effective May 25, 2007 through June 30, 2008, a member may designate another person other than those on the survivor precedent list mandated by law at that time to receive up to 50 percent of the amount payable under paragraph 2.6.

2.3.1.2. Effective July 1, 2008, a member may designate one or more persons to receive all or a portion of the amount payable under paragraph 2.6.

2.3.2. Distribution. If a member does not make a designation under subparagraph 2.3.1, or designates only a portion of the amount payable, then the remaining amount of the death gratuity not covered by a designation will be paid as follows:

2.3.2.1. To the surviving spouse of a member;

2.3.2.2. If no surviving spouse, then the child or children of the member and descendants of deceased children, by representation;

2.3.2.3. If no survivor in accordance with subparagraphs 2.3.2.1 or 2.3.2.2, then the parents of the member, in equal shares, or to the surviving parent;

2.3.2.4. If no survivor in accordance with subparagraphs 2.3.2.1 through 2.3.2.3, then the duly appointed legal representative of the member's estate; or

2.3.2.5. If no survivor in accordance with subparagraphs 2.3.2.1 through 2.3.2.4, then the person(s) determined to be entitled under the laws of the state in which the member was domiciled.

2.3.2.6. Treatment of Parents. For the purpose of subparagraph 2.3.2.4, only one father and one mother may be recognized in any case, and preference will be given to those who exercised a parental relationship on the date or most nearly before the date on which the member died.

2.3.2.7. Death of Eligible Survivor. If an eligible survivor dies before receipt of the death gratuity, it will be paid to the living survivor next in the order of precedence (see subparagraph 2.3.2).

*2.4 Documentation

The death gratuity will be paid upon official notification of the death of an individual listed in 10 U.S.C. section 1475(a). Official notification of death must be documented on DD Form 1300 (Report of Casualty), a Death Certificate, or determination by the Secretary concerned, or his or her authorized designee that the individual listed in 10 U.S.C. § 1475(a) has died.

2.5 Determining Eligible Beneficiaries

When officially notified that a member of his or her command has died, the commanding officer (CO) maintaining the member's personnel or service records determines if an eligible death gratuity beneficiary exists in accordance with paragraph 2.3 or the categories shown in Table 36-1. Legal assistance officers will aid in cases involving a question of law.

2.5.1. Lawful Spouse. If a decedent is survived by a spouse, the following evidence will be used to determine whether an eligible beneficiary exists:

2.5.1.1. Entitlement to Basic Allowance for Housing (BAH) or evidence of assignment of government quarters to a member and spouse; or

2.5.1.2. Documentary evidence of marriage and proof of termination of any prior marriage of either the beneficiary or decedent.

2.5.2. Children. If a decedent is survived by a child or children, but is not survived by a spouse, the following evidence will be used to determine whether an eligible beneficiary exists:

2.5.2.1. Documentary evidence must show termination of any marriage, including a certified copy of the spouse's death certificate, divorce, or annulment decree.

2.5.2.2. Evidence must show entitlement to BAH for a child or children, or evidence of occupation of government quarters with the member before member's death.

2.5.2.3. Base eligibility of child or children upon documentary proof of relationship, including:

2.5.2.3.1. The original or certified copy of the original birth certificate; or

2.5.2.3.2 A certified court order of adoption in the case of a legally adopted child.

2.5.2.4. A certified copy of the appointment paper must be provided if a guardian of a minor child, or children, has been appointed by a court (as distinguished from being awarded physical custody).

2.5.2.5. If the death gratuity is \$10,000 or less, then payment for a minor child may be made to the parent, including an adoptive parent, as natural guardian when all of the following conditions exist (and the parent provides a notarized statement attesting to all of these conditions):

2.5.2.5.1. A legal guardian has not been appointed;

2.5.2.5.2. The parent has custody of the minor child;

2.5.2.5.3. The parent will hold the payment for the sole use and benefit of the minor until the minor reaches adulthood;

2.5.2.5.4. The parent will account to the minor for such amount when the minor reaches adulthood; and

2.5.2.5.5. The parent will hold the government harmless in the event the minor, when he/she reaches adulthood, brings any legal action challenging the government's payment to the minor's parent.

2.5.2.6. If the death gratuity is in excess of \$10,000, then payment may only be made to the guardian or conservator appointed by a court to receive such payments for the minor's benefit, thereby providing the government a means of obtaining a good acquittance.

2.5.2.7. The relationship between a member and his or her stepchild can survive the end of the marriage from which it arose. If the marriage that created the relationship ended by death, then the relationship continues, absent evidence to the contrary. If the marriage ended by divorce, as distinguished from death, then the relationship ends unless clear and convincing evidence is furnished showing continuance of close family ties and intention to continue the prior relationship.

2.5.3. Parents. If the decedent is not survived by a spouse or child and has not officially designated any other individual(s) to receive the full death gratuity, then the parent beneficiary must furnish:

2.5.3.1. Documentary evidence that any marriage entered into by the decedent has been terminated; and

2.5.3.2. A statement, witnessed by two individuals, that there are no living children.

2.5.4. In Loco Parentis. A person who stood in loco parentis (in the place of a parent) does not qualify for the death gratuity as a "parent" of the member. A member must designate such a person in order for that person to qualify as an eligible beneficiary.

2.5.5. Mentally Incompetent Beneficiary. If the beneficiary is mentally incompetent, then a photostatic or certified copy of the court order appointing a guardian, trustee, committee, or other such person is required.

2.5.6. Effect of a Will. A will does not constitute a legal designation for death gratuity since such payment is not money or debt due the member and thus cannot become part of the member's estate.

2.6 Determinations Affecting Entitlement

2.6.1. Death as Lawful Punishment. No death gratuity is payable in the case of a member whose death is the result of a lawful punishment for a crime or military offense, except when such death was inflicted by any hostile force with which the Armed Forces of the United States had engaged in armed conflict.

2.6.2. Member Killed by Beneficiary. No death gratuity is payable to a beneficiary or survivor who kills a member unless there is evidence that clearly absolves such beneficiary or survivor of any felonious intent.

2.6.3. Unauthorized Absence or Desertion

2.6.3.1. Absence Without Leave (AWOL) or Absence Over Leave (AOL). A death gratuity is payable in the case of a member whose death occurs while he or she is in an unauthorized absence status, either AWOL or AOL, including being in custody of civil authorities, provided the date of death is prior to the normal expiration of contracted duty.

2.6.3.2. Desertion. No death gratuity is payable in the case of a member who is a declared deserter at the time of his or her death unless it is later found that the declaration was in error.

2.7 Amounts Payable and Exemptions

2.7.1. The amount of death gratuity is \$100,000.

2.7.2. Death gratuity payments may not be used to satisfy indebtedness (including overpayments).

2.7.3. The death gratuity amount is excluded from gross income for tax purposes. Also, see Chapter 44, Table 44-1, Rule 16.

2.8 Expediting Payments

Immediate payment of a death gratuity (within 24 hours, if possible) will be made when the eligible beneficiary can be determined, and there is no doubt as to the propriety of payment.

2.9 Responsibility for Payment of Death Gratuity

See Tables 36-2 through 36-6.

2.10 Erroneous Payment

An erroneous payment of death gratuity is one made to a person clearly not entitled to it because of administrative error and not because of statements of record made by the member.

2.10.1. Make a second payment to the rightful beneficiary when the error resulted from improper maintenance of records or administrative negligence. Do not delay this payment pending recovery of the erroneous payment from the ineligible recipient.

2.10.2. Do not make a second payment of death gratuity to a different person if the original payment was based on statements of record made by the member, and the government has no reason to doubt that the beneficiary's status was as stated.

3.0 SETTLING DECEASED MEMBERS' ACCOUNTS

3.1 General

Payment of any unpaid pay and allowances due on behalf of a deceased member of the Armed Forces will be made to the designated or non-designated beneficiary as defined in paragraphs 3.3 or 3.4. Unpaid pay and allowances include:

3.1.1. Pay and allowances due and unpaid at death, including settlement of accrued leave (subject to limitation in Chapter 35, subparagraph 2.1.1.4.3). Entitlement restrictions apply.

3.1.1.1. Family Separation Allowance (FSA). If a member dies within the first 30-days of qualifying duty, then the member is not entitled to FSA-Ship (S) (Chapter 27, subparagraph 2.3.1.2) or FSA-Temporary (T) (Chapter 27, subparagraph 2.3.1.3). FSA-S and FSA-T will be excluded from the final settlement of the member's military pay account.

3.1.1.2. Hardship Duty Pay – Location (HDP-L). If a member dies within the first 30-days of qualifying duty, then the member is not entitled to HDP-L (Chapter 17, subparagraph 2.1.2). HDP-L will be excluded from the final settlement of the member's military pay account;

3.1.2. Amounts due for travel, per diem, transportation of dependents, and shipment of household goods;

3.1.3. Member's savings deposits and interest thereon;

3.1.4. If a member dies before receiving the full amount of the bonus due (including contracted future year anniversary payments) and if death is not caused by the member's misconduct, then the remaining unpaid bonus balance is payable as a lump sum for inclusion in the settlement of the deceased member's final military pay account. If death is determined to be the result of the member's own misconduct, then termination of future payments and proration or recoupment of the bonus, as applicable, will be made in accordance with procedures established for members whose inability to complete a contracted period of service is voluntary or the result of misconduct; or

3.1.5. Proceeds of any checks for items in subparagraphs 3.1.1 through 3.1.4, unnegotiated by the member before death.

3.2 Entitlement

3.2.1. Upon official notification of the death or finding of death, any amounts due the decedent are paid to the person(s) determined to be the eligible beneficiary or beneficiaries. [The official notification of death is subject to Service specific certification requirements as outlined in:](#)

3.2.1.1. Army: [Army Regulation 637-1](#);

3.2.1.2. Air Force and Space Force: [Air Force Instruction 36-3002](#);

3.2.1.3. Navy: [Milpersman 1770-280](#); or

3.2.1.4. Marine Corps: [Marine Corps Order 3040.4](#).

3.2.2. Any payments made under this section prohibit recovery of those payments by any other person.

3.2.3. When a minor child, otherwise eligible, is a designated or non-designated beneficiary, payment will be made according to the provisions of subparagraphs 2.5.2.5 and 2.5.2.6.

3.3 Designated Beneficiary

Current laws allow a member to designate anyone, related or not to receive the member's unpaid pay and allowances upon death. Designation of a beneficiary for unpaid pay and allowances must have been executed by the member and filed in accordance with regulations governing such designations. When more than one beneficiary has been named, the percentages specified by the member govern payment. If no percentages have been specified, then payment will be divided equally among designated beneficiaries.

3.4 Non-designated Beneficiary

3.4.1. Order of Precedence. In cases of deceased members who have not designated a beneficiary, the following rules apply in determining the order of precedence:

3.4.1.1. The surviving spouse of a member;

3.4.1.2. If no surviving spouse, then the child or children of the member and descendants of deceased children, by representation;

3.4.1.3. If no survivor in accordance with subparagraphs 3.4.1.1 or 3.4.1.2, then the parents of the member, in equal shares, or to the surviving parent;

3.4.1.4. If no survivor in accordance with subparagraphs 3.4.1.1 through 3.4.1.3, then the duly appointed legal representative of the member's estate; or

3.4.1.5. If no survivor in accordance with subparagraphs 3.4.1.1 through 3.4.1.4, then the person(s) determined to be entitled under the laws of the state in which the member was domiciled.

3.4.2. Adopted Child. An adopted child is a legal heir in every state and is therefore, entitled to payment of unpaid pay, and allowances if otherwise proper. If the deceased member's child is adopted by others, then the child is a beneficiary only in those states where an adopted child inherits from the child's natural parent.

3.4.3. Stepchild. A stepchild is not an eligible beneficiary unless adopted by the deceased member.

3.4.4. Illegitimate Child.

3.4.4.1. An illegitimate child of a deceased female member; or

3.4.4.2. An illegitimate child of a deceased male member:

3.4.4.2.1. Who has been acknowledged in writing, signed by the decedent;

3.4.4.2.2. Who has been judicially determined, before the decedent's death, to be the member's child;

3.4.4.2.3. Who has been otherwise proved, by evidence satisfactory to the Secretary of Veterans Affairs, to be a child of the decedent; or

3.4.4.2.4. To whose support the decedent had been judicially ordered to contribute.

3.5 Responsibility for Settlement of Accounts

Accounts of deceased members are settled as prescribed in the procedural instructions of the Military Service concerned.

3.6 Tax Abatement

See Chapter 44, paragraph 2.4 if the member's death was caused by terrorist or military action overseas.

3.7 Bonuses and Special Pays

If the decedent was receiving any bonuses and/or special pays, then the provisions of Chapter 2 will apply.

3.8 Advance of Pay

The following applies to a deceased member's final pay computation:

3.8.1. Except for an advanced pay paid under the provisions of Chapter 32, paragraph 2.3, when a member is in a combat zone and receiving imminent danger or hostile fire pay, advance pays that have not been repaid prior to the death of the member remain a debt to the United States for the unliquidated amount. Advance pays paid under paragraph 2.3 and not fully collected at the time of death will not be collected against the estate of a deceased member.

3.8.2. A member may receive an early payment of pay and allowances due to a regular payday falling on a weekend or legal holiday. If the member dies before the last day of that pay period, then no collection will be taken for any extra days of pay received.

Table 36-1. Eligible Beneficiaries - Death Gratuity

R U L E	Death gratuity is payable to the following living survivor(s), of the deceased member as listed (note 1)	which is defined as

4	child, or children, without regard to age or marital status, in equal shares (note 2)	a stepchild if such child was a member of the decedent's household. If the marriage that gave rise to the stepparent-stepchild relationship has ended, see subparagraph 2.4.2.7 for guidance.
5	child, or children, without regard to age or marital status, in equal shares (note 2)	an illegitimate child, if the father acknowledged the child in writing signed by him; or was judicially ordered to contribute to the child's support; or, was prior to his death judicially or otherwise shown by satisfactory evidence to be the father of the child; an illegitimate child of a female member as evidenced by birth certificate or other satisfactory evidence that member was mother of the child.

7	surviving parent(s) in equal shares (note 3)	the father or mother through adoption.
8	other person(s)	any next of kin of the member entitled under the laws of the domicile of the member at the time of the member's death.

NOTES:

1. A member may elect to designate one or more persons instead of or in addition to his/her spouse as beneficiary as defined in paragraph 2.3. Unless a specific percentage is shown, payment is divided equally among all designated beneficiaries. If no designation was made, then the death gratuity is to be paid to the living survivor(s) first listed in column A. See paragraph 2.3.
2. If any of the member's children are deceased at the time of payment, payment is made to the descendants of deceased children, by representation. See subparagraph 2.3.2.
3. Only one father or mother is recognized in any case. Give preference to those who exercised a parental relationship on the date, or most nearly before the date, on which the member died.

CHAPTER 37

BENEFITS FOR MEMBERS HELD AS CAPTIVES

1.0 GENERAL

1.1 Purpose

This chapter describes the policy provisions for benefits for members who are held as captives as determined by the Secretary of Defense.

1.2 Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), including Titles 5 and 37. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 FORMER CAPTIVE PAYMENT

2.1 Entitlement Provisions

A former captive is a member who was held in a captive status. Entitlement may only be authorized by the Secretary of Defense. Once the Secretary of Defense makes a "hostile action" determination, which is the authority for former captive payments, the Military Service Secretaries will provide the names and dates of entitlements to their respective Defense Finance and Accounting Service (DFAS) Center. Entitlement dates may not include any of the following without specific case-by-case approval of the Secretary of Defense:

2.1.1. Dates in a captive status which are not dates of actual physical custody by a hostile force (for example, dates evading capture where the presence of a hostile force prevented escape or rescue); or

2.1.2. Dates that are doubtful that the missing status was the result of hostile action or was the result of membership in the Uniformed Services. Commanders will forward any request with justification via the appropriate Military Service chain of command. When authorized, the DFAS Center concerned will make payment.

2.2 Rates

2.2.1. For each day a member was held in a captive status, payment will be 50 percent of the then-current world-wide average per diem rate. Status beginning and ending days (for example, day of return to military control) are days of entitlement. Payment must be made within 1 year after the member's captive status ends. Rates will be obtained from the Office of the Under Secretary of Defense (Personnel and Readiness) (Military Personnel Policy/Compensation), 1500 Defense Pentagon, Washington, D.C. 20301-1500.

2.2.2. Former captives may receive more than the 50 percent rate when specifically approved by the Secretary of Defense. Recommendations justifying a higher percentage will be forwarded through command channels via the appropriate Military Service Secretary.

2.3 Death of Member

If a member dies while in a captive status, any amount due is considered pay and allowances for the purposes of Chapter 34.

2.4 Exceptions

2.4.1. The Secretary of Defense may defer payment for anyone (within the 1-year payment window) charged with a captivity-related offense and may deny payment if the member is convicted in a court of competent jurisdiction. If convicted, whether or not payment has been made, commanders will forward the case to the Secretary of Defense with justified recommendations for payment determination. Payments previously made and later denied must be collected.

2.4.2. No payment is authorized when the Congress specifically provides for prisoner of war (POW) compensation for captivity periods. See section 3.0.

2.5 Taxability

Payments to former captives generally are not taxable if the captive status resulted from the deprivation of personal rights, such as terrorist activity. However, if the captive status resulted from an engagement with another nation's armed forces, then payment may be taxable and reported as taxable income. See Chapter 44, Table 44-1 for possible applicability of the combat zone tax exclusion.

3.0 POW COMPENSATION

Payment authorized by the Congress, for a specific period of captivity as a POW, is made by the Secretary of the Treasury, and is not considered to be an Uniformed Services pay and allowances entitlement. DFAS is not involved in this payment procedure or its tax reporting consequences.

4.0 SAVINGS ALLOTMENT

Military Service Secretaries may allot part or all of a captive's pay and allowances (except what is already allotted) to an interest-bearing savings fund that is maintained by the Secretary of the Treasury. The Secretary of the Treasury establishes the withdrawal procedures for this savings fund.

CHAPTER 38

**SERVICE ACADEMY CADETS, MIDSHIPMEN, AND
SERVICE ACADEMY PREPARATORY SCHOOL STUDENTS**

1.0 GENERAL

1.1 Purpose

This chapter establishes policy pertaining to the pay and allowances for cadets at the U. S. Military Academy, the U.S. Air Force Academy, the Coast Guard Academy, and midshipmen at the U.S. Naval Academy.

1.2 Authoritative Guidance

The pay and allowances policies and requirements for cadets and midshipmen established by DoD in this chapter are derived primarily from, and prepared in accordance with Title 37, United States Code (U.S.C.), section 203(c) ([37 U.S.C. § 203\(c\)](#)). Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 ENTITLEMENTS

*2.1 Monthly Pay

Cadets at the U.S. Military Academy, the U.S. Air Force Academy, the Coast Guard Academy, and midshipmen at the U.S. Naval Academy are entitled to pay at the monthly rate of 35 percent of the basic pay of a commissioned officer in the pay grade O-1 with less than 2 years of service. This monthly rate is prescribed in Chapter 1, Table 1-7. **Note:** [The actual monthly pay rate for cadets and midshipmen are set by Executive Order.](#)

2.2 Rations

Cadets and midshipmen are entitled to commuted rations while on leave, on temporary duty or temporary assigned duty at the daily rate established by the Office of the Under Secretary of Defense (Comptroller) as prescribed in Table 38-1.

2.3 Incentive and Special Pays

Cadets and midshipmen are not entitled to incentive pay for hazardous duty or special pay for duty subject to hostile fire or imminent danger.

2.4 Start and Stop Dates

See Table 38-2.

2.5 Continuance of Pay and Allowances

Pay and allowances continue to accrue to cadets or midshipmen while they are absent in an official missing or missing-in-action status. See Chapter 34. Cadets and midshipmen also are entitled to full pay while traveling under orders.

2.6 Death Benefits

Death gratuity entitlement and settlement of unpaid pay and allowances instructions are contained in Chapter 36.

2.7 Settlement for Unused Accrued Leave

Since cadets and midshipmen do not earn leave, they are not entitled to lump-sum leave benefits.

3.0 OTHER STUDENTS

3.1 Service Academy Preparatory School Students

3.1.1. A student at the U.S. Military Academy Preparatory School, the U.S. Naval Academy Preparatory School, or the U.S. Air Force Academy Preparatory School, who was selected to attend the preparatory school from civilian life, is entitled to monthly student pay at the same rate as provided for cadets and midshipmen.

3.1.2. A student at the U.S. Military Academy Preparatory School, the U.S. Naval Academy Preparatory School, or the U.S. Air Force Academy Preparatory School, who, at the time of the student's selection to attend the preparatory school, was an enlisted member of the [uniformed services](#), will receive the monthly basic pay at the rate prescribed for the student's pay grade and years of service as an enlisted member or at the rate provided for cadets and midshipmen under section 2.0, whichever is greater.

3.2 Foreign Cadets and Midshipmen

Persons from a foreign nation, who are receiving instruction at the Military Service academies are entitled to the same pay, commuted rations, and travel and transportation allowances as authorized for U.S. cadets and midshipmen.

4.0 DEDUCTIONS FROM MONTHLY PAY

4.1 Allotments

The Military Department concerned determines whether cadets and midshipmen may register allotments of pay.

4.2 Collections of Indebtedness

For general policies and requirements relating to the collection of indebtedness, see Volume 16. Private indebtedness for services (e.g., laundry, dry cleaning, shoe repair) is not an indebtedness collectible under Volume 16.

4.3 Servicemembers' Group Life Insurance (SGLI)

Academy cadets and midshipmen are eligible for SGLI coverage while on full-time duty as a cadet or midshipman at a Service academy. See Chapter 47. Details covering the administration of the SGLI program for cadets or midshipmen are contained in the pay procedural instructions of the Military Service academy concerned.

4.4 Taxes

The basic pay of cadets and midshipmen is subject to federal and state withholding tax (Chapter 44) and Federal Insurance Contribution Act tax (Chapter 45).

5.0 ADVANCE PAY FOR CLOTHING AND EQUIPMENT PURCHASES

5.1 General

The Secretary of the Military Department concerned prescribes the amount to be advanced each new cadet or midshipman to cover the cost of initial clothing and equipment. The amount advanced is deducted in regular installments from the cadet's or midshipman's monthly pay until fully collected. Any cadet or midshipman who is discharged (whether voluntarily or involuntarily) before graduation and before the total amount has been repaid, must turn in as much of the clothing and equipment of a distinctive military nature as is necessary to liquidate the balance owed.

5.2 Discharge

If a cadet or midshipman is discharged and the value of the turned-in clothing and equipment does not cover the balance owed, then the value of the turned-in clothing and equipment is applied to the balance owed and the remainder of the advance owed is cancelled, regardless of reason for discharge.

6.0 TRAVEL AND TRANSPORTATION ALLOWANCES

The travel and transportation allowances payable to cadets and midshipmen are prescribed in the Joint Travel Regulations, Chapter 3.

CHAPTER 39**PAY OF SERVICE ACADEMY OFFICIALS****1.0 GENERAL****1.1 Purpose**

This chapter establishes policy guidance pertaining to the pay of Military Service academy officials.

1.2 Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), including Titles 10 and 37. The specific statutes, regulations, and other applicable guidance, that govern each individual section, are listed in a reference section at the end of the chapter.

2.0 PROVISIONS

A commissioned officer serving as an appointed official at a Military Service academy is entitled to the pay grade, pay, and allowances established by law for the position. A commissioned officer detailed as an official at a Military Service academy is not entitled to an increase in pay and allowances because of such detail, except as provided. The leader of the Naval Academy Band has the pay grade prescribed for such positions by the Secretary of the Navy.

3.0 PAY AND ALLOWANCES

The pay and allowances authorized for academy officials are indicated in Table 39-1 (Pay and Allowances - Academy Officials).

4.0 LIBRARIAN

An officer of the Regular Army, retired from active service, may be detailed on active duty to serve as librarian of the U.S. Military Academy. CHAPTER 40

GENERAL PROVISIONS GOVERNING ALLOTMENTS OF PAY
(OTHER THAN CHILD AND SPOUSAL SUPPORT ALLOTMENTS REQUIRED BY
LAW)

1.0 GENERAL

1.1 Purpose

This chapter prescribes the general policy for all allotments authorized for deduction from a member's pay account. Military personnel identified in section 4.0 may authorize allotments from their pay for the purposes set forth in Chapters 40, 42, and 43. The provisions of this chapter do not apply to child and spousal support allotments started as required by law when a member fails to make periodic payments under a support order. See Chapter 41 for applicable provisions under those circumstances.

1.2 Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), Titles 37 and 38. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 ADMINISTRATION OF ALLOTMENTS

2.1 Establishment, Discontinuance, and Changes to Existing Allotments

An allotment may be established, discontinued, or changed using a properly executed DoD Form 2558, commonly referred to as [DD Form 2558](#), Authorization to Start, Stop or Change an Allotment, a written request from a member (or from an agent acting under a specific power of attorney), or an automated data exchange system (from specific organizations). A Service member's written signature is not required to effect an allotment from pay when automated data exchange is utilized. Members are permitted to use automated computer programs that allow using a personal identification number to establish, discontinue, or change an allotment. Allotments will be established, discontinued, or changed only after the member's identity has been validated.

2.2 Administrative Changes

An allottee may make administrative changes without the member's consent. Administrative changes are changes to a financial institution name, address, account number, or routing transit number. Administrative changes will only be made after validation of the allottee's identity.

2.3 Administrative Stoppage

When a financial institution notifies the member's servicing allotment payment office that the member's account has been cancelled or terminated, the payment office will administratively stop the allotment. The servicing allotment payment office will immediately credit any monies it receives from the financial institution to the member's account and notify the member of the allotment stoppage.

3.0 AUTHORIZED ALLOTMENTS

3.1 General

Voluntary allotments of military pay and allowances by Service members in active Military Service are limited to discretionary and non-discretionary allotments.

3.2 Discretionary Allotments

Members are authorized no more than six discretionary allotments. To start a discretionary allotment on and after January 1, 2015, members will certify that, "Under the penalty of the Uniform Code of Military Justice, I certify that this allotment is NOT for the purchase, lease, or rental of personal property or payment toward personal property." Authorized discretionary allotments include:

3.2.1. Deposits to a financial institution, mutual fund company, or investment firm (for other than the prohibited purposes listed in subparagraph 3.3.1.);

3.2.2. Voluntary payment to a dependent or other relative. (Members may designate discretionary allotments to a spouse, former spouse(s), other dependents, and/or relative(s) not legally designated as a dependent(s). Support allotments may be made payable directly to a court, a state agency, a court trustee, a welfare agency, or to a child's guardian or custodian. This allotment may be made payable to a financial organization for credit to the allottee's account);

3.2.3. Payment of premiums for insurance;

3.2.4. Payment of mortgage or rent for real property; and

3.2.5. Deposits into the Savings Deposit Program.

3.3 Discontinuance and Grandfathering of Discretionary Allotments (400303)

3.3.1. Discontinuance

Effective January 1, 2015, members are not authorized to start allotments for the purchase, lease, or rental of personal property. Personal property includes vehicles (e.g., automobiles, motorcycles, or boats), appliances or household goods (e.g., a washer, dryer, furniture), electronics (e.g., a laptop, tablet, cellphone, or television), and other consumer items that are tangible and movable.

3.3.2. Grandfathering

Allotments described in subparagraph 3.3.1 that exist on a member's pay account prior to January 1, 2015, may continue, and members may change the amount of these existing allotments.

*3.4 Non-Discretionary Allotments

Non-discretionary allotments of military pay and allowances by members in active Military Service are limited to the following:

3.4.1. Purchase of U.S. savings bonds through [TreasuryDirect®](#);

3.4.2. Repayment of loans to the Army Emergency Relief, Navy and Marine Corps Relief Society, Air Force and [Space Force](#) Aid Society, and American Red Cross;

3.4.3. Voluntary liquidation of indebtedness to the United States that includes the following:

3.4.3.1. Indebtedness incurred due to defaulted notes insured by the Federal Housing Administration or guaranteed by the Department of Veterans Affairs; and

3.4.3.2. Payment of amounts due under the Retired Serviceman's Family Protection Plan, in the case of retired Military Service members serving on active duty;

3.4.4. Any other indebtedness to any department or agency of the United States Government (except to the Military Department that pays the member);

3.4.5. Any repayment of debts owed to an organization for funds administered on behalf of the United States Government and any such debts assigned to a collection agency;

3.4.6. Payment for pledges for charitable contributions to the following:

3.4.6.1. Combined Federal Campaign (CFC); only one such allotment is authorized for any Military Service member; and

3.4.6.2. Army Emergency Relief, Navy and Marine Corps Relief Society, or Affiliates of the Air Force and [Space Force](#) Assistance Fund; only one such allotment is authorized for any Military Service member;

3.4.7. Allotments to the Department of Veterans Affairs for deposit to the Post-Vietnam Era Veterans Educational Assistance Program. The allotment must be divisible by \$5 and with a minimum amount of \$25 and not more than \$100. Upon the Service member's authorization, the allotment must run a minimum of twelve consecutive months, unless the member suspends participation or terminates enrollment due to personal hardship or release from active duty;

3.4.8. Payment of delinquent federal, state, or local income or employment taxes; and

3.4.9. Lease payments when members are assigned to privatized housing units under the Military Housing Privatization Initiative. See Chapter 43, section 4.0.

4.0 ELIGIBLE ALLOTTERS

4.1 Members on Extended Active Duty

Commissioned and warrant officers, and enlisted members on extended active duty may make pay allotments.

and

5.3 Amounts Withheld from Pay and Allowances

The following amounts must be withheld from the maximum amount of pay and allowances that may be allotted:

5.3.1. Federal, state, and Federal Insurance Contributions Act taxes;

5.3.2. The repayment of debts properly chargeable against a member's pay account (does not include repayments of advance pay);

5.3.3. Premiums of Servicemembers' Group Life Insurance (SGLI) and Family SGLI; and

5.3.4. Montgomery GI Bill deduction.

5.4 Commander's Restriction

Commanders may further restrict the total amount a member may allot when necessary to help the member meet essential personal needs.

6.0 PERIODS OF ALLOTMENTS

Allotments will deduct for indefinite periods except those made to Military Service relief organizations; to the American Red Cross; to the United States Government for either repayment of indebtedness or payment of delinquent federal income taxes; for CFC charity drive donations; or for payment of delinquent state or local income or employment taxes.

7.0 ALLOTMENT PAYMENT OFFICES

*7.1 Air Force, [Space Force](#), and Army

Defense Finance and Accounting Service (DFAS)-Indianapolis pays all Air Force, [Space Force](#), and Army allotments.

7.2 Marine Corps and Navy

DFAS-Cleveland pays all Marine Corps and Navy allotments.

8.0 SPECIAL SITUATIONS

8.1 Minors

Allotments may not be made payable to children under 16 years of age, but may be made payable to the children's guardian or custodian. Members' spouses are authorized allottees regardless of their age.

8.2 Mentally Incompetent Persons

Allotments may not be made payable to mentally incompetent persons. However, they may be made payable to a guardian or to the institution where a mentally incompetent person is confined.

8.3 Power of Attorney

The holder of a member's special power of attorney may use that document to establish, change, or stop an allotment. The special power of attorney must specifically state the authority to establish, change, or stop allotments. A general power of attorney is not acceptable to establish, change, or stop an allotment.

8.4 Member Awaiting Trial by Court Martial

8.4.1. Members may not register allotments between the date that a Court Martial is ordered and the date of the approval or disapproval of the sentence, except when the convening authority has instructed a member to establish an allotment for deferred forfeitures.

8.4.2. Discontinue allotments whenever:

8.4.2.1. It is necessary to permit collection of the forfeiture in the monthly amount specified and within the time limitation stated in the Court Martial sentence; or

8.4.2.2. A member is sentenced to forfeit all pay and allowances due from the date the convening authority approves the sentence. This applies even though the convening authority defers the forfeitures and suspends the discharge when ordering the sentence into execution.

8.4.3. A prisoner may register allotments provided the amount of pay and allowances not forfeited is sufficient to cover allotment deductions.

8.5 Returned Absentees, Deserters, and Prisoners

Allotments will not be registered for a returned absentee or deserter, unless the paying DFAS site has verified the member's pay status.

8.6 Fraudulent Enlistment

When pay is suspended pending final action on the determination of fraudulent entitlement, pay and allowances are not eligible for allotment.

8.7 Reduced Pay of Allotter

Allotments are discontinued when a reduction in grade or stoppage of pay results in insufficient funds for allotments in effect.

9.0 RIGHT TO ALLOTMENT IN CASE OF DEATH

9.1 Death of Allotter

Upon the death of the member, all allotments are revoked. After receipt of notice of the member's death, the paying allotment office will not make further allotment payments. Deductions made from the member's pay, but not paid to the allottee, become part of the member's arrears of pay. The issuance of a check for an allotment does not constitute payment until it is negotiated and the payee collects the amount. Consequently, an amount for which an allotment check was issued becomes part of the member's arrears of pay when the allotment check is not negotiated. Allotments paid after the member's death may not be collected from the allottee, with two exceptions:

9.1.1. Allotments established erroneously after notice of the member's death; and

9.1.2. Unearned insurance premiums (insurance premiums paid 1 month in advance of the day payment is due). See Military Service procedural instructions for actions required by the disbursing officer maintaining the pay account.

9.2 Death of Allottee

When an allottee does not cash or negotiate an allotment check prior to the allottee's death, the check, even if it has been endorsed, does not become part of an allottee's estate. It is not subject to any expense incurred by, or on behalf of, the allottee before or after death. Unnegotiated allotment checks will be returned to the office from which they were issued. Allotment checks that have been returned will be credited to the member's account or paid in accordance with Military Service instructions if the member has been separated from the Military Service.

CHAPTER 41

GARNISHMENTS AND OTHER INVOLUNTARY ALLOTMENTS

1.0 GENERAL

1.1 Purpose

This chapter establishes policy for garnishments assessed against members, allotments for child and spousal support, levies against member's pay and allowances for child support obligations, and involuntary allotments of pay for debt collections other than child or spousal support.

1.2 Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with, the United States Code (U.S.C.), including Titles 15, 26, and 42. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 GARNISHMENT OF PAY FOR ENFORCEMENT OF CHILD SUPPORT AND ALIMONY OBLIGATIONS

2.1 General

2.1.1. The processing of garnishment orders for child support and/or alimony from the pay of individuals receiving remuneration for employment from the United States is governed by [42 U.S.C. § 659](#) and [Title 5, Code of Federal Regulations \(CFR\), part 581](#). The purpose of this section is to provide information unique to the collection of child support and/or alimony from the pay of active duty members and members of the Reserve Components (RC). The provisions of 42 U.S.C. § 659 and 5 CFR 581 take precedence when in conflict with this chapter.

2.1.2. Moneys due from or payable by the United States to active duty members and members of the RC not on active duty are subject to legal process to enforce a legal obligation to pay child support or alimony. Legal process issued by foreign courts may be honored under this authority if issued by a court of competent jurisdiction of a country with which the United States has an agreement, requiring the United States to honor such process. Such an agreement has been reached with the Federal Republic of Germany for cases where active duty members are stationed in the Federal Republic of Germany (see paragraph 2.8 for additional information). When the law of the state or foreign nation in which the issuing court is located conflicts with the federal law, the more restrictive law applies.

2.2 Legal Process Defined

Legal process is any writ, order, summons, or other similar process in the nature of a garnishment action. Legal process may be issued by:

2.2.1. A court of competent jurisdiction within any state, territory, or possession of the United States;

2.2.2. A court of competent jurisdiction in any foreign country with which the United States has entered into an agreement that obligates the United States to honor such process; or

2.2.3. An authorized official according to an order of such a court of competent jurisdiction or pursuant to state or local law.

2.3 Pay Subject to Garnishment

Except for amounts excluded under paragraph 2.4, all moneys due uniformed personnel, regardless of duty status or component, which are considered to be based upon remuneration for employment, are subject to garnishment. The items of pay and bonuses subject to legal process include the following:

2.5 Disposable Earnings

Disposable earnings are a member's gross pay subject to garnishment less deductions for the following items, which are not subject to legal process:

2.5.1. Amounts withheld in payment of debts owed to the United States, except that an indebtedness based on a levy for income tax under [26 U.S.C. § 6331](#) will not be excluded in complying with legal process for the support of minor children if the legal process was entered prior to the date of the levy;

2.5.2. Regular federal income tax withholding (FITW) and state income tax withholding:

2.5.2.1. When required or authorized by law; or

2.5.2.2. When amounts withheld are not greater than would be the case if the individual claimed all dependents to which he/she were entitled.

A deduction for additional FITW is authorized when the individual presents evidence of a tax obligation, which supports the additional withholding;

2.5.3. Federal Insurance Contribution Act (FICA) tax;

2.5.4. Armed Services Retirement Home;

2.6 Maximum Amount of Pay Subject to Garnishment

Unless a lower maximum garnishment limitation is provided by applicable state or local law, the maximum part of disposable earnings for any pay period, which is subject to legal process, will not exceed:

2.6.1. Fifty percent of disposable earnings if the member concerned asserts by affidavit or other acceptable evidence that he or she is providing over half of the support for a spouse or dependent child (other than a spouse or dependent child with respect to whose support the legal process is issued);

2.6.2. Sixty percent if the member concerned is not supporting a spouse or dependent child; or

2.6.3. If it appears from the face of the legal process that the member is in arrears for a period which is 12 weeks prior to the beginning of that pay period, then the maximum percentage under subparagraph 2.6.1, is 55 percent and under subparagraph 2.6.2, is 65 percent.

2.7 Allotments to Be Discontinued

2.7.1. The following allotments are subject to legal process. When possible, allow the member to determine which allotments are to be stopped. If the member refuses or is unable to advise which allotment should be stopped to permit compliance with the legal process, then the allotments will be involuntarily stopped in the following order:

2.7.1.2. U.S. Savings Bond;

2.7.1.3. Financial organizations;

2.8 Agents Designated to Accept Legal Process

2.8.1. The Defense Finance and Accounting Service (DFAS) Garnishment Law Directorate, or designated representatives, are responsible for receiving and processing all legal processes concerning active duty members and members of the RC not on active duty. Any legal process for the purpose of enforcing an obligation to pay child support and/or alimony served on DoD entities, other than those served in accordance with subparagraph 2.8.2, will be forwarded to the following designated address for processing.

DFAS Office of General Counsel
Attn: Garnishment Law Directorate
PO Box 998002
Cleveland, OH 44199-8002
Telephone: 1-888-332-7411
Toll-free Fax: 1-877-622-5930

2.8.2. In the case of active duty members stationed in the Federal Republic of Germany, all legal processes issued by German courts are to be served in the manner prescribed by German law to the appropriate liaison agency listed for such members.

- 2.8.2.1. Army, Navy and Marine Corps
Office of the Judge Advocate
HQ USAREUR
Postfach 42 02 24
65103 Wiesbaden

2.8.2.2. Air Force and Space Force

HQ USAFE/AFRICA/JA
Gebäude 527
66877 Ramstein-Flugplatz
Germany

Legal processes issued by German courts, and received by the liaison agencies listed in paragraph 2.8.2, will be reviewed to determine whether they comply with applicable German law. In addition, the liaison agencies will determine whether the member was served notice and certification of service issued in accordance with the provisions of Article 32(1)(a) of the German Supplementary Agreement in the prior German court proceeding which resulted in an order creating the member's obligation to pay child support or alimony. Once the appropriate liaison agency listed in paragraph 2.8.2 determines that legal process issued by a German court is legally sufficient and in compliance with the notice provisions of Article 32(1)(a), the legal process will be implemented or forwarded to the appropriate official designated in subparagraph 2.8.1 for appropriate processing. The legal process terminates when the active member is no longer stationed in the Federal Republic of Germany, or if the liaison agencies receive a termination order.

2.9 Implementing Legal Process

Once a legal process has been served in the United States, the designated agent indicated in subparagraph 2.8.1, will take, or initiate the following actions:

2.9.1. Review the legal process to determine whether it is regular on its face, appears to conform to the laws of the jurisdiction from which it was issued, was issued to enforce a member's legal obligation to provide child support and/or alimony, and contains sufficient information to accurately identify the member;

2.9.2. Notify the member within 15 calendar days after valid service of legal process. The written notification will explain the potential effect of the legal process on the member's pay, including allotments, and advise the member that the member has the burden of raising any available defenses, such as lack of personal jurisdiction or failure to comply with the [Servicemembers' Civil Relief Act](#), in the appropriate court. A copy of the legal process will be included with the written notice. The notice will be sent to the member's address of record in the military pay system, or through myPay, if the member has a valid email address in the myPay system.

2.9.3. Within 30 calendar days of effective service, or such longer period as may be allowed by applicable State law:

2.9.3.1. Determine the amount of the member's disposable earnings;

2.9.3.2. Where required, file an answer to the legal process with the court in which the proceeding was brought and answer any interrogatories regarding the pay and allowances due the member. The designated agent may use its standard answer form for this purpose; and

2.9.3.3. Pay the amount due pursuant to legal process. Governmental agencies, including DoD agencies, are not required to vary their pay or disbursing cycles to comply with legal process;

2.9.4. If the designated official is served with legal process concerning more than one legal obligation owed by the same member, then the legal obligations will be satisfied from the available funds in the following order of priority:

2.9.4.1. Legal process to enforce current support will have priority over legal process to enforce support arrearages;

2.9.4.2. Legal process to enforce current child support will have priority over legal process to enforce current alimony;

2.9.4.3. Legal process to enforce a child support and/or alimony obligation will have priority over involuntary allotments of pay to enforce commercial debts (see section 5.0); and

2.9.4.4. If the legal process is to enforce more than one child support obligation, and there are not enough funds available to fully satisfy all legal processes served, then the available funds will be allocated among the obligations in proportion to the amounts of current child support due. All other obligations will be satisfied on a first-come, first-served basis; and

2.9.5. Where notice is received that the member has appealed either the legal process or the underlying alimony and/or child support order, payments of money subject to the legal process will be suspended (continue to be withheld), and will be retained by the Government until DFAS is ordered by a court, or other authority, to resume payments or otherwise disburse the suspended amounts. Pending the outcome of the appeal, payments will comply with the applicable laws of the jurisdiction where the appeal is filed.

2.10 Indemnification

2.10.1. Neither the DoD, nor any officer or employee, will be liable for any payment made from moneys due from, or payable by, the DoD to any individual pursuant to legal process regular on its face, if such payment is made in accordance with 42 U.S.C. § 659, 5 CFR 581, and section 2.0.

2.10.2. Neither the United States, nor any disbursing officer or any governmental entity, will be liable under this part to pay monetary damages for failure to comply with a legal process.

3.0 STATUTORY ALLOTMENTS FOR CHILD AND SPOUSAL SUPPORT

3.1 General

3.1.1. The processing of statutory allotments for child support and/or alimony from the pay of active duty military members is governed by [42 U.S.C. § 665](#). This authority takes precedence when in conflict with this section.

3.1.2. Upon proper notification from an authorized person, DFAS will start a statutory child or child and spousal support allotment from the pay and allowances of a member on extended active duty when the member has failed to make periodic payments, under a support order, in an amount equal to the support payable for 2 months or longer.

3.2 Definitions

The following definitions apply to section 3.0.

3.2.1. Authorized Person. An authorized person is any agent or attorney of a state having in effect a plan approved under 42 U.S.C. § 665, who has the duty or authority to seek recovery of any amounts owed by a member as child or child and spousal support; and the court that has the authority to issue an order against a member for the support and maintenance of a child, or any agent of such court.

3.2.2. Child Support. Child support consists of periodic payments for the support and maintenance of a child or children, subject to and in accordance with state or local law. This includes, but is not limited to, payments to provide for health care, education, recreation, and clothing, or to meet other specific needs of the child or children.

3.2.3. Designated Official. The designated official is the DFAS Site Director or designee authorized to receive and to process notices under this chapter. The DFAS designated official and address is:

DFAS Office of General Counsel

3.2.4. Notice. A notice is a court order, letter, or similar documentation issued by an authorized person providing notification that a member has failed to make periodic support payments under a support order.

3.2.5. Spousal Support. Spousal support consists of periodic payments for the support and maintenance of a spouse or former spouse, in accordance with state or local law. It includes, but is not limited to, separate maintenance, alimony while litigation continues, and maintenance.

Spousal support does not include any payment for transfer of property or its value by an individual to his or her spouse or former spouse in compliance with any community property settlement, equitable distribution of property, or other division of property between spouses or former spouses.

3.2.6. Support Order. A support order is any order providing for child or child and spousal support issued by a court of competent jurisdiction within any state, territory, or possession of the United States, including Indian tribal courts, or in accordance with administrative procedures established under state law that affords substantial due process and is subject to judicial review.

3.3 Disposable Earnings

3.3.1. Include the following items in computing the disposable earnings for members assigned within the continental United States:

3.3.1.1. Basic pay (including Military Service academy cadet and midshipmen pay);

3.3.2.5. Overseas housing allowance; and

3.3.2.6. Cost-of-living allowance.

3.3.3. After including the items in subparagraphs 3.3.1 and 3.3.2, subtract the following items to compute the final disposable earnings value:

3.3.3.2. Deductions for the Armed Forces Retirement Home;

3.4.1.1. A statement that delinquent support payments equal or exceed the amount of support payable for 2 months under a support order, and a request that an allotment be established;

3.4.1.2. A certified copy of the support order. If the support order, on its face, appears to conform to the laws of the jurisdiction from which it was issued, then the designated official will not be required to ascertain whether the authority that issued the order had obtained personal jurisdiction over the member;

3.4.1.3. The amount of the monthly support payment. Such amount may include arrearages, if a support order specifies the payment of such arrearages. The notice will indicate how much of the amount payable will be applied toward liquidation of the arrearages;

3.4.1.4. A statement that delinquent support payments are more than 12 weeks in arrears, if appropriate;

3.4.1.5. The following information that identifies the member:

3.4.1.5.2. Social security number; and

3.4.1.5.3. Military Service of the member;

3.4.1.7. Any limitations on the duration of the support allotment; and

3.4.1.8. A certification that the official sending the notice is an authorized person.

3.4.2. The notice will be sent by mail or delivered in person to the designated official. The designated official will note the date and time of receipt on the notice.

3.4.3. The notice is effective when it is received in the office of the designated official.

3.5 Notice to Member and Member's Commanding Officer

3.5.1. Upon receipt of a notice of delinquent support payments, together with all required supplementary documents and information, the designated official will review the notice in order to identify the member from whom moneys are due and payable.

3.5.2. If the notice does not sufficiently identify the member, or if the member identified in the notice is not currently entitled to receive military pay, then the notice will be returned directly to the authorized person with an explanation of the reason for its return.

3.5.3. In cases where the designated official is able to identify the member, then as soon as possible, but not later than 15 calendar days after the date of receipt of the notice, the designated official will send to the member, at his or her duty station, a copy of the notice and other legal documentation served on the designated official, along with a letter informing the member of the following:

3.5.3.1. That notice has been received from an authorized person;

3.5.3.2. That the maximum limitations provided in [15 U.S.C. § 1673](#), apply, and a request that the member submit supporting affidavits or other documentation necessary for determining the applicable percentage limitation;

3.5.3.3. That the member may submit supporting affidavits or other documentation as evidence that the information contained in the notice is in error;

3.5.3.4. That by submitting supporting affidavits or other necessary documentation, the member consents to the disclosure of such information to the party requesting the support allotment;

3.5.3.5. The amount or percentage that will be deducted if the member fails to submit the documentation necessary to enable the designated official to respond to the notice within the prescribed time limits;

3.5.3.6. That a consultation with a judge advocate or legal officer will be provided by the Military Department concerned, if possible, and that the member should immediately contact the nearest legal services office; and

3.5.3.7. The date that the allotment is scheduled to begin.

3.5.4. The designated official will provide the member's commanding officer, or designee, with a copy of the notice and other legal documentation served on the designated official. The designated official will notify the member's commanding officer, or designee, of the need for consultation between the member and a judge advocate or legal officer.

3.5.5. The member's commanding officer, or designee, will confirm in writing to the designated official within 30 days of notice that the member received a consultation concerning the member's support obligation and the consequences of failure to make payments, or when appropriate, of the inability to arrange such consultation and the status of continuing efforts to fulfill the consultation requirement.

3.5.6. If, within 30 days of the date of the notice, the member has furnished the designated official affidavits or other documentation showing the information in the notice to be in error, then the designated official will consider the member's response. The designated official will return to the authorized person, without action, the notice for a statutory support allotment together with the member's affidavit and other documentation, if the member submits substantial proof of error, such as:

3.5.6.1. The support payments are not delinquent; or

3.5.6.2. The underlying support order in the notice has been amended, superseded, or set aside.

3.6 Payments

3.6.1. The designated official will establish a statutory allotment in an amount necessary to comply with the support order and to liquidate arrearages, if provided by a support order by the first end-of-month payday after the designated official is notified that the member has consulted with a judge advocate or legal official, or that a consultation was not possible, but not later than the first end-of-month payday after 30 days have elapsed from the date of notice to the member. However, the military pay offices will not be required to vary their normal pay and disbursement cycles to comply with notice under this section.

3.6.2. The maximum amount to be allotted under this section, together with any other moneys withheld for support from the member, will not exceed:

3.6.2.1. Fifty percent of the member's disposable earnings for any month in which the member asserts by affidavit or other acceptable evidence that he or she is supporting a spouse, dependent child, or both, other than a party in the support order. When the member submits evidence, copies will be sent to the authorized person, together with notification that the member's support claim will be honored. If the authorized person contests the support claim, then that person may refer the matter to the appropriate court or other authority for resolution;

3.6.2.2. Sixty percent of the member's disposable earnings for any month in which the member fails to assert by affidavit or other acceptable evidence that he or she is supporting a spouse, dependent child, or both; or

3.6.2.3. Regardless of the limitations in subparagraphs 3.6.2.1 and 3.6.2.2, an additional 5 percent of the member's disposable earnings will be withheld when the notice states that the total amount of the member's support payments is 12 or more weeks in arrears.

3.6.3. If several notices are sent with respect to the same member, then payments will be satisfied on a first-come, first-served basis within the amount limitations in subparagraph 3.6.2.

3.6.4. Payment of statutory allotments will be enforced over other voluntary deductions and allotments when the member's gross pay and allowances are not sufficient to permit all authorized deductions and collections. The member will be allowed to choose which discretionary allotments to cancel. If the member refuses or is unable to advise which allotments to cancel, then voluntary allotments will be cancelled in the following order:

3.6.4.1. CFC allotment;

3.6.4.2. Savings Bond allotment;

3.6.4.3. Discretionary allotment payable to a financial organization for deposit to the member's account (includes allotments payable to a mutual fund or investment firm and allotments to pay for personal or car loans);

3.6.4.4. MGIB contributions;

3.6.4.5. Allotment to repay loans to Military Service relief agencies and the American Red Cross; and

3.6.4.6. Discretionary allotments in the following order:

3.6.4.6.1. Payments to dependents/relatives;

3.6.4.6.2. Emergency payment to dependents;

3.6.4.6.3. Repayment of home loans and payment of rent;

3.6.4.6.4. Commercial life, health, and dental insurance;

3.6.4.6.5. Navy Mutual Aid Insurance; and

3.6.4.6.6. U.S. Government Insurance.

3.6.5. The authorized person or allottee will notify the designated official promptly if the operative court order upon which the allotment is based is vacated, modified, or set aside. The designated official will also be notified of any events affecting the allottee's eligibility to receive the allotment, such as the former spouse's remarriage, if a part of the payment is for spousal support, and notice of a change in eligibility for child support payments under circumstances of death, emancipation, adoption, or attainment of majority of a child whose support is provided through the allotment.

3.6.6. A statutory allotment established under section 3.0 will be adjusted or discontinued upon notice from the authorized person.

3.7 Indemnification

Neither the DoD, nor any of its officers or employees, will be liable for any payment made from moneys due from, or payable by, the DoD to any individual pursuant to notice regular on its face, if such payment is made in accordance with 42 U.S.C. § 659 and section 3.0.

4.0 LEVY ON PAY AND ALLOWANCES FOR ENFORCEMENT OF CHILD SUPPORT OBLIGATIONS

4.1 Authority

The Secretary of the Treasury, upon receiving the certification of the Secretary of Health and Human Services, will assess and collect the amount certified as unpaid child support in the same manner as if the amount were a delinquent federal tax, the collection of which would be jeopardized by delay. (See Chapter 44.)

4.2 Satisfaction of Levy

When the Secretary of the Treasury issues a notice of levy, satisfy the levy in the manner prescribed in Chapter 44. However, in the case of a first assessment against an active duty, retired (including members of the Fleet Reserve and Marine Corps Fleet Reserve), or Reserve member

for unpaid child support, satisfaction of the levy will be stayed for a period of 60 days immediately following notice and demand. If a portion of such member's pay is being withheld in garnishment or attachment pursuant to a judgment entered by a court of competent jurisdiction for the support of minor children, then the amount of pay withheld is exempt from the levy.

5.0 INVOLUNTARY ALLOTMENT OF PAY FOR DEBT COLLECTION OTHER THAN CHILD OR SPOUSAL SUPPORT

5.1 General

5.1.1. The processing of involuntary allotments of pay for debt collection other than child or spousal support is governed by [5 U.S.C. § 5520a\(k\)](#) and [32 CFR 113](#). These authorities take precedence when in conflict with this section.

5.1.2. Moneys due from, or payable by, the United States to an active duty member are subject to involuntary allotment to satisfy a judgment for a debt for other than child or spousal support owed to a third party and issued by a court of competent jurisdiction within any state, territory, or possession of the United States.

5.2 Definitions

The following definitions apply to section 5.0.

5.2.1. Designated Agent. A designated agent is an agent responsible for receiving and processing the involuntary allotment application for active duty members;

5.2.2. Active Duty Member. An active duty member is a regular member or any member of an RC on active duty pursuant to a call or order for a period in excess of 180 days at the time an application for involuntary allotment is received by DFAS, excluding members in a prisoner of war or missing in action status and retired members;

5.2.3. Exigency of Military Duty. The exigency of military duty is a military assignment or mission-essential duty that, because of its urgency, importance, duration, location, or isolation, necessitates the absence of a member of the Military Services from appearance at a judicial proceeding or prevents the member from being able to respond to a notice of application for an involuntary allotment. Exigency of military duty is normally presumed during periods of war, national emergency, or when the member is deployed.

5.2.4. Final Judgment. The final judgment is a valid, enforceable order or decree, issued by a court from which no appeal may be taken, or from which no appeal has been taken within the time allowed, or from which an appeal has been taken and finally decided.

5.3 Service Directives

The following source directives contain detail on entitlements, policies, and procedures for allotments for commercial debts:

5.3.1. Army: Army Regulation [\(AR\) 37-104-4](#), Military Pay and Allowances Policy;

5.3.2. Air Force and Space Force: Department of the Air Force Instruction [\(DAFI\) 36-2906](#), Personal Financial Responsibility; and

5.3.3. Marine Corps: Headquarters Marine Corps - Personnel & Readiness (Resources, Fiscal and Finance) [\(HOMC-P&R \(RFF\) 7220.31S\)](#), Automated Pay Systems Manual.

5.4 Involuntary Allotment Application

5.4.1. Designated Agent. The designated agent responsible to receive and process the involuntary allotment applications concerning active duty members may be contacted at the following address:

DFAS Office of General Counsel
Attn: Garnishment Law Directorate
PO Box 998002
Cleveland, OH 44199-8002
Telephone: 1-888-332-7411
Toll-free Fax: 1-877-622-5930

5.4.2. Creditor's Application. The creditor initiates the involuntary allotment process by mailing a completed application package, the "Involuntary Allotment Application," DoD [\(DD\) Form 2653](#), and a certified copy of the final judgment to the designated agent named in subparagraph 5.4.1. A creditor may also submit a certified copy of a Transcript of Judgment, an Abstract of Judgment, or a Notice of Entry of Judgment. [The date the documents is imaged in the DFAS system is used as the date of service.](#)

5.4.3. Review of Application

5.4.3.1. The designated agent will first identify the pertinent member, and determine whether the member has any funds available for the involuntary allotment. If the designated agent is unable to identify the member, then the designated agent will return the application package directly to the applicant with an explanation of the deficiency.

5.4.3.2. If the member does not have funds available, then the designated agent will stop any further legal processing, and notify the creditor in writing of the reason why no funds are available, and that the creditor must re-serve the involuntary allotment application at a later date. The reasons that no funds are available may include the following:

5.4.3.2.1. The member has separated from military service and is no longer receiving military pay;

5.4.3.2.2. Involuntary allotments are honored on a first-come, first-served basis. If the designated agent is already implementing a previously-served involuntary allotment

against the member's pay, then no funds will be available until the previous involuntary allotment amount is satisfied; or

5.4.3.2.3. If the member's pay is subject to a previously-served garnishment or statutory allotment for spousal or child support, and the amount of the spousal or child support deduction exceeds the maximum amount of pay subject to involuntary allotment (see subparagraph 5.8.4.2), then no funds will be available for the involuntary allotment until the child support deduction is reduced to an amount that is less than the maximum amount of pay subject to involuntary allotment.

5.4.3.3. If the member has funds available for the involuntary allotment, then the designated agent will conduct a legal review of the application to ensure that it complies with the requirements of 32 CFR 113, to include compliance with the Servicemembers' Civil Relief Act in the judicial proceeding resulting in the final judgment, and determining that the member's pay could be garnished under applicable state law.

5.4.3.4. When the designated agent receives an application package based upon a final judgment, which on its face, appears to conform to the laws of the jurisdiction from which it was issued, the designated agent will not be required to ascertain whether the court that issued the judgment had obtained personal jurisdiction over the member.

5.4.3.5. If the designated agent rejects the creditor's application after the legal review, then the designated agent will provide the creditor with a written notice of any deficiencies.

5.5 Notice to Member and Member's Commanding Officer

5.5.1. Notice Package

5.5.1.1. The designated agent will send a notification letter, along with a copy of the application package and a [*DD Form 2654*](#), "Involuntary Allotment Notice and Processing," to the pertinent member, and to the member's commanding officer, in care of the member's unit address of record in the military pay system.

5.5.1.2. The notice letter to the member and the member's commanding officer will state that the involuntary allotment will be established against the member's pay if a response is not received within 90 calendar days from the original date of mailing, unless the member has been granted an extension to respond (see subparagraph 5.6.1.2).

5.5.1.3. The DD 2654 itself provides step-by-step instructions for completing the form and returning it to the designated agent. Paragraph 5.6 is a summary of the response process.

5.5.2. Final Notification Letter. If the designated agent has not received a response to the notice package within 60 days of the date the package was mailed, then the designated agent will send a letter to the member and the member's commanding officer stating that if no response is received or request for extension granted within 90 calendar days from the original date the notice package was mailed, then the involuntary allotment will be established against the member's pay.

5.6 Response by Member and Member's Commanding Officer to Notice of Involuntary Allotment

5.6.1. Commanding Officer's Initial Actions

5.6.1.1. Upon receipt of the notice and accompanying documentation, the commander will determine whether the member is assigned to the commander's unit and available to respond to the involuntary allotment application.

5.6.1.2. If the member is temporarily unavailable to respond, then the member's commanding officer may grant a reasonable extension of time for the member's response. The commanding officer will notify the designated agent, by completing Section II of the DD 2654 and returning a copy of the form to the designated agent, that the member has been granted an extension of time to respond, the date the response is due, and the reason(s) for the extension. The commanding officer should provide appropriate documentation supporting the determination. In the absence of any additional correspondence from the member's commanding officer, the involuntary allotment application may be automatically processed within 15 calendar days after the date a response was due, including any approved extension response date.

5.6.1.3. If the member is available for counseling, within 5 days of receipt of the application package and the DD 2654, then the commanding officer will notify the member of the application, provide the member with a copy of the entire application package, and counsel the member using and completing Section III of the DD 2654. The commanding officer's counsel will include notifying the member that he or she has 15 calendar days from receipt of the commanding officer's notice to complete Section IV of the DD 2654 and return it to the commanding officer.

5.6.2. Member's Response

5.6.2.1. After receiving the commanding officer's notification, the member completes Section IV of the DD 2654. In Section IV, the member may either acknowledge that the applicant's judgment is valid and consent to the establishment of an involuntary allotment, or contest the involuntary allotment by asserting any of the following defenses, which the member must support with appropriate evidence:

5.6.2.1.1. That the member's rights under the Servicemembers' Civil Relief Act were not complied with during the judicial proceeding upon which the application is based;

5.6.2.1.2. That exigencies of military duty caused the member's absence from appearance in a judicial proceeding forming the basis for the judgment upon which the application is sought;

5.6.2.1.3. That information contained in the application is false or erroneous in material part;

5.6.2.1.4. That the judgment has been fully satisfied, superseded, or set aside;

5.6.2.1.5. That the judgment has been materially amended, or partially satisfied; or

5.6.2.1.6. That there is a legal impediment to the establishment of the involuntary allotment. For example, the judgment debt has been discharged in bankruptcy, or the automatic stay of enforcement of debts applies because the member has filed for bankruptcy protection, or that the applicant is not the judgment creditor or a proper successor in interest to the creditor.

5.6.2.2. After completing Section IV, the member returns the DD 2654 to his or her commanding officer.

5.6.3. Commanding Officer's Completion and Return of DD 2654

5.6.3.1. The member's commanding officer completes Section V of the DD 2654 and returns it to the designated agent, along with any supporting evidence provided by the member. In Section V, the commanding officer indicates one of the following:

5.6.3.1.1. The member refused to respond by the authorized suspense date, and the form is returned without Section IV being completed by the member; or

5.6.3.1.2. The member has completed Section IV, and the form is returned for appropriate action.

5.6.3.2. If the member has asserted an "exigencies of military duty" defense in Section IV of the DD 2654, then the commanding officer must determine whether the member has validly asserted this defense, and note his or her determination in Section V of the form.

5.6.3.3. If the commanding officer supports the member's "exigencies of military duty" defense, then the commanding officer must provide the title and address of an appeal authority in Section V in case the applicant wishes to appeal the commanding officer's determination. The appeal authority is the commander immediately superior to the commanding officer who made the determination. If the commanding officer does not designate an appeal authority, then the designated agent will return the DD 2654 to the commanding officer with instructions that this information must be provided in order to complete the form and support the member's "exigencies" defense.

5.7 Review of Completed DD 2654 and Supporting Documentation

5.7.1. Member Did Not Complete Section IV of DD 2654. If the member refused to complete Section IV of the DD 2654, then the designated agent will honor the application and implement deductions against the member's pay to satisfy the judgment against the member.

5.7.2. Member Completes Section IV of DD 2654

5.7.2.1. If the member completes Section IV of the DD 2654 and has asserted the "exigencies" defense, and the member's commanding officer has confirmed the "exigencies" defense and provided an appeal authority in Section V of the form, then the designated agent will reject the involuntary allotment application, and provide the applicant with written notice advising the applicant of the following:

5.7.2.1.1. The reason for rejecting the application;

5.7.2.1.2. The name and address of the appeal authority;

5.7.2.1.3. The applicant has 60 days from the date of the designated agent's notice to appeal the commanding officer's "exigencies" determination to the appeal authority;

5.7.2.1.4. The appeal must be in writing and contain sufficient evidence to overcome the presumption that the commander's exigency determination was correct;

5.7.2.1.5. The appeal authority will decide an appeal within 30 days of its receipt, and promptly notify the applicant of the decision. The 30-day decision period may be extended in times of deployment, war, national emergency or other similar situations;

5.7.2.1.6. If the appeal is successful, then the applicant must submit a written request along with a copy of the appeal authority's decision to the designated agent within 15 days of receipt of the decision; and

5.7.2.1.7. Upon receiving notice of the successful appeal, the designated agent will continue the review of the application package and the DD 2654.

5.7.2.2. If the member has completed Section IV of the form, and has not asserted the "exigencies" defense, or has asserted it but the member's commanding officer did not confirm it, or if the applicant has successfully appealed an "exigencies" determination, then the designated agent will determine whether the member has successfully asserted any other defenses against the involuntary allotment.

5.7.2.2.1. If the designated agent determines that the member has successfully asserted one or more defenses against the involuntary allotment application, then the designated agent will reject the application, and notify the applicant in writing of the reason(s) for the rejection.

5.7.2.2.2. If the designated agent determines that the member has not successfully asserted any defenses against the involuntary allotment, then the designated agent will implement deductions against the member's pay to satisfy the judgment against the member.

5.8 Pay Subject to Involuntary Allotment

5.8.1. Types of Pay Subject to Involuntary Allotment. Only the following types of pay are subject to the involuntary allotment process:

5.8.1.1. Basic pay (excluding the reduction for education benefits under the MGIB;

- 5.8.1.4. Accrued leave payments (basic pay portion only);
- 5.8.1.5. Readjustment pay; and
- 5.8.1.6. Severance pay, including disability severance pay.

5.8.2. Pay and Allowances Not Subject to Involuntary Allotment. Separation pay is not subject to involuntary allotment. In addition, allowances paid under U.S.C. Titles 10 and 37, and other reimbursements for expenses incurred in connection with duty in the Military Service or allowances in lieu thereof, are not subject to the involuntary allotment.

5.8.3. Other Amounts Not Subject to Involuntary Allotment. After computing the pay subject to involuntary allotment, the following items must be deducted to compute the amount of disposable pay subject to involuntary allotment:

- 5.8.3.1. Federal and state income tax withholding (amount is limited to that which is necessary to fulfill the member's tax liability);
- 5.8.3.2. FICA tax;
- 5.8.3.3. Armed Forces Retirement Home;
- 5.8.3.4. Servicemembers' Group Life Insurance;
- 5.8.3.5. Indebtedness to the United States (including tax levies);

5.8.3.6. Fines and forfeitures ordered by a court-martial or a commanding officer;
and

5.8.3.7. Amounts otherwise required by law to be deducted from a member's pay (except payments for garnishments for child support, alimony or mandatory allotments for child or spousal support).

5.8.4. Maximum Amount of Pay Subject to Involuntary Allotment

5.8.4.1. The involuntary allotment will not exceed the lesser of 25 percent of a member's pay subject to involuntary allotment or the maximum percentage of pay subject to garnishment proceedings under the applicable state law.

5.8.4.2. If the member's pay is subject to a garnishment or statutory allotment for spousal or child support, in addition to the involuntary allotment application, then the combined amounts deducted from the member's pay will not exceed the lesser of 25 percent of a member's pay subject to involuntary allotment or the maximum percentage of pay subject to garnishment proceedings under the applicable state law. If the maximum percentage allowed for involuntary allotments would be exceeded by both deductions, then garnishments and statutory allotments for spousal and child support take priority over the involuntary allotment.

5.8.5. Voluntary Allotments to be Discontinued. Payment of an involuntary allotment will be enforced over other voluntary deductions and allotments when the member's net pay is not sufficient to permit all authorized deductions and collections. If necessary, voluntary allotments will be cancelled in the following order:

5.8.5.1. CFC;

5.8.5.2. Savings bonds;

5.8.5.3. Payment to a financial organization for deposit to the member's account (includes allotments payable to a mutual fund or investment firm and allotments to pay for personal or car loans);

5.9 Starting Involuntary Allotment Payments

* 5.9.1. The designated agent will begin involuntary allotment payments within 30 days after the 90 day notification process described in subparagraph 5.5.1.2 is complete. The designated agent is not required to vary the normal military pay and disbursement cycles to comply with the application package.

5.9.2. Payment of involuntary allotments will be enforced over other voluntary deductions and allotments when the member's net pay is not sufficient to permit all authorized deductions and collections. The member will be allowed to choose which discretionary allotments to cancel. If the member refuses or is unable to advise which allotments to cancel, then allotments will be cancelled in accordance with subparagraph 5.8.5.

5.10 Stopping Involuntary Allotment Payments

5.10.1. Involuntary allotment payments will continue until the amount specified in the judgment is collected, including interest as annotated by the applicant in Section I of DD 2653, "Involuntary Allotment Application."

5.10.2. The designated agent will stop involuntary allotment payments prior to satisfying the judgment amount if one of the following conditions applies:

5.10.2.1. The member separates from active duty at which time the applicant will be informed that the allotment is discontinued because the member is no longer receiving military pay;

5.10.2.2. The applicant notifies the designated agent that the operative court order upon which the allotment is based has been vacated, modified, or set aside, or the designated agent is notified of an event affecting the applicant's eligibility to receive the allotment; or

5.12 Indemnification

Neither the DoD, nor any officer or employee thereof, will be liable for failure to make payment or for any payment made from moneys due from, or payable by, the Military Services to any individual pursuant to an application package that is regular on its face, if such payment is made in accordance with this section and 32 CFR 113.

CHAPTER 42

DISCRETIONARY ALLOTMENTS

1.0 GENERAL

1.1 Purpose

This chapter prescribes the policy for Military Service members having discretionary allotments. Service members are authorized no more than six discretionary allotments. Additionally, Service members are authorized no more than one discretionary allotment to the same allottee. To start a discretionary allotment on and after January 1, 2015, Service members will certify that, "Under the penalty of the Uniform Code of Military Justice, I certify that this allotment is NOT for the purchase, lease, or rental of personal property or payment toward personal property." See sections 3.0 through 7.0 for examples of allowable allotments.

1.2 Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), including Title 37. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 ADMINISTRATION OF DISCRETIONARY ALLOTMENTS

2.1 Discontinuance

Effective January 1, 2015, Service members are not authorized to start allotments for the purchase, lease, or rental of personal property. Personal property includes vehicles (e.g., automobiles, motorcycles, or boats), appliances or household goods (e.g., a washer, dryer, furniture), electronics (e.g., a laptop, tablet, cellphone, or television), and other consumer items that are tangible and movable.

2.2 Grandfathering

Allotments described in paragraph 2.1 that exist on a Service member's pay account prior to January 1, 2015 may continue, and Service members may change the amount of these allotments. If, for any reason, an allotment described in paragraph 2.1 is stopped, the allotment is not authorized to be restarted.

2.3 Other Provisions

See Chapter 40, section 3.0 for other administrative provisions regarding allotments.

3.0 ALLOTMENTS TO FINANCIAL INSTITUTIONS

Service members may have an allotment to a financial institution, mutual fund company, or investment firm where the Service member is the owner of the account. If there are multiple accounts at the same financial institution, the payments must be combined into one allotment amount.

4.0 ALLOTMENTS TO DEPENDENTS OR RELATIVES

Service members may authorize allotments of pay to their dependents, relatives, or former spouse(s). The allotment may be payable to an individual or to a financial organization for credit to the account of the allottee, or a joint account of the allotter and allottee.

5.0 INSURANCE ALLOTMENTS

5.1 General

Service members may have an allotment for the payment of insurance premiums.

5.2 Commercial Insurers

Commercial insurers are eligible allottees. All new allotments for paying premiums on commercial insurance must be approved under the following Military Service regulations:

5.2.1. Army: Army Regulation (AR) [\(AR\) 37-104-4](#), Chapter 24 and [AR 210-7](#);

5.2.2. Navy and Marine Corps: Secretary of the Navy Instruction [\(SECNAVINST\) 1740.2F Series](#); or

5.2.3. Air Force: DoD Instruction (DoDI) 1344.07_Air Force Instruction [\(AFI\) 36-2925](#).

All payments to an insurer are made to the home office of the agency issuing the policy or to a branch office named by the home office. A Service member is not authorized to establish an insurance allotment to a financial institution where the allotment is established for and/or controlled by the insurance company. A Service member may have more than one allotment for commercial insurance. If the Service member has more than one insurance policy with the same company, then premium payments must be combined into one allotment to that company.

5.3 Navy Mutual Aid Insurance (Navy and Marine Corps Only)

The Navy Mutual Aid is an authorized allottee for the payment of life insurance. If the Service member has both the regular premium and the extra hazardous duty premium, then the payments must be combined into one allotment.

5.4 Effective Dates for Starting, Changing, and Stopping Allotments

Tables 42-1, 42-2, and 42-3 prescribe effective dates to start, change, or stop allotments.

6.0 ALLOTMENTS FOR PAYMENT OF MORTGAGE OR RENT

Service members may authorize allotments of pay for mortgage or rent payment to a financial institution, mortgage company, realtor, or to a landlord.

7.0 ALLOTMENT FOR THE SAVINGS DEPOSIT PROGRAM

Service members may authorize an allotment into the Savings Deposit Program. This allotment will be processed in accordance with the procedural instructions of the Military Service concerned. The restrictions in Chapter 51 are applicable when starting this type of allotment.

CHAPTER 43

NONDISCRETIONARY ALLOTMENTS

1.0 GENERAL

1.1 Purpose

The purpose of this chapter is to provide the policies for members of the Armed Forces to initiate nondiscretionary allotment deductions from their pay accounts.

1.2 Authoritative Guidance

The pay policies and requirements established by the Department of Defense (DoD) in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), including Titles 5, 10, and 37. Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 ALLOTMENTS FOR THE PURCHASE OF SAVINGS BONDS

The U.S. Department of the Treasury (Treasury) discontinued the purchase of paper savings bonds through federal payroll deduction effective October 1, 2010. Military members may purchase electronic savings bonds by establishing a personal [TreasuryDirect](#) account with the Treasury and then initiating a nondiscretionary allotment made payable to the Treasury at their TreasuryDirect account. Members are authorized one nondiscretionary allotment for the purchase of bonds.

2.1 Establishment of Allotment

Members electing to purchase electronic savings bonds will first create an account in TreasuryDirect. This account can be used to purchase multiple bonds. Once created, members must either log into myPay or contact their servicing finance office to establish an allotment to the TreasuryDirect account. The following information is required to initiate the allotment:

2.1.1. The routing transit number for TreasuryDirect is 051736158,

2.1.2. The TreasuryDirect account number provided by the Treasury, and

2.1.3. The specific dollar amount (as opposed to a percentage of pay) to be deducted monthly.

NOTE: The myPay system also requires that the member designate an account type either checking or savings, even though that designation is inapplicable to an allotment to a TreasuryDirect account.

2.2 Change or Cancellation of Allotments

Members may change or cancel their allotments through myPay, or through their servicing finance office.

2.3 Administration of Allotments

Details covering the administration of savings bond allotments are contained in the procedural instructions of the Military Service concerned.

2.4 Safekeeping of Bonds

The Federal Reserve Bank printed and mailed all U.S. Savings Bonds previously stored in safekeeping by the Defense Finance and Accounting Service to members. Members who did not receive all their savings bonds will need to file a claim with the U.S. Treasury Bureau of Fiscal Services through TreasuryDirect. To file a claim, members need to follow the instructions found on the TreasuryDirect website. Members must create a TreasuryDirect account, as the reissued bonds will be deposited to the account electronically.

3.0 CHARITABLE CONTRIBUTIONS

3.1 General

3.1.1. Combined Federal Campaign (CFC). In accordance with Title 5, Code of Federal Regulations, part 950 ([5 CFR 950](#)), annual solicitations for donations to various community charity drives have been coordinated into a single combined fund-raising campaign. Basic information on the CFC and the DoD CFC Overseas Campaign is contained in the DoD Instruction ([DoDI 5035.01](#)).

3.1.2. Service Relief Organizations (SROs). Members are authorized to make charitable contributions by allotment to the Army Emergency Relief, Navy and Marine Corps Relief Society, or affiliates of the Air Force Assistance Fund.

3.1.3. Allotment. Members meeting the requirements of this section may authorize a class C allotment for a charitable contribution to the CFC (domestic or overseas) or to any of the Military SROs indicated in subparagraph 3.1.2. All allotments authorized are paid centrally by the offices shown in Chapter 40, section [7.0](#).

3.2 Limitations

Allotments for CFC and SROs must be at least \$1 per month, and each allotter is authorized only one CFC and one SRO allotment.

3.3 Discontinuance (CFC Only)

Once an allotment is stopped, it may not be reinstated during the current allotment period. (This limitation does not apply to Navy or Marine Corps members when the allotment is stopped because of change in pay group.) An allotment stops:

3.3.1. At the end of the authorized withholding period;

3.3.2. Upon member's written request; or

3.3.3. Upon separation (except when discharged and immediately reenlisted at the same station without a break in service), release from active duty, transfer to the Fleet Reserve or Fleet Marine Corps Reserve, retirement, or death.

3.4 Transfer

When a member participating in a CFC campaign is transferred, the CFC allotment continues unless the member submits a written discontinuance request.

3.5 Administration of Allotment

Details covering charitable contribution allotments are in the procedural instructions of the Military Department concerned.

4.0 NONDISCRETIONARY ALLOTMENT FOR PRIVATIZED HOUSING PAYMENT

4.1 General

The Military Housing Privatization Initiative (MHPI) authorizes assignment of Service members to privatized housing units. Service members assigned to privatized housing units are entitled to Basic Allowance for Housing (BAH). The member may be required to make lease payments for such housing in the form of an allotment. A member is authorized to initiate a nondiscretionary allotment for this payment.

4.2 Restrictions

4.2.1. A member is authorized only one nondiscretionary allotment for the privatized housing payment.

4.2.2. A change to the member's BAH amount due to promotion, demotion, administrative, or legislative action may require a change to the allotment amount. Under these or other circumstances, the Service member is responsible for ensuring the allotment amount is changed.

4.2.3. The Service member is responsible for reconciling overpayments or underpayments with the property manager.

4.2.4. The nondiscretionary allotment is restricted to lease payments to entities participating in the MHPI. An allotment to private individuals, corporations, firms, partnerships, companies, state or local government, or housing authority of a state or local government, not associated with the MHPI, is not authorized.

5.0 NONDISCRETIONARY ALLOTMENT (SALARY OFFSET) FOR DELINQUENT TRAVEL CHARGE CARD DEBT

5.1 Authority

Under the provisions of the “Travel and Transportation Reform Act of 1998,” heads of agencies may, upon written request of a federal contractor, collect, by deduction from the amount of pay owed to an employee of the agency, any undisputed amount of funds the employee owes to the travel charge card contractor that is delinquent. The Act defines the term ‘employee’ as an individual employed in or under an agency, including a member of any of the Uniformed Services. A member of one of the Uniformed Services is an employee of that Uniformed Service.

5.2 Procedures

Salary offset for a military member’s undisputed delinquent travel charge card debt must follow the procedures contained in Volume 16, Chapter 2 and Chapter 3. The amount deducted from a member’s pay for any pay period may not exceed 15 percent of disposable pay for the pay period, unless the member consents in writing to the deduction of a greater percentage of pay. Disposable pay will be calculated in accordance with Chapter 41.

CHAPTER 44

WITHHOLDING OF INCOME TAX

1.0 GENERAL

1.1 Purpose

The purpose of this chapter is to describe the Federal Income Tax Withholding (FITW) and State Income Tax Withholding (SITW) requirements and procedures for Service member wages.

1.2 Authoritative Guidance

The pay policies and requirements established by DoD in this chapter are derived primarily from, and prepared in accordance with [Title 26, United States Code \(U.S.C.\), section 112](#) and [37 U.S.C. § 351](#). Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 WITHHOLDING FROM CURRENT PAY

2.1 Wages Subject to FITW and SITW

The taxable pay of all Service members is subject to FITW and SITW, except as listed in paragraph 2.2. See Table 44-4. The taxable value of certain non-cash fringe benefits is also subject to federal and applicable state income taxes. See Table 44-4, rules 21 and 22.

2.2 Wages Not Subject to FITW and SITW

2.2.1. Combat Zone (CZ) Tax Exclusion (CZTE)

2.2.1.1. Effective November 21, 1995. All compensation of an enlisted member or warrant officer received for a month in which the enlisted member or warrant officer performed active duty in a CZ or Qualified Hazardous Duty Area (QHDA) (referenced in subparagraph 2.3.1) qualifies for the CZTE under subparagraph 2.3.2. For commissioned officers, no more than an amount equal to the maximum CZTE in effect for any month during any part of which such officers perform active duty in a CZ or QHDA, qualifies for the CZ or QHDA tax exclusion under subparagraph 2.3.2.

2.2.1.2. Maximum CZTE. The amount of the maximum combat zone tax exclusion in effect for a qualifying month equals the sum of the basic pay for the senior enlisted member (see Chapter 1) and the amount of hostile fire or imminent danger pay actually payable to the officer for the qualifying month. Also see Table 44-4, rules 1 through 4.

2.2.2. Puerto Rico and Commonwealth of Northern Mariana Islands (CNMI)

The U.S. Treasury Department has entered into an agreement with Puerto Rico and CNMI that requires the withholding of U.S. territorial income taxes instead of U.S. federal income tax for Service members who claim Puerto Rico or CNMI as their state of legal residence or domicile (as determined by applicable territorial laws and the Servicemembers Civil Relief Act under [50 U.S.C. § 4001](#)) and are serving:

2.2.2.1. On active duty in the regular or reserve components of the:

2.2.2.1.1. Army;

2.2.2.1.2. Navy;

2.2.2.1.3. Air Force and Space Force;

2.2.2.1.4. Marine Corps; or

2.2.2.1.5. Coast Guard;

2.2.2.2. In the National Guard and participating in exercises or performing duty under [32 U.S.C. § 502](#); or

2.2.2.3. In the Ready Reserve and participating in scheduled drills or training periods or are serving on active duty for training under [10 U.S.C. § 10147](#).

2.3 CZTE for Active Service in a CZ, QHDA or in Direct Support of a CZ or QHDA

2.3.1. Locations.

2.3.1.1. Designated Direct Support Areas of a CZ. Table 44-1 contains the CZ designated direct support areas as of [the date of this publication](#). For the most current areas, see the [Designated Direct Support Areas of a Combat Zone \(CZ\)](#) table.

2.3.1.2. Designated CZ Areas. Table 44-2 contains the designated CZ areas and the Executive Orders authorizing the designations, as of [the date of this publication](#). For the most current CZ areas, see the [Combat Zone Tax Exclusion \(CZTE\)](#) table.

2.3.1.3. QHDA. Table 44-3 contains the QHDAs and the public laws authorizing the QHDAs, as of [the date of this publication](#). For the most current QHDAs, see the [Qualified Hazardous Duty Areas](#) table.

2.3.2. Qualification for CZTE for Active Service in a CZ, QHDA or in Direct Support of a CZ or QHDA. A Service member is entitled to CZ or QHDA tax exclusion for any month during any part in which:

2.3.2.1. Active Service. The member performs active service in a CZ or QHDA designated area. Periods in the zone or area during which a member is absent from the duty assignment because of sickness, wounds, internment by the enemy, or other lawful cause are periods of active service.

2.3.2.2. Prisoner Of War (POW) or Missing In Action (MIA). The member becomes a POW or MIA while in active service in a CZ or QHDA. Such personnel are deemed, to continue in active service in the CZ or QHDA for the period for which they are entitled to a POW or MIA status for military pay purposes.

2.3.2.3. Absence. The member is granted official leave, or is authorized to depart from assigned duty in a CZ or QHDA for other lawful cause, and is directed to perform Temporary Additional Duty or Temporary Duty (TAD/TDY), unless the member is absent for the entire calendar month for leave or TAD/TDY.

2.3.2.4. Airspace. The member is present, however briefly, in the CZ or QHDA on official duty. When the airspace over a CZ or QHDA is included as part of the zone or area, a member who passes over or through the zone or area during the course of a trip between two points, both of which lie outside the zone or area, is entitled to an exclusion only if the member is assigned to official TAD/TDY to the airspace of the zone or area, or qualifies for hostile fire or imminent danger pay as a result of the flight. If the airspace is not designated for hostile fire or imminent danger pay (but is part of the designated zone or area), then a member must be assigned to perform duty in the airspace rather than flying over the zone or area as in an incidental part of the trip to qualify for the exclusion. The fact that most members are in an official duty status when flying through a designated airspace should not be construed to mean they are assigned to the airspace to perform duty and are therefore entitled to the exclusion. The following examples apply:

Example 1. Member A is assigned as a navigator in an air unit stationed outside the CZ. On June 4, during the course of a flight between his home base and another base outside the CZ, the aircraft on which he serves as a navigator flies over a CZ (given that the airspace is part of the designated CZ). Member A is not on official TAD/TDY in the airspace of the CZ and does not qualify for hostile fire or imminent danger pay as a result of the flight. Accordingly, he is not deemed to have served in a CZ since he passes through the zone without either being on official duty to the CZ or qualifying for hostile fire or imminent danger pay.

Example 2. Same scenario as example 1, except that the airspace is not part of the designated zone and Member B is entitled to hostile fire or imminent danger pay as a result of the flight. Member B is deemed to have served in a CZ and is entitled to the CZTE if his duties are determined to be in direct support of the military operation in the zone.

Example 3. Member C is a navigator in an air unit stationed outside a CZ. On June 4, she is ordered to perform duty (execute a mission) in the airspace over the CZ (which is part of the designated zone) and return to her home station outside the CZ. Member C is not entitled to hostile fire or imminent danger pay as a result of

the flight. She is, however, entitled to the CZTE for the month of June for performing official TAD/TDY in the airspace (CZ) during that period.

2.3.2.5. Direct Support. The member performs military duties in areas outside the CZ or QHDA in direct support of military operations in the CZ or QHDA and qualifies for hostile fire or imminent danger pay under 37 U.S.C. § 351. (The hostile fire or imminent danger pay entitlement must be related to activities or circumstances in the CZ or QHDA.) Unit commanders who believe that their personnel qualify for CZTE treatment under this provision must request the appropriate designation. The Principal Deputy Under Secretary of Defense (USD) for Personnel and Readiness (P&R) is responsible for designating direct support areas in accordance with (IAW) DoD Instruction (DoDI) 1340.25, paragraph 4(b)(3). Once the area has been designated as a direct support area, all members serving in that area, who also receive hostile fire or imminent danger pay will qualify for CZTE benefits, unless otherwise specified.

2.3.2.5.1. When members are entitled to tax exclusion under this paragraph, entitlement continues for periods of absence, prisoner or missing status, and TAD/TDY as stated for service in the actual CZ or QHDA in subparagraphs 2.3.2.1, 2.3.2.2, 2.3.2.3, or 2.3.2.4.

2.3.2.5.2. Military service is considered to be in direct support if it has the effect of maintaining, upholding, or providing assistance for those involved in military operations in the CZ or QHDA. The following examples are provided to assist in determining whether personnel qualify for CZ or QHDA tax exclusion. In each case, personnel must also be entitled to hostile fire pay or imminent danger pay:

Example 1. Services rendered on a supply vessel transporting supplies to a CZ or QHDA are in direct support of military operations in the CZ or QHDA, because the act of transporting necessary supplies is a function included within the concept of providing direct support of military operations.

Example 2. If an aircraft in a nearby country outside the CZ or QHDA is used to transport supplies and personnel into the CZ or QHDA, then the members of the ground crews who load the aircraft and the maintenance personnel who maintain the aircraft all qualify for CZ or QHDA tax exclusion. In addition, members who maintain and control the airstrip (e.g., as a meteorologist or air traffic controllers) are performing services in direct support of military operations in the CZ or QHDA and qualify for the tax exclusion.

Example 3. Members of a unit or installation who support and assist other members of that unit or installation who serve in direct support of military operations in a CZ or QHDA are considered to be serving in direct support of military operations in the CZ or QHDA. Generally, all members who serve in support of operations at an installation where some members serve in direct support of military operations in a CZ or QHDA are considered to be serving in direct support of military operations in that CZ or QHDA (e.g., unit or installation personnel for an airstrip would qualify).

2.3.2.6. Hospitalization. The member is hospitalized or re-hospitalized in any location as a result of wounds, disease, or injury incurred while serving in a CZ or QHDA or while serving in areas identified in subparagraph 2.3.2.5. A member is considered as hospitalized or re-hospitalized until such time as status as a hospital patient ceases by reason of discharge from the hospital. CZ or QHDA tax exclusion under this subparagraph will not apply to any months beginning more than 2 years after the date specified by the President in an Executive Order as the date of the termination of combatant activities in the CZ.

2.3.3. Periods for Which Tax Exclusion Does Not Apply. Members who are in the CZ or QHDA merely for their own convenience, e.g., while on leave from a duty station not in the zone or area, are not entitled to the exclusion.

2.3.4. Tax Abatement in Case of Death

2.3.4.1. A member who dies in a CZ or QHDA or as a result of wounds, disease, or injury incurred while serving in the CZ or QHDA is exempt from federal income tax for:

2.3.4.1.1. The tax year in which death occurs, and

2.3.4.1.2. Any prior tax year ending on or after the first day served in a CZ or QHDA.

2.3.4.2. Income tax liability is forgiven for any federal income tax owed for a prior year that remains unpaid on the date of death.

2.3.4.3. If an individual in a CZ or a QHDA is in missing status and is declared dead by Secretarial determination, for purposes of the tax abatement rules stated in subparagraph 2.3.4.1, the date of death is the date of the determination and not earlier. The tax abatement rules in subparagraph 2.3.4.1 do not apply for any taxable year that begins more than 2 years after it is determined that the area in which the Service member went missing is no longer a CZ or QHDA under 26 U.S.C. § 112.

2.3.4.4. The deceased member's survivors, executor, or administrator may contact the Internal Revenue Service (IRS) for guidance in claiming the tax abatement.

2.3.5. Termination Date Other Than Cases of Hospitalization. In no case will the tax exclusion authorized in subparagraphs 2.3.2.1 through 2.3.2.6, for active duty members, extend beyond the effective date specified in an Executive Order terminating the designation of the CZ. In the case of QHDAs, the exclusion will not extend beyond the effective date of the termination of hostile fire or imminent danger pay for the area.

2.4 Tax Abatement for Death Caused by Terrorist or Military Action Overseas

A member whose death was caused by terrorist or military action (excluding training exercises) qualifies for federal tax abatement under the provisions of [26 U.S.C. § 692\(c\)](#). No federal income tax liability is imposed on the deceased member for the year of death and for prior

tax year(s) beginning with the tax year before the injuries or wounds occurred. The deceased member's survivors, executor, or administrator may contact the IRS for guidance in claiming the tax abatement.

2.5 Rate of Withholding

2.5.1. General. The FITW/SITW will be IAW Treasury Department Circular E and Treasury Department regulations governing SITW as implemented in Military Service directives.

2.5.2. Additional FITW and SITW. A member, entitled to CZTE while TAD or TDY, may authorize that regular withholding be continued. A member entitled to CZTE may authorize an additional amount to be withheld. The member's pay account will be adjusted for the CZTE. See the applicable procedural instructions of the Military Service concerned for preparation of additional tax withholding requests and effective dates.

2.6 State and Local Taxes

2.6.1. Tax Requirements. The state in which a member claims legal residence (i.e., domicile) may tax compensation and other income regardless of the member's location. Compensation for Military Service, however, is not taxable by any state, territory, possession, political subdivision, or district that is not the member's legal residence.

2.6.2. Legal Residence. Each member must designate a legal residence and report any changes of legal residence. A member's legal residence does not change solely because of a change of permanent station. Legal residence at the time of entry into the Armed Forces remains the same until changed by the member. A member makes notification of legal residence or change of legal residence by submitting a DoD (DD) Form 2058, State of Legal Residence Certificate.

2.6.3. Native Americans. Native American Service members who claim a federally recognized tribal reservation as their state of legal residence are not subject to state taxes. A Native American Service member makes notification of a federally recognized tribal reservation as a state of legal residence by submitting a DD 2058-2, Native American SITW Exemption Certificate.

2.6.4. Withholding. Compensation for military service that is subject to federal taxation is also subject to the mandatory withholding of income taxes on behalf of those states (including the District of Columbia) that have entered into an agreement for the purpose of such withholding with the Secretary of the Treasury. See the current States/Territories withholding agreements with the Treasury Department from the [Treasury Financial Manual](#) or the Defense Finance and Accounting Service (DFAS) website ([DFAS.mil](#)).

2.6.5. Disclosure of Withholding Information. The furnishing of annual wage and tax information of military members to states (including the District of Columbia) that have a withholding agreement with the Treasury Department must comply with the Privacy Act of 1974. Based upon regulatory provisions pertaining to disclosure to the states, the wages of a member who claims exemption from withholding should not be reported to a state without the member's consent. In lieu of reporting the wages of members who claim exemption from state tax

withholding, name, social security number, and the member's claimed basis for exemption will be provided to the state. This rule applies to all Military Services and pay systems.

2.6.6. Delinquent Taxes. DoD has no authority to involuntarily collect delinquent state tax liabilities of members.

2.7 Nonresident Aliens

2.7.1. Tax Liability. A Service member, who is a nonresident alien, is liable for U.S. income tax on pay attributable to service performed in the United States, even if such pay is not subjected to FITW because of the provisions in subparagraph 2.7.2. A nonresident alien member's pay attributable to service performed outside the United States is not subject to U.S. income tax. Service in a possession of the United States is considered duty outside the United States. A nonresident alien member is not disqualified from eligibility for any of the income exclusions or withholding exemptions set forth in Chapters 44 and 45 because of a nonresident alien status.

2.7.2. Income Tax Withholding. The pay of a nonresident alien for any period of service within the United States exceeding 60 calendar days is subject to FITW. Such pay also may be subject to SITW, depending on the state residency status of the alien. Pay for periods of service within the United States of 60 calendar days or less, or for service outside the United States, is not subject to FITW or SITW. The nonresident alien member nevertheless is subject to federal income taxation, and may be subject to state income taxation, on pay for all days of service within the United States, and is responsible for reporting and paying any tax due on, all such income.

3.0 COLLECTION OF DELINQUENT FEDERAL TAXES BY LEVY

3.1 Authority

When a member does not pay any federal income tax due within 30 days after the IRS has issued a notice and payment demand to the member, the IRS may collect the tax by levy on the member's salary or other income. Receipt by the cognizant Military Service (or DFAS Site) of a levy notice is the legal authority to commence collection of the delinquent federal income taxes after taking into consideration the appropriate exemptions.

3.2 Levy Processing Procedures

3.2.1. The IRS serves the tax levy by mail. The IRS Form 668-W(c), Notice of Levy on Wages, Salary, and Other Income, includes instructions for the employer (Military Service) and the employee (member).

3.2.2. Upon receipt of the levy, the disbursing officer immediately:

3.2.2.1. Completes part 3 and returns the levy to the IRS if no funds are due the member (for example, higher precedence deductions (Chapter 52, Table 52-1) or if the member is in a status described in paragraph 3.3); or

3.2.2.2. Forwards parts 2 through 5 to the member if funds are due or soon will become due.

3.2.3. The member certifies his or her filing status and number of personal exemptions and returns parts 3 and 4 to the disbursing officer within 3 days (or other period authorized by the IRS in coordination with the Military Service concerned and as established within Military Service regulations). If the member does not return parts 3 and 4, then the levy will be processed as if the member is “married filing a separate return with one personal exemption.”

3.2.4. The levy will continue in effect until the amount due in the levy notice is collected or until released by the IRS.

3.2.5. Forward a misrouted levy notice or levy release to the member’s servicing DFAS Site.

3.3 Effect on Members in a CZ or QHDA

3.3.1. The disbursing officer immediately will complete part 3, with appropriate notations, and return the levy to the IRS if the member is:

3.3.1.1. Serving (performing official duties) in a designated CZ or QHDA for any period of time;

3.3.1.2. Serving (performing official duties) outside a designated CZ or QHDA, but in direct support of military operations in a CZ or QHDA, and in receipt of hostile fire or imminent danger pay as a result of duties performed in direct support of designated CZ or QHDA operations;

3.3.1.3. Continuously hospitalized as a result of service in a designated CZ or QHDA (limited to 5 years of hospitalization in the United States); or

3.3.1.4. In a missing status.

3.3.2. Levy deferment remains in effect for 180 days after a member no longer meets any of the criteria listed in subparagraph 3.3.1. The levy deferment begins again (including a new 180-day clock) when a member re-qualifies for deferment (again meets one of the criteria listed in subparagraph 3.3.1), with one exception. Re-hospitalization for a previously treated wound, illness, or injury does not re-qualify a member, nor does it stop/restart a 180-day clock.

3.4 Attachment of Earnings and Payment to IRS

3.4.1. The member's "take home pay," minus exempt amounts claimed via the member's certified claim on part 3 of the levy, will be attached and sent to the IRS until the levy is satisfied or released by the IRS. The member's usual pay deductions will continue while the levy is in effect.

3.4.2. When exemptions are equal to or exceed the member's "take home pay," the disbursing officer will so advise the IRS office that served the levy.

4.0 INSTALLMENT COLLECTION OF DELINQUENT TAXES

4.1 Agreement for Liquidation of Federal Tax Indebtedness by Payroll Deductions

A member may arrange with the IRS to pay delinquent taxes by monthly deductions from pay using IRS 2159, Payroll Deduction Agreement. A member may not cancel an agreement once it is in effect. The Military Services handle agreements in accordance with subparagraphs 4.1.1 through 4.1.3.

4.1.1. Army. Collect and pay to IRS as prescribed for payment of indebtedness to instrumentalities and agencies of the government.

4.1.2. Navy and Marine Corps. Process the agreement as a T allotment if the period of liquidation is 3 months or longer. If the period is less than 3 months, then the disbursing officer pays each month to IRS in the amount of the deduction.

4.1.3. Air Force and Space Force. Process as a Class T allotment.

4.2 Change of Member's Status During Liquidation Period

NOTES:

- Whether military pay and allowances are subject to state income taxes depends upon the law of the member's state of legal residence. Items of pay and allowances that are not subject to FITW, however, will not be subject to SITW. Items of pay and allowances subject to FITW will be subject to SITW if the member's state of legal residence has entered into a withholding agreement with the Secretary of the Treasury. The total or partial exclusion by states of military pay from income will be recognized in the computation of the amount of state income tax to be withheld.
- If a member receives an overpayment of a taxable pay item, the overpayment should be reported in the year paid unless the CZ or QHDA tax exclusion applies. If recovery of the overpayment is waived, remitted, or canceled, then there are no additional tax reporting requirements. If the overpayment consists of a nontaxable pay item, then the overpayment should not be reported as taxable income if the resulting debt is waived, remitted, or canceled.

Table 44-4. Taxability of Items of Military Pay and Allowances (Continued)

NOTES (Continued):

3. Taxable wages and withholding must reflect the debt in the year the overpayment was received. Collection action will impact taxable wages and withholding (if applicable) as collection is made, but only if made in the same year as the original payment.
4. Excludes the reduction of basic pay for educational benefits under the “New Montgomery GI Bill” after December 31, 1985. Members wishing to increase their Montgomery G.I. Bill benefits may contribute up to \$600, IAW [38 U.S.C. § 3011\(e\)](#). This contribution is not a reduction in basic pay and therefore, does not reduce a member’s taxable wages.
5. Add the payments (rules 1 through 6) made currently or at a later date for a commissioned officer (O-1 and above) to other pay for the month (up to the highest rate of pay payable to any enlisted member) to calculate the maximum amount to be applied for CZ or QHDA tax exclusion. (See Chapter 35, subparagraph [2.3.2](#).)
6. For commissioned officers (O-1 and above), the amount of the maximum CZTE in effect for a qualifying month equals the sum of the basic pay for the senior enlisted member (grade E-9) payable (Basic Pay – Enlisted, Note 3) plus the amount of hostile fire or imminent danger pay actually payable to the officer for the qualifying month.
7. Only pay and allowances actually earned during any month in which a CZ or QHDA designation applies are excludable, even if paid in a later, non-qualifying month. Entitlements earned during any non-qualifying month, but paid in a month the exclusion applies, remain taxable. Accrued leave payments qualify only for that portion of days that were actually earned during a qualifying month.
8. The tax exempt computation for the NCSB and ELRP will be the number of months in the CZ/QHDA divided by 15 months for the NCSB or 12 months for the ELRP. The resulting percentage will be multiplied against the bonus or loan amount. The result will be the tax exempt amount for the member.
9. See Chapter 35, paragraph [5.4](#) for exceptions to taxation of disability severance pay.
10. This does not apply to waived forfeitures, which are subject to FITW and FICA withholding. See Chapter 48.
11. This does not apply to fines imposed by courts-martial or non-judicial punishments. Withhold tax from the member’s full pay credited before deducting the fine. Report the full amount of the pay credited, without deducting the fine, as taxable income.
12. Allowances considered nontaxable on September 9, 1986 remain nontaxable. Any allowance created after September 9, 1986 will be taxable for federal and state income tax purposes unless specified otherwise.
13. Exception is pay earned for any month CZ or QHDA exclusion applies. CZs and QHDAs are so designated by Executive Order or statute, respectively.
14. Special Separation Bonus and VSI payments remain taxable even if a member signs the agreement to separate while serving in a CZ or QHDA.

Table 44-4. Taxability of Items of Military Pay and Allowances (Continued)

NOTES (Continued):

15. Home-to-work provided transportation and employer provided parking.

a. Per the DoD Manual 4500.36-R, the USD Comptroller and USD (P&R) jointly will issue updated annual guidance concerning the valuation, on a monthly basis, of taxable government employer-provided home-to-work transportation fringe benefits provided to certain military members. Armed Forces Tax Council service representatives will annually distribute the updated guidance to the Military Services.

b. Each DoD Component will determine the value, to be calculated on a monthly basis, of government employer-provided taxable parking fringe benefits provided to military members.

c. Valuation must be accomplished utilizing the provisions of the Internal Revenue Code (See IRS Publication 15-B) and Treasury Regulations. Each member's Service will:

(1) Identify members receiving government employer-provided home-to-work transportation and/or parking fringe benefits;

(2) Certify fringe benefits are authorized, calculate and certify the value of the taxable fringe benefits, and submit the appropriate taxable gross income amounts to the servicing DFAS central site, no less often than once a year. Exception: When members receive taxable fringe benefits from active duty assignments outside their DoD Component, the agency providing the taxable fringe benefits (such as parking) calculates the value of the benefit provided, and the member's Service verifies the correctness of the calculation; and

(3) Keep members who receive such benefits advised of the tax liability annually accruing to them.

d. Each member's certified taxable fringe benefits amount must be sent to the servicing DFAS central site no less often than annually and not later than December 15, each year, for processing to:

(1) Include the taxable non-cash benefit amounts in member's gross income;

(2) Withhold and deduct appropriate federal and state income taxes (not FICA taxes);

and

(3) Generate an IRS W-2 that reflects the adjusted gross income and withholding amounts. The military services' field finance offices are not authorized to process taxable fringe benefits as additional taxable wages, to withhold applicable taxes, or to generate a manual IRS W-2.

CHAPTER 45**FEDERAL INSURANCE CONTRIBUTIONS ACT (FICA)**

1.0 GENERAL

1.1 Purpose

This chapter establishes policy pertaining to the FICA requirement for Federal Agencies to withhold Social Security and Medicare taxes from the basic pay of military members covered by the Social Security Act, and to pay matching FICA taxes to the Social Security Administration. The FICA tax component for Old Age, Survivors, and Disability Insurance (OASDI) tax is also called Social Security tax, and the FICA tax component for Hospital Insurance tax, is also called Medicare tax. The OASDI tax rate applies only to those basic pay payments that do not exceed the annually variable OASDI wage base. There is no cap on wages subject to the withholding of Medicare tax.

1.2 Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with, the United States Code (U.S.C.), including Titles 26, 36, and 42. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 REQUIREMENTS

2.1 Members Subject to FICA

Any member appointed to, enlisted in, or inducted into any Military Service is subject to FICA tax. This includes members serving in:

2.1.1. The Military Service Academies (excluding foreign nationals);

2.1.2. An aviation cadet status; or

2.1.3. A combat zone.

2.2 Taxable Wages

The following wages are subject to FICA withholding:

2.2.1. Basic pay (excluding reduction for educational benefits under the Montgomery G.I. Bill);

2.2.2. Inactive duty compensation;

2.2.3. Taxable amounts earned but unpaid at the date of death (subject to the maximum earnings tax) if paid to the beneficiary during the same calendar year in which the member's death occurs;

2.2.4. Basic pay or compensation earned when absence is the result of injury, sickness, or hospitalization;

2.2.5. Taxable amounts received prior to the Government's voidance of the member's enlistment contract; and

2.2.6. Waived portions of forfeitures of basic pay payable to dependent(s) of a confined member as prescribed in Chapter 48.

3.0 DEDUCTION OF FICA TAX

*3.1 Amount

See the "[Contribution and Benefit Base](#)" on the Social Security website or the [FICA Percentages, Maximum Taxable Wages, and Maximum Tax](#) table on DFAS.MIL for the withholding percentage rate and the total maximum tax.

3.2 Maximum Tax

Discontinue deductions when the member's total active duty basic pay plus inactive duty compensation equals the annual maximum earnings subject to FICA withholding, and when the maximum tax has been deducted.

3.3 Effect of Punishment, Absence, and Non-Pay Status

See Table 45-1.

3.4 More Than One Employer

Deduct FICA taxes regardless of any amounts previously or currently being deducted by another employer. Each Military Service is considered a separate employer; however, cross-servicing of a member's pay account between the Military Services does not constitute a change of employer. A break in service of any length within the same Military Service does not constitute a change of employer. Consider all FICA tax withheld during the calendar year in determining the total amount withheld. If this amount is in excess of the maximum tax, then the member may claim the excess from the Military Service concerned, and adjustments will be made accordingly.

3.5 Retroactive Entitlements and Deductions

Retroactive entitlements and deductions will adjust the pay for the year in which they are made and will be reflected in the tax reporting for the quarter in which they are paid. All retroactive payments are subject to FICA withholding at the rates in effect at the time of payment. If the member has been discharged, separated, or retired, then issue an Internal Revenue Service (IRS) Form W-2, Wage and Tax Statement.

3.6 Indebtedness

FICA taxes previously withheld may not be used to offset any indebtedness.

Table 45-1. Effect of Punishment, Absence, and Non-Pay Status

R U L E	When a member	then
1	is fined by court-martial and the fine is deducted from pay	the amount of the fine is subject to FICA tax.
2	is required to forfeit pay as the result of court-martial or nonjudicial punishment	the forfeiture is a loss of entitlement to the basic pay involved, and the lost amount is not subject to FICA tax. (See note)
3	has pay detained under court-martial or nonjudicial punishment	the amount detained is not subject to FICA tax until it is actually paid to the member.
4	is absent without leave	the amount of basic pay deducted for the period is not subject to FICA tax.
5	is confined by civil authorities under conditions that require loss of pay	the amount of basic pay deducted for the period is not subject to FICA tax.

NOTE: The waived portion of a forfeiture is taxable income to the confined member and is subject to FICA under subparagraph 2.2.6 and Chapter 48.

CHAPTER 47

SERVICEMEMBERS' GROUP LIFE INSURANCE (SGLI) PROGRAM

1.0 GENERAL

1.1 Purpose

The SGLI Program is administered by the Department of Veterans Affairs (VA). Eligible members, who receive basic pay for 1 or more days per month or members of the Ready Reserves who drill for points, are responsible for the payment of SGLI and Family SGLI (FSGLI) premiums. Coverage and premiums are discussed in sections 2.0 and 5.0, respectively.

1.2 Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), Title 38. Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 SGLI COVERAGE

*2.1 Eligibility

2.1.1. Full-Time Coverage. Full-time coverage automatically insures eligible members against death when a member is performing active duty (AD) or active duty for training (ADT) for an ordered period of more than 30 days, or while on full-time duty as a cadet or midshipman at a Service Academy. All members of the Ready Reserve and National Guard, who are assigned or attached to a unit or position that may require performing active duty or active duty for training, and will be scheduled to perform at least 12 periods of inactive duty for training (IDT) annually, are also eligible for full-time SGLI coverage. Members may elect, waive, or decrease coverage for an amount less than \$400,000 in \$50,000 increments in accordance with paragraph 2.2.

2.1.2. Part-Time Coverage. Part-time coverage insures the following eligible members against death while performing AD or ADT for an ordered period of less than 31 days:

2.1.2.1. Commissioned, warrant, or enlisted members of the Army, Navy, Air Force, [U.S. Space Force](#), Marine Corps and Coast Guard Reserves;

2.1.2.2. Members of the Individual Ready Reserve (IRR) during 1-day call-ups;

2.1.2.3. Members of the Army and Air National Guard performing duty at:

2.1.2.3.1. Rifle ranges for the training of civilians in the use of military arms;

2.1.2.3.2. Required drills;

2.1.2.3.3. Field exercises;

2.1.2.3.4. National Guard Schools; and

2.1.2.3.5. Small arms competitions; and

2.1.2.4. Cadets, or midshipmen of the Senior Reserve Officers Training Corps while attending field training or practice cruises. (See the [SGLI ROTC Coverage Table](#) in the Servicemembers' and Veterans' Group Life Insurance (VGLI) Handbook, Appendix G).

Note: The eligible member is insured during the days of actual duty performed and becomes eligible for full-time coverage when the member performs AD or ADT for an ordered period of more than 30 days.

*2.2 Coverage Amount

2.2.1. Amounts. Initial and maximum coverage amount is \$400,000.

2.2.2. Waiving or Reducing Coverage. Members, except those specified in section 12.0, may elect coverage for an amount less than \$400,000, in \$50,000 increments, or may elect to waive coverage.

2.2.2.1. Waiving SGLI coverage will also waive Traumatic Injury Protection SGLI (TSGLI) and FSGLI coverage for the spouse and all dependents.

2.2.2.2. Reducing SGLI coverage may impact maximum FSGLI coverage for the spouse, see section 8.0.

2.2.3. Reinstating or Raising Coverage. A member, who is covered for an amount less than maximum SGLI coverage, may apply later in writing for increased coverage, to an amount up to maximum SGLI coverage, with proof of good health. Members required to have the maximum coverage per subparagraph 2.2.4 are not required to provide proof of good health.

2.2.4. Requirement for Maximum Coverage. Separate from section 12.0, a member with the following duty statuses must have a reset of coverage to the maximum amount [without proof of good health](#):

2.2.4.1. [Members changing duty status, such as an Active Component member becoming a Reservist or a Reservist being released from active duty](#). Coverage may be waived or reduced any time after the reset.

2.2.4.2. Part-time coverage members qualifying for full-time coverage, such as Reservist going on AD for over 30 days. Coverage may be waived or reduced any time after the reset.

2.3 Periods of Coverage

See Table 47-1.

2.4 Forfeiture of Coverage

Any person guilty of mutiny, treason, spying, desertion, or who, because of conscientious objections, refuses to serve in the Armed Forces of the United States, or refuses to wear the uniform of the Armed Forces, forfeits all rights to any coverage. This insurance is not payable for death inflicted as a lawful punishment for crime or for military or naval offense, except when inflicted by an enemy of the United States.

2.5 Coverage After Separation or Retirement

2.5.1. The following members are eligible to convert their full-time SGLI coverage to VGLI:

2.5.1.1. Members that are being released from AD or ADT for a period of not less than 31 days;

2.5.1.2. Members of the Ready Reserves or National Guard who are separated, retired, or released from assignment;

2.5.1.3. Members assigned to IRR or Inactive National Guard (ING); or

2.5.1.4. Members who have part-time SGLI and who, while performing duty, suffered an injury or disability which rendered them uninsurable at standard premium rates. (See the VA Handbook for part-time SGLI coverage conversion requirements and limitations.)

2.5.2. Members of the IRR and ING have one year and 120 days from the date they become members of these organizations to apply for VGLI.

2.5.3. To apply for VGLI without any health review, the member should submit an application with the required premium to the Office of SGLI (OSGLI) within 240 days after separation [or assignment to IRR/ING](#).

2.6 Continuation of Coverage

Any election made remains in effect during continuous obligation to perform duty in the same Uniformed Service, including any AD for a period of more than 30 days in which a member is serving and for 120 days thereafter.

3.0 SERVICE NOTIFICATIONS

3.1 Married Member's Designation of a Beneficiary Other Than the Spouse

In accordance with [38 U.S.C. § 1967](#), if a member is married and previously designated his or her spouse as beneficiary for SGLI coverage, and then designates a beneficiary other than his or her current lawful spouse or child(ren), or makes an election for reduced or no coverage, the Secretary concerned will notify the spouse in writing, at the last address of record, of the change in beneficiary. The advisory must be made as quickly as possible or within 30 days from the date of such election. The notification will not include the name(s) of the actual designated beneficiary(ies). [Currently, the Defense Manpower Data Center is handling the release of all spousal notification letters under this provision for all Secretaries concerned.](#)

3.2 Failure of Direct Remitters to Pay Premiums

See [paragraph 5.3](#).

4.0 APPELLATE LEAVE

When placed on appellate leave following confinement with total forfeiture of pay and allowances (during which coverage had been properly stopped, see Table 47-1, rule 9), coverage is not reinstated. If appellate leave is followed by a restoration to duty with pay, then coverage is reinstated on the date the member returns to full duty status and continues during the period of excess leave. Coverage is reinstated at the amount in effect on the day prior to its stoppage.

*5.0 SGLI PREMIUMS

5.1 Premium Rates

The following premium rates are effective July 1, 2019. See Table 47-1, for rules on starting and stopping deductions.

5.1.1. Full-Time Coverage. For members who meet the requirements for full-time coverage, the premium rate is 6 cents per month per \$1,000 of coverage, \$3.00 monthly for each \$50,000, or \$24.00 monthly for the current maximum coverage of \$400,000. An additional \$1 premium is charged each month for TSGLI as described in paragraph 9.7. TSGLI coverage is automatic for those insured under SGLI, and can be declined only by [waiving](#) SGLI coverage.

5.1.2. Part-Time Coverage. The premium rate for part-time coverage is the same as full-time coverage, [it is charged on an annual basis rather than monthly](#). Members of the IRR will be charged \$.80 for maximum coverage (\$.20 per \$100,000) for 1-day call-ups. An additional premium is charged for TSGLI as described in paragraph 9.7. The annual premium is collected from the member's pay account during the first period of duty in which the member is in a pay status.

5.1.3. Proration. Monthly deductions are not prorated for partial months of service. The full monthly premium will be deducted for any month a member is covered for at least 1 day. During months in which coverage amounts change, the full month's premium for the higher coverage rate will be deducted.

5.2 Non-Pay Status

During any month in which a member is assigned to the Ready Reserve of a Uniformed Service, and insured by [SGLI](#), the Uniformed Service concerned will contribute from the appropriation for AD pay, the share of the cost attributable to insuring the member under this policy. Any amounts contributed on behalf of the member will be collected by deduction from the member's pay or otherwise, which may include establishing a debt against the member's pay account, and will be credited to the appropriation from which the contribution was made.

5.3 Direct Remitters

5.3.1. Each Service must have clearly established programs to identify members who are required to make a direct remittance of premiums. Services must notify members at least 30 days in advance of the date the direct remittance is due. The notice will include the amount of the payment, the date it is due, and the Service's address to which the payment should be sent. The member must make remittance within 30 days from the date of the notice.

5.3.2. When the Secretary concerned determines that a member has failed to make direct remittance within 60 days of the due date, the Secretary concerned will send a "Notice of SGLI Termination" to the member's official address. The notice must clearly state that effective 60 days from the date of such notice, the member's SGLI will be terminated. Termination of the insurance may be vacated if, before the expiration of 60 days from the date of the "Notice of SGLI Termination," the member remits all amounts past due for SGLI coverage and can justify the failure to make timely remittance to the Secretary concerned.

5.4 Refunds

Refunds will not be made in the case of amounts deducted before the effective date of any election for reduced or waived coverage. When the OSGLI [disapproves](#) a request for reinstatement of coverage or increased coverage, any increase in premiums withheld pending OSGLI [disapproval](#) will be credited to the member's pay account.

6.0 EXTRA HAZARD COSTS

6.1 Cost

In addition to a deduction from the member's pay, each Military Service contributes from its appropriations an amount (determined by the VA) attributable to the extra hazard cost of SGLI. This premium reflects the cost of death claims in excess of the level of death claims that would result from normal peacetime service.

6.2 Payment

The Military Services centrally pay the premium for extra hazard costs, along with the member premiums to the VA.

*7.0 SETTLEMENT OF SGLI CLAIMS

Death claims are filed with the OSGLI. The order of precedence for payment is the same as prescribed in subparagraph 9.9.3. The OSGLI will reduce the insurance proceeds by the amount of any member premiums not paid. Effective July 1, 2011, the SGLI Form (commonly named and referred to as [SGLV Form 8283](#)), Claim for Death Benefits, and [SGLV Form 8283A](#), Claim for Family Coverage Death Benefits, were updated to reflect the settlement payment options for the beneficiaries are:

7.0.1. Lump Sum – Prudential’s Alliance Account;

7.0.2. Lump Sum – Electronic Funds Transfer (EFT);

7.0.3. Lump Sum – Check; or

7.0.4. Monthly installments.

8.0 FSGLI

*8.1 Eligibility

FSGLI automatically covers [civilian](#) spouses and dependent children (insurable dependents) of Uniformed Service members, [with some exceptions](#). In order for the [civilian](#) spouse and children to be eligible for family coverage, the SERVICE member must be enrolled in the full-time SGLI coverage. Enrollment for members of the Uniformed Services is based on dependent information in the Defense Enrollment Eligibility Reporting System (DEERS). For Marine Corps members, enrollment is based on dependent information in the Marine Corps Total Force System (MCTFS).

NOTE: Effective October 10, 2008, coverage was expanded to include the member's stillborn child.

*8.2 [Civilian](#) Spousal Coverage

The [civilian](#) spouse of an eligible member is automatically covered for \$100,000. [More information about spousal coverage for members married to other members is provided in paragraph 8.5](#). The coverage may be reduced in \$10,000 increments or waived. Coverage of a [civilian](#) spouse cannot exceed the member’s SGLI coverage. For example, if the member’s SGLI coverage is \$50,000, then the coverage for the [civilian](#) spouse cannot exceed \$50,000.

8.3 Cost

The premiums are based on the age and the amount of coverage. The premium rates for the spouse are as follows:

Effective July 1, 2019

Age	Monthly Rate (Per \$1,000)	Monthly Cost (Per \$100,000)
Under 35	\$0.045	\$4.50
35 – 39	\$0.053	\$5.30
40 – 44	\$0.070	\$7.00
45 – 49	\$0.10	\$10.00
50 – 54	\$0.17	\$17.00
55 – 59	\$0.295	\$29.50
60 and Over	\$0.45	\$45.00

8.4 [Dependent Children's Coverage](#)

Dependent children are covered regardless of spousal coverage at no cost to the member. The current coverage amount is \$10,000. The member may not decline coverage or elect to insure any child for less than this amount. In the case of a member married to another member, a child may not be insured by more than one member. The child will be insured by the coverage of the member whose eligibility for insurance occurred first, except in cases where the senior member does not have legal custody of the child. In such cases, the child will be insured under the coverage of the member who has custody of the child.

*8.5 [Member Married to Member](#)

A member married to another member is eligible for coverage under this program. Members who were married on or before January 1, 2013 were automatically enrolled for FSGLI when their marriage was reported to DEERS/MCTFS. Members married on and after January 2, 2013, who want the FSGLI coverage, must complete the FSGLI enrollment documentation through their servicing personnel offices. [On November 27, 2020, VA amended its regulations on SGLI-covered members who marry another SGLI-eligible member \(member spouse\) after January 1, 2013, or a member whose spouse becomes a member spouse after January 1, 2013, to receive FSGLI coverage on a member spouse at the maximum statutory amount or a lesser amount, or to increase existing FSGLI coverage on a member spouse.](#)

[A member married to a member may elect or increase FSGLI coverage for a member spouse, without a requirement to show good health, within 240 days of the member's marriage to another member, the member's spouse entering service, or the member's spouse separating from service. If a member does not elect or increase FSGLI coverage within this 240-day "no health" period, then the member can still receive or increase FSGLI coverage by applying for such coverage and submitting proof of the member spouse's good health. The regulation also states](#)

FSGLI coverage in force at the time a spouse or child enters service will continue and the member is not required to elect or reapply for such coverage.

8.6 Effective Date

Family coverage under SGLI is effective on the latest of the following dates:

8.6.1. The date member enrolled in SGLI;

8.6.2. In the case of the spouse, the date of marriage if the spouse is not a member of the Uniformed Service, or the date of the approved application for Spousal FSGLI coverage; or

8.6.3. In the case of the child, the date of birth. If a child is not a natural child of the member, then the date in which the child acquires status as dependent of the member.

8.7 Reinstatement or Increase in Coverage

Requests to increase or restore FSGLI coverage must be entered in the SGLI Online Enrollment System ([SOES](#)) or by completing the [SGLV Form 8286A](#) (should only be used when SOES is unavailable). The health questions must be answered. Proof of good health of the spouse is required to be eligible to increase or restore FSGLI coverage. If the good health requirement is met, then the effective date of reinstatement or increase of coverage is the date the application is received by the member's branch of service. Proof of health is required for military spouses regardless of that spouse's own SGLI coverage.

*8.8 Termination of Coverage

8.8.1. Family coverage under SGLI will stop 120 days after the date the member makes a written election to terminate SGLI or FSGLI coverage or, the earliest of:

8.8.1.1. 120 days after the date of the member's death;

8.8.1.2. 120 days after the date of the member's separation from service; or

8.8.1.3. In the case of spouse, 120 days after the termination of the marriage; or

8.8.1.4. In the case of child, 120 days after the termination of the dependent status of an insurable dependent of the member.

8.8.2. Spouses, not dependent children, can convert their FSGLI coverage during the 120 day periods to an individual permanent plan of insurance with a participating SGLI Program insurer.

8.9 Refunds

8.10 Beneficiary

The member is the primary beneficiary for family coverage. For the settlement of a claim, refer to section 7.0.

9.0 TSGLI

9.1 Definitions

The following definitions are applicable only to this section.

9.1.1. Traumatic Event. A traumatic event occurs during the application of external force, violence, chemical, biological, or radiological weapons, accidental ingestion of a contaminated substance, or exposure to the elements that cause damage to a living being. A traumatic event does not include cases involving adverse reactions to vaccinations, surgical trauma, or adverse outcomes of medical procedures.

9.1.2. Traumatic Injury Protection. Traumatic injury protection provides for the payment of a specified benefit amount to a member insured by SGLI who sustains a traumatic event that results in a traumatic injury directly resulting in a scheduled loss.

9.2 Eligibility

The TSGLI under the SGLI program provides payments to severely injured members who suffer a scheduled loss as a direct result of traumatic injury incurred under conditions in subparagraph 9.1.1, such as loss of an arm or leg. If a member suffers more than one such qualifying loss as a result of traumatic injury from the same traumatic event, then payment will be made for a single loss providing the highest payment. This monetary assistance helps the member through an often long and arduous treatment and rehabilitation period. In order for a member to be eligible for TSGLI benefits, the member must meet the following requirements:

9.2.1. Be a member of the Uniformed Services and insured by SGLI under paragraph 2.1 on the date of the traumatic event. For this purpose, the member will be considered a member of the Uniformed Services until midnight on the date of termination of the member's duty status in the Uniformed Services that established eligibility for SGLI;

9.2.2. Must suffer a scheduled loss (e.g., an arm, a leg) as a direct result of a traumatic injury and no other cause;

9.2.3. Must survive a period of not less than 7 full days from the date of the traumatic injury. The 7-day period begins on the date and Zulu (Greenwich Meridian) time of the traumatic injury and ends 168 full hours later; and

9.2.4. Must suffer a scheduled loss (e.g., an arm, a leg) within 2 years (730 days) of the traumatic injury.

Note: If injured on or after December 1, 2005, the member must be insured by SGLI at the time of the traumatic event. If injured from October 7, 2001 through November 30, 2005, the member does not need to be insured under SGLI to qualify for a TSGLI payment.

9.3 Limitations

A benefit will not be paid if a scheduled loss is due to a traumatic injury caused by:

9.3.1. The member's attempted suicide, while sane or insane;

9.3.2. An intentionally self-inflicted injury or an attempt to inflict such injury;

9.3.3. Diagnostic procedures, preventive medical procedures such as inoculations, medical or surgical treatment of an illness or disease, or any complications arising from such procedures or treatment;

9.3.4. Willful use of illegal or controlled substance, unless administered or consumed on the advice of a medical doctor; or

9.3.5. Injuries sustained while committing, or attempting to commit, a felony.

9.4 Other Limitations

A benefit will not be paid for a scheduled loss resulting from:

9.4.1. A physical/mental illness or disease, whether or not caused by a traumatic injury, not including illness or disease caused by a pyogenic infection, biological, chemical, or radiological weapons or accidental ingestion of a contaminated substance; or

9.4.2. A mental disorder whether or not caused by a traumatic injury.

9.5 Effective Date

All members covered by the SGLI program will be automatically covered under TSGLI. Members must decline SGLI coverage in order to cancel TSGLI. See Table 47-1 for periods of SGLI coverage.

9.6 Amount of Coverage

Members, who suffer a scheduled loss as a direct result of a traumatic injury and meet all other eligibility criteria, are eligible to receive monetary compensation of not less than \$25,000 and not more than \$100,000.

9.7 TSGLI Premium

Deduct a monthly premium of \$1.00 in addition to SGLI premiums from the member's pay the month the member's SGLI coverage begins. Reservist with Part-Time SGLI coverage pay \$1.00 per year for TSGLI coverage. There is no cost for TSGLI coverage for a member while performing funeral honors and muster duties.

9.8 Termination of TSGLI

9.8.1. TSGLI coverage terminates at midnight of the date of the member's separation from service.

9.8.2. TSGLI coverage is not in effect during the 120-day post-separation period or during the 2-year SGLI disability extension.

9.8.3. TSGLI cannot be converted to VGLI or commercial coverage.

*9.9 Payment of Traumatic Injury Protection Benefit

A member who is eligible for payment under TSGLI will have the benefit paid directly to him/her, except in the following circumstances:

9.9.1. If the member is legally incapacitated, then the member's legal guardian, conservator, or attorney acting under a valid Power of Attorney, will be paid the benefit on behalf of the member.

9.9.2. If no guardian, conservator, or attorney is authorized to act as the member's legal representative, then a military trustee who has been appointed will be paid the benefit on behalf of the member. The military trustee will report the receipt of the traumatic injury benefit payment and any disbursements from that payment to the DoD per subparagraph 10.3.4.

9.9.3. If a member who is eligible for payment of TSGLI benefits dies before payment is made, then the beneficiary or beneficiaries will be paid the benefit in the following order of precedence:

9.9.3.1. Beneficiary designated by the member in writing, if the designation is received by the Military Department concerned before the member's death;

9.9.3.2. Surviving spouse;

9.9.3.3. Children and their descendants, by representation. The term "children" includes the following:

9.9.3.3.1. Legitimate Children;

9.9.3.3.2. Legally Adopted Children; and

9.9.3.3.3. Illegitimate Children. The illegitimate child of a female member is an eligible beneficiary. An illegitimate child of a male member is an eligible beneficiary only if:

9.9.3.3.3.1. The member acknowledges the child, in writing, with a signature;

9.9.3.3.3.2. The member has been judicially ordered to contribute to the child's support;

9.9.3.3.3.3. The member has been, before his death, judicially decreed to be the father of such child;

9.9.3.3.3.4. Proof of paternity is established by a certified copy of the public record of birth or church record of baptism showing that the insured was the informant and was named as father of the child; or

9.9.3.3.3.5. Proof of paternity is established from service department or other public records, such as school or welfare agencies, which show that with his knowledge the insured was named as father of the child;

NOTE: A stepchild is not an eligible beneficiary unless adopted by the deceased member.

9.9.3.4. Father and mother in equal parts or, if either is dead, then the survivor;

9.9.3.5. Legal representative of the deceased member's estate; or

9.9.3.6. Other next of kin entitled under the law of the domicile of the deceased member.

9.10 Taxability

All benefits paid under any law administered by the VA are exempt from taxation. SGLI is a benefit administered by the VA, therefore, is not taxable. If an overpayment occurs and the overpayment is not returned, then the benefit may be taxable.

9.11 Settlement of Claims

The member must complete and sign Part A of the SGLV 8600, Application for TSGLI Benefits, and then have a medical professional, who is a licensed practitioner of the healing arts acting in the scope of his/her practice, complete Part B. The application must then be submitted to the member's Service representative for review and certification. Once the claim is approved, the Service representative will forward the claim to OSGLI for payment.

9.12 Appeal of Eligibility Determination

To appeal the denial of a claim for TSGLI benefits, an appeal of eligibility determination must be submitted in writing by the member or member's legal representative, or by the beneficiary or the beneficiary's legal representative, within 1 year of the date of the denial of eligibility. The appeal must be submitted to the office of the Uniformed Service identified in the decision regarding the member's eligibility for the benefit.

*10.0 DESIGNATION OF FIDUCIARY OR TRUSTEE UNDER TSGLI

10.1 Authority

The Secretary concerned, in consultation with the Secretary of VA, will develop a process for the designation of a fiduciary or trustee of a member of the Uniformed Services who is insured against traumatic injury under section 9.0. The trustee will receive payment for a qualifying loss in the [circumstance specified in paragraph 10.2](#).

10.2 Appointment of Fiduciary or Trustee

If a member is legally incapacitated and has no legal guardian, conservator, or attorney acting on his or her behalf, then a fiduciary or trustee may be appointed to act on the member's behalf. The authority to appoint military trustees has been delegated to the Director, DFAS Cleveland.

10.2.1. The fiduciary or trustee appointed by the Director, DFAS Cleveland, has the authority to receive, expend, and account for monies received from the military and, specifically under this section, TSGLI benefits. The trustee must use the monies received for the benefit of the incompetent member.

10.2.2. All applications to appoint a trustee and related documentation should be submitted to:

Defense Finance and Accounting Service
U.S. Military Retired Pay
8899 E. 56th Street
Indianapolis, IN 46249-1200

10.2.3. The Director, DFAS Cleveland, may designate one of the following persons as trustee for an incompetent military member, if the person (except for a lawful spouse) is 21 years of age or over:

10.2.3.1. Lawful spouse (not subject to age requirement);

10.2.3.2. Children:

10.2.3.2.1. Legitimate Child; or

10.2.3.2.2. Adopted Child;

10.2.3.3. Father and mother;

10.2.3.4. Head of an institution, if member is a patient; or

10.2.3.5. Any other person or persons, if determined to be in the best interest of the member.

*10.3 Authority of Fiduciary or Trustee

The fiduciary or trustee:

10.3.1. Will submit a DoD [\(DD\) Form 2827](#), Application for Trusteeship, as verification of appointment as trustee of the member;

10.3.2. 10.3.2. [May request either EFT or check. If fiduciary or trustee does not select a payment option, the TSGLI will be paid by check; and](#)

10.3.3. Must provide an annual accounting of any disbursements, including the TSGLI payments, to the Director, DFAS Cleveland. The report must show all funds received, all expenditures made on behalf of the member, and a statement of the condition of the trustee's account at the time the report is submitted. Upon request, the trustee may be required to provide receipts, cancelled checks, voucher accounts, savings account passbook, and other supporting financial documents of the trustee account.

11.0 REIMBURSEMENT ALLOWANCE FOR SGLI PREMIUM DEDUCTION

11.1 General

Effective December 23, 2016, the Secretary concerned will pay an allowance to a member of the Armed Forces based on the SGLI premium of the SGLI coverage held by a member while serving in a designated duty assignment at any time during the month. For the purpose of reimbursement allowance for SGLI deduction, the term "designated duty assignment" means a permanent or temporary duty assignment outside the United States or its possessions in support of a contingency operation in an area that:

11.1.1 Has been designated a combat zone; or

11.1.2 Is in direct support of an area that has been designated a combat zone.

11.2 Premiums

The allowance is equal to the SGLI premium for the SGLI coverage the member elected plus the premium for TSGLI. See the following example to determine the amount of the allowance.

Example: A member, deployed in August 2019 to a designated duty assignment, chooses to retain coverage of \$400,000. That member's August 2019 premium would be \$25.00 (\$3.00 for \$50,000 of coverage times 8, plus \$1.00 for TSGLI). The allowance reimbursement would equal the premium of \$25.00.

11.3 Tax Implication

The premium amount for the first \$50,000 of coverage is excluded from taxable income. Therefore, and based on the example in paragraph 11.2, the member's taxable amount is \$22.00 (\$25.00 less \$3.00). The \$22.00 amount may also be excludable from taxable income if the amount is earned while serving in a Combat Zone Tax Exclusion (CZTE) area. For officers, however, the exclusion of the allowance from taxable income is subject to application of the monthly maximum CZTE. See Chapter 44.

12.0 MAXIMUM COVERAGE REQUIREMENT

Effective August 13, 2018, in accordance with 38 U.S.C. § 1967, a member deployed to a combat theater of operations must be insured for the maximum amount of coverage under the SGLI program while deployed. The maximum amount of coverage begins on the date of deployment. At midnight on the last day of the month of the Service member's return from deployment, their coverage will return to the amount they had prior to deployment. Any member required to have such coverage will be reimbursed under section 11.0.

Example 1: A member on AD declines coverages in April 2019, then is deployed to a combat theater of operations on July 10, 2019, and returns on August 15, 2019. The member will have maximum coverage from July 10 through August 31. On September 1, SGLI coverage will return to zero.

Example 2: A Ready Reservist reduced SGLI coverage to \$200,000 upon entering the Ready Reserves. The Ready Reservist is called to AD in a combat theater of operations in July 2019. SGLI coverage automatically increases to the maximum SGLI coverage level due to the change of duty status in July 2019. The Ready Reservist deploys to the combat theater of operations in August 2019. The Ready Reservist cannot decline coverage while deployed to the combat theater of operations, as the law requires maximum coverage during a deployment to a combat theater of operations. The Ready Reservist returns from the combat theater of operations in December 2019. The Ready Reservist can now reduce his SGLI coverage to \$200,000 again. However, his coverage will again increase to the maximum coverage level when he returns to Reserve status because this is a change of duty status from AD to reserve. Maximum basic coverage is automatically in effect unless member again chooses a reduced amount.

13.0 SGLI ONLINE ENROLLMENT SYSTEM

Members with full-time SGLI coverage [are](#) no longer required to complete the paper SGLV 8286 to make changes to their coverage or beneficiary elections. Instead, members must utilize the online system, SOES, to manage their SGLI coverages, beneficiaries, and to make election changes.

Members should access SOES whenever they make a beneficiary designation or change a previous designation. When Service members who previously declined coverage have their coverage automatically restored to the maximum coverage level due to either a change in duty status or during a deployment to a combat theater of operations (See section 12.0), should be advised to go into SOES to name beneficiaries. If no beneficiaries are named, payment in the event of death would be made based on the order of precedence provided for in [38 U.S.C. § 1970](#).

*Table 47-1. Effective Dates of SGLI Coverage and Deductions (Full-Time and Part-Time)

For deduction refunds, see paragraph 5.4.

NOTES:

1. Members in an excess leave status normally remain eligible for coverage. (See section 4.0 for the appellate leave exception.) Establish monthly premiums in such cases as deductions against member pay accounts or collect as cash according to procedures of the Military Service concerned.
2. First-time enlistees in the Ready Reserves are eligible for coverage on the date of enlistment when assigned to a Ready Reserve unit, whether they are or are not required to participate in periods of IDT and have not yet been called to their initial AD period. This does not apply to delayed entry AD enlistees.

*Table 47-1. Effective Dates of SGLI Coverage and Deductions (Full-Time and Part-Time)
(Continued)

3. Elections made by Reserve Component members remain in effect during continuous obligation to perform duty in the same Uniformed Service. Reserve Component members are not required to reelect or reapply for their desired level of coverage each time they perform duty. For the exception, see rule 8.
4. A new period of coverage begins and new elections must be submitted when a member resumes an obligation to perform duty or reenters on duty in the same Uniformed Service more than 1 day following termination of previous obligation; or when a member assumes an obligation to perform duty and enters on duty in a different Uniformed Service at any time. A member entering active duty after a break in service is automatically covered by the maximum basic coverage, until the member elects otherwise, even though the member may have converted former SGLI coverage to an individual policy following last discharge or release from active duty. A former member, insured under the VGLI Program, who [reenters service and is automatically covered by SGLI for \\$400,000, is notified by OSGLI that they have coverage under SGLI and VGLI and that maximum coverage under law is \\$400,000. These members should consider ending their VGLI coverage and retain their SGLI coverage. They will once again become eligible to apply for VGLI upon leaving the service after they separate from service.](#)
5. Any previous election for less than \$400,000 is cancelled. Maximum basic coverage is automatically in effect unless member again chooses a reduced amount.
6. For members covered on a part-time basis, an election for reduced or no coverage is effective at the end of the last day of the duty period being performed. If the election is made outside a duty period, then the reduced or waived coverage is effective when the election is received by the Military Service.
7. Increase or reinstatement of coverage is contingent upon application by the member and approval by the OSGLI.
8. In the case of members totally disabled on the date of separation from such duty, the member may apply for the SGLI Disability Extension with OSGLI. If approved, the insurance will [be in effect at no cost to the member for two years after the date of separation or on the date the insured ceases to be totally disabled, whichever is earlier, but in no event prior to the expiration of 120 days after separation. Members will receive notice from OSGLI prior to the end of the SGLI Disability Extension that coverage will end and they should remit their first VGLI premium prior to the end of the Extension to ensure future coverage. A VGLI application is not required in this situation.](#)
9. Part-time coverage is in effect only on the days of:
 - a. [Active Periods.](#) Eligible members of the Reserves or National Guard performing AD or ADT, under calls or orders specifying periods less than 31 days, are insured during actual days.
 - b. [Inactive Periods.](#) Eligible members of the Reserves or National Guard, performing IDT (brief periods of less than a day of drills) scheduled in advance by competent authority to begin at a specific time and place, are insured during the actual time of such IDT period. Part-time coverage is in effect for IDT, if the site is outside reasonable commuting distance from the member's residence, and includes the time-period of travel to and from such duty, while remaining:

*Table 47-1. Effective Dates of SGLI Coverage and Deductions (Full-Time and Part-Time)
(Continued)

1. overnight immediately before the commencement of IDT;
 2. overnight between successive periods of IDT; or
 3. in the vicinity of the site of the IDT.
- c. En Route. Members are also covered while proceeding directly to and returning directly from the Reservist active or inactive period of duty.

Note: Members eligible for part-time coverage become eligible for full-time coverage when they perform AD or ADT, under calls or orders that do not specify periods of less than 31 days.

10. Coverage continues for 120 days after the period of duty if the member, during that duty period, incurs or aggravates a disability and the disability renders the member uninsurable at standard premium rates, according to good health standards approved by the VA, and determined by the OSGLI.
11. Members carried in an absent without leave or confined status, except for an offense listed in paragraph 2.3, remain eligible for coverage. Insurance terminated under the provisions of rule 9, together with any elections made, will be automatically reinstated as of the date the member is restored to duty with pay. Start premium deductions at the appropriate rate on the month of the date the member is restored to duty with pay.
12. Members restored to duty under conditions, which, in effect, result in a remission of sentence, may apply for reinstatement of coverage under rule 4.

CHAPTER 48

COURT-MARTIAL SENTENCES

1.0 GENERAL

1.1 Purpose

The purpose of this chapter is to establish policy regarding the impact of court-martial sentences on military pay. This chapter provides policy applicable to cases in which charges are referred to trial by court-martial on or after January 1, 2019. See the previous version of this chapter, dated February 2014, for policy applicable to cases in which the charges were referred to trial by court-martial prior to January 1, 2019.

1.2 Authoritative Guidance

The pay policies and requirements established by Department of Defense in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), including Titles 10, 24, and 37. Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 EFFECT OF SENTENCES ON PAY AND ALLOWANCES

2.1 Forfeitures

2.1.1. A sentence to partial forfeiture of pay deprives a member of the amount of pay stated in the sentence. The sentence applies for the number of months or days expressly stated.

2.1.2. Forfeitures apply to pay (and allowances if total forfeitures of pay and allowances are adjudged or imposed by law) becoming due on and after the date forfeitures are effective (see paragraph 6.1), unless the convening authority defers, suspends or remits the forfeitures.

2.2 Fines

A fine is in the nature of a judgment. Fines are effective upon entry of judgment in general and special courts-martial and upon convening authority approval in summary courts-martial. A fine makes a member liable to the United States for the amounts specified in the sentence.

2.3 Forfeiture of Allowances

A general court-martial sentence that includes forfeiture of pay does not include allowances unless it states that it is a forfeiture of all pay and allowances.

3.0 REDUCTIONS IN GRADE

3.1 Automatic Reduction in Grade

A court-martial sentence, as set forth in the judgment of the court-martial entered into the record, that includes a dishonorable or bad conduct discharge, confinement, or hard labor without confinement, by operation of law, reduces an enlisted member to pay grade E-1 effective the date the judgment is entered into the record. If the sentence of a member who is thus reduced in pay grade is set aside or disapproved, or, as finally affirmed, does not include any of the above punishments, all rights and privileges denied the member because of the reduction are restored. The member is entitled to the pay and allowances to which the member would have been entitled, for the period the reduction was in effect, had the grade reduction not been applied.

3.2 Reduction in Grade Adjudged in Court-Martial Sentence

A reduction in grade that is adjudged in a court-martial sentence takes effect 14 days after the sentence is announced, except in a summary court-martial. In a summary court-martial, an adjudged reduction in grade is effective the date the sentence is approved by the convening authority, or on the 14th day after the sentence is announced, whichever is earlier.

4.0 FORFEITURES

4.1 Pay Subject to Forfeiture

Forfeitures, other than total forfeitures apply to:

4.1.1. Basic pay, based on the member's years of service; and

4.1.2. Career sea pay or hardship duty pay, provided such pay continues to accrue after the effective date of the sentence.

NOTE: Pay allotted voluntarily is subject to forfeiture.

4.2 Pay Not Subject to Forfeiture

Forfeitures, other than total forfeitures of pay and allowances, do not apply to special (other than sea or hardship duty pay) or incentive pay.

4.3 Taxes

A forfeiture is a loss of entitlement to the pay involved. Consequently, forfeitures are not taxed. Compute the amount of pay to be forfeited before withholding for federal and state income and Federal Insurance Contribution Act (FICA) taxes. Compute taxes from the remaining pay not forfeited. See subparagraph 4.7.3.1 for taxation of forfeitures waived for the benefit of dependents.

4.4 Reduction in Grade

If a member's sentence includes or requires a reduction in grade, apply forfeitures to the pay of the grade to which reduced.

4.5 Concurrent Forfeitures

Forfeitures resulting from multiple court-martial sentences can run concurrently. However, the forfeitures, when combined, cannot exceed the applicable jurisdictional limit. For example, if two or more forfeitures result from courts-martial under which the maximum forfeiture which could be imposed is two-thirds of the pay subject to forfeiture, then collect no more than two-thirds of the pay subject to forfeiture for the concurrent period. Following the concurrent period, pay is forfeited under the remaining sentence at the rate specified in the sentence for the time remaining in that sentence.

4.6 Non-Collection of Ordered Forfeitures

If any amount ordered forfeited is not actually withheld or collected during the period specified by the approved sentence, such amount may be collected involuntarily as an erroneous payment as provided in Volume 16.

4.7 Automatic Forfeiture During Certain Court-Martial Confinements and Periods of Parole

4.7.1. General Court-Martial. A member automatically forfeits all pay and allowances while in confinement or in a parole status when the member's sentence includes:

4.7.1.1. Death;

4.7.1.2. Confinement for more than six months; or

4.7.1.3. Confinement of any length and either a dishonorable discharge, a bad conduct discharge, or a dismissal.

4.7.2. Special Court-Martial. The forfeiture provisions in subparagraph 4.7.1 also apply for sentences adjudged by special court-martial. However, automatic forfeitures are limited to two-thirds of all pay. Allowances are not subject to automatic forfeiture in special courts-martial.

4.7.3. Waiver of Forfeitures in Favor of Dependents. The convening authority or a person acting under [10 U.S.C. § 860a](#) or [10 U.S.C. § 860b](#) may waive any or all of the forfeitures of pay and allowances that were imposed by operation of law ("automatically") for a period not to exceed six months. The portion waived is payable to the accused member's dependent(s) as directed by the convening authority or person taking action.

4.7.3.1. Intent of Waiver and Taxability of Waived Forfeiture Amount. Direct payments to dependents, of the waived portion of a forfeiture are intended to provide transitional compensation and direct financial assistance. Because the waived portion of the forfeiture remains

wages generated by the member's military status, it is taxable income to the accused member, even though paid to the member's dependents. Therefore, after appropriate federal, state, and FICA taxes are withheld from the taxable portion of the waived forfeiture amount, the remaining (net) waived amount is paid to the member's dependent(s), as directed. See Chapter 44, Table 44-1.

4.7.3.2. Other Deductions and Collections. The Uniformed Code of Military Justice (UCMJ) contains no provisions for the deduction of any of the items appearing in Chapter 52, Table 52-1 from the waived forfeiture of pay and allowances. Therefore, only applicable taxes listed in subparagraph 4.7.3.1, may be deducted from the waived portion of pay and allowances that would otherwise be forfeited, with the remaining amount paid to the member's dependent(s), as directed by the convening authority. See Chapter 44, Table 44-1 and Chapter 45, Table 45-1.

4.7.4. Effect of Disapproval, Set Aside, or Reduction of Punishment. If the sentence of a member who forfeits pay and allowances under paragraph 4.7 is set aside, disapproved or, as finally approved, does not provide for a punishment listed in subparagraph 4.7.1, then pay the member the pay and allowances the member would have been paid, except for the automatic forfeiture, for the period during which the automatic forfeiture was in effect. The payment to the member should be reduced by the amount of any payments made to the member's dependents under subparagraph 4.7.3.

NOTE: Amounts paid to a member under subparagraph 4.7.4, when a punishment has been disapproved, set aside, or reduced, are taxable income in the year they are paid to the member and are subject to appropriate withholding of federal and state taxes.

4.8 No Collection of Forfeitures of Pay During Appellate Leave

A member who has accrued leave before entering an appellate leave status will use his/her accrued leave for the period of appellate leave, unless the member elects to be paid for such accrued leave in a lump sum. Forfeitures will not be deducted from these leave payments in either situation.

5.0 EFFECTIVE DATES OF FINES AND FORFEITURES

5.1 Fines

A fine that is adjudged in a general or special court-martial takes effect when the judgment is entered into the record. A fine adjudged in a summary court-martial takes effect when the convening authority acts on the sentence.

5.2 Forfeitures

5.2.1. Forfeitures of pay or pay and allowances begin 14 days after the sentence is announced, except in the case of a summary court-martial. Forfeitures imposed by a summary court-martial begin on the date the convening authority approves the part of the sentence establishing the forfeiture.

5.2.2. Upon application by the accused, the convening authority may defer the start of the forfeiture any time after the adjournment of the court-martial and before the entry of the judgment. Deferment of a sentence to forfeiture ends when the judge enters the judgment into the record, except in a summary court-martial. In a summary court-martial, the deferment ends when the convening authority acts on the sentence. The convening authority may rescind a deferment at any time.

6.0 COLLECTION

6.1 Forfeitures

Since court-martial forfeitures constitute a loss of entitlement to the pay or pay and allowances concerned, they constitute a reduction of pay that takes precedence over all debts. (See Chapter 52, Table 52-1, rule 1).

6.2 Fines

Fines constitute indebtedness to the United States. Collect fines as follows:

6.2.1. Current Pay. Fines may be collected involuntarily from the current pay of all members. They are collected after all other prior indebtedness for the period involved has been collected. If prior deductions reduce the member's pay by two-thirds of gross pay for any month, no pay accrues against which fines may be applied. In such case, defer collection of fines until pay accrues against which they may be applied.

6.2.2. Final Pay. Fines may be collected involuntarily from a member's final pay after all other indebtedness is collected. Collections will not reduce pay received by enlisted members of the Army or Air Force to less than one-third of gross pay. Separation travel allowances and donations on discharge will not be used to liquidate an indebtedness for enlisted members. Otherwise, all final pay and amounts due the member at separation may be collected involuntarily. See Volume 16.

6.2.3. Appellate Leave. Members on appellate leave are subject to the collection of fines from any lump sum payment of accrued leave paid at the commencement of appellate leave.

6.3 Rate of Collection

Charge forfeitures of pay against a member's pay at the rate required by the sentence until the sentence is fully satisfied. Prorate the monthly rate of forfeiture on a daily basis for a portion of a month. The language of a sentence determines the amount of the fine or forfeiture. Pay cannot be forfeited by implication. For example, a sentence stating, "forfeiture of \$20 per month for 6 months" means a forfeiture of \$120 to be collected at \$20 per month. Conversely, a sentence stating, "forfeiture of \$20 for 6 months" means a total forfeiture of \$20 is to be collected.

6.4 Non-Pay Status

During periods when a member is in a non-pay status, pay does not accrue against which forfeitures can apply. Do not count such periods in computing the time during which pay is forfeited for a specific period.

6.5 Restoration to Duty

A member restored to duty following a non-pay status is again entitled to pay against which forfeitures may apply.

6.6 Service Beyond Estimated Term of Service (ETS) for Medical Care

The pay and allowances of an enlisted member retained beyond ETS for medical care or hospitalization are subject to forfeitures and fines.

6.7 Non-Collection Due to Administrative Error

Collect court-martial forfeitures not collected due to administrative error when the error is discovered. Collection may be made for the court-martial forfeiture or for erroneous payments made during the period covered by the sentence. Indebtedness of this type cannot be remitted under statutes authorizing remission of indebtedness.

6.8 Pay Due or Accrued

Forfeitures apply to pay earned on and after the effective date of the forfeiture.

6.9 Collection From Members in a Reserve Status

All punishments remaining unserved at the time a member of a Reserve Component is released from active duty or a normal period of inactive duty training may be carried over to subsequent periods of inactive-duty training or active duty.

7.0 REMISSION, SUSPENSION, AND CANCELLATION OF FORFEITURES

7.1 Death or Separation

7.1.1. The death or discharge of a member under a suspended sentence operates as a complete remission of any unexecuted or unremitted part of a sentence.

7.1.2. Discharge, release from active duty (except under paragraph 6.9), or death of a member under an unsuspended sentence to forfeiture cancels any uncollected portion of the forfeiture which would extend beyond the date of discharge, release, or death.

7.2 End of Term of Service, Unauthorized Absence, or Desertion

The end of term of service of a member in military confinement, unauthorized absence or desertion of a member, stops collections of uncollected forfeitures since no pay accrues against which forfeitures can operate. If an unauthorized absentee or deserter is restored to pay status, then resume otherwise proper collections.

7.3 Restoration to Duty

If a member who was sentenced to total forfeitures and confinement is released from confinement after serving the sentence and is restored to duty, the member is entitled to pay and allowances from the date restored to duty, and the forfeiture becomes inoperative thereafter unless the sentence expressly includes partial post-confinement forfeitures. This applies even though no other action may have been taken to suspend, remit, or mitigate the sentence to total forfeiture.

7.4 Effective Date

An order remitting, mitigating, or suspending the unexecuted portion of a sentence is effective from the date of the order, except when a later date is specified. An order remitting a sentence to fine or forfeiture relieves the member of the unexecuted portion of the forfeiture or fine on and after the effective date.

7.5 Suspension of a Sentence

Suspension of a sentence grants the accused a probationary period during which the suspended part of the sentence is not executed.

7.5.1. Remission

Upon successful completion of the probationary period, the suspended part of the sentence is remitted. Remission cancels the unexecuted part of the sentence to which it applies. When an unexecuted portion of a sentence to forfeiture or fine is remitted, the member is no longer subject to the unexecuted forfeiture or fine.

7.5.2. Vacation of Suspension

Suspensions can be vacated if the accused does not successfully complete the probationary period. When a suspension of a forfeiture or fine is vacated, the uncollected forfeiture or fine is revived and proper for collection.

8.0 SENTENCES DISAPPROVED OR SET ASIDE

8.1 When New Trial or Rehearing Is Not Ordered

When a court-martial sentence is set aside or disapproved and a new trial or rehearing is not ordered, all rights, privileges, and property affected by the executed part of the sentence are restored to the member. Such restoration includes any pay and allowances lost as a result of an adjudged or automatic forfeiture and an adjudged or automatic reduction in grade.

8.2 New Trial or Rehearing Ordered

8.2.1. Pay Entitlements While Awaiting New Trial or Rehearing

In accordance with regulations established by the Secretary concerned, for the period after the date on which an executed part of a court-martial sentence is set aside, an accused who is pending a rehearing, new trial, or other trial shall receive the pay and allowances due at the restored grade.

8.2.2. Pay Entitlements After Rehearing or New Trial is Completed

8.2.2.1. An accused member is entitled to restoration of all rights, privileges, and property affected by an executed portion of a court-martial sentence that has been set aside or disapproved by proper authority, unless a new trial, other trial, or rehearing is ordered and such executed part is included in the sentence imposed at the new trial, other trial, or rehearing.

8.2.2.2. When a previously executed dishonorable or bad conduct discharge is not imposed by a new trial, the member is entitled to the pay and allowances which the member would have received had the dishonorable or bad conduct discharge not been executed. When a previously executed dismissal of an officer is not imposed by a new trial, an administrative discharge is substituted. The President may reappoint the officer to the grade and rank the officer would have attained if the officer had not been dismissed. The total time between the dismissal and reappointment is considered as actual service for all purposes, including pay and allowances.

8.3 Limits on New Trial or Rehearing Sentences

Generally, a member may not receive a sentence in a new trial or rehearing in excess of or more severe than the approved sentence that was subsequently set aside.

9.0 PAY AND ALLOWANCES WHILE ON PAROLE

A member released on parole from a disciplinary barracks is considered to be in an authorized leave status and is entitled to pay and allowances to the extent the member has unused accrued leave to the member's credit, less any fines and forfeitures still remaining in effect. Once the member's accrued leave has been used, the member is considered to be in an excess leave or leave without pay status and is not entitled to pay and allowances during this period unless, upon appellate review, the conviction is completely overturned or set aside. If the member is subject to a new trial or rehearing, however, apply the provisions of paragraph 8.2.

10.0 DISPOSITION OF COURT-MARTIAL FORFEITURES AND FINES

Armed Forces (regular and Reserve) court-martial forfeitures and fines of enlisted members, warrant officers, and limited duty officers in excess of government indebtedness and amounts owed any individuals will be transferred to the Armed Forces Retirement Home Trust Fund. For purposes of this section only, the term "government indebtedness" refers to an amount due from the member for reimbursement to the government. For example, the repayment of an advance of pay is a reimbursement but, an amount due to the Internal Revenue Service, while considered a debt to the government, is not a "reimbursement" or "government indebtedness," for purposes of this section. For the purposes of this section, the term "amounts owed any individuals" refers to amounts owed from a member's pay by direction of a commanding officer pursuant to [Article 139](#) of the UCMJ.

10.1 Separation From Service Not Involved

When enlisted members, warrant officers or limited duty officers have been sentenced by court-martial to forfeit all or part of their pay, no part of the forfeiture is creditable to the Armed Forces Retirement Home Trust Fund until amounts equal to all outstanding indebtedness to the government and amounts owed any individuals have been withheld. Transfer only those amounts forfeited that are in excess of any government indebtedness or amounts owed any individuals.

10.2 Members Who Are Being Separated From Service

A court-martial forfeiture of a limited duty officer, warrant officer, or enlisted member is not credited to the Armed Forces Retirement Home Trust Fund when the member has unsatisfied indebtedness at date of separation, except as shown in paragraph 10.3. Such forfeitures remain in the military personnel appropriation. If the unsatisfied debt at separation is less than the forfeiture, credit the difference between the aggregate unsatisfied debt and the forfeiture to the Armed Forces Retirement Home Trust Fund. (For example: If the uncollected indebtedness is \$500 and forfeiture is \$600, credit to the Armed Forces Retirement Home Trust Fund the difference of \$100 between the unsatisfied indebtedness and the forfeiture.) Transfer amounts collected afterward to counterbalance the indebtedness not to exceed the aggregate forfeiture, less amounts previously credited to the Armed Forces Retirement Home Trust Fund.

10.3 Indebtedness After Forfeiture Becomes Effective

If debts occur to enlisted members, warrant officers or limited duty officers after a court-martial has been executed and before credit of the forfeiture has been made to the Armed Forces Retirement Home Trust Fund, such debts will not affect the disposition of the forfeiture. Credit the forfeiture to the Armed Forces Retirement Home Trust Fund as if the indebtedness did not exist.

10.4 Remission of Indebtedness

If a court-martial forfeiture of an enlisted member, warrant officer or limited duty officer is not credited to the Armed Forces Retirement Home Trust Fund due to outstanding debts, and the unliquidated portion of the debts is thereafter remitted or cancelled, do not credit the forfeiture that equals the amount of indebtedness remitted or cancelled to the Armed Forces Retirement Home Trust Fund. That amount remains in the military personnel appropriation.

10.5 Commissioned Officers

Credit court-martial forfeitures and fines of commissioned officers (except limited duty officers and warrant officers) to the appropriation to which the member's pay is properly chargeable.

11.0 FORFEITURE SENTENCES CARRIED OVER TO SUBSEQUENT RESERVE COMPONENT DUTY

11.1 General

In the case of a forfeiture sentence carried forward according to paragraph 6.9, convert the stated amount of forfeiture to a percentage using the monthly rate of basic pay in Chapter 1, Tables 1-7 through 1-10 for the member's grade and length of service on the date the forfeiture sentence is entered into the record. Apply that percentage to the pay for every period of duty the member actually performs during the stated period of the forfeiture sentence.

11.2 Time Restriction

The forfeiture sentence is satisfied by collection from duty performed during the stated period of forfeiture only. If a member performs no duty during the stated period of the forfeiture sentence, no further collection action is necessary.

Example:

11.2.1. A member, E-4, receives a sentence which includes a forfeiture (either non-judicial punishment or court-martial sentence) of \$200 a month for 2 months (\$400).

11.2.2. The member's monthly rate of pay is \$912.60.

11.2.3. Convert the original forfeiture to a percentage, $(200/912.60) = 21.92\%$.

11.2.4. For each period of duty performed during the stated period of the sentence (2 months), collect 21.92% of the member's pay from active duty and inactive duty training pay.

CHAPTER 49

NON-JUDICIAL PUNISHMENT

1.0 GENERAL

1.1 Purpose

This chapter describes the impact and limitations of non-judicial punishment on a member's pay.

1.2 Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), including Title 10. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 AUTHORIZED PUNISHMENTS AFFECTING PAY

Non-judicial punishments which affect pay are forfeiture of pay, reduction in grade, or a combination of these. Except as provided in this chapter, provisions of Chapter 48 relating to forfeiture of pay and reduction in grade by courts-martial also apply when such penalties are imposed as non-judicial punishment.

3.0 LIMITATIONS

3.1 Maximum Forfeiture of Pay

The maximum forfeiture of pay which may be imposed under Article 15, Uniform Code of Military Justice, is outlined in the Manual for Courts-Martial (MCM), United States (2016 Edition), Part V; and Title 10, U.S.C., section 815 ([10 U.S.C. § 815](#)).

3.2 Forfeiture of Pay

When punishment includes both a reduction in grade, whether or not suspended, and a forfeiture of pay, the forfeiture of pay is based on the grade to which the member was reduced. The amount to be forfeited must be expressed in whole dollar amounts only and not in a number of days pay or fractions of monthly pay. If the forfeiture is to be applied for more than 1 month, the amount to be forfeited per month and the number of months should be stated. Forfeiture of pay may not extend to any pay accrued before the date of its imposition.

4.0 SUSPENSION, REMISSION, SETTING ASIDE, AND MITIGATION OF NON-JUDICIAL PUNISHMENT

See Table 49-1.

5.0 EXECUTION OF PUNISHMENT DURING APPEAL PROCEDURES

A member who incurs non-judicial punishment that the member considers unjust or out of proportion to the offense may, through proper channels, appeal to the next higher authority. The member may be required to undergo the adjudged punishment pending determination of the appeal.

6.0 EFFECTIVE DATES

Forfeitures of pay and reductions in grade, if unsuspended, are effective on the date the commander imposes the punishment. (For Navy and Marine Corps members, however, non-judicial forfeitures of pay do not run concurrently. If a forfeiture of pay is imposed by a non-judicial punishment while a prior forfeiture of pay is still in effect, it will not commence until the prior forfeiture of pay is completed.) Pay accrued by a member before the imposition of the punishment is not subject to forfeiture. When a forfeiture of pay is suspended, the suspension takes effect on the date of the action. When a member is restored to a higher grade by suspension of a reduction in grade, the member is entitled to pay of the higher grade only from the date of suspension. If, however, a reduction in grade or forfeiture of pay is set aside and all rights, privileges, and property affected by it are restored, then the member is entitled to pay as though the reduction in grade had never been imposed. When the suspension of a punishment is vacated, the effective date for pay purposes is the date of the vacation.

7.0 DISPOSITION OF FORFEITURES OF PAY COLLECTED BY NON-JUDICIAL PUNISHMENT

Disposition of pay forfeited as a result of a non-judicial punishment is treated similar to pay forfeited by court-martial action. Refer to Chapter 48, section 11.0 for disposition policies.

Table 49-1. Suspension, Remission, Setting Aside, and Mitigation of Non-Judicial Punishment

R U L E	When non- judicial punishment is	and the punishment has	then the officer imposing the punishment, or the successor in command, may suspend the punish- ment probationally	or
1	forfeiture of pay	not been executed (note 1)	at any time	remit or set the forfeiture of pay aside (in whole or in part), or mitigate it to lesser forfeiture of pay (note 2).
2	reduction in grade	not been executed	at any time	remit or set the reduction in grade aside, or mitigate it to a forfeiture of pay (note 2 and 3).
3	forfeiture of pay	been executed	only within 4 months after execution	set the forfeiture of pay aside (in whole or in part) (note 4).
4	reduction in grade	been executed	only within 4 months after execution	set the reduction in grade aside in whole or in part, or mitigate it to forfeiture of pay (note 3 and 4).

NOTES:

1. An uncollected forfeiture of pay is considered to be unexecuted during the period for which it was imposed. Upon the expiration of the forfeiture period all unsuspended forfeitures of pay, whether or not collected, are fully executed.
2. The unexecuted portion of a forfeiture or reduction in grade can be remitted at any time.
3. If mitigated, the amount of forfeiture of pay may not be greater than the amount that could have been imposed initially by the officer who imposed the reduction in grade.
4. The power to set aside an executed punishment should ordinarily be exercised only within a reasonable time after the punishment has been executed. Four months is a reasonable time in the absence of unusual circumstances.

BANKRUPTCY

1.0 GENERAL

1.1 Purpose

This chapter prescribes the policies to be followed when a Service member files a petition of bankruptcy under Title 11, United States Code (U.S.C.), Chapter 7 or 13.

1.2 Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with U.S.C. Titles 11 and 31. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in the reference section at the end of the chapter.

2.0 BANKRUPTCIES

2.1 General Information

2.1.1. Filing. A member may file a petition of bankruptcy under 11 U.S.C., Chapter 7 or 13 of the Bankruptcy Code. The law waives the U.S. Government's sovereign immunity for purposes of compliance with payroll deduction orders issued by the bankruptcy courts. Accordingly, the Defense Finance and Accounting Service (DFAS) will honor the bankruptcy withholding orders.

2.1.2. Automatic Stay Provisions. An amount of indebtedness owed to the United States that was incurred prior to the filing date of the petition, is described as a pre-petition debt. Collecting debts by offset from the member's pay account is authorized only through the day prior to the date the bankruptcy petition is filed. Continuing deductions from the member's pay after the filing of a petition in a bankruptcy is improper and violates the automatic stay provisions of the bankruptcy statute. Amounts withheld after the date the bankruptcy petition is filed must be refunded to the member. The automatic stay provisions of the bankruptcy statute do not preclude continued deductions based on court-ordered support obligations or divisions of retired pay unless the bankruptcy court orders otherwise. If there are any questions about collecting a debt when a debtor has filed bankruptcy, coordinate with the DFAS Office of General Counsel, Garnishment Law Directorate, as there may be exceptions that affect the collection of a debt or refund due a debtor.

2.1.3. Proof of Claim. Upon notice or actual knowledge of the filing of a bankruptcy petition, when the member has listed the U.S. Government as a creditor, the military pay office will file a proof of claim with the bankruptcy court concerned for all Chapter 13 filings and if requested by the bankruptcy trustee in a Chapter 7 case. The proof of claim is filed with the bankruptcy court on [Official Form 410](#).

2.1.4. Post-Petition Debt. If the bankruptcy is completed and the debtor receives a discharge, then, generally, the listed indebtedness to the United States for pre-petition debts is discharged with few exceptions. Any new debt that was incurred after the filing of the bankruptcy petition is known as a post-petition debt. The bankruptcy proceedings do not affect liability of the debtor for post-petition debts, but may affect the collectability of post-petition debts during the pendency of the bankruptcy. Therefore, prior to taking any collection action on post-petition debts, the matter should be coordinated with the DFAS Office of General Counsel, Garnishment Law Directorate.

2.1.5. Dismissal. If the court subsequently dismisses a bankruptcy case, then collection is permitted by offset if otherwise authorized.

2.2 Procedures

2.2.1. All Bankruptcy Notices and Chapter 13 withholding orders should be submitted or faxed to:

DFAS Office of General Counsel
Attn: Garnishment Law Directorate
P.O. Box 998002
Cleveland, OH 44199-8002
Toll Free Fax: (877) 622-5930
Commercial Fax: (216) 367-3675

NOTE: DFAS Office of General Counsel, Garnishment Law Directorate, is the designated agent for service of process for all military members' bankruptcy notices and bankruptcy withholding orders.

2.2.2. The following information should be included with the bankruptcy order: full name, and full Social Security number.

2.2.3. The bankruptcy notice is effective when it is filed with the court and the provisions of the automatic stay are effective on that date.

2.2.4. When the notice does not sufficiently identify the member, it will be returned directly to the person who submitted the order, with an explanation of the deficiency.

2.2.5. Upon receipt of an effective bankruptcy notice, together with all the required information, the Garnishment Law Directorate (office of the designated official) will review the case to determine if there are any involuntary allotments or garnishments that need to be terminated as a result of the automatic stay (child support, alimony, child support arrears, and alimony arrears are not terminated unless the bankruptcy order specifically states so). If applicable, the Garnishment Law Directorate will then establish the withholding order against the member's pay to comply with the bankruptcy order within 30 days. Withholdings will continue until the amount specified in the order is collected, or the order is cancelled or suspended.

2.2.5.1. Within 30 calendar days after the date of receipt of the order, the designated official will send notice to the member stating this fact.

2.2.5.2. The letter will inform the member of the date that the withholding is scheduled to begin and the amount or percentage that will be deducted.

2.2.5.3. When the member identified in the order is found not to be entitled to money due from, or payable by, DFAS, the designated official will return the order to the person who submitted it and advise him or her that no money is due from, or payable by, DFAS to the named individual. When it appears that amounts are exhausted temporarily or are otherwise unavailable, the authorized person will be told why and for how long any money is unavailable, if known.

2.3 Chapter 13, Adjustment of Debts of an Individual With Regular Income - The Plan

2.3.1. A member may file a petition with the court to enter into a “Chapter 13 Plan” under the Bankruptcy Code. Under Chapter 13, a member must submit a proposed repayment plan to the bankruptcy court that provides, among other things, that all or a specified amount of future income as is necessary to pay claims under the plan will be sent to the control of the bankruptcy trustee.

2.3.2. When the plan is confirmed by the court, its provisions are binding upon the member and all creditors of the member, regardless of whether they are affected by the plan or have been included in the plan.

2.3.3. Once the bankruptcy court confirms a plan, it usually orders the employer to pay a specific amount of a member’s income to the trustee named in the order.

2.3.4. The pay of a member is subject to payment to the trustee appointed by the court, pursuant to Chapter 13 of the Bankruptcy Act. The payment by DFAS of part of the member’s pay in response to a court order issued under a Chapter 13 Wage Earner’s Plan case does not conflict with [31 U.S.C. § 3713](#) (Priority of Government Claims). Compliance with such a court order gives the Government a valid acquittance against the member since the court order is binding on the member.

2.3.5. If the United States is both the employer and creditor when the member files a Chapter 13 Plan, then the Government’s priority under 31 U.S.C. § 3713 (Priority of Government Claims) may be asserted in the absence of a judicial determination to the contrary. This is done through a filing of the proof of claim by the appropriate pay office.

CHAPTER 51

SAVINGS PROGRAMS

1.0 GENERAL

1.1 Purpose

The chapter provides policy for the Savings Deposit Program (SDP) and the Thrift Savings Plan (TSP) to include TSP under the Blended Retirement System (BRS).

1.2 Authoritative Guidance

The pay policies and requirements established by DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.). Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 SDP

As prescribed by the Secretaries concerned, a member of the Armed Forces, who is serving in a designated SDP area outside the United States, its possessions, or the Commonwealth of Puerto Rico, may deposit during that tour of duty, not more than the member's unallotted current pay and allowances in amounts of \$5 or more, with any branch, office, disbursing officer, finance officer, or any other designated officer of the Armed Forces. Amounts so deposited will be deposited in the Treasury and kept as a separate fund, and must be accounted for in the same manner as public funds. See the definitions for SDP area in subparagraph 2.2.2.

2.1 Eligibility

2.1.1. Effective May 1, 2016, any member, serving in an assignment outside of the United States, its possessions, or the Commonwealth of Puerto Rico for at least 30 consecutive days or 1 day for each 3 consecutive months is eligible to participate in SDP if serving:

2.1.1.1. In a Combat Zone (CZ); or

2.1.1.2. While qualified to receive hostile fire or imminent danger pay while in a:

2.1.1.2.1. Qualified Hazardous Duty Area (QHDA); or

2.1.1.2.2. Designated direct support area of a CZ.

2.1.2. Members already contributing to the SDP on May 1, 2016, will be allowed to continue to contribute to the SDP until they depart from the member's SDP-eligible assignment.

NOTE: See Chapter 44 for designated direct support areas of a CZ, designated CZs, and QHDAs. For the most current listings, see [Designated Direct Support Areas of a CZ](#), [Designated CZs](#), and [QHDAs](#) on the Defense Finance and Accounting Service (DFAS) website.

2.2 Definitions

2.2.1. Designated Duty Assignment. A designated duty assignment is a permanent duty or temporary additional duty/temporary duty (TAD/TDY) assignment in an SDP area.

2.2.2. SDP Area. An SDP area is an area outside the United States, its possessions, or the Commonwealth of Puerto Rico, in a CZ or an area in which members are entitled to receive hostile fire or imminent danger pay while serving in a QHDA or in a designated direct support area of a CZ.

2.2.3. Unallotted Current Pay and Allowances. The amount of money a member is entitled to receive on the payday immediately before the date of deposit, less authorized deductions and allotments (e.g., for dependents or insurance). Pay and allowances include special continuation pay, reenlistment bonus, travel allowance on discharge, or pay and allowances for unused accrued leave. Advance pay and travel allowance for permanent change of station and TAD or TDY travel may not be deposited.

2.2.4. Missing Status. Includes missing, missing in action, interned in a foreign country, captured, beleaguered, besieged by a hostile force, or detained in a foreign country against a member's will.

2.3 Allotments

Active duty officers and enlisted members may make deposits into the SDP by allotment. Such allotment must be processed in accordance with the procedural instructions of the Military Service concerned. However, the restrictions of this chapter are applicable when starting this type of allotment.

2.4 Member in a Missing Status

For a member who is in a missing status (see paragraph 2.2), the Secretary of the Military Department concerned may, in the interest of a member or the member's dependents, initiate, stop, modify, and change allotments for deposit of unpaid pay and allowances accruing in a missing member's pay account, and authorize withdrawal of deposits made under the SDP, even though the member had an opportunity to make deposits and elected not to do so. Interest may be computed from the day the member entered into a missing status, or January 1, 1991, whichever is later. The \$10,000 limitation on the amount that interest is payable does not apply to the deposit account of a member in a missing status.

Example 1. A member entered into a missing status on February 1, 2012. Unpaid pay and allowances have been accruing in the member's pay account at the rate of \$100 per month since that date. An account was opened for the member on

May 1, 2012, with an initial deposit of \$300 (February, March, and April). The member's account was credited with \$100 per month on June 1, 2012, and the first day of each month thereafter while he remains in a missing status, or until modified, stopped, or repaid at the direction of the Secretary of the Military Department concerned. Interest accrued from February 1, 2012.

Example 2. A member entered into a missing status on February 18, 2012. The amount of unpaid pay and allowance due to the member on the payday following February 18, 2012, determined the amount of the initial deposit. The member's account was opened on March 1, 2012, with the initial deposit, and the member's account was credited with the member's unallotted pay and allowances monthly on the first day of each month thereafter as prescribed in example 1. Interest accrued from February 18, 2012.

2.5 Deposits

2.5.1. Amounts. Amounts up to \$10,000 may be deposited with interest accrual at the rate of 10 percent per annum.

2.5.1.1. The maximum amount on which 10 percent interest is computed is \$10,000 (principal and accrued interest combined). Deposits may not be more than the amount defined as unallotted current pay and allowances in subparagraph 2.2.3. When, however, the member can establish to the satisfaction of the commanding officer that the member was unable to make a deposit in the normal manner, unallotted pay in excess of current pay and allowances may be deposited.

2.5.1.2. Members may not accumulate back pay prior to departing for a designated duty assignment in an SDP area in order to deposit the back pay once the member becomes eligible for the SDP.

2.5.1.3. After a member has served in a covered SDP area for at least 30 consecutive days or at least 1 day for each 3 consecutive months, the member is qualified to begin making deposits, see subparagraph 2.2.3. The initial deposit is limited to the amount earned beginning with the first day after the 30 consecutive days of arrival in a covered SDP.

Example 1. A member arrives in Pakistan (a designated direct support area as defined in Chapter 44, [Table 44-2](#) and an Imminent Danger Pay (IDP) location as defined in Chapter 10, [Table 10-1](#)) on April 1, 2018. The member is authorized to make an initial deposit on June 1, 2018, for the amount accrued beginning May 1, 2018. The member may make additional deposits until departure from Pakistan.

Example 2. A member arrives in Albania (a designated CZ area as defined in Chapter 44, [Table 44-3](#)) on June 19, 2018. The member is authorized to make an initial deposit on August 1, 2018, for the amount accrued beginning July 19, 2018. The member may make additional deposits until departure from Albania.

Example 3. A member is TDY to the Sinai Peninsula of Egypt (a QHDA as defined in Chapter 44, [Table 44-4](#) and an IDP location as defined in Chapter 10, [Table 10-1](#)) on April 17, May 2, and June 19, 2018. The member is authorized to make their initial deposit on August 1, 2018 for the amount accrued in the Sinai Peninsula of Egypt beginning June 20, 2018.

2.5.1.4. Members who are paid twice monthly may combine pay accrued at midmonth and pay accrued at end-of-month, or combine end-of-month pay with pay accrued on the following midmonth payday for a single deposit, provided the total amount deposited in a one month period does not exceed the amount they are entitled to be paid for one month.

2.5.2. Power of Attorney. An agent with a power of attorney from the member may make deposits, either by allotment or by cash, into the SDP on behalf of the member, if the power of attorney states the authority to establish, change, or stop allotments. When accepting a cash deposit from the agent on the member's behalf, the disbursing officer must ensure that the amount deposited does not exceed the member's unallotted pay and allowances for the period involved.

2.6 Interest

2.6.1. Accrual of Interest. See [Table 51-2](#).

2.6.2. Conditions Under Which Deposits, Plus Interest, Are Repaid. See [Table 51-3](#).

2.6.3. Computation of Interest. Deposits made on or before the 10th of the month accrue interest from the 1st of the month. Deposits made after the 10th of the month accrue interest from the first day of the following month. The effective date of deposit is the date the deposit is made to the disbursing officer, finance officer, or any other designated officer of the Uniformed Service. Compute interest at the rate of 10 percent per annum, compounded quarterly, according to the calendar quarter. Compute the quarterly interest on the average quarterly balance on deposit. Ten percent is compounded quarterly on amounts less than \$10,000. Once \$10,000 is on deposit, simple interest will be computed on the \$10,000. No interest is paid on amounts exceeding \$10,000, except on amounts for a member who is in a missing status using simple interest.

2.6.4. Taxability of Interest Paid. Interest paid on the amounts deposited into the SDP is taxable.

2.7 Computation

2.7.1. Computing Average Quarterly Balance

2.7.1.1. If there were no emergency withdrawals during the quarter, determine the average quarterly balance by adding amounts on deposit on the 10th day of each month of the quarter, and divide the total by three.

Example 1.		Amount	On
<u>Date</u>	<u>Deposits</u>	<u>Deposits</u>	<u>10th</u>
Jan 5	\$20.00	\$20.00	Jan
Feb 3	20.00	40.00	Feb
Feb 20	20.00		
Mar 10	20.00	<u>80.00</u>	Mar
		\$140.00	

\$140.00 divided by 3 = \$46.67 average quarterly balance.

Example 2.		Amount	On
<u>Date</u>	<u>Deposits</u>	<u>Deposit</u>	<u>10th</u>
Jan 1	\$0.00	\$ 0.00	Jan
Feb 3	20.00	20.00	Feb
Feb 20	20.00		
Mar 3	20.00	<u>60.00</u>	Mar
		\$80.00	

\$80.00 divided by 3 = \$26.67 average quarterly balance.

2.7.1.2. Emergency withdrawals at any time during a quarter reduce the average quarterly balance on which interest accrues.

Example.		With-	Amount	On
<u>Date</u>	<u>Deposits</u>	<u>drawals</u>	<u>Deposit</u>	<u>10th</u>
Apr 1	\$147.12	\$0.00		(BAL FWD)
Apr 3	20.00		\$167.12	Apr
			167.12	May
May 15	10.00		--	
Jun 4	30.00		--	Jun
Jun 15		\$80.00	<u>127.12</u>	
			\$461.36	

\$461.00 divided by 3 = \$153.79 average quarterly balance.

2.7.1.3. The maximum amount upon which 10 percent interest is payable is \$10,000 (principal and accrued interest combined), except for amounts on deposit in the case of a member who is in a missing status. See paragraph 2.4.

Example.	<u>Date</u>	<u>Quarterly Interest</u>	<u>Amount on Deposit</u>
	Jan 10	-0-	\$10,000.00
	Apr 1	250.00	10,250.00
	July 1	250.00	10,500.00

2.7.2. Computation of Interest at 10 Percent Rate

Repay deposits, plus interest, under the conditions shown in Table 51-2. Compute interest at the rate of:

- 1 Month-1/12 of 10 percent or .00833
- 2 Months-2/12 of 10 percent or .01666
- 3 Months-(Full Quarter) 3/12 of 10 percent or .025

Example 1. Member's Request. A member has \$355 on deposit (principal plus compounded interest as of June 30, 2009). The member requested repayment of the SDP deposit on August 12, 2009. The member was repaid the \$355 deposit plus interest of \$5.92 for the months of July and August (.01666... x \$355) or \$360.92.

Example 2. Member Discharged. A member has \$355 on deposit (principal plus compounded interest as of June 30, 2009). The member was discharged overseas for the member's convenience on July 15, 2009. The member was repaid the \$355 deposit plus interest of \$2.96 for the month of July (.00833... x \$355) or \$357.96, assuming full repayment was in effect in the month of July.

Example 3. Member Dies. On March 8, 2009, the member had on deposit the maximum amount of \$10,000 (principal plus simple interest) and made no new deposits. On November 15, 2009, while assigned in the Operation Enduring Freedom area the member dies, and settlement of unpaid pay and allowances was made to member's heir(s) on December 15, 2009. The amount of deposit repaid was \$10,000 plus simple interest of \$833.33 for period March 1 through December 31, 2009 (.00833... x 10), or \$10,833.33.

2.8 Payment of Interest Upon Final Settlement of Deposit Account

2.8.1. Except when the 90-day limitation discussed in paragraph 2.8.2 and 2.13 applies, interest will stop at the end of the month in which full repayment is made to the member or member's heirs.

2.8.2. In no case will interest accrue for a period longer than 90 days (computed on a day-for-day basis of actual elapsed time) after the member's eligibility to make deposits terminates.

Should the 90-day limitation period end on any day other than the last day of the month, interest will accrue through the last day of the preceding month. If the 90-day limitation period ends on the last day of the month, interest accrues for that month. In determining when the 90-day limitation period terminates, the last day of the month is February 28 (February 29 in leap year), the 30th of a 30-day month, or the 31st day of a 31-day month.

Example. Ninety-Day Rule. A member has \$355 on deposit (principal plus compounded interest as of June 30, 2009). The member was discharged overseas for the member's convenience on July 15, 2009. The member requested repayment of the deposit on October 15, 2009. The member was repaid \$355 plus interest of \$8.88 for the months of July, August, and September (.025 x \$355) or \$363.88. Interest for October 1-15, 2009, was not allowed since the 90-day limitation period ended on October 12, 2009 (a day other than the last day of the month).

2.9 Withdrawal of Deposits – Emergency

Withdrawals may be made in an emergency only when the health or welfare of a member or the member's dependent(s) would be jeopardized if the withdrawal was not granted. Emergency withdrawals may be authorized by the member's commanding officer.

2.10 Withdrawal of Deposits - Members in a Missing Status

Withdrawals may be made when directed by the Secretary of the Military Department concerned when deemed in the best interest of the member, the member's dependent(s), or the U.S. Government.

2.11 Discharge While Eligible to Make Deposits

Members eligible to make deposits, who are discharged in order to immediately reenlist, extend an enlistment, or accept a commission, may not withdraw their deposits.

2.12 Accounts Which Have Reached \$10,000

In situations where the member's principal and interest on deposit reaches \$10,000, any amounts representing interest accruing in the account subsequent to that time which causes the \$10,000 total to be exceeded, may be withdrawn quarterly at the member's request.

2.13 Automatic Refund

Accounts will accrue interest no more than 90 days after a member leaves an SDP area. Members should withdraw all funds after the 90-day period. If no withdrawal is made within 120 days after the qualifying duty terminates, DFAS will automatically transfer the funds to the military pay account of the SDP account owner.

2.14 Application to Indebtedness or Forfeiture

Savings deposits and accrued interest are exempt from collection for members' debts, including debts owed to the U.S. Government or its agencies, except for levies issued by the Internal Revenue Service (IRS). Deposits are not subject to forfeiture by sentence of a court-martial and are not forfeited by desertion.

2.15 Liability of Disbursing Officers

A disbursing officer who fails to process a deposit properly into the Savings Deposit Fund account is liable for the amount of the deposit, plus interest, from the effective date of the deposit to date of withdrawal or repayment.

3.0 TSP GUIDELINES

TSP is a Government-sponsored retirement savings and investment plan operated by the Federal Retirement Thrift Investment Board (FRTIB). Members of the Uniformed Services participating in TSP will be governed by statutes and regulations applicable to TSP as set forth by the FRTIB and the IRS. Specific TSP rules for BRS members are discussed in section 4.0. Specific TSP rules for members not under BRS are discussed in section 5.0. The TSP guidelines under this section apply to both BRS members and members not under BRS.

3.1 Contributions

3.1.1. A member may make traditional or Roth TSP contributions. Traditional TSP offers tax deferral advantages similar to those offered to employees by private corporations under 401(k) plans. The Roth TSP option offers a member the option of making after-tax contributions.

3.1.2. All TSP contributions, traditional or Roth, must be made through payroll deduction.

3.1.3. A member may choose to stop contributing to TSP at any time. Any change is effective at the end of the pay period in which that election is accepted by the member's servicing activity. If basic pay contributions are terminated, TSP deductions for bonuses, incentive pays, or special pays will also be terminated with the same effective date.

3.1.4. A member may choose the percentage of basic pay to contribute. A member's contribution election may be limited by the priority of pay deductions set forth in Chapter 52.

3.1.5. In order for a member to contribute bonuses, incentive pays, or special pays to TSP, the member must also be contributing a minimum of 1-percent of the member's basic pay or inactive duty pay. See [Table 51-1](#).

3.2 Contribution Limits

3.2.1. Annual Elective Deferral Contribution Limit. Total annual elective deferral contributions, for both Roth and traditional TSPs may not exceed the annual limits set forth by the IRS in accordance with [26 U.S.C. § 402\(g\)](#). The annual limits are available on the [TSP](#) website.

3.2.2. TSP Contributions in a CZ Tax Exclusion (CZTE) Area

3.2.2.1. Roth Contributions. Roth contributions to the TSP are limited to the annual elective contribution deferral limit even if the member is contributing from pay earned in a CZTE Area. See TSP website for annual limits.

3.2.2.2. Traditional Contributions. A member serving in a CZTE area who reaches the annual elective deferral contribution limit may still elect to make traditional contributions from their tax-exempt pay to their TSP fund, which will count against the annual additions limit for the tax year.

3.2.2.3. Annual Additions CZ Limit. Total contributions, including agency (1-percent) contributions, agency matching contributions and individual contributions, for members serving in a CZ may not exceed the annual addition limit set forth by the IRS pursuant to [26 U.S.C. § 415\(gc\)](#). See TSP website for annual limits.

3.2.2.4. Agency Automatic (1-percent) Contributions and Agency Matching Contributions (BRS Participants Only). Agency automatic (1-percent) contributions and agency matching contributions do not count against the annual elective deferral contribution limit, but both agency automatic (1-percent) and agency matching contributions count against the annual additions limit. A member not serving in a CZ who has met the total annual individual elective deferral contribution limit will continue to receive agency automatic (1-percent) contributions. For a member serving in a CZ, all contributions must stop when the total amount of individual and agency contributions reaches the annual additions limit.

3.3 TSP Funds

3.3.1. Choice of TSP Funds. A member may indicate his or her choice of TSP Funds for the investment of deposits to TSP by making a contribution allocation among the TSP Funds at any time. A BRS Opt-In Member may maintain his or her previous contribution allocation to TSP Funds, but the BRS Opt-In Member is ultimately responsible for ensuring TSP contributions are being properly allocated under BRS.

3.3.2. Default Allocation

3.3.2.1. BRS Members

3.3.2.1.1. New Accessions. All newly enrolled Uniformed Services TSP members first enrolled in the TSP on or after January 1, 2018, and covered by BRS will have their

TSP contributions invested in an age-appropriate Lifecycle Fund (L Fund) until they make a contribution allocation with the TSP.

3.3.2.1.2. BRS Opt-In Members. Members who were enrolled in the TSP prior to January 1, 2018 and who do not have a contribution allocation in effect at the time of the election, will have all deposits made after the date of such election invested in the age-appropriate TSP Lifecycle Fund. Deposits made prior to the date of the election will retain their previous contribution allocations.

3.3.2.1.3. BRS Members Who Reenter Service On or After January 1, 2018. A BRS Member who reenters service on or after January 1, 2018, who:

3.3.2.1.3.1. Has \$0.00 balances in their TSP accounts from their previous period of service, will have their TSP contributions invested in an age-appropriate L Fund;

3.3.2.1.3.2. Has an existing TSP account with a balance greater than \$0.00, will retain the last contribution allocation on file with the TSP; or

3.3.2.1.3.3. Has no contribution allocation on file, and who reenters service with a positive account balance will have their future TSP contributions invested in an age-appropriate L Fund.

3.3.2.2. TSP for Members Not Under BRS. If the member does not opt into BRS or was not auto-enrolled in BRS, the default investment fund will remain the Government Securities Fund (G Fund).

NOTE: Members may change the member's investment elections by contacting TSP.

3.4 Default Traditional Individual Contributions

A member's individual contributions to TSP are treated by default as traditional tax-deferred contributions. A member may elect to designate all or part of his or her individual contributions as Roth. Agency automatic (1-percent) contributions and agency matching contributions are always tax-deferred traditional contributions.

3.5 Roth TSP

Members may elect to contribute to a Roth TSP account instead of, or in addition to, a traditional TSP account. Any member eligible to contribute to a traditional TSP account may also contribute to a Roth TSP account. However, traditional TSP contributions will be deducted before Roth TSP if there is a conflict in regard to which contribution has priority.

3.5.1. Payroll Deductions. Roth TSP contributions are taken after-tax. However, members serving in a CZ, or in direct support of a CZ, may contribute tax-exempt pay to the member's Roth TSP account. In the same manner as with the traditional TSP account, payroll

deductions will begin the first full pay period after the service accepts the Thrift Savings Plan Election [Form TSP-U-1](#). Roth TSP contributions must be made through payroll deductions. Lump-sum contributions for bonuses, incentive pays, or special pays are permitted only through payroll deductions.

3.5.2. Maximum Contribution Limits. The same maximum contribution limits that apply to traditional TSP also apply to Roth TSP. If a member elects to contribute to both traditional TSP and Roth TSP, the maximum contribution limits apply to the combined accounts, not to each account separately. See the [TSP Contribution Limits](#).

3.6 TSP Loan Program

A member may apply for a TSP loan or hardship withdrawal in accordance with TSP regulations and guidance. Information on loans and hardship withdrawals may be found on the [TSP Loans](#) website.

*3.7 Catch-Up Contributions

3.7.1. General. Effective January 1, 2021, the spillover method was implemented for catch-up contributions, applicable to TSP participants who turn age 50 or older in the applicable calendar year. Eligible members will no longer need to make a separate contribution election for catch-up contributions. Once the contribution limit has been reached, the member's contributions will "spillover" toward the catch-up limit. Spillover method for catch-up contributions information can be found at the [TSP Catch-up Contributions](#) website. Contributions spilling over toward the catch-up limit are eligible for agency matching contributions, but only up to the 5-percent of pay to which participants are already entitled. See [TSP bulletins 19-5 and 20-1](#) for catch-up limit.

3.7.2. Catch-up Contributions and CZTE. The TSP cannot accept traditional tax-exempt contributions toward the catch-limit. See TSP bulletin 20-1 for additional information. Service members cannot make catch-up contributions from bonuses, incentive pays, or special pays.

3.8 Make-Up Contributions

Make-up contributions are individual contributions that should have been deducted from a member's basic pay, inactive duty pay, bonuses, incentive pays, or special pays; or agency contributions that should have been charged to the agency on an earlier date, but were not deducted or charged and, consequently, are being deducted or charged currently.

3.8.1. Make-up Contributions and CZTE. If, while the member was in a CZTE area, contributions were not deducted that should have been deducted, the member may be able to make-up those contributions in accordance with FRTIB regulations. If make-up contributions are made when the member is no longer subject to the CZTE, the contributions will be tax-deferred, but not tax-free. No CZTE tax-free contributions may be made from taxable pay.

3.8.2. Payroll Deductions. Make-up contributions from basic pay, bonuses, incentive pays, or special pays are permitted only through payroll deductions.

3.9 Breakage (Lost TSP Earnings) Due to Agency Error

3.9.1. Detailed Information on Breakage. Breakage is the loss incurred or the gain realized on make-up or late contributions. It is the difference between the value of the shares of the applicable investment fund(s) that would have been purchased had the contribution been made on the “as of” date and the value of the shares of the same investment fund(s) on the date the contribution is posted to the account. For detailed information concerning the breakage, refer to TSP regulations in Title 5, Code of Federal Regulations (CFR), part 1605 ([5 CFR 1605](#)) or TSP Bulletins. TSP bulletins are available on the [TSP Agency/Service Representatives](#) page on the TSP website.

3.9.2. Conditions. If a member receives earnings from which member contributions should have been deducted, but as a result of agency error, all or any part of those deductions were not made, even if the member makes up those member contributions, the belated member contributions will not require payment of breakage, except under the following circumstances.

3.9.2.1. Delayed or Erroneous Contributions When Member Received Earnings

3.9.2.1.1. If a member receives earnings, but as a result of an agency error all or any part of the agency matching contribution associated with the earnings are not timely received by the TSP record keeper, the agency belated contributions will be subject to breakage.

3.9.2.1.2. If a member receives earnings where contributions were properly deducted but, as a result of an agency error, all or any part of the associated agency matching contributions were not timely received by the TSP record keeper, the belated contributions will be subject to breakage.

3.9.2.1.3. If a member receives earnings where contributions were properly deducted but, as a result of an agency error all or any part of those member contributions were not timely received by the TSP record keeper, the belated contributions will be subject to breakage.

3.9.2.1.4. Generally, an agency must submit a negative adjustment record to TSP in order to identify and remove excess or erroneous contributions for each pay date. TSP will credit the agency with the actual value of the adjusted contribution. The agency must return the original amount of the employee contribution to the participant if applicable. Any positive earnings on employee contributions remain in the participant’s account. Positive earnings on agency contributions are forfeited to TSP. Excess or erroneous contributions submitted to TSP before January 1, 2000, may not be returned and remain in the participant’s account. See 5 CFR 1605.12.

3.9.2.2. Agency Delay in Basic Pay, Special Pay, Incentive Pay, and Bonus. Where, as the result of an agency error, a member does not timely receive all or any part of pay to which entitled, all such belated member contributions and agency matching contributions will be subject to breakage.

3.9.2.3. Late Payroll Submissions. All contributions contained in a payroll submission received by the TSP record keeper more than one pay period after the pay date associated with that payroll submission will be subject to breakage.

3.9.2.4. Loan Allotments. Loan allotments deducted from the member's pay but not timely received by the TSP record keeper due to agency error will be subject to breakage.

3.9.3. Minimum Dollar Amount. Breakage on loan allotments and late contributions will be calculated by the TSP system only for those contributions and loan allotments that are \$1 or more.

3.9.4. Agency Responsibility. The employing agency that caused the error, or late or erroneous investment of money in the TSP is responsible for payment of any breakage resulting from that error. The paying office that submitted payment records or loan allotments that are subject to breakage is also responsible for submitting the appropriate payment records relating to those submissions. The amount of breakage that is calculated will be charged to the TSP Deposit Fund Account of the submitting paying office. Where another employing agency caused the late or erroneous submission by the submitting paying office, the paying office that was charged for the amount of breakage calculated should seek reimbursement from the other employing agency.

3.9.5. Member Election. Agency error does not result when TSP contributions are made pursuant to a member's election, but the member then subsequently elects not to continue/start contributions.

3.10 Member Transfers

3.10.1. When members transfer between components or branches of the Uniformed Services, the member's TSP contributions may be continued. The member must notify the member's gaining servicing organization of his or her existing TSP contribution election in order to continue TSP contributions and/or loan repayments without interruption.

3.10.2. If a member separates from the service and rejoins after a break in service of 31 days or more, the member may sign up immediately to contribute to TSP.

3.10.3. If a member separates from the service and rejoins after a break in service of less than 31 days, and the member had been contributing to TSP, contributions to TSP will resume the first pay period after rejoining the service.

3.10.4. A member of the Uniformed Service who is also a federal civilian employee may contribute under both programs to the TSP. The annual contribution limitations in subparagraph 3.1.6 apply to the combined accounts and not to each account separately.

4.0 TSP FOR BRS MEMBERS

4.1 Eligibility

4.1.1. This section describes policy related to TSP changes under the BRS. The BRS is effective January 1, 2018. The Deputy Secretary of Defense memorandum, "Implementation of the Blended Retirement System," dated January 27, 2017, and Volume 7B, provide comprehensive policy and guidance regarding retirement under the BRS.

4.1.2. A member, defined in this section, applies to both Auto-Enrolled and Opt-In Members.

4.1.2.1. Auto-Enrolled BRS Member. A member who is enrolled in BRS by virtue of the member's Date of Initial Entry into Military Service (commonly referred to as DIEMS) on or after January 1, 2018.

4.1.2.2. BRS Opt-In Member. A member who elected to enroll in BRS in accordance with procedures outlined in the Deputy Secretary of Defense Memo, dated January 27, 2017.

4.2 Participation and Initial TSP Contribution

The Secretary concerned will establish a TSP account, if one does not already exist, for both Auto-Enrolled BRS Members and BRS Opt-In Members. The initial individual and agency contributions to TSP will occur no later than as specified in accordance with subparagraphs 4.2.1 and 4.2.2.

4.2.1. Auto-Enrolled BRS Members. Contributions will begin the pay period following the member's 60th day of service as calculated from Pay Entry Base Date (PEBD).

4.2.2. BRS Opt-In Members. Contributions will begin the pay period that begins on or after the date of the member's election to enroll in BRS. When an election is made on the first day of the month, which is the first day of the pay period, initial individual and agency contributions will be in effect for that month.

Example. BRS Opt-In Member submits election on January 1st. The member will receive matching and individual contributions for the January pay period. A member who elects any other day of the January pay period will have contributions begin for the February pay period.

4.3 BRS Opt-In Member Individual TSP Contribution

4.3.1. Prior Participation in TSP and Carry-Over. If a BRS Opt-In Member previously contributed to TSP, the balance of any prior TSP contributions will carry-over following enrollment in BRS. Individual TSP contributions made prior to BRS will not be matched.

4.3.2. Contribution Election as a BRS Opt-In Member. BRS Opt-In Members will not be automatically enrolled in TSP. BRS Opt-In Members must affirm their prior contribution election or make a new contribution election. A BRS Opt-In Member may contribute to TSP at the individual contribution percentage or dollar amount the member elects at the time of enrollment in BRS. A contribution election may be changed any time in accordance with TSP regulations.

4.4 Auto-Enrolled BRS Member Individual TSP Contribution

4.4.1. Default Contribution Between January 1, 2018 and September 30, 2020. A member automatically enrolled in BRS by virtue of his or her accession on or after January 1, 2018, and on or before September 30, 2020, will be automatically enrolled in TSP with an individual contribution election of 3 percent of the member's monthly basic pay or inactive duty pay. This amount will be contributed to the member's TSP account beginning with the first pay period following the member's 60th day of service as calculated from the PEBD.

4.4.2. Default Contribution On or After October 1, 2020. A member enrolled in BRS by virtue of his or her accession on or after October 1, 2020, will be automatically enrolled in TSP at the level of 5-percent individual contribution from his or her monthly basic pay or inactive duty pay. This amount will be contributed to the member's TSP account beginning with the first pay period following the member's 60th day of service as calculated from the PEBD.

4.4.3. Contribution Changes. Auto-Enrolled BRS Members may change the individual TSP contribution amount at any time before or after the initial deduction. All members must follow regulations prescribed by the IRS and the FRTIB when requesting a refund or changing the amount of individual contributions.

4.4.4. Annual Re-Enrollment in TSP for Auto-Enrolled BRS Members

4.4.4.1. Annual Re-Enrollment Requirement. Annual TSP re-enrollment, or "annual re-enrollment," is required for any Auto-Enrolled BRS Member who has stopped his or her automatic TSP contribution by reducing the individual contribution to 0 percent or \$0 per pay period. If an Auto-Enrolled BRS Member has stopped TSP contributions and the member's individual contribution from his or her pay in the final full pay period of the year is 0 percent or \$0, the member will be re-enrolled in TSP on January 1 of the following calendar year. As of October 1, 2020, the re-enrollment individual contribution rate is 5-percent of the member's basic pay or inactive duty pay.

4.4.4.2. Exception. This provision does not apply if the member's individual contribution is at a percentage or amount greater than zero, but whose contributions may have stopped during the previous year because the member reached the maximum annual contribution limit allowed under IRS regulations.

4.4.5. Non-Contribution Periods. Auto-Enrolled Members who are in a non-TSP contribution status at the end of a year will not be auto re-enrolled in TSP in January. However, if the member does not resume contributions when eligible to do so, the member will be auto re-enrolled in TSP in January of the following year.

Example. An Auto-Enrolled BRS Member takes a hardship withdrawal in November 2018. The member should not be re-enrolled in TSP in January 2019 because the member may not contribute to TSP for a period of 6 months after the hardship withdrawal is processed. The member may restart contributions again in May 2019 (6 months after the hardship withdrawal is processed). If the member does not elect to restart TSP contributions by the final pay period of 2019, he or she must be auto re-enrolled in January 2020.

4.4.6. No Expiration of Annual Re-Enrollment. Annual re-enrollment in accordance with paragraph 4.4 will occur each year of a member's career in which the criteria are met.

4.4.7. Deadline for Declining Annual Re-Enrollment. A member may decline the annual re-enrollment described in paragraph 4.4 for the following year no earlier than December 1st of the year in which the member is determined to be subject to annual re-enrollment.

4.5 Agency Contributions for Auto-Enrolled BRS Members

4.5.1. Agency Automatic (1-percent) Contributions

4.5.1.1. Start Date. Commencing with the pay period that begins on or after the member's 60th day of service, as calculated from the PEBD, the agency will automatically contribute to that member's TSP account, at no cost to the member and without relation to the amount the member contributes, an amount equal to:

4.5.1.1.1. The equivalent of 1-percent of basic pay earned by that member during that pay period for active service; or

4.5.1.1.2. The equivalent of 1-percent of inactive duty pay earned by that member during that pay period for Inactive Duty Training (IDT).

4.5.1.2. End Date. The agency (1-percent) contribution will continue for each pay period in which a member is entitled to receive either basic pay or inactive duty pay, or both, through the end of the pay period during which the member attains 26 years of service, as calculated from the PEBD.

4.5.2. Agency Matching Contributions

4.5.2.1. Start Date. Commencing with the pay period that follows a member's completion of 24 months of service, as calculated from the PEBD, the agency will contribute an amount that matches the member's individual contribution to TSP (up to 4 percent) as prescribed in Table 51-4.

4.5.2.2. End Date. No agency matching contributions will be made to a member's TSP account after the pay period during which the member attains 26 years of service, as calculated from the PEBD.

4.6 Agency Contributions for BRS Opt-In Members

4.6.1. Agency Automatic (1-percent) Contributions

4.6.1.1. Start Date. Commencing with the pay period that begins on or after the date a member opts into BRS, the agency will automatically contribute to that member's TSP account, at no cost to the member and without regard to the amount the member contributes, an amount equal to:

4.6.1.1.1. The equivalent of 1-percent of basic pay earned by that member during that pay period for active service; or

4.6.1.1.2. The equivalent of 1-percent of inactive duty pay earned by that member during that pay period for IDT.

4.6.1.2. End Date. The agency (1-percent) contribution will continue for each pay period in which a member receives either basic pay or inactive duty pay, or both, through the end of the pay period during which the member attains 26 years of service, as calculated from the PEBD.

4.6.2. Agency Matching Contributions

4.6.2.1. Start Date. Commencing with the pay period that begins on or after the date a member opts into BRS, the agency will contribute an amount that matches the member's individual contribution to TSP (up to 4 percent) in accordance with Table 51-4.

4.6.2.2. End Date. No matching agency contributions will be made to a member's TSP account after the pay period during which the member attains 26 years of service, as calculated from the PEBD.

4.7 Vesting of Individual TSP Contributions

Individual contributions made by an Auto-Enrolled BRS Member or a BRS Opt-In Member are immediately vested upon payment to TSP. Subsequent earnings on those contributions are also immediately vested when the earnings accrue.

4.8 Vesting of Agency Contributions

The two types of agency contributions to TSP are subject to different vesting rules. The following vesting rules apply to both Auto-Enrolled BRS Members and BRS Opt-In Members:

4.8.1. Agency (1-percent) Contributions. The agency automatic (1-percent) contributions described in subparagraphs 4.5.1 or 4.6.1, become fully vested on the first day of the 25th month of service, as calculated from a member's PEBD. Members who separate from a Uniformed Service before this date forfeit the agency automatic (1-percent) contributions and any earnings on those contributions.

4.8.2. Agency Matching Contributions. Any agency matching contributions, as described in subparagraphs 4.5.2 or 4.6.2, are fully vested upon receipt in the member's TSP account, regardless of accrued service. Any earnings on the agency matching contributions are immediately vested when they accrue.

4.9 Carry-Over of Individual TSP Elections for All BRS Members

4.9.1. Reenrollment in TSP After Separation. A member covered under the BRS who separates from a component of the Uniformed Services, and later re-affiliates with any component of a Uniformed Service following a break in service, will be re-enrolled in TSP. **Effective October 1, 2020, all members are re-enrolled** at an individual contribution rate of 5-percent of the member's monthly basic pay or 5-percent of inactive duty pay regardless of any previous contribution elections made prior to separation.

4.9.2. Start Date for Individual Contributions. A reentrant will be automatically enrolled and the 5-percent individual contribution will begin no later than the first pay period following re-entry.

4.9.3. Agency (1-percent) Contributions. A member covered under the BRS who re-enters service after a break in service and who previously qualified for the agency automatic (1-percent) contribution, in subparagraphs 4.5.1 or 4.6.1 will resume receiving the agency 1-percent contribution into the member's TSP account no later than the first pay period after re-entry.

4.9.4. Agency Matching Contributions. A member covered under the BRS who re-enters service after a break in service and who previously qualified for agency matching contributions in subparagraphs 4.5.2 or 4.6.2 will resume receiving agency matching contributions into the member's TSP account concurrent with re-enrollment.

4.10 TSP Elections for Transitioning Reserve Component (RC) Members

Members of the RC enrolled in the BRS are considered continuous participants in the BRS while they remain in a paid status. Payroll offices should not submit TSP separation codes for RC members. RC members will not be re-enrolled at the automatic 5-percent individual contribution level each time they transition from a paid status in the Selected Reserve (SELRES) to active duty or from active duty back to a paid status in SELRES. The member's previously-elected TSP contribution levels will carry-over through transitions related to activation and deactivation, unless and until the member elects to modify the member's own contribution level. Loan payments, if any, will also carry through. Such RC members are subject to annual auto re-enrollment as set out in paragraph 4.4.

4.11 BRS Erroneous Enrollment and TSP

BRS enrollment will be voided for any member who is found to be ineligible to be enrolled or to elect to enroll in BRS under the provisions outlined in the Deputy Secretary of Defense Memo, dated January 27, 2017. Such members will be placed under the correct retirement system

upon discovery of the error. Any erroneous agency TSP contributions made to the member's TSP account will be subject to correction in accordance with FRTIB regulations.

4.12 Hardship Extension of Enrollment Periods and TSP

If an agency concerned extends the BRS period in accordance with the guidance on hardship extensions of enrollment periods in Service regulations and in accordance with [10 U.S.C. § 1409\(b\)](#) this will not allow for retroactive TSP contributions.

5.0 TSP FOR MEMBERS NOT UNDER BRS

5.1 Participation

Any member of the Uniformed Services, not enrolled in BRS as prescribed in section 4.0, may elect to participate in TSP. A member choosing to participate in TSP is required to contribute at least 1-percent of the member's basic pay or inactive duty pay. Members participating, not under BRS, are not eligible for agency automatic and matching contributions. These members, otherwise, remain subject to the contribution limits outlined in section 3.0.

NOTE: In order for a member to contribute bonuses, incentive pays, or special pays to TSP, the member must also be contributing a minimum of 1-percent of the member's basic pay or inactive duty pay.

5.2 Start Date

The payroll deduction for individual TSP contributions will commence the first full pay period after the Service concerned accepts the TSP-U-1.

CHAPTER 52

PRIORITY OF PAY DEDUCTIONS AND COLLECTIONS

1.0 GENERAL

1.1 Purpose

This chapter guides military service central site pay operations and field military finance/disbursing offices, henceforth referred to as “finance offices”, concerning the sequence order for processing deductions and debt collections from a member’s military pay entitlements when the member does not have sufficient pay. Finance offices must review a member’s military pay entitlements to determine if the member has sufficient pay to offset all deductions and debt collections. If a member does not have enough pay, Table 52-1, Priority of Deductions and Collections, states which deduction/collection will collect first from the current pay. If a member has voluntary deductions for Thrift Savings Plan (TSP) contributions and/or discretionary allotments that prevent the finance office from collecting debts due the United States, or to other entities listed in Table 52-1, the finance office has the authority to stop those voluntary deductions and process the debt collection. The finance office will notify the member that he/she has 30 days to voluntarily change, their TSP contribution, or discretionary allotment amounts. If they fail to make the changes, the finance office will initiate stoppages and specify when the changes will appear on the member’s military pay account. These actions will not substitute for, but may be included in, any indebtedness notification required by Volume 16.

1.2 Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), including Titles 5, 10, 11, 26, 31, 37, 38 and 42. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

Table 52-1. Priority of Deductions and Collections

R U L E	When the amounts due to a member are not enough to cover authorized deductions or collections, collect applicable amounts shown in the following sequence:	
1	Reduction of pay entitlement	Losses of pay entitlement take precedence over all items for deduction or collection: <ol style="list-style-type: none"> a. Forfeiture (note 1) b. Reduction for educational benefit under the "Montgomery G.I. Bill" (note 1)
2	Reimbursement to the United States	Collected amounts for deposit to the credit of the U.S. Treasury, in the following order: <ol style="list-style-type: none"> a. 16	Court-Martial fines	

NOTES:

1. Gross pay to which the Military Service member would otherwise be entitled must be reduced by the monthly amount of the forfeiture or educational benefit under the Montgomery G.I. Bill. The forfeiture or educational benefit is subtracted to determine a new, reduced monthly gross pay amount. Deductions based on gross pay will be computed on the reduced gross pay.
2. This is a voluntary indebtedness for members of the Navy or Marine Corps, who fall under Volume 16, Chapter 3, Table 3-3, Rule 5.
3. In cases where the U.S. Bankruptcy Court has mandated that a sum be deducted monthly, the court order will be followed as prescribed in Military Service regulations. The order of precedence in Table 52-1 will apply unless otherwise specified in the court order in which case the court's order prevails.
4. Upon separation, these become involuntary and fall under rule 4.
5. If the date of a tax levy is earlier than the effective date of a voluntary allotment or an involuntary allotment for commercial debts, then the tax levy should be collected before either allotment.

CHAPTER 54**TRICARE DENTAL PROGRAM**

1.0 GENERAL

1.1 Purpose

The TRICARE Dental Program (TDP), administered by United Concordia Companies, Inc., is a worldwide dental care plan offered to eligible beneficiaries by the DoD through the Defense Health Agency.

1.2 Authoritative Guidance

The pay policies and requirements established by DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), including Title 10. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 TDP

*2.1 Enrollment Eligibility

The TDP is a voluntary dental plan available to eligible family members of all Active Duty Uniformed Service personnel and to Selected Reserve (SELRES) and Individual Ready Reserve (IRR) Service members and/or their eligible family members. To be eligible for the TDP, the sponsor must have at least 12 months remaining on his or her Service commitment with the parent Service at the time of enrollment. Individuals eligible to enroll in the TDP include the following:

2.1.1. SELRES and IRR Service members; and

2.1.2. Family members of active duty, SELRES, and IRR Service members. This includes spouses and unmarried children (including stepchildren, adopted children, and wards) under the age of 21. Family members will be eligible up to the end of the month in which they turn 21. Family members may be eligible after 21 if:

2.1.2.1. They are enrolled full-time at an accredited college or university and are more than 50 percent dependent on the sponsor for their financial support. These students are eligible to the end of the month in which they turn age 23. If the student terminates his or her education prior to turning 23, then eligibility ends at the end of the month in which education terminates; or

2.1.2.2. They have a disabling illness or injury that occurred before their 21st birthday or between the ages of 21 and 23 if enrolled as a full-time student at the time of illness or injury, and they were more than 50 percent dependent on the sponsor for financial support.

2.1.3. TDP Survivor Benefits

Surviving spouses and children are eligible for the TDP Survivor Benefit when a sponsor dies. Surviving family members are eligible to receive TDP benefits when:

2.1.3.1. An Active Duty sponsor dies while on active duty for a period of more than 30 days; or

2.1.3.2. A Ready Reserve sponsor [i.e. Selected Reserve or Individual Ready Reserve (mobilization asset), as specified in 10 U.S.C., section 10143 and 10 U.S.C. § 10144(b) respectively] dies. The Reserve sponsor does not have to be on active duty for the family member to be eligible for survivor benefits.

2.1.3.3. The Government will pay for 100% of the TDP premium for survivors as follows:

2.1.3.3.1. Spouse. The surviving spouse is eligible to receive TDP Survivor Benefits for up to three years from the sponsor's date of death.

2.1.3.3.2. Children. The TDP Survivor Benefit for children ends at the age of 21, or 23 if enrolled in a full-time course of study in a secondary school or in a full-time course of study in an institution of higher education (subject to TRICARE eligibility limitations).

2.1.3.3.3. Incapacitated Children. The TDP Survivor Benefit for incapacitated children (subject to TRICARE eligibility limitations) is the greater of:

2.1.3.3.3.1. Three years from the sponsor's date of death (not to exceed 21 years of age);

2.1.3.3.3.2. The date on which such dependent attains 21 years of age; or

2.1.3.3.3.3. The date on which the dependent attains 23 years of age if enrolled in a full-time course of study in a secondary school or in a full-time course of study in an institution of higher education (subject to TRICARE eligibility limitations).

2.2 Individuals Who Are Not Eligible for TDP Coverage

Active duty Service members are not eligible for the TDP. In addition, former spouses, parents, parents-in-laws, disabled veterans, foreign military personnel, Service members in the Transitional Assistance Management Program following activation for a contingency operation, and retirees and their families are not eligible for TDP benefits.

2.3 Enrollment Period

All new enrollees must remain enrolled in the TDP for at least 12 months. Enrollment may continue on a month-to-month basis after completing the 12-month minimum enrollment lock-in period. Anyone who fails to pay premiums or disenrolls for other than a valid disenrollment reason is prohibited from reenrolling in the program for 12 months.

2.4 Enrollment Form

The sponsor must initiate enrollment by completing a TDP Enrollment Form. If the sponsor is not available to complete and sign the form, an individual with a Power of Attorney (POA) can initiate enrollment, provided the POA allows the individual to enter into contracts. TDP Enrollment Forms are available at the local military dental treatment facility, TRICARE Service Center, Health Benefits Advisor/installation point of contact, [TRICARE Dental](#), or the [Beneficiaries Web Enrollment](#) website.

2.5 Effective Date of Coverage

In most cases, coverage is effective the first day of the month after the month in which the TDP contractor receives the completed form and 1 month's premium payment. TDP Enrollment Forms must be received by the 20th of the month for coverage to begin on the first day of the next month. For applications received after the 20th of the month, coverage will not become effective until the first day of the second month.

2.6 Disenrollment

New enrollees must remain enrolled in the TDP for a minimum of 12 months. Anyone who fails to pay premiums during the 12-month lock-in period or disenrolls for other than valid reasons will be locked-out of the program for 12 months. The following are valid reasons for disenrolling from the TDP prior to completion of the mandatory 12-month enrollment:

2.6.1. When a sponsor or family member loses Defense Enrollment Eligibility Reporting System (commonly referred to as DEERS) eligibility due to death, divorce, marriage of a child, end of entitlement, or when a family member reaches age 21 (or 23 if enrolled full-time at an accredited college or university);

2.6.2. When TDP-enrolled members relocate outside the continental United States service area, the Service members may elect (within 90 calendar days of the relocation) to disenroll their family members and/or themselves from the TDP (TRICARE Service Centers are available to assist with enrollment options.);

2.6.3. When an active duty Service member transfers with enrolled family members to a duty station where space-available dental care for the enrolled members is readily available at the local Uniformed Service dental treatment facility, the active duty Service member may elect (within 90 days of the transfer) to disenroll his/her family members from the TDP; or

2.6.4. When an active duty, SELRES or IRR member is transferred to the Standby Reserve or Retired Reserve.

*2.7 Other Disenrollment Situations

The TDP contractor will notify the sponsor of the disenrollment and explain the enrollment/disenrollment options and any associated premium changes and time limitations for the following situations:

2.7.1. If one member in a marriage of two Service members leaves the Uniformed Services and has family members assigned to him, then the family members can be reenrolled to the other Service member without incurring a new 12-month lock-in period;

2.7.2. When an Active Component Service member transfers to the Reserve Component (SELRES, Guard/Reserves on active duty, or IRR), the enrolled family members [will be enrolled under the sponsor's new status](#);

2.7.3. When a Service member of the Reserve Component transfers to an Active Component, the enrolled member, and/or family members [will be enrolled under the sponsor's new status](#);

2.7.4. When the sponsor changes from one branch of service to another;

2.7.5. When a Service member of the SELRES or IRR (Special Mobilization Category) changes status to IRR (other than Special Mobilization Category), the enrolled member, and/or family members are disenrolled from their current plan and automatically reenrolled into the appropriate plan. The reenrolled member/family members may elect to disenroll from the TDP if desired; or

2.7.6. When a Service member of the SELRES or IRR is called to active duty for more than 30 consecutive days, the member is disenrolled effective on the first day of the active duty orders. Enrolled family members remain enrolled in the current TDP plan until the last day of the month in which the sponsor changes status. Family members are automatically reenrolled in the program as active duty family members with the lower premium rate under the existing lock-in period.

*2.8 Premium Amounts

The TDP premium rate period runs [on an annual basis](#). [The most current rate period and premium rates are available at TRICARE Dental Costs](#).

2.9 Premium Billing Allotments

If the Service member has a payroll account, and there are sufficient funds available at the time of collection, then the Government will collect the member's share of the premium, in advance, through a Uniformed Service finance office, or on the TRICARE Dental website under

the “Monthly Premiums” section, “Ongoing Recurring Payments” paragraph. Members must verify monthly that the correct dental allotment appears on their Leave and Earnings Statement.

2.10 Direct Billing Process

If there are insufficient funds or no payroll account is available at the time of collection, then the Service member must pay the premium costs by means of direct billing. When this occurs, premium collection will transfer, from the Uniformed Service finance office or site payroll allotment, to direct billing by the TDP contractor. Once the TDP contractor direct bills, this payment process will continue, until the member requests the TDP contractor to restart the payroll allotment. The TDP contractor will immediately direct bill for premiums due from IRR Service members and from SELRES and IRR family members.

2.0 DEFINITIONS

2.1 Involuntary Active Duty

For the purposes of this chapter, involuntary active duty is defined as an order to duty under [10 U.S.C. § 688](#), [10 U.S.C. § 12301\(a\)](#), [10 U.S.C. § 12301\(g\)](#), [10 U.S.C. § 12302](#), [10 U.S.C. § 12304](#), [10 U.S.C. § 12304a](#), [10 U.S.C. § 12304b](#), or [14 U.S.C. § 3713](#) without the consent of the member, or is defined as an order to duty under [10 U.S.C. § 251](#), [10 U.S.C. § 252](#), [10 U.S.C. § 12406](#), or [32 U.S.C. § 502\(f\)\(1\)](#) without the consent of the member.

2.2 Monthly Active Duty Income Differential

This differential is the difference between the average monthly civilian income of the member and the member's total monthly military compensation (TMMC), when the member's average monthly civilian income exceeds the TMMC.

2.3 TMMC

The TMMC is the amount computed on a monthly basis, using the member's regular military compensation and the amount of any special pays, incentive pays, and allowances (not included in regular military compensation) that are paid on a monthly basis (e.g., Foreign Language Proficiency annual bonus that may be paid in monthly installments). Bonuses paid in a lump sum or anniversary installments, such as enlistments, reenlistment, and affiliation bonuses, will not be included in the TMMC. Cost of living allowances will be included in the TMMC. Per Diem, to include meals and incidental expenses, will not be included in the TMMC.

3.0 RIRP ELIGIBILITY

3.1 Eligibility

A RC member currently serving on involuntary active duty is eligible for RIRP payments for any entire month of involuntary active duty (referred to in this chapter as a “service month”) that is served after the member completes the requisite eligibility period and for which the member realizes a monthly active duty income differential. A member of a reserve component is entitled to a payment under this section for any full month of active duty of the member, when the total monthly military compensation of the member is less than the average monthly civilian income of the member, while the member is on active duty under an involuntary mobilization order, following the date on which the member:

3.1.1. Completes 547 continuous days of service on active duty under an involuntary mobilization order;

3.1.2. Completes 730 cumulative days on active duty under an involuntary mobilization order during the previous 1,826 days; or

3.1.3. Is involuntarily mobilized for service on active duty for a period of 180 days or more within 180 days after the date of the member's separation from a previous period of active duty for a period of 180 days or more.

Example: If continuous service on active duty began on February 1, 2016, the 547 days to establish eligibility would end at midnight on July 31, 2017. The member would meet the eligibility requirement for RIRP on August 1, 2017, and would be entitled to RIRP payment on September 1, 2017, for the month of August 2017, if the member serves on active duty for the entire month of August.

3.2 RIRP Entitlement

Payment for RIRP is based on each full month of active duty following the date on which the member meets the eligibility criteria in paragraph 3.1. RIRP payments are based on full months of service only. Partial payments are not authorized. Changes in pay grade, longevity, number of dependents, and special pays will be taken into account in calculating the RIRP payment in the month following the change.

3.3 Special Conditions

Effective January 29, 2008, the entitlement of a RC member to a RIRP payment will commence, or if previously commenced, will continue if the member satisfies the required number of days on active duty specified in paragraph 3.1, or is, following an involuntarily mobilization, retained on active duty under 10 U.S.C. § 12301(h)(1)(A) or (B) because of an injury or illness incurred, or aggravated while assigned to duty in an area for which special pay under [37 U.S.C. § 351](#) is available.

4.0 RESTRICTIONS

A civilian employee of the Federal Government, who is also a member of a RC, is not entitled to a payment of RIRP for any period for which the employee is entitled to a civilian pay differential payment under [5 U.S.C. § 5538](#) or Volume 8, Chapter 3, paragraph 5.9; or a comparable civilian pay benefit under an administratively established program for civilian employees absent from a position of employment with the Federal Government in order to perform active duty in the Uniformed Services.

5.0 PAYMENT

5.1 Frequency

After a RC member has completed the requisite eligibility period, the member is entitled to RIRP payment on the first day of the calendar month after performing a preceding full calendar month of involuntary active duty service. See the example in subparagraph 3.1.3.

5.2 Limitation

A member who realizes a monthly active duty income differential greater than \$50 is entitled to RIRP. The maximum RIRP payment will not exceed \$3,000 per month.

5.3 Termination of Payment

Payment will terminate when one of the conditions in Table 55-1 is met. Unless authorized by Congress, authorization to RIRP will terminate after the date on the [Duration of Authority](#) table. No payments will be made after the termination date unless the member's entitlement to RIRP commenced prior to that date.

6.0 TAXABILITY

6.1 Federal and State Tax Deduction

RIRP payments are subject to federal and state income tax withholding.

6.2 Federal Insurance Contribution Act (FICA)

RIRP payments are not subject to FICA withholding.

CHAPTER 56

**READY RESERVE (RR) ACCESSION, AFFILIATION, ENLISTMENT, AND
RETENTION BONUSES**

1.0 GENERAL

1.1 Purpose

The purpose of this chapter is to provide policy guidance pertaining to the accession, affiliation, enlistment, and retention bonuses for members of the RR.

1.2 Authoritative Guidance

The pay policies and requirements established by DoD in this chapter are derived primarily from, and prepared in accordance with Title 37, United States Code (U.S.C.), sections 331 and 332, ([37 U.S.C. § 331](#) and [37 U.S.C. § 332](#)). Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 OFFICER ACCESSION AND AFFILIATION BONUS

2.1 Officer Accession Bonus

2.1.1. Conditions of Entitlement. Pursuant to 37 U.S.C. § 332(a)(1), and implemented by DoD Instruction (DoDI) 1304.34, July 11, 2016, the Secretary concerned may pay an accession bonus to an eligible officer who enters into an agreement with the Secretary:

2.1.1.1. To accept an appointment as an officer in the Armed Forces; and

2.1.1.2. To serve in the Selected Reserve (SELRES) of the RR in a designated skill for the period specified in the agreement.

2.1.2. Skills Designation. The Secretary will designate the officer skills to which the bonus authority is to be applied. A skill may be designated if it is critical to increase the number of members accessed who are qualified in that skill or are to be trained in that skill, or to mitigate a current or projected significant shortage of personnel who are qualified in that skill.

2.2 Officer Affiliation Bonus

2.2.1. Conditions of Entitlement. In accordance with 37 U.S.C. § 332(a)(2) and DoDI 1304.34, the Secretary concerned may pay an affiliation bonus to an eligible officer in the Military Department who enters into an agreement with the Secretary to serve, for the specified period in the agreement, in the SELRES of the RR. The officer must enter into an agreement:

2.2.1.1. To serve in a critical officer skill designated by the Secretary; or

2.2.1.2. To meet a manpower shortage in:

2.2.1.2.1. A unit of that SELRES; or

2.2.1.2.2. A particular pay grade in that Armed Force.

2.2.2. Eligibility Criteria. An officer is eligible for an affiliation bonus if the officer either:

2.2.2.1. Is serving on active duty for a period of more than 30 days; or

2.2.2.2. Is a member of a Reserve Component (RC) not on active duty (if the member formerly served on active duty but was released from active duty under honorable conditions); and

2.2.2.3. Is not entitled to retired or retainer pay.

2.2.3. Critical Skills Designation. The Secretary concerned will designate the critical officer skills to which the bonus authority is to be applied. A skill may be designated as a critical officer skill if it is critical to have a sufficient number of officers who are qualified in that skill.

2.3 Period of Obligated Service

An agreement entered into with the Secretary concerned will require the person entering into that agreement to serve in the SELRES for a specified period. The period specified in the agreement will be any period not less than 3 years that the Secretary determines appropriate to meet the needs of the RC in which the service is to be performed.

2.4 Bonus Amounts

2.4.1. The maximum accession bonus may not exceed \$60,000 for a minimum 4-year period of obligated service, nor may it exceed an annual amount of \$15,000.

2.4.2. The maximum affiliation bonus may not exceed \$10,000 for a minimum 3-year service obligation.

2.5 Payment

2.5.1. Upon acceptance of a written agreement by the Secretary, the total amount of the bonus payable under the agreement becomes fixed. The agreement will specify whether the bonus is to be paid in one lump sum or installments.

2.5.2. A person entitled to a bonus who is called or ordered to active duty will be paid, during that period of active duty, any amount of the bonus that becomes payable to the member during that period of active duty.

2.6 Relation to Other Accession Bonus

A person may not receive an affiliation bonus, accession bonus, and financial assistance through a loan repayment program for the same period of service.

2.7 Repayment

A person or officer who receives a bonus in accordance with 37 U.S.C. § 332, and fails to complete the period of obligated service or other conditions of service specified in the written agreement for which the bonus is paid, must repay any unearned portion of the bonus consistent with [37 U.S.C. § 373](#) and Chapter 2.

2.8 Duration of Authority

An officer accession or affiliation bonus may not be paid to any person after the date on the [Duration of Authority](#) table. No payments will be made after the termination date unless the entitlement commenced prior to that date.

3.0 ENLISTMENT BONUS

The Secretaries concerned may pay a bonus under [DoDI 1304.34](#), in accordance with 37 U.S.C. § 331(a)(2) to encourage a person or member to enlist in the RC or affiliate with the SELRES of an Armed Force. The bonus is authorized when the person enlists in or affiliates with the SELRES and agrees to serve for a specified period of obligated service in a designated skill, unit, or pay grade, or to meet some other condition or conditions imposed by the Secretary concerned.

3.1 Eligibility

An enlistment bonus is authorized for individuals who enlist in an RC for a specific period and, if applicable, for service in a skill that is experiencing critical personnel shortages as designated by the Secretary concerned. The individual must:

3.1.1. Possess a high school diploma, a completion or attendance certificate in lieu of a high school diploma, or a General Educational Development (GED) program certificate; and

3.1.2. Be an initial enlistee, a prior Service enlistee, or a reservist not on active duty who enlists in the RC of an Armed Force, as defined in subparagraphs 3.1.2.1 and 3.1.2.2.

3.1.2.1. [Initial/Non-prior Service Enlistee](#). An Initial or Non-prior Service Enlistee is a person who has either never served or has served, but was released from such service before completing the basic training requirements of the Service of which the person was a member and the service was characterized as either honorable or uncharacterized.

3.1.2.2. Prior Service Enlistee. A Prior Service Enlistee is a person who has prior experience but has not previously received an enlistment or retention bonus, or who currently is not entitled to a Selective Retention Bonus (SRB) under section 7.0.

3.1.3. Enlist for at least 2 years in an RC of an Armed Force and serve for a specified period of obligated service in at least one of the following categories:

3.1.3.1. A designated skill;

3.1.3.2. Career field;

3.1.3.3. Unit; or

3.1.4.3. Period of obligated service; and

3.1.4.4. Designated skill or specialty, career field, unit, or grade, or such other condition or conditions of service imposed by the Secretary concerned;

3.1.5. Not be in receipt of an enlistment bonus, a retention bonus, an affiliation bonus, or a transfer bonus for the same period of service;

3.1.6. Not have previously received or be eligible to receive an SRB under section 7.0 or a Critical Skills Retention Bonus (CSR);

3.1.7. Successfully complete training and become technically qualified in a designated skill if completion of such training and technical qualification forms the basis under which the bonus is paid; and

3.1.8. Meet any additional service specific eligibility criteria and quality standards established by the Secretary concerned.

NOTE: Reservists currently obligated to Military Service under the delayed entry program are not eligible for an enlistment bonus from another Military Service.

*3.2 Amount

The bonus amount to be paid will:

3.2.1. Be fixed upon acceptance of the agreement by the Secretary concerned;

3.2.2. Be paid in a lump sum or in periodic installments; and

3.2.3. Not exceed \$50,000 for a minimum 2-year period of obligated service for an enlistment described in paragraph 3.1.

3.3 Repayment

A member who enters into an agreement and receives all or part of the bonus under the agreement, but who does not commence to serve in the SELRES or does not satisfactorily participate in the SELRES for the total period of service specified in the agreement, will be subject to the repayment provisions of 37 U.S.C. § 373 and Chapter 2.

3.4 Duration of Authority

An enlistment bonus may not be paid to any person after the date on the Duration of Authority table. No payments will be made after the termination date unless the entitlement commenced prior to that date.

4.2.3. Not exceed \$50,000 for a minimum 3-year period of obligated service for an affiliation described in paragraph 4.1.

4.3 Repayment

5.4 Method of Payment

5.4.1. The Secretary concerned must establish the method of payment for the bonus (lump sum or periodic installments). Payment should be disbursed based on training milestones, amounts, and length of enlistment. The Secretary concerned must not pay a person or member any portion of the bonus prior to completion of basic recruit training.

5.4.2. Members with prior uniformed service who do not require formal training to be technically qualified in the skill for which the bonus is being paid will receive their first installment no earlier than 30 days after arrival at the first permanent duty station following entry on active duty.

5.6 Duration of Authority

A prior service enlistment bonus may not be paid to any person after the date on the Duration of Authority table. No payments will be made after the termination date unless the entitlement commenced prior to that date.

6.0 NONAVAILABILITY

*6.1 RR

Members of the RR who incur a period of authorized absence (such as temporary overseas residence, missionary obligation, or overseas employment obligation) will have their incentive suspended, and will not be entitled to incentive payments. The period of authorized absence may be up to 1 year for valid personal reasons as determined by the Secretary concerned. **In cases with unusual and extenuating circumstances, the Secretary of the Military Department concerned may grant a one-time suspension up to 3 years on a case-by-case basis.** If subsequently assigned to the Reserve status and skill that they had previously contracted for, members may be reinstated in the incentive program if they extend their term of service, or service obligation, to be able to serve the full original incentive contract period. Entitlement to subsequent payments will resume on the adjusted anniversary date of satisfactory and creditable Reserve Service, as appropriate. The date will be adjusted for periods of authorized absence. Failure to meet reinstatement criteria will result in termination of the incentive and recoupment, as appropriate.

*6.2 SELRES

Members of the SELRES may incur a period of authorized absence of up to 1 year for valid personal reasons as determined by the Secretary concerned. **In cases with unusual and extenuating circumstances, the Secretary of the Military Department concerned may grant a one-time suspension up to 3 years on a case-by-case basis.** These members will be:

6.2.1. Transferred to the Individual RR or the Inactive National Guard, as appropriate, during the period of authorized absence, and will be suspended from their incentive. During the period of authorized absence, the member will not be entitled to subsequent incentive payments or any incentives available to members of the RR, not in the SELRES; and

6.2.2. If, within 1 year, members are subsequently reassigned to a SELRES skill or unit type that they had previously contracted for, then the members may be reinstated in the incentives program if they extend their term of service, or contract for service, to be able to serve the full original incentive contract period. Entitlement to subsequent payments will resume on the adjusted anniversary date of satisfactory creditable SELRES service. The date will be adjusted for that

period of authorized absence. Failure to meet reinstatement criteria will result in termination of the incentive and recoupment, as appropriate.

7.0 SRB

An SRB authorized under 37 U.S.C. § 331(a)(3) and implemented in DoDI 1304.31, provides a monetary incentive that may be offered to retain adequate numbers of qualified enlisted personnel in certain reenlistment categories. The bonus may be used to obtain the reenlistment or voluntary extension of an enlistment in exchange for a member's agreement to serve for a specified period.

7.1 Eligibility

The Secretary concerned may pay an SRB to a person, including a member of the Armed Forces who reenlists in a Military Service for a specific period and, if applicable, for service in a military skill that is experiencing critical personnel shortages as designated by the Secretary concerned. The individual must:

7.1.1. Serve in pay grade E-3 or higher;

7.1.2. Reenlist for a period of at least 3 years or voluntarily extend an enlistment for a period of at least 1 year in an active status in the SELRES in a Military Service;

7.1.3. Execute a written agreement with the Secretary concerned that specifies the:

7.1.3.1. Amount of the bonus;

7.1.3.2. Method of bonus payment (lump sum amount or periodic installments);

7.1.3.3. Period of obligated service; and

7.1.3.4. Designated skill or specialty, career field, unit, or grade, or such other condition or conditions of service imposed by the Secretary concerned;

7.1.4. Agree to serve for a specified period in at least one of the following reenlistment or extension categories:

7.1.4.1. A designated military skill;

7.1.4.2. Career field;

7.1.4.3. Unit; or

7.1.4.4. Grade;

7.1.5. Meet skill qualification prior to payment of an SRB for a member transferring into a designated skill; and

7.1.6. Qualify under any additional eligibility criteria prescribed by the Secretary concerned.

7.2 Limitations

7.2.1. A re-entry or reenlistment must occur no later than 3 months after the date of discharge or release from active duty.

7.2.2. Veterans with more than a 3-month but less than a 4-year break in active status may qualify for reentry after a break in service or prior service reentry, subject to the regulations prescribed by the Secretary concerned.

7.2.3. The original DD 214 (copy 1 or copy 4), a reproduction of the DD 214 with a certified true-copy stamp and appropriate Federal Government authenticating seal imprinted thereon, or other official documentation verifying the member's satisfactory participation for all periods of prior service in the active component and SELRES are acceptable documentation of prior active duty service for a break in active duty service greater than 24 hours.

7.2.4. Individuals with prior enlisted service and subsequent service as officers who were discharged or released from active duty and who, within 3 months after discharge or release from active duty as an officer, reenlist in the same RC of a uniformed service in which they previously served as an enlisted member may be eligible for an SRB. The individual must meet all other requirements established in paragraph 7.1.

7.2.5. Members who reenlist or voluntarily extend an enlistment to gain sufficient obligated service to participate in a program leading to commissioned or warrant officer status are not eligible for an SRB.

7.2.6. A member is not eligible for an SRB if the member was discharged or released from active duty, or service in an active status based upon a determination of misconduct, substandard duty performance, or moral or professional dereliction.

7.2.7. Generally, a member may not use any preexisting period of obligated service to satisfy an obligated service requirement under an SRB agreement, unless such service is determined by the Secretary concerned to be consistent with the requirements of 37 U.S.C. § 371.

7.2.7.1. A preexisting period of obligated service is necessary for the member to qualify for continuous submarine duty incentive pay and is service for which no bonus was previously authorized or payable.

7.2.7.2. A preexisting period of obligated service includes no more than a 2-year period of an unserved voluntary extension of enlistment for which no bonus was previously

authorized or payable, and the member agrees to an additional 2-year period of obligated service in connection with an SRB.

7.2.8. An SRB may not be paid to an enlisted member who has completed more than 20 years of active duty or service in an active status, or who will complete a total of 24 years of service before the end of the period of active duty or active status for which the bonus is offered. The Deputy Assistant Secretary of Defense for Military Personnel Policy may waive this restriction based upon a request and justification submitted by the Secretary concerned.

*7.3 Amount

An SRB may not exceed \$15,000 for each year of obligated service in an RC. The maximum amount for an SRB is \$90,000.

7.3.1. The Secretary concerned must determine the amount of an SRB based on a business case model that targets retention of adequate levels of enlisted personnel in a reenlistment or extension category.

7.3.2. RC members may receive more than one SRB at a time, but the total combined SRB payments over a career must not exceed \$180,000.

7.3.3. SRB amounts may be prorated for extension requests greater than 1 year and reenlistments greater than 3 years. The additional service time will be calculated on a monthly basis at a rate equal to 1/12th the annual amount. Total bonus amounts are limited to \$90,000 per SRB and \$180,000 over a career.

7.4 Method of Payment

An SRB may be paid either in installments or in a lump sum. If an SRB is paid in periodic installments:

7.4.1. The installment amount will be at the discretion of the Secretary concerned and may be paid at the time of reenlistment, or at the beginning of the member's service commitment for the voluntary extension of enlistment. All payments must be made before the member completes a total of 28 years of service.

7.4.2. The initial payment to a Service member who reenlists after a break in active duty service greater than 24 hours is to be made no earlier than 30 days after arrival at the first permanent duty station following reenlistment.

7.4.3. Where there is lost time, the subsequent installment payments will be delayed by the number of days of lost time.

7.4.4. Discharge for the purpose of immediate reenlistment does not affect a member's entitlement to subsequent SRB installment payments.

7.5 Repayment

A member who does not complete the term of enlistment within the element of the SELRES for which the bonus was paid to the member under this section will be subject to the repayment provisions of 37 U.S.C. § 373 and Chapter 2.

7.6 Duration of Authority

CHAPTER 57

RESERVE ENTITLEMENTS FOR ACTIVE DUTY (AD) (NOT EXTENDED)

1.0 GENERAL (5701)

1.1 Purpose (570101)

This chapter establishes the policy guidance pertaining to reserve entitlements for AD (not extended).

1.2 Authoritative Guidance (570102)

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), including Titles 5, 10, and 37. Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 PROVISIONS (5702)

2.1 Entitlements (570201)

2.1.1. AD With Pay. A member of a Reserve Component (RC) serving on AD with pay is entitled to receive pay according to the member's years of service and the grade in which the member is serving.

NOTE: The term AD, as used in this chapter includes; AD training, AD for training (ADT), full-time training duty, annual training duty for operational support and attendance while in active service at a school designated as a Service school by law or the Secretary of the Military Department concerned, temporary AD when the pay is chargeable to a Reserve appropriation, or in the case of the National Guard, full-time training, and other full-time duties. It does not mean extended AD (EAD). EAD is defined as AD performed by an RC member when strength accountability passes from the RC to the active military establishment.

2.1.2. AD Without Pay. An RC member may, with his or her consent, be ordered to AD without pay when authorized by the Secretary of the Military Department concerned. See section 5.0 for entitlement to allowances.

2.1.3. Combination AD and Inactive Duty. An RC member may be paid the equivalent total of more than 360 days of pay in a year, when so directed, if this total is based on a combination of AD pay and inactive duty training (IDT) pay.

2.1.4. Effective Date of Promotion for Increase in Pay and Allowances, Reserve and National Guard Officers. See Table 57-1.

2.1.5. Effective Date of Promotion for Increase in Pay and Allowances, Enlisted Members of the RC. Chapter 1, Table 1-4, rules 8 through 14 apply to these members.

2.2 Saved Pay (570202)

The provisions of Chapter 1, paragraph 010303 apply to RC members.

2.3 Limitation (570203)

An RC member cannot be paid inactive duty pay on any day that he or she is entitled to AD pay.

2.4 Waiver of Benefits (570204)

An RC member who is drawing a pension, disability compensation, retainer pay, or retirement pay from the United States for prior Military Service, and who performs duty for which he or she is entitled to pay, may elect to receive either:

2.4.1. The payments for prior Military Service; or

2.4.2. If a member specifically waives those payments, then the pay and allowances authorized for the duty the member is currently performing.

2.4.2.1. Department of Veterans Affairs (VA) Disability Compensation. A reservist who is entitled to VA disability compensation must waive the equivalent VA compensation for 1 day for each Reserve AD day or each inactive duty period. Thus, the performance of two inactive duty periods in 1 calendar day requires waiver of the equivalent VA compensation for 2 days. These waiver requirements apply for all days in a calendar month.

2.4.2.2. Retired or Retainer Pay. A reservist who is entitled to retired or retainer pay must waive the equivalent of retired or retainer pay for 1 day for each Reserve AD day or inactive duty performance day. Thus, the performance of two inactive duty periods in 1 calendar day requires waiver of the equivalent retired or retainer pay. These waiver requirements apply for all days in a calendar month.

2.5 Allotments of Pay (570205)

Except as prescribed in paragraph 7.8, an RC member, not on EAD, may not have pay allotted. Members of the RC serving on AD, ADT, or full-time training duty under competent orders that specify periods of duty of more than 180 days, or upon involuntary recall, are excluded from this restriction when prescribed in Military Service regulations and may allot their pay, even though such pay is chargeable to Reserve or National Guard appropriations. Chapter 34, section 3405 applies should a member enter a missing status, and paragraph 6.4 applies should a member incur a disability.

NOTE: Due to the Defense Joint Military Pay System – RC (DJMS-RC) system limitations, members of an RC on DJMS-RC are not able to make allotments from their pay.

2.6 Leave (570206)

An RC member who serves on AD with pay for periods of 30 consecutive days or more accrues leave at the rate of 2.5 calendar days for each month of active service, excluding periods of:

2.6.1. Absence from duty without leave;

2.6.2. Absence over leave; or

2.6.3. Confinement, as a result of a court-martial.

NOTE: The member is entitled to lump-sum settlement of unused accrued leave upon completion of a tour per Table 57-2. When consecutive tours are involved, a member may be reimbursed for unused accrued leave or it may be carried forward, at the member's option, until completion of the final tour. When computing the length of a period of AD, include allowable travel time. See also Chapter 35, paragraphs 350201 and 350202, and procedural instructions of the Military Services concerned. Refer to Tables 35-1 through 35-4 for specific entitlement criteria.

2.7 Allowable Travel Time for Pay Entitlement Purposes (570207)

The provisions of Chapter 1, paragraph 010305 apply to RC members.

3.0 COMPUTATION OF PAY (5703)

3.1 Annual Salary (570301)

The provisions of Chapter 1, subparagraph 010302.C apply to RC members.

3.2 Computation of Monthly Pay (570302)

3.2.1. AD for 30 Days or More. When a member is ordered to AD for 30 days or more, and a tour of duty starts on the first day or an intermediate day of a calendar month, the member is entitled to pay and allowances through the 30th day. Payment is not authorized for the 31st day of a calendar month. This includes a member who is ordered to AD for less than 30 days and is continued on AD for 30 days or more by new orders or an amendment to the original orders. When computing the number of days for which pay is due, include the entire period the member actually serves on AD, including allowable travel time. See Table 57-2, rules 1 and 2.

3.2.2. AD for Less Than 30 Days. A member ordered to AD for less than 30 days is entitled to pay and allowances at 1/30 of the monthly rate for each day actually served, including

the 31st day of a calendar month. This includes a member ordered to AD for 30 days or more, but released before performing at least 30 days of AD, including allowable travel time. See Table 57-2 rule 3.

3.2.3. AD During February. See Table 57-2, rules 4 through 11.

3.3 Absence From Duty (570303)

3.3.1. AD for Less Than 30 Days. Deduct 1/30 of the monthly rate of pay for each day of unauthorized absence.

3.3.2. AD of 30 Days or More. The provisions of Chapter 1, subparagraph **010302.A** apply to RC members.

3.4 Basic Pay Rates (570304)

Reference the [Military Pay Tables](#) for the current monthly rates of basic pay.

4.0 SPECIAL AND INCENTIVE PAYS (5704)

4.1 Entitlement (570401)

Members of the RC on AD are generally entitled to special and incentive pays under the same conditions as members on EAD and members of the Regular Component. For exceptions, see paragraphs 4.2 through 4.7.

4.2 Career Sea Duty and Hardship Duty Pay (570402)

For career sea duty and hardship duty pay, the ship or duty station at which a member is performing AD is considered the member's permanent duty station.

4.3 Aviation Incentive Pay (AvIP) and Hazardous Duty Incentive Pay (HDIP) for the Performance of Aerial Flights (570403)

4.3.1. Entitlement. An RC officer is entitled to AvIP (continuous or conditional) while performing AD, as defined in subparagraph 2.1.1, when the requirements of Chapter 22, section **2203** have been met. AGR aviators on full-time AD on a career basis will be entitled to AvIP (continuous or conditional) under provisions of Chapter 22 on the same basis as officers on EAD.

4.3.2. Excess Flying Time. The excess flying time provisions in Chapter 22, for rated officers, flight surgeons, and rated or designated warrant officers entitled to AvIP, and for enlisted crewmembers entitled to Critical Skill Incentive Pay, apply to an RC member only if on continuous AD for a period of 30 days or more.

4.3.3. Combined Flight Requirements. When a member performs both AD and inactive duty with pay in the same month, designated flying time earned in that month may be combined

to satisfy any AvIP or HDIP flight requirements for that month, as defined in Chapter 58, paragraph **580302**.

4.3.4. Flying Pay for Allowable Travel Time. A member on AD for 30 days or less is entitled to flying pay (if otherwise entitled) for travel time from duty station to home, even though the period extends into the following calendar month. See Chapter 22, Table 22-6.

4.3.5. Entitlement to AvIP While on ADT for Members Who Perform IDT Without Pay. An officer who performs IDT without pay is entitled to AvIP when performing ADT only if member is considered to be performing aviation service on a career basis.

4.4 Parachute Duty Pay (570404)

Parachute jumps performed during periods of ADT or during IDT periods, if performed per Chapter 24, section **2403**, may be used to qualify the member for parachute pay for either type of training. Parachute jumps performed while on EAD do not qualify a reservist for parachute pay in an IDT status.

4.5 Weapons of Mass Destruction Civil Support Team Pay (570405)

When determined necessary to address recruitment and retention concerns, the Secretary of the Military Department concerned may pay up to \$150 per month in special pay to RC members assigned to Weapons of Mass Destruction Civil Support Teams. In order to be eligible for Weapons of Mass Destruction Civil Support Team pay, a member must be:

4.5.1. Entitled to basic pay for full-time duty in the National Guard;

4.5.2. Fully qualified for Weapons of Mass Destruction Civil Support Team operations;
and

4.5.3. Serving on an approved AD tour in excess of 139 days in the DoD designated and certified Weapons of Mass Destruction Civil Support Team position.

4.6 Foreign Language Proficiency Bonus (570406)

An officer or enlisted member on ADT is entitled to Foreign Language Proficiency Bonus if otherwise entitled under Chapter 19.

4.7 Assignment Incentive Pay (AIP) (570407)

An RC member may be authorized to receive AIP. See Chapter 15 for current programs.

5.0 ALLOWANCES (5705)

5.1 Basic Allowance for Subsistence (BAS) (570501)

5.1.1. Entitlement – AD With Pay. An RC member ordered to AD with pay is entitled to BAS as prescribed in Chapter 25.

NOTES:

1. A member is considered to be traveling to the duty or training site upon departing residence with the intention of going directly to such duty or training site. A member is considered to be traveling from the duty or training site upon direct return to residence after completion of the duty or training.
2. A member who is called to AD to undergo a physical examination, not incident to a call to AD for more than 30 days, becomes entitled to provisions of rules 1, 2, or 3, as applicable, on the day of incurrence of disability.
3. Failure of the member to provide current and sufficient information as established by administrative regulations of the Military Service concerned may result in discontinuation of pay and allowances.
4. A member is entitled to compensation (but not retirement point credit) at the rate of 1/30 of monthly basic pay for each scheduled IDT period he or she is unable to attend because of the disability; however, there is no entitlement if, while traveling to or from the training or duty site, the member was disabled because of his or her gross negligence or misconduct. This entitlement will be factored into the pay and allowances payable so that total payments to the member for the disability period do not exceed the pay and allowances of a member of the Regular Component of a uniformed service of corresponding grade and length of service for that period.
5. The Secretary of the Military Department concerned may extend the period of entitlement beyond 6 months in the interest of fairness and equity.
6. There is no entitlement to pay and allowances beyond the training or duty period if the disability resulted from the member's gross negligence or misconduct.
7. Earned income is the total amount a member received from civilian employment or self-employment. It includes receipts from an income protection plan, vacation pay, or sick leave the member elects to receive.
8. There is no entitlement to medical and dental care if the member is disabled because of gross negligence or misconduct and the disability occurred while traveling to or from the training or duty site.

Table 57-3. Disability Entitlements for the Reserve Forces (Continued)

NOTES (Continued):

9. Lost civilian earned income is the difference between the member's normal wages or salary or other earnings (including self-employment earnings) that would have been payable for the disability period had the member been fully engaged in civilian employment, less any payments the member received. Civilian earned income does not include retirement income. The member must report all income from an income protection plan, vacation pay, or sick leave that is received during the disability period. If the sum of all these equals or exceeds the member's usual and customary earned income, then no pay and allowances payments will be made. Any payments to the member will first be paid as the basic pay element and then, if necessary, as allowances (BAH and BAS).
10. Any military duty, which the member performs, will be factored into the pay and allowances payable in note 2 so that the total payments to the member do not exceed the pay and allowances of a member of the Regular Component of a uniformed service of corresponding grade and length of service for that period.
11. Does not include work or study in connection with a correspondence course of an Armed Force or attendance in an inactive status at an educational institution under the sponsorship of an Armed Force or the Public Health Service.

CHAPTER 58

PAY AND ALLOWANCES FOR INACTIVE DUTY TRAINING (IDT)

1.0 GENERAL

1.1 Purpose

This chapter establishes policy pertaining to the pay and allowances for IDT for members of the National Guard and Reserve Component. For the purpose of this chapter, the term “Reserve Component” includes both National Guard and Reserve members unless stated otherwise.

1.2 Authoritative Guidance

The pay policies and requirements established by DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.). Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 PROVISIONS

2.1 Entitlement

2.1.1. IDT With Pay. A member of a Reserve Component is entitled to compensation at the rate of one-thirtieth of the basic pay prescribed for grade and years of service for the performance of each authorized period of:

2.1.1.1. Regular IDT;

2.1.1.2. Equivalent training, instruction, or duty as specified in Service regulations.

2.1.1.2.1. Army. For details and exceptions, see [Army Regulation 140-1](#) and [Army Regulation 350-1](#).

2.1.1.2.2. Navy. See Bureau of Navy Personnel Instruction 1001.39F CH-1, ([BUPERSINST 1001.39F CH-1](#)).

2.1.1.2.3. Air Force. See [Air National Guard Instruction 36-2001](#) and [Air Force Instruction 36-2254 VI](#).

2.1.1.2.4. Marine Corps. See [Marine Corps Order 1001R.1L Ch. 1](#);

2.1.1.3. Readiness Management Periods (Marine Corps see subparagraph 2.1.2);

2.1.1.4. Additional flying training period (AFTP);

2.1.1.5. Additional [Training Periods](#); and

2.1.1.6. [Training](#) that resulted in the successful completion of a course of instruction undertaken by the member, using electronic-based distributed learning methodologies, to accomplish training requirements related to unit readiness or mobilization, as directed for the member by the Secretary of the Military Department concerned ([Marine Corps see subparagraph 2.1.2](#)).

NOTE: To qualify for pay for a period of IDT, each member must engage in such duty or training for the period (not less than 2 hours) as prescribed by the Secretary of the Military Department concerned. Compensation will not accrue for periods of inactive duty performed in excess of the number authorized by the appropriate regulations of the Military Service concerned. A member cannot qualify for pay for more than two periods of IDT during a single calendar day.

2.1.2. [IDT Without Pay](#). The Secretary of the Military Department concerned may authorize members of a Reserve Component, with their consent, to IDT without pay.

2.1.3. [Combination Active Duty \(AD\) and Inactive Duty](#). Members of a Reserve Component may be paid the equivalent total of pay for more than 360 days in a year, when so directed based on the actual entitlement if the total is based on a combination of AD pay and IDT compensation.

2.2 Limitation

A member cannot accrue compensation for IDT performed on a day on which he or she is also entitled to basic pay for AD or on a day on which [he or she is](#) entitled to Muster Duty Allowance (MDA).

2.3 Waiver of Benefits

The provisions of Chapter 57, paragraph [2.4](#) apply to members of a Reserve Component who perform IDT in a pay status.

2.4 Allotment of Pay

Except as prescribed in Chapter 57, paragraph [2.5](#), there is no authorization for members of a Reserve Component to allot IDT compensation.

2.5 [Muster Duty Allowance \(MDA\)](#) for [Ready Reserve Service Member](#)

2.5.1. [Entitlement](#). The Secretary of Defense may order a member of the [Individual Ready Reserve \(IRR\)](#) without the member's consent, to muster duty one-time each year. A member ordered to muster duty will be required to perform a minimum of 2 hours muster duty, as determined by the Secretary of the Military Department concerned, on the day of muster.

2.5.2. Amount Payable. The General Services Administration Office of Government-wide Policy, Office of Travel, and Relocation Policy calculates the Average Domestic Per Diem Rate to establish the MDA rate. The MDA is 125 percent of the average per diem rate in effect on September 30 of the calendar year preceding the calendar year in which the muster duty is performed. See Table 58-1 or for the most current rates, see the [Muster Duty Allowance](#) table on DFAS.MIL.

2.5.3. Payment. A [Ready Reserve Service member](#) may be paid the MDA before, on, or after the date on which he or she performs muster duty, but not more than 30 days after that date. The [Ready Reserve Service member](#) is not entitled to other payment of any kind, including IDT compensation under paragraph 2.1, for the performance of muster duty.

2.5.4. Retirement Point Credit. Muster duty will not be credited in determining entitlement to, nor computing, retired pay.

2.5.5. Collections. From the MDA, collect:

2.5.5.1. Federal Income Tax Withholdings (FITW) at the authorized rate for one-time payments;

2.5.5.2. State Income Tax Withholdings (SITW) at the authorized rate for one-time payments; and

2.5.5.3. The premium for Servicemembers' Group Life Insurance (SGLI) program. See Chapter 47, section 5.0 for the premium rates and Table 47-1 for coverage effective dates.

NOTE: MDA is not subject to collection of the Federal Insurance Contributions Act (FICA) taxes.

2.6 Electronic Screening Allowance (ESA) Stipend for [Ready Reserve Service Member](#)

2.6.1. Entitlement. The Secretary of the Military Department concerned may authorize payment of an ESA stipend to a member of the IRR for participating in the screening performed by electronic means. Electronic screening may be performed in lieu of muster duty performed. A maximum of one ESA is paid during a calendar year. The ESA stipend authorized may not be disbursed in kind. Payment of a stipend to a member of the IRR for participation in screening will be made on or after the date of participation in such screening, but not later than 30 days after such date.

2.6.2. Maximum Amount Payable. The aggregate amount of the ESA stipend paid to an IRR member, in any calendar year, may not exceed \$50, regardless of pay grade.

2.6.3. Restriction. ESA stipend is the only monetary compensation authorized to be paid to a member for the performance of electronic screening and will constitute full payment to the member, regardless of the grade or rank in which the member is serving.

2.6.4. Collections. From the ESA stipend, collect:

2.6.4.1. FITW at the authorized rate for one-time payments;

2.6.4.2. SITW at the authorized rate for one-time payments; and

2.6.4.3. The premium for SGLI program. See Chapter 47, section 5.0 for the premium rates and Table 47-1 for coverage effective dates.

NOTE: ESA stipend is not subject to collection of FICA taxes.

2.7 Funeral Honors Duty Allowance (FHDA)

2.7.1. Entitlement. The Secretary of the Military Department concerned may authorize payment of FHDA to members of the Ready Reserves and the Retired Reserves. A member is entitled to FHDA for a minimum of 2 hours of funeral honors duty (FHD). A maximum of 1 FHDA may be earned and paid in 1 calendar day.

2.7.2. Amount Payable. FHDA is payable at \$50 for each FHD period regardless of pay grade, or one-thirtieth of the member's basic pay rate for each FHD period.

2.7.3. Restriction. Except for expenses reimbursed for travel and transportation incident to FHD, the FHDA is the only monetary compensation authorized to be paid to a member for the performance of FHD and will constitute full payment to the member.

2.7.4. Collections. From the FHDA, collect:

2.7.4.1. FITW at the rate claimed on the member's Internal Revenue Service (IRS) Form W-4, "Employee's Withholding Allowance Certificate." When a W-4 is not submitted, collect at the rate authorized for one-time payments;

2.7.4.2. SITW at the rate claimed on the member's W-4. When a W-4 is not submitted, collect at the rate authorized for one-time payments; and

2.7.4.3. The premium for SGLI coverage, if elected by Retired Reserve members when performing FHD. See Chapter 47, section 5.0 for the premium rates and Table 47-1 for coverage effective dates.

NOTE: FHDA is not subject to collection of FICA taxes.

2.8 Designated Unit Pay

2.8.1. A member assigned to a unit designated as a high priority unit of the SELRES by the Secretary of the Military Department concerned is, while performing IDT for compensation, entitled to a maximum of \$50 Designated Unit Pay for the performance of each authorized period of:

2.8.1.1. Regular IDT; or

2.8.1.2. Equivalent training, instruction, or duty, provided each authorized period is not less than 4 hours duration. Authorized periods, [as listed in paragraph 2.1](#), may be performed on a Sunday or a legal holiday.

2.8.2. A member of a designated unit is entitled to Designated Unit Pay for authorized periods of drill or duty performed with a non-designated unit, but members of a non-designated unit may not receive Designated Unit Pay for authorized periods of drill or duty performed with a designated unit.

2.8.3. From the Designated Unit Pay, collect:

2.8.3.1. FITW at the rate claimed on the member's W-4. When a W-4 is not submitted, collect at the rate authorized for one-time payments; and

2.8.3.2. SITW at the rate claimed on the member's W-4. When a W-4 is not submitted, collect at the rate authorized for one-time payments.

NOTE: Designated Unit Pay is not subject to collection of FICA taxes.

2.8.4. No payment of Designated Unit Pay may be made for any period before the date the Secretary of the Military Department concerned designates a unit as a high priority unit, nor may any payment be made for any period of drill or instruction performed after the date on the [Duration of Authority](#) table.

3.0 INCENTIVE PAY (IP)

3.1 Entitlement

Members of a Reserve Component who are in a pay status and under competent orders are entitled to IP for hazardous duty performed during IDT periods if they otherwise meet the requirements of this section. Members entitled to IP for hazardous duty are entitled to an increase in compensation equal to one-thirtieth the applicable monthly rate for each authorized period of IDT of not less than 2 hours.

3.2 Aviation IP (AvIP), Continuous or Conditional, or Hazardous Duty IP (HDIP) for Flying Duty

3.2.1. Entitlement

3.2.1.1. Members of a Reserve Component who perform IDT in a pay status are entitled to AvIP or HDIP for flying under the conditions of Chapter 22, sections [2.0](#) or [3.0](#). The provisions of Chapter 22, subparagraphs [2.1](#) or [3.2.5](#), regarding the use of hours flown during the preceding 5 months not already used to qualify for flight pay, are equally applicable to [otherwise eligible members](#) who are performing IDT. Exception: Minimum flight requirements are one-

half of those prescribed for a member on AD - that is, 2 hours per month when the calendar month is the [IDT period](#). If a fraction of a calendar month is the [IDT period](#), then flying time required for such period will be as shown in Chapter 22, Table [22-1](#) under “Inactive Duty.”

3.2.1.2. A member, who has performed less than the total number of regularly scheduled drills during a month or a fractional part of a month, must meet the minimum flight requirements for the month, or fraction thereof, in order to be entitled to any flying pay for the drills actually performed. When scheduled IDT was not attended and performed in a subsequent month, flying pay for such period(s) is payable, provided the member met minimum flight requirements for each period involved.

3.2.2. Combined Flight Requirements. When a member performs both active and inactive duty with pay in the same month, designated flying time earned in that month may be combined to satisfy any AvIP or HDIP flight requirements for that month.

3.2.2.1. Active and inactive duty flying time may be combined for application to flight requirements only in the month in which the flying is performed. The combined flying time that is in excess of the requirements of the month in which it was performed, or that otherwise cannot be used in the month earned, will be redistributed into active and inactive flying time categories. Combined flying time may be applied only to other monthly flight requirements (see Chapter 22) for the appropriate status category into which redistributed (i.e., AD flying time for AD requirements and inactive duty flying time for inactive duty requirements). Combined flying time will be applied and any excess or unused time will be divided and placed into appropriate categories as set forth in subparagraph 3.2.2.1.1 through 3.2.2.1.4.

NOTE: Unless the member is performing continuous AD in excess of 30 days, or unless the AD period extends [uninterrupted from one month into the following month](#), the excess/unused active flying duty hours may not be banked, [as described in paragraph 3.2.2.1.1](#), for potential application to other requirements.

3.2.2.1.1. When the hours flown while on AD are in excess of the AD flight requirement of the month, and the hours flown during the inactive duty period are also in excess of the inactive duty flight requirement of the month, all excess hours will be retained in their respective categories for application to the requirements for other months, if otherwise allowable.

Example 1: A member performed 15 days of AD and was in an IDT status 15 days in the same calendar month. The member performed 5.0 hours of flying duty while on AD and 1.5 hours while on inactive duty. The 5.0 hours earned while on AD are in excess to the 2 hours required, and the 1.5 hours earned while on inactive duty are in excess to the 1.0 hour required. The 3.0 hours that are in excess of the AD requirement will be “banked” as AD time if the criteria of the note in subparagraph 3.2.1.1 are met. The 0.5 hour in excess of the inactive duty requirement will be banked as inactive duty time.

3.2.2.1.2. When the hours flown while on AD are in excess of the AD flight requirement of the month, and the hours flown during the inactive duty period are insufficient for

the inactive duty flight requirement of the month, the excess AD hours will be applied to the inactive duty requirement. Any remaining excess or unused AD hours will be retained for application to the requirements for other months of AD, if otherwise allowable. If the excess AD hours applied to the inactive duty requirement are not sufficient to meet the inactive duty requirement for that month, then any banked inactive hours will also be applied. If the inactive duty requirement is still not satisfied, then all hours revert to their respective categories to be used in meeting the requirements for other months, as allowable.

Example 2: A member performed 15 days of AD and was in an IDT status for 15 days in the same calendar month. The member performed 5.0 hours of flying duty while on AD and 0.5 hour while on inactive duty. The AD flying time is in excess of the AD requirement of 2.0 hours, while the inactive flying time is insufficient for the inactive duty requirement of 1.0 hour. Apply 0.5 of the excess AD hours to the inactive requirement. The remaining 2.5 excess AD hours may be banked as AD time, if the criteria of the note in subparagraph 3.2.1.1 are met.

3.2.2.1.3. When the hours flown while on AD are insufficient for the AD flight requirement of the month, and the hours flown during the inactive duty period are in excess of the inactive duty flight requirement of the month, the excess inactive duty hours will be applied to the AD requirement. Any remaining excess or unused inactive duty hours will be retained for application to inactive duty requirements in a subsequent month. If the excess inactive duty hours applied to the AD requirement are not sufficient for a month's AD requirement, then any banked AD hours will be applied. If the AD requirement is still not satisfied, then all hours revert to their respective categories for use in meeting requirements for other months, as allowable.

Example 3: A member performed 15 days of AD and was in an IDT status 15 days in the same calendar month. The member performed 0.5 hour of flying duty while on AD and 1.5 hours while on inactive duty. The member has 0.0 hour of AD flying time and 3.0 hours of inactive flying time banked. The AD flying time is insufficient for the AD requirement of 2.0 hours and the inactive flying time is in excess of the inactive duty requirement of 1.0 hour. Apply the 0.5 excess inactive duty hours to the AD requirement. Combined, the AD and inactive duty flying time is short of the requirement by 1.0 hour. In this case, there are no banked AD hours, and the AD requirement remains unfulfilled. Therefore, the 0.5 unused AD hour may be banked as AD time if the criteria of the note in subparagraph 3.2.1.1 are met and the 0.5 hour of unused inactive duty time will be banked as inactive duty time.

3.2.2.1.4. When the hours flown while on AD are insufficient for the AD flight requirement of the month, and the hours flown during the inactive duty period are also insufficient for the inactive duty flight requirement of the month, the hours will be applied in the following sequence. The inactive duty hours flown will first be applied to the AD requirement. If the combined active and inactive duty hours flown are not sufficient to meet the AD requirement, then any banked AD hours will also be applied. If the AD requirement is still not satisfied, then the AD hours flown will instead be applied to the inactive duty requirement. If the combined active and inactive duty hours flown are not sufficient for the inactive duty requirement, then any

banked inactive duty hours will also be applied. If the inactive duty requirement is still not satisfied, then all hours revert to their respective categories for use in meeting requirements for other months, as allowable.

Example 4: A member performed 15 days of AD and was in an IDT status 15 days in the same calendar month. The member performed 0.3 hour of flying duty while on AD and 0.4 hours while on inactive duty. The member has 0.1 hour of AD flying time (because of a period of AD that began near the middle of the previous month and was continuous into the present month) and 0.2 hours of inactive duty flying time banked. The AD flying time is insufficient for the AD requirement of 2.0 hours and the inactive flying time is insufficient for the inactive duty requirement of 1.0 hour.

First, apply the 0.4 hour of the inactive duty flying time to the AD requirement. Combined, the AD and inactive duty flying time is short of the requirement by 1.3 hours. In this case, there is 0.1 of banked AD hours, but that also is insufficient and the AD requirement remains unfulfilled.

Next, apply the 0.3 hour of the AD flying time to the inactive duty requirement. Again, the coverage is not sufficient, **because it is** 0.3 hours short of the inactive duty requirement. In this case, there is 0.2 hour of banked inactive duty hours, but that also is insufficient and the inactive duty requirement remains unfulfilled.

Finally, since neither the active nor the inactive requirements could be fulfilled, the unused time will be banked as allowed. The unused 0.3 hour of active flying time may be banked as AD time if the criterion of the note in subparagraph 3.2.1.1 is met and the unused 0.4 hour of inactive flying time will be banked as inactive duty time.

3.2.2.2. When AD of less than **30 days continues uninterrupted from one month into the following month**, flights performed on IDT may be combined to satisfy requirements for the whole period of AD if the inactive duty flight requirements for both months have been met.

Example 1: A member performed 3.4 hours of flying while on an IDT status from April 1-23. The member did not fly during AD for the training period of April 24 to May 7, or while in an IDT status May 8-31. A total of 1.1 excess flying hours was accumulated before April 1. Flying time of 3.4 hours is first applied to the IDT flight requirements for April (1.6 hours) and then to AD flight requirements for April (1.0 hour). The 0.8 excess flying hours during April added to the 1.1 excess flying hours accumulated before April results in 1.9 excess flying hours available to apply against May flight requirements. Flight time in May totals 2.6 hours (24 days of inactive duty requires 1.6 hours; 7 days of AD requires 1.0 hour). See Chapter 22, Table 22-3. Accumulated excess hours first are applied to the IDT flight requirements. Do not credit pay for the period of May 1-7 since only 0.3 unused hour available is less than the 1.0-hour requirement.

Example 2: A member performed the following flights while on active and IDT during parts of 2 calendar months. No excess flying hours were available on March 1.

<u>Periods</u>	<u>Time Flown</u>	<u>Flight Requirements</u>
(Inactive) March 1	1.8 hours	1.0 hour
(Active) March 16-31	1.2 hours	2.2 hours
(Active) April 1-9	1.0 hour	1.2 hours
(Inactive) April 10-30	1.6 hours	1.4 hours

NOTE: The continuous period of AD (March 16 to April 9) is an AD period of 25 days, which requires 3.4 hours flying time. For that reason, the 31st day of March imposes required flying time. Since this member is unable to meet the flight requirements for the AD flight period, which covers, parts of 2 calendar months, it is necessary to determine if the member can meet the requirements for a single month. Entitlement for the month of March requires a composite of only 3 hours of flying time, and the month of April requires 2.6 hours. Thus, a member qualifies for flying pay for each inactive duty period and for the AD periods.

3.2.3. AFTP. A member, who performs an AFTP in a pay status, if otherwise qualified, is entitled to IP for flying if he or she meets the flight for the month in which the AFTP is performed. Flying time accumulated during an AFTP may be used to satisfy requirements for IDT and the provisions of subparagraphs 3.2.1.1 and 3.2.1.2 may also be used for requirements for periods of AD.

3.2.4. Operational Flying. Flying duty required by competent orders and performed by members of a Reserve Component, irrespective of unit of assignment, is considered to be operational flying.

3.3 AvIP

An officer of a Reserve Component who performs IDT in a pay status is eligible for AvIP under the provisions of Chapter 22, section 3.0.

3.4 Submarine Duty Pay

A member of a Reserve Component, who participates in scheduled drills aboard a submarine during underway operations, while under competent orders and in a pay status, is entitled to IP for Submarine Duty.

3.5 HDIP for Parachute Duty

A member of a Reserve Component who performs IDT in a pay status is entitled to IP for Parachute Duty under the provisions of Chapter 24, section 3.0.

3.5.1. Parachute jumps performed during periods of IDT or AD qualify a member for IP for either duty.

3.5.2. Parachute jumps performed while on EAD do not qualify a member for IP in an IDT status (see Chapter 57, paragraph 4.4).

3.6 HDIP for Flight Deck Duty, Demolition Duty, and Experimental Stress Duty

A member of a Reserve Component who performs IDT in a pay status is entitled to IP under provisions of Chapter 24.

3.7 Unmanned Aerial Systems IP and Career Skills IP

A member of the Air Force Reserve Component who performs IDT in a pay status is entitled to IP under provisions of Chapter 22.

4.0 SPECIAL PAY

4.1 Entitlement

Members of a Reserve Component are not entitled to special pay for periods of inactive duty except as noted in the following paragraphs.

4.2 Foreign Language Proficiency Bonus (FLPB)

The Secretary of the Military Department concerned may pay FLPB to a member of a Reserve Component who is proficient in at least two of the three language modalities of reading, listening and speaking with respect to foreign languages identified on the Strategic Language List. A member of a Reserve Component, who meets the requirements of Chapter 19, section 2.0; and any additional requirements of the Military Service concerned, (see applicable Service FLPB Instructions) is entitled to FLPB for each regular period of instruction or period of appropriate duty at which the member is engaged for at least 2 hours. This includes instruction received or duty performed on a Sunday or holiday and each period of performance of such equivalent training, instruction duty, or appropriate duties as the Secretary of the Military Department concerned may prescribe. The total of FLPB for [Ready Reserve Service member](#) must equal the annual FLPB paid to an AD member with the same certified language proficiency.

4.3 Diving Duty Pay

The Secretary of the Military Department concerned may pay a member of a Reserve Component who is entitled to basic pay, a special pay in the amounts set forth in Chapter 11, Tables 11-2 through 11-9 for which the member:

4.3.1. Is assigned by orders to the duty of diving;

4.3.2. Is required to maintain proficiency as a diver by frequent and regular dives; and

4.3.3. Is either:

4.3.3.1. Actually performing diving duty while serving in an assignment for which diving is a primary duty; or

4.3.3.2. Meeting the requirements to maintain proficiency as described in Chapter 11, subparagraph 2.2.2 while serving in an assignment that includes diving duty other than as a primary duty.

NOTE: A member of a Reserve Component who meets the requirements of Chapter 11 and any additional requirements of the Military Service concerned is entitled to diving duty pay for each regular period of instruction or period of appropriate duty at which the member is engaged for at least 2 hours. This includes instruction received or duty performed on a Sunday or holiday and each period of performance of such equivalent training, instruction duty, or appropriate duties as the Secretary of the Military Department concerned may prescribe. The compensation for each such period will be equal to one-thirtieth of the monthly special pay authorized under Chapter 11, paragraph 3.4.

4.4 Special Duty Assignment Pay (SDAP)

4.4.1. An enlisted member of a Reserve Component who is entitled to basic pay may qualify for SDAP when a member performs duties designated by the Secretary of the Military Department concerned as extremely difficult or involving an unusual degree of military skill. A member entitled to SDAP may receive such pay in addition to any other pay or allowances to which entitled. SDAP status is awarded according to the applicable regulations of the Military Service concerned.

4.4.2. An enlisted member of a Reserve Component who meets the requirements of Chapter 8 and any additional requirements of the Military Service concerned is entitled to SDAP for each regular period of instruction or period of appropriate duty at which the member is engaged for at least 2 hours. This includes instruction received or duty performed on a Sunday or holiday and each period of performance of such equivalent training, instruction duty, or appropriate duties as the Secretary of the Military Department concerned may prescribe. The compensation for each such period will be equal to one-thirtieth of the monthly special pay authorized under Chapter 8, paragraph 3.1.

4.5 Command Pay

The Secretary of the Military Department concerned may designate positions of unusual responsibility that are of a critical nature to an Armed Force under his or her jurisdiction and authorize special pay to officers performing the duties of such a position. An officer of a Reserve Component, who meets the requirements of Chapter 3, section 8.0, and any additional requirements of the Military Service concerned, is entitled to command pay for each day of the performance of duties in a designated position. This applies to days on which regular periods of instruction or periods of appropriate duty are performed, including periods of instruction received or duty performed on a Sunday or holiday and duties as the Secretary of the Military Department

concerned may prescribe. The compensation for each such day will be equal to one-thirtieth of the monthly special pay authorized under Chapter 3, paragraph 8.3.

NOTE: This is a departure from the usual compensation practice of paying one-thirtieth of a special pay for each inactive duty drill period.

4.6 Hostile Fire Pay (HFP) or Imminent Danger Pay (IDP)

See Chapter 10.

4.7 Assignment IP (AIP)

The Secretary of the Military Department concerned may pay AIP to a member of a uniformed service who performs service, while entitled to basic pay, in an assignment designated by the Secretary of the Military Department concerned under the provisions of Chapter 15.

5.0 ALLOWANCES

5.1 Clothing Monetary Allowances, Enlisted Members

Except as provided for in subparagraphs 5.1.1 through 5.1.3, an enlisted member of a Reserve Component is not entitled to any cash clothing allowances when on IDT.

5.1.1. Special Initial Clothing Monetary Allowance (Navy). Chief Petty Officers of the Naval Reserve who are assigned to SELRES and Voluntary Training Units (VTU) are entitled to a special initial clothing monetary allowance upon first advancement to Chief. Payment will be made in one full prescribed cash portion payment. See Chapter 29, paragraph 3.4 and the [Military Clothing Allowances](#) table on DFAS.MIL.

5.1.2. Quarterly Maintenance Clothing Allowance (Navy). Chief Petty Officers of the Naval Reserve who are assigned to SELRES and VTU and who maintain satisfactory reserve participation per current Bureau of Naval Personnel policy in the quarter concerned, are entitled to an annual Reserve Maintenance Clothing Allowance (RMA) in the equivalent amount of 18 percent of the [Special Cash Clothing Replacement Allowances](#) (see DFAS.MIL). A Chief Petty Officer who is advanced to that grade or who becomes a member of a pay unit in a pay or non-pay status on other than the first day of a quarter is not entitled to a quarterly allowance until the first day of the next quarter. The allowance will not be paid for a fractional part of a quarter. New Chiefs are not entitled to the RMA until the first day of the following fiscal year after advancement.

5.1.3. Initial Cash Allowance for Enlisted Members. An enlisted member of a Reserve Component is entitled to an initial cash allowance for the purchase of items specifically designated by the Military Department concerned to be purchased by the member rather than to be furnished in kind. See Chapter 29, paragraph 2.1.

5.2 Officers' Initial Uniform Allowance

An officer of a Reserve Component is entitled to an initial uniform allowance upon completing 14 periods of IDT as an officer in the Ready Reserve, provided each period is of at least 2 hours duration. See Chapter 30, section 2.0.

5.3 Basic Allowance for Subsistence (BAS)

Enlisted members of a Reserve Component may receive subsistence in kind or a cash commutation for meals when not entitled to basic pay if the member's period of instruction or duty totals at least 8 hours in 1 day. This entitlement is at the discretion of the Secretary of the Military Department concerned who will issue written instructions specifying eligibility criteria. When a cash commutation is authorized, it will be paid at one-thirtieth of the applicable monthly BAS rate from Chapter 25 for each such day authorized, further pro-rated by meal. Breakfast will be pro-rated at 20 percent of the daily BAS rate; lunch and dinner will each be prorated at 40 percent of the daily BAS rate.

6.0 MISCELLANEOUS PAYMENTS

6.1 Pay and Allowances While Disabled

See Chapter 57, paragraph 6.4 for entitlements when a member of a Reserve Component is disabled while performing IDT.

6.2 Payment on Behalf of Deceased Members

6.2.1. Death Gratuity. The eligible beneficiaries of a member of a Reserve Component are entitled to payment of death gratuity, regardless of whether death occurred in the line of duty or was the result of the member's misconduct, if the member dies:

6.2.1.1. While on IDT;

6.2.1.2. While traveling directly to or from IDT; or

6.2.1.3. Within 120 days after discharge or release from IDT, if the Department of Veterans Affairs (VA) determines that the death resulted from an injury or disease incurred or aggravated while performing, or traveling directly to or from such training.

6.2.2. Eligible Beneficiaries. The provisions of Chapter 36, Table 36-1 apply to members of a Reserve Component.

6.2.3. Determining Eligible Beneficiaries. The provisions of Chapter 36, paragraph 2.5 apply to members of a Reserve Component.

6.2.4. Determination Affecting Entitlement. The provisions of Chapter 36, paragraph 2.6 apply to members of a Reserve Component.

6.2.5. Amounts Payable. The provisions of Chapter 36, paragraph 2.7 apply to members of a Reserve Component.

6.2.6. Expediting Payments. The provisions of Chapter 36, paragraph 2.8 apply to members of a Reserve Component.

6.2.7. Erroneous Payment. The provisions of Chapter 36, paragraph 2.10 apply to members of a Reserve Component.

6.2.8. Settling Deceased Member's Accounts. The provisions of Chapter 36, section 3.0, and Chapter 2 apply to members of a Reserve Component.

6.3 Disability Severance Pay

6.3.1. A member who performs IDT, and is separated for physical disability due to injury, which was the proximate result of the performance of such duty, is entitled to severance pay, if otherwise qualified under appropriate personnel regulations.

6.3.2. Computation of severance pay will be as prescribed in Chapter 35.

6.4 Ready Reserve Service Members' Involuntary Separation Pay (RISP)

6.4.1. Payment. Upon approval by the Secretary of the Military Department concerned, and subject to the restrictions in this paragraph, pay RISP to a member of the SELRES who has at least 6 years but less than 15 years of service as of the date of discharge from a Reserve Component or involuntary transfer from the SELRES.

6.4.2. Computation

6.4.2.1. Using an official statement of service, determine years of service, computing to three decimal places and rounding to two decimal places. Do not include in the service any days or points for which the member previously received separation, severance, or readjustment pay.

6.4.2.2. Multiply the number of years of service times 15 percent times 62 times the member's daily rate of basic pay if serving on AD as of the date of separation or transfer from the SELRES. The product is the RISP.

Example: A member who is an E-5 over 8 years total service for pay purposes (daily rate of pay \$47.55) and a total of 1,760 retirement points credit is approved for discharge on August 27, 2016, by the Secretary of the Military Department concerned. Compute RISP as follows: Divide total Retirement Points Credit 1,760 by 360 = 4.89 years (computing to 3 decimal places rounding to 2 decimal places) x 15 percent x 62 x \$47.55 (daily rate of pay) = \$2,162.43 RISP.

6.4.2.3. Withhold federal and state income taxes. RISP payments are not subject to FICA or Medicare taxes.

6.4.2.4. A recipient of RISP who later receives basic pay, IDT compensation, or retired or retainer pay will have such pay, compensation, or retired pay reduced by 75 percent until the total reductions equal the total RISP received.

6.4.2.5. A member who has received RISP, who later receives disability compensation from the Department of VA, will have deducted from such disability compensation the total amount of RISP. However, there will be no such reduction if the disability compensation is for a disability incurred or aggravated after the period for which the RISP was paid.

6.4.2.6. Members are not authorized to receive RISP when they are authorized to receive early (completed at least 15 but less than 20 years of service) non-regular retired pay at age 60.

7.0 DEDUCTIONS AND COLLECTIONS

7.1 Income Tax Withholding

See Chapter 44, paragraph 2.1 for provisions for members of a Reserve Component who are performing IDT.

7.2 FICA

See Chapter 45.

7.3 Courts-Martial Sentences

The provisions of Chapter 48 apply to members of a Reserve Component who are performing IDT.

7.4 Non-judicial Punishment

7.4.1. The provisions of Chapter 49 apply to members of a Reserve Component who are performing IDT.

7.4.2. The maximum forfeiture to which a member of a Reserve Component is subject, while in an inactive duty status, is limited to one-half of the IDT compensation to which entitled during the period of the sentence. This applies also to a member who is on AD when the non-judicial punishment is imposed, and reverts to an inactive duty status during the period of the sentence.

7.5 Stoppages and Collections Other Than Courts-Martial Forfeitures

The provisions of Volume 16 apply to members of a Reserve Component who are performing IDT.

7.6 Waiver of Claims for Erroneous Payment of Pay and Allowances

See Volume 16.

7.7 Legal Process for the Enforcement of Child Support and Alimony Obligations

See Chapter 41, section 3.0.

8.0 SGLI PROGRAM FOR RESERVE COMPONENTS

*8.1 Basic Coverage

SGLI automatically insures eligible members against death for \$500,000, unless the member elects a reduced coverage or declines coverage. SGLI is payable upon the member's death while insured.

8.2 Periods of Coverage

See Chapter 47, Table 47-1.

8.3 Changes in Coverage

See Chapter 47, Table 47-1. A member who is covered for an amount less than the maximum coverage may later apply for increased coverage in writing, with proof of good health, up to the maximum coverage stated in paragraph 8.1.

8.4 Full-Time Coverage

All members of the Ready Reserve and National Guard, who are assigned or attached to a unit or position that requires performing AD, and who will be scheduled to perform at least 12 periods (monthly) of IDT annually that is creditable for retirement purposes, are automatically insured for full-time SGLI coverage, unless the member elects in writing to decline the insurance. Additionally, members of the IRR are automatically insured for full-time SGLI coverage, unless the member elects in writing to decline the insurance, if they volunteer to be mobilized involuntarily and if they are selected by the Secretary concerned, based upon the needs of the service and the grade and military skills of the member. These IRR members may not be carried in this status, and therefore will not be entitled to full-time coverage, beyond 24 months from their separation date from active duty. Services' SGLI procedures must provide for timely determination of the effective start dates for eligible members and stop dates whenever a member does not meet the eligibility criteria. When a member ceases to meet the conditions of eligibility

for full-time SGLI coverage, the Service must notify the member of the pending termination of benefits. Also, see Chapter 47, paragraph 2.1.

8.4.1. Member in a Pay Status. SGLI premiums will be collected from the member's AD pay or drill pay whenever possible. This should apply to members who drill regularly, even if they are not scheduled to drill every month. Even though a member may not drill on a particular month and may not receive any pay, premium due is still included in the monthly transfer of funds to the Department of VA and must be collected from the member as quickly as possible. This can be done by deduction either from pay or direct payment from the member. The Defense Finance and Accounting Service (DFAS) will establish a debt on the member's pay account and collect the total premium due when pay is due. When a member ceases to meet the conditions of eligibility for SGLI coverage, the member's parent Service must inform DFAS in a timely manner to allow any final premium liability to be deducted from final pay and to preclude further overpayments.

8.4.2. Member in a Non-Pay Status. When a member is insured under an insurance policy purchased by the VA, the Secretary concerned will contribute from the appropriation for AD pay, the share of the cost attributable to insuring the member under this policy during any month in which:

8.4.2.1. The member is in a non-pay status; and

8.4.2.2. The member is assigned to the Ready Reserve of a Uniformed Service, which requires the member to perform at least 12 periods of IDT annually that is creditable for retirement purposes. This includes Direct Remitters who are scheduled to drill but don't attend, in addition to those drilling for points.

Note: Any amounts contributed on behalf of the member must be collected by DoD via direct remittance, if the member has been identified by the Service concerned as a Direct Remitter. Collection may include establishing a debt against the member's pay account and monies collected must be credited to the appropriation from which the contribution was made.

8.4.3. Direct Remitters. Each Service must have clearly established programs to identify members who are required to make a direct remittance of premiums. Services must notify members at least 30 days in advance of the date the direct remittance is due. The notice will include the amount of the payment, the date it is due, and the Service's address to which the payment should be sent. The member must make remittance within 30 days from the date of the notice.

8.4.3.1. Failure to Make Remittance Within 60 Days. When a member fails to make the direct remittance within 60 days from the due date, the Secretary of the Military Department concerned must notify the member of termination of SGLI coverage unless the member justifies the delinquency to the satisfaction of the Secretary of the Military Department concerned.

8.4.3.2. Termination of SGLI Coverage. When the Secretary of the Military Department concerned determines that the member failed to make direct remittance within 60 days

of the due date, the Secretary will send a “Notice of SGLI Termination” to the member’s official address. The notice must clearly state that effective 60 days from the date of such notice, the member’s SGLI will be terminated. If a member fails to justify the delinquency within 60 days, then the Secretary of the Military Department concerned will send the “Final Notice of SGLI Termination” by certified mail to the member’s official address. The Secretary of the Military Department concerned must notify DFAS of the member’s effective date of termination. Once SGLI coverage is terminated, it will remain terminated with reinstatement only as approved by the Secretary of VA.

8.4.3.3. Continuation of Coverage. SGLI coverage may be continued if, and only if, the member remits all required premiums within 60 days from the “Notice of SGLI Termination” and justifies the reason for the late payment (subject to approval by the Secretary of the Military Department concerned). A copy of all requests for continuation of SGLI coverage and the Service’s final determination will be forwarded within 30 days to:

Director of Compensation
Attn: Termination of SGLI Coverage
ODASD(FMP)(MPP)(Comp)
Washington, DC 20301-4000

8.5 Part-Time Coverage

Part-time coverage is available to certain eligible members of a Reserve Component who do not qualify for full-time coverage while performing AD under calls or orders of specified periods of 30 days or less. Members may elect coverage of \$400,000 or less in \$50,000 increments, or decline coverage. See Chapter 47, section 5.0 for premium rates.

8.5.1. Election Changes. Amounts deducted for coverage before the effective date of a waiver of coverage or before an election of a lesser amount of coverage are not refunded. When a member elects increased coverage during a year in which a duty period has already been performed, collect the difference (between the higher annual premium and the premium previously collected) during the first period of duty in which the member is in a pay status that same year, if applicable. A proof of good health is required for any increase of coverage. A member may use the SGLI On-Line Enrollment System or electronic [SGLV 8286](#) if permitted, to make election changes.

8.5.2. Continuation of Coverage. Any election made continues in effect during continuous obligation to perform duty in the same Uniformed Service, including any AD for a period of more than 30 days. For mobilization, see Chapter 47, Table 47-1, rule 8.

8.6 Appellate Leave

See Chapter 47, section 4.0.

8.7 Forfeiture of Coverage

See Chapter 47, paragraph 2.4.

8.8 Refunds

See Chapter 47, paragraph 5.4.

8.9 Settlement of SGLI Claims

See Chapter 47, section 7.0.

8.10 Retired Reserve

Ready Reserve Service members with full-time coverage have 240 days to apply to convert their SGLI coverage to Veterans Group Life Insurance (VGLI) without proof of insurability. **Ready Reserve Service members** have a total of 1 year and 120 days to apply for VGLI following separation, but must meet good health requirements if they apply more than 240 days following separation.

8.11 Family Coverage Under SGLI

See Chapter 47, section 8.0.

CHAPTER 59

**PAYMENT TO MEMBERS OF THE SENIOR RESERVE
OFFICERS' TRAINING CORPS (SROTC)**

1.0 GENERAL

1.1 Purpose

This chapter establishes policy pertaining to the pay and allowances for members of the SROTC.

1.2 Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with, the United States Code (U.S.C.), including Titles 5, 10, and 37. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 ENTITLEMENTS

2.1 Pay While Attending Training

Under [Title 37, U.S.C., section 203\(c\)](#), pay for cadets and midshipmen at the U.S. Military, Naval, and Air Force Academies is authorized at a prescribed rate. The rate for a cadet or midshipman, who is a member of the regular component of an Armed Force, will be at the rate of basic pay applicable to the member. These rates apply for:

2.1.1. A cadet or midshipman in the SROTC, while attending training or practice cruises, if the training or cruise is of at least four weeks duration and is completed before the cadet or midshipman is commissioned; or

2.1.2. An applicant for membership in the SROTC program, while attending field training or practice cruises to satisfy the requirements for admission to advanced training.

NOTE: A member or applicant for membership in the SROTC program is not entitled to longevity increases or basic pay while performing authorized travel to or from a training site.

2.2 Advance Pay

See Chapter 32, paragraph [2.10](#).

2.3 Commutation In Lieu of Uniforms

2.3.1. Army. See Army Regulation [\(AR\) 700-84](#), Chapter 10.

2.3.2. Navy. See Regulations for Officer Development, Naval Service Training Command ([NSTC Manual-1533.2D](#)) Series.

2.3.3. Air Force. See Holm Center Instructions 65-101.

NOTE: The Air Force Reserve Officers' Training Corps (ROTC) Cadet Payment Programs (Holm Center Instructions 65-101), is available via the Air Force Portal.

2.4 Textbook Allowances, Scholarship Cadets, and Midshipmen

2.4.1. Army. The Commander, U.S. Army Cadet Command prescribes the rates.

2.4.2. Navy. See Naval ROTC (NROTC), NSTC Manual 1533.2D Series.

2.4.3. Air Force. See Holm Center Instructions 65-101.

NOTE: The Air Force ROTC Cadet Payment Programs (Holm Center Instructions 65-101), is available via the Air Force Portal.

2.5 Restrictions

2.5.1. Travel Allowances. A member or applicant for membership in the SROTC program is not entitled to travel allowances while performing field training or at-sea training, except as authorized in section 8.0.

2.5.2. Special and Incentive Pay. A member or applicant for membership in the SROTC program is not entitled to special or incentive pay, except as provided in section 4.0.

2.5.3. Navy Reserve Drill Pay. Drill payments to Navy SROTC members are authorized only for students selected for advanced training in their freshman and sophomore years, and who specifically request continuation in a drill status.

3.0 SUBSISTENCE ALLOWANCE

3.1 Scholarship Cadets or Midshipmen

Except as prescribed in paragraph 3.7, a member of the SROTC program selected for advanced training is entitled to a monthly subsistence allowance; see the [SROTC Monthly Subsistence Allowance Table](#). Entitlement begins on the day the cadet or midshipman starts advanced training and ends upon the completion of their instruction. In no event, however, will any member receive such pay for more than 30 months.

3.2 SROTC Members Appointed In Reserves

Except as prescribed in paragraph 3.7, a member of the SROTC, enrolled in the first two years of a four-year program, is entitled to a monthly subsistence allowance as provided in the

SROTC Monthly Subsistence Allowance Table when appointed for a maximum of 20 months. A member enrolled in the advanced course is entitled to subsistence as prescribed in paragraph 3.1.

3.3 Non-scholarship SROTC Members Not In Advanced Training

A member of the SROTC, who has entered into an agreement under [10 U.S.C. § 2103a](#), is entitled to a monthly subsistence allowance at the rate provided in the SROTC Monthly Subsistence Allowance Table. That allowance may be paid to the member by reason of such agreement for a maximum of 20 months.

3.4 Non-scholarship Cadets or Midshipmen

Non-scholarship cadets and midshipmen are not entitled to subsistence allowance, except as noted in paragraph 4.7.

3.5 Subsistence Allowance for Marine Corps Platoon Leaders Class

Except while serving on active duty, members of the Marine Corps Platoon Leaders Class program are entitled to subsistence allowance at the rates provided in the SROTC Monthly Subsistence Allowance Table. Only members in the sophomore, junior, and senior class (Levels II, III, and IV) are entitled to a subsistence allowance. Members of the freshman class are not entitled to a subsistence allowance. Detailed instructions governing the payment of the subsistence allowance are in the Marine Corps Total Force System Personnel Reporting Instructions Manual.

3.6 Accelerated Completion of Military Instruction

A cadet or midshipman participating in advanced training, at an institution that has withdrawn from the program, may complete the third and fourth year (or the fourth and fifth year of a five-year program) of military training in the third year (or the fourth year of a five-year program) and be paid subsistence allowance during the fourth academic year (AY) (or the fifth year of a five-year program), as though enrolled for training in the fourth year (or the fifth year of a five-year program).

3.7 Limitations

3.7.1. Deduction for Field Training and At-Sea Training. A cadet or midshipman is not entitled to subsistence allowance while performing field training or at-sea training. During the period of field training or at-sea training, the cadet or midshipman is entitled to basic pay as specified in paragraph 2.1.

3.7.2. Vacation Periods

3.7.2.1. A cadet or midshipman enrolled in the first 2 years of the program is not entitled to subsistence allowance for any period(s) between academic school years, such as for

summer vacations between academic school years. Holiday breaks do not interrupt the entitlement.

3.7.2.2. A cadet or midshipman enrolled in the advanced course is entitled to subsistence allowance uninterrupted by any periods between academic school years, subject only to the overall 20 months (30 months in an approved five-year program) of entitlement limitation and subject to deduction for any periods of field training or at-sea training.

3.7.3. Government Meals Furnished Without Charge. SROTC members will have deducted from their subsistence allowance, on a per-meal basis, the charge for government meals furnished without charge. The total deduction for any day will not exceed 1/30th of the subsistence allowance. This recoupment provision does not apply, when meals are furnished, while participating in training events conducted during the AY.

3.8 Payment Procedures

Detailed instructions governing the payment of subsistence allowance to the respective SROTC members are contained in:

3.8.1. Army. See [AR 145-1](#);

3.8.2. Navy. See NROTC, [NSTC Manual 1533.2A](#) Series; and

3.8.3. Air Force. See Holm Center Instructions 65-101.

NOTE: The Air Force ROTC Cadet Payment Programs (Holm Center Instructions 65-101), is accessible via the Air Force Portal.

4.0 SROTC SKILL PROFICIENCY BONUS (SPB)

4.1 Eligibility

The Secretary of the Military Department concerned may pay an SROTC SPB under this section and the DoD Instruction [\(DoDI\) 1340.27](#), "Military Foreign Language SPB," to a cadet or midshipman of SROTC who:

4.1.1. Is enrolled as a cadet or midshipman of SROTC, as determined in accordance with regulations prescribed by the Secretary of Defense;

4.1.2. Participates in a language immersion program approved for the purposes of SROTC, or in study abroad, or is enrolled in an academic course that involves instruction in a foreign language of strategic interest. A foreign language of strategic interest includes a language listed on the DoD Strategic Language List, or other foreign language of strategic interest, which may be designated by the Secretary of the Military Department concerned as critical for purposes of foreign language SPB to the DoD, as designated by the Secretary of Defense for purposes of this section;

4.1.3. Enters into a written agreement under paragraph 4.3;

4.1.4. Pursues a course of study to acquire a critical foreign language as defined by the Secretary of the Military Department concerned; and

4.1.5. Satisfactorily completes the course. To satisfactorily complete the course, a contracted cadet or midshipmen must attain a letter grade of “B” or higher to warrant the SPB payment.

NOTE: An SROTC member may be paid an SROTC SPB if the student is enrolled in SROTC, even though the student may not have completed the first year of a four-year SROTC course or has become an obligated member under the SROTC program.

4.2 Limitations

4.2.1. SROTC SPB will not be paid retroactively for courses completed at another institution in the event a newly contracted cadet or midshipman transfers from that institution to a ROTC affiliated college, university, or ROTC consortium.

4.2.2. SROTC SPB will not be paid to cadets or midshipmen who take the College Level Examination Program test, distance learning, or on-line courses to receive college credit for foreign language or cultural studies classes.

4.3 Written Agreement

The Secretary of the Military Department concerned will require a contracted cadet or midshipmen to enter into a written agreement. The written agreement will specify:

4.3.1. The required SROTC SPB critical skill course of study;

4.3.2. The amount of the SROTC SPB;

4.3.3. The academic period(s) in which the SROTC SPB will be paid;

4.3.4. The required SROTC SPB course of study; and

4.3.5. That the cadet or midshipman will be paid the SPB after satisfactory completion of the SROTC SPB course.

4.4 Amounts

4.4.1. An SROTC SPB will not exceed \$3,000 for each 12-month period that follows a qualifying academic period in which a cadet or midshipmen satisfactorily completes a course of study to develop an SROTC SPB critical skill.

4.4.2. Any SROTC SPB payments for summer language immersion or study abroad programs, combined with any previous SPB payments for that AY, must not exceed the 12-month (full AY) SROTC SPB entitlement (summer immersion payment plus previous SPB payments) limit of \$3,000.

NOTE: The Secretary of the Military Department concerned may change the start and end dates of this 12-month period, to accommodate different schedules, for their ROTC affiliated colleges, universities, and ROTC consortiums, provided that the newly defined 12-month period reflects a minimum of 365 consecutive days.

4.5 Method of Payment

The SROTC SPB, for a qualifying course(s) or immersion training, will only be paid in a lump-sum payment, following the satisfactory completion of that course or immersion training.

4.6 Certification of Proficiency and Waiver

The DoD may waive the annual proficiency certification requirement for an SPB. In order for the DoD to waive this requirement, the contracted cadet or midshipman must satisfactorily complete the course of study, during the qualifying academic period or year, preceding the payment of the SPB.

4.7 Monthly Subsistence Allowance

During the period covered by the SROTC SPB, the student is entitled to a monthly subsistence allowance as detailed in section 3.0, even though the student has not entered into an agreement under 10 U.S.C. § 2103a. If paid, the monthly subsistence allowance will be as authorized in the SROTC Monthly Subsistence Allowance Table. An SROTC cadet may only receive a single monthly subsistence allowance.

4.8 Repayment

A member, who is paid a proficiency bonus under this section, but does not satisfactorily complete participation in the language program or study as described in paragraph 4.1 (or does not complete the requirements of the SROTC, as applicable), may be subject to the repayment provisions of Chapter 2. SROTC SPB must not be calculated in the cost of advanced education, should the Secretary of the Military Department concerned choose to exercise his/her written agreement option to seek reimbursement of the cost of a former student's advanced education.

*4.9 Duration of Authority

Unless extended by the authority of the Congress, no agreement may be entered into for the SROTC SPB under this section after the date on the [Duration of Authority](#) table.

5.0 DEDUCTIONS

CHAPTER 60

HEALTH PROFESSIONS SCHOLARSHIP PROGRAM FOR ACTIVE SERVICE

1.0 GENERAL

1.1 Purpose

The purpose of this chapter is to establish policy pertaining to the Health Professions Scholarship Program for Active Service. The Secretary of the Military Department concerned may provide for the payment of all educational expenses incurred by a member of the Armed Forces Health Professions Scholarship Program (AFHPSP), including tuition, fees, books, and laboratory expenses. Such payments, however, will be limited to those educational expenses normally incurred by students at the institution and in the health profession concerned. An educational institution cannot charge the government for educational costs that it does not charge to ALL students attending their University in pursuit of the degree in question.

1.2 Authoritative Guidance

The pay policies and requirements established by the Department of Defense (DoD) in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), including Titles 10, 26, 37, and 38. Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 AFHPSP

2.1 Purpose

The purpose of the AFHPSP is to obtain adequate numbers of commissioned officers on active duty who are qualified in the various health professions, including health professionals with specific skills to assist in providing mental health care to members of the Armed Forces.

2.2 Responsibility

The Secretary of the Military Department concerned, under regulations prescribed by the Secretary of Defense, may establish and maintain a Health Professions Scholarship and Financial Assistance Program (FAP) for their department. The Secretary of the Military Department concerned will allocate a portion of the total number of scholarships available in their department to health professionals with specific skills in mental health care. This is to assist such members in pursuing a degree at the master and doctoral level, with obligatory periods of military training, in any of the following disciplines:

2.2.1. Social work;

2.2.2. Clinical psychology;

2.2.3. Psychiatry; or

2.2.4. Other disciplines that contribute to mental health care programs in that Military Department.

2.3 Eligibility

To be eligible for participation in the AFHPSP, a person must be a citizen of the United States and must:

2.3.1. Be accepted for admission to, or enrolled in, an institution in a course of study or selected to receive specialized training, or, if offered, agree to accept residency training in a health profession skill which has been designated by the Secretary of the Military Department concerned as a critically needed wartime skill;

2.3.2. Sign an agreement to:

2.3.2.1. Complete the educational phase of AFHPSP;

2.3.2.2. Accept an appropriate reappointment or designation within his or her military service, if tendered, based upon his or her health profession, following satisfactory completion of AFHPSP;

2.3.2.3. Participate in the intern program of his or her service, if selected for such participation;

2.3.2.4. Participate in the residency program of his or her service, if selected, or be released from active duty for the period required to undergo civilian residency, if selected for such training; or

2.3.2.5. Participate in military training while in AFHPSP, under regulations prescribed by the Secretary of Defense; and

2.3.3. Meet the requirements for appointment as a commissioned officer.

2.4 Active Duty Obligation

A member of AFHPSP incurs an active duty obligation based upon the following conditions:

2.4.1. The period of obligation, as prescribed under regulations by the Secretary of Defense, may not be less than 1 year for each year of participation in AFHPSP.

2.4.2. A period spent as a military intern or in residency training will not be creditable in satisfying the active duty obligation.

2.4.3. A member of AFHPSP, who is dropped from AFHPSP for deficiency in conduct or studies or for other reasons, may be required to perform active duty in an appropriate military capacity in accordance with the active duty obligation imposed in this program.

2.4.4. The Secretary of the Military Department concerned may relieve a member of AFHPSP, who is dropped from AFHPSP, from an active duty obligation, but such relief will not relieve the member from any military obligation imposed by any other law.

2.4.5. A member of AFHPSP, who is relieved of the member's active duty obligation before the completion of that active duty obligation, may be given, with or without the consent of the member, any of the following alternative obligations, as determined by the Secretary of the Military Department concerned:

2.4.5.1. A service obligation in another Armed Force for a period of time not less than the member's remaining active duty service obligation;

2.4.5.2. A service obligation in a component of the Selected Reserve for a period not less than twice as long as the member's remaining active duty service obligation; or

2.4.5.3. Repayment of a percentage of the total cost incurred pursuant to the repayment provisions of Chapter 2.

2.4.6. If a member is relieved of an active duty obligation by reason of separation because of a physical disability, then the Secretary of the Military Department concerned may give the member a service obligation as a civilian employee. The member may be employed as a health care professional, in a facility of the uniformed services, for a period equal to the member's remaining active duty service obligation.

3.0 ACCESSION BONUS (AB)

3.1 Eligibility

To be eligible for AFHPSP, an individual must meet the requirements of paragraph 2.3.

3.2 Amount

The Secretary of Defense may offer a member, who enters into an agreement under subparagraph 2.3.2, an AB not to exceed \$20,000.

3.3 Relationship to Other Payments

An AB paid to a member is in addition to any other amounts payable under the AFHPSP.

3.4 Repayment

A member who receives an AB under this section, but fails to comply with the agreement under subparagraph 2.3.2, or fails to commence or complete the active duty obligation discussed in paragraph 2.4, will be subject to the repayment provisions of Chapter 2.

4.0 PAY ENTITLEMENTS

4.1 Active Duty

4.1.1. Members participating in AFHPSP will be commissioned officers in the Reserve Component of the Armed Forces and will be ordered to active duty for a period of 45 days during each year of participation.

4.1.2. Members pursuing a course of study will serve on active duty in pay grade O-1 with full pay and allowances of that grade.

4.1.3. Members pursuing specialized training will serve on active duty in a pay grade commensurate with their educational level, as determined by appointment, with full pay and allowances of that grade for a period of 14 days during each year of participation in AFHPSP.

4.1.4. Members will be detailed as students at accredited civilian institutions, located in the United States or Puerto Rico, for the purpose of acquiring knowledge or training in a designated health profession. This active duty period may be served at the location where the member is receiving specialized training, if it would otherwise interrupt the member's residency or fellowship training to serve elsewhere on active duty.

4.2 Prior Active Service

Effective January 28, 2008, a member, who has been selected as a medical student and who has prior military service at a pay grade with years of service credited for pay, will be paid basic pay at such prior pay grade and years of service, if this rate of basic pay exceeds the rate of basic pay to which he would be entitled as a medical student. The amount of the basic pay will be increased on January 1 of each year by the percentage of increase established by executive order. The member will continue to receive the higher basic pay of his or her prior pay grade until the basic pay for the member's actual grade and years of service credited for pay exceeds the basic pay he or she is receiving, regardless of whether this occurs before or after the conclusion of his or her participation as a medical student.

4.3 Stipend

Except during periods of active duty (see paragraph 4.1), members enrolled in this program are entitled to a monthly stipend [shown on Table 60-1](#). These rates are payable during periods of absence. For the most current rates, see the Armed Forces Health Professions Stipend and Financial Assistance ([AFHPS&FA Program Grant](#)) table on DFAS.MIL.

4.3.1. Payment. Payment starts on the date of execution of the oath of office, the date of execution of AFHPSP contract, or the date of commencement of the academic curriculum, whichever is latest. Payment normally continues until the date of graduation or completion of specialized training. The stipend is payable during the course of study and during vacation periods when members are not on active duty. The stipend is prorated for portions of a month at the beginning and end of the course of study, and the beginning and end of any active duty period.

4.3.2. Termination. If a member of AFHPSP is suspended or disenrolled from the designated course of training, stipend payments terminate on that date. Some students complete their professional degree requirements several months before the formal graduation ceremony and conferral of the professional degree. In those cases, where the actual award of a professional degree is a prerequisite to re-commissioning into a professional corps or utilization in the profession, and a lapse of time occurs for administrative reasons, the payment of the stipend should be terminated. The date for termination of the stipend should be the completion of the academic training, if this date precedes the date of graduation by more than 45 days.

4.3.3. Recoupment. Educational costs of AFHPSP and stipends are subject to recoupment when members of AFHPSP are dropped for deficiency in conduct or studies, or when members, for other reasons, fail to fulfill their contractual agreement as a result of action not initiated by the government. Recoupment is subject to the repayment provisions of Chapter 2.

4.4 Advance Pay

Members may be paid an advance pay when reporting for the 45-day active duty tour. (See Chapter 32, paragraph 2.8.)

4.5 Travel Time

During the active duty period, including allowable travel time under Chapter 1, Table 1-6, members serve in pay grade O-1 and are normally entitled to full pay and allowances (see Chapter 57) for that grade.

4.6 Officer's Initial Uniform Allowance

A member of the AFHPSP is entitled to an initial uniform allowance upon reporting for the first period of active duty. (See Chapter 30, section 2.0.)

4.7 Servicemembers' Group Life Insurance (SGLI)

Members, while under this program, are entitled to SGLI coverage for the 45-day active duty tour. For deductions during active duty periods, see Chapter 47, section 5.0.

4.8 Tax Withholding

4.8.1. Active duty pay paid under this program is subject to federal income tax withholding (FITW), state income tax withholding (SITW) (if applicable), and federal insurance contribution act (FICA) withholding in the same manner as prescribed in Chapters 44 and 45.

4.8.2. Monthly stipends paid to students entering AFHPSP are subject to FITW and SITW.

4.8.3. Monthly stipends are not subject to FICA.

4.8.4. Amounts paid directly to schools on behalf of students for tuition, books, fees, laboratory expenses, and any reimbursements for such items paid to students participating at any time in AFHPSP are not subject to withholding for FITW, SITW, or FICA.

4.9 Settlement of Deceased Member's Accounts

See Chapter 36, section 3.0 for authority for payment of any unpaid pay and allowances (includes the amount of unpaid stipend).

4.10 Creditable Service

4.10.1. Except as provided in subparagraph 4.10.2, service performed while a member of AFHPSP will not be counted in:

4.10.1.1. Determining eligibility for retirement, other than by reason of physical disability incurred while on active duty as a member of AFHPSP; or

4.10.1.2. Computing years of service creditable.

4.10.2. The Secretary of the Military Department concerned may authorize service performed by a member of AFHPSP, in pursuit of a course of study under this section, to be counted as creditable service, if the member:

4.10.2.1. Completes the course of study;

4.10.2.2. Completes the active duty obligation; and

4.10.2.3. Possesses a specialty designated by the Secretary of the Military Department concerned as critically needed in wartime.

4.10.3. Service credited under subparagraph 4.10.2 counts only for the award of retirement points for the computation of years of service and retired pay.

4.10.4. The number of points credited to a member under subparagraph 4.10.2.1 for a year of participation in the course of study is 50. The points will be credited to the member at the end

of each year after the completion of the course of study, when the member serves in the Selected Reserve and is credited with at least 50 points.

4.10.5. Service may not be counted under subparagraph 4.10.2 for more than 4 years of participation in the course of study as a member of AFHPSP.

4.10.6. A member is not entitled to any retroactive award of, or increase in, pay or allowances by reason of an award of service credit under subparagraph 4.10.2.

5.0 FAP

5.1 Grant

Effective July 1, 2008, a member participating in the AFHPSP specialized training will be paid an annual grant in an amount not to exceed \$45,000, in addition to the stipend under paragraph 4.3. For the most current rates, see [Table 60-1](#) and the AFHPS&FA Program Grant table on DFAS.MIL.

5.1.1. A grant is paid annually based on the rate in effect on the date of entitlement.

5.1.2. A grant is prorated only for partial years of participation, to include the final payment. Subsequent installments are to be issued on the anniversary date of the initial payment.

5.1.3. The amount of the grant is reviewed and increased as appropriate in the same manner as provided for the stipend.

5.1.4. Payment starts on the date of execution of the oath of office, the date of execution of the FAP contract, or the date of commencement of the academic curriculum, whichever is latest.

5.1.5. Payment will continue until the date of graduation or completion of specialized training, unless the program participant is suspended or disenrolled from the designated course of study or specialized training or fails to comply with terms of the program agreement, Service policy, or regulation.

5.1.6. The authority to make the grant and stipend payments is not affected by any payments made to the member by the civilian training institution.

5.2 Recoupment

A member of the FAP who fails to complete specialty training because of a deficiency in conduct or studies, or who, for other reasons, fails to fulfill the contractual agreement as a result of action not initiated by the government, may be required to reimburse the government for all or a portion of payments received during participation in FAP. Recoupment is subject to the repayment provisions of Chapter 2.

CHAPTER 61

BONUS PROGRAM FOR THE INDIVIDUAL READY RESERVE (IRR)

1.0 GENERAL (6101)

1.1 Purpose (610101)

The Secretary concerned may pay a bonus to an eligible member who enlists, reenlists, or voluntarily extends an enlistment [that signs an agreement with the Secretary of the Military Department concerned to serve on active duty or in an active status for a specified period in a Reserve Component \(RC\) of an Armed Force for assignment to \(other than the Selected Reserve \(SELRES\)\) the IRR.](#)

1.2 Authoritative Guidance (610102)

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with Title 37, United States Code (U.S.C.), section 331 ([37 U.S.C. § 331](#)). Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 DURATION OF AUTHORITY (6102)

A bonus may not be paid to any person for a reenlistment, enlistment, or voluntary extension of an enlistment after the date on the [Duration of Authority](#) table. No payments will be made after the termination date unless the person's entitlement to the bonus commenced prior to that date.

3.0 ELIGIBILITY (6103)

3.1 Criteria (610301)

The Secretary concerned may pay a bonus to a person, including a member of the IRR, who:

3.1.1. Enlists in or affiliates with the IRR;

3.1.2. Transfers from a regular component of an Armed Force to an RC of that same Armed Force;

3.1.3. Transfers from a regular component or RC of an Armed Force to a regular component or RC of another Armed Force, subject to the approval of the Secretary with jurisdiction over the Armed Force to which the member is transferring; or

3.1.4. Reenlists, voluntarily extends an enlistment, or otherwise agrees to serve for a specified period in a designated career field, skill, or unit of an Armed Force; or under other conditions of service in an Armed Force.

3.2 Transfers to Another Military Service (610302)

An individual who completes his/her obligation to one Military Service may be accepted by another Military Service for enlistment, provided the individual possesses a skill approved by the gaining Military Service for the payment of the bonus.

3.3 Called or Ordered to Active Duty (610303)

A person entitled to a bonus, who is called or ordered to active duty, will be paid during that period of active duty any amount of the bonus that becomes payable to the member.

4.0 MAXIMUM AMOUNTS PAYABLE AND METHOD OF PAYMENT (6104)

4.1 Maximum Amount (610401)

The Secretary concerned shall determine the amount of a bonus to be paid under this section, except that:

4.1.1. A bonus paid under subparagraph 3.1.1 may not exceed \$20,000 for a minimum two-year period of obligated service;

4.1.2. A bonus paid under subparagraphs 3.1.2 and C may not exceed \$10,000; and

4.1.3. A bonus paid under subparagraph 3.1.4 may not exceed \$10,000 for each year of obligated service in an RC.

4.2 Lump Sum or Installments (610402)

A bonus under this section may be paid in a lump sum or in periodic installments, as determined by the Secretary concerned.

4.3 Fixing Bonus Amount (610403)

Upon acceptance by the Secretary concerned of the written agreement, the total amount of the bonus to be paid under the agreement shall be fixed.

5.0 OBLIGATION (6105)

A member must be contractually obligated to serve satisfactorily, as prescribed by the regulations of the Military Service concerned, in the IRR for the full term of enlistment, reenlistment, or extension. As a condition of receipt of the bonus, recipients must agree to

participate in an annual muster of the RC or on active duty for training, as may be required by the Secretary concerned.

5.1 Extensions (610501)

The use of extensions, in lieu of reenlistments, is authorized and encouraged to:

- 5.1.1. Reduce the administrative burden of the reenlistment process; and
- 5.1.2. Eliminate the need for the oath of enlistment or reenlistment.

5.2 Service (610502)

Participants must obligate themselves to continue to serve in the same Military Occupation Specialty (MOS) unless excused for the convenience of the Government.

5.3 Transfers (610503)

A bonus recipient who later transfers to the SELRES is not required to refund the IRR bonus. Bonus recipients who transfer to the SELRES are not eligible for a SELRES reenlistment bonus during the period for which an IRR bonus was paid.

6.0 TERMINATION OF BONUS ENTITLEMENT (6106)

Entitlement to the IRR bonus will be terminated under the following conditions in paragraphs 6.1 through 6.5.

6.1 Participation (610601)

The member fails to participate satisfactorily in the IRR in accordance with the regulations of the Military Service concerned.

6.2 Civilian Position (610602)

The member accepts a [federal](#) civilian position where membership in the [SELRES](#) is a condition of employment (persons on temporary assignment excluded).

6.3 Separation (610602)

The member is separated from the IRR as an enlisted member for any reason (including enlistment or voluntary recall into the active forces).

6.4 Officer Commissioning Program (610604)

The member becomes a simultaneous member of an authorized officer program drawing a stipend.

6.5 Non-Qualified MOS (610605)

The member moves to a non-bonus-qualified MOS unless at the express direction of the Military Service concerned (through no fault of the member).

7.0 RECOUPMENT OF PAYMENTS (6107)

See Chapter 2.

CHAPTER 62

HEALTH PROFESSIONS STIPEND PROGRAM FOR SELECTED RESERVE SERVICE

1.0 GENERAL

1.1 Purpose

The chapter establishes policy guidance pertaining to the Health Professions Stipend Program for Selected Reserve service.

1.2 Authoritative Guidance

The pay policies and requirements established by the Department of Defense (DoD) in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), including Titles 10, 26, 37, and 38. Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 PAY COMPUTATION

2.1 Stipend

When a participant has agreed to serve in the Selected Reserve, the amount of a stipend [listed on Table 62-1](#), or one-half of that rate if the participant has agreed to serve in the Individual Ready Reserve. For the most current rates, see the Armed Forces Health Professions Stipend and Financial Assistance [\(AFHPS&FA\) Program Grant](#) table on DFAS.MIL.

2.1.1. Payment. The stipend is payable during specialized advanced training, during vacation periods, and during periods when officers are participating in annual training with the Selected Reserve. The stipend is prorated for portions of a month at the beginning and end of the course of specialized advanced training.

2.1.2. Termination. When an officer's eligibility for the stipend program is terminated, the officer no longer is entitled to receive a stipend. The effective date of termination is set by program administrators and communicated to the paying activity. Termination is based on criteria set by the DoD.

2.1.3. Recoupment. A member of the program who, under regulations prescribed by the Secretary of Defense, is dropped from the program for deficiency in training, or for other reasons, will be required:

2.1.3.1. To perform 1 year of active duty for each year (or part thereof) for which such person was provided financial assistance under this section; or

2.1.3.2. To comply with the repayment provisions of [37 U.S.C. § 373](#) and Chapter 2.

NOTE: The Secretary of the Military Department concerned may relieve a member who is dropped from the program from any requirement that may be imposed under subparagraph 2.1.3, but such relief will not relieve the member from any military obligation imposed by any other law.

2.1.4. Prohibition of Duplicate Benefits. Financial assistance may be provided under this section to a member receiving financial assistance under [10 U.S.C. § 2107](#).

2.2 Servicemembers' Group Life Insurance

For coverage, see Chapter 47, section 2.0. For deductions during active duty periods, see Chapter 47, section 5.0.

2.3 Tax Withholding

2.3.1. Active duty pay paid under this program is subject to Federal Income Tax Withholding (FITW) and Federal Insurance Contribution Act (FICA) withholding in the same manner as prescribed in Chapters 44 and 45.

2.3.2. Monthly stipends paid to students entering the program are subject to FITW.

2.3.3. Monthly stipends are not subject to FICA withholding.

2.4 Settlement of Deceased Members' Accounts

See Chapter 36, section 3.0 for authority for payment of any unpaid pay and allowances (includes the amount of unpaid stipend).

3.0 REQUIRED ACTIVE DUTY TRAINING

3.1 Selected Reserve

A person who is required under the agreements described in sections 4.0 through 8.0 to serve in the Selected Reserve will serve not less than 12 days of active duty for training each year during the period of service required by the agreement.

3.2 Nonavailability

Members of the Ready Reserve, who incur a period of authorized nonavailability, will be suspended without recoupment from their incentive. If subsequently assigned to the Reserve status and skill originally contracted for, then members may be reinstated in the incentive program if they extend their term of service or contract for service to be able to serve the full original incentive contract period. Entitlement to subsequent payments will resume on the adjusted anniversary date of satisfactory and creditable Reserve service, as appropriate. These members are assigned

temporarily to the Standby Reserve or to the Inactive National Guard, as appropriate, during the period of authorized nonavailability and are required to extend their Selected Reserve service agreement for a period that equals the period of authorized nonavailability.

3.2.1. Members of the Selected Reserve may incur a period of authorized nonavailability for up to 1 year for valid personal reasons as determined by the Secretary of the Military Department concerned.

3.2.2. During the period of nonavailability, a member is suspended without concurrent recoupment. A member will not be entitled to subsequent payments or any other available incentives.

3.2.3. An officer is entitled to stipend payments when the anniversary date of satisfactory and creditable Ready Reserve service is adjusted for the period of authorized nonavailability.

4.0 MEDICAL AND DENTAL SCHOOL STUDENTS

4.1 Eligibility

The Secretary of the Military Department concerned may enter into an agreement with a person who:

4.1.1. Is eligible to be appointed as an officer in a Reserve Component (RC);

4.1.2. Is enrolled or has been accepted for enrollment in an institution in a course of study that results in a degree in medicine or dentistry;

4.1.3. Signs an agreement that, unless sooner separated, the person will:

4.1.3.1. Complete the educational phase of the program;

4.1.3.2. Accept a re-appointment or re-designation within the person's RC, if tendered, based upon the person's health profession, following satisfactory completion of the educational and intern programs; and

4.1.3.3. Participate in a residency program; and

4.1.4. If required by regulations prescribed by the Secretary of Defense, agrees to apply for (if eligible) and accept (if offered), residency training in a health profession skill, which has been designated by the Secretary of Defense as a critically needed wartime skill.

4.2 Agreement

4.2.1. The Secretary of the Military Department concerned shall agree to pay the participant a stipend, in the amount contained in paragraph 2.1, for the period or the remainder of the period that the student is satisfactorily progressing toward a degree in medicine or dentistry while enrolled in an accredited medical or dental school.

4.2.2. The participant shall not be eligible to receive such stipend before appointment, designation, or assignment as an officer for service in the Ready Reserve.

4.2.3. The participant shall be subject to such active duty requirements as may be specified in the agreement and to active duty in time of war or national emergency as provided by law for members of the Ready Reserve.

4.2.4. The participant shall agree to serve in the Selected Reserve, upon successful completion of the program, for the period of 1 year for each 6 months, or part thereof, for which the participant is provided a stipend pursuant to the agreement.

NOTE: In the case of a participant who enters into a subsequent agreement under section 5.0 and successfully completes residency training in a specialty designated by the Secretary of Defense as a specialty critically needed by the Military Department in wartime, the requirement to serve in the Selected Reserve may be reduced to 1 year for each year, or part thereof, for which the stipend was provided while enrolled in medical or dental school.

5.1.1. Is a graduate of a medical school or dental school; and

5.1.2. Is eligible for appointment, designation, or assignment as a medical officer or dental officer in the RC of the Armed Force concerned or has been appointed as a medical or dental officer in the RC of the Armed Force concerned; or

CHAPTER 63**ACCESSION AND CONTINUATION BONUSES FOR NURSE OFFICER
CANDIDATES****1.0 GENERAL****1.1 Purpose**

The Secretary of the Military Department concerned is authorized to provide financial assistance to full-time students enrolled in an accredited baccalaureate degree program in nursing to assist in the completion of degree requirements and acceptance of an appointment as a nurse officer. For the purpose of this chapter, “continuation bonus” and “monthly stipend” are synonymous.

1.2 Authoritative Guidance

The Health Professions Scholarship Program for Active Service policies and requirements established by the Department of Defense in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), including Titles 10 and 37. Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 ELIGIBLE STUDENTS

The Accession and Continuation Bonuses are authorized for nursing students who execute an agreement under each of the following conditions:

2.1 Senior Reserve Officers Training Corps (SROTC)

The student is enrolled full-time in an accredited nursing baccalaureate degree program at a civilian educational institution that either does not have an SROTC program established by the Secretary of the Military Department concerned who is selecting the student or has an SROTC for which the student is ineligible.

2.2 Baccalaureate Degree Program

The student has completed the second year of an accredited baccalaureate degree program in nursing and has more than 6 months of academic work remaining before graduation.

2.3 Officer Appointment

The student meets the qualifications for appointment as an officer of a Reserve Component (RC) of the Army, Navy, or Air Force as set forth in [10 U.S.C. § 12201](#) and the regulations of the Military Department concerned.

3.0 AGREEMENT

The student described in section 2.0 will execute a written agreement in which the student agrees to the following four provisions:

3.1 Degree Completion

The student will complete the nursing degree program described in paragraphs 2.1 and 2.2.

3.2 Reserve Enlistment

The student will, upon acceptance of the agreement by the Secretary of the Military Department concerned, enlist in an RC of the Armed Forces.

3.3 Officer Appointment

The student will accept an appointment as an officer in the Nurse Corps of the Army or the Navy or as an officer designated as a nurse officer in the Air Force, upon graduation from the nursing degree program.

3.4 Active Duty Obligation

The member will serve on active duty as an officer described in paragraph 3.3 as follows:

3.4.1. For a period of 4 years in the case of a person whose agreement was accepted by the Secretary of the Military Department concerned during that person's fourth year of the nursing degree program; or

3.4.2. For a period of 5 years in the case of a person whose agreement was accepted by the Secretary of the Military Department concerned during that person's third year of the nursing degree program.

4.0 AMOUNTS PAYABLE

4.1 Accession Bonus (AB)

The Secretary of the Military Department concerned may, upon acceptance of a written agreement, pay an AB to an eligible person in an amount not to exceed \$20,000. The AB will be paid in periodic installments, as determined by the Secretary of the Military Department concerned at the time the agreement is accepted, except that the first installment may not exceed \$10,000. Unless authorized by the Congress, no agreement may be entered into after the date on the [Duration of Authority](#) table.

4.2 Monthly Stipend

In addition to the AB, a person selected into the program shall be entitled to a monthly stipend in an amount not to exceed [the amount listed on Table 63-1](#). The stipend is payable for each month the individual is enrolled as a full-time student in an accredited baccalaureate degree program in nursing at a civilian educational institution approved by the Secretary of the Military Department concerned who selected the individual. The continuation bonus may be paid for not more than 24 months. For the most current rates, see the Armed Forces Health Professions Stipend and Financial Assistance [\(AFHPS&FA\) Program Grant](#) table on DFAS.MIL.

NOTE: Accession and continuation bonuses are subject to Federal income tax withholding but not subject to Federal Insurance Contributions Act.

5.0 REPAYMENT

A person will be subject to the repayment provisions of Chapter 2, section 3.0, under any of the following conditions:

5.1 Withdraws From Program

The student does not complete a nursing degree program in which the student is enrolled in accordance with section 3.0.

5.2 Commissioning

Having completed a nursing degree program, the student does not become an officer in the Nurse Corps of the Army or the Navy or an officer designated as a nurse officer of the Air Force.

5.3 Fails to Complete Service Obligation

The member does not complete the period of obligated active service required under the agreement.

CHAPTER 65

HIGH-DEPLOYMENT ALLOWANCE

1.0 GENERAL

1.1 Purpose

A high-deployment allowance may be paid to members who perform lengthy or numerous deployments or frequent mobilizations. However, in a memorandum dated October 8, 2001, the Deputy Secretary of Defense indefinitely suspended the accumulation of deployment days for purposes of determining eligibility for high-deployment allowance due to national security issues.

1.2 Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), including Titles 10 and 37. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 ENTITLEMENT CRITERIA

2.1 General

The Secretary of the Military Department concerned may pay a high-deployment allowance to a member for each month during which the member is:

2.1.1. Deployed and at any time during that month:

2.1.1.1. Has been deployed for 191 or more consecutive days; or

2.1.1.2. Has been deployed 401 or more days out of the preceding 730 days; or

2.1.2. A Reserve member who is on active duty:

2.1.2.1. Under a call or order to active duty for a period of more than 30 days that is the second (or later) such call or order to active duty for that member in support of the same contingency operation; or

2.1.2.2. For a period of more than 30 days under the provisions of [10 U.S.C. § 12304b](#), or a provision of law referred to in [10 U.S.C. § 101\(a\)\(13\)\(B\)](#), if such period begins within one year after the date on which the member was released from previous service on active duty for a period of more than 30 days under a call or order issued under such provision of law.

2.2 Payment

2.2.1. A member may be paid a monthly rate as determined by the Secretary of the Military Department concerned, not to exceed \$1,000 per month.

2.2.2. Generally, the high-deployment allowance is taxable income. If the high-deployment allowance is earned while the member is serving within a combat zone, then the allowance is eligible for the Combat Zone Tax Exclusion (CZTE). For more information on CZTE, refer to Chapter 44.

*2.3 Deployment

2.3.1. A Service member of a Military Service within the DoD is considered deployed or on a deployment on any day on which, pursuant to orders, the Service member performs service for an operation at a location or under circumstances that make it impossible for them to spend off-duty time in the housing in which they reside when on garrison duty at their permanent duty station or homeport. In accordance with Section 991 of Title 10, U.S.C., if an RC Service member is performing active service pursuant to orders that do not establish a permanent change of station, that housing is any housing, including the Service member's residence, that the Service member usually occupies during off-duty time when on garrison duty at the Service member's permanent duty station or homeport.

2.3.1.1. A deployment begins when a unit, detachment, or individual not attached to a unit or detachment leaves a homeport, station, or base or leaves from an en-route training location to meet a Secretary of Defense-approved operation to meet an operational requirement. An event is an operation if it is recorded in the joint capabilities requirement manager or contained in the annual Global Force Management Data Initiative-compliant tool under the Global Force Management Data Initiative reporting structure specified in DoD Instruction 8260.03. Forces deployed pursuant to Executive orders, operational plans, or concept plans approved by the Secretary of Defense are also considered deployed.

2.3.1.2 A deployment ends when most of the unit or detachment, or an individual not attached to a unit or detachment, returns to their homeport, station, or base. Forces operationally employed by Secretary of Defense's orders or in "prepare-to-deploy order" status at their home station are not deployed. Movement of forces that do not meet operational requirements (e.g., movement of forces to meet training, readiness, or exercise requirements) are not considered deployments and, therefore, are not subject to deployment-to-dwell and mobilization-to-dwell limits and specified goals.

2.3.2. There are five categories of deployments that must be tracked and counted towards the established management and pay thresholds. See Table 65-1 for categories of Personnel Tempo (PERSTEMPO) events. The term "PERSTEMPO" means the amount of time members of the armed forces are engaged in their official duties at a location or under circumstances that make it infeasible for a member to spend off-duty time in the housing in which the member resides.

2.3.2.1. Operations. Operations is a military action or the carrying out of a strategic, tactical, service, training, or administrative military mission; providing support to domestic civil, humanitarian, or counter-drug military mission; and the process of carrying on

combat, including movement, supply, attack, defense, and maneuvers needed to gain the objectives of any battle or campaign. Operations are generally named by the Joint Staff.

2.3.2.2. Exercise. An exercise is a named military maneuver or simulated wartime operation involving planning, preparation, and execution. It is carried out for the purpose of training or evaluation. It may be a combined, joint, or single-Service exercise, depending on participating organizations.

2.3.2.3. Unit Training. Unit training consists of all or part of a unit accomplishing a training objective at a location other than the permanent duty location. Unit training includes exercises that have not received an official designation.

2.3.2.4. Home Station Training/Local Operating Area of a Ship or Vessel. Home station training/local operating area of a ship or vessel training is conducted within the limits of an installation/base/local operating area of a ship or vessel. The area must have been predetermined and documented by appropriate authorities.

2.3.2.5. Mission Support Temporary Duty (TDY). Mission support TDY consists of duties that include meetings, conferences, staff visits, staff augmentation, and medical appointments.

2.4 Nondeployment

For the purpose of this chapter, a member is not deployed or in a deployment when the member is:

2.4.1. A student or trainee at a school (including any government school);

2.4.2. Performing administrative, guard, or detail duties in garrison at the member's permanent duty station; or

2.4.3. Unavailable because of:

2.4.3.1. Hospitalization of the member at the member's permanent duty station or homeport or in the immediate vicinity of the member's permanent residence; or

2.4.3.2. Disciplinary action taken against the member.

2.5 Exceptions to Deployment Time

2.5.1. **Suspension.** Pursuant to [10 U.S.C. § 991\(d\)](#), the Secretary of the Military Department concerned may suspend the management of the PERSTEMPO program when such a suspension is in the "national security interests."

2.5.2. **Day Away.** A day away begins on one day and ends on another day. A day away does not require a full 24 hours to be considered a PERSTEMPO day, and the day of return will

not count as a day away. For example, if a member departs on Monday afternoon and returns on Tuesday morning, only Monday counts as a PERSTEMPO day.

2.5.3. Leave While Deployed. Leave in conjunction with a deployment will not count as deployed time away from home. Exceptions to this may be granted at the discretion of the Secretary of the Military Department concerned for those circumstances under which personnel are required to take chargeable leave in order to be exempted from duty requirements or watch standing requirements. In general, leave that would extend the actual or projected deployed time away from home will not be counted as deployed time.

2.5.4. Hospitalization When Deployed. When a member is deployed and requires hospitalization away from the permanent duty station, the member is still considered deployed. If a member is deployed and requires hospitalization at the permanent duty station, then the member is no longer considered deployed. If a line of duty investigation determines injuries are due to member's misconduct, then deployment days do not accrue in the hospital.

CHAPTER 66**CAREER STATUS BONUS (CSB)/CONTINUATION PAY (CP)**

1.0 GENERAL

1.1 Purpose

The purpose of this chapter is to provide policy pertaining to Career Status Bonus (CSB) and the Continuation Pay (CP) bonus, which is payable only to members who are in the Blended Retirement System (BRS).

1.2 Authoritative Guidance

The pay policies and requirements established by the [Department of Defense \(DoD\)](#) in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), including Titles 10, 26 and 37. Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 CSB ENTITLEMENT

2.1 General

The Military Retirement Reform Act of 1986, (henceforth referred to as REDUX), covered Uniformed Service members who first became members beginning on or after August 1, 1986 and before January 1, 2018. These members could elect, upon completion of 15 years of Active Duty (AD) in the Uniformed Services, to either retire under the High-3 retirement system or receive a \$30,000 CSB and remain under the REDUX retired pay system. For details on the REDUX retirement plan, see [10 U.S.C. § 1409](#).

Note: After December 31, 2017, CSB could not be elected. Sections 2.0 through 4.0 are included for historical information only. See section 5.0 for discontinuance of the CSB.

2.2 Eligibility

To be eligible for the opportunity to elect the CSB/REDUX, when the member completes 15 years of AD service, the member must simultaneously meet all the criteria for eligibility. A member who does not meet all criteria, but subsequently does, may not be given the opportunity to make a CSB/REDUX election, unless otherwise stated or approved by the Secretary of the Military Department concerned. A Uniformed Service member is eligible to make a CSB/REDUX Retirement election only when that member:

2.2.1. Is serving on AD;

2.2.2. First became a Uniformed Service member on or after August 1, 1986 (has a Date of Initial Entry to Military/Uniformed Service (DIEMS)/Date Initial Entry Uniformed Service (DIEUS) of August 1, 1986 or later);

2.2.3. Has completed 15 years of AD in the Uniformed Service; and

2.2.4. Is otherwise eligible, as determined by the Secretary of the Military Department concerned, to serve continuously on AD until the completion of 20 years of AD service.

2.3 CSB/REDUX Eligibility Notification

The Secretary of the Military Department concerned was required to notify all members with a DIEMS/DIEUS between August 1, 1986 and December 31, 2002, whether they were eligible to make a CSB/REDUX election. Notification letters were to be sent on or shortly before the date individuals completed 14 years and 6 months of AD. If a member was not eligible for the CSB/REDUX election, then the notification was to explain why, and inform the member whether, there was an opportunity to make an election in the future under exceptions established in guidance promulgated by the Secretary of the Military Department concerned if the member's impediment to eligibility was subsequently eliminated. The Secretary of the Military Department concerned promptly notified members who subsequently became eligible to make a CSB election. Effective July 1, 2017, letters notifying members serving on AD of their eligibility to make a CSB election were discontinued. See section 5.0.

2.4 CSB/REDUX Election

To make a CSB/REDUX election, a member was required to submit a DoD [**\(DD\) Form 2839, Career Status Bonus \(CSB\) Election**](#) or Service equivalent form, and any other Service required forms as directed in the eligibility notification no later than the date the member attained 15 years of active military service or 6 months after the eligibility notification was sent, whichever was later. After December 31, 2017, CSB could not be elected.

3.0 CSB PAYMENT

3.1 Payments

Eligible members may elect to receive the CSB under one of the following options:

3.1.1. One payment of \$30,000;

3.1.2. Two annual installments of \$15,000 each;

3.1.3. Three annual installments of \$10,000 each;

3.1.4. Four annual installments of \$7,500 each; or

3.1.5. Five annual installments of \$6,000 each.

3.2 Timing of Payment

3.2.1. Initial Payment. The initial CSB payment must be paid not earlier than the date the member attains 15 years of active service and not later than the end of the first month that begins on or after the date that is 60 days after the date the election is effective.

Example: A member who will attain 15 years of AD service on October 10, 2002, should be sent the CSB/REDUX notification no later than April 10, 2002. The member may complete the necessary forms and return them as directed by the Service concerned, but the election is not effective until October 10, 2002. The Secretary concerned will pay the member the initial payment no earlier than October 10, 2002, and no later than January 31, 2003. The latter date is determined as follows: the date that is 60 days after the effective date of the election is December 9, 2002 so the first month that begins on or after that date is January 2003 – the member must be paid no later than the end of January 2003.

3.2.2. Second and Subsequent Payments. Subsequent annual installments will be paid on or about January 15th of each year following the calendar year of the initial payment. All CSB payments qualify for deposit to the Uniformed Services Thrift Savings Plan (TSP). For more information regarding TSP, see Chapter 51.

3.3 Tax Consideration

The CSB, if taxable, is income as of the date on which the payment is made to the member. The CSB/REDUX is considered tax exempt if the effective date of the election falls within the month in which the member is entitled to combat zone tax exclusion (CZTE). See Chapter 44, paragraph 2.3, for more information.

4.0 CSB RECOUPMENT

4.1 Recoupment Computation

A CSB recipient who fails to serve continuously on AD until the completion of 20 years of AD must repay a comparable portion of the CSB received. The amount is calculated by multiplying \$30,000 by a factor that is determined by dividing the uncompleted period of AD by the total period of continuous AD required as a result of the CSB/REDUX election. In making the calculation, months and days must be expressed as decimal fractions of a year (to the nearest .00000001). Each month is 1/12th of a year, and each day is 1/360th of a year, rounded to the eighth decimal place. (See Figure 66-1 for computation decimals.) See Examples 1 and 2. Use this same formula to compute the installment repayment amount, except use the completed (vice the uncompleted) time served to determine the bonus amount earned, and deduct the figure from the installment totals to determine the overpayment (See Example 3).

Example 1: A member's CSB/REDUX election is effective upon attaining 15 years of active service on October 10, 2001. The member is obligated to serve through October 10, 2006 (5 full years). If the member's last day of AD is

December 31, 2002, then the member will have failed to complete 3 years, 9 months and 10 days of required service. The member's repayment is computed as follows:

The period of agreed additional service is: 5 full years.

The service not completed is: 3 years, 9 months, and 10 days, or
 $3 + .75 + .02777778 = 3.77777778$ years.

The required repayment is:
 $(3.77777778 / 5) \times \$30,000 = .75555556 \times \$30,000 = \$22,666.67.$

Example 2: A member not initially notified of eligibility for a CSB, was later notified and made a CSB/REDUX election that was effective upon attainment of 16 years, 6 months, and 23 days of service. The member thus agreed to complete an additional 3 years, 5 months, and 7 days of service, but later separated, failing to complete 2 years, 3 months, and 11 days of that time. The member's repayment is computed as follows:

The period of agreed additional service is:
 $3 + .41666667 + .01944444 = 3.43611111$ years.

And the service not completed is:
 $2 + .25 + .03055556 = 2.28055556$ years.

The required repayment is: $(2.28055556 / 3.43611111) \times \$30,000$
 $= .66370251 \times \$30,000 = \$19,911.08.$

Example 3. A member's CSB/REDUX election is effective after attaining 15 years of active service on October 10, 2002 and the member received the first installment of \$15,000. The member is obligated to serve through October 9, 2007 (5 full years). The member's last day on AD is December 31, 2003, after completing only 1 year, 2 months and 20 days of required service. The member's repayment is computed as follows:

The period of agreed additional service is: 5 full years.

The service completed is:

1 year, 2 months, and 20 days, or $1 + .16666667 + .05555556 = 1.22222223$ years.

The amount earned is: $(1.22222223/5) \times \$30,000 = .24444444 \times \$30,000 = \$7,333.33.$

The required repayment is: \$15,000 less \$7,333.33 = \$7,666.67.

4.2 Waiver of CSB Recoupment

The Secretary of the Military Department concerned may waive, in whole or in part, the required CSB refund if the Secretary determines that recovery would be against equity and good conscience or contrary to the best interests of the United States.

4.2.1. The Secretary of the Military Department concerned will waive the required refund if the member:

4.2.1.1. Dies;

4.2.1.2. Is separated or retired as a result of a physical disability under 10 U.S.C., Chapter 61; or

4.2.1.3. Is separated under a Service offer for early retirement such as Temporary Early Retirement Authority (commonly referred to as TERA) or other separation program.

4.2.2. The Secretary of the Military Department concerned will not waive repayment if the member's separation is due to misconduct or if a waiver of repayment would be inconsistent with other prescribed law, regulation, or policy.

5.0 DISCONTINUATION OF CSB

5.1 General

In accordance with section 631 of the National Defense Authorization Act for Fiscal Year 2016, Public Law (P.L.) 114-92, [37 U.S.C. § 354](#) was amended to discontinue authorization of any new CSB agreements after December 31, 2017.

5.2 Limitations

An agreement to elect a reduced retirement multiplier in exchange for a CSB made on or prior to December 31, 2017, will remain in effect. Any payments pursuant to a CSB agreement entered into on or before December 31, 2017, may continue to be made on or after January 1, 2018. December 31, 2002 is the last date a member could have the qualifying DIEMS date, achieve 15 years of active military service required for CSB eligibility, and be able to enter into an agreement for CSB.

6.0 CP

6.1 General

Public Law 114-92, as amended by P.L.114-328 (section 633), established CP as a bonus payable on or after January 1, 2018. CP is a one-time, mid-career bonus payment for Service members of the Uniformed Services covered by the BRS, in exchange for an agreement to perform

additional obligated service. CP is only payable to members in the BRS. A CP payment is in addition to any other career field-specific incentives or retention bonuses.

Note: The Deputy Secretary of Defense (DepSecDef) memo, January 27, 2017; the DoD Financial Management Regulation 7000.14-R, Volume 7B; and Service regulations provide comprehensive policy and guidance regarding retirement under the BRS.

6.2 Eligibility

6.2.1. The following Active Component (AC) members are eligible to receive CP. Any AC member who:

6.2.1.1. Is covered under the BRS;

6.2.1.2. Has completed not less than 8 and not more than 12 years of service (YOS), as computed from the member's Pay Entry Base Date (PEBD); and

6.2.1.3. Is eligible to enter into an agreement to serve not less than an additional 3 years in the AC.

6.2.2. The following Reserve Component (RC) members are eligible to receive CP. Any RC member who:

6.2.2.1. Is covered under the BRS;

6.2.2.2. Has completed not less than 8 and not more than 12 YOS as computed from the member's PEBD;

6.2.2.3. Is a Service member of the Selected Reserve (SELRES), or otherwise a member of the Ready Reserve in a status in which the member is eligible to receive basic pay or inactive duty pay;

6.2.2.4. Is eligible in accordance with criteria published by the Secretary of the Department concerned; and

6.2.2.5. Is eligible to enter into an agreement to serve not less than an additional 3 years in the SELRES.

6.3 CP Amount

The Secretary concerned determines the CP amount, the timing of when CP is offered, and the duration of the associated additional obligated service. The amount of CP payable depends on whether a member is AC or RC.

6.3.1. For an AC member, CP will be not less than 2.5 times and not more than 13 times the monthly basic pay of an AC member based on the member's current paygrade and YOS.

6.3.2. For an RC member, CP will be an amount not less than 0.5 times and not more than 6 times the monthly basic pay of a member of the same grade and YOS on AD. An RC member performing active Guard and Reserve service, as defined in [10 U.S.C. § 101\(d\)\(6\)](#), will be paid CP at the rate of an AC member subject to agreement to continue serving not less than an additional 3 years in active service as defined in 10 U.S.C. § 101(d)(3).

6.4 Obligated Service

6.4.1. A Service member who accepts CP and enters into an agreement will serve not less than 3 years of additional service, the length of mandatory service to be determined by the Secretary concerned in the component they were serving in at the time of agreement, commencing upon acceptance by the Secretary concerned of the agreement to continue serving.

6.4.2. The obligated service will run concurrently with any other service obligations, unless other service obligations incurred specifically preclude concurrent obligations.

6.4.3. RC members will perform obligated service in the SELRES, subject to the conditions and requirements prescribed by the Secretary concerned.

6.4.4. RC members performing active Guard and Reserve service, as defined in 10 U.S.C. § 101(d)(6), who receive CP at the rate of an AD member, will perform obligated service on AD unless otherwise prescribed by the Secretary concerned.

6.5 Payment

A Service member who qualifies for CP may elect to receive the payment in a single lump sum or elect a series of equal installment payments, not to exceed four annual payments over 4 consecutive years.

6.6 Timing

6.6.1. Full TSP Members. In accordance with [37 U.S.C. § 356](#), the Secretary concerned will pay CP to full TSP members (as defined in [5 U.S.C. § 8440e\(a\)](#)) who meet the eligibility requirements in paragraph 6.2 and who have completed not less than 8 and not more than 12 YOS.

6.6.2. CP Multiple. The CP multiple used in calculating is the actual paygrade and YOS of a member on the day CP is authorized. See subparagraphs 6.3.1 and 6.3.2 for the AC and RC multiples for calculating CP.

6.6.3. YOS Rate. For CP payments, the following rates apply:

6.6.3.1. A member with at least 8 YOS but less than 10 YOS will be paid at the rate of over 8 YOS.

6.6.3.2. A member with at least 10 YOS but less than 12 YOS will be paid at the rate of over 10 YOS.

6.6.3.3. A member with exactly 12 YOS but no more than 12 YOS will be paid at the rate of over 12 YOS.

6.7 Non-availability

Service members who incur a period of extended absence, subject to the approval of the Secretary concerned, which precludes meeting the terms of obligated service must have installment payments suspended during this period. If subsequently re-assigned to the member's previous status, or a new status at the discretion of the Secretary concerned, CP installment payments may resume and the term of service extended accordingly to ensure fulfillment of the original agreement period. The date of completion of the obligated service must be adjusted for periods of authorized absence. Failure to meet reinstatement criteria will result in termination of the CP and repayment, as appropriate.

6.8 Repayment

6.8.1. A Service member who received CP but who fails to complete the period of obligated service described in paragraph 6.4, or fails to maintain the skills for which an amount greater than the minimum amount specified in paragraph 6.3 was paid; is subject to full or partial repayment in accordance with [37 U.S.C. § 373](#), and the repayment provisions in Chapter 2.

6.8.2. A Service member who received CP, but is later discovered to be ineligible to enroll or whose enrollment is determined to be erroneous will have their enrollment voided. Such members will be placed under the correct retirement system upon discovery of the error. The Secretary concerned will initiate action to obtain repayment of CP, in accordance with 37 U.S.C. § 373 and Chapter 2.

6.8.3. The Secretary concerned may grant an exception to the repayment requirement and requirement to terminate the payment of unpaid amounts of CP if the Secretary concerned determines that the imposition of the repayment and termination requirements with regard to a member of the [Uniformed Services](#) would be contrary to a personnel policy or management objective, would be against equity and good conscience, or would be contrary to the best interests of the United States.

Note: The Secretary of the Military Department concerned will not grant the exception for repayment if the member's separation is due to misconduct or if a waiver of repayment would be inconsistent with other prescribed law, regulation, or policy.

6.9 CP and CZTE

Service members, who become entitled to CP while serving in a designated combat zone, are entitled to have the amount of the CP excluded from their gross income for the tax year in which the CP is received, subject to the limitation amount as discussed in Chapter 44.

A Service member must be eligible for CP in accordance with their Service's eligibility requirements and enter into agreement while serving in the designated combat zone to be eligible

to exclude the payment from their taxable income. The CZTE applies to CP when the member becomes entitled to the pay while serving in a combat zone, even if received outside of a combat zone.

The CZTE is not dependent upon when the Service member receives the compensation.

Example 1: The Service member is deployed in a combat zone. Just before departing the combat zone, the member reaches 11 years, 10 months of service and signs an agreement for an additional 4 YOS in return for CP. The Secretary concerned has established that to be eligible for the CP, the member must have 12 YOS. The member reaches 12 YOS two months after returning from the combat zone and receives a lump sum payment of \$8,000.

The Service member's \$8,000 CP is not eligible for CZTE and must be included in the member's gross income for the year in which received. It is not eligible for CZTE because it was not earned in a combat zone. The Service member did not become entitled to the CP until two months after returning from the combat zone, when the member met the eligibility requirements for CP.

Example 2: The Service member is deployed in a combat zone. While in the combat zone, the member enters into an agreement for CP in exchange for an additional 4 YOS. The member also elects to receive CP in annual installment payments. The Secretary concerned has established that to be eligible for the CP, the member must have 12 YOS. The member reaches 12 YOS just before departure from the combat zone. The member receives each of the subsequent annual installment payments of \$2,000 outside of a combat zone.

Each of the Service member's \$2,000 annual installment payments for CP are eligible for the CZTE and are not included in the member's gross income for the year in which received. The member became entitled to the CP while serving in a combat zone. Each of the annual payments relates back to the member's service in the combat zone, and thus retains the CZTE.

CHAPTER 67**COST OF LIVING ALLOWANCE (COLA) IN THE CONTINENTAL UNITED STATES
(CONUS)****1.0 GENERAL****1.1 Purpose**

This chapter identifies the eligibility requirements for a Service member to receive COLA for an assignment in CONUS. This chapter specifies the rates payable and the effect that a dependent has upon those rates.

1.2 Authoritative Guidance

The pay policies and requirements established by DoD in this chapter are derived primarily from, and prepared in accordance with Title 37, United States Code (U.S.C.). The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 DEFINITIONS SPECIFIC TO CONUS COLA**2.1 Base Period**

The 1-year period beginning July 1 and ending the following June 30, during which time data is gathered to provide the basis for designating a location a high-cost area.

2.2 Threshold Percentage

The threshold percentage is the limit for determining whether a location is a high-cost area. The Secretary of Defense, in consultation with the other Administering Secretaries, establishes the amount, which by law may not be less than 8%. It must be adjusted when necessary to ensure the total amount of CONUS COLA payments does not exceed the amount available to the DoD for paying CONUS COLA that fiscal year.

2.3 High-Cost Area

A high-cost area is a location where a Service member's cost of living is at least 8% higher than the average cost of living in the CONUS. The data gathered during the base period is used to determine the cost of living at that location for the following fiscal year. When a location exceeds the threshold percentage, the CONUS COLA for that area begins on the first day of the new calendar year immediately following the base period.

2.4 Service Member With a Dependent

A Service member is with a dependent if he or she is authorized the basic allowance for housing (BAH) or would be authorized BAH at the with-dependent rate if Government quarters were not occupied. This does not include a Service member authorized BAH at the with-dependent rate solely based on paying child support. A spouse who is also a Service member on active duty may not be a dependent for CONUS COLA purposes. See Chapter 26 for BAH.

2.5 Service Member Without a Dependent

A Service member is considered without a dependent if any of the following conditions are met:

2.5.1. The Service member is authorized BAH at the without dependent rate;

2.5.2. The Service member would be authorized the without dependent BAH rate if Government quarters were not occupied; or

2.5.3. The Service member is authorized the with-dependent BAH rate solely based on paying child support.

2.6 Primary Dependent

A primary dependent is either the Service member's spouse or, for an unmarried Service member, a dependent as defined in Volume 7A, "Definitions," excluding the following:

2.6.1. A dependent transported outside the CONUS (OCONUS) at Government expense who then returns at Government expense after he or she no longer qualifies as a dependent;

2.6.2. A Service member's or spouse's parent, stepparent, parent by adoption, or any other person (including a former stepparent) authorized as a dependent; or

2.6.3. A Service member's former spouse, former dependents, or former dependent children authorized return transportation to the CONUS.

2.7 Unaccompanied Status

A Service member is considered to be in an unaccompanied status during any portion of an assignment to a permanent duty station (PDS) OCONUS while a dependent resides in, or returns to, a location in the CONUS to establish a permanent residence.

2.8 PDS for Service Member Assigned to Ship or Afloat Staff

The home port of the ship or afloat staff to which a Service member is assigned is his or her PDS for CONUS COLA purposes.

3.0 CONUS COLA ELIGIBILITY

3.1 CONUS COLA Rates Payable

3.1.1. Rates Based Upon Location. CONUS COLA rates are based on the Service member's PDS, his or her home port, a designated place, or the primary dependent's location when authorized or approved through the Secretarial Process or authorized in this chapter. The CONUS COLA rate paid to the Service member does not change when the Service member is on leave.

3.1.1.1. CONUS COLA based on the PDS begins on the day the Service member reports to the new PDS and ends the day before reporting to the next PDS. The CONUS COLA rate applicable to the primary dependent's permanent residence starts on either the date the primary dependent arrives at the new residence or the date the Service member reports to the new PDS in connection with the transfer, whichever is later. When a Service member is departing from a PDS OCONUS and the new PDS is in the CONUS, then the Service member is authorized CONUS COLA for the new PDS starting on his or her reporting date at the new PDS.

3.1.1.1.1. The CONUS COLA rate payable based on the primary dependent's old permanent residence or the Service member's old PDS continues through the day before the Service member reports to the new PDS or the rate for the new permanent residence begins. CONUS COLA at the old rate ends the day before the rate based on the new permanent residence begins.

3.1.1.1.2. When a Service member is stationed OCONUS, but the primary dependent is in the CONUS, see paragraph 4.7 for exceptions.

3.1.1.2. The Service member may be authorized through the Secretarial Process, CONUS COLA at the rate for the dependent's location instead of the rate for the new PDS when it is necessary for the Service member and dependent to maintain separate residences.

3.1.1.2.1. If the primary dependent does not relocate, CONUS COLA would continue to be based on the rate payable for the primary dependent's permanent residence or the Service member's old PDS.

3.1.1.2.2. When the primary dependent's permanent residence is at a location different than the old PDS, and the Service member was paid based on the rate for the old PDS, the rate payable for the primary dependent's residence begins on the service member's reporting day to the new PDS.

3.1.1.3. If two married Service members maintain a joint residence with a dependent, CONUS COLA is paid to one spouse at the with-dependent rate and to the other spouse at the without dependent rate.

3.1.1.4. When a Service member is on a Permanent Change of Station (PCS) to a new PDS in the CONUS and has a Temporary Duty (TDY) in route, CONUS COLA at the new PDS rate begins the day after per diem stops provided both of the following occur:

3.1.1.4.1. The TDY is near but not at the PDS; and

3.1.1.4.2. The Service member commutes to the TDY location from what will become the permanent quarters after reporting to the new PDS.

3.1.2. Service Member Assigned to a Ship or Afloat Staff Home Port. Regardless of BAH eligibility, a Service member assigned to a ship or afloat staff is eligible for CONUS COLA unless the Service member is already drawing CONUS COLA for a dependent at another location.

3.1.2.1. The CONUS COLA rate is based on the home port of the Service member's assigned ship or afloat staff.

3.1.2.2. For CONUS COLA related to a home port change:

3.1.2.2.1. The CONUS COLA rate for the old home port stops on the day before the effective date of the home port change, and the rate for the new home port begins on the effective date of the home port change; and

3.1.2.2.2. A Service member without a dependent who ordinarily resides onboard the ship is authorized the CONUS COLA rate for the old home port until the day he or she moves back aboard the ship, under all of the following conditions:

3.1.2.2.2.1. Quarters on board the ship are not available, such as when a ship is in dry-dock; and

3.1.2.2.2.2. The ship or afloat staff is delayed at the old home port after the effective date of the home port change.

3.1.3. Accessions. A new Service member is authorized CONUS COLA at the rate based upon whether he or she has a dependent.

3.1.3.1. The without dependent rate is based on the duty location. The rate changes on the Service member's arrival day at each duty location until the Service member arrives at the first PDS.

3.1.3.2. A Service member may elect the with-dependent rate for either the duty location or the primary dependent's location. If the Service member selects the primary dependent's location, the rate is based on the primary dependent's location until the day before the Service member's arrival day at the first PDS.

3.1.4. Service Member Processing for Separation or Retirement. CONUS COLA is paid during separation or retirement processing based on one of the following:

3.1.4.1. The last PDS rate;

3.1.4.2. The primary dependent's location immediately before separation processing, if previously authorized that rate instead of the PDS rate; or

3.1.4.3. The separation or retirement processing station in the CONUS for a Service member who separates in the CONUS from a PDS OCONUS.

3.2 Secretarial Waiver [When the Primary Dependent Does not Reside at the PDS in the CONUS](#)

Ordinarily, CONUS COLA is paid based on the Service member's PDS, or a ship, or afloat unit's home port. However, the Service may determine through the Secretarial Process that a Service member's assignment to a PDS or the circumstances of that assignment requires the dependent to reside separately and authorize or approve CONUS COLA payment based on the dependent's location. If the Secretarial Process determines that it is necessary for the primary dependent to maintain a permanent residence in the CONUS at a location other than the Service member's PDS, the Service member may be authorized CONUS COLA at the rate for the primary dependent's permanent residence instead of for the Service member's PDS.

3.3 Concurrent Payment of OCONUS COLA and CONUS COLA

A Service member assigned to a PDS OCONUS may be paid OCONUS COLA at the without dependent rate and a CONUS COLA at the with-dependent rate applicable for the high-cost area in the CONUS where the primary dependent resides only if no command-sponsored dependent is residing OCONUS with the Service member.

3.3.1. Service Member Departs. If, after a Service member departs, the Service member is authorized an extension of OCONUS COLA for a dependent residing OCONUS through the Secretarial Process, the Service member may be paid OCONUS COLA at the with-dependent rate, and CONUS COLA at the without dependent rate based on the new PDS. The specified COLA continues through the date the OCONUS COLA extension ends.

3.3.2. Dependent Leaves [OCONUS Residence](#). Beginning the day the dependent permanently leaves the [OCONUS residence](#), the Service member may be paid CONUS COLA at the with-dependent rate for the PDS in the CONUS.

4.0 CONUS COLA AND DEPENDENT CIRCUMSTANCES

4.1 Service Member Paying Child Support

A Service member is authorized CONUS COLA at the without dependent rate when he or she is authorized BAH at the with-dependent rate or BAH Differential (see Chapter 26) based solely on child-support payment.

4.2 Effect of Physical Custody of a Child on CONUS COLA

Ordinarily, a divorced or legally separated Service member who is not identified as the primary custodial parent of a child in the divorce decree or legal separation agreement, is not authorized CONUS COLA at the with-dependent rate.

4.2.1. Service Member Has Physical Custody but Not Court Ordered/Agreed to in Legal Separation. A Service member parent who has physical custody, but not legal custody, although not court-ordered in the divorce decree or in a legal separation agreement, of at least one child (proof of custody required) is authorized CONUS COLA at the with-dependent rate if both of the following conditions are met:

4.2.1.1. The Service member is authorized BAH; and

4.2.1.2. Physical custody is for a minimum of 90 consecutive days. A break of 5 or fewer days is not considered an interruption of the 90-day period, even if there are multiple breaks of 5 or fewer days.

4.2.2. Two Service Members Divorce or Separate. When the divorce or separation is between two Service members, it is possible for both Service members to be authorized CONUS COLA at the with-dependent rate if each Service member has physical custody of one or more children at the same time.

4.2.3. Service Member Paying Child Support has Physical Custody. If a Service member paying child support has physical custody of a child for 91 or more consecutive days, excluding any breaks for 5 or fewer days, the Service member does not receive BAH at the with dependent rate solely because of child support payments.

4.3 Service Member Acquires a Dependent

4.3.1. General Rules. When a Service member acquires a primary dependent, CONUS COLA is paid based on the PDS, if the Service member is assigned to a PDS in the CONUS and when he or she meets the conditions in Table 67-2.

4.3.2. Dependent Visits or Moves to the PDS. A dependent may visit the Service member for 90 or fewer days at the PDS without changes to the CONUS COLA. When the visit exceeds 90 days, the CONUS COLA rate changes to the rate for the Service member's PDS location on the 91st day. If the dependent leaves the PDS area after the CONUS COLA changes, the CONUS COLA previously authorized for the dependent's location is reinstated as of the departure date.

4.4 Advance and Delayed Dependent Travel to a PDS OCONUS

When a PCS order is issued, the Service member's family may perform PCS travel at a different time than the Service member. See paragraph 3.2 when a dependent is required to reside away from the Service member's PDS.

4.4.1. CONUS COLA Based on a Dependent's Location or Old PDS

4.4.1.1. Unless otherwise authorized or approved, a Service member's CONUS COLA is based on the PDS.

4.4.1.2. If authorized or approved through the Secretarial Process, a Service member may be authorized CONUS COLA based on the dependent's permanent residence or the old PDS.

4.4.2. Applicable Rates. If a dependent relocates, the rate for the dependent's location starts on the date the primary dependent arrives at the new residence. If the dependent does not relocate, CONUS COLA is based on the primary dependent's location and continues until the primary dependent departs the authorized or approved location.

4.5 Government Defers Dependent Travel

4.5.1. Government Defers Dependent Travel to a PDS OCONUS. Table 67-5 specifies the decision process for CONUS COLA when the Government defers a dependent's travel to a PDS OCONUS.

4.5.2. Government Defers Dependent Travel to a PDS in the CONUS. CONUS COLA payment based on the primary dependent's location or old PDS continues for up to 60 days after dependent travel is authorized. If the dependent has not arrived at the Service member's PDS by the end of 60 days, and an extension to, or a waiver of, the 60-day limit has not been granted through the Secretarial Process, CONUS COLA based on the dependent's location changes to CONUS COLA based on the PDS location.

4.5.2.1. If a dependent is not relocated at Government expense, then Table 67-6 specifies the decision process for CONUS COLA when the Government delays the dependent's travel to a PDS in the CONUS and the expected travel delay is 139 or fewer days (20 weeks).

4.5.2.2. Table 67-7 specifies the decision process for CONUS COLA when the Government delays a dependent's travel to a PDS in the CONUS and the expected travel delay is 140 or more days (20 weeks).

4.6 Early Return of Dependents (ERD)

4.6.1. Early Return at Government Expense. When all of a Service member's dependents are returned, from a PDS OCONUS at Government expense for circumstances other than for a PCS (regardless of the reason for the return) the Service member is authorized CONUS COLA based on the primary dependent's permanent residence, starting on the arrival day at that location or the date the ERD order was issued, whichever is later.

4.6.2. Early Return at Personal Expense. When all of a Service member's dependents are returned early from a PDS OCONUS at personal expense, the Service member is not authorized CONUS COLA.

4.7 Service Member Serving in an Unaccompanied Status OCONUS

If a Service member serving in an unaccompanied status OCONUS has dependents in multiple locations, CONUS COLA authority is based on the primary dependent's residence.

4.7.1. Eligibility. When the primary dependent establishes a residence or resides in the CONUS due to a Service member's transfer to, or while assigned at, an unaccompanied PDS OCONUS, CONUS COLA is authorized in any of the following situations:

4.7.1.1. The primary dependent relocates in the CONUS from a PDS in the CONUS;

4.7.1.2. The primary dependent resides in the CONUS and the Service member is required to perform TDY incident to a transfer to an unaccompanied PDS in the CONUS; or

4.7.1.3. The primary dependent establishes a residence in the CONUS due to the Service member's transfer from an accompanied status at a PDS OCONUS to an unaccompanied status.

4.7.2. Allowances. Table 67-8 specifies CONUS COLA for a Service member with a dependent assigned to an unaccompanied tour at a PDS OCONUS.

5.0 CONUS COLA AND UNUSUAL CIRCUMSTANCES

5.1 Service Member in a Missing Status

5.1.1. Service Member Without a Dependent. A Service member without a dependent who's PDS is in the CONUS and is in a missing status receives CONUS COLA based on the PDS location.

5.1.2. Service Member With a Dependent. A Service member with a dependent continues to receive CONUS COLA at the rate paid when they were placed in a missing status. Pay CONUS COLA based on the dependent's location when a dependent relocates.

5.2 Service Member in Confinement

If a Service member in confinement is authorized allowances, he or she receives the same CONUS COLA rate paid immediately before confinement. If a Service member with a dependent is transferred to a confinement facility, then the CONUS COLA is based on the dependent's location.

5.3 Service Member Requires Prolonged Hospitalization

The hospital where a Service member is transferred becomes his or her PDS for CONUS COLA purposes when he or she requires prolonged hospitalization and is issued an appropriate

order. This applies when a Service member is transferred from any PDS to a hospital in the CONUS for observation and treatment.

5.4 Service Member Whose PDS is Evacuated

5.4.1. Service Member With a Dependent

5.4.1.1. CONUS COLA Continuation at the Service Member's PDS

5.4.1.1.1. A Service member who is authorized CONUS COLA at the with-dependent rate based on his or her PDS, and whose dependent is evacuated, continues to receive CONUS COLA on the effective date of the evacuation unless the Service member's PDS changes.

5.4.1.1.2. When a determination is made through the Secretarial Process that it is necessary for a dependent to maintain a permanent residence in an area other than where the PDS is located, CONUS COLA at the with dependent rate is based on the designated place for the primary dependent. The CONUS COLA starts the day after per diem at the designated place ends.

5.4.1.2. CONUS COLA at a Designated Place. When a Service member's command-sponsored dependent resides at a designated place in the CONUS due to an evacuation from a location OCONUS, the Service member is authorized CONUS COLA at the with dependent rate starting the day after per diem at the designated place ends. The rate is based on the designated place for the primary dependent.

5.4.2. Service Member Without a Dependent. A Service member without a dependent who was authorized CONUS COLA at the PDS on the date an evacuation is ordered is authorized CONUS COLA through the day before the Service member reports at the new PDS.

6.0 RESERVE COMPONENT (RC) MEMBER

6.1 Called or Ordered to Active Duty

Table 67-9 specifies CONUS COLA for an RC member called or ordered to active duty for a period of 140 or more days or in support of a contingency operation. A DoD or U.S. Coast Guard retired Service member called or ordered to active duty is authorized the same CONUS COLA as an RC member.

6.2 Modified or Amended Order

If an RC member receives an order modification or amendment that extends the original assignment, the modification or amendment determines the CONUS COLA.

1	CONUS COLA Eligible	<ul style="list-style-type: none"> a. A Service member is assigned to a high-cost area in the CONUS. b. A Service member is in an unaccompanied status OCONUS, if the Service member's primary dependent resides in a high-cost area in the CONUS. c. A new Service member is ordered to active duty to a high-cost area through accession. d. A Service member is married to another Service member. Each is authorized CONUS COLA. This authority exists whether the married Service members maintain a joint residence or separate residences. e. A Service member is assigned to duty in the CONUS and the primary dependent does not reside at the PDS in the CONUS and it is determined through the Secretarial Process that both of the following conditions apply: f. The Service member's primary dependent resides in a high-cost area in the CONUS because of the Service member's PDS or other circumstances. g. It would be inequitable for the allowance to be determined on the basis of the Service member's PDS. h. A RC member is authorized CONUS COLA only when the call to active duty is for a period of 140 or more days or is in support of a contingency operation.
2	CONUS COLA Ineligible	<ul style="list-style-type: none"> a. During the travel days a Service member is authorized for a permanent change of station (PCS) between the old PDS and new PDS. If the Service member is receiving CONUS COLA before the PCS, then the CONUS COLA payments stop on the first travel day. b. During the travel days a Service member (including an RC member) is authorized for a PCS (see Joint Travel Regulations, Chapter 5, Para. 051201) from the place last entered (or called to) active duty (PLEAD) to the first PDS. If the Service member is receiving CONUS COLA before the PCS, then the CONUS COLA payments stop on the day before the first travel day. c. For an RC member on active duty under an order for 139 or fewer days, unless the duty is in support of a contingency operation (see section 6.0). d. For more than one location at a time.

CHAPTER 68

**COST OF LIVING ALLOWANCE OUTSIDE THE CONTINENTAL UNITED STATES
(OCONUS COLA) AND TEMPORARY LODGING ALLOWANCE (TLA)**

1.0 GENERAL

1.1 Purpose

The **OCONUS COLA** is a non-taxable allowance that offsets the higher prices of goods and services, excluding housing, in foreign countries, U.S. territories, Alaska, and Hawaii. OCONUS COLA equalizes purchasing power so that a Service member can purchase the same level of goods and services OCONUS as he or she could if stationed inside the continental United States (CONUS). In addition to OCONUS COLA, station allowances in Chapter 68 include the TLA. The TLA partially offsets the cost of lodging and meals and incidental expenses incurred while occupying temporary lodgings OCONUS.

1.2 Authoritative Guidance

This chapter includes policy previously cited in the Joint Travel Regulations (**JTR**), Chapter 9. The statutory requirements for the chapter are provided by Title 37, United States Code (U.S.C.), section 405 (**37 U.S.C. § 405**). The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 STANDARD ALLOWANCES

2.1 Definitions Specific to OCONUS COLA and TLA

2.1.1. **Vicinity**. The “vicinity” is the entire country, U.S. territory or possession, or state when in Alaska or Hawaii where the Service member’s permanent duty station (PDS) is located. When a Service member resides with a dependent and commutes to the PDS, the dependent is considered to be residing at or in the vicinity of the PDS even if in an adjacent country or state. If the Service member transfers to a new PDS in the same country, state, or U.S. territory or possession as the designated place, and the Service member is required to maintain two separate households (for example, the Service member cannot commute daily from the dependent’s location to the PDS), then a second station allowance may be authorized or approved through the Secretarial Process. In this case, the dependent is not considered at or in the vicinity of the Service member’s PDS even though located in the same country, state, or U.S. territory or possession.

2.1.2. Government Dining Facility. Government dining facilities operate using appropriated funds and provides meals to Service members with or without charge under an agreement between the facility and the Government. Common terms for Government dining facilities include: Government mess, general mess, dining hall, dining activity, mess hall, galley, field kitchen, flight kitchen, or similar terms. Activities operated by non-appropriated funds, such as an officer's mess, club, organized mess and other similar terms are not considered Government dining facilities.

2.1.3. Government Quarters. "Government quarters" include individual quarters provided with or without charge under agreement with the Government. For COLA purposes, barracks are considered Government quarters, including dormitory and quarters aboard a ship. See Definitions for more information.

2.1.4. OCONUS COLA Index. The OCONUS COLA index represents how much more expensive it is to purchase goods and services OCONUS compared to the same level of goods and services available in an average location within the CONUS. For example, an OCONUS COLA index of 110 indicates that the prices in the area OCONUS are overall 10% more expensive than in the CONUS. An index of 100 indicates that the overall cost of the goods and services surveyed is approximately the same at the location OCONUS as in the CONUS and no COLA is warranted.

2.1.5. Service Member With-Dependent. A Service member is considered with-dependent if any of the following criteria apply:

2.1.5.1. The Service member is authorized to have a dependent reside at or in the vicinity of the Service member's PDS OCONUS and the dependent resides there;

2.1.5.2. The Service member was married to another Service member on effective date of the permanent change of station (PCS) order. If one Service member is later released from active duty or separated or retired from the Service, then he or she becomes a dependent if he or she remains near the active duty Service member's former PDS; or

2.1.5.3. The Service member is joined by a dependent or acquires a dependent while serving OCONUS and the dependent is one of the following:

2.1.5.3.1. Command sponsored and residing with a Service member at an OCONUS location at which an "accompanied by dependents" tour is authorized, the Service member is authorized to serve that tour, and the dependents are authorized by the appropriate authority to be at the Service member's PDS;

2.1.5.3.2. A bona fide resident of the same area as the Service member's non-foreign PDS OCONUS; or

2.1.5.3.3. An officer or civilian employee of the United States stationed in the same area as the Service member's non-foreign PDS OCONUS.

2.1.6. Service Member Without Dependent. A Service member is considered to be without dependent if any of the following criteria apply:

2.1.6.1. The Service member has no dependents;

2.1.6.2. The Service member does not have a dependent who resides at or in the PDS vicinity;

2.1.6.3. The Service member is joined by a dependent or acquires a dependent while serving OCONUS and the Service member is not a Service member with-dependent as defined in subparagraph 2.1.5;

2.1.6.4. The Service member has a dependent residing at or in the PDS vicinity who is not command sponsored; or

2.1.6.5. The Service member does not have legal custody and control of a dependent ([Comp Gen B-131142, June 3, 1957](#)). For the purposes of COLA or TLA, a Service member paying child support is without a dependent unless the Service member has a command sponsored dependent at the PDS other than the dependent on whose behalf the Service member pays child support.

2.2 Eligibility for OCONUS COLA and TLA

2.2.1. Service Member Married to Another Service Member. When a Service member is married to another Service member who is on active duty, the spouse on active duty is not considered a dependent.

2.2.2. Unaccompanied Tour and “Unusually Arduous Sea Duty.” When a Service member is assigned to an unaccompanied tour or “unusually arduous sea duty” and a dependent remains at the Service member’s old PDS OCONUS or is at an approved designated place OCONUS, then the Service member is not considered to have a dependent at the unaccompanied or sea duty PDS. The Service member is eligible for OCONUS COLA or TLA at the with-dependent rate for the dependent’s location.

2.2.3. Command Sponsored. A dependent must be command sponsored for the Service member to receive OCONUS COLA or TLA based on the dependent’s presence unless the Service member is eligible for these allowances as specified under subparagraphs 2.1.5.2, 2.1.5.3 and/or the JTR, paragraphs 050809, 050814, 050903, or 050907.

2.3 Special Circumstances Affecting OCONUS COLA or TLA

2.3.1. Dependents Travel Before or After the Service Member Travels. Authorization or approval by either the Secretary concerned or the Secretarial Process may be made for the following:

2.3.1.1. Advance Travel. When dependents are command sponsored and authorized to travel before the Service member and arrive at the new PDS OCONUS before the Service member, housing allowance changes can be based on the advance arrival at the PDS OCONUS under Chapter 26, paragraph 10.7. If advance travel of dependents has been authorized or approved by the selected process, COLA payment is also authorized or approved, without separate action based on the number of dependents at the new PDS;

2.3.1.2. Delayed Travel. When dependents are authorized (or required) to travel after the Service member and arrive at the new PDS OCONUS after the Service member, housing allowance continuation can be based on delayed dependents' travel from the old PDS OCONUS under Chapter 26, paragraph 10.7 and also authorizes continuation of COLA for the same time period without separate action;

2.3.1.3. Deferred Travel. When dependent travel to the new PDS OCONUS is deferred pending housing availability, COLA at the old PDS OCONUS or designated place continues until the dependents depart or for 60 days after dependent travel to the new PDS is authorized. The Secretarial Process may extend the 60-day period (see Chapter 26, paragraph 10.6); or

2.3.1.4. Other Circumstances. Authorization or approval of housing allowance continuation under Chapter 26, paragraph 10.2 (e.g., training or a Service member's pending retirement), authorizes COLA continuation for the same time period without separate action.

2.3.2. Foreign-Born Dependent Returned to Country of Origin. If the Secretary concerned authorizes the return of a foreign-born dependent to the country of the dependent's origin, as specified in the JTR, paragraph 050804, including when the Service member is stationed in the same country, the Service member is authorized OCONUS COLA or TLA, as appropriate, at the with-dependent rate based on the dependent's location OCONUS. OCONUS COLA or TLA payments on behalf of the dependent's location begin on the day a dependent arrives at that location. See the DoD Instruction [\(DoDI\) 1315.18](#) (Procedures for Military Personnel Assignments) for the return of foreign-born dependents.

2.3.3. Observer to United Nations (UN) Peacekeeping Organization on a PCS. A Service member assigned on a PCS as an observer to a UN peacekeeping organization who receives a UN mission subsistence allowance is also authorized OCONUS COLA or TLA as specified in this chapter. The OCONUS COLA and TLA amount combined with the UN mission subsistence allowance is limited to the OCONUS COLA and TLA of a Service member permanently assigned to other than a UN Peacekeeping Organization in the same area. This paragraph does not authorize a reduction in the UN mission subsistence allowance.

2.3.4. Service Member Assigned to Unaccompanied Tour or "Unusually Arduous Sea Duty." The OCONUS COLA or TLA payment for the dependent's location begins on the day he or she arrives at that location.

2.3.4.1. Requirements. Table 68-1 specifies OCONUS COLA and TLA when a Service member with a dependent serves an unaccompanied tour or is on “unusually arduous sea duty.”

2.3.4.1.1. If the location is a designated place in a non-foreign area OCONUS and the Service member is assigned to an unaccompanied tour, a dependent-restricted tour, or “unusually arduous sea duty,” one of the following conditions must apply:

2.3.4.1.1.1. The Service member was a legal resident of that area before entering active duty;

2.3.4.1.1.2. The Service member’s spouse was a legal resident of that area when they married,

2.3.4.1.1.3. The Service member was called to active duty from that area,

2.3.4.1.1.4. It is the Service member’s home of record,

2.3.4.1.1.5. The relocation of the Service member’s dependent was authorized or approved through the Secretarial Process, or

2.3.4.1.1.6. The dependent remained at his or her current location prior to the Service member’s assignment.

2.3.4.1.2. If the Service member is scheduled to serve an accompanied tour immediately after completing an unaccompanied tour or “unusually arduous sea duty,” OCONUS COLA or TLA for a location OCONUS may be authorized. The Service member must have sufficient time in Service remaining as specified in the JTR, paragraph 050806 for an unaccompanied tour or as specified in the JTR, paragraph 050814 for a dependent-restricted tour or “unusually arduous sea duty.”

2.3.4.1.3. If the Service member is serving a dependent-restricted tour or “unusually arduous sea duty,” a location OCONUS may be justified under unusual conditions or circumstances if authorized or approved by the Secretary concerned.

2.3.4.2. Payment of Allowances to Service Member at Unaccompanied Tour or “Unusually Arduous Sea Duty” Station. While a Service member is authorized station allowances for a dependent’s location, the Service member is also authorized the OCONUS COLA and TLA, if any, at the “without dependent” rate at the new PDS.

2.3.4.3. Subsequent Reassignment to an Accompanied Tour Area. Upon a subsequent PCS order to an accompanied tour area to which dependent transportation is authorized, OCONUS COLA and TLA stop the day before the Service member departs due to the PCS order or the day before the effective date of the home port change from OCONUS. See paragraph 3.2 for OCONUS COLA exceptions.

2.3.4.4. Dependent Relocates From a Designated Place at Personal Expense. If a dependent relocates from a designated place at personal expense, station allowances must stop or be reduced by the number of dependents departing the day before the dependent departs the designated place. Station allowances are not authorized at the dependent's new location because that location is not a designated place.

3.0 OCONUS COLA

An OCONUS COLA is authorized for a Service member assigned to a PDS OCONUS to help maintain the equivalent purchasing power of the discretionary portion of spendable income as the Service member's counterparts based in the CONUS. This allowance compensates for the higher cost of goods and services OCONUS. To calculate the OCONUS COLA, the goods and services purchased in an area OCONUS, excluding housing, are compared to the cost of goods and services purchased in the CONUS. See paragraph 2.3 for special circumstances affecting OCONUS COLA.

3.1 Factors That Affect OCONUS COLA Rates

3.1.1. Geographic Location. The geographic location of the PDS governs the OCONUS COLA payable unless otherwise authorized or approved through the Secretarial Process. See COLA Information for current geographic information.

3.1.2. COLA Indexes. See [OCONUS COLA Calculator](#) for specific locations OCONUS. COLA rates are based on a Service member's PDS. Paragraph 3.3 provides the rates when any of the following occur:

3.1.2.1. A ship's home port is the PDS for OCONUS COLA purposes;

3.1.2.2. A dependent resides at a location other than the PDS in connection with an unaccompanied assignment; or

3.1.2.3. A dependent is evacuated.

3.1.3. Calculating OCONUS COLA Indexes. See Calculation of OCONUS COLA Index.

3.1.4. Surveys. The two surveys conducted to determine prices OCONUS are the Living Pattern Survey (LPS) and the Retail Price Schedule (RPS). See the Defense Travel Management Office ([DTMO Survey Instruments](#)) for more detailed information about the LPS and RPS data surveys. Data from these surveys help determine the OCONUS COLA indexes.

3.1.5. Foreign Currency Exchange Rates. The Office of the Undersecretary of Defense, Personnel and Readiness (OUSD (P&R)) reviews and adjusts exchange rates when necessary for countries where Service members are assigned. OUSD (P&R) adjusts OCONUS COLA based on currency fluctuations as frequently as twice monthly. See the [DTMO Currency Adjustment](#) for more information.

* 3.1.6. COLA Unique Expenses. In some areas OCONUS, a Service member or dependent incurs mandatory and excessive expenses that a Service member based in CONUS **does not normally incur**. Since the expenses are not incurred **by every Service member OCONUS**, they cannot be a part of the ordinary COLA index calculation. For these expenses, payment is a **lump-sum** dollar-for-dollar reimbursement for a specifically authorized expense at a designated authorized location.

3.1.6.1. Authorization. All requests to authorize a COLA Unique Expense must be submitted **from a** Major Command to OUSD (P&R) through the applicable Service representative listed at **Uniformed Services Contact Information**. OUSD (P&R) **specifically authorizes or approves the expense for reimbursement according to the DoD Overseas Station and Housing Allowance Process Guide**. OUSD (P&R) does not accept requests from individual Service members **to authorize a** COLA Unique Expense.

3.1.6.2. Reimbursement. The Secretary concerned may reimburse a COLA Unique Expense if Table 68-2 authorizes the location and expense. **Services may alternatively use the Secretarial Process to reimburse an authorized expense or expenses. Once a COLA Unique Expense has been authorized for a location, no further examination may be made to compare the spendable income of the claimant to the amount of the expense claimed. Any claim based on a valid receipt for an authorized COLA Unique Expense may be reimbursed in a lump sum, dollar-for-dollar, through Service payment procedures.** The Service concerned is not required to recover any amount refunded to a Service member by a foreign government agency.

3.1.6.3. Authorized Locations and Expenses. Table 68-2 specifies the authorized locations and expenses for a COLA Unique Expense reimbursement.

3.1.7. OCONUS COLA Report Submission. See Part 2 of the DoD Overseas Station and Housing Allowance Process Guide.

3.2 Start and Stop OCONUS COLA

3.2.1. Start OCONUS COLA. Generally, OCONUS COLA starts on the day a Service member reports to a new PDS, the effective day of a home port change, or the day his or her dependent arrives before the Service member at either the new PDS or the new home port, as specified in paragraph 3.3. However, if the Service member is authorized a monetary allowance in lieu of transportation plus per diem (MALT Plus) on the reporting day, OCONUS COLA starts on the day after the Service member's reporting day.

3.2.2. Stop OCONUS COLA. OCONUS COLA stops the day before a Service member departs from OCONUS on a PCS order or the day before the effective date of a ship's or unit's home port change unless any of the following occur:

3.2.2.1. An extension is authorized through the Secretarial Process;

3.2.2.2. OCONUS COLA is authorized during a PCS between PDSs in close proximity, when at the new PDS the member continues to commute from the residence occupied

at the old PDS. OCONUS COLA continues during temporary duty (TDY) en route. If the COLA rate differs, the rate for the old PDS is paid through the day prior to the member's report date. COLA for dependents is paid as specified in paragraph 3.3; or

3.2.2.3. A Service member without a dependent undergoes a home port change. In that circumstance, the Service member is authorized OCONUS COLA based on the old home port until the day he or she moves back aboard the ship under the following conditions:

3.2.2.3.1. The ship does not depart from the old home port before or on the effective date of the home port change; and

3.2.2.3.2. Quarters on board the ship are not available, such as when the ship is in dry dock.

3.3 OCONUS COLA for Service Member With a Dependent

A Service member with a dependent is authorized OCONUS COLA based on the number of command sponsored dependents at the PDS vicinity, regardless of Government dining facility availability. This includes when the Service member has a dining facility aboard ship available. Table 68-3 specifies exceptions. A Service member is authorized OCONUS COLA for all command sponsored dependents, including a Federal employee who is a spouse or child and eligible for a post allowance in his or her own right. Paragraph 3.5 specifies OCONUS COLA authority for a Service member married to another Service member.

3.3.1. Home Port Change. If a Service member is currently assigned to a ship or other fleet unit with an announced home port change (or receives a PCS order to a ship or other fleet unit with an announced home port change) and a dependent is authorized to travel to the new home port, the new home port is the Service member's PDS for COLA purposes ([65 Comp Gen 888 \(1986\)](#)).

3.3.2. PCS Order Amendment Changes the PDS. When a Service member receives a PCS order amendment that names a different PDS before he or she joins a dependent who has already arrived at or in the vicinity of a new PDS OCONUS, and on whose behalf OCONUS COLA was authorized, OCONUS COLA at the original PDS rate ends on the dependent's departure day for the newly designated PDS. OCONUS COLA at the initial PDS can extend more than 60 days after the amended order effective date only if specifically authorized or approved through the Secretarial Process. OCONUS COLA at the new PDS rate based on the number of command sponsored dependents begins on the dependent's arrival day.

3.3.3. OCONUS COLA Due to Evacuation of the Service Member's PDS. If a Service member's PDS is evacuated, OCONUS COLA at the with-dependent rate stops on the dependent's departure date due to the evacuation. Until the dependent returns to the Service member's PDS, the Service member is considered "without a dependent" for OCONUS COLA purposes. When a dependent is evacuated from OCONUS or from a location in the CONUS to reside at an authorized or approved designated place OCONUS, the Service member is authorized OCONUS COLA at the with-dependent rate for the designated place beginning the day after per diem stops. Station allowances are not payable for a dependent who is not command sponsored at the Service member's PDS OCONUS.

3.4 OCONUS COLA for Service Member Without a Dependent

3.4.1. Reduced OCONUS COLA. When both Government quarters and a Government dining facility are available, a Service member is paid a reduced OCONUS COLA. Reduced OCONUS COLA is calculated using a fixed percentage of the COLA rate for a Service member with no dependents living in private-sector housing.

3.4.2. Government Dining Facility Availability. The decision to authorize OCONUS COLA for a Service member without a dependent is based on whether the dining facility is actually available to the Service member, whether he or she is expected to purchase food for preparation in Government quarters, and whether the Government quarters have facilities to keep and prepare meals.

3.4.2.1. For OCONUS COLA purposes, if a permanently assigned Service member purchases meals or receives meals at no cost at a Government dining facility, or receives meals using a Government-provided meal card, then a Government dining facility is available.

3.4.2.2. Table 68-4 specifies the conditions for determining OCONUS COLA authorization for a Service member without a dependent.

3.4.3. Leave Periods. If a Service member without a dependent takes leave away from the PDS vicinity OCONUS, OCONUS COLA continues for the first 30 days and stops on day 31. If OCONUS COLA is stopped, it starts again the day the Service member returns to the PDS from leave.

3.5 Service Member Married to Another Service Member

Table 68-5 specifies OCONUS COLA for a Service member married to another Service member. See Table 68-4 for COLA when both Service members are grade E-5 or below, are serving on sea duty, and have no other dependents.

3.6 Non-Command Sponsored Dependent in PDS Vicinity

A Service member who is serving an unaccompanied tour at a PDS OCONUS is not authorized with-dependent OCONUS COLA when a non-command sponsored dependent accompanies or joins the Service member, even if the Service member chooses not to use an

available Government dining facility. The Service member is authorized the same OCONUS COLA as any other Service member without a dependent under the same conditions (see subparagraph 3.4.1). If the Service member changes the tour election and agrees to serve the tour as accompanied, with-dependent, OCONUS COLA as specified in paragraph 3.3 starts on the day the dependent becomes command sponsored.

3.7 Fractional Cost of Living Allowance for a Service Member Without a Dependent

3.7.1. Eligibility. This paragraph applies only to a Service member receiving the reduced OCONUS COLA. The PDS includes a ship or other unit having an assigned home port OCONUS as opposed to an assigned PDS OCONUS.

3.7.1.1. The Service member's duty, as distinguished from a travel status, must require his or her absence from the PDS during one or more meals.

3.7.1.2. The commanding officer, or an officer designated by the commanding officer for that purpose, must validate that the meals are not furnished.

3.7.2. Allowances

3.7.2.1. The COLA is for the PDS, or in the case of a Service member assigned to a ship or other unit having an assigned home port OCONUS, the place where the Service member takes meals. Calculate the fractional COLA amount payable by applying the percentages specified in Table 68-6 for the meals involved to the daily COLA at the "0 dependent" rate for the PDS.

3.7.2.2. A Service member without a dependent receiving the reduced OCONUS COLA rate is authorized a percentage of the "0 dependent" COLA rate for each meal not provided in a Government dining facility in addition to the reduced OCONUS COLA.

3.8 Service Member Assigned to Ship or Fleet Unit

3.8.1. Delayed Travel. Secretarial authorization or approval of the housing allowance for a dependent continuing during the delayed departure from a PDS OCONUS, as specified in Chapter 26, also authorizes COLA continuation for the same time period without a separate authorization or approval. Subparagraph 4.8.3 applies whether the Service member's new PDS is in the CONUS or OCONUS.

3.8.2. Service Member Assigned to Duty Aboard a Two-Crew Nuclear Submarine. The ship's home port is the Service member's PDS for station allowances.

3.8.2.1. When a Service Member Reports to the Home Port Before Reporting Aboard. When a Service member is assigned to a two-crew nuclear submarine and reports to the ship's home port before reporting aboard because the ship is deployed, the Service member is authorized station allowances the day after he or she arrives at the home port, and no further travel is required by the order before reporting aboard the submarine ([57 Comp Gen 178 \(1977\)](#)).

3.8.2.2. Service Member Without a Dependent Ordered to a TDY at Home Port (OCONUS COLA Only). OCONUS COLA is authorized for a Service member without a dependent while the Service member is performing a TDY ashore if all of the following conditions are met:

3.8.2.2.1. The Service member is assigned to a two-crew nuclear submarine,

3.8.2.2.2. The Service member has reported aboard, and

3.8.2.2.3. The training and rehabilitation is for a period of 16 or more days at the ship's home port OCONUS.

3.9 Reserve Component (RC) Member

3.9.1. Eligibility. An RC member called or ordered from a residence OCONUS to active duty or active duty for training (ADT) may be authorized OCONUS COLA. Command sponsorship is not required when a Service member is authorized OCONUS COLA at the with-dependent rate for the place last entered (or called to) active duty (PLEAD). The Service member must reside permanently in the area concerned at the time called or ordered to active duty ([55 Comp Gen 135 \(1975\)](#)).

3.9.2. Allowances. An RC member is authorized OCONUS COLA for the tour duration as specified in Table 68-7 unless he or she is called or ordered to active duty for any of the following reasons:

3.9.2.1. Training for 140 or More Days. The initial OCONUS COLA rate ends on the day before the Service member reports at the duty location specified in the active duty order. Authority for OCONUS COLA for the PDS location begins the day the Service member reports at that location. A Service member called or ordered to ADT from a location in the CONUS for 140 or more days at one location is authorized OCONUS COLA in the same manner as a Service member already on active duty;

3.9.2.2. Other Than Training for 181 or More Days With PCS Allowances. A Service member called or ordered to active duty for other than training from a location in the CONUS for 181 or more days at one PDS location OCONUS is authorized OCONUS COLA as of the day he or she reports at that location except as in subparagraph 3.9.2.3. The initial rate for the primary residence OCONUS stops the day before the Service member reports at the PDS duty location specified in the active duty order. OCONUS COLA authority for the PDS location begins the day the Service member reports at that location; or

3.9.2.3. Other Than Training for 181 or More Days But Not Authorized HHG Transportation. When HHG transportation is not authorized, an RC member called or ordered to active duty for other than training for 181 or more days at one location, away from his or her primary place of residence OCONUS at the time called or ordered to active duty, is assigned to duty at that residence and paid OCONUS COLA at that location rate. HHG transportation under a TDY order does not affect this authority. OCONUS COLA authority begins on the first active duty day.

3.10 Calculations for OCONUS COLA

Calculate a Service member's OCONUS COLA payment using data from three individual sources and tables: the Annual Compensation Table, the Spendable Income Table, and the COLA Index Table. OCONUS COLA is specified as a daily rate. The annual COLA is calculated by multiplying the Service member's annual spendable income by the authorized COLA index. For OCONUS COLA, spendable income is that portion of the Service member's annual compensation used to purchase items in the RPS. Use Table 68-8 to calculate annual OCONUS COLA and Table 68-9 to calculate monthly OCONUS COLA. See [Overseas COLA Computation Example](#).

4.0 TLA

TLA is intended to partially pay a Service member for higher than normal expenses incurred by a Service member or dependent while occupying temporary lodging OCONUS. OCONUS TLA is available when it is necessary for a Service member or dependent to occupy temporary lodging upon arrival at, or immediately before leaving, a PDS OCONUS, or during other periods as specified in this section. Personal inconvenience to a Service member or dependent is never a determining factor. TLA is not intended, and must not be used, for the personal enrichment of a Service member, including authorization or approval of TLA Special (see paragraph 4.10).

NOTE: Organizations are expected to take appropriate disciplinary action when TLA is provided for inappropriate reasons.

4.1 TLA Authority

The senior commander of the Service in the country or area is the TLA Authority. In countries or areas where more than one Service is represented, the senior commander of all of the Services is the TLA Authority. The TLA Authority may delegate authority as determined appropriate to judiciously administer TLA. TLA may be authorized when a Service member or dependent needs to occupy temporary lodging at personal expense. The TLA Authority authorizes or approves TLA only for the number of days needed to prevent undue financial hardship to the Service member during that period.

4.2 TLA Authority Responsibilities

The TLA Authority must issue written TLA guidance for the country or area under his or her responsibility. Effective guidance and management at all levels should minimize TLA costs by preventing the need for TLA, shortening the authorized period, and reducing the amount payable.

4.2.1. Submit Written Guidance. An electronic (Word) copy of the required written guidance and changes to or re-issuances of the written material implementing this authority must be provided, via the Service Compensation Chief, to the Allowances [Division](#), OUSD (P&R). This written material must be coordinated with the Uniformed Services present in the country or area, consistent with the general payment conditions listed in this chapter, and designed to uniformly authorize TLA to each Service member.

4.2.2. Establish Efficient Policies. To ensure economical TLA administration, the OCONUS TLA Authority's written guidance to help the Service member locate permanent quarters should emphasize all of the following:

4.2.2.1. A Service member and any dependents should use existing Government transient facilities to the fullest extent possible upon PDS arrival or departure. The Service member must be advised of and encouraged to use recommended temporary lodging;

4.2.2.2. A Service member in a TLA status should be given priority over other potential occupants of transient facilities;

4.2.2.3. A Service member uses, when practical, leased quarters furnished and equipped for temporary occupancy by a family;

4.2.2.4. Promote the use of temporary lodging with facilities for preparing and consuming meals;

4.2.2.5. Maintain contact with the local, private-sector market for permanent housing and provide incoming families with reliable, realistic, and current information concerning location, availability, description, and cost;

4.2.2.6. Maintain an up-to-date list of approved, regularly inspected temporary lodging;

4.2.2.7. Inform the Service member of Government furniture available upon arrival at the new PDS for temporary loan while occupying permanent Government quarters or private-sector housing before the household goods (HHG) arrive. Before departure from the PDS, inform the Service member of Government furniture available for temporary loan after the HHG has been picked up for shipment;

4.2.2.8. The Service member should occupy permanent Government quarters or private-sector housing as soon as possible upon arrival and should not vacate sooner than necessary

upon departure on a PCS order. This should ensure that TLA ends the day before the Service member could reasonably occupy permanent Government quarters or private-sector housing upon arrival at the PDS OCONUS, even if he or she does not occupy permanent Government quarters or private-sector housing;

4.2.2.9. Requirements for dependent travel should contain advice to the Service member about appropriate household items to include in unaccompanied baggage; and

4.2.2.10. Any additional TLA period will not be authorized or approved when a Service member is not expected to incur any excess costs or suffer undue financial hardship.

4.2.3. Advise Service Members. It is the TLA Authority's responsibility to ensure that a Service member is advised of all of the following responsibilities and requirements:

4.2.3.1. The Service member must aggressively seek permanent Government quarters or private-sector housing upon arrival. When the Service member will be assigned Government quarters, the provision to seek private-sector housing is not applicable;

4.2.3.2. The Service member must register with an official upon arrival and keep that official informed of progress in obtaining permanent Government quarters or private-sector housing at intervals of 15 or fewer days, as determined by the TLA Authority;

4.2.3.3. The Service member must provide a statement to the official indicating the beginning and end of TLA;

4.2.3.4. The limitations on the number of authorized TLA days for arrival or departure and of any requirement for a written justification to extend TLA to the maximum number of days;

4.2.3.5. The requirement to relocate as soon as practical to other permanent Government quarters or private-sector housing, or to reoccupy the Government quarters or private-sector housing formerly occupied;

4.2.3.6. The amount of the TLA payment depends on the expenses incurred at the temporary lodging;

4.2.3.7. The Service member must obtain and keep receipts for lodging expenses to support TLA payment; and

4.2.3.8. Lodging expenses are not allowed while staying with friends or relatives, but the meal and incidental expense rate (M&IE) is payable for the eligible TLA period.

4.3 Applicable Situations for a TLA

4.3.1. Situations That Require Temporary Housing. TLA may be authorized during any of the following periods:

4.3.1.1. Upon initial arrival or reporting at a PDS OCONUS either while waiting for Government quarters or while completing arrangements for other private-sector housing when Government quarters are not available. This includes reporting for a TDY at an activity within the limits of the new PDS OCONUS ([Comp Gen B-208740, January 31, 1983](#));

4.3.1.2. Immediately preceding departure for a PCS from a PDS OCONUS after a Service member vacates Government quarters or private-sector housing in connection with a PCS order. This includes reporting for a TDY at a location within the limits of the old PDS OCONUS (Comp Gen B-208740, January 31, 1983);

4.3.1.3. While a Service member without a dependent is seeking permanent Government quarters or private-sector housing following a TDY assignment of 90 or more days when he or she vacated permanent Government quarters or private-sector housing before beginning the TDY ([59 Comp Gen 486 \(1980\)](#));

4.3.1.4. During a Service member's hospitalization when a dependent must use temporary lodging OCONUS because the Service member was hospitalized en route between PDSs;

4.3.1.5. While house hunting after the Service member arrives at the new PDS and reports for duty in connection with a PCS; or

4.3.1.6. When the appropriate official determines that TLA is necessary for a Service member, once he or she is established in, must vacate, or is waiting to reoccupy permanent Government quarters, private-sector housing, or privatized housing for reasons beyond the Service member's control. This does not include a ship entering any type of maintenance availability. The appropriate official must base the determination on the OCONUS TLA Authority's written guidance.

4.3.1.6.1. TLA begins the day temporary lodging is first used and ends on the day before permanent Government quarters, private-sector housing, or privatized housing is reoccupied, or when the OCONUS TLA Authority determines TLA is no longer justified.

4.3.1.6.2. TLA does not include any expenses incurred before the TLA period begins or after it ends, except for extra lodging charges authorized as specified in section 6.0.

4.3.1.6.3. TLA ends if the OCONUS TLA Authority determines that TLA is no longer necessary due to any of the following reasons:

4.3.1.6.3.1. There are no excess costs,

4.3.1.6.3.2. The Service member failed to accept adequate permanent Government quarters; or

4.3.1.6.3.3. The Service member stopped diligently searching for permanent private-sector housing.

4.3.2. Additional TLA

4.3.2.1. In addition to the responsibilities in paragraph 4.2, the OCONUS TLA Authority's written guidance is used to determine whether undue financial hardship can result if an additional TLA period is not authorized or approved. The guidance must be used before authorizing or approving additional TLA periods upon initial arrival, delayed departure, or early termination of either permanent Government quarters or private-sector housing.

4.3.2.2. Applications for additional TLA periods must establish the need for TLA.

4.3.2.3. The OCONUS TLA Authority must direct consideration of the daily amount of all of the following payments and expenses before authorizing additional TLA:

4.3.2.3.1. The amount of TLA the Service member has received or will receive;

4.3.2.3.2. Current and estimated expenses for temporary lodging;

4.3.2.3.3. The housing allowance for a Service member. However, the housing allowance is not considered when paid for a dependent at a place other than the Service member's PDS, or for a Service member receiving TLA at the with-dependent rate for the Service member only; and

4.3.2.3.4. Family Separation Housing.

4.4 General Payment Conditions

4.4.1. Service Member Responsibilities. The Service member must either meet the requirements in subparagraph 4.2.3 or submit acceptable reasons for noncompliance before TLA payment. TLA payment or further TLA authority must be denied if the Service member has not complied with those TLA requirements in accordance with the OCONUS TLA Authority's written guidance or if he or she failed to submit acceptable reasons for noncompliance.

4.4.2. Government Quarters. When Government quarters are available and other lodging is used, lodging reimbursement is limited to the cost of Government quarters as specified in the JTR, subparagraph 020303.C. If Government quarters are not available, the Service member should provide written certification to support any voucher documentation submitted to comply with finance regulations.

4.4.3. Non-Occupancy. If the temporary lodging is not occupied during a portion of the TLA period, reimbursement is allowed for the other days when it is occupied during the authorized TLA period.

4.4.4. TLA Periods. There may be a break between an initial TLA period and any additional authorized TLA period.

4.4.5. Unaccompanied Tour. A Service member serving an unaccompanied tour is not authorized TLA when he or she chooses not to use an available Government dining facility or available Government quarters because a non-command sponsored dependent is in the PDS vicinity.

4.4.6. PCS Order Canceled or Revoked. When the Service member's PCS order is canceled or revoked after he or she occupies temporary lodging, the Service member may receive TLA reimbursement up to the maximum number of days allowed by the OCONUS TLA Authority.

4.4.7. Advance Payment. An advance may be paid for the number of authorized TLA days, after authority is provided, based on the appropriate directive issued as specified in the OCONUS TLA Authority's guidance.

4.4.8. Old and New PDS in Close Proximity or in the Same Country. When a Service member's old and new PDSs are in close proximity to each other or in the same country, the TLA authority does not change. However, when a Service member's new PDS is within commuting distance of the Government quarters or private-sector housing occupied while at the old PDS, the Service member may not be authorized TLA unless the Service member's commanding officer approves temporary lodging based on a necessary residence change for reasons beyond the Service member's control.

4.4.9. Certification Confirming Military Necessity. The following situations require that a Service member's order be annotated with or include an attached certification that retaining TLA lodging was due to military necessity and not due to the Service member's personal choice or convenience:

4.4.9.1. When a Service member receiving TLA is ordered on a TDY while away from the PDS;

4.4.9.2. When a Service member receiving TLA before his or her PCS departure is ordered on deployment from the PDS, including the home port or permanent duty location of a ship, staff, or afloat unit; or

4.4.9.3. When a Service member receiving TLA is hospitalized after arrival at a new PDS or before a PCS departure.

4.5 Receipt of Multiple Allowances

Duplicate payment for the same expense is not authorized.

4.5.1 COLA and Housing Allowances. A Service member may be paid a COLA, a [Basic Allowance for Housing](#), or an [Overseas Housing Allowance \(OHA\)](#), if applicable, when paid TLA.

4.5.2 Evacuation Allowances. TLA is not payable due to an evacuation.

4.5.3 Temporary Quarters Subsistence Expenses (TQSE) or Temporary Quarters Subsistence Allowances (TQSA). A Service member married to a civilian employee may be authorized TLA while the civilian employee receives TQSE or TQSA, (see the JTR, section 0542) as long as the TLA and TQSE or TQSA payments cover different expenses.

4.5.4 Dependent Receives Basic Pay. A Service member may not be paid allowances on behalf of a dependent for any period while that dependent is entitled to basic pay as specified in [37 U.S.C. § 204](#) and [37 U.S.C. § 421](#).

4.6 TLA for Initial Assignment

4.6.1. Authorization Period. TLA authorization for a PDS assignment OCONUS requiring a residence change ordinarily should not exceed 60 days, which do not have to be consecutive. The initial 60-day period begins on the same date as the COLA. The OCONUS TLA Authority's Authorizing Official (AO) may authorize or approve a period in addition to the initial 60-day maximum to follow immediately after the first 60 days or begin at some later date after the initial period expires. The additional period may be authorized or approved in increments of 15 or fewer days for any of the following reasons beyond the Service member's or dependent's control:

4.6.1.1. HHG does not arrive;

4.6.1.2. Service requirements cause a delay in the availability of or assignment to Government quarters;

4.6.1.3. Acts of God, fire, flood, earthquake, riot, civil unrest, or other disturbances that make normally available or anticipated Government quarters or private-sector housing temporarily or permanently uninhabitable or unavailable;

4.6.1.4. A landlord withdraws the private-sector housing from the market;

4.6.1.5. The Service member is unable to secure private-sector housing that the housing officer considers suitable to the Service member's needs, in an acceptable location, and comparable to and within the price range of housing that other Service members in the area are currently using. The lease cost for housing can exceed the OHA ceiling; or

4.6.1.6. Either the Service member or dependent is hospitalized or the Service member's duties require the Service member to be away from the PDS (or home port, if attached to a ship) limiting opportunities to arrange for permanent Government quarters or private-sector housing.

4.6.2. Review of Effort to Find Permanent Housing. At the end of the first TLA period of 15 or fewer days, or a longer period authorized under extenuating circumstances, the OCONUS TLA Authority's AO should review the Service member's progress in obtaining permanent housing.

4.6.2.1. If the Service member's efforts appear deficient, the OCONUS TLA Authority's AO must remind the Service member of his or her responsibilities. A Service member who does not comply, without an acceptable reason, will lose authorization for TLA unless the Service member is awaiting assignment to Government quarters.

4.6.2.2. The Service member's absence from the PDS due to a TDY, maneuvers, being aboard ship, sickness, hospitalization, serious illness of dependents, or other acceptable reasons, excuses the Service member from aggressively seeking permanent housing during the absence and postpones the date for submitting the required information. This applies when evaluating the Service member's progress toward obtaining permanent Government quarters or private-sector housing and in determining TLA authorization or approval during each succeeding period.

4.6.3. TLA Authorization. TLA authorization that starts upon initial arrival continues until a Service member occupies permanent Government quarters or private-sector housing unless TLA is terminated earlier for an acceptable reason specified in this chapter. The allowance stops accruing on the day before a Service member occupies the permanent housing. With the exception of allowed extra lodging charges, no expenses incurred on the permanent Government quarters or private-sector housing occupancy day are used in computing TLA (see section 6.0). In any case, TLA must stop the day HHG is delivered.

4.7 TLA for Initial Assignment When New PDS is a Ship

4.7.1. Reporting Day. On the actual reporting day aboard a ship, the lodging cost for lodging jointly occupied by the Service member and a dependent is not divided between the Service member and the dependent. The entire lodging cost is included as a TLA expense.

4.7.2. Period While Awaiting the Ship's Arrival

4.7.2.1. When a Service member is in a TDY status at the home port OCONUS awaiting arrival of his or her assigned ship, he or she is eligible for per diem. Therefore, the Service member is ineligible for TLA during the waiting period. The waiting period begins on the arrival day at the home port and continues through the day before the actual reporting day aboard the ship. During this waiting period, the ship is the Service member's new PDS for personal travel. For TLA purposes, the Service member has not reached the new PDS until reporting to the ship. TLA can begin after the Service member reports to the ship and meets the other criteria in this chapter.

4.7.2.2. The number of dependents occupying temporary lodging in the PDS area or the home port when the new PDS is a ship determines the amount to authorize for meals, which is used to compute the TLA rate payable on behalf of any dependents for days when a Service member is authorized per diem.

4.7.2.3. When a Service member receiving per diem is also receiving TLA for a dependent, and both are at the home port, lodging costs for jointly occupied lodging are

apportioned 50% for the Service member and 50% for all dependents combined for all days except on the reporting day to the ship, regardless of the number of family members.

4.7.3. TLA During Home Port Change for Initial Assignment. If a Service member is currently assigned to a ship or other fleet unit with an announced home port change, or is in receipt of a PCS order to a ship or other fleet unit with an announced home port change, and the dependent is authorized to travel to the new home port as the new home port is the Service member's PDS for TLA purposes (65 Comp Gen 888 (1986)).

4.8 Service Member Arrives or Departs at a Different Time Than a Dependent

4.8.1. Service Member Arrives Before Dependent. When a Service member arrives at a PDS OCONUS before a dependent, the Service member may be authorized TLA if the conditions specified in section 4.0 are met. Upon the dependent's arrival, TLA may also be authorized or approved for the Service member and dependent. If the dependent arrives after the initial 60-day period expires, an additional TLA period may be authorized as specified in subparagraph 4.8.3 whether or not TLA was paid during the initial 60-day period.

4.8.2. Dependent Arrives at or in the PDS Vicinity OCONUS Before the Service Member. Authorization or approval through the Secretarial Process is required for the dependent's arrival in advance of the Service member as specified in Chapter 26 before TLA payment. Once advance travel is authorized or approved, and a dependent arrives at or in the PDS vicinity OCONUS, the dependent's TLA starts the day TLA is authorized for the Service member provided the dependent is command sponsored.

4.8.3. Dependent Departs the PDS Vicinity OCONUS After the Service Member. Before TLA payment, authorization or approval through the Secretarial Process is required for the dependent's delayed travel as specified in Chapter 26. Once delayed travel is authorized or approved, TLA for the dependent is authorized under the same conditions as applicable to a Service member when a dependent departs the PDS vicinity OCONUS after the Service member.

4.9 TLA Upon Departure

4.9.1. Time Limitation. The TLA period cannot start more than 10 days before the Service member leaves the PDS in compliance with a PCS order, except in the following situations:

4.9.1.1. One or more dependents remain in the old PDS vicinity as specified in Table 68-10. TLA may be authorized up to 10 days immediately preceding the day the last dependent leaves the PDS. This is regardless of the effective date of the PCS order from that PDS;

4.9.1.2. A longer TLA period is authorized due to delayed departure or the early termination of permanent Government quarters or private-sector housing; or

4.9.1.3. The Service member or dependent is hospitalized or the Service member's duties require the Service member to be away from the PDS or home port, if attached to a ship.

4.9.2. Departure From PDS. Table 68-10 specifies the TLA authorization upon departure from a PDS under certain circumstances.

4.10 Special TLA Requests (TLA Special)

TLA requests for a higher lodging factor (TLA Special) under special or unusual circumstances may be authorized only before the dates required and by the Allowances [Division Director's](#) issued determination. See TLA Special computation examples [at the DTMO Computation Examples web page](#).

4.10.1. TLA Special Warranted. When lodging costs escalate due to a special event and TLA is insufficient for lodging, a TLA Special may be warranted for a specific period.

4.10.2. Request Requirements. Commands must submit requests before the days that the higher rate is needed. The request must include all of the following:

4.10.2.1. The event dates and the dates when a TLA Special is required;

4.10.2.2. Hotel prices before the event and anticipated prices during the event stated in U.S. currency from at least five and preferably seven different hotels located in the affected area;

4.10.2.3. The number of authorized travelers and the ages of any dependents;

4.10.2.4. Locations affected;

4.10.2.5. Recommended lodging amount; and

4.10.2.6. Documentation indicating when the forthcoming special event will occur ([47 Comp Gen 127 \(1967\)](#) and [Comp Gen B-161396, May 3, 1976](#)).

4.10.3. Submission Process. The Service member's command may request TLA Special authority before the requested dates by email to:

E-Mail: dodhra.mc-alex.dtmo.mbx.allowances-branch@mail.mil

4.10.4. Limitations. Allowances [Division](#), OUSD (P&R) will not take action on a TLA Special request received after the dates the TLA Special rate was needed, regardless of the circumstances.

4.10.4.1. TLA Special is not authorized for a Service member who is in a TDY status and receiving per diem at a home port OCONUS awaiting arrival of the assigned ship. The Allowances [Division Director](#) may authorize TLA Special for an accompanying dependent.

4.10.4.2. TLA Special stops the day after a Service member voluntarily refuses adequate Government quarters for personal convenience.

5.0 OTHER SITUATIONS FOR TLA

5.1 Service Member Married to Another Service Member

If two Service members married to each other maintain separate households at or in the vicinity of their PDS or PDSs OCONUS, each Service member is authorized TLA based on whether the Service member concerned has a dependent at or in the vicinity of the PDS OCONUS. See computation examples [at the DTMO Computation Examples web page](#).

5.2 Period of TDY or Deployment While Away From PDS

A Service member receiving TLA who is ordered on a TDY (whether after arrival at the new PDS or before his or her PCS departure) or who is ordered on deployment from the home port of a ship, staff, or afloat unit, is authorized to continue to receive TLA on his or her own behalf. The temporary lodgings must be retained because of the Service member's military assignment. This may include the lodging cost at the TLA location while the Service member is on TDY.

5.3 Converted Tour

A Service member whose tour is converted to an accompanied tour may be eligible for TLA for him or herself and any command sponsored dependent who was a dependent on the effective date of the PCS order to the PDS OCONUS if the conditions specified in the TLA Authority's written guidance are met. The Service member must make every reasonable effort to find suitable permanent Government quarters or private-sector housing for a dependent before the dependent arrives. TLA may be authorized or approved for the Service member and dependent only if the Service member is unable to find suitable housing before the dependent arrives for reasons beyond the Service member's control.

5.4 Service Member Acquires a Dependent

A Service member serving a tour OCONUS who has no dependents on arrival but who acquires a dependent during that tour is ineligible for TLA for the dependent when the dependent arrives at the PDS because the Service member was without a dependent on the effective date of the PCS order ([Comp Gen B-186628, September 17, 1976](#)). A Service member may be authorized TLA for him or herself, when eligible, or for a dependent acquired while serving at a PDS OCONUS if the dependent is command sponsored at the PDS from which the dependent departs.

5.5 Hospitalization Period

A Service member receiving TLA who is hospitalized after arrival at a new PDS or before a PCS departure may continue to receive TLA on his or her own behalf. This may include the Service member's share of the temporary lodging cost as a TLA expense when, due to the hospitalization, temporary lodging must be retained at the PDS. The Service member's order must be annotated or have certification attached that states the TLA lodging was retained due to military necessity and not due to the Service member's personal choice or convenience.

5.6 Leave or Permissive Travel

5.6.1. Leave or Permissive Travel in the PDS Vicinity. After a Service member has reported for duty, TLA may be paid for any day he or she is on leave or permissive travel in the PDS vicinity and seeking private-sector housing or awaiting assignment to Government quarters. This enables a Service member to complete PCS travel and be placed on leave so that station allowance eligibility is established by reporting to the new PDS.

5.6.2. Leave or Permissive Travel Away From the PDS Vicinity. TLA is not payable for any day a Service member is on leave or permissive travel away from the PDS vicinity unless one or more dependents remain in the PDS vicinity to continue to seek private-sector housing or while awaiting assignment to Government quarters. In that case, the number of dependents who continue to occupy temporary lodging determines the rate payable. In either case, postponement of TLA pending return is not authorized. This provision helps ensure that TLA is paid only in connection with the PDS.

5.7 Dependent Assigned to Government Quarters

When a dependent is assigned to Government quarters in connection with advance arrival at a Service member's PDS OCONUS, during delayed departure from a Service member's PDS OCONUS, or "other circumstances" as specified in Chapter 26, a decision is made by either the Secretary concerned or through the Secretarial Process at the Service's discretion to pay or continue station allowances. When a dependent resides in Government quarters, a housing allowance is not authorized.

5.8 TLA for RC Member

An RC member called or ordered to ADT for 140 or more days or active duty for other than training for 181 or more days who is authorized PCS allowances is authorized TLA as specified in this chapter. When an RC member is authorized TLA at the with-dependent rate for the PLEAD, command sponsorship is not required. The RC member must reside permanently in the area concerned at the time called or ordered to active duty (55 Comp Gen 135 (1975)). COLA authorization begins on the first active duty day.

5.9 Retirement or Separation From Service

A Service member who retires or separates from service, stays in the PDS area, and then moves at a later date or moves OCONUS to either a home of record or home of selection chosen by the Service member is ineligible for TLA or TLA Special.

6.0 TLA CALCULATIONS

6.1 TLA Rates Payable and Calculation Procedures

6.1.1. TLA Computation. Apply TLA accrual provisions for the standard TLA computation specified in paragraph 6.2 when computing TLA upon arrival and departure.

Expenses incurred on the departure day are not considered. However, when lodging expenses are incurred on the day of departure, calculate TLA as specified in this section. See TLA and TLA Special computation examples.

6.1.2. Extra Room-Charge Payment. When the Service member or a dependent checks into or out of temporary lodging at a time of day that results in the payment of room charges for an extra day, calculate the lodging rate at 1.5 times the percentage rates specified in Table 68-11 for that extra day, except as specified in paragraph 6.3.1. M&IE remains at the specified percentages.

6.1.3. Number of Persons Occupying Temporary Lodging. When determining the number of persons occupying temporary lodging, do not count the Service member for any day that he or she is not authorized TLA on his or her own behalf.

6.1.4. TLA Authorized on the Reporting Day

6.1.4.1. When TLA is authorized on the reporting day, per diem is 75% of the locality M&IE rate for the new PDS OCONUS as determined in the JTR, paragraph 020310 when the Service member or dependent travels on a PCS order by commercial air, train, bus, ship, Government transportation, or Government-procured transportation. See the JTR, paragraph 050202 for reimbursement for commercial transportation and per diem. The lodging expense on the reporting day is reimbursed as TLA. See TLA computation examples.

6.1.4.2. TLA is not payable on the reporting day when MALT Plus is payable. The Service member may be authorized TLA when he or she, or a dependent, occupies temporary lodging on the reporting day to the new PDS and MALT Plus is not payable.

6.2 Standard TLA Computation

6.2.1. Time Limit. TLA is calculated in increments of 15 days, except when more than one TLA rate applies within the computation period. If the final lodging period is greater than 15 days, but less than 30 days it may be processed as a single payment.

6.2.2. Currency Conversion Fees. When determining the lodging expense in connection with TLA, add the International Transaction Fees, also known as currency conversion fees, charged by the Government Travel Charge Card (GTCC) to the actual daily lodging cost along with any lodging tax or value-added tax (VAT) relief certificate cost, and other authorized lodging costs. When using a personal charge card instead of the GTCC while not formally exempt from having a GTCC, International Transaction Fees charged by the credit card company are not part of the calculation.

6.2.3. TLA Calculation. Steps 1-3 explain how to calculate standard TLA using Table 68-11. When calculating TLA, use the actual amount without rounding.

6.2.3.1. Step 1: Calculate the daily M&IE and lodging ceiling by multiplying the percentage specified in Table 68-11 by the applicable locality per diem rate. Exceptions to this

ceiling are specified in paragraph 6.3. Use the percentages specified in Table 68-11 for both lodging and M&IE except when any of the following circumstances apply:

6.2.3.1.1. A TLA Special has been authorized for lodging;

6.2.3.1.2. Temporary lodging is not available at the PDS;

6.2.3.1.3. Permanent Government quarters are being renovated or lack adequate cooking and eating facilities;

6.2.3.1.4. Temporary quarters contain adequate cooking facilities;

6.2.3.1.5. The Service member or dependent stays with friends or relatives. In that case, reimbursement of lodging cost is not authorized, but the TLA M&IE is paid;

6.2.3.1.6. A Service member is authorized a temporary lodging cost at the new PDS as specified in paragraph 5.2 as a TLA expense during a TDY or deployment period. In that case, the Service member is included in the number of persons for lodging, but not for M&IE. Determine the TLA amount payable by subtracting the Service member's share of the meal allowance from the total M&IE. To calculate the Service member's share, divide the M&IE amount by the total number of persons in the Service member's family, including the Service member, occupying the temporary lodging; or

6.2.3.1.7. The applicable percentage is 100% for the Service member and (non-service member) spouse. Add the percentage in Table 68-11 for the rest of the dependents. When calculating the percentage for a family without the spouse, use the Service member and one (the oldest) dependent at the 100% rate. Add the percentages in Table 68-11 for the rest of the dependents.

6.2.3.2. Step 2: Determine the payable lodging cost by comparing the actual daily lodging cost, including lodging tax or VAT relief certificate cost, International Transaction Fees charged by the GTCC, and other authorized lodging costs, as specified in subparagraph 6.2.2, with the lodging cost ceiling calculated using Table 68-11. Select the lesser amount:

6.2.3.2.1. Itemized lodging receipts, invoices, or vendor statements are required to verify lodging expenses; or

6.2.3.2.2. When the Service member is in a TDY status at the TLA location, regardless of the per diem amount received, reduce the lodging expense by the lodging cost used to determine the Service member's per diem rate.

6.2.3.3. Step 3: Determine the daily TLA amount by adding the payable lodging to the M&IE rate calculated as specified in Table 68-11. See TLA computation examples.

6.3 TLA Computation in Non-Standard Circumstances

6.3.1. TLA for Lodging Contracted by the Government or Under Government Jurisdiction. When the Service member or a dependent checks into or out of lodging at a time of day that results in the payment of a lodging, rental, or service charge for an extra day, add the extra amount paid to the daily TLA amount for the check in day or the day before check out. TLA is computed according to standard TLA computations in either of the following situations:

6.3.1.1. A Government contractor furnishes temporary lodging; or

6.3.1.2. The temporary lodging is a guesthouse, exchange hotel, temporary lodging facility, or transient facility (such as visiting officer's quarters) under Government jurisdiction, whether operated with appropriated or non-appropriated funds.

6.3.2. Temporary Lodging Not Available at PDS. When neither Government nor commercial temporary lodging is available at the PDS and the Service member must obtain lodging nearby, determine the maximum daily TLA amount by multiplying the lodging location per diem rate by the percentage in Table 68-11. If the per diem rate for the lodging location is lower than that for the PDS, use the PDS locality per diem rate. Finance regulations may require a statement from the Service member's commanding officer or designee that the lodging used was the nearest suitable accommodations available to the Service member's PDS.

6.3.3. TLA Authorized for Limited Kitchen Facilities

6.3.3.1. A Service member may be authorized TLA to cover the cost of restaurant meals when kitchen facilities are limited and any of the following apply:

6.3.3.1.1. The Service member or dependent occupies Government quarters while the kitchen is being renovated;

6.3.3.1.2. The Service member or dependent occupies Government quarters or private-sector housing during utility loss; or

6.3.3.1.3. The Service member or dependent initially occupies permanent Government quarters or private-sector housing without a stove or refrigerator and meals cannot be prepared.

6.3.3.2. Calculate TLA for meals by multiplying the applicable percentage in Table 68-11 by the meals portion of the locality M&IE per diem rate.

6.3.4. Temporary Quarters Contain Facilities for Preparing and Consuming Meals. The presence of a stove and oven, counter or table top space, refrigerator, sink, water, table, chairs, and cooking and eating utensils is evidence of adequate cooking and eating facilities; however, the absence of one or more of these amenities does not automatically constitute inadequate cooking and eating facilities for TLA purposes.

6.3.4.1. When temporary lodging has adequate cooking and eating facilities, the daily TLA rate for lodging does not change, but the M&IE amount is reduced by one half. That reduced M&IE amount based on adequate cooking facilities does not apply when a friend or relative provides lodging or to the first and last days of TLA.

6.3.4.2. When the Service member shows the official designated in the local TLA regulations that the facilities for preparing and consuming meals are inadequate or, for other reasons, may not be used for all or part of the period involved, the Service member may be authorized TLA without the M&IE reduction.

A statement from the Service member’s commanding officer, or an officer designated by the commanding officer, should support that the dependent was notified that permission to complete travel was withdrawn and that the dependent was directed to proceed to a specified place to await further instructions.

A statement from the Service member’s commanding officer, or an officer designated by the commanding officer, should support that the dependent was notified that permission to complete travel was withdrawn and that the dependent was directed to proceed to a specified place to await further instructions.

Table 68-8. Calculate Annual OCONUS COLA

Step	Procedure
1	Determine the Service member's annual compensation.
2	Determine the Service member's average annual spendable income: <ol style="list-style-type: none"> a. Locate the dollar range for the appropriate annual compensation amount, as determined in Step 1. b. Find where this dollar range intersects with the number of command sponsored dependents on the annual spendable income table. c. This number is the Service member's average annual spendable income.
3	Find the Service member's COLA index based on the PDS.
4	Subtract 100 from the prescribed COLA index. Divide the difference by 100 to change it to a percentage (for example, 20 becomes 0.20 or 20%).
5	Multiply the Service member's average annual spendable income, in Step 2, by the percentage in Step 4. The result is the Service member's annual OCONUS COLA.

Table 68-9. Calculate Monthly OCONUS COLA

Step	Procedure
1	Divide the annual OCONUS COLA amount by 360 (days) (see Table 68-8).
2	Carry the result to five digits to the right of the decimal to get the daily amount.
3	Multiply the result by the number of days in the month for which the allowance is payable.
4	Round the amount to the nearest cent to get the monthly OCONUS COLA.

Table 68-10. TLA When Departing a PDS

R U L E	Departure	TLA Authorization
1	Dependent Departs before the Service Member	When a dependent departs a PDS OCONUS before the Service member, TLA may be authorized for the Service member and dependent when eligible. TLA due to the dependent's departure is limited to 10 days immediately preceding the day the last dependent departs, and must not begin earlier than the issue date of the PCS order or official alert notice. Upon departure of the Service member at a later date, TLA may again be authorized or approved for the Service member.
2	Delayed Departure	When the authorized TLA period has begun and actual departure is delayed through no fault of the Service member or dependent, TLA may be authorized or approved by the AO, in increments of 10 or fewer days, for the entire period that temporary lodging is required. This includes a dependent's delay due to the Service member's death.
3	Early Permanent Housing Termination	When, for reasons beyond the control of the Service member or dependent, permanent Government quarters or private-sector housing must be relinquished more than 10 days before the estimated departure date, the AO may authorize or approve TLA beginning the day the permanent Government quarters or private-sector housing is relinquished. Acceptable reasons include: <ul style="list-style-type: none"> a. The Transportation Officer determines it necessary to ship HHG after considering anticipated leave; necessary travel time; HHG shipment transit times; compliance with requirements of local packing, crating, and shipping agencies; meeting shipping schedules; and other requirements related to HHG shipments. b. Expiration or termination of lease or rental agreement occurs after a Service member receives the PCS order or alert notice. c. A landlord withdraws the private-sector housing from the market. d. The AO determines that an Act of God, civil unrest, or other disturbance makes occupancy of permanent housing inadvisable. e. The Service member is required by lease, custom, or law to surrender housing at a fixed date more than 10 days before the scheduled departure or before a lease's expiration to permit inspection, finalization of utility bills and deposits, redecoration, or adjudication of damage claims. f. Housing authorities require the Service member to vacate permanent Government quarters for the Government's convenience. g. The OCONUS TLA Authority determines that permanent Government quarters or private-sector housing must be relinquished.

Table 68-10. TLA When Departing a PDS (Continued)

R U L E	Departure	TLA Authorization
4	Service Member Detaches from a Ship Away from Home Port	When a Service member detaches on a PCS from a ship in a home port OCONUS while the ship is away from its home port and he or she returns to the home port, then TLA may be authorized unless he or she receives per diem. If per diem is authorized at the home port, the Service member can receive TLA only if a dependent occupies temporary lodging at the home port.
5	TLA before PCS Order Issuance	A Service member may be authorized TLA before a PCS order is issued. The PCS AO, or the designated representative, must provide a written statement that the Service member was advised that the order would be issued before the PCS order is actually issued. The Service member must provide this statement if required by finance procedures. Information, such as the date of eventual release from active duty, expiration of term of service, retirement eligibility, or expected rotation from duty OCONUS, is not notification of intent to issue an order (52 Comp Gen 769 (1973)). The length of time between when the Service member receives written advice that a PCS order will be issued and when the order is issued may not exceed the relatively short period between when a PCS order determination is made and when the order is actually issued.

APPENDIX A

REIMBURSEMENT OF ADOPTION EXPENSES

1.0 GENERAL

1.1 Purpose

The purpose of this appendix is to prescribe the DoD policy for the reimbursement of adoption expenses to qualified members, as authorized by law.

1.2 Authoritative Guidance

The pay policies and requirements established by DoD in this chapter are derived primarily from, and prepared in accordance with [Title 10, United States Code \(U.S.C.\), section 1052](#). Due to the subject matter in this chapter, the list of authoritative sources is extensive. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 APPLICABILITY AND SCOPE

This appendix applies to the Defense Finance and Accounting Service (DFAS)-Cleveland (CL) site, each Military Service personnel activity, and Service members serving on continuous active duty for at least 180 days. This appendix also applies to full-time Active Guard/Reserve members on active duty orders for at least 180 days.

3.0 POLICY

The members specified in section 4.0, whose adoption of a child under 18 years of age has been finalized, may be reimbursed a maximum of \$2,000 per child for qualified expenses related to the adoption. In the event of multiple adoptions, the maximum reimbursable amount is \$5,000 per calendar year. A benefit may not be paid for any expense paid to or for a member of the Armed Forces under any other adoption benefits program administered by the Federal Government or under any such program administered by a state or local government. The DFAS-CL site is responsible for paying all approved adoption reimbursement claims. DFAS-CL is also responsible for providing primary guidance concerning adoption expense reimbursement procedures. The date the claim is received by DFAS-CL determines the creditable calendar year for determining the maximum reimbursable amount for multiple adoptions.

4.0 ELIGIBILITY REQUIREMENTS

4.1 Active Duty Requirements

Service members must serve on continuous active duty for at least 180 days. In addition, members are not entitled to reimbursement expenses if they separate from active duty before the adoption is final. Members are eligible for reimbursement expenses if the adoption is finalized

before separation from active duty, the claim form has been signed and certified by the member's commanding officer, and the claim is submitted to the DFAS-CL site prior to discharge. Members may request a voluntary extension of assignment beyond their normal expiration of term of service to complete the adoption process.

4.2. Period of Eligibility

4.2.1. A member described in paragraph 4.1, who incurs expenses when adopting a child under 18 years of age, must have the adoption finalized while on active duty to be eligible for reimbursement. Prior to separation from active duty, members must submit an application for reimbursement no later than:

4.2.1.1. 2 years after finalization of the adoption; or

4.2.1.2. 2 years after date that documentation of U.S. citizenship is issued (in the case of a foreign adoption).

4.2.2. If deployment responsibilities impact the member's ability to comply with the 2-year deadline, DFAS can make exceptions. In these cases, the verifying official who signs the DoD (DD) Form 2675, Reimbursement Request for Adoption Expenses, will submit a letter stating that the member's deployment impacted the member's ability to comply with the 2-year deadline.

4.3 Eligible Members

Adoption expense reimbursements may be paid to married or single members. If both parents are military members (including members of the Coast Guard when operating as a Military Service in the Navy), then only one member may be reimbursed for expenses related to the adoption of the same child.

4.4 Qualifying Adoptions

4.4.1. Adoption expenses that may be reimbursed include:

4.4.1.1. Adoption of a child under the age of 18;

4.4.1.2. Adoption by a single person;

4.4.1.3. Infant adoption;

4.4.1.4. Inter-country adoption;

4.4.1.5. Adoption of a child with special needs; and

4.4.1.6. Adoption of stepchildren.

4.4.2. Adoptions qualify for reimbursement only if the adoption is arranged by:

4.4.2.1. A qualified adoption agency; or

4.4.2.2. Other source authorized to place children for adoption under state or local law.

4.4.3. A qualified adoption agency means any of the following:

4.4.3.1. State or local government agency which has responsibility under state or local law for child placement through adoption;

4.4.3.2. A nonprofit, voluntary adoption agency that is authorized by state or local law to place children for adoption; or

4.4.3.3. Any other source authorized by a state to provide adoption placement, if the adoption is supervised by a court under state or local law. (As used in this appendix, “state or local” refers to a state or locality in the United States.)

4.4.4. A qualified adoption agency for inter-country adoptions would be a foreign government or an agency authorized by a foreign government to place children for adoption, in any case which:

4.4.4.1. The adopted child is entitled to automatic citizenship in accordance with [8 U.S.C. § 1431](#), also known as the Immigration and Nationality Act; or

4.4.4.2. A certificate of citizenship has been issued for such child under [8 U.S.C. § 1433](#).

NOTE: In either case, documentation that describes the mission of the foreign agency and the authority delegated from the foreign government should be provided.

5.0 RESPONSIBILITIES

*5.1 Member Responsibilities

5.1.1. A member must submit a [Reimbursement Request for Adoption Expenses for reimbursement of qualifying expenses](#) using a separate [DD Form 2675](#) for each qualifying adoption. Application assistance is available through Military One Source or installation personnel designated by the Military Service. The completed DD 2675 and substantiating documentation must be submitted no later than:

5.1.1.1. 2 years after finalization of the adoption; or

5.1.1.2. 2 years after date that documentation of U.S. citizenship is issued (in the case of a foreign adoption).

5.1.2 A member must manually or digitally sign a thoroughly completed application for reimbursement and have it verified by the member's commander or designated verifying official.

5.1.2.1. When the DD 2675 is manually signed, the member's command must submit the application via [AskDFAS](#) or [Postal Mail](#):

Note: The preferred method for Adoption Reimbursement Claims submission is through AskDFAS: See [Adoption Reimbursement](#) on DFAS.MIL.

Defense Finance and Accounting Service - Cleveland
Special Actions Team/JFLADA
ATTN: Adoption Reimbursement
1240 East Ninth Street
Cleveland, OH 44199

5.1.2.2. When the completed DD 2675 is digitally signed, either the member's command or the member must submit a copy of the application via [AskDFAS](#) or [Postal Mail](#) (see subparagraph 5.1.2.1).

NOTE: The member must retain the original application, including all supporting documents and proof (e.g., postal tracking receipt or [AskDFAS confirmation receipt](#)) that the application was submitted by the 2-year deadline.

5.1.3 If neither the member nor the spouse is able to appear personally at the servicing personnel activity, then the completed claim forms may be mailed to the personnel activity. The spouse of a Service member, who is unable to complete a claim package due to military duty, can sign a claim form under a power of attorney. All claims signed by a spouse must include the power of attorney as a part of the claims package.

5.1.4 Service members must substantiate all expenses with documentation. Documentation must include receipts marked "PAID" or canceled checks.

5.1.4.1. If the receipts are from a foreign entity, then they should list the U.S. currency equivalency.

5.1.4.2. Reconstruction of expense records is permissible when the original records are unavailable, and the member submits a notarized affidavit stating the costs.

5.1.4.3. The member must submit a full English translation of any foreign language document, to include the translator's certification that he or she is competent to translate the foreign language into English, and that his or her translation is complete and correct.

5.1.4.4. The member is responsible for providing the appropriate documentation that establishes the adoption is final and that it was arranged by a qualified adoption agency, as defined in paragraph 4.4.

5.1.4.5. With respect to documents originating from a state or other authorized adoption agency, copies of those documents must be certified as true copies of the original by the state or adoption agency. If the original document is filed with the court, then the member must submit a copy of the adoption order certified by the clerk of courts. NOTE: These documents will not be returned to the member.

5.1.5 In determining whether an adoption of a child in a foreign country is final, the member must submit a copy of the final court documents, as well as proof of U.S. citizenship for the child. The following documents are acceptable forms of proof of U.S. citizenship:

5.1.5.1. A copy of a U.S. court order that recognizes foreign adoption or documents the “re-adopting” of the child in the United States, granting the child U.S. citizenship;

5.1.5.2. A letter from the U.S. Citizenship and Immigration Services which states the status of the child’s adoption, granting the child U.S. citizenship;

5.1.5.3. A copy of a U.S. passport (page with personal information only); or

5.1.5.4. A copy of a U.S. Certificate of Citizenship.

5.1.6 The member is responsible for maintaining a file for the reimbursement claim. This file should contain copies of all paperwork related to the claim, including the receipts, agency documentation, and court papers associated with the adoption proceedings or court-certified copies until the claim is paid or denied.

5.1.7 The member will submit only one reimbursement claim per adoption.

5.2 Secretaries of the Military Departments Responsibilities

Each Service Secretary will designate personnel as reviewing officials to evaluate and approve submission of payment claims for reimbursement by Service members under the jurisdiction of the Military Department concerned; accept and maintain a copy of claims for reimbursement; and forward the authorization for payment of the adoption reimbursement claim to DFAS for final approval and payment. See subparagraphs 5.1.2.1 and 5.1.2.2 for instructions on how the application should be submitted.

*5.3 DFAS-CL Responsibilities

The DFAS-CL site is the central site location for review, certification, and payment of adoption expense reimbursement payments. DFAS-CL is the primary source for guidance concerning the adoption expense reimbursement program. DFAS-CL will also maintain data on expenditures on a fiscal year basis. The contact information for DFAS-CL adoption expense reimbursement program is:

DFAS-CL
(Code JFLADA)
Commercial phone: 216-522-5576/6701
DSN: 580-5576/6701

Note: The DFAS-CL adoption reimbursement program can be contacted through AskDFAS: See <https://www.dfas.mil/MilitaryMembers/payentitlements/adoptionreimbursement/>.

5.4 Military Services' Adoption Expense Reimbursement Funding Responsibilities

The Military Services provide funding authorization to DFAS-CL by memorandum each fiscal year. The DFAS-CL site charges the applicable Military Service provided appropriations according to standard cross-disbursing operating procedures.

6.0 ADOPTION REIMBURSEMENT PROCEDURES

6.1 Authorized Reimbursable Expenses

The DFAS-CL site will pay documented, reasonable, and necessary adoption expenses, up to \$2,000 per adoptive child. Not more than \$5,000 will be paid per calendar year to any member. In the case of two married members (including the Coast Guard when operating as a Military Service in the Navy), only one member may claim expenses for each adopted child and the couple is limited to the \$5,000 per calendar year maximum. The calendar year is determined by the date the claim is received by DFAS-CL for payment. Reasonable and necessary expenses include the following:

6.1.1. Public and private agency fees, including adoptive fees charged by an agency in a foreign country;

6.1.2. Placement fees, including fees charged adoptive parents for counseling;

6.1.3. Legal fees, including court costs, for services that are unavailable to a member for the Military Services;

6.1.4. Medical expenses, including hospital expenses, of the biological mother of the child to be adopted and of a newborn infant to be adopted; and

6.1.5. Temporary foster care charges when payment of such charges is required to be made before the adoptive child's placement.

6.2 Unqualified Expenses

The term "reasonable and necessary expenses" does not include:

6.2.1. Travel expenses;

6.2.2. Items such as clothing, bedding, toys, and books; or

6.2.3. Any costs associated with an adoption arranged in violation of federal, state, or local law.

6.3 Payment Processing Requirements

6.3.1. A separate DD 2675 must support each claim.

6.3.2. Eligibility for reimbursement is supported by the documentation submitted. If the eligibility for reimbursement cannot be determined from the documents provided or claimed expenses are not properly supported by receipts, then the DFAS-CL site will retain the claim and request the necessary information or documentation.

6.3.3. The DFAS-CL site will issue the reimbursement by Electronic Funds Transfer (EFT) to the member's EFT account as designated on the DD 2675 within 30 days of receipt of a properly prepared and supported claim package. A member without access to an EFT method of payment must submit a request for EFT waiver to receive a check.

6.3.4. If the claim is denied, then DFAS-CL will send a letter to the member stating this fact. DFAS-CL will not return documents to the members.

6.4 Appeals

If a member receives a claim denial, they can request reconsideration in writing and add additional explanation or documentation. If, upon reconsideration, the member receives a notice of final action regarding the denial of the claim, the member may appeal to the Defense Office of Hearings and Appeals, in accordance with DoD Instruction (DoDI) 1340.21, Enclosure 7. The request for appeal should include copies of all relevant court documents and statements of the member or other persons in support of the claim and be sent to DFAS at the address listed in subparagraph 5.1.2.1.

APPENDIX B

DISPOSITION OF FORFEITURES AND FINES AS A RESULT OF COURTS-MARTIAL, NONJUDICIAL PUNISHMENT, AND DESERTION

1.0 GENERAL

1.1 Purpose

This appendix describes the transfer of certain forfeitures and fines as a result of courts-martial, nonjudicial punishment, and desertion to the Armed Forces Retirement Home Trust Fund (AFRHTF).

1.2 Authoritative Guidance

The policy prescribed in this appendix was prepared in accordance with applicable statutes, regulations, and other guidance referenced throughout the appendix. The primary authoritative source is [Title 10, United States Code \(U.S.C.\), section 2772](#). To ensure accuracy and completeness, a reference page listing the authoritative sources that support this appendix is provided at the end of the appendix. The references are listed in the order they appear in the appendix.

2.0 SCOPE

This appendix applies to the Defense Finance and Accounting Service (DFAS) site [or the military service pay office](#) and to limited-duty officers, regular and Reserve warrant officers, and regular and Reserve enlisted members of the Army, Navy, Air Force, and Marine Corps.

3.0 GENERAL POLICY

The Chief Operating Officer (COO) for the Armed Forces Retirement Home (AFRH) determines, on the basis of the financial needs of the AFRH, a percentage of forfeitures and fines adjudged by courts-martial and nonjudicial punishment, and amounts forfeited on account of desertion against limited-duty officers, warrant officers, and enlisted members to be transferred to the AFRHTF. The COO has determined that 100 percent of all forfeitures and fines will be transferred to the AFRHTF. Transfer only those amounts that are in excess of any indebtedness to the United States and amounts owed to individuals. For the purpose of this appendix, the term “indebted” or “debt” refers to amounts due from the member for reimbursement to the United States.

Example: An amount due the Internal Revenue Service pursuant to a tax levy, which may ordinarily be thought of as a “debt” to the United States, is not a “reimbursement” or “debt” for purposes of this appendix. The term “amounts owed to individuals” refers to amounts owed from a member’s pay by direction of a commanding officer, pursuant to [10 U.S.C. § 939](#), or Article 139 of the Uniform Code of Military Justice.

4.0 PROCEDURES

4.1 Transfer of Fines

When a limited-duty officer, warrant officer, or enlisted member is sentenced by a court-martial or nonjudicial punishment to pay a fine, the DFAS site [or military service pay office, as applicable, will ensure the funds are transferred](#) to the AFRHTF within 30 days from the end of the month in which the fine was collected.

4.2 Transfer of Courts-Martial and Nonjudicial Punishment Forfeitures

When a limited-duty officer, warrant officer, or enlisted member is sentenced to forfeit all or part of his/her pay, the DFAS site [or military service pay office, as applicable, will ensure the funds are transferred](#) to the AFRHTF within 30 days from the end of the month in which the forfeiture is collected. Multiple-month forfeitures, or forfeiture amounts which are collected over 2 or more months, will be transferred on a monthly basis to the AFRHTF. Do not wait until the entire amount of the forfeiture has been collected before making such transfers.

Example: A member is sentenced to forfeiture of pay of \$500 per month for 2 months, and the effective date of the forfeiture is November 29. The transfer would be \$33.33 (\$500 divided by 30 days, times 2 days left in the month) no later than December 30; \$500 (\$500 divided by 30 days times 30 days) no later than January 30; and \$466.67 (\$500 divided by 30 days times 28 days left uncollected) no later than March 2, into the AFRHTF.

4.3 Transfer of Courts-Martial and Nonjudicial Punishment Forfeitures When Indebted to the Government

When a limited-duty officer, warrant officer, or enlisted member is sentenced to forfeit all or part of his/her pay, and the member is indebted to the Government, the DFAS site [or military service pay office, as applicable, will not transfer any amounts to the AFRHTF until all known debts have been established. Any forfeiture amounts exceeding the uncollected indebtedness will be transferred to the AFRHTF. All amounts collected thereafter, not to exceed the total amount of the forfeiture, will be transferred to the AFRHTF.](#)

Example 1: A member has a forfeiture of \$200 per month for 2 months, with outstanding debts totaling \$300. Transfer \$100 to the AFRHTF only after the first \$300 of forfeitures has been collected.

Example 2: If the debt is \$500 and forfeiture is \$600, then the DFAS site [or military service pay office, as applicable, will transfer the difference of \\$100 to the AFRHTF.](#)

Example 3: If the debt is \$800 and forfeiture is \$500, then no amounts will be transferred to the AFRHTF at this time. If subsequent collection recovers \$700, then the first \$300 (\$800 indebtedness minus \$500 forfeiture) collected will be

credited to the applicable military personnel appropriation, and the next \$400 received will be credited to the AFRHTF.

4.4 Indebtedness After Forfeiture Becomes Effective

Debts incurred by a limited-duty officer, warrant officer, or enlisted member after a sentence has been executed, and before credit of the forfeiture to the AFRHTF, do not affect the disposition of the forfeiture. The forfeiture will be credited to the AFRHTF as if the indebtedness did not exist.

4.5 Remission of Indebtedness

If a forfeiture of a limited-duty officer, warrant officer, or enlisted member is not credited to the AFRHTF due to outstanding debts, and the unliquidated portion of the debts is thereafter remitted or canceled, then the DFAS site [or military service pay office, as applicable](#), will not credit the forfeiture that equals the amount of indebtedness remitted or canceled to the AFRHTF. It remains in the military personnel appropriation.

4.6 Commissioned Officers

The DFAS site [or military service pay office, as applicable](#), will credit forfeitures and fines of Regular and Reserve commissioned officers (except warrant and limited-duty officers), to the appropriation to which the member's pay is properly chargeable.

4.7 Forfeitures as a Result of Desertion

When a limited-duty officer, warrant officer, or enlisted member is declared a deserter, the amount of forfeitures on account of the desertion will be credited to the AFRHTF. For the purpose of this paragraph, the phrase "forfeitures on account of the desertion" refers to all pay and allowances due and unpaid at the time of a member's desertion that are automatically forfeited when a member is determined to be a deserter.

4.8 Transfer of Desertion Forfeitures

The DFAS site [or military service pay office, as applicable](#), will transfer desertion forfeitures according to the procedures in paragraph 4.2.

APPENDIX C

**IMPLEMENTING PROCEDURES FOR MANDATORY ELECTRONIC FUNDS
TRANSFER (EFT) OF MILITARY PAY**

1.0 GENERAL

1.1 Purpose

This appendix provides the policy for the administration and delivery of payments to military members, retirees, and annuitants through the EFT method of payment.

1.2 Authoritative Guidance

The pay policies and requirements established by the DoD in this chapter are derived primarily from, and prepared in accordance with the United States Code (U.S.C.), Title 31. The specific statutes, regulations, and other applicable guidance that govern each individual section are listed in a reference section at the end of the chapter.

2.0 POLICY

2.1 DoD Method of Payment

The prescribed method of payment within the DoD is the EFT method of payment. DoD considers the requirement to participate in the EFT method of payment as a reasonable condition of service or benefit for personnel including enlistments, commissions, promotions, reenlistments, retirements, and for survivor benefit annuitant recipients. This policy requires payments by the EFT method of payment on all new Active Duty (AD), reserve, retired, and annuitant payments unless the recipient of the new payment certifies in writing that he/she does not have a financial institution or authorized payment agent.

Example: I certify that I do not have a financial institution or authorized payment agent. Signature _____ Date _____

2.2 Applicability and Scope

2.2.1. All payments to AD members, reservists, retirees, survivor annuitants, and allotments are paid by the EFT method of payment.

2.2.2. Emergency payments (defined in Chapter 32, section 3.0) and certification of no account with a financial institution, as described in paragraph 2.1, are the only exceptions to the requirement for delivery by the EFT method of payment. All pay for which an exception to the EFT method of payment requirement has not been granted, and for which the payee has not designated an account for receipt, is held at the servicing Defense Finance and Accounting Service (DFAS) central site until the required financial institution information is provided. Check

payments are mailed on payday from the servicing DFAS central site to the member's mailing address.

3.0 PERSONNEL SUBJECT TO EFT PARTICIPATION

3.1 AD Military

AD military personnel and personnel entering or reentering the military service must provide the EFT method of payment information or certify in writing that they do not have a financial institution upon arrival at their respective military processing station. Personnel currently on AD but not enrolled in the EFT method of payment are required to submit EFT method of payment information when they perform Temporary Duty Travel, Permanent Change of Station travel, are promoted, reenlist, become eligible for a new payment, or certify in writing that they do not have a financial institution.

3.2 Reserve and National Guard (NG)

Reserve and NG personnel entering or reentering a Reserve Component, upon processing into their respective component, or upon mobilization or recall to AD must provide the EFT method of payment information or certify in writing that they do not have a financial institution. Mobilized or recalled personnel are also required to continue participation after demobilization or deactivation. Personnel currently affiliated with a Reserve or NG unit, but not enrolled in the EFT method of payment, are required to submit the EFT method of payment information when they become eligible for any new payment, or certify in writing that they do not have a financial institution.

3.3 Military Retirees and Annuitants

All retirees, separated military personnel, and Survivor Benefit Plan annuitants who become eligible for new payments or annuities must provide the EFT method of payment information or certify in writing that they do not have a financial institution. NOTE: Personnel currently receiving payments at a financial institution or address in a foreign country where the EFT method of payment is not available are exempt from this policy until the EFT method of payment becomes available.

3.4 Academy and Reserve Officer Training Corps (ROTC) Cadets and Midshipmen

Military Service Academy, ROTC cadets, and midshipmen are required to participate in the EFT method of payment. Personnel not presently enrolled must enroll immediately or certify in writing that they do not have a financial institution.

3.5 Individual Ready Reservist (IRR)

IRRs and annual muster participants are required to participate in the EFT method of payment. Personnel not presently enrolled must enroll immediately or certify in writing that they do not have a financial institution.

4.0 PERSONNEL EXEMPT FROM EFT PARTICIPATION

4.1 Personnel

AD military, retirees, or survivor annuitants receiving payments in an overseas area where the EFT method of payment is not available are exempt from this policy until the EFT method of payment becomes available at a financial institution in their area or until they relocate to an area, where the EFT method of payment is available.

4.2 Written Certification Waiver

Individuals must certify in writing that they do not have a financial institution as follows:

4.2.1. For AD members and reservists, certifications will be submitted in writing to the Unit Commander.

4.2.2. For military retirees, certifications will be submitted in writing to:

DFAS, U.S. Military Retired Pay
8899 E. 56th Street
Indianapolis, IN 46249-1200

4.2.3. For survivor annuitants, certifications will be submitted in writing to:

DFAS, U.S. Military Annuitant Pay
8899 E. 56th Street
Indianapolis, IN 46249-1300

5.0 REIMBURSEMENT FOR DISHONORED CHECK CHARGES

5.1 Reimbursements

Charges resulting from erroneous information provided by the individual or the financial institution to the servicing financial office are not the liability of the government and are not reimbursed. Reimbursement for dishonored check charges is authorized when an administrative or mechanical error on the part of the government causes the pay of a military member to be deposited late or in an incorrect manner or amount. Such reimbursements are limited to overdraft charges, minimum balance, or average balance charges levied by the financial institution.

5.2 DFAS Procedures

The servicing DFAS site contacts the financial institution to explain the error and requests that charges levied against the account holder be reversed. If the financial institution declines to reverse the charges, then government reimbursement of the charges is made via the EFT method of payment, directly to the applicable account involved. Such charges are funded from the appropriation available for the pay of the member concerned.

6.0 ALLOTMENTS

6.1 General

The EFT method of payment is the preferred method for paying all allotments and should be used whenever possible. It is DoD's intention to work with recipients of all allotments, such as courts receiving child support and/or alimony payments, dependents, spouses, insurance companies, and mortgage companies, to accept allotment payment by the EFT method of payment when systems become available for third party EFT method of payment.

6.2 Savings Allotments

The EFT method of payment is required for all savings allotments sent to financial institutions participating in the Federal Reserve System.

6.3 Allotments to Non-Individuals

The EFT method of payment is required for all discretionary allotments to non-individuals.
